

(3) The securities issued in connection with the succession were registered on Form F-8 or Form F-80 (§239.38 or §239.41 of this chapter) and following succession the successor would not be required to register such class of securities under section 12 of the Act (15 U.S.C. 78l) but for this section.

(d) If the classes of securities issued by two or more predecessor issuers (as described in paragraph (c) of this section) are registered under the same paragraph of section 12 of the Act (15 U.S.C. 78l), the class of securities issued by the successor issuer shall be deemed registered under the same paragraph of section 12 of the Act. If the classes of securities issued by the predecessor issuers are not registered under the same paragraph of section 12 of the Act, the class of securities issued by the successor issuer shall be deemed registered under section 12(g) of the Act (15 U.S.C. 78l(g)).

(e) An issuer that is deemed to have a class of securities registered pursuant to section 12 of the Act (15 U.S.C. 78l) according to paragraph (a), (b), (c) or (d) of this section shall file reports on the same forms and such class of securities shall be subject to the provisions of sections 14 and 16 of the Act (15 U.S.C. 78n and 78p) to the same extent as the predecessor issuers, except as follows:

(1) An issuer that is not a foreign issuer shall not be eligible to file on Form 20-F (§249.220f of this chapter) or to use the exemption in §240.3a12-3.

(f) An issuer that is deemed to have a class of securities registered pursuant to section 12 of the Act (15 U.S.C. 78l) according to paragraphs (a), (b), (c) or (d) of this section shall indicate in the Form 8-K (§249.308 of this chapter) report filed with the Commission in connection with the succession, pursuant to the requirements of Form 8-K, the paragraph of section 12 of the Act under which the class of securities issued by the successor issuer is deemed registered by operation of paragraphs (a), (b), (c) or (d) of this section. If a successor issuer that is

deemed registered under section 12(g) of the Act (15 U.S.C. 78l(g)) by paragraph (d) of this section intends to list a class of securities on a national securities exchange, it must file a registration statement pursuant to section 12(b) of the Act (15 U.S.C. 78l(b)) with respect to that class of securities.

(g) An issuer that is deemed to have a class of securities registered pursuant to section 12 of the Act (15 U.S.C. 78l) according to paragraph (a), (b), (c) or (d) of this section shall file an annual report for each fiscal year beginning on or after the date as of which the succession occurred. **§ 240.12g3-2 Exemptions for American depositary receipts and certain foreign securities.**

(a) Securities of any class issued by any foreign private issuer shall be exempt from section 12(g) (15 U.S.C. 78l(g)) of the Act if the class has fewer than 300 holders resident in the United States. This exemption shall continue until the next fiscal year end at which the issuer has a class of equity securities held by 300 or more persons resident in the United States. For the purpose of determining whether a security is exempt pursuant to this paragraph:

(1) Securities held of record by persons resident in the United States shall be determined as provided in §240.12g5-1 except that securities held of record by a broker, dealer, bank or nominee for any of them for the accounts of customers resident in the United States shall be counted as held in the United States by the number of separate accounts for which the securities are held. The issuer may rely in good faith on information as to the number of such separate accounts supplied by all owners of the class of its securities

which are brokers, dealers, or banks or a nominee for any of them.

(2) Persons in the United States who hold the security only through a Canadian Retirement Account (as that term is defined in rule 237(a)(2) under the Securities Act of 1933 (§230.237(a)(2) of this chapter)), shall not be counted as holders resident in the United States.

(b)(1) A foreign private issuer shall be exempt from the requirement to register a class of equity securities under section 12(g) of the Act (15 U.S.C. 78l(g)) if:

(i) The issuer is not required to file or furnish reports under section 13(a) of the Act (15 U.S.C. 78m(a)) or section 15(d) of the Act (15 U.S.C. 78o(d));

(ii) The issuer currently maintains a listing of the subject class of securities on one or more exchanges in a foreign jurisdiction that, either singly or together with the trading of the same class of the issuer's securities in another foreign jurisdiction, constitutes the primary trading market for those securities; and

(iii) The issuer has published in English, on its Internet Web site or through an electronic information delivery system generally available to the public in its primary trading market, information that, since the first day of its most recently completed fiscal year, it:

(A) Has made public or been required to make public pursuant to the laws of the country of its incorporation, organization or domicile;

(B) Has filed or been required to file with the principal stock exchange in its primary trading market on which its securities are traded and which has been made public by that exchange; and

(C) Has distributed or been required to distribute to its security holders.

