§ 124.1011 What format, degree of specificity, and basis does SBA require to consider an SDB protest?

(a) *Format.* An SDB protest need not be in any specific format in order for SBA to consider it.

(b) *Specificity.* A protest must be sufficiently specific to provide reasonable notice as to all grounds upon which the protested concern's disadvantaged status is challenged.

(1) SBA will dismiss a protest that merely asserts that the protested concern is not disadvantaged, without setting forth specific facts or allegations.

(2) The contracting officer must forward to SBA any non-premature protest received, notwithstanding whether he or she believes it is sufficiently specific or timely.

(c) *Basis.* SBA will consider a protest challenging whether the apparent successful offeror is owned and controlled by one or more socially and economically disadvantaged individuals, including whether one or more of the individuals claiming disadvantaged status is in fact socially or economically disadvantaged, only if the protest presents credible evidence that the firm's circumstances have materially changed since SBA certified it as an SDB, or that the firm's SDB application contained false or misleading information.

§ 124.1012 What will SBA do when it receives an SDB protest?

(a) Upon receipt of a protest challenging the disadvantaged status of a concern, the DC/SDBCE, or designee, will immediately notify the protestor and the contracting officer of the date the protest was received and whether it will be processed or dismissed for lack of timeliness or specificity.

(b) In cases where the protest is timely and sufficiently specific, the DC/SDBCE, or designee, will also immediately advise the protested concern of the protest and forward a copy of it to the protested concern.

(1) The DC/SDBCE, or designee, is authorized to ask the protested concern to provide any or all of the following information and documentation, completed so as to show the circumstances existing on the date of self-representation: SBA Form 1010A, "Statement of Personal Eligibility" for each individual claiming disadvantaged status; SBA Form 1010B, "Statement of Business Eligibility;" SBA Form 413, "Personal Financial Statement," for each individual claiming disadvantaged status; information as to whether the protested concern, or any of its owners, officers or directors, have applied for admission to or participated in the SBA's 8(a) BD program and if so, the name of the company which applied or participated and the date of the application or entry into the program; business tax returns for the last two completed fiscal years prior to the date of self-representation; personal tax returns for the last two years prior to the date of self-representation for all individuals claiming disadvantaged status, all officers, all directors and for any individual owning at least 10% of the business entity; annual business financial statements for the last two completed fiscal years prior to the date of self-representation; a current monthly or quarterly business financial statement no older than 90 days; articles of incorporation; corporate by-laws; partnership agreements; limited liability company articles of organization; and any other relevant information as to whether the protested concern is disadvantaged.

(2) SBA's disadvantaged status determination need not be limited to consideration only of the issues raised in the protest. SBA may consider other applicable criteria.

(3) Unless the protest presents specific credible information which calls into question the veracity of application or other documents previously submitted to SBA by a current Participant in SBA's 8(a) BD program, SBA will allow the Participant to submit, in

lieu of the information specified in paragraph (b)(1) of this section, a sworn affidavit or declaration that circumstances concerning the ownership and control of the business and the disadvantaged status of its principals have not changed since its application or entry into the program or its most recent annual review, and a copy of its most recently completed annual review.

(i) If the ownership or control of the business or the disadvantaged status of any principals have changed, the protested concern must comply with paragraph (b)(1) of this section.

(ii) An affidavit or declaration may be allowed only if SBA admitted the protested concern to the 8(a) BD program, or conducted an annual review of the protested concern, during the 12month period preceding the date on which SBA receives the protest, and if proceedings to suspend, terminate or early graduate the concern from the 8(a) BD program are not pending.

(c) Within 10 working days of the date that notification of the protest was received from the DC/SDBCE or designee, the protested concern must submit to the DC/SDBCE or designee, by personal delivery, FAX, or mail, the information and documentation requested pursuant to paragraph (b)(1) of this section or the affidavit permitted by paragraph (b)(2) of this section. Materials submitted must be received by the close of business on the 10th working day.

(1) SBA will consider only materials submitted timely, and the late or nonsubmission of materials needed to make a disadvantaged status determination may result in sustaining the protest.

(2) The burden is on the protested concern to demonstrate its disadvantaged status, whether or not it is currently shown on the list of qualified SDBs.

(3) The protested concern must timely submit to SBA any information it deems relevant to a determination of its disadvantaged status.

§ 124.1013 How does SBA make disadvantaged status determinations in considering an SDB protest?

(a) *General.* The DC/SDBCE, or designee, will determine a protested concern's disadvantaged status within 15 working days after receipt of a protest.

(b) *Award of contract.* (1) The contracting officer may award a contract after receipt of a protest if the contracting officer determines in writing that an award must be made to protect the public interest. Notwithstanding such a determination, the provisions of paragraph (h) of this section apply to the procurement in question.

(2) If SBA does not issue its determination within 15 business days (or request an extension that is granted), the contracting officer may award the contract if he or she determines in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the Government, Notwithstanding such a determination, the provisions of paragraph (h) of this section apply to the procurement in question.

(c) *Withdrawal of protest.* If a protest is withdrawn, SBA will not complete a new disadvantaged status determination, and a previous SDB certification will stand.

(d) *Basis for determination.* (1) Except with respect to a concern which is a current Participant in SBA's 8(a) BD program and is authorized under § 124.1013(b)(3) to submit an affidavit concerning its disadvantaged status, the disadvantaged status determination will be based on the protest record, including reasonable inferences therefrom, as supplied by the protested concern, SBA or others.

(2) SBA may in its discretion make a part of the protest record information already in its files, and information submitted by the protestor, the protested concern, the contracting officer, or other persons contacted for additional specific information.

(e) *Disadvantaged status.* In evaluating the social and economic disadvantage of individuals claiming disadvantaged status, SBA will consider the same information and factors set
