

determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although the Commission shall document all significant matters discussed at the hearing. In those cases where an oral hearing is not required by this section, the Commission shall nevertheless accord the debtor a “paper hearing,” (i.e., the Commission will make its determination on the request for waiver or reconsideration based upon a review of the written record); and

(iv) An opportunity to enter into a written agreement for the repayment of the amount of the claim at the discretion of the Commission.

(2) If the procedures described in paragraph (b) of this section are employed, the procedures described in this paragraph shall be effected after offset.

(d) *Interest.* Pursuant to 31 U.S.C. 3717 and 31 CFR 901.9, the Commission shall assess interest, penalties and administrative costs on debts owed to the United States. The Commission is authorized to assess interest and related charges on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.

(e) *Refunds.* Amounts recovered by offset but later found not to be owed to the Government shall be promptly refunded.

(f) *Requests for offset to other Federal agencies.* The Director may request that a debt owed to the Commission be administratively offset against funds due and payable to a debtor by another Federal agency. In requesting administrative offset, the Commission, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

- (1) That the debtor owes the debt;
- (2) The amount and basis of the debt; and

(3) That the Commission has complied with the requirements of its own administrative offset regulations and the applicable provisions of 31 CFR

part 901 with respect to providing the debtor with due process.

(g) *Requests for offset from other Federal agencies.* Any Federal agency may request that funds due and payable to its debtor by the Commission be administratively offset in order to collect a debt owed to such Federal agency by the debtor. The Commission shall initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency:

- (i) That the debtor owes the debt;
- (ii) The amount and basis of the debt;
- (iii) That the agency has prescribed regulations for the exercise of administrative offset; and
- (iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 31 CFR part 901, including providing any required hearing or review.

(2) A determination by the Commission that collection by offset against funds payable by the Commission would be in the best interest of the United States as determined by the facts and circumstances of the particular case and that such offset would not otherwise be contrary to law.

**§ 201.207 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund**

(a) Unless otherwise prohibited by law, the Commission may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect in one full payment or a minimal number of payments debt owed to the Commission by the debtor. Such requests shall be made to the appropriate officials of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, the Commission shall include a written certification that:

- (1) The debtor owes the Commission a debt, including the amount of the debt;

(2) The Commission has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The Commission has complied with the requirements of 31 CFR 901.3, including any required hearing or review.

(c) Once the Commission decides to request administrative offset under paragraph (a) of this section, it shall make the request as soon as practical after completion of the applicable procedures. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor shall be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.

(d) If the Commission collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, the Commission shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.

#### § 201.208 Tax refund offset.

(a) *Scope.* The provisions of 26 U.S.C. 6402(d) and 31 U.S.C. 3720A authorize the Secretary of the Treasury to offset a delinquent debt owed to the United States Government from the tax refund due a taxpayer when other collection efforts have failed to recover the amount due.

(b) *Definitions*—(1) *Debt.* Debt means money owed by an individual, organization or entity from sources which include loans insured or guaranteed by the United States and all other amounts due the United States from fees, leases, services, overpayments, civil and criminal penalties, damages, interest, fines, administrative costs, and all other similar sources. A debt becomes eligible for tax refund offset procedures if:

(i) It cannot currently be collected pursuant to the salary offset procedures of 5 U.S.C. 5514(a)(1);

(ii) The debt is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot currently be collected by administrative offset under 31 U.S.C. 3716(a); and

(iii) The requirements of this section are otherwise satisfied.

(2) *Dispute.* A dispute is a written statement supported by documentation or other evidence that all or part of an alleged debt is not past due or legally enforceable, that the amount is not the amount currently owed, that the outstanding debt has been satisfied, or, in the case of a debt reduced to judgment, that the judgment has been satisfied or stayed.

(3) *Notice.* Notice means the information sent to the debtor pursuant to § 201.208(d). The date of the notice is the date shown on the notice letter as its date of issuance.

(4) *Past due.* All judgment debts are past due for purposes of this section. Such debts remain past due until paid in full.

(c) The Commission may refer any past due, legally enforceable non-judgment debt of an individual, organization or entity to Treasury for offset if the Commission's or the referring agency's rights of action accrued more than three months but less than ten years before the offset is made. Debts reduced to judgment may be referred at any time. Debts in amounts lower than \$25.00 are not subject to referral.

(d) The Commission will provide the debtor with written notice of its intent to offset before initiating the offset. Notice will be mailed to the debtor at the current address of the debtor, as determined from information obtained from the IRS pursuant to 26 U.S.C. 6103(m)(2), (4), (5) or from information regarding the debt maintained by the Commission. The notice sent to the debtor will state the amount of the debt and inform the debtor that:

(1) The debt is past due;

(2) The Commission intends to refer the debt to Treasury for offset from tax refunds that may be due to the taxpayer;

(3) The Commission intends to provide information concerning the delinquent debt exceeding \$100 to a consumer reporting bureau unless such debt has already been disclosed; and
