(1) Upon receipt of an approved Form FmHA or its successor agency under Public Law 103-354 1956-1, remittances will be applied in accordance with established policies, beginning with the oldest loan included in the settlement, except that when the request for settlement includes loans made from different revolving funds, the Finance Office will prorate the amount received on the basis of the total principal balance due the respective revolving funds.

(2) Upon notification of a rejection of a debtor's offer and receipt of a request from the State Director for a refund, the Finance Office will refund to the debtor, in care of the servicing official, the amount held in the Deposits Fund Account.

(d) When the debtor is financially unable to meet the terms of the debt settlement agreement, the State Director may void the existing agreement and process a new settlement more consistent with the debtor's repayment ability, provided the facts in the case justify such action.

(e) If the State Director determines that the debtor cannot or will not meet the terms of the settlement agreement and if the facts do not justify approval of a new settlement agreement, the State Director will void the existing agreement and direct the servicing official to take other servicing actions

appropriate to the circumstances of the case.

(f) When an adjustment agreement is voided, the State Director will notify the debtor giving the reasons in writing, with a copy to the Finance Office and to the servicing official. Upon receipt, the Finance Office will return the original Form FmHA or its successor agency under Public Law 103–354 1956–1 to the State Office.
