date the Agency notifies the applicant that loan funds are available;

(iii) Detailed information showing that all households within the funded service area will be offered service at the broadband lending speed when the system is complete; and

(iv) Detailed information showing that construction of the proposed facilities will start within six months from the date the Agency notifies the borrower that loan funds are available.

(6) A depreciation schedule for all facilities financed with loan and non-loan funds;

(9) An environmental report prepared in accordance with 7 CFR part 1794; and

(10) Any other system requirements required by the Administrator through a notice published in the Federal Register.

(b) The network design must be prepared by a registered Professional Engineer with telecommunications experience or by qualified personnel on the applicant’s staff. If the network design is prepared by the applicant’s staff, the application must clearly demonstrate the staff’s qualifications, experience, and ability to complete the network design. To be considered qualified, staff must have at least three years of experience in designing the type of broadband system proposed in the application.

(c) The Administrator may modify the requirements of this section for loans in underserved service areas.

§ 1738.213 Loan determination.

(a) If the application meets all statutory and regulatory requirements and the feasibility study demonstrates that the TIER requirement can be satisfied, the application will be submitted to the Agency’s credit committees for consideration. Submission of the application to the Agency’s credit committees does not guarantee that a loan will be approved. In making a loan determination, the Administrator shall consider the recommendations of the credit committees.

(b) The applicant will be notified of the Agency’s decision in writing. If the Agency approves the loan, a loan offer will be extended. If the Agency does not approve the loan, a rejection letter will be sent to the applicant, and the application will be returned with an explanation of the reasons for the rejection.

§§ 1738.214—1738.250 [Reserved]

Subpart F—Closing, Servicing, and Reporting

§ 1738.251 Loan offer and loan closing.

The Agency will notify the applicant of the loan offer, in writing, and the applicant will typically have 10 working days to accept the offer. If the applicant accepts the loan offer, a loan contract will be executed and sent to the applicant. The applicant must execute the loan contract and satisfy all conditions precedent to loan closing within the timeframe specified by the Agency which is typically 120 days from the date of the loan contract. If the conditions are not met within this timeframe, the loan offer will be terminated, unless the applicant requests and the Agency approves an extension. The Agency may approve such a request if the applicant has diligently sought to meet the conditions required for loan closing and has been unable to do so for reasons outside its control.

§ 1738.252 Construction.

(a) Construction paid for with broadband loan funds must comply with 7 CFR part 1788, 7 CFR part 1794, RUS Bulletin 1738–2 and any other guidance from the Agency.

(b) Upon notification by the Agency that an applicant has submitted all the required documentation and the application is considered complete for analysis (see §1738.205), the applicant, at its own risk, may enter into an interim financing agreement with a third-party lender or use its own funds to start construction that is included in the loan application. For this construction to be eligible for reimbursement with loan funds, all construction procedures contained herein must be followed. The Agency’s determination that an application is complete is not a commitment that a loan will be approved.

(c) The borrower must begin construction within six months from the date the Agency notifies the applicant that loan funds are available. This is the final step in closing the loan with
