

secondary market or retain the entire loan. The lender shall not sell or participate any amount of the guaranteed or unguaranteed portion of the loan to the borrower or members of the borrower's immediate families, officers, directors, stockholders, other owners, or a parent, subsidiary or affiliate. If the lender desires to market all or part of the guaranteed portion of the loan at or subsequent to loan closing, such loan must not be in default. Loans made with the proceeds of any obligation the interest on which is excludable from income under 26 U.S.C. 103 (interest on State and local banks) or any successor section will not be guaranteed.

(a) *Single note system.* The entire loan is evidenced by one note, and one Loan Note Guarantee is issued. The lender may assign all or part of the guaranteed portion of the loan to one or more holders by using the Agency's Assignment Guarantee Agreement. The holder, upon written notice to the lender and the Agency, may reassign the unpaid guaranteed portion of the loan sold under the Assignment Guarantee Agreement. Upon notification and completion of the assignment through the use of Form 4279-6, the assignee shall succeed to all rights and obligations of the holder thereunder. If this option is selected, the lender may not at a later date cause any additional notes to be issued.

(b) *Multinote system.* Under this option the lender may provide one note for the unguaranteed portion of the loan and no more than 10 notes for the guaranteed portion. When this option is selected by the lender, the holder will receive one of the borrower's executed notes and a Loan Note Guarantee. The Agency will issue a Loan Note Guarantee for each note, including the unguaranteed note, to be attached to the note. An Assignment Guarantee Agreement will not be used when the multinote option is utilized.

(c) *After loan closing.* If a loan is closed using the multinote option and at a later date additional notes are desired, the lender may cause a series of new notes, so that the total number of notes issued does not exceed the total number provided for in paragraph (b) of this section, to be issued as replace-

ment for previously issued guaranteed notes, provided:

(1) Written approval of the Agency is obtained;

(2) The borrower agrees and executes the new notes;

(3) The interest rate does not exceed the interest rate in effect when the loan was closed;

(4) The maturity date of the loan is not changed;

(5) The Agency will not bear or guarantee any expenses that may be incurred in reference to such reissuances of notes;

(6) There is adequate collateral securing the notes;

(7) No intervening liens have arisen or have been perfected and the secured lien priority is better or remains the same; and

(8) All holders agree.

(d) *Termination of lender servicing fee.* The lender's servicing fee will stop when the Agency purchases the guaranteed portion of the loan from the secondary market. No such servicing fee may be charged to the Agency and all loan payments and collateral proceeds received will be applied first to the guaranteed loan and, when applied to the guaranteed loan, will be applied on a pro rata basis.

§ 4279.76 Participation.

The lender may obtain participation in the loan under its normal operating procedures; however, the lender must retain title to the notes if any of them are unguaranteed and retain the lender's interest in the collateral.

§ 4279.77 Minimum retention.

The lender is required to hold in its own portfolio a minimum of 5 percent of the total loan amount. The amount required to be maintained must be of the unguaranteed portion of the loan and cannot be participated to another. The lender may sell the remaining amount of the unguaranteed portion of the loan only through participation.

§ 4279.78 Repurchase from holder.

(a) *Repurchase by lender.* A lender has the option to repurchase the unpaid guaranteed portion of the loan from a holder within 30 days of written demand by the holder when the borrower

is in default not less than 60 days on principal or interest due on the loan; or the lender has failed to remit to the holder its pro rata share of any payment made by the borrower within 30 days of the lender's receipt thereof. The repurchase by the lender will be for an amount equal to the unpaid guaranteed portion of principal and accrued interest less the lender's servicing fee. The holder must concurrently send a copy of the demand letter to the Agency. The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the demand letter to the lender requesting the repurchase. The lender will accept an assignment without recourse from the holder upon repurchase. The lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve the problem, and prevent default, where and when reasonable. The lender will notify the holder and the Agency of its decision.

(b) *Agency purchase.* (1) If the lender does not repurchase the unpaid guaranteed portion of the loan as provided in paragraph (a) of this section, the Agency will purchase from the holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase, less the lender's servicing fee, within 30 days after written demand to the Agency from the holder. (This is in addition to the copy of the written demand on the lender.) The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the original demand letter of the holder to the lender requesting the repurchase.

(2) The holder's demand to the Agency must include a copy of the written demand made upon the lender. The holder must also include evidence of its right to require payment from the Agency. Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of the Assignment Guarantee Agreement properly assigned to the Agency without recourse including all rights, title, and interest in the loan. The holder must include in its demand the amount due including unpaid principal, unpaid in-

terest to date of demand, and interest subsequently accruing from date of demand to proposed payment date. The Agency will be subrogated to all rights of the holder.

