

locate pertinent records not already in its possession.

(b) Claims for additional impairment or wage-loss benefits under Part E of the Act described in §30.102 will not require any verification of employment by DOE, since OWCP will have made any required findings on this particular issue when it adjudicated the employee's initial claim for benefits.

§30.106 Can OWCP request employment verification from other sources?

(a) For most claims filed under EEOICPA, DOE has access to sufficient factual information to enable it to fulfill its obligations described in §30.105(a). However, in instances where it lacks such information, DOE may arrange for other entities to provide OWCP with the information necessary to verify an employment history submitted as part of a claim. These other entities may consist of either current or former DOE contractors and sub-contractors, atomic weapons employers, beryllium vendors, or other entities with access to relevant employment information.

(b) On its own initiative, OWCP may also arrange for entities other than DOE to perform the employment verification duties described in §30.105(a).

EVIDENCE AND BURDEN OF PROOF

§30.110 Who is entitled to compensation under the Act?

(a) Under Part B of EEOICPA, compensation is payable to the following covered Part B employees, or their survivors:

(1) A "covered beryllium employee" (as described in §30.205(a)) with a covered beryllium illness (as defined in §30.5(o)) who was exposed to beryllium in the performance of duty (in accordance with §30.206).

(2) A "covered Part B employee with cancer" (as described in §30.210(a)).

(3) A "covered Part B employee with chronic silicosis" (as described in §30.220).

(4) A "covered uranium employee" (as defined in §30.5(s)).

(b) Under Part E of EEOICPA, compensation is payable to a "covered Part

E employee" (as defined in §30.5(p)), or his or her survivors.

(c) Any claim that does not meet all of the criteria for at least one of these categories, as set forth in the regulations in this part, must be denied.

(d) All claims for benefits under the Act must comply with the claims procedures and requirements set forth in subpart B of this part before any payment can be made from the Fund.

§30.111 What is the claimant's responsibility with respect to burden of proof, production of documents, presumptions, and affidavits?

(a) Except where otherwise provided in the Act and these regulations, the claimant bears the burden of proving by a preponderance of the evidence the existence of each and every criterion necessary to establish eligibility under any compensable claim category set forth in §30.110. Proof by a preponderance of the evidence means that it is more likely than not that the proposition to be proved is true. Subject to the exceptions expressly provided in the Act and the regulations in this part, the claimant also bears the burden of providing to OWCP all written medical documentation, contemporaneous records, or other records and documents necessary to establish any and all criteria for benefits set forth in these regulations.

(b) In the event that the claim lacks required information or supporting documentation, OWCP will notify the claimant of the deficiencies and provide him or her an opportunity for correction of the deficiencies.

(c) Written affidavits or declarations, subject to penalty for perjury, by the employee, survivor or any other person, will be accepted as evidence of employment history and survivor relationship for purposes of establishing eligibility and may be relied on in determining whether a claim meets the requirements of the Act for benefits if, and only if, such person attests that due diligence was used to obtain records in support of the claim, but that no records exist.

(d) A claimant will not be entitled to any presumption otherwise provided for in these regulations if substantial
