(1) In accordance with § 226.6(d)(1), if Federal, State or local licensing or approval is not otherwise required, outside-school-hours care centers must meet State or local health and safety standards. When State or local health and safety standards have not been established, State agencies are encouraged to work with appropriate State and local officials to create such standards. Meeting these standards will remain a precondition for any outside-school-hours care center's eligibility for CACFP nutrition benefits. In cases where Federal, State or local licensing or approval is required, outside-school-hours care centers that are complying with applicable procedures to renew licensing or approval may participate in the Program during the renewal process, unless the State agency has information that indicates the renewal will be denied.

(5) Each outside-school-hours care center participating in the Program shall claim only the meal types specified in its approved application and served in compliance with the meal pattern requirements of § 226.20. Reimbursement may not be claimed for more than two meals and one snack provided daily to each child or for meals served to children at any one time in excess of authorized capacity.
