

Force in a contingency operation at the time.

(b) The employing agency must promptly transmit any form CA-41s received from claimants to OWCP. The employer must also promptly transmit to OWCP any other claim or paper submitted that appears to claim compensation on account of the employee's death.

(c) The employing agency must maintain any designations completed by the employee and signed by a representative of the agency in the employee's official personnel file or a related system of records. The agency must forward any such forms to OWCP if the agency submits form CA-42 notifying OWCP of the employee's death. The agency must also forward any other paper signed by the employee and employing agency that appears to make designations of the death gratuity.

(d) If requested by OWCP, the employing agency must determine whether a survivor, who is claiming the death gratuity based on his or her status as an illegitimate child of a deceased male employee, has offered satisfactory evidence to show that he or she is in fact the employee's child.

(e) The employing agency must notify OWCP of any other death gratuity payments under any other law of the United States for which the employee's death qualifies. The employing agency also must notify OWCP of any other death gratuity payments that have been paid based on the employee's death.

(f) Non-appropriated fund instrumentalities must fulfill the same requirements under this subpart as any other employing agency.

**§ 10.915 What are the responsibilities of OWCP in the death gratuity payment process?**

(a) If the death gratuity payment process is initiated by the employing agency's submission of form CA-42, OWCP will identify living potential claimants. OWCP will make a reasonable effort to provide claim form CA-41s to any known potential claimants and provide instructions on how to file a claim for the death gratuity payment.

(b) If the death gratuity payment process is initiated by a claimant's submission of a claim, OWCP will contact the employing agency and prompt it to submit form CA-42. OWCP will then review the information provided by both the claim and form CA-42, and OWCP will attempt to identify all living survivors or alternate beneficiaries who may be eligible for payment of the gratuity.

(c) If OWCP determines that the evidence is not sufficient to meet the claimant's burden of proof, OWCP will notify the claimant of the additional evidence needed. The claimant will be allowed at least 30 days to submit the additional evidence required. OWCP may also request additional information from the employing agency.

(d) OWCP will review the information provided by the claimant and information provided by the employing agency to determine whether the claim satisfies all the requirements listed in § 10.912.

(e) OWCP will calculate the amount of the death gratuity payment and pay the beneficiaries as soon as possible after accepting the claim.

**§ 10.916 How is the amount of the death gratuity calculated?**

The death gratuity payment under this subpart equals \$100,000 minus the amount of any death gratuity payments that have been paid under any other law of the United States based on the same death. A death gratuity payment is a payment in the nature of a gift, beyond reimbursement for death and funeral expenses, relocation costs, or other similar death benefits. Only other death gratuity payments will reduce the amount of the death gratuity provided in this subpart. For this reason, death benefits provided to the same employee's survivors such as those under 5 U.S.C. 8133 as well as benefits paid under 5 U.S.C. 8134 are not death gratuity payments, and therefore have no effect on the amount of the death gratuity provided under this subpart.

(a) A payment provided under section 413 of the Foreign Service Act of 1980 (22 U.S.C. 3973), is a death gratuity payment, and if a deceased employee's survivors received that payment for the
