Title 24
Housing and Urban Development
Parts 500 to 699

Revised as of April 1, 2013

Containing a codification of documents
of general applicability and future effect

As of April 1, 2013

Published by the Office of the Federal Register
National Archives and Records Administration
as a Special Edition of the Federal Register
U.S. GOVERNMENT OFFICIAL EDITION NOTICE

Legal Status and Use of Seals and Logos

The seal of the National Archives and Records Administration (NARA) authenticates the Code of Federal Regulations (CFR) as the official codification of Federal regulations established under the Federal Register Act. Under the provisions of 44 U.S.C. 1507, the contents of the CFR, a special edition of the Federal Register, shall be judicially noticed. The CFR is prima facie evidence of the original documents published in the Federal Register (44 U.S.C. 1510).

It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

Use of ISBN Prefix

This is the Official U.S. Government edition of this publication and is herein identified to certify its authenticity. Use of the 0–16 ISBN prefix is for U.S. Government Printing Office Official Editions only. The Superintendent of Documents of the U.S. Government Printing Office requests that any reprinted edition clearly be labeled as a copy of the authentic work with a new ISBN.

Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 24 CFR 510.1 refers to title 24, part 510, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16..........................as of January 1
Title 17 through Title 27..............................as of April 1
Title 28 through Title 41..............................as of July 1
Title 42 through Title 50..............................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2013), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:
(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

INQUIRIES

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

For inquiries concerning CFR reference assistance, call 202-741-6000 or write to the Director, Office of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6901 or e-mail fedreg.info@nara.gov.

SALES

The Government Printing Office (GPO) processes all sales and distribution of the CFR. For payment by credit card, call toll-free, 866-512-1800, or DC area, 202-512-1800, M-F 8 a.m. to 4 p.m. e.s.t. or fax your order to 202-512-2104, 24 hours a day. For payment by check, write to: US Government Printing Office – New Orders, P.O. Box 979050, St. Louis, MO 63197-9000.

ELECTRONIC SERVICES

The full text of the Code of Federal Regulations, the LSA (List of CFR Sections Affected), The United States Government Manual, the Federal Register, Public Laws, Public Papers of the Presidents of the United States, Compilation of Presidential Documents and the Privacy Act Compilation are available in electronic format via www.ofr.gov. For more information, contact the GPO Customer Contact Center, U.S. Government Printing Office. Phone 202-512-1800, or 866-512-1800 (toll-free), E-mail, ContactCenter@gpo.gov.

CHARLES A. BARTH,
Director,
Office of the Federal Register.
April 1, 2013.
Title 24—Housing and Urban Development is composed of five volumes. The first four volumes containing parts 0–199, parts 200–499, parts 500–699, parts 700–1699, represent the regulations of the Department of Housing and Urban Development. The fifth volume, containing part 1700 to end, continues with regulations of the Department of Housing and Urban Development and also includes regulations of the Board of Directors of the Hope for Homeowners Program, and the Neighborhood Reinvestment Corporation. The contents of these volumes represent all current regulations codified under this title of the CFR as of April 1, 2013.

For this volume, Michele Bugenhagen was Chief Editor. The Code of Federal Regulations publication program is under the direction of Michael L. White, assisted by Ann Worley.

PART 510—SECTION 312 REHABILITATION LOAN PROGRAM

§ 510.1 Multi-family property loans.
(a) In cases in which a corporation is a borrower on a section 312 loan, the Assistant Secretary for CPD or his designee may require an officer of the corporation or a principal stockholder to personally guarantee the section 312 loan or to cosign the loan note as a borrower, where necessary to make the finding of acceptable risk required for assumption of the loan.
(b) All partners of any partnership which is a borrower on a section 312 loan shall be personally liable for repayment of the section 312 loan. Limited partners shall assume personal liability by co-signing the loan note as a borrower or by personally guaranteeing the loan.
(c) Any personal guarantee or endorsement shall not relieve the partnership or corporate borrower from securing the section 312 loan by a mortgage or deed of trust on the property to be rehabilitated.

§ 511.1 Applicability and purpose.
(a) This part implements the Rental Rehabilitation Program (RRP) contained in section 17 of the United States Housing Act of 1937, as amended (the “Act”). As more fully described in this part, the Act authorizes the Secretary of Housing and Urban Development to make rental rehabilitation...
§ 511.2 Definitions.

The terms HUD and Public Housing Agency (PHA) are defined in 24 CFR part 5.

Administrative costs means eligible administrative costs as described in §511.71.

C/MI System means the Cash and Management Information System for drawdown of Rental Rehabilitation grant amounts and collection of program information described in §511.75.

Certificate means the document issued by a PHA to a family eligible for participation in the tenant-based Section 8 Certificate Program under 24 CFR part 882.
judgment complies with the requirements of this part (including the rehabilitation standards adopted under §511.10(e)); the final drawdown has been disbursed for the project; for projects that were publicly owned when commitment occurred, the project has been legally transferred to a private owner; and a Project Completion Report has been submitted and processed in the C/MI System as prescribed by HUD.

Family means a "family" as defined at 24 CFR 812.2.

Grantee means—
(a) Any city, urban county, or approved consortium receiving a grant on the basis of the formula contained in subpart D of this part;
(b) Any State administering a rental rehabilitation program, as provided in §511.51; and
(c) Any unit of general local government receiving a rental rehabilitation grant from HUD, as provided in §511.52.

Housing voucher means the document issued by a PHA to a family eligible for participation in the Section 8 Housing Voucher Program under 24 CFR part 887.

Low-income family means a low-income family, as defined in 24 CFR 813.102.

Manufactured housing means a dwelling unit which meets the requirements of §511.11(c)(4).

Owner means one or more individuals, corporations, partnerships, or other privately-controlled legal entities that hold valid legal title to the project to be rehabilitated.

Project means an entire building (including a manufactured housing unit), or two or more contiguous buildings under common ownership and management, to be rehabilitated with a rental rehabilitation grant, under a commitment by the owner, as a single undertaking under this part.

Rents affordable to low-income families means that the sum of the utility allowance and the rent payable monthly to the owner with respect to a unit is at or below the applicable fair market rent published under 24 CFR part 886 for the Section 8 Certificate Program (24 CFR part 882) or at or below such higher maximum Gross Rent as approved by HUD for units of a given size or type under 24 CFR 882.106(a)(3). In the case of cooperative or mutual housing, rent means the occupancy charges under the occupancy agreement between the members and the cooperative.

State includes any of the 50 States and the Commonwealth of Puerto Rico.

State recipient means any unit of general local government to which a State distributes rental rehabilitation grant amounts, as provided in §511.51(a)(2) and (a)(3).

Unit or dwelling unit means a residential space that qualifies under the laws of the State and locality and under this part as a place of permanent habitation or abode for a family, including an apartment or house that contains a living room, kitchen area, sleeping area, and bathroom(s), or such other definition as may be proposed by a grantee and approved by HUD under this part. The HUD Field Office may approve congregate housing units meeting the requirements of 24 CFR 882.109(m) or single room occupancy units meeting the requirements of 24 CFR 882.109(p) as zero bedroom units for purposes of this part.

Unit of general local government means any city, county, town, township, parish, village, or other general purpose political subdivision of a State.

Urban county means a county that was classified as an urban county under section 102(a)(6) of the Housing and Community Development Act of 1974, as amended, for the fiscal year immediately preceding the fiscal year for which rental rehabilitation grant amounts are made available.

Utility allowance means the amount determined by a PHA under 24 CFR part 882 for the cost of utilities (except telephones) and other housing services that is not included in the rent payable to the owner, but is the responsibility of the family occupying the unit.

Very low income family means a very low income family, as defined in 24 CFR 813.102.
§ 511.10 Grant requirements.

A rental rehabilitation program shall comply with the following requirements:

(a) Lower income benefit—(1) 100 percent benefit standard. Except as provided in paragraphs (a)(2) and (a)(3) of this section, all rental rehabilitation grant amounts must be used for the benefit of low-income families.

(2) Reduction to 70 percent benefit standard. The 100 percent benefit standard will be reduced to 70 percent if the grantee certifies in its Program Description under § 511.20 (or thereafter in a written amendment to its grant agreement) that:

(i) The reduction is necessary to meet one or both of the following objectives:

(A) To minimize the displacement of tenants in projects to be rehabilitated; or

(B) To provide a reasonable margin for error due to unforeseen, sudden changes in neighborhood rent or for other reasonable contingencies;

(ii) A rental rehabilitation program that meets the 100 percent benefit standard cannot be developed; and

(iii) The public has been consulted regarding this inability.

(3) Reduction to 50 percent benefit standard. The benefit standard will be reduced to not less than 50 percent only in extraordinary circumstances approved by HUD. Approval may be granted at the request of the grantee before undertaking any project that will have the effect of reducing the benefit for low-income families for the grantee’s program below 70 percent, only where HUD determines that a reduction is necessary to meet an important community need and that the net program impact will strongly favor low-income families. Approval may be granted thereafter only where HUD determines that the grantee made reasonable efforts to meet the higher benefit standard, but was unable to do so because of circumstances beyond its control.

(b) Use of rental rehabilitation grants for housing for families. (1) Each grantee shall ensure that an equitable share of rental rehabilitation grant amounts will be used to assist in the provision of housing designed for occupancy by families with children, particularly families requiring three or more bedrooms. HUD will assure that on a national basis at least 15 percent of each year’s rental rehabilitation grant amounts (excluding those grant amounts expended for administrative costs under § 511.71) are used to rehabilitate units containing three or more bedrooms. HUD reserves the right prospectively to establish three or more bedroom unit targets for individual grantees if the national goal is in danger of not being met, or if HUD finds that a grantee’s production of three or more bedroom units is significantly below that of grantees in similar circumstances. In addition, at least 70 percent of each grantee’s annual rental rehabilitation grant must be used to rehabilitate units containing two or more bedrooms. HUD may approve a lower percentage standard submitted by the grantee in its Program Description under § 511.20, or thereafter, based on HUD’s determination that the lower standard is justified by factors such as a short waiting list of large families requiring assistance or the nature of the housing stock available for rehabilitation.

(2) If a unit of general local government has an ordinance which requires rehabilitation to meet seismic standards, the grantee may use up to the full amount of its annual rental rehabilitation grant for Federal Fiscal Year 1988 and later years (including reallocations under § 511.33(b) of funds for the same fiscal year) without regard to the requirements of paragraph (b)(1) of this section, but only to the extent it uses such grant amounts to rehabilitate projects to meet the seismic standards required by the local ordinance and to the extent these units in the rehabilitated project are initially occupied after rehabilitation by very low income families will be considered to occur only where dwelling units in projects rehabilitated with rental rehabilitation grants are initially occupied by such families after rehabilitation.
families. The grantee or State recipient shall identify as prescribed by HUD in reports required under the C/MI System projects which have been rehabilitated to meet the requirements of a local seismic standards ordinance and contain units which are initially occupied by very low income families after rehabilitation. In determining compliance with paragraph (b)(1) of this section for annual grants under which one or more projects have been rehabilitated to meet the requirements of a local seismic standards ordinance, based on the grantee’s or State recipient’s reports, HUD will:

(i) Calculate the maximum rental rehabilitation grant amount permissible under §511.11(e)(2)(i) for the project(s) rehabilitated to meet seismic standards;

(ii) Calculate the maximum permissible rental rehabilitation grant amount for the 0 to 1 bedroom units in such project(s) initially occupied by very low income families after rehabilitation;

(iii) Divide the amount calculated in §511.10(b)(2)(ii) by the amount calculated in §511.10(b)(2)(i);

(iv) Multiply the quotient in §511.10(b)(2)(iii) by the actual rental rehabilitation grant amount expended for the project; and

(v) Deduct the product in §511.10(b)(2)(iv) from the amount of the grantee’s annual rental rehabilitation grant. The grantee will be required to meet the 70 percent, or other approved level, under this §511.10(b) only as to the amount of its annual grant remaining after making the foregoing deduction.

(c) Selection of neighborhoods—(1) Neighborhood median income and area. Rental rehabilitation grants shall only be used to assist the rehabilitation of projects located in neighborhoods where the median family income does not exceed 80 percent of the median family income for the area. For purposes of paragraph (c) of this section, neighborhood means an area (as determined by the grantee or, as appropriate, the State recipient) that surrounds a project and tends to determine, along with the condition and quality of the project and the dwelling units therein, the rents that are charged for such units. A neighborhood must have a median family income that does not exceed 80 percent of the median family income for the Metropolitan Statistical Area (MSA) in which it is located, or, in the case of a neighborhood not within an MSA, a median family income that does not exceed 80 percent of the median family income for the State’s non-metropolitan areas, or at the grantee’s option, the non-metropolitan county in which the neighborhood is located.

(2) Neighborhood rent affordability. Rental rehabilitation grant amounts shall only be used to assist the rehabilitation of projects located in neighborhoods in which—

(i) The rents for standard units are generally affordable to low-income families at the time of the selection of the neighborhood; and

(ii) The character of the neighborhood indicates that the rents are not likely to increase at a rate significantly greater than the rate for rent increases that can reasonably be anticipated to occur in the market area for the 5-year period following the selection of the neighborhood.

(d) [Reserved]

(e) Rehabilitation standards. Each grantee or State recipient shall adopt written rehabilitation standards with which each assisted project must comply after rehabilitation. At a minimum, such standards shall require that after rehabilitation each unit in the entire project must meet the Section 8 Housing Quality Standards for Existing Housing contained at 24 CFR 882.109.

