equal to the actual average loan loss rate during the preceding five-year period. The appropriate Office of Capital Access official in accordance with Delegations of Authority cannot reduce the LLRF to less than ten percent of the Portfolio.

(e) *What must an intermediary demonstrate to get a reduction in Loan Loss Reserve Fund?* To receive a reduction in its LLRF, an Intermediary must:

(1) Have satisfactory SBA performance, as determined by SBA in its discretion. The Intermediary's Risk Rating, among other factors, will be considered in determining satisfactory SBA performance. Other factors may include, but are not limited to, on-site review/examination assessments, historical performance measures (like default rate, purchase rate and loss rate), loan volume to the extent that it impacts performance measures, and other performance related measurements and information (such as contribution toward SBA mission); and

(2) No other factors exist that may impair the Intermediary's ability to repay all obligations which it owes to the SBA under the Microloan program.

§ 120.711 What rules govern Intermediaries?

Intermediaries must operate in accordance with applicable statutes, regulations, policy notices, SBA's Standard Operating Procedures (SOPs), and the information in the application.

§ 120.712 How does an Intermediary get a grant to assist Microloan borrowers?

(a) *General.* An Intermediary is eligible to receive grant funding from SBA of not more than 25 percent of the outstanding balance of all SBA loans to the Intermediary. The Intermediary must contribute, solely from non-Federal sources, an amount equal to 25 percent of the grant. Contributions may be made in cash or in kind.

(b) *Limitations on grant funds.* An Intermediary may not borrow its contribution. It may only use grant funds to provide Microloan borrowers with

marketing, management, and technical assistance, except that:

(1) Up to 25 percent of the grant funds may be used to provide information and technical assistance to prospective Microloan borrowers; and

(2) Grant monies may be used to attend training required by SBA.

(c) *Exception to contribution requirement.* Intermediaries which make at least 50 percent of their loans to small businesses located in or owned by residents of Economically Distressed Areas are not subject to the contribution requirement in paragraph (a) of this section.

(d) *Intermediaries eligible to receive additional grant monies.* An Intermediary may receive an additional SBA grant equal to five percent of the outstanding balance of all loans received from SBA (with no obligation to contribute additional matching funds) if:

(1) The Intermediary makes at least 25 percent of its loans to small businesses located in or owned by residents of an Economically Distressed Area; or

(2) The Intermediary is a Specialized Intermediary.

(e) *Third party contracts for technical assistance.* An Intermediary may use no more than 25 percent of the grant funds it receives from SBA for contracts with third parties for the latter to provide technical assistance to Microloan borrowers.

[61 FR 3235, Jan. 31, 1996, as amended at 66 FR 47073, Sept. 11, 2001; 76 FR 63547, Oct. 12, 2011]

§ 120.713 Does SBA provide technical assistance to Intermediaries?

SBA may procure technical assistance for an Intermediary to improve its knowledge, skill, and understanding of microlending by awarding a grant to a more experienced Intermediary. SBA may also obtain such assistance for prospective Intermediaries in areas of the country that are either not served or underserved by an existing Intermediary.

§ 120.714 How are grants made to non-lending technical assistance providers (NTAP)?

SBA selects non-lending technical assistance providers (NTAP) to receive

§ 120.715

grant funds for technical assistance to Microloan borrowers.

(a) *Grant procedure for non-Intermediaries.* Any nonprofit entity that is not an Intermediary may apply to SBA for a grant to provide marketing, management and technical assistance to low-income individuals for the purpose of assisting them in obtaining private sector financing in amounts of \$50,000 or less. To qualify, it must submit information regarding its ability to provide this assistance. If approved, the grant agreement will establish the terms and conditions for the grant.

(b) *Number and amount of grants.* In each year of the Microloan Program, SBA may make no more than 55 grants to non-Intermediaries for terms of up to five years. A grant may not exceed \$200,000.

(c) *Contribution by nonprofit entity.* The nonprofit entity must contribute an amount equal to 20 percent of the grant. The contribution from the nonprofit entity must come solely from non-Federal sources, and may include direct costs or in-kind contributions paid for under non-Federal programs.

§ 120.715 Does SBA guarantee any loans an Intermediary obtains from another source?

(a) SBA may guarantee not less than 90 percent of loans made by for-profit or nonprofit entities (or an alliance of such entities) to no more than 10 Intermediaries in urban areas and 10 Intermediaries in Rural Areas (as defined in § 120.10).

(b) Any loan guaranteed by SBA under this section will have a term of 10 years. If an Intermediary receives such a loan, it will not need to repay any principal or interest during the first year, although the interest will accrue. During the second through fifth years, the Intermediary will pay interest only. During the sixth through tenth years, it will pay interest and fully amortize the principal.

(c) The interest rate on any loan under this section shall be calculated as described in § 120.706.

Subpart H—Development Company Loan Program (504)

§ 120.800 The purpose of the 504 program.

As authorized by Congress, SBA has established this program to foster economic development, create or preserve job opportunities, and stimulate growth, expansion, and modernization of small businesses.

§ 120.801 How a 504 Project is financed.

(a) One or more small businesses may apply for 504 financing through a CDC serving the area where the 504 Project is located. SBA issues an Authorization if it agrees to guarantee part of the funding for a Project.

(b) Usually, a Project requires interim financing from an interim lender (often the same lender that later provides a portion of the permanent financing).

(c) Generally, permanent financing of the Project consists of:

(1) A contribution by the small business in an amount of at least 10 percent of the Project costs;

(2) A loan made with the proceeds of a CDC Debenture for up to 40 percent of the Project costs and certain administrative costs, collateralized by a second lien on the Project Property; and

(3) A *Third Party Loan* comprising the balance of the financing, collateralized by a first lien on the Project property (see § 120.920).

(d) The Debenture is guaranteed 100 percent by SBA (with the full faith and credit of the United States), and sold to Underwriters who form Debenture Pools. Investors purchase interests in Debenture Pools and receive Certificates representing ownership of all or part of a Debenture Pool. SBA and CDCs use various agents to facilitate the sale and service of the Certificates and the orderly flow of funds among the parties.
