

**§655.1210**

**20 CFR Ch. V (4-1-13 Edition)**

Act or subpart L or M. The determination shall specify any sanctions imposed due to violations. The Administrator shall provide a notice of such determination to the interested parties and shall inform them of the opportunity for a hearing pursuant to §655.1220.

**§655.1210 What penalties and other remedies may the Administrator impose?**

(a) The Administrator may assess a civil money penalty not to exceed \$1,000 per nurse per violation, with the total penalty not to exceed \$10,000 per violation. The Administrator also may impose appropriate remedies, including the payment of back wages, the performance of attested obligations such as providing training, and reinstatement and/or wages for laid off U.S. nurses.

(b) In determining the amount of civil money penalty to be assessed for any violation, the Administrator will consider the type of violation committed and other relevant factors. The matters which may be considered include, but are not limited to, the following:

(1) Previous history of violation, or violations, by the facility under the Act and subpart L or M of this part;

(2) The number of workers affected by the violation or violations;

(3) The gravity of the violation or violations;

(4) Efforts made by the violator in good faith to comply with the Attestation as provided in the Act and subparts L and M of this part;

(5) The violator's explanation of the violation or violations;

(6) The violator's commitment to future compliance, taking into account the public health, interest, or safety; and

(7) The extent to which the violator achieved a financial gain due to the violation, or the potential financial loss or potential injury or adverse effect upon the workers.

(c) The civil money penalty, back wages, and any other remedy determined by the Administrator to be appropriate, are immediately due for payment or performance upon the assessment by the Administrator, or the de-

cision by an administrative law judge where a hearing is requested, or the decision by the Secretary where review is granted. The facility must remit the amount of the civil money penalty, by certified check or money order made payable to the order of "Wage and Hour Division, Labor." The remittance must be delivered or mailed to the Wage and Hour Division Regional Office for the area in which the violation(s) occurred. The payment of back wages, monetary relief, and/or the performance or any other remedy prescribed by the Administrator will follow procedures established by the Administrator. The facility's failure to pay the civil money penalty, back wages, or other monetary relief, or to perform any other assessed remedy, will result in the rejection by ETA of any future Attestation submitted by the facility until such payment or performance is accomplished.

(d) The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended (28 U.S.C. 2461 note), requires that inflationary adjustments to civil money penalties in accordance with a specified cost-of-living formula be made, by regulation, at least every four years. The adjustments are to be based on changes in the Consumer Price Index for all Urban Consumers (CPI-U) for the U.S. City Average for All Items. The adjusted amounts will be published in the FEDERAL REGISTER. The amount of the penalty in a particular case will be based on the amount of the penalty in effect at the time the violation occurs.

**§655.1215 How are the Administrator's investigation findings issued?**

(a) The Administrator's determination, issued under §655.1205(d), shall be served on the complainant, the facility, and other interested parties by personal service or by certified mail at the parties' last known addresses. Where service by certified mail is not accepted by the party, the Administrator may exercise discretion to serve the determination by regular mail. Where the complainant has requested confidentiality, the Administrator shall serve the determination in a manner which will not breach that confidentiality.
