(e) Burden of establishing and maintaining producer-handler status. The burden rests upon the handler who is designated as a producer-handler to establish through records required pursuant to §1000.27 that the requirements set forth in paragraph (a) of this section have been and are continuing to be met, and that the conditions set forth in paragraph (c) of this section for cancellation of the designation do not exist.

(f) Any producer-handler with Class I route dispositions and/or transfers of packaged fluid milk products in the marketing area described in §1131.2 shall be subject to payments into the Order 1131 producer settlement fund on such dispositions pursuant to §1000.76(a) and payments into the Order 1131 administrative fund provided such dispositions are less than three million pounds in the current month and such producer-handler had total Class I route dispositions and/or transfers of packaged fluid milk products from own farm production of three million pounds or more during the current month. If the producer-handler has Class I route dispositions and/or transfers of packaged fluid milk products into the marketing area described in §1131.2 of three million pounds or more during the current month, such producer-handler shall be subject to the provisions described in §1131.7 or §1000.76(a).

§ 1131.13 Producer milk.

Producer milk means the skim milk (or the skim equivalent of components of skim milk) and butterfat in milk of a producer that is:

(a) Received by the operator of a pool plant directly from a producer or a handler described in §1000.9(c). All milk received pursuant to this paragraph shall be priced at the location of the plant where it is first physically received;

(b) Received by a handler described in §1000.9(c) in excess of the quantity delivered to pool plants;

(c) Diverted by a pool plant operator to another pool plant. Milk so diverted shall be priced at the location of the plant to which diverted; or

(d) Diverted by the operator of a pool plant or a cooperative association described in §1000.9(c) to a nonpool plant, subject to the following conditions:

(1) Milk of a dairy farmer shall not be eligible for diversion unless at least one day’s production of such dairy farmer is physically received at a pool plant during the month;
§ 1131.14 Other source milk.

See §1000.14.

§ 1131.15 Fluid milk product.

HANDLER REPORTS

§ 1131.30 Reports of receipts and utilization.

Each handler shall report monthly so that the market administrator’s office receives the report on or before the 7th day after the end of the month, in the detail and on the forms prescribed by the market administrator, as follows:

(a) With respect to each of its pool plants, the quantities of skim milk and butterfat contained in or represented by milk of any producer is determined not to be producer milk pursuant to this paragraph, other milk delivered by such producer as producer milk during the month will not be subject to §1131.12(b)(5) and

(b) The delivery day requirement in paragraph (d)(1) of this section and diversion percentage in paragraph (d)(2) of this section may be increased or decreased by the market administrator if the market administrator finds that such revision is necessary to assure orderly marketing and efficient handling of milk in the marketing area. Before making such a finding, the market administrator shall investigate the need for the revision either on the market administrator’s own initiative or at the request of interested persons if the request is made in writing at least 15 days prior to the month for which the requested revision is desired effective.

If the investigation shows that a revision might be appropriate, the market administrator shall issue a notice stating that the revision is being considered and inviting written data, views, and arguments. Any decision to revise the delivery day requirement or the diversion percentage must be issued in writing at least one day before the effective date.

(c) Producer milk shall not include milk of a producer that is subject to a marketwide equalization pool under a milk classification and pricing plan under the authority of a State government.
