(3) An alien who cannot provide evidence of alien status showing lawful admission to the U.S., or an alien with evidence of lawful admission but without authority to work in the U.S., if the evidence described in § 422.107(e) does not exist, but only for a valid nonwork reason. We consider you to have a valid nonwork reason if:

**§ 422.105 Presumption of authority of nonimmigrant alien to engage in employment.**

(a) *General rule.* Except as provided in paragraph (b) of this section, if you are a nonimmigrant alien, we will presume that you have permission to engage in employment if you present a Form I-94 issued by the Department of Homeland Security that reflects a classification permitting work. (See 8 CFR 274a.12 for Form I-94 classifications.) If you have not been issued a Form I-94, or if your Form I-94 does not reflect a classification permitting work, you must submit a current document authorized by the Department of Homeland Security that verifies authorization to work has been granted e.g., an employment authorization document, to enable SSA to issue

an SSN card that is valid for work. (See 8 CFR 274a.12(c)(3).)

(b) *Exception to presumption for foreign academic students in immigration classification F-1.* If you are an F-1 student and do not have a separate DHS employment authorization document as described in paragraph (a) of this section and you are not authorized for curricular practical training (CPT) as shown on your Student and Exchange Visitor Information System (SEVIS) Form I-20, Certificate of Eligibility for Nonimmigrant (F-1) Student Status, we will not presume you have authority to engage in employment without additional evidence. Before we will assign an SSN to you that is valid for work, you must give us proof (as explained in § 422.107(e)(2)) that:

(1) You have authorization from your school to engage in employment, and

(2) You are engaging in, or have secured, employment.

**§ 422.106 Filing applications with other government agencies.**

(a) *Agreements.* In carrying out its responsibilities to assign social security numbers, SSA enters into agreements with the United States Attorney General, other Federal officials, and State and local welfare agencies. An example of these agreements is discussed in paragraph (b) of this section.

(b) *States.* SSA and a State may enter into an agreement that authorizes employees of a State or one of its subdivisions to accept social security number card applications from some individuals who apply for or are receiving welfare benefits under a State-administered Federal program. Under such an agreement, a State employee is also authorized to certify the application to show that he or she has reviewed the required evidence of the applicant's age, identity, and U.S. citizenship. The employee is also authorized to obtain evidence to assist SSA in determining whether the applicant has previously been assigned a number. The employee will then send the application to SSA which will issue a social security number card.
