§ 645.240 What are the reporting requirements for Welfare-to-Work programs?

(a) *General.* State formula and other direct competitive grant recipients must report financial and participant data in accordance with revised instructions that will be issued by the Department after consultation with the Secretary of Health and Human Services, States, and organizations that represent State or local governments. Reports must be submitted to the Department quarterly. Existing WtW financial reporting instructions and formats are available on the WtW web site at <http://wtw.doleta.gov/linkpages/tegltein.htm>. The Internet reporting system for WtW grantees is accessible at <http://www.etareports.doleta.gov>.

(b) *Subrecipient reporting.* A State formula or other direct competitive grant recipient may impose different forms or formats, shorter due dates, and more frequent reporting requirements on subrecipients. However, the recipient is required to meet the reporting requirements imposed by the Department.

(c) *Financial reports.* Each grant recipient must submit financial reports to the Department. Reported expenditures and program income must be on the accrual basis of accounting and cumulative by fiscal year of appropriation. If the recipient's accounting records are not normally kept on the accrual basis of accounting, the recipient must develop accrual information through an analysis of the documentation on hand.

(d) *Participant reports.* Each grant recipient must submit participant reports to the Department. Participant data must be aggregate data, and, for most data elements, must be cumulative by fiscal year of appropriation.

(e) *Due dates.* Financial and participant reports are due no later than 45 days after the end of each quarter. A final financial and participant report is required 90 days after the expiration of a funding period or the termination of grant support.

§ 645.245 Who is responsible for oversight and monitoring of Welfare-to-Work grants?

(a) The Secretary may monitor all recipients and subrecipients of all grants awarded and funds expended under WtW. Federal oversight will be conducted primarily at the State level for formula grants and at the recipient level for competitive grants.

(b) The Governor must monitor local boards (or other approved administrative entities) funded under the State's formula allocated grants on a periodic basis for compliance with applicable laws and regulations. The Governor must develop and make available for review a State monitoring plan.

(1) The WtW grantee is responsible for the resolution of findings that arise from its monitoring reviews, investigations and audits (including OMB Circular A-133 audits) of subrecipients.

(2) A State or competitive grantee, as appropriate, must use the audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.

(3) If a State or competitive grantee, as appropriate, does not have such procedures, it must prescribe standards and procedures for the WtW grant program.

(1) The Secretary is responsible for the resolution of findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and recipient level OMB Circular A-133 audits.

(2) The Secretary will use the DOL audit resolution process, consistent with the Single Audit Act of 1996 and OMB Circular A-133.

(3) A final determination issued by a grant officer pursuant to this process may be appealed to the DOL Office of Administrative Law Judges under the procedures at § 645.800.
