

## § 416.645

## 20 CFR Ch. III (4–1–13 Edition)

### § 416.645 Conservation and investment of benefit payments.

(a) *General.* If payments are not needed for the beneficiary's current maintenance or reasonably foreseeable needs, they shall be conserved or invested on behalf of the beneficiary. Conserved funds should be invested in accordance with the rules followed by trustees. Any investment must show clearly that the payee holds the property in trust for the beneficiary.

*Example:* A State institution for mentally retarded children, which is receiving Medicaid funds, is representative payee for several beneficiaries. The checks the payee receives are deposited into one account which shows that the benefits are held in trust for the beneficiaries. The institution has supporting records which show the share each individual has in the account. Funds from this account are disbursed fairly quickly after receipt for the personal needs of the beneficiaries. However, not all those funds were disbursed for this purpose. As a result, several of the beneficiaries have significant accumulated resources in this account. For those beneficiaries whose benefits have accumulated over \$150, the funds should be deposited in an interest-bearing account or invested relatively free of risk on behalf of the beneficiaries.

(b) *Preferred investments.* Preferred investments for excess funds are U.S. Savings Bonds and deposits in an interest or dividend paying account in a bank, trust company, credit union, or savings and loan association which is insured under either Federal or State law. The account must be in a form which shows clearly that the representative payee has only a fiduciary and not a personal interest in the funds. If the payee is the legally appointed guardian or fiduciary of the beneficiary, the account may be established to indicate this relationship. If the payee is not the legally appointed guardian or fiduciary, the accounts may be established as follows:

(1) For U.S. Savings Bonds—

\_\_\_\_ (Name of beneficiary) \_\_\_\_\_  
(Social Security Number), for whom  
\_\_\_\_ (Name of payee) is representative payee for Supplemental Security Income benefits;

(2) For interest or dividend paying accounts—

\_\_\_\_ (Name of beneficiary) by  
\_\_\_\_ (Name of payee), representative payee.

(c) *Interest and dividend payments.* The interest and dividends which result from an investment are the property of the beneficiary and may not be considered to be the property of the payee.

### § 416.650 When will we select a new representative payee for you?

When we learn that your interest is not served by sending your benefit payment to your present representative payee or that your present payee is no longer able or willing to carry out payee responsibilities, we will promptly stop sending your payment to the payee. We will then send your benefit payment to an alternative payee or directly to you, until we find a suitable payee. We may suspend payment as explained in § 416.611(c) if we find that paying you directly would cause substantial harm and we cannot find a suitable alternative representative payee before your next payment is due. We will terminate payment of benefits to your representative payee and find a new payee or pay you directly if the present payee:

(a) Has been found by us or a court of competent jurisdiction to have misused your benefits;

(b) Has not used the benefit payments on your behalf in accordance with the guidelines in this subpart;

(c) Has not carried out the other responsibilities described in this subpart;

(d) Dies;

(e) No longer wishes to be your payee;

(f) Is unable to manage your benefit payments; or

(g) Fails to cooperate, within a reasonable time, in providing evidence, accounting, or other information we request.

[69 FR 60239, Oct. 7, 2004]

### § 416.655 When representative payment will be stopped.

If a beneficiary receiving representative payment shows us that he or she is mentally and physically able to manage or direct the management of benefit payments, we will make direct payment. Information which the beneficiary may give us to support his or
