

its records, shall be deemed to be a Cleared Swaps Customer Account and not a Cleared Swaps Proprietary Account of such association, unless the shareholder or member is an officer, director, or manager of the association.

*Clearing Member.* This term means any person that has clearing privileges such that it can process, clear and settle trades through a derivatives clearing organization on behalf of itself or others. The derivatives clearing organization need not be organized as a membership organization.

*Collecting Futures Commission Merchant.* A futures commission merchant that carries Cleared Swaps on behalf of another futures commission merchant and the Cleared Swaps Customers of the latter futures commission merchant, and as part of carrying such Cleared Swaps, collects Cleared Swaps Customer Collateral.

*Commingle.* To commingle two or more items means to hold such items in the same account, or to combine such items in a transfer between accounts.

*Depositing Futures Commission Merchant.* A futures commission merchant that carries Cleared Swaps on behalf of its Cleared Swaps Customers through another futures commission merchant and, as part of carrying such Cleared Swaps, deposits Cleared Swaps Customer Collateral with such futures commission merchant.

*Permitted Depository.* This term shall have the meaning set forth in § 22.4 of this part.

*Segregate.* To segregate two or more items is to keep them in separate accounts, and to avoid combining them in the same transfer between two accounts.

[77 FR 6371, Feb. 7, 2012, as amended at 77 FR 66334, Nov. 2, 2012]

**§ 22.2 Futures Commission Merchants: Treatment of Cleared Swaps and Associated Cleared Swaps Customer Collateral.**

(a) *General.* A futures commission merchant shall treat and deal with the Cleared Swaps of Cleared Swaps Customers and associated Cleared Swaps Customer Collateral as belonging to Cleared Swaps Customers.

(b) *Location of Cleared Swaps Customer Collateral.* (1) A futures commission merchant must segregate all Cleared Swaps Customer Collateral that it receives, and must either hold such Cleared Swaps Customer Collateral itself as set forth in paragraph (b)(2) of this section, or deposit such collateral into one or more Cleared Swaps Customer Accounts held at a Permitted Depository, as set forth in paragraph (b)(3) of this section.

(2) If a futures commission merchant holds Cleared Swaps Customer Collateral itself, then the futures commission merchant must:

(i) Physically separate such collateral from its own property;

(ii) Clearly identify each physical location in which it holds such collateral as a “Location of Cleared Swaps Customer Collateral” (the “FCM Physical Location”);

(iii) Ensure that the FCM Physical Location provides appropriate protection for such collateral; and

(iv) Record in its books and records the amount of such Cleared Swaps Customer Collateral separately from its own funds.

(3) If a futures commission merchant holds Cleared Swaps Customer Collateral in a Permitted Depository, then:

(i) The Permitted Depository must qualify pursuant to the requirements set forth in § 22.4 of this part, and

(ii) The futures commission merchant must maintain a Cleared Swaps Customer Account with each such Permitted Depository.

(c) *Commingle.* (1) A futures commission merchant may commingle the Cleared Swaps Customer Collateral that it receives from, for, or on behalf of multiple Cleared Swaps Customers.

(2) A futures commission merchant shall not commingle Cleared Swaps Customer Collateral with either of the following:

(i) Funds belonging to the futures commission merchant, except as expressly permitted in paragraph (e)(3) of this section; or

(ii) Other categories of funds belonging to Futures Customers (as § 1.3 of this chapter defines that term), or Foreign Futures or Foreign Options Customers (as § 30.1 of this chapter defines that term) of the futures commission

## Commodity Futures Trading Commission

## § 22.2

merchant, including Futures Customer Funds (as §1.3 of this chapter defines such term) or the foreign futures or foreign options secured amount (as §1.3 of this chapter defines such term), except as expressly permitted by Commission rule, regulation, or order, or by a derivatives clearing organization rule approved in accordance with §39.15(b)(2) of this chapter.

(d) *Limitations on use.* (1) No futures commission merchant shall use, or permit the use of, the Cleared Swaps Customer Collateral of one Cleared Swaps Customer to purchase, margin, or settle the Cleared Swaps or any other trade or contract of, or to secure or extend the credit of, any person other than such Cleared Swaps Customer. Cleared Swaps Customer Collateral shall not be used to margin, guarantee, or secure trades or contracts of the entity constituting a Cleared Swaps Customer other than in Cleared Swaps, except to the extent permitted by a Commission rule, regulation or order.

(2) A futures commission merchant may not impose or permit the imposition of a lien on Cleared Swaps Customer Collateral, including any residual financial interest of the futures commission merchant in such collateral, as described in paragraph (e)(4) of this section.

