

Subpart F—Supplementary Information

§ 3405.16 Access to peer review information.

After final decisions have been announced, NIFA will, upon request, inform the project director of the reasons for its decision on a proposal. Verbatim copies of summary reviews, not including the identity of the peer reviewers, will be made available to respective project directors upon specific request.

§ 3405.17 Grant awards.

(a) *General.* Within the limit of funds available for such purpose, the authorized departmental officer shall make project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced targeted need areas under the evaluation criteria and procedures set forth in this part. The beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and the Department's Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations (7 CFR part 3019).

(b) *Organizational management information.* Specific management information relating to a proposing institution shall be submitted on a one-time basis prior to the award of a project grant identified under this part if such information has not been provided previously under this or another program for which the sponsoring agency is responsible. Copies of the forms used to fulfill this requirement will be sent to the proposing institution by the sponsoring agency as part of the pre-award process.

(c) *Notice of grant award.* The grant award document shall include at a minimum the following:

(1) Legal name and address of performing organization.

(2) Title of project.

(3) Name(s) and address(es) of project director(s).

(4) Identifying grant number assigned by the Department.

(5) Project period, which specifies how long the Department intends to support the effort without requiring re-application for funds.

(6) Total amount of Federal financial assistance approved during the project period.

(7) Legal authority(ies) under which the grant is awarded.

(8) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the grant award.

(9) Other information or provisions deemed necessary by the Department to carry out its granting activities or to accomplish the purpose of this particular project grant.

(d) *Obligation of the Federal Government.* Neither the approval of any application nor the award of any project grant shall legally commit or obligate NIFA or the United States to provide further support of a project or any portion thereof.

§ 3405.18 Use of funds; changes.

(a) *Delegation of fiscal responsibility.* The grantee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) *Change in project plans.* (1) The permissible changes by the grantee, project director(s), or other key project personnel in the approved project grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project's approved goals. If the grantee or the project director(s) are uncertain as to whether a change complies with this provision, the question must be referred to the Department for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes. In no event shall requests for such changes be approved that are outside the scope of the approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such transfers.

(c) *Changes in project period.* The project period may be extended by the authorized departmental officer without additional financial support for such additional period(s) as the authorized departmental officer determines may be necessary to complete or fulfill the purposes of an approved project. However, due to statutory restriction, no grant may be extended beyond five years from the original start date of the grant, or pre-award date, if applicable. Grant extensions shall be conditioned upon prior request by the grantee and approval in writing by the authorized departmental officer, unless prescribed otherwise in the terms and conditions of a grant.

(d) *Changes in approved budget.* Changes in an approved budget shall be requested by the grantee and approved in writing by the authorized departmental officer prior to instituting such changes if the revision will:

(1) Involve transfers of amounts budgeted for indirect costs to absorb an increase in direct costs;

(2) Involve transfers of amounts budgeted for direct costs to accommodate changes in indirect cost rates negotiated during a budget period and not approved when a grant was awarded; or

(3) Involve transfers or expenditures of amounts requiring prior approval as set forth in the applicable Federal cost principles, Departmental regulations, or in the grant award.

§ 3405.19 Monitoring progress of funded projects.

(a) During the tenure of a grant, project directors must attend at least one national project directors meeting,

if offered, in Washington, DC or any other announced location. The purpose of the meeting will be to discuss project and grant management opportunities for collaborative efforts, future directions for education reform, and opportunities to enhance dissemination of exemplary end products/results.

(b) An Annual Performance Report must be submitted to the USDA program contact person within 90 days after the completion of the first year of the project and annually thereafter during the life of the grant. Generally, the Annual Performance Reports should include a summary of the overall progress toward project objectives, current problems or unusual developments, the next year's activities, and any other information that is pertinent to the ongoing project or which may be specified in the terms and conditions of the award.

(c) A Final Performance Report must be submitted to the USDA program contact person within 90 days after the expiration date of the project. The expiration date is specified in the award documents and modifications thereto, if any. Generally, the Final Performance Report should be a summary of the completed project, including: A review of project objectives and accomplishments; a description of any products and outcomes resulting from the project; activities undertaken to disseminate products and outcomes; partnerships and collaborative ventures that resulted from the project; future initiatives that are planned as a result of the project; the impact of the project on the project director(s), the institution, and the food and agricultural sciences higher education system; and data on project personnel and beneficiaries. The Final Performance Report should be accompanied by samples or copies of any products or publications resulting from or developed by the project. The Final Performance Report must also contain any other information which may be specified in the terms and conditions of the award.

§ 3405.20 Other Federal statutes and regulations that apply.

Several other Federal statutes and regulations apply to grant proposals
