

§ 266.315

(d) *Requirements applicable to both periodic advances and insurance upon completion cases—(1) Inspections.* The HFA must inspect projects under this part at such times during construction, substantial rehabilitation, or repairs as the HFA determines. The inspections must be conducted to assure compliance with plans and specifications, work write-ups, and other contract documents.

(2) *Approval of advances.* At all times, the loan must be kept in balance, and advances approved only if warranted by construction progress evidenced through HFA inspection, as well as in accord with plans, specifications, work write-ups and other contract documents. In approving advances, HFAs must make certain that other mortgageable items are supported with proper bills and/or receipts before funds can be approved and advanced for insurance.

(3) *Cost certification.* In order to ensure that the final amount for insurance is supported by certified costs:

(i) The mortgagor (and general contractor, if there is an identity of interest with the mortgagor) must execute a certificate of actual costs, in a form acceptable to the HFA, when all physical improvements are completed to the satisfaction of the HFA and before final endorsement; and

(ii) The cost certification provided by the mortgagor must be audited by an independent public accountant.

(4) *Contestability.* Although the HFA has authority to approve the mortgagor's (and general contractor's) certification of cost, the certification will be contestable by the Commissioner during the period up to and including final endorsement of the mortgage. After final endorsement, the certification will be final and incontestable except for fraud or material misrepresentation on the part of the mortgagor (and/or general contractor).

(5) *Assurance of completion.* The mortgagor must furnish assurance of completion of the project in accordance with any requirements of the HFA as to form and amount.

(6) *Latent defects escrow.* The mortgagor must furnish an escrow or other form of assurance required by the HFA to ensure that latent defects can be

The mortgagor and the builder, if there is an identity of interest with the mortgagor, shall keep and maintain records of all costs of any construction or other cost items not representing work under the general contract and to make available such records for review by the HFA or HUD, if requested.

§ 266.405 Title.

(a) *Eligibility of title.* Marketable title to the mortgaged property must be vested in the mortgagor on the date the mortgage is filed for record.
