§ 1962.7 Securing unpaid balances on unsecured loans.

The County Supervisor will take a lien on a borrower’s chattel property in accordance with §1962.6 of this subpart if it is necessary to rely on such property for the collection of the borrower’s unsecured indebtedness, or if it will assist in accomplishing loan objectives.

§ 1962.8 Liens on real estate for additional security.

The County Supervisor may take the best lien obtainable on any real estate owned by the borrower, including any real estate which already serves as security for another loan. Additional liens will be taken only when the borrower is delinquent, the existing security is not adequate to protect FmHA or its successor agency under Public Law 103–354 interests, and the borrower has substantial equity in the real estate to be mortgaged, and taking such mortgage will not prevent making an FmHA or its successor agency under Public Law 103–354 real estate loan, if needed, later.

§ 1962.16 Accounting by County Supervisor.

The Agency will maintain a current record of each borrower’s security. Whenever an inspection is performed, the borrower must advise the Agency of any changes in the security and will complete and sign Form FmHA 1962–1 in accordance with §1924.56 if it has not been previously completed for the year.

(a) Agency responsibilities. Chattel security will be inspected annually except in cases where the Agency official has justified in assessment or analysis review that no undue risk exists. An FO borrower who has been current with the Agency and who has provided chattels as additional security is an example of a case where an inspection may not be needed. All inspections will be recorded in the running record of the borrower’s file. More frequent inspections should be made for delinquent borrowers or borrowers that have been indebted for less than 1 full crop year. The Agency official will discuss the provisions of §§1962.17 and 1962.18 and assist the borrower in completing the form. If a borrower does not plan to dispose of any chattel security, the form should be completed to show this and should be signed. When the Agency official has other contacts with the borrower, the official should also check for dispositions and acquisitions of security. Changes will be recorded on the form, dated and initialed by the borrower and the agency official. The purpose of all inspections is to:

(1) Verify that the borrower possesses all the security,
(2) Determine security is properly maintained, and
(3) Supplement security instruments.

(b) Dispositions. The County Supervisor will record all dispositions of chattel security on Form FmHA or its successor agency under Public Law 103–354 1962–1, and on the file copy of the security agreement or chattel mortgage. The original security instrument...