(f) Eligible project costs. Eligible project costs include only:

(i) The actual rehabilitation costs necessary to:

(ii) Correct substandard conditions, as reasonably defined by the grantee in its rehabilitation standards adopted under §511.10(e); and

(ii) Make essential improvements, as reasonably defined by the grantee or State recipient in its rehabilitation standards adopted under §511.10(e), including energy-related repairs, improvements necessary to permit the use of rehabilitated projects by handicapped persons, and activities of lead
§511.10

based paint hazards, as required by part 35 of this title;

(iii) Repair major housing systems in danger of failure, as reasonably defined by the grantee or State recipient in its rehabilitation standards under §511.10(e); and

(2) Other costs (soft costs) that are associated with the rehabilitation or rehabilitation financing; are not for services provided or costs incurred by the grantee, State recipient, or the PHA; and are not paid for as administrative costs under §511.71. Such costs may include (but are not limited to):

(i) Architectural, engineering or related professional services required in the preparation of rehabilitation plans and drawings or writeups;

(ii) Costs of processing and settling the financing for a project, such as private lender origination fees, credit reports, fees for title evidence, fees for recordation and filing of legal documents, building permits, attorneys’ fees, private appraisal fees and fees for an independent rehabilitation cost estimate;

(iii) Relocation payments made to tenants who are displaced by the rehabilitation activities; and

(iv) Costs for the owner to provide information services to tenants as required by §§511.13(b), 511.14 (a)(3) and (a)(4), and 511.15(b).

3(i) Rehabilitation eligible under §511.10(f)(1) is limited to work done after the commitment to the project (as defined in §511.2) is made, except to the extent that such costs also meet all of the following conditions:

(A) Prior to undertaking any rehabilitation before the project is committed in the C/MI System (hereafter called “precommitment rehabilitation”), the owner and grantee or State recipient agree in writing to include such rehabilitation costs in the project cost, if and when the payment is approved for assistance under this part;

(B) The precommitment rehabilitation costs meet all other requirements of this part, including compliance with the other Federal requirements cited in §511.16, where applicable. In particular, HUD approval of the grantee’s certification of completion of environmental responsibilities, when required under 24 CFR part 58, must occur prior to execution of the written agreements to include the costs; and

(C) The precommitment rehabilitation costs were incurred by the owner after the date of the Appropriation Act which made available the grant amounts for the project in question.

(ii) Other project-related costs eligible under §511.10(f)(2) are also limited to those costs incurred after the commitment to the project is made by the grantee or State recipient and the project is set up in the C/MI System, except to the extent such costs also meet all of the following conditions:

(A) The grantee or State recipient and the owner agreed in writing before the costs were incurred that such costs could be included in the project cost, if and when the project was approved for assistance under this part, or the grantee specifically agrees in writing to include such costs in the project cost on or before the date the project is set up in the C/MI System;

(B) The costs also meet the conditions stated in §511.10(f)(3)(i)(B) and §511.10(f)(3)(i)(C).

(4) For projects where the owner or other individuals are performing some or all of the rehabilitation work without compensation (to the extent permitted by §511.16(a)):

(i) If the owner is not a practicing, licensed contractor, rehabilitation costs eligible under §511.10(f)(1) are limited to the cost of materials purchased by the owner and used on the project and the cost of other eligible work performed by practicing, licensed contractors, subcontractors or tradesmen on the project.

(ii) If the owner is a practicing, licensed contractor, then eligible project costs may include an amount, in addition to that permitted under paragraph (f)(4)(i) of this section, for the contractor’s paid labor, overhead and profit, similar in amount to what these items would be if the work were being performed on a project that was not owned by the contractor.

(iii) Under either paragraph (f)(4)(i) or (f)(4)(ii) of this section, donated labor or work is not part of eligible project cost.

(g) Project selection priorities—(1) Projects with units occupied by very low income families. While the program can
be used for rehabilitating both occupied and vacant units, the grantee shall assure that priority is given to the selection of projects containing units that do not meet the rehabilitation standards adopted under §511.10(e) and which are occupied by very low income families before rehabilitation.

(2) Units that are accessible to the handicapped. As stated in 24 CFR 8.30, the grantee shall, subject to the priority in §511.10(g)(1) and in accordance with other requirements in this part, give priority to the selection of projects that will result in dwelling units being made readily accessible to and usable by individuals with handicaps.

(Approved by the Office of Management and Budget under control numbers 2506-0110, 2506-0078, 2506-0080)

§511.11 Project requirements.

(a) Rehabilitation. To receive assistance under this part, a project must require rehabilitation, measured by whether the project before the assisted rehabilitation does not meet the rehabilitation standards under §511.10(e). If a project is terminated before completion of rehabilitation (as defined in §511.2), whether voluntarily by the grantee or otherwise, amounts equal to the rental rehabilitation grant amounts already dispersed for the project under the C/MI System are not eligible project costs, whether or not the grantee has already expended such grant amounts to pay for project costs. If such amount is not repaid, the grantee may be subject to corrective and remedial actions under §511.82.

(b) Primarily residential rental use. Rental rehabilitation grants shall only be used to rehabilitate projects to be used for “primarily residential rental” use. For purposes of this part, a project is used for primarily residential rental purposes if at least 51 percent of the rentable floor space of the project is used for residential rental purposes after rehabilitation, except that in the case of a two-unit building, at least 50 percent of the rentable floor space after rehabilitation must be used for residential rental purposes after rehabilitation. “Primarily residential rental” use also includes cooperative or mutual housing that has a resale structure that enables the cooperative to maintain rents affordable to low-income families.

(c) Privately owned real property—(1) General. Rental rehabilitation grant amounts shall only be used for eligible costs of projects that are in private ownership at the time the commitment is made to a specific local project, as defined in §511.2, or projects that are publicly owned at commitment which meet the requirements in §511.11(c)(2).

(2) Publicly owned project at the time of commitment. Rental rehabilitation grant amounts may be used to assist publicly owned projects under the following conditions:

(I)(A) For a publicly owned project where the commitment to a specific local project occurs on or after December 22, 1989, the grantee or State recipient—taking into consideration: the size of the project; the complexity of the rehabilitation; the anticipated time necessary to identify, and transfer to, an eligible private owner; and other relevant factors—must determine that it will commence rehabilitation within 90 days of commitment under the C/MI System, and that rehabilitation will be completed and the project transferred to an eligible private owner within the two years and 90 days from the date of commitment in the C/MI system or the time remaining under §511.33(c) for expenditure of the rental rehabilitation grant amounts committed to the project, whichever is shorter. The Project Completion Report under the C/MI System identifying the private entity to which ownership has been transferred shall be submitted within 90 days of the final draw, but not later than two years and 90 days after the date of commitment.

(B) For a publicly owned project where the commitment to a specific local project occurred before December 22, 1989, the grantee or State recipient—taking into consideration: the size of the project; the complexity of the rehabilitation; the anticipated time necessary to identify, and transfer to, an eligible private owner; and other relevant factors—must determine that the rehabilitation will be completed
and the project transferred to an eligible private owner within the time remaining for expenditure of the rental rehabilitation fiscal year grant amounts proposed to be used for the project in accordance with §511.33(c) before drawing down rental rehabilitation grant amounts for the project. The Project Completion Report identifying the private entity to which ownership has been transferred shall be submitted within 90 days of the final draw.

(ii) If the grants or State recipient fails to complete the rehabilitation, transfer the property to an eligible private owner (which includes obtaining the agreements from the new owner required by this part, including §511.11(d)), and submit the Project Completion Report within the allowable period, then HUD will suspend the grantee’s and/or the State recipient’s authority to set up any new projects in the C/MI System and may require the grantee to repay to its grant account in the C/MI System all rental rehabilitation grant amounts drawn down with respect to the project. If payment is not received, HUD may proceed to deobligate up to the full amount of the grantee’s remaining uncommitted rental rehabilitation grant amounts, whether or not such grant amounts otherwise are available for deobligation under §511.33(c). A suspension of set-up authority shall terminate when the grantee or State recipient has transferred the project to private ownership, as required by this part, and has submitted a Project Completion Report under the C/MI System identifying the private owner, or repays its grant account as required by this paragraph, or HUD lifts the suspension at its discretion.

(iii) After the grantee has repaid the grant amounts to its grant account as provided in §511.11(c)(2)(ii), the grant amounts may be committed and expended by the grantee for new projects within the periods originally allowed for these grant amounts, or deobligated by HUD under §511.33 or §511.82 to the same extent as any other grant amounts subject to this part.

(3) Private, non-profit organizations. Non-profit organizations that are privately controlled are eligible to receive rental rehabilitation grant amounts under the same terms and conditions as any other private project owner under this part. For purposes of this requirement, non-profit organizations must have governing bodies which are controlled 51 percent or more by private individuals who are acting in a private capacity. For purposes of this provision, an individual is deemed to be acting in a private capacity if he or she is not legally bound to act on behalf of a public body (including the grantee), and is not being paid by a public body (including the grantee) while performing functions in connection with the non-profit organization.

(4) Manufactured housing units. Notwithstanding whether they are classified as real or personal property under applicable State law, manufactured housing units may be assisted under this part under the following conditions:

(i) The unit is on a permanent foundation;

(ii) The utility hook-ups are permanent;

(iii) The unit is designed for use as a permanent residence;

(iv) The unit also meets the Section 8 Housing Quality Standards for Manufactured Homes set forth in 24 CFR 882.109(o).

(5) Religious organizations. Rental Rehabilitation grant amounts may be used to assist the rehabilitation of properties formerly owned by religious organizations, such as churches, provided that both of the following conditions are met:

(i) Title to the property to be rehabilitated must be transferred to a wholly secular entity prior to commitment, and this entity shall comply with all obligations of a project owner under this part. The entity may be an existing or newly established entity (which may be an entity established, but not controlled, by the religious organization); and

(ii) The completed project must be used exclusively by the owner entity for secular purposes, available to all persons regardless of religion, for the period and subject to the obligations described in §511.11(d). In particular, there must be no religious or membership criteria for tenants of the property.
(d) **Long-term owner obligations.** (1) Each project assisted under this part is subject to the following specific obligations for a period of at least ten years after completion of the rehabilitation:
   
   (i) The project shall remain in private ownership and in primarily residential rental use for the required period, unless the project is sold to another private owner who agrees to continue to manage the property in accordance with Rental Rehabilitation Program requirements for the remainder of the required period, or a hardship exception is approved by the grantee for reasons that occur after completion of the rehabilitation.
   
   (ii) The owner shall not convert the units in the project to condominium ownership or any form of cooperative ownership not eligible for assistance under this part for the required period.
   
   (iii) The owner shall not discriminate against prospective tenants on the basis of their receipt of, or eligibility for, housing assistance under any Federal, State or local housing assistance program or, except for a housing project for elderly persons, on the basis that the tenants have a minor child or children who will be residing with them, for the required period.
   
   (iv) The owner shall comply with the nondiscrimination and equal opportunity requirements and with the affirmative marketing requirements and procedures adopted under §511.13, for the required period.
   
   (2)(i) With respect to projects which are privately owned when the commitment to a specific local project is made, the obligations required under §511.10 (d)(1) and (d)(3) shall be included in the written, legally binding commitment or project agreement between the owner and the grantee or State recipient which is executed on or before the date the project is committed.
   
   (ii) With respect to projects which are publicly owned when the commitment is made, the obligations required under §511.10 (d)(1) and (d)(3) shall be included in the written, legally binding commitment or project agreement between the owner and the grantee or State recipient which is executed on or before the date the project is committed.
   
   (e) **Maximum rental rehabilitation grant amounts for projects.** (1) Rental rehabilitation grant amounts used for any project shall not exceed 50 percent of the total eligible project costs, as defined in §511.10(f). However, where refinancing of existing indebtedness is involved, the grantee may approve a higher amount for a project where it determines, and documents in its records, that:
   
   (i)(A) Rehabilitation of the project is important to the overall stability of...
§511.12 Conflicts of interest.

(a) No person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or State recipient (or of any public agency that performs administrative functions in the RRP) that receives rental rehabilitation grant amounts and who exercises or has exercised any functions or responsibilities with respect to assisted rehabilitation activities, or who is in a position to participate in a decision-making process or gain inside

the neighborhood (as defined at §511.10(c)(2)) and for the provision of housing at rents affordable to low-income families, or

(B) The project has special costs to facilitate use by the elderly or handicapped; and

(ii) The refinancing and the higher grant amount are necessary to make the project feasible.

This higher grant amount may not exceed the lesser of 75 percent of the eligible project costs or 50 percent of the sum of the following dollar amounts for dwelling units in the project:

(A) $5,000 per unit for units with no bedrooms;

(B) $6,500 per unit for units with one bedroom;

(C) $7,500 per unit for units with two bedrooms; and

(D) $8,500 per unit for units with three or more bedrooms.

(ii) HUD may approve higher rental rehabilitation grant amounts for projects in areas of high material and labor costs where the grantee demonstrates to HUD’s satisfaction that a higher amount is necessary to conduct a rental rehabilitation program in the area and that it has taken every appropriate step to contain the amount of the rental rehabilitation grant within the dollar limits specified in paragraph (e)(2)(i) of this section. These higher amounts will be determined as follows:

(A) HUD may approve higher per unit amounts for a unit of general local government’s entire rental rehabilitation program up to, but not to exceed, an amount derived by applying the HUD-approved High Cost Percentage for Base Cities for the area to the applicable per unit dollar limits;

(B) HUD may, on a project-by-project basis, increase the level permitted under §511.11(e)(2)(i) by multiplying the original limits by up to a maximum of 140 percent and then adding the product to the original limits. Therefore, the maximum high cost grant amount per project that may be approved is 240 percent of the original per unit limits.

(f) Rent or occupancy restrictions. (1) A project rehabilitated with rental rehabilitation grant amounts under this part is not subject to State or local rent control unless the rent control requirements or agreements:

(i) Were entered into under a State law or local ordinance of general applicability that was enacted and in effect in the jurisdiction before November 30, 1983 and

(ii) Apply generally to projects not assisted under the Rental Rehabilitation Program.

(2) State and local rent controls expressly preempted by paragraph (f) of this section include, but are not limited to, rent laws or ordinances, rent regulating agreements, rent regulations, low income occupancy agreements extending beyond one year from the date of completion of rehabilitation of a project, financial penalties for failure to achieve certain low income occupancy or rent projections, or restrictions on return on investment or other similar policies that prevent an owner, whether for-profit or non-profit, from maximizing return or setting rent levels as the owner chooses. Grantees or State recipients shall not include any preempted rent or occupancy restrictions in any commitments or project agreements with the owners of Rental Rehabilitation projects.

