§ 123.510 What if you don't use your Military Reservist EIDL funds as authorized?

§ 123.511 How will SBA disburse Military Reservist EIDL funds?

Funds will be disbursed only after the essential employee has been called to active duty, and you have provided a copy of the essential employee's official call-up orders for active duty showing the date of the call-up. SBA will disburse your funds in quarterly installments (unless otherwise specified in your loan authorization agreement) based on a continued need as demonstrated by comparative financial information. On or about 30 days before your scheduled fund disbursement, SBA will request ordinary and usual financial statements (including balance sheets and profit and loss statements). Based on this information, SBA will assess your continued need for disbursements under this program. Upon making such assessment, SBA will notify you of the status of future disbursements.

§ 123.512 What is the interest rate on a Military Reservist EIDL?

The interest rate on a Military Reservist EIDL will be 4 percent per annum or less. SBA will publish the interest rate quarterly in the FEDERAL REGISTER.

§ 123.513 Does SBA require collateral on its Military Reservist EIDL?

SBA will not generally require you to pledge collateral to secure a Military Reservist EIDL of \$50,000 or less. For loans larger than \$50,000, you will be required to provide available collateral such as a lien on business property, a security interest in personal property, or both. SBA will not decline a loan if you do not have a particular amount of collateral so long as SBA is reasonably sure that you can repay the loan. If you refuse to pledge the available collateral when requested by SBA, however, SBA may decline or cancel your loan.
