(c) *Letter of preliminary commitment.* CCC will determine whether, in its judgment, the project in connection

with which the exporter seeks a facility payment guarantee is likely to increase exports of U.S. agricultural commodities or products to an emerging market; and whether the project is likely to benefit primarily U.S. agricultural commodities or products as opposed to commodities or products originating in other countries. If necessary, CCC may seek additional information from an applicant prior to making its determination. If CCC determines that an application meets these standards and appears to represent, in CCC's judgment, the best use of available resources, CCC will respond to the applicant with a letter of preliminary commitment indicating CCC's interest in issuing a facility payment guarantee conditioned on its approval of the exporter's final application.

§ 1493.250 Final application and issuance of a facility payment guarantee.

(a) *Final application.* An exporter who has received a letter of preliminary commitment may, within six months of the date of such letter, submit a final application to CCC for a facility payment guarantee which shall include the following information:

(1) A cover sheet with the title: "Application for a Facility Payment Guarantee—Final Commitment."

(5) The exporter's signature;

(b) *Additional information.* CCC shall have the right to request the exporter

(c) *Final commitment letter.* After making a favorable determination on the exporter's submissions, CCC will issue a final commitment letter indicating the applicable exposure fee rate and stating that CCC is prepared to issue a facility payment guarantee upon receiving full payment of the exposure fee within an allotted time. The letter will also indicate the key terms and coverage of the guarantee to be issued. CCC will also inform exporters in writing when it denies their request for a facility payment guarantee.

(d) *Exposure fee.* The exposure fee is calculated by multiplying the requested guaranteed value (up to the maximum established by CCC's final commitment letter) by the exposure fee rate. Once the facility payment guarantee is issued to the exporter, CCC will ordinarily not refund the exposure fee. If CCC does not issue a facility payment guarantee, or issues a guarantee for only part of the coverage requested, CCC will make a full or *pro rata* refund of the exposure fee, as appropriate.

(e) *Issuance of the facility payment guarantee.* Upon receipt of the exposure fee, CCC will issue a facility payment guarantee.
