### Subpart B—Bond-Type Securities

#### § 320.21 General.

In addition to the “pass-through” securities dealt with in subpart A of this part, the Association is authorized by section 306(g) of the National Housing Act, 12 U.S.C. 1721(g), upon such terms and conditions as it may deem appropriate, to guarantee the timely payment of principal of and interest on “bond-type” securities which are based on and backed by a trust or pool composed of mortgages which are insured or guaranteed by FHA, FmHA or the VA. The Association's guaranty of mortgage-backed securities is backed by the full faith and credit of the United States. This subpart deals with such “bond-type” securities and does not purport to set forth all the procedures and requirements that apply to the issuance and guaranty of such securities. All such transactions are governed by the specific terms and provisions of the contracts entered into by the parties and the Bond-Type Securities Guide (the “Bond Guide”).

#### § 320.23 Eligible issuers.

Any corporation, trust, partnership, or other entity with a net worth acceptable to the Association as set forth in the Bond Guide, which has the capability to assemble acceptable and eligible mortgages in sufficient quantity to support required minimum issuances of securities and which meets such other requirements as are set forth in the Bond Guide, may be approved to issue and service bond-type securities guaranteed by the Association. Further, the Association reserves the right to limit the number of issuers in the interest of conducting an orderly market of securities of this type.

#### § 320.25 Securities.

(a) *Instruments.* Securities to be issued pursuant to the provisions of this subpart B may be in registered or bearer form. Each security shall have terms acceptable to the Association as provided in the Bond Guide.

(b) *Issue amount.* Each issue of guaranteed securities must be in a minimum face amount as specified in the Bond Guide. The total face amount of any issue of securities cannot exceed

the aggregate unpaid principal balances of the mortgages in the pool.

(c) *Face amount of securities.* The face amount of any security cannot be less than \$25,000.

(d) *Transferability.* Bearer securities are freely transferrable. Registered securities are transferable only on the books of an agent, as shall be agreed upon by the Association and the issuer.

(e) *Treasury approval.* Issues of \$100 million or larger will be subject to approval of the Secretary of the Treasury.

#### § 320.27 Mortgages.

Guaranteed securities issued under these provisions must be based on and backed by mortgages pooled under trust arrangements satisfactory to the Association. Such mortgages must meet the requirements of the Bond Guide.

#### § 320.29 Guaranty.

With respect to bond-type securities, the Association will guarantee the timely payment of principal of and interest on such securities, subject to the terms and conditions of the securities. The Association's guaranty is backed by the full faith and credit of the United States.

#### § 320.31 Default.

Upon default of the issuer, the Association has the right, pursuant to section 306(g) of the National Housing Act (12 U.S.C. 1721(g)), to take title to the mortgages and other assets that are subject to the trust arrangements, and to proceed against other assets of the issuer to the extent necessary to satisfy its own claims and the rights of the holders of securities then outstanding. Such action by the Association shall be taken subject to an accounting to the issuer.

#### § 320.33 Fees.

The Association may impose application and guaranty fees, which may vary with relation to the size or risk of the guaranty transaction undertaken.
