

Emergency Steel Guarantee Loan Board

§ 400.205

parties, public or private, may guarantee repayment of part of the Unguaranteed Portion of a loan guaranteed by the Board.

[66 FR 53080, Oct. 19, 2001]

§ 400.204 Loan terms.

(a) All loans guaranteed under the Program shall be due and payable in full no later than December 31, 2005.

(b) Loans guaranteed under the Program must bear a rate of interest determined by the Board to be reasonable. The reasonableness of an interest rate will be determined with respect to current average yields on outstanding obligations of the United States with remaining periods of maturity comparable to the term of the loan sought to be guaranteed. The Board may reject an application to guarantee a loan if it determines the interest rate of such loan to be unreasonable.

(c)(1) The performance of all of the Borrower's obligations under the Loan Documents shall be secured by, and shall have the priority in, such Security as provided for within the terms and conditions of the Guarantee.

(2) Without limiting the Lender's or Borrower's obligations under paragraph (c) of this section, at a minimum, the loan shall be secured by:

(i) A fully perfected and enforceable security interest and/or lien, with first priority over conflicting security interests or other liens in all property acquired, improved or derived from the loan funds;

(ii) A fully perfected and enforceable security interest and/or lien in any other property of the Borrower's pledged to secure the loan, including accessions, replacements, proceeds, or property given by a third party as Security for the loan.

(3) The entire loan will be secured by the same Security with equal lien priority for the Guaranteed Portion and the Unguaranteed Portion of the loan. The Unguaranteed Portion of the loan will neither be paid first nor given any preference over the Guaranteed Portion. A Supplemental Guarantor shall not have a security interest, direct or indirect, in any asset of the Borrower or any affiliate thereof other than the Security.

(4) An Applicant's compliance with paragraph (c)(2) of this section does not assure a finding of reasonable assurance of repayment, or assure the Board's Guarantee of the loan.

(d) An eligible Lender may assess and collect from the Borrower such other fees and costs associated with the application and origination of the loan as are reasonable and customary, taking into consideration the amount and complexity of the credit. The Board may take such other fees and costs into consideration when determining whether to offer a Guarantee to the Lender.
