APPENDIX A TO PART 190—BANKRUPTCY FORMS

BANKRUPTCY APPENDIX FORM 1—OPERATION OF THE DEBTOR'S ESTATE—SCHEDULE OF TRUSTEE'S DUTIES

For the convenience of a prospective trustee, the Commission has constructed an approximate schedule of important duties which the trustee should perform during the early stages of a commodity broker bankruptcy proceeding. The schedule includes duties required by this part, subchapter IV of chapter 7 of the Bankruptcy Code as well as certain practical suggestions, but it is only intended to highlight the more significant duties and is not an exhaustive description of all the trustee's responsibilities. It also assumes that the commodity broker being liquidated is an FCM. Moreover, it is important to note that the operating facts in a particular bankruptcy proceeding may vary the schedule or obviate the need for any of the particular activities.

ALL CASES

Date of Order for Relief

1. Assure that the commodity broker has notified the Commission, its designated self-regulatory organization ("DSRO") (if any), and all applicable clearing organizations of which it is a member that a petition or order for relief has been filed (§ 190.02(a)(1)).

2. Attempt to effectuate the transfer of entire customer accounts wherein the commodity contracts are transferred together with the money, securities, or other property margining, guaranteeing, or securing the commodity contracts (hereinafter the "transfer").

3. Attempt to estimate shortfall of customer funds segregated pursuant to sections 4d(a) and (b) of the Act; customer funds segregated pursuant to section 4f of the Act; and the foreign futures or foreign options secured amount, as defined in §1.3 of this chapter.

a. The trustee should:

i. Contact the DSRO (if any) and the clearing organizations and attempt to effectuate a transfer with such shortfall under section 764(b) of the Code; notify the Commission for assistance (§190.02(a)(2) and (e)(1), §190.06(b)(2), (e), (f)(3), (g)(2), and (h)) but recognize that if there is a substantial shortfall, a transfer of such funds or amounts is highly unlikely.

ii. If a transfer cannot be effectuated, liquidate all customer commodity contracts that are margined, guaranteed, or secured by funds or amounts with such shortfall, except dealer options and specifically identifiable commodity contracts which are bona fide hedging positions (as defined in §190.01(kk)(2)) with instructions not to be liquidated. (See §§190.02(f) and 190.06(d)(1)). (In this connection, depending upon the size of the debtor and other complications of liquidation, the trustee should be aware of special liquidation rules, and in particular the availability under certain circumstances of book-entry liquidation (§190.04(d)(1)(ii)).

b. If there is a small shortfall in any of the funds or amounts listed in paragraph 2, negotiate with the clearing organization to effect a transfer; notify the Commission (§§190.02(a)(2) and (e)(1), 190.06(b)(2), (e), (f)(3), (g)(2), and (h)).

4. Whether or not a transfer has occurred, liquidate or offset open commodity contracts not eligible for transfer (e.g., deficit accounts) (§190.06(e)(1)).

5. Offset all futures contracts and Cleared Swaps contracts which cannot be settled in cash and which would otherwise remain open either beyond the last day of trading (if applicable) or the first day on which notice of intent to deliver may be tendered with respect thereto, whichever occurs first; offset all long options on a physical commodity which cannot be settled in cash, have value and would be automatically exercised or would remain open beyond the last day of exercise; and offset all short options on a physical commodity which cannot be settled in cash (§190.02(f)(1)).

6. Compute estimated funded balance for each customer commodity contract account containing open commodity contracts (§190.04(b)) (daily thereafter).

7. Make margin calls if necessary (§190.02(g)(1)) (daily thereafter).

8. Liquidate or offset any open commodity contract account for which a customer has failed to meet a margin call (§190.02(f)(1)) (daily thereafter).

9. Commence liquidation or offset of specifically identifiable property described in

§190.02(f)(2)(i) (property which has lost 10% or more of value) (and as appropriate thereafter).

10. Commence liquidation or offset of property described in §190.02(f)(3) ("all other property").

11. Be aware of any contracts in delivery position and rules pertaining to such contracts (§190.05).

First Calendar Day After the Entry of an Order for Relief

1. If a transfer occurred on the date of entry of the order for relief:

a. Liquidate any remaining open commodity contracts, except any dealer option or specifically identifiable commodity contract [hedge] (See §190.01(kk)(2) and §190.02(f)(1)), and not otherwise transferred in the transfer.

b. Primary liquidation date for transferred or liquidated commodity contracts (§190.01(ff)).

2. If no transfer has yet been effected, continue attempt to negotiate transfer of open commodity contracts and dealer options (§190.02(c)(1)).