(3) A futures commission merchant may not include, as Cleared Swaps Customer Collateral,

(i) Money invested in the securities, memberships, or obligations of any derivatives clearing organization, designated contract market, swap execution facility, or swap data repository, or

(ii) Money, securities, or other property that any derivatives clearing organization holds and may use for a purpose other than those set forth in §22.3 of this part.

(e) *Exceptions.* Notwithstanding the foregoing:

(1) *Permitted investments.* A futures commission merchant may invest money, securities, or other property constituting Cleared Swaps Customer Collateral in accordance with §1.25 of this chapter.

(2) *Permitted withdrawals.* Such share of Cleared Swaps Customer Collateral as in the normal course of business

shall be necessary to margin, guarantee, secure, transfer, adjust, or settle a Cleared Swaps Customer's Cleared Swaps with a derivatives clearing organization, or with a Collecting Futures Commission Merchant, may be withdrawn and applied to such purposes, including the payment of commissions, brokerage, interest, taxes, storage, and other charges, lawfully accruing in connection with such Cleared Swaps.

(3) *Deposits of own money, securities, or other property.* (i) In order to ensure that it is always in compliance with paragraph (f) of this section, a futures commission merchant may place in an FCM Physical Location or deposit in a Cleared Swaps Customer Account its own money, securities, or other property (*provided, that* such securities or other property are unencumbered and are of the types specified in §1.25 of this chapter).

(ii) Money, securities, or other property deposited by a futures commission merchant pursuant to 22.13(b) and available to a derivatives clearing organization or Collecting Futures Commission Merchant to meet the obligations of the futures commission merchant's Cleared Swaps Customers collectively, shall be maintained in an account separate from the Cleared Swaps Customer Account.

(4) *Residual financial interest.* (i) If, in accordance with paragraph (e)(3)(i) of this section, a futures commission merchant places in an FCM Physical Location or deposits in a Cleared Swaps Customer Account its own money, securities, or other property, then such money, securities, or other property (including accruals thereon) shall constitute Cleared Swaps Customer Collateral.

(ii) The futures commission merchant shall have a residual financial interest in any portion of such money, securities, or other property in excess of that necessary for compliance with paragraph (f)(4) of this section.

(iii) The futures commission merchant may withdraw money, securities, or other property from the FCM Physical Location or Cleared Swaps Customer Account, to the extent of its residual financial interest therein. At the time of such withdrawal, the futures commission merchant shall ensure that

## § 22.2

## 17 CFR Ch. I (4–1–13 Edition)

the withdrawal does not cause its residual financial interest to become less than zero.

(f) *Requirements as to amount.* (1) For purposes of this § 22.2(f), the term “account” shall reference the entries on the books and records of a futures commission merchant pertaining to the Cleared Swaps Customer Collateral of a particular Cleared Swaps Customer.

(2) The futures commission merchant must reflect in the account that it maintains for each Cleared Swaps Customer the market value of any Cleared Swaps Customer Collateral that it receives from such customer, as adjusted by:

(i) Any uses permitted under § 22.2(d) of this part;

(ii) Any accruals on permitted investments of such collateral under § 22.2(e) of this part that, pursuant to the futures commission merchant’s customer agreement with that customer, are creditable to such customer;

(iii) Any charges lawfully accruing to the Cleared Swaps Customer, including any commission, brokerage fee, interest, tax, or storage fee; and

(iv) Any appropriately authorized distribution or transfer of such collateral.

(3) If the market value of Cleared Swaps Customer Collateral in the account of a Cleared Swaps Customer is positive after adjustments, then that account has a credit balance. If the market value of Cleared Swaps Customer Collateral in the account of a Cleared Swaps Customer is negative after adjustments, then that account has a debit balance.

(4) The futures commission merchant must maintain in segregation, in its FCM Physical Locations and/or its Cleared Swaps Customer Accounts at Permitted Depositories, an amount equal to the sum of any credit balances that the Cleared Swaps Customers of the futures commission merchant have in their accounts, excluding from such sum any debit balances that the Cleared Swaps Customers of the futures commission merchant have in their accounts.

(5) Notwithstanding the foregoing, the futures commission merchant must include, in calculating the sum referenced in paragraph (f)(4) of this sec-

tion, any debit balance that a Cleared Swaps Customer may have in its account, to the extent that such balance is secured by “readily marketable securities” that the Cleared Swaps Customer deposited with the futures commission merchant.

(i) For purposes of this section, “readily marketable” shall be defined as having a “ready market” as such latter term is defined in Rule 15c3–1(c)(11) of the Securities and Exchange Commission (§ 241.15c3–1(c)(11) of this title).

