

§ 1015.5

16 CFR Ch. II (1–1–13 Edition)

Secretary in his/her discretion determines that a request for an identifiable record should be initially determined by the Commission, the Secretary, or the delegate of the Secretary, may certify the matter to the Commission for a decision. In that event the Commission decision shall be made within the time limits set forth in §1015.5 and shall be final. The Commission response shall be in the form set forth in §1015.7(d) for action on appeal. If no response is made by the Commission within twenty working days, or any extension thereof, the requester and the Commission may take the action specified in §1015.7(e).

[42 FR 10490, Feb. 22, 1997, as amended at 62 FR 46197, Sept. 2, 1997]

§ 1015.5 Time limitation on responses to requests for records and requests for expedited processing.

(a) The Secretary or delegate of the Secretary shall respond to all written requests for records within twenty (20) working days (excepting Saturdays, Sundays, and legal public holidays). The time limitations on responses to requests for records shall begin to run as of the time a request for records is received by the Office of the Secretary and a date stamp notation placed directly on the request.

(b) The time for responding to requests for records may be extended by the Secretary at the initial stage or by the General Counsel of the Commission at the appellate stage up to an additional ten (10) working days under the following unusual circumstances:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Office of the Secretary.

(2) The need to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request.

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the Commission having substantial subject matter interest therein.

(c) Any extension of time must be accompanied by written notice to the person making the request setting forth the reason(s) for such extension and the time within which a response is expected to be made.

(d) If the Secretary at the initial stage or the General Counsel at the appellate stage determines that an extension of time greater than ten (10) working days is necessary to respond to a request satisfying the “unusual circumstances” specified in paragraph (b) of this section, the Secretary or the General Counsel shall so notify the requester and give the requester the opportunity to:

(1) Limit the scope of the request so that it may be processed within the time limit prescribed in paragraph (b); or

(2) Arrange with the Secretary or the General Counsel an alternative time frame for processing the request or a modified request.

(e) The Secretary or delegate of the Secretary may aggregate and process as a single request requests by the same requester, or a group of requesters acting in concert, if the Secretary or delegate reasonably believes that the requests actually constitute a single request which would otherwise satisfy the unusual circumstances specified in paragraph (b) of this section, and the requests involve clearly related matters.

(f) The Secretary or delegate of the Secretary will provide expedited processing of requests in cases where the requester demonstrates a compelling need for such processing.

(1) The term “compelling need” means:

(i) That a failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, that there is an urgency to inform the public concerning actual or alleged Federal Government activity.

(2) Requesters for expedited processing must include in their requests a statement setting forth the basis for

the claim that a “compelling need” exists for the requested information, certified by the requester to be true and correct to the best of his or her knowledge and belief.

(3) The Secretary or delegate of the Secretary will determine whether to grant a request for expedited processing and will notify the requester of such determination within ten (10) days of receipt of the request.

(4) Denials of requests for expedited processing may be appealed to the Office of the General Counsel as set forth in §1015.7 of this part. The General Counsel will expeditiously determine any such appeal.

(5) The Secretary or delegate of the Secretary will process as soon as practicable the documents responsive to a request for which expedited processing is granted.

(g) The Secretary may be unable to comply with the time limits set forth in this §1015.5 when disclosure of documents responsive to a request under this part is subject to the requirements of section 6(b) of the Consumer Product Safety Act, 15 U.S.C. 2055(b), and the regulations implementing that section, 16 CFR part 1101. The Secretary or delegate of the Secretary will notify requesters whose requests will be delayed for this reason.

§ 1015.6 Responses: Form and content.

(a) When a requested record has been identified and is available for disclosure, the requester shall either be supplied with a copy or notified as to where and when the record will be made available for inspection. If a requester desires to inspect records at one of the regional offices of the Commission, the Secretary will ordinarily make the records available at the requested regional office. If the payment of fees is required the requester shall be advised by the Secretary in writing of any applicable fees under §1015.9 hereof.

(b) A response denying a written request for a record shall be in writing signed by the Secretary or delegate of the Secretary and shall include:

(1) The identity of each person responsible for the denial.

(2) A reference to the specific exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record with a brief explanation of how the exemption applies to the record withheld; and

(3) An estimation of the volume of requested material withheld. When only a portion or portions of a document are withheld, the amount of information deleted shall be indicated on the released portion(s) of the record. When technically feasible, the indication of the amount of material withheld will appear at the place in the document where any deletion is made. Neither an estimation of the volume of requested material nor an indication of the amount of information deleted shall be included in a response if doing so would harm an interest protected by the exemption in 5 U.S.C. 552(b) pursuant to which the material is withheld.

(4) A statement that the denial may be appealed to the Commissioners of the Consumer Product Safety Commission. Any such appeal must be made within 30 calendar days of receipt of the denial by the requester.

(c) If no response is made within twenty (20) working days or any extension thereof, the requester can consider his or her administrative remedies exhausted and seek judicial relief in a United States District Court as specified in 5 U.S.C. 552(a)(4)(B). When it appears that no response can be made to the requester within the applicable time limit, the Secretary or delegate of the Secretary may ask the requester to forego judicial relief until a response can be made. The Secretary or delegate of the Secretary shall inform the requester of the reason for the delay, of the date on which a response may be expected and of his/her right to seek judicial review as specified in 5 U.S.C. 552(a)(4)(B).
