### § 165.1 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This part is issued by the OCC pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this part is to define, for Federal savings associations, the capital measures and capital levels that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This part also establishes procedures for submission and review of capital restoration plans and for issuance and

review of directives and orders pursuant to section 38.

(c) *Scope.* This part implements the provisions of section 38 of the FDI Act as they apply to Federal savings associations. Certain of these provisions also apply to officers, directors and employees of Federal savings associations. Other provisions apply to any company that controls a Federal savings association and to the affiliates of a Federal savings association.

(d) *Other supervisory authority.* Neither section 38 nor this part in any way limits the authority of the OCC under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the OCC, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a Federal savings association under this part within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the OCC or otherwise required by law, no Federal savings association may state in any advertisement or promotional material its capital category under this subpart or that the OCC or any other Federal banking agency has assigned the Federal savings association to a particular category.

### § 165.2 Definitions.

For purposes of this part, except as modified in this section or unless the context otherwise requires, the terms used in this part have the same meanings as set forth in sections 38 and 3 of the FDI Act.

(a)(1) *Control* has the same meaning assigned to it in section 2 of the Bank Holding Company Act (12 U.S.C. 1841), and the term “controlled” shall be construed consistently with the term “control.”

### § 165.3

### 12 CFR Ch. I (1–1–13 Edition)

(2) *Exclusion for fiduciary ownership.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares in a fiduciary capacity. Shares shall not be deemed to have been acquired in a fiduciary capacity if the acquiring insured depository institution or company has sole discretionary authority to exercise voting rights with respect thereto.

(3) *Exclusion for debts previously contracted.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted in good faith, until two years after the date of acquisition. The two-year period may be extended at the discretion of the appropriate Federal banking agency for up to three one-year periods.

(b) *Controlling person* means any person having control of an insured depository institution and any company controlled by that person.

(c) *Leverage ratio* means the ratio of Tier 1 capital to adjusted total assets, as calculated in accordance with part 167 of this chapter.

(d) *Management fee* means any payment of money or provision of any other thing of value to a company or individual for the provision of management services or advice to the Federal savings association or related overhead expenses, including payments related to supervisory, executive, managerial or policymaking functions, other than compensation to an individual in the individual's capacity as an officer or employee of the Federal savings association.

(e) *Risk-weighted assets* means total risk-weighted assets, as calculated in accordance with part 167 of this chapter.

(f) *Tangible equity* means the amount of a Federal savings association's core capital as computed in part 167 of this chapter plus the amount of its outstanding cumulative perpetual preferred stock (including related surplus), minus intangible assets as defined in §167.1 of this chapter, except mortgage servicing assets to the extent

they are includable under §167.12. Non-mortgage servicing assets that have not been previously deducted in calculating core capital are deducted.

(g) *Tier 1 capital* means the amount of core capital as defined in part 167 of this chapter.

(h) *Tier 1 risk-based capital ratio* means the ratio of Tier 1 capital to risk-weighted assets, as calculated in accordance with part 167 of this chapter.

(i) *Total assets*, for purposes of §165.4(b)(5), means adjusted total assets as calculated in accordance with part 167 of this chapter, minus intangible assets as provided in the definition of tangible equity.

(j) *Total risk-based capital ratio* means the ratio of total capital to risk-weighted assets, as calculated in accordance with part 167 of this chapter.

#### § 165.3 Notice of capital category.

(a) *Effective date of determination of capital category.* A Federal savings association shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this part as of the date the savings association is notified of, or is deemed to have notice of, its capital category, pursuant to paragraph (b) of this section.

(b) *Notice of capital category.* A Federal savings association shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Consolidated Report of Condition (Call Report) or Thrift Financial Report (TFR), as appropriate, is required to be filed with the OCC;

(2) A final report of examination is delivered to the savings association; or

(3) Written notice is provided by the OCC to the savings association of its capital category for purposes of section 38 of the FDI Act and this part or that the savings association's capital category has changed as provided in paragraph (c) of this section or §165.4(c).

(c) *Adjustments to reported capital levels and category*—(1) *Notice of adjustment by Federal savings association.* A Federal savings association shall provide the OCC with written notice that an adjustment to the savings association's capital category may have occurred no later than 15 calendar days following

the date that any material event has occurred that would cause the savings association to be placed in a lower capital category from the category assigned to the savings association for purposes of section 38 and this part on the basis of the savings association's most recent Call Report or TFR, as appropriate, or report of examination.

(2) *Determination by the OCC to change capital category.* After receiving notice pursuant to paragraph (c)(1) of this section, the OCC shall determine whether to change the capital category of the Federal savings association and shall notify the savings association of the OCC determination.

