§ 1493.100 Proof of entry.

(a) *Diversion.* The diversion of commodities covered by a GSM-102 or GSM-103 payment guarantee to a country other than that shown on the payment guarantee is prohibited, unless expressly authorized by the GSM.

(b) *Records of proof of entry.* Exporters must obtain and maintain records of an official or customary commercial nature and grant authorized USDA officials access to such documents or records as may be necessary to demonstrate the arrival of the agricultural commodities exported in connection with the GSM-102 or GSM-103 programs in the country that was the intended country of destination of such commodities. Records demonstrating proof of entry must be in English or be accompanied by a certified or other translation acceptable to CCC. Records acceptable to meet this requirement include an original certification of entry signed by a duly authorized customs or port official of the importing country, by the importer, by an agent or representative of the vessel or shipline which delivered the agricultural commodity to the importing country, or by a private surveyor in the importing country, or other documentation deemed acceptable by the GSM showing:

- (1) That the agricultural commodity entered the importing country;
- (2) The identification of the export carrier;
- (3) The quantity of the agricultural commodity;
- (4) The kind, type, grade and/or class of the agricultural commodity; and
- (5) The date(s) and place(s) of unloading of the agricultural commodity in the importing country. [Records of proof of entry need not be submitted with a claim for loss, except as may be provided in § 1493.110(b)(4)(ii).]

§ 1493.110 Notice of default and claims for loss.

(a) *Notice of default.* If the foreign bank issuing the letter of credit fails to make payment pursuant to the terms of the foreign bank letter of credit or related obligation, the exporter or the exporter's assignee must submit a notice of default to CCC as soon as possible, but not later than 10 calendar days after the date that payment was due from the foreign bank (the due date). A notice of default must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. If the exporter or the exporter's assignee fails to promptly notify CCC of defaults in accordance with this paragraph, CCC may make the payment guarantee null and void with respect to any payment(s) applicable to such default. This time limit may be extended only under extraordinary circumstances and if such extension is determined by the Controller, CCC, to be in the best interests of CCC. The notice of default must include:

- (1) Payment guarantee number;
- (2) Name of the country;
- (3) Name of the defaulting bank;
- (4) Due date;
- (5) Total amount of the defaulted payment due, indicating separately the amounts for principal and interest;
- (6) Date of foreign bank's refusal to pay, if applicable; and
- (7) Reason for foreign bank's refusal to pay, if known.

(b) *Filing a claim for loss.* A claim for a loss by the exporter or the exporter's assignee will not be paid if it is made later than six months from the due date of the defaulted payment. A claim for loss must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. The claim for loss must include the following information and documents:

- (1) Payment guarantee number;
- (2) A certification that the scheduled payment has not been received;
- (3) A certification of the amount of accrued interest in default, the date interest began to accrue, and the interest rate on the foreign bank obligation applicable to the claim;
- (4) A copy of each of the following documents, with a cover document containing a signed certification by the

exporter or the exporter's assignee that each page of each document is a true and correct copy:

(i)(A) The foreign bank letter of credit securing the export sale; and

(B) If applicable, the document(s) evidencing the related obligation owed by the foreign bank to the assignee financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter. Such related obligation must be demonstrated in one of the following ways:

(1) The related obligation, including a specific promise to pay on deferred payment terms, may be contained in the letter of credit as a special instruction from the issuing bank directly to the U.S. financial institution to refinance the amounts paid by the U.S. financial institution for obligations financed according to the tenor of the letter of credit; or

(2) The related obligation may be memorialized in a separate document(s) specifically identified and referred to in the letter of credit as the agreement under which the foreign bank is obliged to repay the U.S. financial institution on deferred payment terms; or

(3) The letter of credit payment obligations may be specifically identified in a separate document(s) setting forth the related obligation, or in a duly executed amendment thereto, as having been financed by the U.S. financial institution pursuant to, and subject to repayment in accordance with the terms of, such related obligation; or

(4) The related obligation may be memorialized in the form of a promissory note executed by the foreign bank issuing the letter of credit in favor of the U.S. financial institution submitting the claim;

(ii) Depending upon the method of shipment, the negotiable ocean carrier or intermodal bill(s) of lading signed by the shipping company with the on-board ocean carrier date for each shipment, the airway bill, or, if shipped by rail or truck, the entry certificate or similar document signed by an official of the importing country;

(iii)(A) The exporter's invoice showing, as applicable, the FAS, FOB, CFR or CIF values; or

(B) If there was an intervening purchaser, both the exporter's invoice to

the intervening purchaser and the intervening purchaser's invoice to the importer;

(iv) An instrument, in form and substance satisfactory to CCC, subrogating to CCC the respective rights of the exporter and the exporter's assignee, if applicable, to the amount of payment in default under the applicable export sale. The instrument must reference the applicable foreign bank letter of credit and the related obligation, if applicable; and

(v) A copy of the report(s) of export previously submitted by the exporter to CCC pursuant to §1493.80(a).

(c) *Subsequent claims for defaults on installments.* If the initial claim is found in good order, the exporter or an exporter's assignee need only provide all of the required claims documents with the initial claim relating to a covered transaction. For subsequent claims relating to failure of the foreign bank to make scheduled installments on the same export shipment, the exporter or the exporter's assignee need only submit to CCC a notice of such failure containing the information stated in paragraph (b)(1), (2), and (3) of this section; an instrument of subrogation as per paragraph (b)(4)(iv) of this section, and including the date the original claim was filed with CCC.

§ 1493.120 Payment for loss.

(a) *Determination of CCC's liability.* Upon receipt in good order of the information and documents required under §1493.110, CCC will determine whether or not a loss has occurred for which CCC is liable under the applicable payment guarantee, this subpart and any applicable supplemental Program Announcements and Notices to Participants. If CCC determines that it is liable to the exporter and/or the exporter's assignee, CCC will pay the exporter or the exporter's assignee in accordance with paragraphs (b) and (c) of this section.

(b) *Amount of CCC's liability.* CCC's maximum liability for any claims for loss submitted with respect to any payment guarantee, not including any late interest payments due in accordance with paragraph (c) of this section, will be limited to the lesser of:
