MARKETWIDE SERVICE PAYMENTS

§ 1005.80 Transportation credit balancing fund.

The market administrator shall maintain a separate fund known as the Transportation Credit Balancing Fund into which shall be deposited the payments made by handlers pursuant to §1005.81 and out of which shall be made the payments due handlers pursuant to §1005.82. Payments due a handler shall be offset against payments due from the handler.

§ 1005.81 Payments to the transportation credit balancing fund.

(a) On or before the 12th day after the end of the month (except as provided in §1000.90), each handler operating a pool plant and each handler specified in §1000.9(c) shall pay to the Market Administrator a transportation credit balancing fund assessment determined by multiplying the pounds of Class I producer milk assigned pursuant to §1005.44 by $0.15 per hundredweight or such lesser amount as the Market Administrator deems necessary to maintain a balance in the fund equal to the total transportation credits disbursed during the prior June-February period. In the event that during any month of the June-February period the fund balance is insufficient to cover the amount of credits that are due, the assessment should be based upon the amount of credits that would have been disbursed had the fund balance been sufficient.

(b) The market administrator shall announce publicly on or before the 23rd day of the month (except as provided in §1000.90) the assessment pursuant to paragraph (a) of this section for the following month.
