Each TAC will terminate at the end of two years from the date the committee was established or two years from the effective date of its most recent extension, whichever is later. § 732.1 Steps overview.

(a)(1) Introduction. In this part, references to the EAR are references to 15 CFR chapter VII, subchapter C. This part is intended to help you determine your obligations under the EAR by listing logical steps in §732.2 through §732.5 of this part that you can take in reviewing these regulations. A flow chart describing these steps is contained in supplement no. 1 to part 732. By cross-references to the relevant provisions of the EAR, this part describes the suggested steps for you to determine applicability of the following:

(i) The scope of the EAR (part 734 of the EAR);
(ii) Each of the general prohibitions (part 736 of the EAR);
(iii) The License Exceptions (part 740 of the EAR); and
(iv) Other requirements such as clearing your export with the U.S. Customs Service, keeping records, and completing and documenting license applications.

(2) These steps describe the organization of the EAR, the relationship among the provisions of the EAR, and the appropriate order for you to consider the various provisions of the EAR.

(b) Facts about your transaction. The following five types of facts determine your obligations under the EAR and will be of help to you in reviewing these steps:

(1) What is it? What an item is, for export control purposes, depends on its classification, which is its place on the Commerce Control List (see part 774 of the EAR).