(g) [Reserved]
information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(b) The appropriate HUD Field Office may grant an exception to the exclusion in paragraph (a) of the section on a case-by-case basis when it determines that such an exception will serve to further the purposes of the Rental Rehabilitation Program and the effective and efficient administration of the local rental rehabilitation program or the project. An exception may be considered only after the grantee or State recipient has provided a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made and an opinion of the grantee’s or State recipient’s attorney that the interest for which the exception is sought would not violate State or local laws. In determining whether to grant a requested exception, HUD shall consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the local rental rehabilitation program or the project that would otherwise not be available;
(2) Whether an opportunity was provided for open competitive bidding or negotiation;
(3) Whether the person affected is a member of a group or class intended to be the beneficiaries of the rehabilitation activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
(4) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process, with respect to the specific rehabilitation activity in question;
(5) Whether the interest or benefit was present before the affected person was in a position as described in this paragraph;
(6) Whether undue hardship will result either to the grantee, State recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
(7) Any other relevant considerations.

§ 511.13 Nondiscrimination, equal opportunity, and affirmative marketing requirements.

In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, the following requirements apply:

(a) Affirmative marketing. The grantee shall adopt appropriate procedures and requirements for affirmatively marketing units in rehabilitated rental rehabilitation projects through the provision of information regarding the availability of units that are vacant after rehabilitation or that later become vacant. Affirmative marketing steps consist of good faith efforts to provide information and otherwise to attract eligible persons from all racial, ethnic and gender groups in the housing market area to the available housing. (These affirmative marketing procedures will not apply to units rented to families with housing assistance provided by a PHA.) The grantee shall establish procedures, requirements and assessment criteria for marketing units in the Rental Rehabilitation Program that are appropriate to accomplish affirmative marketing objectives. The grantee shall annually assess the affirmative marketing program to determine: Good faith efforts that have been made to carry out such procedures and requirements; objectives that have been met; and corrective actions that are required.

(1) For each grantee, the affirmative marketing requirements and procedures adopted must include:

(i) Methods for how the grantee will inform the public, owners and potential tenants about Federal fair housing laws and the grantee’s affirmative marketing policy (such as the use of the Equal Housing Opportunity logotype or...
(i) Requirements and practices each owner (including the grantee or any other public owner) must adhere to in order to carry out the grantee’s affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logo-type or slogan, display of fair housing poster); 

(ii) Procedures to be used by owners (including the grantee or any other public owner) to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach (e.g., use of community organizations, churches, employment centers, fair housing groups or housing counseling agencies); 

(iii) Procedures to be used by owners (including the grantee or any other public owner) to affirmatively market units and records to assess the results of these actions; 

(iv) Records that will be kept describing efforts taken by the grantee and by the owners (including the grantee or any other public owner) to affirmatively market units and records to assess the results of these actions; 

(v) A description of how the grantee will assess the affirmative marketing efforts of owners (including the grantee or any other public owner), and the results of those efforts, and what corrective actions will be taken where an owner fails to follow these affirmative marketing requirements. 

(2) For States distributing rental rehabilitation grant amounts to units of general local government, the affirmative marketing procedures and requirements shall also set out the actions that State recipients must take to meet the objectives set out in §511.13(b), the record keeping and reporting requirements such State will require of State recipients, and the procedures that such State will follow to determine what action has been taken by State recipients to assess the results of these affirmative marketing efforts. 

(3) The grantee or State recipient shall require compliance with the conditions of its affirmative marketing requirements and procedures adopted under paragraph (b) of this section by means of an agreement with the owner that shall be applicable for a period of ten years beginning on the date of completion of rehabilitation, as defined in §511.2. 

(b) [Reserved] 

(Approved by the Office of Management and Budget under control number 2506–0080) 

§511.14 Tenant assistance, displacement, relocation, and acquisition. 

(a) General policies. The grantee and any State recipient shall: 

(1) Ensure that the rehabilitation will not cause the displacement of any very low income family by a family that is not a very low income family. 

(2) Consistent with the other goals and objectives of this part, minimize displacement. To the extent feasible, residential occupants shall be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary and affordable dwelling unit in the project (see paragraph (g)(1)(iii) of this section). 

(3) Administer all phases of the RRP, including the selection of units to be rehabilitated and the provision of notices, counseling, referrals, other advisory services and relocation payments, in a manner that does not result in discrimination because of race, color, religion, sex, age, handicap, familial status or national origin. 

(4) Adopt and make public a written tenant assistance policy (TAP) that describes the assistance that will be provided to tenants who reside in the project and which includes a statement of nondiscrimination policy consistent with paragraph (a)(3) of this section. The TAP shall comply with the provisions of this section. Each tenant in the project shall be provided a copy of the TAP and advised of the impact of the project on him or her. For privately owned projects, such notice shall be given immediately after submission of the application by the owner of a property, or earlier. For publicly owned projects, such notice shall be given immediately after the commitment (defined in §511.2), or earlier. 

(b) Relocation assistance for displaced persons. A displaced person (defined in paragraph (g) of this section) must be provided relocation assistance at the
levels described in, and in accordance with the requirements of, 49 CFR part 24, which contains the government-wide regulations implementing the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655). Tenants shall be advised of their rights under the Fair Housing Act (42 U.S.C. 3601–19) and of replacement housing opportunities in such a manner that, to the extent possible, tenants are provided a choice between relocating within their own neighborhoods and other neighborhoods consistent with the grantee’s or State recipient’s responsibility to affirmatively further fair housing. As permitted under 49 CFR 24.2(k), for purposes of making replacement housing payments, the term initiation of negotiations means:

(1) For a privately owned project, execution of the legally binding agreement between the grantee or State recipient and the project owner under which the grantee or State recipient agrees to provide rental rehabilitation grant amounts for the project.

(2) For a publicly owned project, the commitment as defined in §511.2 or such earlier notice as the grantee or State recipient determines to be appropriate.

(c) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) Application of Community Development Block Grant (CDBG) requirements. If CDBG funds are used to pay any part of the cost of the rehabilitation activities, as described in 24 CFR 570.202(b) or similar eligible activities, the project is subject to the requirements of section 104(d) of the Housing and Community Development Act of 1974, as amended, and implementing regulations at 24 CFR 570.606(b) (Entitlement Program and HUD-administered Small Cities Program) and 24 CFR 570.496a(b) (State CDBG Program).

(e) Appeals. If a person disagrees with the grantee’s or State recipient’s determination concerning the person’s eligibility for, or the amount of, relocation assistance, the person may file a written appeal (request for reconsideration) of that determination with the grantee or State recipient. The appeal procedures to be followed are described in 49 CFR 24.10. A low-income person that has been displaced from a dwelling may submit a further written request for review of the grantee’s decision to the appropriate HUD Field Office. However, a low-income person’s request for review of a State recipient’s decision shall be submitted to the State grantee.

(f) Compliance responsibility. (1) The grantee and any State recipient are responsible for ensuring compliance with the URA, the regulations at 49 CFR part 24, and the requirements of this section, notwithstanding any third party’s contractual obligation to the grantee or State recipient to comply with these provisions.

(2) The cost of required assistance may be paid from local public funds, funds available under the rules of this part, or funds available from other sources.

(3) The grantee or State recipient must maintain records in sufficient detail to demonstrate compliance with the provisions of this section.

(g) Definition of a displaced person. (1) For purposes of this section, the term displaced person means any person (family, individual, business, nonprofit organization or farm) that moves from real property, or moves personal property from real property, permanently and involuntarily as a direct result of rehabilitation, demolition or acquisition for a project assisted under this part. Permanent, involuntary moves for an assisted project include a permanent move from the project that is made:

(i) After notice by the property owner, grantee, or State recipient to move permanently from the property, if the move occurs on or after the following date:

(A) If the notice is provided by the property owner, the date that the owner (or person in control of the site) submits a request for assistance under this part that is later approved and funded.

(B) If the notice is provided by the grantee or State recipient, the date of the commitment to a specific local project.
(ii) Before the date described in paragraph (g)(1)(i) of this section, if either the grantee or HUD determines that the displacement resulted directly from rehabilitation, acquisition or demolition for the project; or

(iii) By a tenant-occupant of a dwelling unit after the initiation of negotiations, if:

(A) The tenant has not been provided a reasonable opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the project following the completion of the project at a rent, including estimated average utility costs, that does not exceed the greater of:

(1) The tenant’s rent and estimated average utility costs before the commitment; or

(2) The total tenant payment, as determined under 24 CFR 813.107, if the tenant is low-income, or 30 percent of gross household income if the tenant is not low-income; or

(B) The tenant has been required to relocate temporarily, but:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in rent and utility costs, or other conditions of the temporary relocation are not reasonable, and

(2) The tenant does not return to the project; or

(C) The tenant is required to move to another unit within the project but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move or other conditions of the move are not reasonable.

(2) A person does not qualify as a displaced person, if:

(i) The person has been evicted for cause based upon a serious or repeated violation of material terms of the lease or occupancy agreement, and the grantee or State recipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance; or

(ii) The person moved into the property after the owner’s submission of the request for assistance but, before commencing occupancy, received written notice of the owner’s intent to terminate the person’s occupancy for the project; or

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) The grantee or State recipient determines that the person was not displaced as a direct result of rehabilitation, acquisition or demolition of the project, and the HUD Field Office concurs in that determination.

(3) The grantee may, at any time, ask HUD to determine whether a specific displacement is or would be covered by these rules.

§ 511.15 Lead-based paint.

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title apply to activities under these programs.

[64 FR 50225, Sept. 15, 1999]

§ 511.16 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, Grantees and, where applicable, State recipients shall comply with the following requirements:

(a) Labor standards. All laborers and mechanics (except laborers and mechanics employed by a State or local government acting as the principal contractor on the project) employed in the rehabilitation of a project assisted under the Rental Rehabilitation Program that contains 12 or more dwelling units after rehabilitation shall be paid wages at rates not less than those prevailing on similar rehabilitation in the locality, if such a rate category exists, or other appropriate rate as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276a–276a–5), and contracts involving their employment shall be subject to the provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333). If CDBG funds are used to finance certain costs for projects of 8 or more units, these labor standards may apply (see 24 CFR 570.603). If a project is subject to Federal labor standards requirements,
individuals are not permitted to perform work thereon which is covered by such requirements without compensation in accordance with such requirements, except that persons who own a project in their own name may personally perform uncompensated work on their own projects. Grantees, State recipients, owners, contractors and subcontractors shall comply with applicable implementing regulations in 29 CFR parts 1, 3, and 5.

(b) Environment and historic preservation. Section 104(g) of the Housing and Community Development Act of 1974 and 24 CFR part 58, which prescribe procedures for compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4361), and the additional laws and authorities listed at 24 CFR 58.5.

(c) Pet ownership in housing for the elderly or handicapped. The provisions of 24 CFR part 243 apply to any project assisted under this part for which preference in tenant selection is given for all units in the project to elderly or handicapped persons or elderly or handicapped families, as defined in 24 CFR 812.2.

(d) Flood insurance. (1) Under the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128), a grantee may not approve the commitment of rental rehabilitation grant amounts to a project located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than a year has passed since FEMA notification regarding such hazards; and

(ii) Flood insurance is obtained as a condition of approval of the commitment.

(2) Grantees with projects located in an area identified by FEMA as having special flood hazards are responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(3) This paragraph §511.16(g) does not apply in the case of allocations administered by a State under §511.51(a).

(Approved by the Office of Management and Budget under control number 2506–0080)

Subpart C [Reserved]

Subpart D—Allocation Formula and Reallocations

§§511.30–511.31 [Reserved]

§511.33 Deobligation of rental rehabilitation grant amounts.

(a) Before deobligating grant amounts, HUD will consult with the affected grantee and take into account factors such as timing of the grantee’s program year; the timing of State distributions to State recipients, if applicable; the timing of expected project approvals for projects in the grantee’s pipeline; climatic or other considerations affecting rehabilitation work schedules; and other relevant considerations. In addition to any remedial deobligation under §511.82, HUD may deobligate any rental rehabilitation grant amounts that are not:

(1) Committed to specific local projects within 3 years of the date of obligation of the grant under §511.21(d) (4 years in the case of a State that distributes rental rehabilitation grant amounts to State recipients); or

(2) Expended for eligible costs within 5 years of such date of obligation (6 years in the case of a State that distributes rental rehabilitation grant amounts to State recipients).

(b) After such consultation, the HUD field office may direct the grantee to proceed with program closeout and may deobligate remaining unexpended grant amounts if the field office determines that any uncommitted funds will not be committed within a reasonable time, only small amounts of funds remain unexpended, or completion of uncompleted projects appears infeasible within a reasonable time. None of the time periods referred to in this section are extended by any suspensions of
§ 511.34 Project set-ups or other remedial action imposed by HUD under this part.
[61 FR 7062, Feb. 23, 1996]

§ 511.34 [Reserved]

Subpart E [Reserved]

Subpart F—State Program

§ 511.50 State election to administer a rental rehabilitation program.

(a) State allocations may be used to carry out eligible rehabilitation activities in accordance with the requirements of this part in units of general local government that do not receive allocations under subpart D and in cities and urban counties whose allocations are below the minimum amount specified in §511.31, but may not be used in areas that are eligible for assistance under title V of the Housing Act of 1949, except as specified in paragraph (b) of this section.

(b) For Fiscal Years 1988 through 1991, uncommitted prior year funds may be used by State grantees, by units of general local government receiving funds from State grantees and by units of general local government participating in a HUD-administered State Program in areas eligible for assistance under title V of the Housing Act of 1949. This authority to enter into commitments with owners for projects in title V-eligible areas expires on September 30, 1991.

(Approved by the Office of Management and Budget under control number 2506-0080)

§ 511.51 State-administered program.

(a) Type of program. A State may, in its discretion, use all or part of its rental rehabilitation grant amounts either:

(1) To carry out its own Rental Rehabilitation Program without the active participation of units of general local government;

(2) To distribute grant amounts to State recipients which independently select, enter into commitments with owners for, and manage projects; or

(3) To carry out mixed programs in which both the State and all or some units of general local government each perform specified program functions.

(b) Sharing grant amounts for administration. In programs under paragraphs (a)(2) and (a)(3) of this section, a State must share its grant amounts which are available for administrative costs with units of general local government administering the program with the State, under a written agreement as required by §511.71.

