§ 232.11 Establishment and maintenance of long-term debt service reserve account.

(a) To be eligible for insurance under this part, and except with respect to Supplemental Loans to Finance Purchase and Installation of Fire Safety Equipment (subpart C of this part), if HUD determines the mortgage presents an atypical long-term risk, HUD may require that the borrower establish, at final closing and maintain throughout the term of the mortgage, a long-term debt service reserve account.

(b) The long-term debt service reserve account, if required, may be financed as part of the initial mortgage amount, provided that the maximum mortgage amount as otherwise calculated is not thereby exceeded.

(c) The amount required to be initially placed in the long-term debt service reserve account and the minimum long-term balance to be maintained in that account will be determined during underwriting and separately identified in the firm commitment. Although HUD may, when appropriate to avert a mortgage insurance claim, permit the balance to fall below the required minimum long-term balance, the borrower may not take any distribution of mortgaged property except when both the long-term debt service reserve account is funded at the minimal long-term level and such distribution is otherwise permissible.

§ 232.254 Withdrawal of project funds, including for repayments of advances from the borrower, operator, or management agent.

Borrower may make and take distributions of mortgaged property, as set forth in the mortgage loan transactional documents, to the extent and as permitted by the law of the applicable jurisdiction, provided that, upon each calculation of borrower surplus cash (as defined by HUD), which calculation shall be made no less frequently than semi-annually, borrower must demonstrate positive surplus cash, or to the extent surplus cash is negative, repay any distributions taken during such calculation period within 30 calendar days unless a longer time period is approved by HUD. Borrower shall be deemed to have taken distributions to the extent that surplus cash is negative unless, in conjunction with the calculation of surplus cash, borrower provides to HUD documentation evidencing, to HUD's reasonable satisfaction, a lesser amount of total distributions. To the extent that the provisions of this section are inconsistent with the provisions in a borrower's existing transactional loan documents, including without limitation any HUD-required regulatory agreement, the provisions of the transactional loan documents shall apply.
