

to those of a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 and the rules and regulations thereunder, except to the extent otherwise permitted under the Securities Exchange Act of 1934 and the rules and regulations thereunder, may solicit, accept any order for, or otherwise deal in any transaction in or in connection with security futures products;

(e) If the board of trade is a designated contract market pursuant to section 5 of the Act, dual trading in these security futures products is restricted in accordance with § 41.27;

(f) Trading in the security futures products is not readily susceptible to manipulation of the price of such security futures product, nor to causing or being used in the manipulation of the price of any underlying security, option on such security, or option on a group or index including such securities, consistent with the conditions for trading of § 41.25;

(g) Procedures are in place for coordinated surveillance among the board of trade, any market on which any security underlying a security futures product is traded, and other markets on which any related security is traded to detect manipulation and insider trading. A board of trade that is an alternative trading system does not need to make this certification, provided that:

(1) The alternative trading system is a member of a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934; and

(2) The national securities association or national securities exchange of which the alternative trading system is a member has in place such procedures;

(h) An audit trail is in place to facilitate coordinated surveillance among the board of trade, any market on which any security underlying a security futures product is traded, and any market on which any related security is traded. A board of trade that is an alternative trading system does not need to make this certification, provided that:

(1) The alternative trading system is a member of a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934; and

(2) The national securities association or national securities exchange of which the alternative trading system is a member has in place such procedures;

(i) Procedures are in place to coordinate regulatory trading halts between the board of trade and markets on which any security underlying the security futures product is traded and other markets on which any related security is traded. A board of trade that is an alternative trading system does not need to make this certification, provided that:

(1) The alternative trading system is a member of a national securities association registered pursuant to section 15A(a) of the Securities Exchange Act of 1934 or national securities exchange registered pursuant to section 6(a) of the Securities Exchange Act of 1934; and

(2) The national securities association or national securities exchange of which the alternative trading system is a member has in place such procedures; and

(j) The margin requirements for the security futures product will comply with the provisions specified in § 41.43 through § 41.48.
