

§ 115.34

(e) *Cancellation of bonding line*—(1) *Optional cancellation.* Either SBA or the Surety may cancel a bonding line at any time, with or without cause, upon written notice to the other party. Upon the receipt of any adverse information concerning the Principal, the Surety must promptly notify SBA, and SBA may cancel the bonding line.

(2) *Mandatory cancellation.* Upon the occurrence of a default by the Principal, whether under a contract bonded by the same or another surety or an unbonded contract, the Surety must immediately cancel the bonding line.

(3) *Effect of cancellation.* Cancellation of a bonding line by SBA is effective upon receipt of written notice by the Surety. Bonds issued before the effective date of cancellation remain guaranteed by SBA. Upon cancellation by SBA or the Surety, the Surety must promptly notify the Principal in writing.

§ 115.34 Minimization of Surety's Loss.

(a) *Imminent Breach*—(1) *Prior approval requirement.* SBA will reimburse its guaranteed share of payments made by a Surety to avoid or attempt to avoid an Imminent Breach of the terms of a Contract covered by an SBA guaranteed bond only if the payments were made with the prior approval of OSG. OSG's prior approval will be given only if the Surety demonstrates to SBA's satisfaction that a breach is imminent and that there is no other recourse to prevent such breach.

(2) *Amount of reimbursement.* The aggregate of the payments by SBA to avoid Imminent Breach cannot exceed 10% of the Contract amount, unless the Administrator finds that a greater payment (not to exceed the guaranteed share of the bond penalty) is necessary and reasonable. In no event will SBA make any duplicate payment pursuant to this or any other provision of this part 115.

(3) *Recordkeeping requirement.* The Surety must keep records of payments made to avoid Imminent Breach.

(b) *Salvage and recovery.* A Prior Approval Surety must pursue all possible sources of salvage and recovery until SBA concurs with the Surety's rec-

ommendation for a discontinuance or for a settlement. The Surety must certify that continued pursuit of salvage and recovery would be neither economically feasible nor a viable strategy in maximizing recovery. See also § 115.17(b).

§ 115.35 Claims for reimbursement of Losses.

(a) *Notification requirements*—(1) *Events requiring notification.* A Prior Approval Surety must notify OSG of the occurrence of any of the following:

(i) Legal action under the bond has been initiated.

(ii) The Obligee has declared the Principal to be in default under the Contract.

(iii) The Surety has established a claim reserve for the bond.

(iv) The Surety has received any adverse information concerning the Principal's financial condition or possible inability to complete the project or to pay laborers or suppliers.

(2) *Timing of notification.* Notification must be made in writing at the earlier of the time the Surety applies for a guarantee on behalf of an affected Principal, or within 30 days of the date the Surety acquires knowledge, or should have acquired knowledge, of any of the listed events.

(b) *Surety action.* The Surety must take all necessary steps to mitigate Losses resulting from any of the events in paragraph (a) of this section, including the disposal at fair market value of any collateral held by or available to the Surety. Unless SBA notifies the Surety otherwise, the Surety must take charge of all claims or suits arising from a defaulted bond, and compromise, settle and defend such suits. The Surety must handle and process all claims under the bond and all settlements and recoveries as it does on non-guaranteed bonds.

(c) *Claim reimbursement requests.* (1) Claims for reimbursement for Losses which the Surety has paid must be submitted (together with a copy of the bond, the bonded Contract, and any indemnity agreements) with the initial claim to OSG on a "Default Report, Claim for Reimbursement and Record of Administrative Action" (SBA Form 994H), within 1 year from the time of

each disbursement. Claims submitted after 1 year must be accompanied by substantiation satisfactory to SBA. The date of the claim for reimbursement is the date of receipt of the claim by SBA, or such later date as additional information requested by SBA is received.

(2) The Surety must also submit evidence of the disposal of all collateral at fair market value.

(3) SBA may request additional information prior to reimbursing the Surety for its Loss.

(4) Subject to the offset provisions of part 140, SBA pays its share of the Loss incurred and paid by the Surety within 90 days of receipt of the requisite information.

(5) Claims for reimbursement and any additional information submitted are subject to review and audit by SBA, including but not limited to the Surety's compliance with SBA's regulations and forms.

(d) *Status updates.* The Surety must submit semiannual status reports on each claim 6 months after the initial default notice, and then every 6 months. The Surety must notify SBA immediately of any substantial changes in the status of the claim or the amounts of Loss reserves.

(e) *Reservation of SBA rights.* The payment by SBA of a Surety's claim does not waive or invalidate any of the terms of the Prior Approval Agreement, the regulations set forth in this part 115, or any defense SBA may have against the Surety. Within 30 days of receipt of notification that a claim or any portion of a claim should not have been paid by SBA, the Surety must repay the specified amounts to SBA.

§ 115.36 Indemnity settlements and reinstatement of Principal.

(a) *Indemnity settlements.* (1) An indemnity settlement occurs when a defaulted Principal and its Surety agree upon an amount, less than the actual loss under the bond, which will satisfy the Principal's indebtedness to the Surety. Sureties must not agree to any indemnity settlement proposal or enter into any such agreement without SBA's concurrence.

(2) Any settlement proposal submitted for SBA's consideration must

include current financial information, including financial statements, tax returns, and credit reports, together with the Surety's written recommendations. It should also indicate whether the Principal is interested in further bonding.

(3) The Surety must pay SBA its *pro rata* share of the settlement amount within 90 days of receipt. Prior to closing the file on a Principal, the Surety must certify that SBA has received its *pro rata* share of all indemnity recovery.

(b) *Conditions for reinstatement.* At any time after a Principal becomes ineligible for further bond guarantees under § 115.14(a), the Surety may recommend that such Principal's eligibility be reinstated. OSG may agree to reinstate the Principal and its Affiliates if:

(1) The Principal's guarantee fee has been paid to SBA and SBA receives evidence that the Principal has paid all delinquent amounts due to the Surety (including amounts for Imminent Breach); or

(2) The Surety has settled its claim with the Principal for an amount and on terms accepted by OSG; or

(3) The Principal contests a claim and provides collateral, acceptable to the Surety and OSG, which has a liquidation value of at least the amount of the claim including related expenses; or

(4) The Principal's indebtedness to the Surety is discharged by operation of law (e.g., bankruptcy discharge); or

(5) OSG and the Surety determine that further bond guarantees are appropriate.

(c) *Underwriting after reinstatement.* A guarantee application submitted after reinstatement of the Principal's eligibility is subject to a very stringent underwriting review.