(ii) In order for a debit balance to be deemed secured by “readily marketable securities,” the futures commission merchant must maintain a security interest in such securities, and must hold a written authorization to liquidate the securities at the discretion of the futures commission merchant.

(iii) To determine the amount secured by “readily marketable securities,” the futures commission merchant shall:

(A) Determine the market value of such securities; and

(B) Reduce such market value by applicable percentage deductions (*i.e.*, “securities haircuts”) as set forth in Rule 15c3–1(c)(2)(vi) of the Securities and Exchange Commission (§ 240.15c3–1(c)(2)(vi) of this title). The portion of the debit balance, not exceeding 100 per cent, that is secured by the reduced market value of such readily marketable securities shall be included in calculating the sum referred to in paragraph (f)(4) of this section.

(g) *Segregated account; Daily computation and record.* (1) Each futures commission merchant must compute as of the close of each business day, on a currency-by-currency basis:

(i) The aggregate market value of the Cleared Swaps Customer Collateral in all FCM Physical Locations and all Cleared Swaps Customer Accounts held at Permitted Depositories (the “Collateral Value”);

(ii) The sum referenced in paragraph (f)(4) of this section (the “Collateral Requirement”); and

(iii) The amount of the residual financial interest that the futures commission merchant holds in such Cleared Swaps Customer Collateral,

which shall equal the difference between the Collateral Value and the Collateral Requirement.

(2) The futures commission merchant must complete the daily computations required by this section prior to noon on the next business day and must keep such computations, together with all supporting data, in accordance with the requirements of §1.31 of this chapter.

[77 FR 6371, Feb. 7, 2012, as amended at 77 FR 66334, Nov. 2, 2012]

**§ 22.3 Derivatives clearing organizations: Treatment of cleared swaps customer collateral.**

(a) *General.* A derivatives clearing organization shall treat and deal with the Cleared Swaps Customer Collateral deposited by a futures commission merchant as belonging to the Cleared Swaps Customers of such futures commission merchant and not other persons, including, without limitation, the futures commission merchant.

(b) *Location of Cleared Swaps Customer Collateral.* (1) The derivatives clearing organization must segregate all Cleared Swaps Customer Collateral that it receives from futures commission merchants, and must either hold such Cleared Swaps Customer Collateral itself as set forth in paragraph (b)(2) of this section, or deposit such collateral into one or more Cleared Swaps Customer Accounts held at a Permitted Depository, as set forth in paragraph (b)(3) of this section.

(2) If a derivatives clearing organization holds Cleared Swaps Customer Collateral itself, then the derivatives clearing organization must:

(i) Physically separate such collateral from its own property, the property of any futures commission merchant, and the property of any other person that is not a Cleared Swaps Customer of a futures commission merchant;

(ii) Clearly identify each physical location in which it holds such collateral as “Location of Cleared Swaps Customer Collateral” (the “DCO Physical Location”);

(iii) Ensure that the DCO Physical Location provides appropriate protection for such collateral; and

(iv) Record in its books and records the amount of such Cleared Swaps Customer Collateral separately from its own funds, the funds of any futures commission merchant, and the funds of any other person that is not a Cleared Swaps Customer of a futures commission merchant.

(3) If a derivatives clearing organization holds Cleared Swaps Customer Collateral in a Permitted Depository, then:

(i) The Permitted Depository must qualify pursuant to the requirements set forth in §22.4 of this part; and

(ii) The derivatives clearing organization must maintain a Cleared Swaps Customer Account with each such Permitted Depository.

(c) *Commingling.* (1) A derivatives clearing organization may commingle the Cleared Swaps Customer Collateral that it receives from multiple futures commission merchants on behalf of their Cleared Swaps Customers.

(2) A derivatives clearing organization shall not commingle the Cleared Swaps Customer Collateral that it receives from a futures commission merchant on behalf of Cleared Swaps Customers with any of the following:

(i) The money, securities, or other property belonging to the derivatives clearing organization;

(ii) The money, securities, or other property belonging to any futures commission merchant; or

(iii) Futures Customer Funds (as §1.3 of this chapter defines such term) or the foreign futures or foreign options secured amount (as §1.3 of this chapter defines such term), except as expressly permitted by Commission rule, regulation, or order, (or by a derivatives clearing organization rule approved in accordance with §39.15(b)(2) of this chapter).

(d) *Exceptions; Permitted Investments.* Notwithstanding the foregoing and §22.15, a derivatives clearing organization may invest the money, securities, or other property constituting Cleared Swaps Customer Collateral in accordance with §1.25 of this chapter.