(3) The Agency will notify the lender of its receipt of the holder's demand for payment. The lender must promptly provide the Agency with the information necessary for the Agency to determine the appropriate amount due the holder. Upon request by the Agency, the lender will furnish a current statement certified by an appropriate authorized officer of the lender of the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any holder. Any discrepancy between the amount claimed by the holder and the information submitted by the lender must be resolved between the lender and the holder before payment will be approved. Such conflict will suspend the running of the 30 day payment requirement.

(4) Purchase by the Agency neither changes, alters, nor modifies any of the lender's obligations to the Agency arising from the loan or guarantee nor does it waive any of Agency's rights against the lender. The Agency will have the right to set-off against the lender all rights inuring to the Agency as the holder of the instrument against the Agency's obligation to the lender under the guarantee.

(c) *Repurchase for servicing.* If, in the opinion of the lender, repurchase of the guaranteed portion of the loan is necessary to adequately service the loan, the holder must sell the guaranteed portion of the loan to the lender for an amount equal to the unpaid principal and interest on such portion less the lender's servicing fee. The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the demand letter of the lender or the Agency to the holder requesting the holder to tender its guaranteed portion. The lender must not repurchase from the holder for arbitrage or other purposes to further its own financial gain. Any repurchase must only be made after the lender obtains the Agency's written approval. If the lender does not repurchase the portion from the holder,

RBS and RUS, USDA**§ 4279.100**

the Agency may, at its option, purchase such guaranteed portion for servicing purposes.

§§ 4279.79–4279.83 [Reserved]**§ 4279.84 Replacement of document.**

(a) The Agency may issue a replacement Loan Note Guarantee or Assignment Guarantee Agreement which was lost, stolen, destroyed, mutilated, or defaced to the lender or holder upon receipt of an acceptable certificate of loss and an indemnity bond.

(b) When a Loan Note Guarantee or Assignment Guarantee Agreement is lost, stolen, destroyed, mutilated, or defaced while in the custody of the lender or holder, the lender will coordinate the activities of the party who seeks the replacement documents and will submit the required documents to the Agency for processing. The requirements for replacement are as follows:

(1) A certificate of loss, notarized and containing a jurat, which includes:

(i) Name and address of owner;

(ii) Name and address of the lender of record;

(iii) Capacity of person certifying;

(iv) Full identification of the Loan Note Guarantee or Assignment Guarantee Agreement including the name of the borrower, the Agency's case number, date of the Loan Note Guarantee or Assignment Guarantee Agreement, face amount of the evidence of debt purchased, date of evidence of debt, present balance of the loan, percentage of guarantee, and, if an Assignment Guarantee Agreement, the original named holder and the percentage of the guaranteed portion of the loan assigned to that holder. Any existing parts of the document to be replaced must be attached to the certificate;

(v) A full statement of circumstances of the loss, theft, or destruction of the Loan Note Guarantee or Assignment Guarantee Agreement; and

(vi) For the holder, evidence demonstrating current ownership of the Loan Note Guarantee and Note or the Assignment Guarantee Agreement. If the present holder is not the same as the original holder, a copy of the endorsement of each successive holder in the chain of transfer from the initial holder to present holder must be in-

cluded if in existence. If copies of the endorsement cannot be obtained, best available records of transfer must be submitted to the Agency (e.g., order confirmation, canceled checks, etc.).

(2) An indemnity bond acceptable to the Agency shall accompany the request for replacement except when the holder is the United States, a Federal Reserve Bank, a Federal corporation, a State or territory, or the District of Columbia. The bond shall be with surety except when the outstanding principal balance and accrued interest due the present holder is less than \$1 million verified by the lender in writing in a letter of certification of balance due. The surety shall be a qualified surety company holding a certificate of authority from the Secretary of the Treasury and listed in Treasury Department Circular 580.

(3) All indemnity bonds must be issued and payable to the United States of America acting through the USDA. The bond shall be in an amount not less than the unpaid principal and interest. The bond shall hold USDA harmless against any claim or demand which might arise or against any damage, loss, costs, or expenses which might be sustained or incurred by reasons of the loss or replacement of the instruments.

(4) In those cases where the guaranteed loan was closed under the provision of the multinote system, the Agency will not attempt to obtain, or participate in the obtaining of, replacement notes from the borrower. It will be the responsibility of the holder to bear costs of note replacement if the borrower agrees to issue a replacement instrument. Should such note be replaced, the terms of the note cannot be changed. If the evidence of debt has been lost, stolen, destroyed, mutilated or defaced, such evidence of debt must be replaced before the Agency will replace any instruments.
