

medical benefits when a carrier becomes insolvent and such obligations are not otherwise fully secured by a State guaranty fund. Any gap in State guaranty fund coverage will have a direct effect on the amount of security the Office will require a carrier to post. As used in this subpart, the terms "obligations under the Act" and "LHWCA obligations" mean a carrier's liability for compensation payments and medical benefits arising under the Longshore and Harbor Workers' Compensation Act and any of its extensions.

**§ 703.202 Identification of significant gaps in State guaranty fund coverage for LHWCA obligations.**

(a) In determining the amount of a carrier's required security deposit, the Office will consider the extent to which a State guaranty fund secures the insurance carrier's LHWCA obligations in that State. When evaluating State guaranty funds, the Office may consider a number of factors including, but not limited to—

- (1) Limits on weekly benefit amounts;
- (2) Limits on aggregate maximum benefit amounts;
- (3) Time limits on coverage;
- (4) Ocean marine exclusions;
- (5) Employer size and viability provisions; and
- (6) Financial strength of the State guaranty fund itself.

(b) OWCP will identify States without guaranty funds and States with guaranty funds that do not fully and immediately secure LHWCA obligations and will post its findings on the Internet at <http://www.dol.gov/owcp/dlhwc>. These findings will indicate the extent of any partial or total gap in coverage provided by a State guaranty fund, and they will be open for inspection and comment by all interested parties. If the extent of coverage a particular State guaranty fund provides either cannot be determined or is ambiguous, OWCP will deem one third (33⅓ percent) of a carrier's LHWCA obligations in that State to be unsecured. OWCP will revise its findings from time to time, in response to substantiated public comments it receives or

for any other reasons it considers relevant.

**§ 703.203 Application for security deposit determination; information to be submitted; other requirements.**

(a) Each insurance carrier authorized by OWCP to write insurance under the LHWCA or any of its extensions, and each insurance carrier seeking initial authorization to write such insurance, must apply annually, on a schedule set by OWCP, for a determination of the extent of its unsecured obligations and the security deposit required. The application must be addressed to the Branch of Financial Management and Insurance (Branch) within OWCP's Division of Longshore and Harbor Workers' Compensation, and be made on a form provided by OWCP. The application must contain the following:

(1) Any carrier seeking an exemption from the security deposit requirements based on its financial standing (*see* § 703.204(c)(1)) must submit documentation establishing the carrier's current rating and its rating for the immediately preceding year from each insurance rating service designated by the Branch and posted on the Internet at <http://www.dol.gov/owcp/dlhwc>.

(2) All other carriers, and any carrier whose exemption request under paragraph (a)(1) of this section has been denied, must provide—

(i) A statement of the carrier's outstanding liabilities under the LHWCA or any of its extensions for its LHWCA obligations for each State in which the obligations arise; and

(ii) Any other information the Branch requests to enable it to give the application adequate consideration including, but not limited to, the reports set forth at § 703.212.

(b) If the carrier disagrees with any of OWCP's findings regarding State guaranty funds made under § 703.202(b) as they exist when it submits its application, the carrier may submit a statement of its unsecured obligations based on a different conclusion regarding the extent of coverage afforded by one or more State guaranty funds. The carrier must submit evidence and/or argument
