

(4) The right to perform restoration, protection, enhancement, maintenance, and management activities on the easement area.

(c) The landowner will convey title to the easement which is acceptable to NRCS. The landowner will warrant that the easement granted to the United States is superior to the rights of all others, except for exceptions to the title which are deemed acceptable by NRCS.

(d) The landowner will:

(1) Comply with the terms of the easement;

(2) Comply with all terms and conditions of any associated agreement or contract;

(3) Agree to the long-term restoration, protection, enhancement, maintenance, and management of the easement in accordance with the terms of the easement and related agreements;

(4) Have the option to enter into an agreement with governmental or private organizations to assist in carrying out any landowner responsibilities on the easement area; and

(5) Agree that each person who is subject to the easement will be jointly and severally responsible for compliance with the easement and the provisions of this part, and for any refunds or payment adjustment which may be required for violation of any terms or conditions of the easement or the provisions of this part.

**§ 625.12 30-year contracts.**

(a) To enroll land in HFRP through the 30-year contract option, a landowner will sign a 30-year contract with NRCS. The contract will require that the contract area be maintained in accordance with HFRP goals and objectives for the duration of the term of the contract, including the restoration, protection, enhancement, maintenance, and management of habitat and forest ecosystem functions and values.

(b) For the duration of its term, the 30-year contract will require, at a minimum, that the landowner and the landowner's assignees, will cooperate in the restoration, protection, enhancement, maintenance, and management of the land in accordance with the contract and with the terms of the HFRP restoration plan. In addition, the con-

tract will grant to the United States through NRCS:

(1) A right of access to the contract area by NRCS or its representative;

(2) The right to allow such activities by the landowner as hunting and fishing, managed timber harvest, or periodic haying or grazing, if such use is consistent with the long-term protection and enhancement of the purposes for which the contract was established;

(3) The right to specify the amount, method, timing, intensity, and duration of the activities listed in paragraph (b)(2) of this section, as incorporated into the terms of the contract; and

(4) The right to perform restoration, protection, enhancement, maintenance, and management activities on the contract area.

(c) The landowner will:

(1) Comply with the terms of the contract;

(2) Comply with all terms and conditions of any associated agreement or contract; and

(3) Agree to the long-term restoration, protection, enhancement, maintenance, and management of the contract area in accordance with the terms of the contract and related agreements.

(d) A 30-year contract will:

(1) Be signed by the participant;

(2) Identify the amount and extent of cost-share assistance that NRCS will provide for the adoption or implementation of the approved conservation treatment identified in the restoration plan; and

(3) Include any other provision determined necessary or appropriate by the NRCS representative.

(e) Once the landowner and NRCS have signed a 30-year contract, the land will be considered enrolled in HFRP.

**§ 625.13 The HFRP restoration plan development and Landowner Protections.**

(a) The development of the HFRP restoration plan will be made through an NRCS representative, who will confer with the program participant and with the FWS and NMFS, as appropriate.