(c) State Program requirements. State grantees shall be responsible for administering their rental rehabilitation grant amounts in accordance with all requirements of this part and other applicable laws, notwithstanding their use of units of general local governments to perform program functions under paragraph (a)(2) or (a)(3) of this section. In addition, States that use units of general local government to perform program functions shall:

(1) Ensure that units of general local government carry out their Rental Rehabilitation Program in accordance with requirements of this part and other applicable laws. States shall include in their agreements with their units of general local government such additional provisions as may be appropriate to ensure such compliance and to enable the State to carry out its responsibilities under this part, including the withdrawal and reallocation of rental rehabilitation grant amounts based on unit of general local government noncompliance (including State recipient failure to meet the schedule submitted by the State under §511.20(b)(8)); and

(2) Conduct such reviews and audits of their units of general local government as may be appropriate to determine whether units of general local government, including State recipients, have carried out their programs in accordance with the requirements of this part, whether they have done so in a timely manner, and whether they have a continuing capacity to do so in a timely manner.

(Approved by the Office of Management and Budget under control number 2506-0080)

Subpart H—Grant Administration

§ 511.70 Responsibility for grant administration.

Grantees are responsible for ensuring that rental rehabilitation grants are administered in accordance with the requirements of this part and other applicable laws. A grantee may enter into a written agreement with another unit of State or local government or with a non-governmental entity to administer specified functions under its Rental Rehabilitation Program to the extent not prohibited by HUD. If the grantee is contracting with a non-governmental entity to administer its program or to provide other services, such as cash management responsibilities, the grantee shall follow the procurement standards of 24 CFR 85.36. The use of other governmental units or private contractors does not relieve the grantee of its responsibility for ensuring compliance with this part and other applicable laws.

§ 511.71 Administrative costs.

(a) Maximum amount. Any grantee may use not to exceed 10 percent of the grant amount initially obligated to the grantee for Federal Fiscal Year 1988 and later fiscal years for administrative costs eligible under paragraphs (b) and (c) of this section. Eligible grantees may draw down funds to pay for eligible administrative costs through HUD’s C/MI System.

(b) Eligibility. Eligible administrative costs are reasonable and necessary costs, as described in OMB Circular A-87, incurred by the grantee itself, or by a unit of general local government pursuant to a written cost-sharing agreement with a State grantee (see §511.51(b)), in carrying out the Rental Rehabilitation Program in accordance with this part. Administrative costs do not include costs of rehabilitation which are incurred by and charged to project owners as eligible project costs under §511.10(f)(2).

(c) Written cost-sharing agreement. A State grantee shall determine the amount of its rental rehabilitation grant that it will permit to be used for administrative expenses, not to exceed the maximum permitted by this section. The State grantee shall share the amount of its rental rehabilitation grant designated for administrative expenses with units of general local government that incur eligible administrative costs in carrying out the Rental Rehabilitation Program, whether the unit of general local government receives a distribution of funds from the State or selects and manages projects independently as a State recipient or whether it performs less comprehensive functions by agreement with the State. Before any eligible administrative expenses are incurred by a unit of general local government under a State’s grant, the cost-sharing arrangement shall be specified in a written agreement between the State grantee and each unit of general local government that receives payment from the State for administrative expenses under this part. This agreement shall describe (whether very generally or more specifically) the functions that the unit of general local government shall perform and the terms and conditions under which the unit of general local government participates in the program, including the procedures by which the unit of general local government’s compensation for its administrative expenses incurred in performing the authorized functions is to be calculated and paid. HUD will not review the relative sharing of administrative expenses between the State and affected units of general local government, but pursuant to §§511.74 and 511.80, it will review and audit the State’s program on the eligibility of administrative expenses paid with program funds.

(d) Allocation of benefit. Rental rehabilitation grant amounts used for program administration will be deemed to meet program requirements imposed on a percentage of the annual grant basis, such as lower income benefit and use of rental rehabilitation grants for housing for families with children, in the same proportion as the grant amounts for a grant year which are used for eligible project costs meet the grant requirements. For example, if 70 percent of the grant amounts used for
§ 511.72 Applicability of uniform Federal administrative requirements.

Grantees, State recipients and their contractors shall comply with the requirements and standards of OMB Circular No. A–87, “Principles for Determining Costs Applicable to Grants and Contracts with State, Local and Federally recognized Indian Tribal Governments” 1 OMB Circular A–128, “Audits of State and Local Governments” (implemented at 24 CFR part 44), and with 24 CFR part 85. “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” except for: §§ 85.10, 85.11, 85.25, 85.31, 85.40(b), 85.41, and 85.50. In lieu of §§ 85.25 and 85.50, HUD has adopted § 511.76 and § 511.77, respectively, of this part.

§ 511.73 Grantee records.

(a) Records to be maintained. Each grantee shall maintain records as specified by HUD that clearly document its performance under each requirement of this part. States distributing rental rehabilitation grant amounts to State recipients shall also ensure that their recipients maintain such records to document each recipient’s performance. The records required by this section shall, at a minimum, include the following:

(1) Records required to comply with § 511.75;

(2) Data on the racial, ethnic, gender, and income level characteristics of

(i) Tenants occupying units before rehabilitation;

(ii) Tenants moving from and (initially after rehabilitation) into projects assisted under this part;

(iii) Applicants for tenancy within 90 days following completion of rehabilitation assisted under this part; and

(iv) Owners of the projects rehabilitated; and

(3) Data indicating the race and ethnicity of households displaced as a result of program activities, and, if available, the address and census tract of the housing units to which each displaced household relocated.

(b) Retention of records. Records required to be maintained under paragraph (a) of this section shall be retained for a period of three years from the date of final closeout of the rental rehabilitation grant.

(c) Public disclosure. Documents relevant to a grantee’s Program Description shall be made available for public review upon request at the grantee’s office during normal working hours.

(d) Federal access to records. The Secretary, the Inspector General of HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to all books, accounts, reports, files, and other papers or property of grantees, State recipients, and their contractors pertaining to rental rehabilitation grant amounts for the purpose of making surveys, audits, examinations, excerpts, and transcripts. Grantees or, where applicable, State recipients shall ensure that their agreements with owners require the owners to provide similar access to their records pertaining to the use of rental rehabilitation grant amounts.

(Approved by the Office of Management and Budget under control number 2506–0080)

§ 511.74 Audit.

The financial management systems used by grantees and, where applicable, State recipients shall provide for audits in accordance with 24 CFR part 44.

§ 511.75 Disbursement of rental rehabilitation grant amounts: Cash and Management Information System.

(a) General. Rental Rehabilitation grants are managed through HUD’s C/MI System for the Rental Rehabilitation Program. The C/MI System is a computerized system which manages program funds, disburses grant amounts, and collects and reports data on properties and tenants assisted under the Program.

(b) Project set-up. (1) After the grantee executes the Grant Agreement, complies with the requirements under part
58 of this title for release of funds, and submits the appropriate security documents, the grantee may identify (set-up) specific local projects in the C/MI System. State recipients are also granted access to the C/MI System for projects upon designation by the State and submission of the appropriate security documents. Within 12 calendar days of project set-up, grantees and State recipients are required to submit a Pre-Rehabilitation Report to HUD for each project set-up in the C/MI System. Until an acceptable Pre-Rehabilitation Report is received and entered in the C/MI System, grant amounts for the project are not considered “committed,” as defined in §511.2, and, therefore, are subject to deobligation to the extent authorized by 24 CFR 511.33(c).

(2) Beginning in Fiscal Year 1991, if Pre-Rehabilitation Reports are not received within 20 days of the project set-up call, the project will be cancelled automatically by the C/MI System. In addition, projects which have been committed in the C/MI System for 6 months without an initial disbursement of funds will be automatically cancelled by the C/MI System.

(c) Disbursement of rental rehabilitation grant amounts. After an acceptable Pre-Rehabilitation Report is entered into the C/MI System, obligated grant amounts may be drawn down for the project by the grantee or State recipient by electronic funds transfer to the designated depository institution of the grantee or State recipient within 48 to 72 hours of the disbursement request. Grant amounts for eligible administrative costs may be similarly drawn down by grantees by electronic funds transfer to their designated depository institutions, but State recipients are not permitted to draw down State grant amounts for administrative expenses. Any drawdown is conditioned upon the submission of satisfactory information by the grantee or State recipient about the project or the administrative expenses and compliance with other procedures specified by HUD in HUD’s forms and issuances concerning the Rental Rehabilitation Program Cash and Management Information System. Copies of these forms and issuances may be obtained from HUD Field Offices. Drawdowns shall be requested by the grantee or State recipient as closely as possible to the time they are needed by a grantee or State recipient and the owner to pay eligible project costs or by a grantee to pay eligible administrative costs. Drawdowns for project costs shall be requested only for work or services that have been satisfactorily performed, or materials that are acceptable. After receipt in the grantee or State recipient’s depository account, grant amounts for project costs shall immediately be disbursed by the grantee or State recipient and the owner in payment for eligible project costs and shall not be disbursed at any time, relative to a project’s matching funds, in any greater proportion than the proportion of rental rehabilitation grant amounts to matching funds for the project.

(d) Payment vouchers. As post-documentation of each drawdown, a grantee or State recipient must submit to HUD a payment voucher, for each drawdown made by HUD, in the form required for the C/MI System. If the drawdown was for eligible project costs and the payment voucher is not received within ten calendar days of the drawdown, the grantee or State recipient will be suspended from setting up new projects until the required payment voucher is received by HUD. If the drawdown was for administrative costs and the payment voucher is not received within ten calendar days of the drawdown, the grantee will not be allowed to make another drawdown for administrative costs until the payment voucher is received.

(e) Submission of project completion reports. After the final draw for a project, a Project Completion Report must be submitted to HUD within 90 days of the drawdown request. However, for projects rehabilitated pursuant to §511.11(c)(2) (publicly owned project at the time of commitment), the Project Completion Report must be submitted within 90 days of the final draw, but not later than 2 years and 90 days after the date of commitment. If a satisfactory Project Completion Report is not submitted by the due date, HUD will suspend further project set-ups for the grantee or State recipient. Project set-
ups will remain suspended until a satisfactory Project Completion Report is received and entered into the C/MI System.

(Approved by the Office of Management and Budget under control number 2506–0080)

§ 511.76 Program income.

(a) General. Grantees and State recipients are neither encouraged to earn nor discouraged from earning program income in using rental rehabilitation grant amounts under this part.

(b) Definition of program income. Program income means gross income received by the grantee or State recipient (or by another party at the direction of the grantee or State recipient) which is directly generated from the use of rental rehabilitation grant amounts. Primarily, it includes but is not limited to, the following:

(1) Repayments of principal (whether in installments or a lump-sum) and any interest or penalty assessment, under the terms of the loan commitment or other project assistance agreement between the owner and the grantee or State recipient, including repayments, pursuant to §511.11(d)(3), of the rental rehabilitation grant assistance by the owner after completion of rehabilitation; and

(2) Interest earned on program income pending its disposition. Grantees or State recipients are not authorized to deduct costs incident to the generation or management of income from gross income for purposes of determining program income. Governmental fees and taxes, including income taxes, property taxes, special assessments, transfer taxes, recording fees and other normal governmental revenues, do not constitute program income if they are imposed by generally applicable law, regulation, or ordinance and are not imposed in consideration of the project’s receipt of assistance under this part. Program income also does not include grant amounts required to be returned to HUD as a result of cancellation of a project before completion, or interest on those grant amounts, or any interest earned by the grantee or State recipient or grant funds after drawdown and before disbursement for eligible costs. (For disposition of such interest, see 24 CFR 85.21(1).)

(c) Eligible uses. Program income may be used only as prescribed in paragraphs (c)(1) and (c)(2) of this section.

(1) Program income may be used for any activity which is eligible under this part, except that program income may not be used to pay for administrative costs, as described at §511.71. In particular, the total of rental rehabilitation grant amounts and Rental Rehabilitation Program income used for any project (except under §511.76(c)(2)) may not exceed the amount per unit allowed under §511.11(e)(2) or 50 percent of the total eligible project costs (except as noted in §511.11(e)(1)).

(2) Program income may also be used to provide rental assistance to lower income tenants in properties rehabilitated through the RRP. This includes the use of program income to pay for administrative costs associated with the provision of rental assistance but not to exceed the amount allowed for administrative fees in the Housing Voucher Program authorized under section 8(o) of the United States Housing Act of 1937, 42 U.S.C. 1437f. In order to use program income for rental assistance, the grantee or State recipient must—

(i) Use the funds to assist low-income tenants who initially occupy properties rehabilitated with rental rehabilitation grant amounts or rental rehabilitation program income;

(ii) Have a written policy which is available to the public stating that program income will be so used and specifying who is eligible to receive such assistance; and

(iii) Have an agreement with the PHA stating that the PHA will utilize the program income to provide rental assistance in accordance with the written policy.

(d) Timing the use of program income. Grantees and State recipients shall not commit available rental rehabilitation grant amounts to specific local projects if sufficient program income is on hand and available to fund the project, or a substantial portion of the project. In order to avoid possible over commitment of funds, grantees and State recipients shall not anticipate the receipt of program income and
enter into binding commitments with owners cumulatively exceeding the total amount of program income on hand plus uncommitted rental rehabilitation grant amounts.

(e) Accounting for and reporting program income. Program income shall be accounted for and reported in the grantee’s Annual Performance Report under §511.81(b) and in the Cash and Management Information System under §511.75, in the manner prescribed by HUD.

(f) Authority of State grantees. States administering rental rehabilitation grants have discretion to choose whether program income is to be earned at all or is to be paid to or retained by the State or paid to or retained by the State recipient. The State’s determination should be contained in a written agreement between the State and its State recipients. However, once earned, program income must be used and accounted for in accordance with this section by the State or by the State recipient, as applicable.

(g) Authority of urban counties. Because the configuration of an urban county may change from time to time, particularly at the time of requalification of an urban county in the Community Development Block Grant Program, special provisions must be made for urban county program income. The urban county may determine whether program income generated by a project located in a unit of general local government which, for whatever reason, no longer participates in the urban county shall be retained by the urban county for its RRP or by the unit of general local government. However, urban county program income must otherwise be used and accounted for by the urban county and the unit of general local government in accordance with this section.

