[58 FR 41375, Aug. 3, 1993, as amended at 73 FR 40163, July 11, 2008; 76 FR 19691, Apr. 8, 2011]
### Section 228 of the Communications Act of 1934 states:

1. **Pay-per-call services** means any service—
   a. In which any person provides or purports to provide—
      1. Audio information or audio entertainment produced or packaged by such person;
      2. Access to simultaneous voice conversation services; or
      3. Any service, including the provision of a product, the charges for which are assessed on the basis of the completion of the call;
   b. For which the caller pays a per-call or per-time-interval charge that is greater than, or in addition to, the charge for transmission of the call; and
   c. Which is accessed through use of a 900 telephone number or other prefix or area code designated by the (Federal Communications) Commission in accordance with subsection (b)(5) (47 U.S.C. 228(b)(5)).

2. **Person** means any individual, partnership, corporation, association, government or governmental subdivision or agency, or other entity.

3. **Presubscription or comparable arrangement** means a contractual agreement in which

   a. The service provider clearly and conspicuously discloses to the consumer all material terms and conditions associated with the use of the service;

   b. In which any person provides or purports to provide—
      1. Audio information or audio entertainment produced or packaged by such person; or
      2. Any service, including the provision of a product, the charges for which are assessed on the basis of the completion of the call; and

   c. Which is accessed through use of a 900 telephone number or other prefix or area code designated by the (Federal Communications) Commission in accordance with subsection (b)(5) (47 U.S.C. 228(b)(5)).

   4. **Person** means any individual, partnership, corporation, association, government or governmental subdivision or agency, or other entity.

   5. **Presubscription or comparable arrangement** means a contractual agreement in which

   a. The service provider clearly and conspicuously discloses to the consumer all material terms and conditions associated with the use of the service;

   b. In which any person provides or purports to provide—
      1. Audio information or audio entertainment produced or packaged by such person; or
      2. Any service, including the provision of a product, the charges for which are assessed on the basis of the completion of the call; and

   c. Which is accessed through use of a 900 telephone number or other prefix or area code designated by the (Federal Communications) Commission in accordance with subsection (b)(5) (47 U.S.C. 228(b)(5)).
