§ 632.31 Cost-share payment.

(a) Amount of cost-share payment.

Cost-share payments are to be made at rates specified in the contract. The cost-share payment is to be determined by one of the following methods:

(1) Average cost.

(2) Actual cost but not more than the average cost.

(3) Specified maximum cost. If the average cost or the specified maximum cost at the time of starting the installation of a conservation practice or