(h) Program closeout and disposition of program income. Program income must be accounted for by the grantee when a Rental Rehabilitation Program is completely closed out for all years. Program “closeout” will occur when the following conditions have been met: All grant funds from all program years (excluding program income) have been expended; the grantee and, if applicable, its State recipients do not expect (or have elected not) to receive any additional rental rehabilitation grant amounts, and the annual performance report covering the last program year has been submitted to HUD. Program income shall be treated in the following manner before and after program closeout:

1. Before program closeout, program income shall be used for activities eligible under §511.76(c) and

2. Program income on hand at the time of program closeout or earned after program closeout may be contributed to HOME or HOPE program grantees as a cash matching contribution in accordance with applicable HOME or HOPE program rules, or may be used for activities that would be eligible under other affordable housing activities, as determined by the recipient.

§511.77 Grant closeout.

(a) Each individual fiscal year rental rehabilitation grant will be closed out when all grant amounts for the grant to be closed out have been drawn down and expended for completed projects and/or administrative costs, or grant amounts not drawn down and expended have been deobligated by HUD.

(b) Project Completion Reports for all projects utilizing grant amounts from the fiscal year grant(s) to be closed out have been submitted and entered into the C/MI System.

(c) The required reviews and audits to determine whether grantees have satisfied the terms of their grant agreement have been made. Closeout is contingent upon the receipt of the grantee’s most recent audit report and audit reports of State recipients, where applicable. For closeout of the grant to proceed, the most recent audit report(s) must be free of any outstanding findings related to the RRP grant to be closed. The audit(s) of the grantee and State recipients, where applicable, should cover all grant amounts from all fiscal years which are to be closed out except as noted in paragraph (c)(2) of this section.

1. The Single Audit Act prohibits requiring a grantee or State recipient to obtain an audit at its expense covering
only the Rental Rehabilitation Program. (HUD still has the authority to conduct an audit or to contract with an independent public accountant to conduct an audit of the grant. However, HUD must pay for the audit.)

(2) When the previous audit(s) fail to cover all grant amounts under the Grant Agreement, the program may still be closed out, provided the grantee agrees in writing to remit to HUD any costs questioned by a subsequent audit that are disallowed by HUD. This procedure is expected to be used in those cases when both the grantee and HUD want to proceed with the closeout before the next periodic single audit is conducted covering the remaining grant amounts not already audited.

(d) With respect to monitoring the grantee, either:

(1) The HUD Field Office has conducted an on-site monitoring of the grantee and has determined that the grantee’s performance, with respect to any grant to be closed out, is satisfactory and is in compliance with Rental Rehabilitation program statutory and regulatory requirements, including §511.10(a) and §511.10(b); or

(2) A grant may be closed before on-site monitoring has been conducted, provided:

(i) The Cash and Management Information reports indicate the grantee’s performance is satisfactory and is in compliance with Rental Rehabilitation program statutory and regulatory requirements;

(ii) There are no outstanding monitoring findings; and

(iii) The grantee agrees in writing to pay back the amount of any costs that are later found by HUD to be ineligible based on a subsequent on-site monitoring review or audit.

(Approved by the Office of Management and Budget under control number 2506–0080)

amounts to State recipients, whether the State:
(i) Has distributed these grant amounts in a timely manner and in accordance with the requirements of this part; and
(ii) Has made such reviews and audits of its recipients as may be appropriate to determine whether they have satisfied the requirements of paragraph (b)(1)(i) through (b)(1)(iii) of this section.

§511.82 Corrective and remedial actions.
(a) General. HUD will use the procedures in this section in conducting the performance review as provided in §511.80(a) and in taking corrective and remedial actions.

(b) Performance review. (1) If HUD determines preliminarily that the grantee has not met the performance review standards in §511.80, the grantee will be given notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD and on the basis of substantial facts and data, that it has done so.

(2) If the grantee fails to demonstrate to HUD's satisfaction that it has met the performance review standards in §511.80, HUD will take appropriate corrective or remedial action in accordance with this section.

(c) Corrective and remedial actions. In formulating appropriate corrective or remedial actions for performance deficiencies, HUD will take one or more of the actions specified in paragraphs (c)(1), (c)(2), and (c)(3) of this section. The action chosen will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence. In addition to these actions, HUD will take the action specified in paragraph (c)(4) of this section, when paragraph (c)(4) of this section is applicable.

(1) HUD may request the grantee to submit and comply with proposals for action to correct, mitigate and prevent performance deficiencies, including:
(i) Preparing and following a schedule of actions for carrying out the affected rental rehabilitation activities, consisting of schedules, timetables and milestones necessary to implement the affected activities;
(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;
(iii) Cancelling or revising activities likely to be affected by a performance deficiency, before expending grant amounts for the activities;
(iv) Reprogramming rental rehabilitation grant amounts that have not yet been expended from affected activities to other eligible activities; and
(v) Suspending disbursement of grant amounts for affected activities for a period of not more than 60 days.

(2) [Reserved]

(3) When HUD determines that a grantee has failed to meet one or more of the requirements of this part, HUD may reduce or withdraw rental rehabilitation grant amounts, or take other action as appropriate, except that rental rehabilitation grant amounts already expended on eligible activities will not be recaptured from existing grant allocations or obligations or deducted from future grants made available to the grantee. For purposes of paragraph (c)(3) of this section—
(i) Grant amounts already expended on eligible activities includes all grant amounts that have been disbursed under this part for eligible activities, and
(ii) Other action as appropriate means any remedial action legally available, including, without limitation, affirmative litigation, such as suits for declaratory judgment, specific performance, temporary or permanent injunctions, and any other available remedies other than those for recovery of money.
(4) Where HUD makes a final determination that it has a judicially enforceable claim for money against the grantee in a situation where rental rehabilitation grant amounts have been disbursed to the grantee or State recipient for ineligible costs under this part, HUD will follow the procedures described in the Federal Claims Collection Standards (4 CFR parts 101–105) in order to:

(i) Demand in writing that the grantee or State recipient reimburse HUD in the amount of the ineligible costs, using funds from non-federally derived sources; and

(ii) Initiate affirmative litigation to recover the amount of the ineligible costs, if necessary for collection. HUD's final determination to seek recovery of grant amounts expended on ineligible costs under paragraph (c)(4) of this section shall constitute a claim within the meaning of 31 U.S.C. 3711, et seq., and interest shall be charged on delinquent claims as required by the Federal Claims Collection Standards.

(d) Amounts recovered under paragraph (c)(4) of this section are not rental rehabilitation grant amounts and shall be deposited in the U.S. Treasury's miscellaneous receipts account.

SUBCHAPTER B [RESERVED]
SUBCHAPTER C—COMMUNITY FACILITIES

PART 570—COMMUNITY DEVELOPMENT BLOCK GRANTS

Subpart A—General Provisions

Sec.
570.1 Purpose and primary objective.
570.3 Definitions.
570.4 Allocation of funds.
570.5 Waivers.

Subpart B [Reserved]

Subpart C—Eligible Activities

570.200 General policies.
570.201 Basic eligible activities.
570.202 Eligible rehabilitation and preservation activities.
570.203 Special economic development activities.
570.204 Special activities by Community-Based Development Organizations (CBDOs).
570.205 Eligible planning, urban environmental design and policy-planning-management-capacity building activities.
570.206 Program administrative costs.
570.207 Ineligible activities.
570.208 Criteria for national objectives.
570.209 Guidelines for evaluating and selecting economic development projects.
570.210 Prohibition on use of assistance for employment relocation activities.

Subpart D—Entitlement Grants

570.300 General.
570.301 Activity locations and float-funding.
570.302 Submission requirements.
570.303 Certifications.
570.304 Making of grants.
570.307 Urban counties.
570.308 Joint requests.
570.309 Restriction on location of activities.

Subpart E—Special Purpose Grants

570.400 General.
570.401 Community adjustment and economic diversification planning assistance.
570.402 Technical assistance awards.
570.403 New Communities.
570.404 Historically Black colleges and universities program.
570.405 The insular areas.
570.406 Formula miscalculation grants.
570.410 Special Projects Program.
570.411 Joint Community Development Program.
570.415 Community Development Work Study Program.
570.416 Hispanic-serving institutions work study program.

Subpart F—Small Cities, Non-Entitlement CDBG Grants in Hawaii and Insular Areas Programs

570.420 General.
570.421 New York Small Cities Program design.
570.422–4.25 [Reserved]
570.426 Program income.
570.427 Program amendments.
570.428 [Reserved]
570.429 Hawaii general and grant requirements.
570.431 Citizen participation.
570.440 Application requirements for insular area grants funded under section 106.
570.441 Citizen participation—insular areas.
570.442 Reallocations—Insular Areas.

Subpart G—Urban Development Action Grants

570.450 Purpose.
570.456 Ineligible activities and limitations on eligible activities.
570.457 Displacement, relocation, acquisition, and replacement of housing.
570.461 Post-preliminary approval requirements; lead-based paint.
570.463 Project amendments and revisions.
570.464 Project closeout.
570.465 Applicability of rules and regulations.
570.466 Additional application submission requirements for Pockets of Poverty—employment opportunities.

Subpart H [Reserved]

Subpart I—State Community Development Block Grant Program

570.480 General.
570.481 Definitions.
570.482 Eligible activities.
570.483 Criteria for national objectives.
570.484 Overall benefit to low and moderate income persons.
570.485 Making of grants.
570.486 Local government requirements.
570.487 Other applicable laws and related program requirements.
570.488 Displacement, relocation, acquisition, and replacement of housing.
570.489 Program administrative requirements.
570.490 Recordkeeping requirements.
570.491 Performance and evaluation report.
570.492 State's reviews and audits.
570.493 HUD's reviews and audits.
§ 570.494  Timely distribution of funds by states.
§ 570.495  Reviews and audits response.
§ 570.496  Remedies for noncompliance; opportunity for hearing.
§ 570.497  Condition of State election to administer State CDBG Program.

Subpart J—Grant Administration
§ 570.500  Definitions.
§ 570.501  Responsibility for grant administration.
§ 570.502  Applicability of uniform administrative requirements.
§ 570.503  Agreements with subrecipients.
§ 570.504  Program income.
§ 570.505  Use of real property.
§ 570.506  Records to be maintained.
§ 570.507  Reports.

§ 570.707  Applicability of rules and regulations.
§ 570.708  Sanctions.
§ 570.709  Allocation of loan guarantee assistance.
§ 570.710  State responsibilities.
§ 570.711  State borrowers; additional requirements and application procedures.

Subpart N—Urban Renewal Provisions
§ 570.800  Urban renewal regulations.

Subpart O—Performance Reviews
§ 570.900  General.
§ 570.901  Review for compliance with the primary and national objectives and other program requirements.
§ 570.902  Review to determine if CDBG funded activities are being carried out in a timely manner.
§ 570.903  Review to determine if the recipient is meeting its consolidated plan responsibilities.
§ 570.904  Equal opportunity and fair housing review criteria.
§ 570.905  Review of continuing capacity to carry out CDBG funded activities in a timely manner.
§ 570.906  Review of urban counties.
§ 570.907–570.909  [Reserved]
§ 570.910  Corrective and remedial actions.
§ 570.911  Reduction, withdrawal, or adjustment of a grant or other appropriate action.
§ 570.912  Nondiscrimination compliance.
§ 570.913  Other remedies for noncompliance.

APPENDIX A TO PART 570—GUIDELINES AND OBJECTIVES FOR EVALUATING PROJECT COSTS AND FINANCIAL REQUIREMENTS

AUTHORITY: 42 U.S.C. 3535(d) and 5301–5320.
SOURCE: 40 FR 24693, June 9, 1975, unless otherwise noted.

Subpart A—General Provisions

SOURCE: 53 FR 34437, Sept. 6, 1988, unless otherwise noted.

§ 570.1  Purpose and primary objective.
(a) This part describes policies and procedures applicable to the following programs authorized under title I of the Housing and Community Development Act of 1974, as amended:
(1) Entitlement grants program (subpart D);
(2) Nonentitlement Funds: HUD-administered Small Cities and Insular Area programs (subpart F);
(3) State program: State-administered CDBG nonentitlement funds (subpart I);
(4) Special Purpose Grants (subpart E);
(5) Urban Development Action Grant program (subpart G); and
(6) Loan Guarantees (subpart M).

(b) Subparts A, C, J, K, and O apply to all programs in paragraph (a) except as modified or limited under the provisions of these subparts or the applicable program regulations. In the application of the subparts to Special Purpose Grants or the Urban Development Action Grant program, the reference to funds in the form of grants in the term "CDBG funds", as defined in §570.3, shall mean the grant funds under those programs. The subparts do not apply to the State program (subpart I) except to the extent expressly referred to.

(c) The primary objective of the programs authorized under title I of the Housing and Community Development Act of 1974, as amended, is described in section 101(c) of the Act (42 U.S.C. 5301(c)).

§ 570.3 Definitions.

The terms HUD and Secretary are defined in 24 CFR part 5. All of the following definitions in this section that rely on data from the United States Bureau of the Census shall rely upon the data available from the latest decennial census.

Act means title I of the Housing and Community Development Act of 1974 as amended (42 U.S.C. 5301 et seq.).

Age of housing means the number of year-round housing units, as further defined in section 102(a)(11) of the Act.

Applicant means a State or unit of general local government that makes application pursuant to the provisions of subpart E, F, G or M.

Buildings for the general conduct of government shall have the meaning provided in section 102(a)(21) of the Act.

CDBG funds means Community Development Block Grant funds, including funds received in the form of grants under subpart D, F, or §570.405 of this part, funds awarded under section 108(g) of the Housing and Community Development Act of 1974, loans guaranteed under subpart M of this part, urban renewal surplus grant funds, and program income as defined in §570.500(a).

Chief executive officer of a State or unit of general local government means the elected official or the legally designated official, who has the primary responsibility for the conduct of that entity's governmental affairs. Examples of the "chief executive officer" of a unit of general local government are: the elected mayor of a municipality; the elected county executive, the elect- utive of a county; the chairperson of a county commission or board in a county that has no elected county executive; and the official designated pursuant to law by the governing body of a unit of general local government.

