(b) *Planning horizon.* A covered institution must use a minimum planning horizon of at least nine quarters, beginning with the first day of the period covered by the stress tests.

(c) *Controls and oversight of stress test processes.* (1) The senior management of the covered institution must establish and maintain a system of controls, oversight, and documentation, including policies and procedures, designed to ensure that the stress test processes used by the covered institution satisfy the requirements in this part. These policies and procedures must, at a minimum, describe the covered institution's stress test practices and methodologies, and processes for validating and updating the covered institution's stress test practices and methodologies consistent with applicable laws, regulations, and supervisory guidance.

(2) The board of directors of the covered institution, or a committee thereof, shall approve and review the policies and procedures of the covered institution's stress testing processes as frequently as economic conditions or the condition of the institution may warrant, but no less than annually. The board of directors and senior management must be provided with a summary of the stress test results.

§ 46.7 Reports to the Office of the Comptroller of the Currency and the Federal Reserve Board.

(a) *\$10 to \$50 billion covered institution.* A \$10 to \$50 billion covered institution must report to the OCC and to the Board of Governors of the Federal Reserve System, on or before March 31, the results of the stress test in the manner and form specified by the OCC.

(b) *Over \$50 billion covered institution.* An over \$50 billion covered institution must report to the OCC and to the Board of Governors of the Federal Reserve System, on or before January 5,

the results of the stress test in the manner and form specified by the OCC.

(c) *Confidentiality of Reports.* As provided by § 4.32(b) of this title, the report required under this section is non-public OCC information because it is deemed to be a record created or obtained by the OCC in connection with the OCC's performance of its responsibilities, such as a record concerning supervision, licensing, regulations, and examination, of a national bank, a Federal savings association, a bank holding company, a savings and loan holding company, or an affiliate. The report is the property of the OCC and unauthorized disclosure of the report is generally prohibited pursuant to § 4.37 of this part.

§ 46.8 Publication of disclosures.

(a) *Publication date.* (1) An over \$50 billion covered institution must publish a summary of the results of its annual stress tests in the period starting March 15 and ending March 31 of the next calendar year.

(2) A \$10 to \$50 billion covered institution must publish a summary of the results of its annual stress test in the period starting June 15 and ending June 30 of the next calendar year.

(3) A \$10 to \$50 billion covered institution that is subject to its first annual stress test pursuant to § 46.3(b)(1) of this part must make its initial public disclosure in the period starting June 15 and ending June 30 of 2015 by disclosing the results of a stress test conducted in 2014, using financial statement data as of September 30, 2014.

(b) *Publication method.* The summary required under this section may be published on the covered institution's Web site or in any other forum that is reasonably accessible to the public. A covered institution controlled by a bank holding company that is required to conduct an annual company-run stress test under applicable regulations of the Board of Governors of the Federal Reserve System will be deemed to have satisfied the publication requirement of this section when the bank holding company publicly discloses summary results of its annual stress test in satisfaction of the requirements of applicable regulations of the Board

of Governors of the Federal Reserve System, unless the OCC determines that the disclosures at the holding company level do not adequately capture the potential impact of the scenarios on the capital of the covered institution.

(c) *Information to be disclosed in the summary.* The information disclosed shall, at a minimum, include—

(1) A description of the types of risks included in the stress test under this part;

(2) A summary description of the methodologies used in the stress test;

(3) Estimates of aggregate losses, pre-provision net revenue, provisions for loan and lease losses, net income, and pro forma capital ratios (including regulatory and any other capital ratios specified by the OCC); and

(4) An explanation of the most significant causes of the changes in regulatory capital ratios.

(d) *Disclosure of estimates for the planning horizon.* (1) The disclosure of the estimates of aggregate losses, pre-provision net revenue, provisions for loan and lease losses, net income, and pro forma capital ratios (including regulatory and any other capital ratios specified by the OCC), as required by paragraph (b) of this section, must reflect the estimated cumulative effects, as well as the estimated capital ratios, at the end of the planning horizon for the severely adverse scenario.

(2) With respect to the capital ratio disclosure required in paragraph (d)(1) of this section, the disclosure must also include the value at the beginning of the planning horizon, and the minimum over the planning horizon of the estimated quarter-end values of each ratio.
