

§ 142.61

flight simulators and flight training devices without—

- (1) Holding an air carrier certificate; or
- (2) Having a specific relationship to an air carrier certificate holder.

Subpart D—Operating Rules

§ 142.61 Applicability.

This subpart prescribes the operating rules applicable to a training center certificated under this part and operating a course or training program curriculum approved in accordance with subpart B of this part.

§ 142.63 Privileges.

A certificate holder may allow flight simulator instructors and evaluators to meet recency of experience requirements through the use of a qualified and approved flight simulator or qualified and approved flight training device if that flight simulator or flight training device is—

- (a) Used in a course approved in accordance with subpart B of this part; or
- (b) Approved under the Advanced Qualification Program for meeting recency of experience requirements.

§ 142.65 Limitations.

- (a) A certificate holder shall—
 - (1) Ensure that a flight simulator or flight training device freeze, slow motion, or repositioning feature is not used during testing or checking; and
 - (2) Ensure that a repositioning feature is used during line operational simulation for evaluation and line-oriented flight training only to advance along a flight route to the point where the descent and approach phase of the flight begins.
- (b) When flight testing, flight checking, or line operational simulation is being conducted, the certificate holder must ensure that one of the following occupies each crewmember position:
 - (1) A crewmember qualified in the aircraft category, class, and type, if a type rating is required, provided that no flight instructor who is giving instruction may occupy a crewmember position.
 - (2) A student, provided that no student may be used in a crewmember po-

sition with any other student not in the same specific course.

(c) The holder of a training center certificate may not recommend a trainee for a certificate or rating, unless the trainee—

- (1) Has satisfactorily completed the training specified in the course approved under § 142.37; and
 - (2) Has passed the final tests required by § 142.37.
- (d) The holder of a training center certificate may not graduate a student from a course unless the student has satisfactorily completed the curriculum requirements of that course.

Subpart E—Recordkeeping

§ 142.71 Applicability.

This subpart prescribes the training center recordkeeping requirements for trainees enrolled in a course, and instructors and evaluators designated to instruct a course, approved in accordance with subpart B of this part.

§ 142.73 Recordkeeping requirements.

- (a) A certificate holder must maintain a record for each trainee that contains—
 - (1) The name of the trainee;
 - (2) A copy of the trainee's pilot certificate, if any, and medical certificate;
 - (3) The name of the course and the make and model of flight training equipment used;
 - (4) The trainee's prerequisite experience and course time completed;
 - (5) The trainee's performance on each lesson and the name of the instructor providing instruction;
 - (6) The date and result of each end-of-course practical test and the name of the evaluator conducting the test; and
 - (7) The number of hours of additional training that was accomplished after any unsatisfactory practical test.
- (b) A certificate holder shall maintain a record for each instructor or evaluator designated to instruct a course approved in accordance with subpart B of this part that indicates that the instructor or evaluator has complied with the requirements of §§ 142.13, 142.45, 142.47, 142.49, and 142.53, as applicable.
- (c) The certificate holder shall—