3. Provide the clearing organization or Collecting Futures Commission Merchant (as such term is defined in §22.1) with assurances to prevent liquidation of open commodity contract accounts available for transfer at the customer's instruction or liquidate all open commodity contracts except those available for transfer at a customer's instruction and dealer options.

Second Calendar Day After the Entry of an Order for Relief

If no transfer has yet been effected, request directly customer instructions regarding transfer of open commodity contracts and publish notice for customer instructions regarding the return of specifically identifiable property other than commodity contracts (§§190.02(b)(1) and (2)).

Third Calendar Day After the Entry of an Order for Relief

1. Second publication date for customer instructions (§190.02(b)(1)) (publication is to be made on two consecutive days, whether or not the second day is a business day).

2. Last day on which to notify the Commission with regard to whether a transfer in accordance with section 764(b) of the Bankruptcy Code will take place (§190.02(a)(2) and §190.06(e)).

Sixth Calendar Day After the Entry of an Order for Relief

Last day for customers to instruct the trustee concerning open commodity contracts (§190.02(b)(2)).

Pt. 190, App. A

17 CFR Ch. I (4–1–13 Edition)

Seventh Calendar Day After the Entry of an Order for Relief

1. If not previously concluded, conclude transfers under §190.06(e) and (f). (See §190.02(e)(1) and §190.06(g)(2)(i)(A)).
2. Transfer all open dealer option contracts which have not previously been transferred (§190.06(f)(3)(i)).
3. Primary liquidation date (§190.01(ff)) (assuming no transfers and liquidation effected for all open commodity contracts for which no customer instructions were received by the sixth calendar day).
4. Establishment of transfer accounts (§190.03(a)(1)) (assuming this is the primary liquidation date); mark such accounts to market (§190.03(a)(2)) (daily thereafter until closed).
5. Liquidate or offset all remaining open commodity contracts (§190.02(b)(2)).
6. If not done previously, notify customers of bankruptcy and request customer proof of claim (§190.02(b)(4)).

Eighth Calendar Day After the Entry of an Order for Relief

Customer instructions due to trustee concerning specifically identifiable property (§190.02(b)(1)).

Ninth Calendar Day After the Entry of an Order for Relief

Commence liquidation of specifically identifiable property for which no arrangements for return have been made in accordance with customer instructions (§§190.02(b)(1), 190.03(c)).

Tenth Calendar Day After the Entry of an Order for Relief

Complete liquidation to the extent reasonably possible of specifically identifiable property which has yet to be liquidated and for which no customer instructions have been received (§190.03(c)).

Separate Procedures for Involuntary Petitions for Bankruptcy

1. Within one calendar day after notice of receipt of filing of the petition in bankruptcy, the trustee should assure that proper notification has been given to the Commission, the commodity broker's designated self-regulatory organization (§190.02(a)(1)) (if any), and all applicable clearing organizations; margin calls should be issued if necessary (§190.02(g)(2)).
2. On or before the seventh calendar day after the filing of a petition in bankruptcy, the trustee should use his best efforts to effect a transfer in accordance with §190.06(e) and (f) of all open commodity contracts and equity held for or on behalf of customers of the commodity broker (§190.02(e)(2)) unless

the debtor can provide certain assurances to the trustee.

BANKRUPTCY APPENDIX FORM 2— REQUEST FOR INSTRUCTIONS CONCERNING NON-CASH PROPERTY DEPOSITED WITH (COMMODITY BROKER)

Please take notice: On (date), a petition in bankruptcy was filed by [against] (commodity broker). Those customers of (commodity broker) who deposited certain kinds of non-cash property (see below) with (commodity broker) may instruct the trustee of the estate to return their property to them as provided below.

As no customer may obtain more than his or her proportionate share of the property available to satisfy customer claims, if you instruct the trustee to return your property to you, you will be required to pay the estate, as a condition to the return of your property, an amount determined by the trustee. If your property is not margining an open contract, this amount will approximate the difference between the market value of your property and your *pro rata* share of the estate, as estimated by the trustee. If your property is margining an open commodity contract, this amount will be approximately the full fair market value of the property on the date of its return.

Kinds of Property to Which This Notice Applies

1. Any security deposited as margin which, as of (date petition was filed), was securing an open commodity contract and is:
 - registered in your name,
 - not transferrable by delivery, and
 - not a short-term obligation.
2. Any fully-paid, non-exempt security held for your account in which there were no open commodity contracts as of (date petition was filed). (Rather than the return, at this time, of the specific securities you deposited with (commodity broker), you may instead request now, or at any later time, that the trustee purchase “like-kind” securities of a fair market value which does not exceed your proportionate share of the estate).
3. Any warehouse receipt, bill of lading or other document of title deposited as margin which, as of (date petition was filed), was securing an open commodity contract and—can be identified in (commodity broker)'s records as being held for your account, and—is neither in bearer form nor otherwise transferable by delivery.
4. Any warehouse receipt bill of lading or other document of title, or any commodity received, acquired or held by (commodity broker) to make or take delivery or exercise from or for your account and which—can be identified in (commodity broker)'s records as received from or for your account as held specifically for the purpose of delivery or exercise.

