### Subpart C—Activities of Insured State Savings Associations

#### § 362.9 Purpose and scope.

(a) This subpart, along with the notice and application procedures in subpart H of part 303 of this chapter, implements the provisions of section 28(a) of the Federal Deposit Insurance Act (12 U.S.C. 1831e(a)) that restrict and prohibit insured state savings associations and their service corporations from engaging in activities and investments of a type that are not permissible for a Federal savings association and their service corporations. This subpart also implements the provision of section 28(d) of the Federal Deposit Insurance Act (12 U.S.C. 1831e(d)) that restricts state and federal savings associations from investing in certain corporate debt securities. The phrase “activity permissible for a Federal savings association” means any activity authorized for a Federal savings association under any statute including the Home Owners’ Loan Act (HOLA) (12 U.S.C. 1464 et seq.), as well as activities recognized as permissible for a Federal savings association in regulations issued by the Office of the Comptroller of the Currency (OCC) or in bulletins, orders or written interpretations issued by the OCC, or by the former Office of Thrift Supervision until modified, terminated, set aside, or superseded by the OCC.

(b) This subpart does not cover the following activities:

(1) Activities conducted by the insured state savings association other

than “as principal”, defined for purposes of this subpart as activities conducted as agent for a customer, conducted in a brokerage, custodial, advisory, or administrative capacity, or conducted as trustee, or in any substantially similar capacity. For example, this subpart does not cover acting solely as agent for the sale of insurance, securities, real estate, or travel services; nor does it cover acting as trustee, providing personal financial planning advice, or safekeeping services.

(2) Interests in real estate in which the real property is used or intended in good faith to be used within a reasonable time by an insured savings association or its service corporations as offices or related facilities for the conduct of its business or future expansion of its business or used as public welfare investments of a type and in an amount permissible for Federal savings associations.

(3) Equity investments acquired in connection with debts previously contracted (DPC) if the insured savings association or its service corporation takes only such actions as would be permissible for a Federal savings association’s or its service corporation’s DPC holdings.

(c) The FDIC intends to allow insured state savings associations and their service corporations to undertake only safe and sound activities and investments that do not present significant risks to the Deposit Insurance Fund and that are consistent with the purposes of Federal deposit insurance and other applicable law. This subpart does not authorize any insured state savings association to make investments or conduct activities that are not authorized or that are prohibited by either Federal or state law.

#### § 362.10 Definitions.

For the purposes of this subpart, the definitions provided in § 362.2 apply. Additionally, the following definitions apply to this subpart:

(a) *Affiliate* has the same meaning as provided in subpart B of this part.

(b) *Corporate debt securities not of investment grade* means any corporate debt security that when acquired was not rated among the four highest rating categories by at least one nationally recognized statistical rating organization. The term shall not include any obligation issued or guaranteed by a corporation that may be held by a Federal savings association without limitation as to percentage of assets under subparagraphs (D), (E), or (F) of section 5(c)(1) of HOLA (12 U.S.C. 1464(c)(1) (D), (E), (F)).

(c) *Insured state savings association* means any state-chartered savings association insured by the FDIC.

(d) *Qualified affiliate* means, in the case of a stock insured state savings association, an affiliate other than a subsidiary or an insured depository institution. In the case of a mutual savings association, “qualified affiliate” means a subsidiary other than an insured depository institution provided that all of the savings association’s investments in, and extensions of credit to, the subsidiary are deducted from the savings association’s capital.

(e) *Service corporation* means any corporation the capital stock of which is available for purchase by savings associations.

### § 362.11 Activities of insured savings associations.

(a) *Equity investments—(1) Prohibited investments.* No insured state savings association may directly acquire or retain as principal any equity investment of a type, or in an amount, that is not permissible for a Federal savings association unless the exception in paragraph (a)(2) of this section applies.

(2) *Exception: Equity investment in service corporations.* An insured state savings association that is and continues to be in compliance with the applicable capital standards as prescribed by the appropriate Federal banking agency may acquire or retain an equity investment in a service corporation:

(i) Not permissible for a Federal savings association to the extent the service corporation is engaging in activities that are allowed pursuant to the

provisions of or an application under § 362.12(b); or

(ii) Of a type permissible for a Federal savings association, but in an amount exceeding the investment limits applicable to Federal savings associations, if the insured state savings association obtains the FDIC’s prior consent. Consent will be given only if the FDIC determines that the amount of the investment in a service corporation engaged in such activities does not present a significant risk to the Deposit Insurance Fund. Applications should be filed in accordance with § 303.141 of this chapter and will be processed under § 303.142(b) of this chapter. Approvals granted under § 303.142(b) of this chapter may be made subject to any conditions or restrictions found by the FDIC to be necessary to protect the Deposit Insurance Fund from significant risk, to prevent unsafe or unsound practices, and/or to ensure that the activity is consistent with the purposes of Federal deposit insurance and other applicable law.

(b) *Activities other than equity investments—(1) Prohibited activities.* An insured state savings association may not directly engage as principal in any activity, that is not an equity investment, of a type not permissible for a Federal savings association, and an insured state savings association shall not make nonresidential real property loans in an amount exceeding that described in section 5(c)(2)(B) of HOLA (12 U.S.C. 1464(c)(2)(B)), unless one of the exceptions in paragraph (b)(2) of this section applies. This section shall not be read to require the divestiture of any asset (including a nonresidential real estate loan), if the asset was acquired prior to August 9, 1989; however, any activity conducted with such asset must be conducted in accordance with this subpart. On and after July 21, 2012, an insured savings association directly or through a subsidiary (other than, in the case of a mutual savings association, a subsidiary that is a qualified affiliate), shall not acquire or retain a corporate debt security unless the savings association, prior to acquiring the security and periodically thereafter, determines that the issuer of the security has adequate capacity to meet all
