

§ 3100.46

(9) Identification and consideration of alternatives to a proposed undertaking that would mitigate or minimize adverse effects to a property identified under paragraph (a)(4) of this section;

(10) Funding of mitigation measures where required to minimize the potential for adverse effects on the cultural environment. Funds for mitigation shall be available and shall be spent when needed during the life of the project to mitigate the expected loss; and

(11) Development of plans to provide for the management, protection, maintenance and/or restoration of Register sites under its management.

(b) Each agency of the Department which conducts programs or activities that may have an effect on the cultural environment shall recruit, place, develop, or otherwise have available, professional expertise in anthropology, archeology, history, historic preservation, historic architecture, and/or cultural resource management (depending upon specific need). Such arrangements may include internal hiring, Intergovernmental Personnel Act assignments, memoranda of agreement with other agencies or Departments, or other mechanisms which insure a professionally directed program. Agencies should use Department of the Interior professional standards (36 CFR 61.5) as guidelines to insure Departmentwide competence and consistency.

(c) Compliance with cultural resource legislation is the responsibility of each individual agency. Consideration of cultural resource values must begin during the earliest planning stages of any undertaking.

(d) Agency heads shall insure that cultural resource management activities meet professional standards as promulgated by the Department of the Interior (e.g., 36 CFR parts 60, 63, 66, 1208).

(e) Cultural resource review requirements and compliance with section 106 of NHPA and Executive Order 11593 shall be integrated and run concurrently, rather than consecutively, with the other environmental considerations under NEPA regulations. As such, direct and indirect impacts on cultural resources must be addressed in

7 CFR Ch. XXXI (1-1-12 Edition)

the environmental assessment for every agency undertaking. In meeting these requirements, agencies shall be guided by regulations implementing the procedural provisions of NEPA (40 CFR parts 1500-1508) and Department of Agriculture regulations (7 CFR part 3100, subpart B).

(f) Each agency shall work closely with the appropriate State Historic Preservation Officer(s) in their preparation of State plans, determination of inventory needs, and collection of data relevant to general plans or specific undertakings in carrying out mutual cultural resource responsibilities.

(g) Each agency shall, to the maximum extent possible, use existing historic structures for administrative purposes in compliance with Public Buildings Cooperative Use Act of 1976 and Executive Order 12072, "Federal Space Management".

(h) Each agency should consult with Native American traditional religious leaders or their representatives and other native leaders in the development and implementation of cultural resource programs which may affect their religious customs and practices.

§ 3100.46 Responsibilities of the Department of Agriculture.

(a) Within the Department, the responsibility for the protection of the cultural environment is assigned to the Office of Environmental Quality (OEQ). The Office is responsible for reviewing the development and implementation of agency procedures and insuring Departmental commitment to cultural resource goals.

(b) The Director of the OEQ is the Secretary's Designee to the ACHP.

(c) In order to carry out cultural resource responsibilities, there will be professional expertise within the OEQ to advise agencies, aid the Department in meeting its cultural resource management goals, and to insure that all Departmental and agency undertakings comply with applicable cultural resource protection legislation and regulations.

(d) The OEQ will be involved in individual compliance cases only where resolution cannot be reached at the agency level. Prior to the decision to refer a matter to the full Council of the

Office of Environmental Quality, USDA

ACHP, the OEQ will review the case and make recommendations to the Secretary regarding the position of the Department. The agency also will consult with the OEQ before reaching a final

decision in response to the Council's comments. Copies of correspondence relevant to compliance with Section 106 shall be made available to OEQ.
