

§ 578.19

(4) If the calculation in paragraph (a)(2) of this section results in an amount less than the amount required to renew all projects eligible for renewal in that year for at least one year, after making adjustments proportional to increases in fair market rents for the geographic area for leasing, operating, and rental assistance for permanent housing, HUD will reduce, proportionately, the total amount required to renew all projects eligible for renewal in that year for at least one year, for each Continuum of Care. HUD will publish, via the NOFA, the total dollar amount that every Continuum will be required to deduct from renewal projects Continuum-wide.

(b) *Calculating a Continuum of Care's maximum award amount.* (1) *Establish the PPRN amount.* First, HUD will total the PPRN amounts for each metropolitan city, urban county, other county, and insular area claimed by the Continuum as part of its geographic area, excluding any counties applying for or receiving funding from the Rural Housing Stability Assistance program under 24 CFR part 579.

(2) *Establishing renewal demand.* Next, HUD will determine the renewal demand within the Continuum's geographic area. Renewal demand is the sum of the annual renewal amounts of all projects within the Continuum eligible to apply for renewal in that fiscal year's competition, before any adjustments to rental assistance, leasing, and operating line items based on FMR changes.

(3) *Establishing FPRN.* The higher of PPRN or renewal demand for the Continuum of Care is the FPRN, which is the base for the maximum award amount for the Continuum.

(4) *Establishing the maximum award amount.* The maximum award amount for the Continuum is the FPRN amount plus any additional eligible amounts for Continuum planning; UFA costs; adjustments to leasing, operating and rental assistance line items based on changes to FMR; and available bonuses.

§ 578.19 Application process.

(a) *Notice of Funding Availability.* After enactment of the annual appropriations act for the fiscal year, HUD

24 CFR Ch. V (4-1-13 Edition)

will issue a NOFA in accordance with the requirements of 24 CFR part 4.

(b) *Applications.* All applications to HUD, including applications for grant funds and requests for designation as a UFA or HPC, must be submitted at such time and in such manner as HUD may require, and contain such information as HUD determines necessary. At a minimum, an application for grant funds must contain a list of the projects for which it is applying for funds; a description of the projects; a list of the projects that will be carried out by subrecipients and the names of the subrecipients; a description of the subpopulations of homeless or at risk of homelessness to be served by projects; the number of units to be provided and/or the number of persons to be served by each project; a budget request by project; and reasonable assurances that the applicant, or the subrecipient, will own or have control of a site for the proposed project not later than the expiration of the 12-month period beginning upon notification of an award for grant assistance.

§ 578.21 Awarding funds.

(a) *Selection.* HUD will review applications in accordance with the guidelines and procedures provided in the NOFA and will award funds to recipients through a national competition based on selection criteria as defined in section 427 of the Act.

(b) *Announcement of awards.* HUD will announce awards and notify selected applicants of any conditions imposed on awards. Conditions must be satisfied before HUD will execute a grant agreement with the applicant.

(c) *Satisfying conditions.* HUD will withdraw an award if the applicant does not satisfy all conditions imposed on it. Correcting all issues and conditions attached to an award must be completed within the time frame established in the NOFA. Proof of site control, match, environmental review, and the documentation of financial feasibility must be completed within 12 months of the announcement of the award, or 24 months in the case of funds for acquisition, rehabilitation, or new construction. The 12-month deadline may be extended by HUD for up to 12 additional months upon a showing of

compelling reasons for delay due to factors beyond the control of the recipient or subrecipient.

§ 578.23 Executing grant agreements.

(a) *Deadline.* No later than 45 days from the date when all conditions are satisfied, the recipient and HUD must execute the grant agreement.

(b) *Grant agreements.* (1) *Multiple applicants for one Continuum.* If a Continuum designates more than one applicant for the geographic area, HUD will enter into a grant agreement with each designated applicant for which an award is announced.

(2) *One applicant for a Continuum.* If a Continuum designates only one applicant for the geographic area, after awarding funds, HUD may enter into a grant agreement with that applicant for new awards, if any, and one grant agreement for renewals, Continuum of Care planning, and UFA costs, if any. These two grants will cover the entire geographic area. A default by the recipient under one of those grant agreements will also be a default under the other.

(3) *Unified Funding Agencies.* If a Continuum is a UFA that HUD has approved, then HUD will enter into one grant agreement with the UFA for new awards, if any, and one grant agreement for renewals, Continuum of Care planning and UFA costs, if any. These two grants will cover the entire geographic area. A default by the UFA under one of those grant agreements will also be a default under the other.

(c) *Required agreements.* Recipients will be required to sign a grant agreement in which the recipient agrees:

(1) To ensure the operation of the project(s) in accordance with the provisions of the McKinney-Veto Act and all requirements under 24 CFR part 578;

(2) To monitor and report the progress of the project(s) to the Continuum of Care and HUD;

(3) To ensure, to the maximum extent practicable, that individuals and families experiencing homelessness are involved, through employment, provision of volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating facilities for the project and in providing supportive services for the project;

(4) To require certification from all subrecipients that:

(i) Subrecipients will maintain the confidentiality of records pertaining to any individual or family that was provided family violence prevention or treatment services through the project;

(ii) The address or location of any family violence project assisted under this part will not be made public, except with written authorization of the person responsible for the operation of such project;

(iii) Subrecipients will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;

(iv) In the case of projects that provide housing or services to families, that subrecipients will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;

(v) The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and

(vi) Subrecipients will provide information, such as data and reports, as required by HUD; and

(5) To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the recipient is a UFA;

(6) To monitor subrecipient match and report on match to HUD;

(7) To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;