City means the following:

(1) For purposes of Entitlement Community Development Block Grant and Urban Development Action Grant eligibility:

(i) Any unit of general local government that is classified as a municipality by the United States Bureau of the Census, or

(ii) Any other unit of general local government that is a town or township and that, in the determination of the Secretary:

(A) Possesses powers and performs functions comparable to those associated with municipalities;

(B) Is closely settled (except that the Secretary may reduce or waive this requirement on a case by case basis for the purposes of the Action Grant program); and

(C) Contains within its boundaries no incorporated places as defined by the United States Bureau of the Census that have not entered into cooperation agreements with the town or township for a period covering at least 3 years to undertake or assist in the undertaking of essential community development and housing assistance activities. The determination of eligibility of a town or township to qualify as a city will be based on information available from the United States Bureau of the Census and information provided by the town or township and its included units of general local government.
(2) For purposes of Urban Development Action Grant eligibility only, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, the counties of Kauai, Maui, and Hawaii in the State of Hawaii, and Indian tribes that are eligible recipients under the State and Local Government Fiscal Assistance Act of 1972 and located on reservations in Oklahoma as determined by the Secretary of the Interior or in Alaskan Native Villages.

Community Development Financial Institution has the same meaning as used in the Community Development Banking and Financial Institutions Act of 1994 (12 U.S.C. 4701 note).

Consolidated plan. The plan prepared in accordance with 24 CFR part 91, which describes needs, resources, priorities and proposed activities to be undertaken with respect to HUD programs, including the CDBG program.

An approved consolidated plan means a consolidated plan that has been approved by HUD in accordance with 24 CFR part 91.

Discretionary grant means a grant made from the various Special Purpose Grants in accordance with subpart E of this part.

Entitlement amount means the amount of funds which a metropolitan city is entitled to receive under the Entitlement grant program, as determined by formula set forth in section 106 of the Act.

Extent of growth lag shall have the meaning provided in section 102(a)(12) of the Act.

Extent of housing overcrowding shall have the meaning provided in section 102(a)(10) of the Act.

Family refers to the definition of “family” in 24 CFR 5.403.

Household means all persons occupying a housing unit. The occupants may be a family, as defined in 24 CFR 5.403; two or more families living together; or any other group of related or unrelated persons who share living arrangements, regardless of actual or perceived, sexual orientation, gender identity, or marital status.

Income. For the purpose of determining whether a family or household is low- and moderate-income under subpart C of this part, grantees may select any of the three definitions listed below for each activity, except that integrally related activities of the same type and qualifying under the same paragraph of §570.208(a) shall use the same definition of income. The option to choose a definition does not apply to activities that qualify under §570.208(a)(1) (Area benefit activities), except when the recipient carries out a survey under §570.208(a)(1)(vi). Activities qualifying under §570.208(a)(1) generally must use the area income data supplied to recipients by HUD. The three definitions are as follows:

(i) “Annual income” as defined under the Section 8 Housing Assistance Payments program at 24 CFR 813.106 (except that if the CDBG assistance being provided is homeowner rehabilitation under §570.202, the value of the homeowner’s primary residence may be excluded from any calculation of Net Family Assets); or

(ii) Annual income as reported under the Census long-form for the most recent available decennial Census. This definition includes:

(A) Wages, salaries, tips, commissions, etc.;

(B) Self-employment income from own nonfarm business, including proprietorships and partnerships;

(C) Farm self-employment income;

(D) Interest, dividends, net rental income, or income from estates or trusts;

(E) Social Security or railroad retirement;

(F) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

(G) Retirement, survivor, or disability pensions; and
(H) Any other sources of income received regularly, including Veterans’ (VA) payments, unemployment compensation, and alimony; or

(iii) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.

(2) Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable. Income or asset enhancement derived from the CDBG-assisted activity shall not be considered in calculating estimated annual income.

Insular area shall have the meaning provided in section 102(a)(24) of the Act.

Low- and moderate-income household means a household having an income equal to or less than the Section 8 low-income limit established by HUD.

Low- and moderate-income person means a member of a family having an income equal to or less than the Section 8 low-income limit established by HUD. Unrelated individuals will be considered as one-person families for this purpose.

Low-income household means a household having an income equal to or less than the Section 8 very low-income limit established by HUD.

Low-income person means a member of a family that has an income equal to or less than the Section 8 very low-income limit established by HUD. Unrelated individuals will be considered as one-person families for this purpose.

Low-income household means a household having an income equal to or less than the Section 8 very low-income limit, established by HUD.

Moderate-income person means a member of a family that has an income equal to or less than the Section 8 low-income limit and greater than the Section 8 very low-income limit, established by HUD. Unrelated individuals shall be considered as one-person families for this purpose.

Nonentitlement amount means the amount of funds which is allocated for use in a State’s nonentitlement areas as determined by the methodology set forth in section 106 of the Act.

Nonentitlement area shall have the meaning provided in section 102(a)(7) of the Act.

Population means the total resident population based on data compiled and published by the United States Bureau of the Census available from the latest census or which has been upgraded by the Bureau to reflect changes resulting from the Boundary and Annexation Survey, new incorporations and consolidations of governments pursuant to §570.4, and which reflects, where applicable, changes resulting from the Bureau’s latest population determination through its estimating technique using natural changes (birth and death) and net migration, and is referable to the same point or period in time.

State shall have the meaning provided in section 102(a)(1) of the Act.

Unit of general local government shall have the meaning provided in section 102(a)(2) of the Act.

Urban county shall have the meaning provided in section 102(a)(6) of the Act. For the purposes of this definition, HUD will determine whether the county’s combined population contains the required percentage of low- and moderate-income persons by identifying the number of persons that resided in applicable areas and units of general local government based on data from the most recent decennial census, and using income limits that would have applied for the year in which that census was taken.

Urban Development Action Grant (UDAG) means a grant made by the
§ 570.4 Allocation of funds.

(a) The determination of eligibility of units of general local government to receive entitlement grants, the entitlement amounts, the allocation of appropriated funds to States for use in non-entitlement areas, the reallocation of funds, the allocation of appropriated funds to insular areas, and the allocation of appropriated funds for discretionary grants under the Secretary’s Fund shall be governed by the policies and procedures described in sections 106 and 107 of the Act, as appropriate.

(b) The definitions in §570.3 shall govern in applying the policies and procedures described in sections 106 and 107 of the Act, as appropriate.

(c) In determining eligibility for entitlement and in allocating funds under section 106 of the Act for any federal fiscal year, HUD will recognize corporate status and geographical boundaries and the status of metropolitan areas and principal cities effective as of July 1 preceding such federal fiscal year, subject to the following limitations:

1. With respect to corporate status as certified by the applicable State and available for processing by the Census Bureau as of such date;

2. With respect to boundary changes or annexations, as are used by the Census Bureau in preparing population estimates for all general purpose governmental units and are available for processing by the Census Bureau as of such date, except that any such boundary changes or annexations which result in the population of a unit of general local government reaching or exceeding 50,000 shall be recognized for this purpose whether or not such changes are used by the Census Bureau in preparing such population estimates; and

3. With respect to the status of Metropolitan Statistical Areas and principal cities, as officially designated by the Office of Management and Budget as of such date.

(d) In determining whether a county qualifies as an urban county, and in computing entitlement amounts for urban counties, the demographic values of population, poverty, housing overcrowding, and age of housing of any Indian tribes located within the county shall be excluded. In allocating amounts to States for use in non-entitlement areas, the demographic values of population, poverty, housing overcrowding and age of housing of all Indian tribes located in all nonentitled areas shall be excluded. It is recognized that all such data on Indian tribes are not generally available from the United States Bureau of the Census and that missing portions of data will have to be estimated. In accomplishing any such estimations the Secretary may use such other related information available from reputable sources as may seem appropriate, regardless of the data’s point or period of time and shall use the best judgement possible in adjusting such data to reflect the same point or period of time as the overall data from which the Indian tribes are being deducted, so that such deduction shall not create an imbalance with those overall data.

(e) Amounts remaining after closeout of a grant which are required to be returned to HUD under the provisions of §570.509, Grant closeout procedures, shall be considered as funds available for reallocation unless the appropriation under which the funds were provided to the Department has lapsed.

§ 570.5 Waivers.

HUD’s authority for the waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR part 5 and in section 122 of the Act, respectively.

VerDate Mar<15>2010 14:40 May 03, 2013 Jkt 229082 PO 00000 Frm 00046 Fmt 8010 Sfmt 8006 Y:\SGML\229082.XXX 229082erowe on DSK2VPTVN1PROD with CFR
Subpart C—Eligible Activities

SOURCE: 53 FR 34439, Sept. 6, 1988, unless otherwise noted.

§ 570.200 General policies.

(a) Determination of eligibility. An activity may be assisted in whole or in part with CDBG funds only if all of the following requirements are met:

(1) Compliance with section 105 of the Act. Each activity must meet the eligibility requirements of section 105 of the Act as further defined in this subpart.

(2) Compliance with national objectives. Grant recipients under the Entitlement and HUD-administered Small Cities programs and recipients of insular area funds under section 106 of the Act must certify that their projected use of funds has been developed so as to give maximum feasible priority to activities which will carry out one of the national objectives of benefit to low- and moderate-income families or aid in the prevention or elimination of slums or blight. The projected use of funds may also include activities that the recipient certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. Consistent with the foregoing, each recipient under the Entitlement and HUD-administered Small Cities programs, and each recipient of insular area funds under section 106 of the Act must ensure and maintain evidence that each of its activities assisted with CDBG funds meets one of the three national objectives as contained in its certification. Criteria for determining whether an activity addresses one or more of these objectives are found in §570.208.

(3) Compliance with the primary objective. The primary objective of the Act is described in section 101(c) of the Act. Consistent with this objective, entitlement recipients, non-entitlement CDBG grantees in Hawaii, and recipients of insular area funds under section 106 of the Act must ensure that, over a period of time specified in their certification not to exceed three years, not less than 70 percent of the aggregate of CDBG fund expenditures shall be for activities meeting the criteria under §570.208(a) or under §570.208(d)(5) or (6) for benefiting low- and moderate-income persons. For grants under section 107 of the Act, insular area recipients must meet this requirement for each separate grant. See §570.420(d)(3) for additional discussion of the primary objective requirement for insular areas funded under section 106 of the Act. The requirements for the HUD-administered Small Cities program in New York are at §570.420(d)(2). In determining the percentage of funds expended for such activities:

(i) Cost of administration and planning eligible under §570.205 and §570.206 will be assumed to benefit low and moderate income persons in the same proportion as the remainder of the CDBG funds and, accordingly shall be excluded from the calculation;

(ii) Funds deducted by HUD for repayment of urban renewal temporary loans pursuant to §570.802(b) shall be excluded;

(iii) Funds expended for the repayment of loans guaranteed under the provisions of subpart M shall also be excluded;

(iv) Funds expended for the acquisition, new construction or rehabilitation of property for housing that qualifies under §570.208(a)(3) shall be counted for this purpose but shall be limited to an amount determined by multiplying the total cost (including CDBG and non-CDBG costs) of the acquisition, construction or rehabilitation by the percent of units in such housing to be occupied by low and moderate income persons.

(v) Funds expended for any other activities qualifying under §570.208(a) shall be counted for this purpose in their entirety.

(4) Compliance with environmental review procedures. The environmental review procedures set forth at 24 CFR part 58 must be completed for each activity (or project as defined in 24 CFR part 58), as applicable.

(5) Cost principles. Costs incurred, whether charged on a direct or an indirect basis, must be in conformance

with OMB Circulars A–87, “Cost Principles for State, Local and Indian Tribal Governments”; A–122, “Cost Principles for Non-profit Organizations”; or A–21, “Cost Principles for Educational Institutions,” as applicable. All items of cost listed in Attachment B of these circulars that require prior Federal agency approval are allowable without prior approval of HUD to the extent they comply with the general policies and principles stated in Attachment A of such circulars and are otherwise eligible under this subpart C, except for the following:

(i) Depreciation methods for fixed assets shall not be changed without HUD’s specific approval or, if charged through a cost allocation plan, the Federal cognizant agency.

(ii) Fines and penalties (including punitive damages) are unallowable costs to the CDBG program.

(iii) Pre-award costs are limited to those authorized under paragraph (h) of this section.

(b) Special policies governing facilities. The following special policies apply to:

(1) Facilities containing both eligible and ineligible uses. A public facility otherwise eligible for assistance under the CDBG program may be provided with CDBG funds even if it is part of a multiple use building containing ineligible uses, if:

(i) The facility which is otherwise eligible and proposed for assistance will occupy a designated and discrete area within the larger facility; and

(ii) The recipient can determine the costs attributable to the facility proposed for assistance as separate and distinct from the overall costs of the multiple-use building and/or facility.

Allowable costs are limited to those attributable to the eligible portion of the building or facility.

(2) Fees for use of facilities. Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which will have the effect of precluding low and moderate income persons from using the facilities, are not permitted.

(c) Special assessments under the CDBG program. The following policies relate to special assessments under the CDBG program:

(1) Definition of special assessment. The term “special assessment” means the recovery of the capital costs of a public improvement, such as streets, water or sewer lines, curbs, and gutters, through a fee or charge levied or filed as a lien against a parcel of real estate as a direct result of benefit derived from the installation of a public improvement, or a one-time charge made as a condition of access to a public improvement. This term does not relate to taxes, or the establishment of the value of real estate for the purpose of levying real estate, property, or ad valorem taxes, and does not include periodic charges based on the use of a public improvement, such as water or sewer user charges, even if such charges include the recovery of all or some portion of the capital costs of the public improvement.

(2) Special assessments to recover capital costs. Where CDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(i) Special assessments to recover the CDBG funds may be made only against properties owned and occupied by persons not of low and moderate income. Such assessments constitute program income.

