§ 1.210

(a) Guidance on debarment and suspension in part 180 of this subtitle applies broadly to all financial assistance and other nonprocurement transactions, and not just to grants and cooperative agreements.

(b) Cost principles in parts 220, 225 and 230 of this subtitle apply to procurement contracts, as well as to financial assistance, although those principles are implemented for procurement contracts through the Federal Acquisition Regulation in title 48 of the CFR, rather than through Federal agency regulations on grants and agreements in this title.

§ 1.220 Federal agency implementation of this subtitle.

A Federal agency that awards grants and agreements subject to the guidance in this subtitle implements the guidance in agency regulations in subtitle B of this title and/or in policy and procedural issuances, such as internal instructions to the agency’s awarding and administering officials. An applicant or recipient would see the effect of that implementation in the organization and content of the agency’s announcements of funding opportunities and in its award terms and conditions.

§ 1.230 Maintenance of this subtitle.

OMB issues guidance in this subtitle after publication in the Federal Register. Any portion of the guidance that has a potential impact on the public is published with an opportunity for public comment.