**§ 165.4 Capital measures and capital category definitions.**

(a) *Capital measures.* For purposes of section 38 and this part, the relevant capital measures shall be:

- (1) The total risk-based capital ratio;
- (2) The Tier 1 risk-based capital ratio; and
- (3) The leverage ratio.

(b) *Capital categories.* For purposes of section 38 and this part, a Federal savings association shall be deemed to be:

- (1) *Well capitalized* if the savings association:
  - (i) Has a total risk-based capital ratio of 10.0 percent or greater; and
  - (ii) Has a Tier 1 risk-based capital ratio of 6.0 percent or greater; and
  - (iii) Has a leverage ratio of 5.0 percent or greater; and
  - (iv) Is not subject to any written agreement, order, capital directive, or prompt corrective action directive issued by the OCC or OTS under section 8 of the FDI Act, the International Lending Supervision Act of 1983 (12 U.S.C. 3907), the Home Owners' Loan Act (12 U.S.C. 1464(t)(6)(A)(ii)), or section 38 of the FDI Act, or any regulation thereunder, to meet and maintain a specific capital level for any capital measure.

(2) *Adequately capitalized* if the savings association:

- (i) Has a total risk-based capital ratio of 8.0 percent or greater; and
- (ii) Has a Tier 1 risk-based capital ratio of 4.0 percent or greater; and
- (iii) Has:
  - (A) A leverage ratio of 4.0 percent or greater; or

(B) A leverage ratio of 3.0 percent or greater if the savings association is assigned a composite rating of 1, as composite rating is defined in § 116.5(c) of this chapter; and

(iv) Does not meet the definition of a *well capitalized* savings association.

(3) *Undercapitalized* if the savings association:

- (i) Has a total risk-based capital ratio that is less than 8.0 percent; or
- (ii) Has a Tier 1 risk-based capital ratio that is less than 4.0 percent; or
- (iii)(A) Except as provided in paragraph (b)(3)(iii)(B) of this section, has a leverage ratio that is less than 4.0 percent; or

(B) Has a leverage ratio that is less than 3.0 percent if the savings association is assigned a composite rating of 1, as composite rating is defined in § 116.5(c) of this chapter.

(4) *Significantly undercapitalized* if the savings association has:

- (i) A total risk-based capital ratio that is less than 6.0 percent; or
- (ii) A Tier 1 risk-based capital ratio that is less than 3.0 percent; or
- (iii) A leverage ratio that is less than 3.0 percent.

(5) *Critically undercapitalized* if the savings association has a ratio of tangible equity to total assets that is equal to or less than 2.0 percent.

(c) *Reclassification based on supervisory criteria other than capital.* The OCC may reclassify a well capitalized Federal savings association as adequately capitalized and may require an adequately capitalized or undercapitalized Federal savings association to comply with certain mandatory or discretionary supervisory actions as if the savings association were in the next lower capital category (except that the OCC may not reclassify a significantly undercapitalized savings association as critically undercapitalized) (each of these actions are hereinafter referred to generally as "reclassifications") in the following circumstances:

(1) *Unsafe or unsound condition.* The OCC has determined, after notice and opportunity for hearing pursuant to § 165.8(a) of this part, that the savings association is in an unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The OCC has determined, after notice and

an opportunity for hearing pursuant to § 165.8(a) of this part, that the savings association received a less-than-satisfactory rating for any rating category (other than in a rating category specifically addressing capital adequacy) under the Uniform Financial Institutions Rating System, or an equivalent rating under a comparable rating system adopted by the OCC; and has not corrected the conditions that served as the basis for the less than satisfactory rating. Ratings under this paragraph (c)(2) refer to the most recent ratings (as determined either on-site or off-site by the most recent examination) of which the savings association has been notified in writing.

### § 165.5 Capital restoration plans.

(a) *Schedule for filing plan*—(1) *In general.* A Federal savings association shall file a written capital restoration plan with the OCC within 45 days of the date that the savings association receives notice or is deemed to have notice that the savings association is undercapitalized, significantly undercapitalized, or critically undercapitalized, unless the OCC notifies the savings association in writing that the plan is to be filed within a different period. An adequately capitalized savings association that has been required pursuant to § 165.4(c) to comply with supervisory actions as if the savings association were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a Federal savings association that has already submitted and is operating under a capital restoration plan approved under section 38 and this part is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under § 165.4(c) unless the OCC notifies the savings association that it must submit a new or revised capital plan. A savings association that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the OCC within 45 days of receiving such notice, unless the OCC notifies the sav-

ings association in writing that the plan is to be filed within a different period.