(ii) Special assessments to recover the non-CDBG portion may be made provided that CDBG funds are used to pay the special assessment in behalf of all properties owned and occupied by low and moderate income persons; except that CDBG funds need not be used to pay the special assessments in behalf of properties owned and occupied by moderate income persons if the grant recipient certifies that it does not have sufficient CDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(3) Public improvements not initially assisted with CDBG funds. The payment of special assessments with CDBG funds
constitutes CDBG assistance to the public improvement. Therefore, CDBG funds may be used to pay special assessments provided:

(i) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this part including environmental, citizen participation and Davis-Bacon requirements;

(ii) The installation of the public improvement meets a criterion for national objectives in § 570.208(a)(1), (b), or (c); and

(iii) The requirements of § 570.200(c)(2)(ii) are met.

(d) Consultant activities. Consulting services are eligible for assistance under this part for professional assistance in program planning, development of community development objectives, and other general professional guidance relating to program execution. The use of consultants is governed by the following:

(1) Employer-employee type of relationship. No person providing consultant services in an employer-employee type of relationship shall receive more than a reasonable rate of compensation for personal services paid with CDBG funds. In no event, however, shall such compensation exceed the equivalent of the daily rate paid for Level IV of the Executive Schedule. Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation.

(2) Independent contractor relationship. Consultant services provided under an independent contractor relationship are governed by the procurement requirements in 24 CFR 85.36, and are not subject to the compensation limitation of Level IV of the Executive Schedule.

(e) Recipient determinations required as a condition of eligibility. In several instances under this subpart, the eligibility of an activity depends on a special local determination. Recipients shall maintain documentation of all such determinations. A written determination is required for any activity carried out under the authority of §§ 570.201(f), 570.201(1)(2), 570.201(p), 570.201(q), 570.202(b)(3), 570.206(d), 570.209, 570.210, and 570.309.

(f) Means of carrying out eligible activities. (1) Activities eligible under this subpart, other than those authorized under § 570.204(a), may be undertaken, subject to local law:

(i) By the recipient through:
(A) Its employees, or
(B) Procurement contracts governed by the requirements of 24 CFR 85.36; or
(ii) Through loans or grants under agreements with subrecipients, as defined at § 570.500(c); or
(iii) By one or more public agencies, including existing local public agencies, that are designated by the chief executive officer of the recipient.

(2) Activities made eligible under § 570.204(a) may only be undertaken by entities specified in that section.

(g) Limitation on planning and administrative costs. No more than 20 percent of the sum of any grant, plus program income, shall be expended for planning and program administrative costs, as defined in §§ 570.205 and 507.206, respectively. Recipients of entitlement grants under subpart D of this part shall conform with this requirement by limiting the amount of CDBG funds obligated for planning and administration during each program year to an amount no greater than 20 percent of the sum of its entitlement grant made for that program year (if any) plus the program income received by the recipient and its subrecipients (if any) during that program year.

(h) Reimbursement for pre-award costs. The effective date of the grant agreement is the program year start date or the date that the consolidated plan is received by HUD, whichever is later. For a Section 108 loan guarantee, the effective date of the grant agreement is the date of HUD execution of the grant agreement amendment for the particular loan guarantee commitment.

(1) Prior to the effective date of the grant agreement, a recipient may incur costs or may authorize a subrecipient to incur costs, and then after the effective date of the grant agreement pay for those costs using its CDBG funds, provided that:

(i) The activity for which the costs being incurred is included, prior to the costs being incurred, in a consolidated plan action plan, an amended
§ 570.200

consolidated plan action plan, or an application under subpart M of this part, except that a new entitlement grantee preparing to receive its first allocation of CDBG funds may incur costs necessary to develop its consolidated plan and undertake other administrative actions necessary to receive its first grant, prior to the costs being included in its consolidated plan;

(ii) Citizens are advised of the extent to which these pre-award costs will affect future grants;

(iii) The costs and activities funded are in compliance with the requirements of this part and with the Environmental Review Procedures stated in 24 CFR part 58;

(iv) The activity for which payment is being made complies with the statutory and regulatory provisions in effect at the time the costs are paid for with CDBG funds;

(v) CDBG payment will be made during a time no longer than the next two program years following the effective date of the grant agreement or amendment in which the activity is first included; and

(vi) The total amount of pre-award costs to be paid during any program year pursuant to this provision is no more than the greater of 25 percent of the amount of the grant made for that year or $300,000.

(2) Upon the written request of the recipient, HUD may authorize payment of pre-award costs for activities that do not meet the criteria at paragraph (h)(1)(v) or (h)(1)(vi) of this section, if HUD determines, in writing, that there is good cause for granting an exception upon consideration of the following factors, as applicable:

(i) Whether granting the authority would result in a significant contribution to the goals and purposes of the CDBG program;

(ii) Whether failure to grant the authority would result in undue hardship to the recipient or beneficiaries of the activity;

(iii) Whether granting the authority would not result in a violation of a statutory provision or any other regulatory provision;

(iv) Whether circumstances are clearly beyond the recipient’s control; or

(v) Any other relevant considerations.

(i) Urban Development Action Grant. Grant assistance may be provided with Urban Development Action Grant funds, subject to the provisions of subpart G, for:

(1) Activities eligible for assistance under this subpart; and

(2) Notwithstanding the provisions of §570.207, such other activities as the Secretary may determine to be consistent with the purposes of the Urban Development Action Grant program.

(j) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the CDBG program. Neither the Federal government nor a State or local government receiving funds under CDBG programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(2) Organizations that are directly funded under the CDBG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the CDBG program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct CDBG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide CDBG-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a CDBG-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members
on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(4) An organization that participates in the CDBG program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) CDBG funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds in this part. Sanctuaries, chapels, or other rooms that a CDBG-funded religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 570.201 Basic eligible activities.

CDBG funds may be used for the following activities:

(a) Acquisition. Acquisition in whole or in part by the recipient, or other public or private nonprofit entity, by purchase, long-term lease, donation, or otherwise, of real property (including air rights, water rights, rights-of-way, easements, and other interests therein) for any public purpose, subject to the limitations of §570.207.

(b) Disposition. Disposition, through sale, lease, donation, or otherwise, of any real property acquired with CDBG funds or its retention for public purposes, including reasonable costs of temporarily managing such property or property acquired under urban renewal, provided that the proceeds from any such disposition shall be program income subject to the requirements set forth in §570.504.

(c) Public facilities and improvements. Acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements, except as provided in §570.207(a), carried out by the recipient or other public or private nonprofit entities. (However, activities under this paragraph may be directed to the removal of material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to public facilities and improvements, including those provided for in §570.207(a)(1).) In undertaking such activities, design features and improvements which promote energy efficiency may be included. Such activities may also include the execution of architectural design features, and similar treatments intended to enhance the aesthetic quality of facilities and improvements receiving CDBG assistance, such as decorative pavements, railings, sculptures, pools of water and fountains, and other works of art. Facilities designed for use in providing shelter for persons having special needs are considered public facilities and not subject to the prohibition of new housing construction described in §570.207(b)(3). Such facilities include shelters for the homeless; convalescent homes; hospitals, nursing homes; battered spouse shelters; halfway houses for runaway children, drug offenders or parolees; group homes for...
mentally retarded persons and temporary housing for disaster victims. In certain cases, nonprofit entities and subrecipients including those specified in §570.204 may acquire title to public facilities. When such facilities are owned by nonprofit entities or subrecipients, they shall be operated so as to be open for use by the general public during all normal hours of operation. Public facilities and improvements eligible for assistance under this paragraph are subject to the policies in §570.200(b).

(d) Clearance and remediation activities. Clearance, demolition, and removal of buildings and improvements, including movement of structures to other sites and remediation of known or suspected environmental contamination. Demolition of HUD-assisted or HUD-owned housing units may be undertaken only with the prior approval of HUD. Remediation may include project-specific environmental assessment costs not otherwise eligible under §570.205.

(e) Public services. Provision of public services (including labor, supplies, and materials) including but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, welfare (but excluding the provision of income payments identified under §570.207(b)(4)), homeowner downpayment assistance, or recreational needs. To be eligible for CDBG assistance, a public service must be either a new service or a quantifiable increase in the level of an existing service above that which has been provided by or on behalf of the unit of general local government (through funds raised by the unit or received by the unit from the State in which it is located) in the 12 calendar months before the submission of the action plan. (An exception to this requirement may be made if HUD determines that any decrease in the level of a service was the result of events not within the control of the unit of general local government.) The amount of CDBG funds used for public services shall not exceed 15 percent of each grant, except that for entitlement grants made under subpart D of this part, the amount shall not exceed 15 percent of the grant plus 15 percent of program income, as defined in §570.500(a). For entitlement grants under subpart D of this part, compliance is based on limiting the amount of CDBG funds obligated for public service activities in each program year to an amount no greater than 15 percent of the entitlement grant made for that program year plus 15 percent of the program income received during the grantee’s immediately preceding program year.

(2) A recipient which obligated more CDBG funds for public services than 15 percent of its grant funded from Federal fiscal year 1982 or 1983 appropriations (excluding program income and any assistance received under Public Law 98–8), may obligate more CDBG funds than allowable under paragraph (e)(1) of this section, so long as the total amount obligated in any program year does not exceed:

(i) For an entitlement grantee, 15% of the program income it received during the preceding program year; plus

(ii) A portion of the grant received for the program year which is the highest of the following amounts:

(A) The amount determined by applying the percentage of the grant it obligated for public services in the 1982 program year against the grant for its current program year;
(B) The amount determined by applying the percentage of the grant it obligated for public services in the 1983 program year against the grant for its current program year;
(C) The amount of funds it obligated for public services in the 1982 program year; or,
(D) The amount of funds it obligated for public services in the 1983 program year.

(f) Interim assistance. (1) The following activities may be undertaken on an interim basis in areas exhibiting objectively determinable signs of physical deterioration where the recipient has determined that immediate action is necessary to arrest the deterioration and that permanent improvement will be carried out as soon as practicable:
(i) The repairing of streets, sidewalks, parks, playgrounds, publicly owned utilities, and public buildings; and

(ii) The execution of special garbage, trash, and debris removal, including neighborhood cleanup campaigns, but not the regular curbside collection of garbage or trash in an area.

(2) In order to alleviate emergency conditions threatening the public health and safety in areas where the chief executive officer of the recipient determines that such an emergency condition exists and requires immediate resolution, CDBG funds may be used for:

(i) The activities specified in paragraph (f)(1) of this section, except for the repair of parks and playgrounds;

(ii) The clearance of streets, including snow removal and similar activities, and

(iii) The improvement of private properties.

(3) All activities authorized under paragraph (f)(2) of this section are limited to the extent necessary to alleviate emergency conditions.

(g) Payment of non-Federal share. Payment of the non-Federal share required in connection with a Federal grant-in-aid program undertaken as part of CDBG activities, provided, that such payment shall be limited to activities otherwise eligible and in compliance with applicable requirements under this subpart.

(h) Urban renewal completion. Payment of the cost of completing an urban renewal project funded under title I of the Housing Act of 1949 as amended. Further information regarding the eligibility of such costs is set forth in §570.801.

(i) Relocation. Relocation payments and other assistance for permanently and temporarily relocated individuals, families, businesses, nonprofit organizations, and farm operations where the assistance is (1) required under the provisions of §570.606 (b) or (c); or (2) determined by the grantee to be appropriate under the provisions of §570.606(d).

(j) Loss of rental income. Payments to housing owners for losses of rental income incurred in holding, for temporary periods, housing units to be used for the relocation of individuals and families displaced by program activities assisted under this part.

(k) Housing services. Housing services, as provided in section 105(a)(21) of the Act (42 U.S.C. 5305(a)(21)).

(l) Privately owned utilities. CDBG funds may be used to acquire, construct, reconstruct, rehabilitate, or install the distribution lines and facilities of privately owned utilities, including the placing underground of new or existing distribution facilities and lines.

(m) Construction of housing. CDBG funds may be used for the construction of housing assisted under section 17 of the United States Housing Act of 1937.

(n) Homeownership assistance. CDBG funds may be used to provide direct homeownership assistance to low- or moderate-income households in accordance with section 105(a) of the Act.

(o)(1) The provision of assistance either through the recipient directly or through public and private organizations, agencies, and other subrecipients (including nonprofit and for-profit subrecipients) to facilitate economic development by:

(i) Providing credit, including, but not limited to, grants, loans, loan guarantees, and other forms of financial support, for the establishment, stabilization, and expansion of microenterprises;

(ii) Providing technical assistance, advice, and business support services to owners of microenterprises and persons developing microenterprises;

(iii) Providing general support, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services to owners of microenterprises and persons developing microenterprises.

(2) Services provided this paragraph (o) shall not be subject to the restrictions on public services contained in paragraph (e) of this section.

(3) For purposes of this paragraph (o), ‘persons developing microenterprises’ means such persons who have expressed interest and who are, or after an initial screening process are expected to be, actively working toward developing businesses, each of which is expected to be a microenterprise at the time it is formed.
§ 570.202 Eligible rehabilitation and preservation activities.

(a) Types of buildings and improvements eligible for rehabilitation assistance. CDBG funds may be used to finance the rehabilitation of:

(1) Privately owned buildings and improvements for residential purposes; improvements to a single-family residential property which is also used as a place of business, which are required in order to operate the business, need not be considered to be rehabilitation of a commercial or industrial building, if the improvements also provide general benefit to the residential occupants of the building;

(2) Low-income public housing and other publicly owned residential buildings and improvements;

(3) Publicly or privately owned commercial or industrial buildings, except that the rehabilitation of such buildings owned by a private for-profit business is limited to improvement to the exterior of the building, abatement of asbestos hazards, lead-based paint hazard evaluation and reduction, and the correction of code violations;

(4) Nonprofit-owned nonresidential buildings and improvements not eligible under §570.201(c); and

(5) Manufactured housing when such housing constitutes part of the community’s permanent housing stock.

(b) Types of assistance. CDBG funds may be used to finance the following types of rehabilitation activities, and related costs, either singly, or in combination, through the use of grants, loans, loan guarantees, interest supplements, or other means for buildings and improvements described in paragraph (a) of this section, except that rehabilitation of commercial or industrial buildings is limited as described in paragraph (a)(3) of this section.