Commodity Futures Trading Commission

Pt. 190, App. A

5. Any cash or other property deposited to make or take delivery on a commodity contract may be eligible to be returned. The trustee should be contacted directly for further information if you have deposited such property with (commodity broker) and desire its return.

Instructions must be received by (the 5th calendar day after 2d publication date) or the trustee will liquidate your property. (If you own such property but fail to provide the trustee with instructions, you will still have a claim against (commodity broker) but you will not be able to have your specific property returned to you).

NOTE: Prior to receipt of your instructions, circumstances may require the trustee to liquidate your property, or transfer your property to another broker if it is margining open commodity contracts. If your property is transferred and your instructions were received within the required time, your instructions will be forwarded to the new broker.

Instructions should be directed to: (Trustee's name, address, and/or telephone).

Even if you request the return of your property, you must also pay the trustee the amount he specifies and provide the trustee with proof of your claim before (the 7th calendar day after 2d publication date) or your property will be liquidated. (Upon receipt of customer instructions to return property, the trustee will mail the sender a form which describes the information he must provide to substantiate his claim).

NOTE: The trustee is required to liquidate your property despite the timely receipt of your instructions, money, and proof of claim if, for any reason, your property cannot be returned by (close of business on the 7th calendar day after 2d publication date).

BANKRUPTCY APPENDIX FORM 3—REQUEST FOR INSTRUCTIONS CONCERNING TRANSFER OF YOUR HEDGE CONTRACTS HELD BY (COMMODITY BROKER)

United States Bankruptcy Court ___ District of ___ In re ___, Debtor, No. ___.

Please take notice: On (date), a petition in bankruptcy was filed by [against] (commodity broker).

You indicated when your hedge account was opened that the commodity contracts in your hedge account should not be liquidated automatically in the event of the bankruptcy of (commodity broker), and that you wished to provide instructions at this time concerning their disposition.

Instructions to transfer your commodity contracts and a cash deposit (as described below) must be received by the trustee by (the 6th calendar day after entry of order for relief) or your commodity contracts will be liquidated.

If you request the transfer of your commodity contracts, prior to their transfer, you must pay the trustee in cash an amount determined by the trustee which will approximate the difference between the value of the equity margining your commodity contracts and your pro rata share of the estate plus an amount constituting security for the non-recovery of any overpayments. In your instructions, you should specify the broker to which you wish your commodity contracts transferred.

Be further advised that prior to receipt of your instructions, circumstances may, in any event, require the trustee to liquidate or transfer your commodity contracts. If your commodity contracts are so transferred and your instructions are received, your instructions will be forwarded to the new broker.

Note also that the trustee is required to liquidate your positions despite the timely receipt of your instructions and money if, for any reason, you have not made arrangements to transfer and/or your contracts are not transferred by (7 calendar days after entry of order for relief).

Instructions should be sent to: (Trustee's or designee's name, address, and/or telephone). [Instructions may also be provided by phone].

APPENDIX B TO PART 190—SPECIAL BANKRUPTCY DISTRIBUTIONS

FRAMEWORK 1—SPECIAL DISTRIBUTION OF CUSTOMER FUNDS FOR FUTURES CONTRACTS WHEN FCM PARTICIPATED IN CROSS-MARGINING

The Commission has established the following distributional convention with respect to “customer funds” (as §1.3 of this chapter defines such term) for futures contracts held by a futures commission merchant (FCM) that participated in a cross-margining (XM) program which shall apply if participating market professionals sign an agreement that makes reference to this distributional rule and the form of such agreement has been approved by the Commission by rule, regulation or order:

All customer funds for futures contracts held in respect of XM accounts, regardless of the product that customers holding such accounts are trading, are required by Commission order to be segregated separately from all other customer segregated funds. For purposes of this distributional rule, XM accounts will be deemed to be commodity interest accounts and securities held in XM accounts will be deemed to be received by the FCM to margin, guarantee or secure commodity interest contracts. The maintenance of property in an XM account will result in subordination of the claim for such property to certain non-XM customer claims and thereby will operate to cause such XM claim not to be treated as a customer claim for purposes of the Securities Investors Protection Act and the XM securities to be excluded from the securities estate. This creates subclasses of futures customer accounts, an XM account and a non-XM account (a person could hold each type of account), and results in two pools of segregated funds belonging to futures customers: An XM pool and a non-XM pool.