(b) *Contents of plan.* All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the Call Report or TFR, as appropriate, unless the OCC instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A Federal savings association that is required to submit a capital restoration plan as the result of a reclassification of the savings association pursuant to § 165.4(c) of this part shall include a description of the steps the savings association will take to correct the unsafe or unsound condition or practice. No plan shall be accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of the FDI Act by each company that controls the savings association.

(c) *Review of capital restoration plans.* Within 60 days after receiving a capital restoration plan under this part, the OCC shall provide written notice to the Federal savings association of whether the plan has been approved. The OCC may extend the time within which notice regarding approval of a plan shall be provided.

(d) *Disapproval of capital plan.* If a capital restoration plan is not approved by the OCC, the Federal savings association shall submit a revised capital restoration plan, when directed to do so, within the time specified by the OCC. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized savings association (as defined in § 165.4(b)(3) of this part) shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as a new or revised capital restoration plan submitted by the savings association has been approved by the OCC.

(e) *Failure to submit a capital restoration plan.* A Federal savings association that is undercapitalized (as defined in § 165.4(b)(3) of this part) and that fails to submit a written capital restoration

plan within the period provided in this section shall, upon the expiration of that period, be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions.

(f) *Failure to implement a capital restoration plan.* Any undercapitalized Federal savings association that fails in any material respect to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions.

(g) *Amendment of capital plan.* A Federal savings association that has filed an approved capital restoration plan may, after prior written notice to and approval by the OCC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the savings association shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) *Notice to FDIC.* Within 45 days of the effective date of OCC approval of a capital restoration plan, or any amendment to a capital restoration plan, the OCC shall provide a copy of the plan or amendment to the FDIC.

(i) *Performance guarantee by companies that control a savings association—(1) Limitation on liability—(i) Amount limitation.* The aggregate liability under the guarantee provided under section 38 and this part for all companies that control a specific Federal savings association that is required to submit a capital restoration plan under this part shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the savings association's total assets at the time the savings association was notified or deemed to have notice that the savings association was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the savings association to the levels required for the savings association to be classified as adequately capitalized, as those capital measures and levels are defined at the time that the savings association initially fails to comply with a capital restoration plan under this part.

(ii) *Limit on duration.* The guarantee and limit of liability under section 38

and this part shall expire after the OCC notifies the Federal savings association that it has remained adequately capitalized for each of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guarantee required or provided in connection with any capital restoration plan filed by the same savings association after expiration of the first guarantee.

(iii) *Collection on guarantee.* Each company that controls a given Federal savings association shall be jointly and severally liable for the guarantee for such savings association as required under section 38 and this part, and the OCC may require and collect payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) *Failure to provide guarantee.* In the event that a Federal savings association that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the savings association shall, upon submission of the plan, be subject to the provisions of section 38 and this part that are applicable to savings associations that have not submitted an acceptable capital restoration plan.

(3) *Failure to perform guarantee.* Failure by any company that controls a Federal savings association to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the savings association shall be subject to the provisions of section 38 and this part that are applicable to savings associations that have failed in a material respect to implement a capital restoration plan.

#### **§165.6 Mandatory and discretionary supervisory actions under section 38.**

(a) *Mandatory supervisory actions—(1) Provisions applicable to all Federal savings associations.* All Federal savings associations are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

## § 165.7

## 12 CFR Ch. I (1–13 Edition)

(2) *Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized Federal savings associations.* Immediately upon receiving notice or being deemed to have notice, as provided in §165.3 or §165.5 of this part, that the Federal savings association is undercapitalized, significantly undercapitalized, or critically undercapitalized, the savings association shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting payment of capital distributions and management fees (section 38(d));

(ii) Requiring that the OCC monitor the condition of the savings association (section 38(e)(1));

(iii) Requiring submission of a capital restoration plan within the schedule established in this part (section 38(e)(2));

(iv) Restricting the growth of the savings association's assets (section 38(e)(3)); and

(v) Requiring prior approval of certain expansion proposals (section 38(e)(4)).

(3) *Additional provisions applicable to significantly undercapitalized, and critically undercapitalized Federal savings associations.* In addition to the provisions of section 38 of the FDI Act described in paragraph (a)(2) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §165.3 or §165.5 of this part, that the Federal savings association is significantly undercapitalized, or critically undercapitalized, or that the savings association is subject to the provisions applicable to institutions that are significantly undercapitalized because the savings association failed to submit or implement in any material respect an acceptable capital restoration plan, the savings association shall become subject to the provisions of section 38 of the FDI Act that restrict compensation paid to senior executive officers of the institution (section 38(f)(4)).

