Subpart A—General

§ 1021.1 Purpose.

This part contains Consumer Product Safety Commission procedures for review of environmental effects of Commission actions and for preparation of environmental impact statements (EIS) and related documents. These procedures supersede any Commission procedures previously applicable. The procedures provide for identification of effects of a proposed action and its alternatives on the environment; for assessment of the significance of these effects; for consideration of effects at the appropriate points in the Commission's decision-making process; and for preparation of environmental impact statements for major actions significantly affecting the environment. These procedures are intended to implement the Council on Environmental Quality's final regulations of November 29, 1978 (43 FR 55978; 40 CFR part 1500, *et seq.*) concerning agency compliance