NOTE 1 TO PARAGRAPH (b)(1): For the purpose of paragraph (b) of this section, *primary trading market* means that at least 55 percent of the trading in the subject class of securities on a worldwide basis took place in, on or through the facilities of a securities market or markets in a single foreign jurisdiction or in no more than two foreign jurisdictions during the issuer's most recently completed fiscal year. If a foreign private issuer aggregates the trading of its subject class of securities in two foreign jurisdictions for the purpose of this paragraph, the trading for

the issuer's securities in at least one of the two foreign jurisdictions must be larger than the trading in the United States for the same class of the issuer's securities. When determining an issuer's primary trading market under this paragraph, calculate average daily trading volume in the United States and on a worldwide basis as under Rule 12h-6 under the Act (§240.12h-6).

NOTE 2 TO PARAGRAPH (b)(1): Paragraph (b)(1)(iii) of this section does not apply to an issuer when claiming the exemption under paragraph (b) of this section upon the effectiveness of the termination of its registration of a class of securities under section 12(g) of the Act, or the termination of its obligation to file or furnish reports under section 15(d) of the Act.

NOTE 3 TO PARAGRAPH (b)(1): Compensatory stock options for which the underlying securities are in a class exempt under paragraph (b) of this section are also exempt under that paragraph.

(2)(i) In order to maintain the exemption under paragraph (b) of this section, a foreign private issuer shall publish, on an ongoing basis and for each subsequent fiscal year, in English, on its Internet Web site or through an electronic information delivery system generally available to the public in its primary trading market, the information specified in paragraph (b)(1)(iii) of this section.

(ii) An issuer must electronically publish the information required by paragraph (b)(2) of this section promptly after the information has been made public.

(3)(i) The information required to be published electronically under paragraph (b) of this section is information that is material to an investment decision regarding the subject securities, such as information concerning:

(A) Results of operations or financial condition;

(B) Changes in business;

(C) Acquisitions or dispositions of assets;

(D) The issuance, redemption or acquisition of securities;

(E) Changes in management or control;

(F) The granting of options or the payment of other remuneration to directors or officers; and

(G) Transactions with directors, officers or principal security holders.

(ii) At a minimum, a foreign private issuer shall electronically publish

(A) Its annual report, including or accompanied by annual financial statements;

(B) Interim reports that include financial statements;

(C) Press releases; and

(D) All other communications and documents distributed directly to security holders of each class of securities to which the exemption relates.

(c) The exemption under paragraph (b) of this section shall remain in effect until:

(1) The issuer no longer satisfies the electronic publication condition of paragraph (b)(2) of this section;

(2) The issuer no longer maintains a listing of the subject class of securities on one or more exchanges in a primary trading market, as defined under paragraph (b)(1) of this section; or

(3) The issuer registers a class of securities under section 12 of the Act or incurs reporting obligations under section 15(d) of the Act.

(d) Depositary shares registered on Form F-6 (§ 239.36 of this chapter), but not the underlying deposited securities, are exempt from section 12(g) of the Act under this paragraph.

### § 240.12g-4 Certifications of termination of registration under section 12(g).

(a) Termination of registration of a class of securities under section 12(g) of the Act (15 U.S.C. 78l(g)) shall take effect 90 days, or such shorter period as the Commission may determine, after the issuer certifies to the Commission on Form 15 (17 CFR 249.323) that the class of securities is held of record by:

(1) Less than 300 persons; or

(2) Less than 500 persons, where the total assets of the issuer have not exceeded \$10 million on the last day of each of the issuer's most recent three fiscal years.

certification on Form 15; *Provided, however*, That if the certification on Form 15 is subsequently withdrawn or denied, the issuer shall, within 60 days after the date of such withdrawal or denial, file with the Commission all reports which would have been required had the certification on Form 15 not been filed. If the suspension resulted from the issuer's merger into, or consolidation with, another issuer or issuers, the certification shall be filed by the successor issuer.

### § 240.12g5-1 Definition of securities "held of record".

(a) For the purpose of determining whether an issuer is subject to the provisions of sections 12(g) and 15(d) of the Act, securities shall be deemed to be "held of record" by each person who is identified as the owner of such securities on records of security holders maintained by or on behalf of the issuer, subject to the following:

(1) In any case where the records of security holders have not been maintained in accordance with accepted practice, any additional person who would be identified as such an owner on such records if they had been maintained in accordance with accepted practice shall be included as a holder of record.

(2) Securities identified as held of record by a corporation, a partnership, a trust whether or not the trustees are named, or other organization shall be included as so held by one person.