(4) *Additional provisions applicable to critically undercapitalized Federal savings associations.* In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (a)(3) of this section, immediately upon receiving notice or being deemed to have no-

tice, as provided in §165.3 of this part, that the Federal savings association is critically undercapitalized, the savings association shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting the activities of the savings association (section 38(h)(1)); and

(ii) Restricting payments on subordinated debt of the savings association (section 38(h)(2)).

(b) *Discretionary supervisory actions.* In taking any action under section 38 that is within the OCC discretion to take in connection with: A Federal savings association that is deemed to be undercapitalized, significantly undercapitalized or critically undercapitalized, or has been reclassified as undercapitalized, or significantly undercapitalized; an officer or director of such savings association; or a company that controls such savings association, the OCC shall follow the procedures for issuing directives under §§165.7 and 165.9 of this part unless otherwise provided in section 38 or this part.

### § 165.7 Directives to take prompt corrective action.

(a) *Notice of intent to issue a directive—*

(1) *In general.* The OCC shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized Federal savings association or, where appropriate, any company that controls the savings association, prior written notice of the OCC's intention to issue a directive requiring such savings association or company to take actions or to follow proscriptions described in section 38 that are within the OCC's discretion to require or impose under section 38 of the FDI Act, including sections 38(e)(5), (f)(2), (f)(3), or (f)(5). The savings association shall have such time to respond to a proposed directive as provided by the OCC under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the OCC finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the OCC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a Federal savings association or any company that controls a Federal savings association immediately to take actions or to follow

proscriptions described in section 38 that are within the OCC's discretion to require or impose under section 38 of the FDI Act, including section 38(e)(5), (f)(2), (f)(3), or (f)(5). A savings association or company that is subject to such an immediately effective directive may submit a written appeal of the directive to the OCC. Such an appeal must be received by the OCC within 14 calendar days of the issuance of the directive, unless the OCC permits a longer period. The OCC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the OCC, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the Federal savings association's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the OCC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the Federal savings association or company subject to the directive may file with the OCC a written response to the notice.

(c) *Response to notice*—(1) *Time for response.* A Federal savings association or company may file a written response to a notice of intent to issue a directive within the time period set by the OCC. The date shall be at least 14 calendar days from the date of the notice unless the OCC determines that a shorter period is appropriate in light of the financial condition of the savings association or other relevant circumstances.

(2) *Content of response.* The response should include:

(i) An explanation why the action proposed by the OCC is not an appropriate exercise of discretion under section 38;

(ii) Any recommended modification of the proposed directive; and

(iii) Any other relevant information, mitigating circumstances, documenta-

tion, or other evidence in support of the position of the savings association or company regarding the proposed directive.

(d) *OCC consideration of response.* After considering the response, the OCC may:

(1) Issue the directive as proposed or in modified form;

(2) Determine not to issue the directive and so notify the savings association or company; or

(3) Seek additional information or clarification of the response from the savings association or company, or any other relevant source.

(e) *Failure to file response.* Failure by a Federal savings association or company to file with the OCC, within the specified time period, a written response to a proposed directive shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the directive.

(f) *Request for modification or rescission of directive.* Any Federal savings association or company that is subject to a directive under this part may, upon a change in circumstances, request in writing that the OCC reconsider the terms of the directive, and may propose that the directive be rescinded or modified. Unless otherwise ordered by the OCC, the directive shall continue in place while such request is pending before the OCC.

#### **§ 165.8 Procedures for reclassifying a Federal savings association based on criteria other than capital.**

(a) *Reclassification based on unsafe or unsound condition or practice*—(1) *Issuance of notice of proposed reclassification*—(i) *Grounds for reclassification.* (A) Pursuant to § 165.4(c) of this part, the OCC may reclassify a well capitalized Federal savings association as adequately capitalized or subject an adequately capitalized or undercapitalized institution to the supervisory actions applicable to the next lower capital category if:

(1) The OCC determines that the savings association is in an unsafe or unsound condition; or

(2) The OCC deems the savings association to be engaged in an unsafe or unsound practice and not to have corrected the deficiency.

(B) Any action pursuant to this paragraph (a)(1)(i) shall hereinafter be referred to as “reclassification.”

(ii) *Prior notice to institution.* Prior to taking action pursuant to §165.4(c)(1), the OCC shall issue and serve on the Federal savings association a written notice of the OCC’s intention to reclassify the savings association.

