Subpart A—Restrictions and Criteria for Export Credit Guarantee Programs

§ 1493.1 General statement.

This subpart sets forth the restrictions which apply to the use of credit guarantees under the Commodity Credit Corporation (CCC) Export Credit Guarantee Program (GSM-102) and the Intermediate Credit Guarantee Program (GSM-103) and the criteria considered by CCC in determining the annual allocations of credit guarantees to be made available with respect to each participating country. This subpart also sets forth the criteria considered by CCC in the review and approval of proposed allocation levels for GSM-102 and/or GSM-103 credit guarantees which may be made available in connection with export sales of specific U.S. agricultural commodities to these countries. These restrictions and criteria are interrelated and will be applied and considered together in the process of determining which sales opportunities under GSM-102 or GSM-103 will best meet the purposes of the programs.

§1493.2 Purposes of programs.

CCC may use export credit guarantees:

- (a) To increase exports of U.S. agricultural commodities;
- (b) To compete against foreign agricultural exports;
- (c) To assist countries, particularly developing countries, in meeting their food and fiber needs; and
- (d) For such other purposes as the Secretary of Agriculture determines appropriate, consistent with the provisions of §1493.6.

§ 1493.3 Restrictions on programs and cargo preference statement.

- (a) Restrictions on use of credit guarantees. (1) Export credit guarantees authorized under these regulations shall not be used for foreign aid, foreign policy, or debt rescheduling purposes.
- (2) CCC shall not make credit guarantees available in connection with sales of agricultural commodities to any country that the Secretary determines cannot adequately service the debt associated with such sales.