(2) *Contents of notice.* A notice of intention to reclassify a Federal savings association based on unsafe or unsound condition shall include:

(i) A statement of the savings association’s capital measures and capital levels and the category to which the savings association would be reclassified;

(ii) The reasons for reclassification of the savings association;

(iii) The date by which the savings association subject to the notice of reclassification may file with the OCC a written appeal of the proposed reclassification and a request for a hearing, which shall be at least 14 calendar days from the date of service of the notice unless the OCC determines that a shorter period is appropriate in light of the financial condition of the savings association or other relevant circumstances.

(3) *Response to notice of proposed reclassification.* A Federal savings association may file a written response to a notice of proposed reclassification within the time period set by the OCC. The response should include:

(i) An explanation of why the savings association is not in unsafe or unsound condition or otherwise should not be reclassified; and

(ii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the savings association or company regarding the reclassification.

(4) *Failure to file response.* Failure by a Federal savings association to file, within the specified time period, a written response with the OCC to a notice of proposed reclassification shall constitute a waiver of the opportunity to respond and shall constitute consent to the reclassification.

(5) *Request for hearing and presentation of oral testimony or witnesses.* The response may include a request for an

informal hearing before the OCC or its designee under this section. If the Federal savings association desires to present oral testimony or witnesses at the hearing, the savings association shall include a request to do so with the request for an informal hearing. A request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing, and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right to present oral testimony or witnesses.

(6) *Order for informal hearing.* Upon receipt of a timely written request that includes a request for a hearing, the OCC shall issue an order directing an informal hearing to commence no later than 30 days after receipt of the request, unless the OCC allows further time at the request of the Federal savings association. The hearing shall be held in Washington, DC or at such other place as may be designated by the OCC, before a presiding officer(s) designated by the OCC to conduct the hearing.

(7) *Hearing procedures.* (i) The Federal savings association shall have the right to introduce relevant written materials and to present oral argument at the hearing. The savings association may introduce oral testimony and present witnesses only if expressly authorized by the OCC or the presiding officer(s). Neither the provisions of the Administrative Procedure Act (5 U.S.C. 554–557) governing adjudications required by statute to be determined on the record nor parts 19 or 109 of this chapter apply to an informal hearing under this section unless the OCC orders that such procedures shall apply.

(ii) The informal hearing shall be recorded and a transcript furnished to the savings association upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer(s). The presiding officer(s) may ask questions of any witness.

(iii) The presiding officer(s) may order that the hearing be continued for a reasonable period (normally five

business days) following completion of oral testimony or argument to allow additional written submissions to the hearing record.

(8) *Recommendation of presiding officers.* Within 20 calendar days following the date the hearing and the record on the proceeding are closed, the presiding officer(s) shall make a recommendation to the OCC on the reclassification.

(9) *Time for decision.* Not later than 60 calendar days after the date the record is closed or the date of the response in a case where no hearing was requested, the OCC will decide whether to reclassify the Federal savings association and notify the savings association of the OCC's decision.

(b) *Request for rescission of reclassification.* Any Federal savings association that has been reclassified under this section, may, upon a change in circumstances, request in writing that the OCC reconsider the reclassification, and may propose that the reclassification be rescinded and that any directives issued in connection with the reclassification be modified, rescinded, or removed. Unless otherwise ordered by the OCC, the savings association shall remain subject to the reclassification and to any directives issued in connection with that reclassification while such request is pending before the OCC.

**§ 165.9 Order to dismiss a director or senior executive officer.**

(a) *Service of notice.* When the OCC issues and serves a directive on a Federal savings association pursuant to section 165.7 requiring the savings association to dismiss any director or senior executive officer under section 38(f)(2)(F)(ii) of the FDI Act, the OCC shall also serve a copy of the directive, or the relevant portions of the directive where appropriate, upon the person to be dismissed.

(b) *Response to directive—(1) Request for reinstatement.* A director or senior executive officer who has been served with a directive under paragraph (a) of this section (Respondent) may file a written request for reinstatement. The request for reinstatement shall be filed within 10 calendar days of the receipt of the directive by the Respondent, un-

less further time is allowed by the OCC at the request of the Respondent.

(2) *Contents of request; informal hearing.* The request for reinstatement should include reasons why the Respondent should be reinstated, and may include a request for an informal hearing before the OCC or its designee under this section. If the Respondent desires to present oral testimony or witnesses at the hearing, the Respondent shall include a request to do so with the request for an informal hearing. The request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right or opportunity to present oral testimony or witnesses.

(3) *Effective date.* Unless otherwise ordered by the OCC, the dismissal shall remain in effect while a request for reinstatement is pending.