(1) Assistance to private individuals and entities, including profit making and nonprofit organizations, to acquire for the purpose of rehabilitation, and to rehabilitate properties, for use or resale for residential purposes;

(2) Labor, materials, and other costs of rehabilitation of properties, including repair directed toward an accumulation of deferred maintenance, replacement of principal fixtures and components of existing structures, installation of security devices, including smoke detectors and dead bolt locks, and renovation through alterations, additions to, or enhancement of existing structures and improvements, abatement of asbestos hazards (and other contaminants) in buildings and improvements that may be undertaken singly, or in combination;

(3) Loans for refinancing existing indebtedness secured by a property being rehabilitated with CDBG funds if such financing is determined by the recipient to be necessary or appropriate to achieve the locality’s community development objectives;

(4) Assistance under this paragraph (o) may also include training, technical assistance, or other support services to increase the capacity of the recipient or subrecipient to carry out the activities under this paragraph (o).

(p) Technical assistance. Provision of technical assistance to public or nonprofit entities to increase the capacity of such entities to carry out eligible neighborhood revitalization or economic development activities. (The recipient must determine, prior to the provision of the assistance, that the activity for which it is attempting to build capacity would be eligible for assistance under this subpart C, and that the national objective claimed by the grantee for this assistance can reasonably be expected to be met once the entity has received the technical assistance and undertakes the activity.) Capacity building for private or public entities (including grantees) for other purposes may be eligible under §570.205.

(q) Assistance to institutions of higher education. Provision of assistance by the recipient to institutions of higher education when the grantee determines that such an institution has demonstrated a capacity to carry out eligible activities under this subpart C.

(4) Improvements to increase the efficient use of energy in structures through such means as installation of storm windows and doors, siding, wall and attic insulation, and conversion, modification, or replacement of heating and cooling equipment, including the use of solar energy equipment;

(5) Improvements to increase the efficient use of water through such means as water savings faucets and shower heads and repair of water leaks;

(6) Connection of residential structures to water distribution lines or local sewer collection lines;

(7) For rehabilitation carried out with CDBG funds, costs of:

(i) Initial homeowner warranty premiums;

(ii) Hazard insurance premiums, except where assistance is provided in the form of a grant; and

(iii) Flood insurance premiums for properties covered by the Flood Disaster Protection Act of 1973, pursuant to §570.605.

(8) Costs of acquiring tools to be lent to owners, tenants, and others who will use such tools to carry out rehabilitation;

(9) Rehabilitation services, such as rehabilitation counseling, energy auditing, preparation of work specifications, loan processing, inspections, and other services related to assisting owners, tenants, contractors, and other entities, participating or seeking to participate in rehabilitation activities authorized under this section, under section 312 of the Housing Act of 1964, as amended, under section 810 of the Act, or under section 17 of the United States Housing Act of 1937;

(10) Assistance for the rehabilitation of housing under section 17 of the United States Housing Act of 1937; and

(11) Improvements designed to remove material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to buildings and improvements eligible for assistance under paragraph (a) of this section.

(c) Code enforcement. Costs incurred for inspection for code violations and enforcement of codes (e.g., salaries and related expenses of code enforcement inspectors and legal proceedings, but not including the cost of correcting the violations) in deteriorating or deteriorated areas when such enforcement together with public or private improvements, rehabilitation, or services to be provided may be expected to arrest the decline of the area.

(d) Historic preservation. CDBG funds may be used for the rehabilitation, preservation or restoration of historic properties, whether publicly or privately owned. Historic properties are those sites or structures that are either listed in or eligible to be listed in the National Register of Historic Places, listed in a State or local inventory of historic places, or designated as a State or local landmark or historic district by appropriate law or ordinance. Historic preservation, however, is not authorized for buildings for the general conduct of government.

(e) Renovation of closed buildings. CDBG funds may be used to renovate closed buildings, such as closed school buildings, for use as an eligible public facility or to rehabilitate such buildings for housing.

(f) Lead-based paint activities. Lead-based paint activities pursuant to §570.608.

§570.203 Special economic development activities.

A recipient may use CDBG funds for special economic development activities in addition to other activities authorized in this subpart that may be carried out as part of an economic development project. Guidelines for selecting activities to assist under this paragraph are provided at §570.209. The recipient must ensure that the appropriate level of public benefit will be derived pursuant to those guidelines before obligating funds under this authority. Special activities authorized under this section do not include assistance for the construction of new housing. Activities eligible under this section may include costs associated with project-specific assessment or remediation of known or suspected environmental contamination. Special economic development activities include:
(a) The acquisition, construction, re-
construction, rehabilitation or instal-
lration of commercial or industrial
buildings, structures, and other real
property equipment and improvements,
including railroad spurs or similar ex-
tensions. Such activities may be car-
ried out by the recipient or public or
private nonprofit subrecipients.

(b) The provision of assistance to a
private for-profit business, including,
but not limited to, grants, loans, loan
guarantees, interest supplements, tech-
nical assistance, and other forms of
support, for any activity where the as-
sistance is appropriate to carry out an
economic development project, exclud-
ing those described as ineligible in
§570.207(a). In selecting businesses to
assist under this authority, the recipi-
ent shall minimize, to the extent prac-
ticable, displacement of existing busi-
nesses and jobs in neighborhoods.

(c) Economic development services in
connection with activities eligible
under this section, including, but not
limited to, outreach efforts to market
available forms of assistance; screening
of applicants; reviewing and under-
writing applications for assistance;
preparation of all necessary agree-
ments; management of assisted activi-
ties; and the screening, referral, and
placement of applicants for employ-
ment opportunities generated by
CDBG-eligible economic development
activities, including the costs of pro-
viding necessary training for persons
filling those positions.

[53 FR 34439, Sept. 6, 1988, as amended at 60

2006]

§570.204 Special activities by Commu-
nity-Based Development Organiza-
tions (CBDOs).

(a) Eligible activities. The recipient
may provide CDBG funds as grants or
loans to any CBDO qualified under this
section to carry out a neighborhood re-
vitalization, community economic de-
velopment, or energy conservation
project. The funded project activities
may include those listed as eligible
under this subpart, and, except as de-
scribed in paragraph (b) of this section,
activities not otherwise listed as eligi-
ble under this subpart. For purposes of
qualifying as a project under para-
graphs (a)(1), (a)(2), and (a)(3) of this
section, the funded activity or activi-
ties may be considered either alone or
in concert with other project activities
either being carried out or for which
funding has been committed. For pur-
poses of this section:

(1) Neighborhood revitalization
project includes activities of sufficient
size and scope to have an impact on the
decline of a geographic location within
the jurisdiction of a unit of general
local government (but not the entire
jurisdiction) designated in comprehen-
sive plans, ordinances, or other local
documents as a neighborhood, village,
or similar geographical designation;
or the entire jurisdiction of a unit of gen-
eral local government which is under
25,000 population;

(2) Community economic develop-
ment project includes activities that
increase economic opportunity, prin-
cipally for persons of low- and mod-
erate-income, or that stimulate or re-
tain businesses or permanent jobs, in-
cluding projects that include one or
more such activities that are clearly
needed to address a lack of affordable
housing accessible to existing or
planned jobs and those activities speci-
fied at 24 CFR 91.1(a)(1)(iii); activities
under this paragraph may include costs
associated with project-specific assess-
ment or remediation of known or sus-
pected environmental contamination;

(3) Energy conservation project in-
cludes activities that address energy
conservation, principally for the ben-
efit of the residents of the recipient’s
jurisdiction; and

(4) To carry out a project means that
the CBDO undertakes the funded ac-
tivities directly or through contract
with an entity other than the grantee,
or through the provision of financial
assistance for activities in which it re-
tains a direct and controlling involve-
ment and responsibilities.

(b) Ineligible activities. Notwith-
standing that CBDOs may carry out ac-
tivities that are not otherwise eligible
under this subpart, this section does
not authorize:

(1) Carrying out an activity described
as ineligible in §570.207(a);

(2) Carrying out public services that
do not meet the requirements of
§570.201(e), except that:
(i) Services carried out under this section that are specifically designed to increase economic opportunities through job training and placement and other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services; and

(ii) Services of any type carried out under this section pursuant to a strategy approved by HUD under the provisions of 24 CFR 91.215(e) shall not be subject to the limitations in §570.201(e)(1) or (2), as applicable;

(3) Providing assistance to activities that would otherwise be eligible under §570.203 that do not meet the requirements of §570.209; or

(4) Carrying out an activity that would otherwise be eligible under §570.205 or §570.206, but that would result in the recipient’s exceeding the spending limitation in §570.200(g).

(c) Eligible CBDOs. (1) A CBDO qualifying under this section is an organization which has the following characteristics:

(i) Is an association or corporation organized under State or local law to engage in community development activities (which may include housing and economic development activities) primarily within an identified geographic area of operation within the jurisdiction of the recipient, or in the case of an urban county, the jurisdiction of the county; and

(ii) Has as its primary purpose the improvement of the physical, economic or social environment of its geographic area of operation by addressing one or more critical problems of the area, with particular attention to the needs of persons of low and moderate income; and

(iii) May be either non-profit or for-profit, provided any monetary profits to its shareholders or members must be only incidental to its operations; and

(iv) Maintains at least 51 percent of its governing body’s membership for low- and moderate-income residents of its geographic area of operation, owners or senior officers of private establishments and other institutions located in and serving its geographic area of operation, or representatives of low- and moderate-income neighborhood organizations located in its geographic area of operation; and

(v) Is not an agency or instrumentality of the recipient and does not permit more than one-third of the membership of its governing body to be appointed by, or to consist of, elected or other public officials or employees or officials of an ineligible entity (even though such persons may be otherwise qualified under paragraph (c)(1)(iv) of this section); and

(vi) Except as otherwise authorized in paragraph (c)(1)(v) of this section, requires the members of its governing body to be nominated and approved by the general membership of the organization, or by its permanent governing body; and

(vii) Is not subject to requirements under which its assets revert to the recipient upon dissolution; and

(viii) Is free to contract for goods and services from vendors of its own choosing.

(2) A CBDO that does not meet the criteria in paragraph (c)(1) of this section may also qualify as an eligible entity under this section if it meets one of the following requirements:

(i) Is an entity organized pursuant to section 301(d) of the Small Business Investment Act of 1958 (15 U.S.C. 681(d)), including those which are profit making; or

(ii) Is an SBA approved Section 501 State Development Company or Section 502 Local Development Company, or an SBA Certified Section 503 Company under the Small Business Investment Act of 1958, as amended; or

(iii) Is a Community Housing Development Organization (CHDO) under 24 CFR 92.2, designated as a CHDO by the HOME Investment Partnerships program participating jurisdiction, with a geographic area of operation of no more than one neighborhood, and has received HOME funds under 24 CFR 92.300 or is expected to receive HOME funds as described in and documented in accordance with 24 CFR 92.300(e).

(3) A CBDO that does not qualify under paragraph (c)(1) or (2) of this section may also be determined to qualify as an eligible entity under this section if the recipient demonstrates to the
§ 570.205 Eligible planning, urban environmental design and policy-planning-management-capacity building activities.

(a) Planning activities which consist of all costs of data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans, including, but not limited to:

(1) Comprehensive plans;
(2) Community development plans;
(3) Functional plans, in areas such as:
   (i) Housing, including the development of a consolidated plan;
   (ii) Land use and urban environmental design;
   (iii) Economic development;
   (iv) Open space and recreation;
   (v) Energy use and conservation;
   (vi) Floodplain and wetlands management in accordance with the requirements of Executive Orders 11988 and 11990;
   (vii) Transportation;
   (viii) Utilities; and
   (ix) Historic preservation.

(4) Other plans and studies such as:
   (i) Small area and neighborhood plans;
   (ii) Capital improvements programs;
   (iii) Individual project plans (but excluding engineering and design costs related to a specific activity which are eligible as part of the cost of such activity under §§570.201–570.204);
   (iv) The reasonable costs of general environmental, urban environmental design and historic preservation studies; and general environmental assessment–remediation-oriented planning related to properties with known or suspected environmental contamination. However, costs necessary to comply with 24 CFR part 58, including project specific environmental assessments and clearances for activities eligible for assistance under this part, are eligible as part of the cost of such activities under §§570.201–570.204. Costs for such specific assessments and clearances may also be incurred under this paragraph but would then be considered planning costs for the purposes of §570.200(g):
   (v) Strategies and action programs to implement plans, including the development of codes, ordinances and regulations;
   (vi) Support of clearinghouse functions, such as those specified in Executive Order 12372; and
   (vii) Analysis of impediments to fair housing choice.

(b) Policy—planning—management—capacity building activities which will enable the recipient to:

(1) Determine its needs;
(2) Set long-term goals and short-term objectives, including those related to urban environmental design;
(3) Devise programs and activities to meet these goals and objectives;
(4) Evaluate the progress of such programs and activities in accomplishing these goals and objectives; and
(5) Carry out management, coordination and monitoring of activities necessary for effective planning implementation, but excluding the costs necessary to implement such plans.

§ 570.206 Program administrative costs.

Payment of reasonable administrative costs and carrying charges related to the planning and execution of community development activities assisted in whole or in part with funds provided under this part and, where applicable, housing activities (described in paragraph (g) of this section) covered in the recipient’s housing assistance plan. This does not include staff and overhead costs directly related to carrying out activities eligible under §570.201 through §570.204, since those costs are eligible as part of such activities.
(a) General management, oversight and coordination. Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not necessarily limited to, necessary expenditures for the following:

(1) Salaries, wages, and related costs of the recipient’s staff, the staff of local public agencies, or other staff engaged in program administration. In charging costs to this category the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignments, or the prorata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods during the program year (or the grant period for grants under subpart F). Program administration includes the following types of assignments:

(i) Providing local officials and citizens with information about the program;
(ii) Preparing program budgets and schedules, and amendments thereto;
(iii) Developing systems for assuring compliance with program requirements;
(iv) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;
(v) Monitoring program activities for progress and compliance with program requirements;

(vi) Preparing reports and other documents related to the program for submission to HUD;

(vii) Coordinating the resolution of audit and monitoring findings;

(viii) Evaluating program results against stated objectives; and

(ix) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraphs (a)(1)(i) through (viii) of this section.

(2) Travel costs incurred for official business in carrying out the program;

(3) Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services; and

(4) Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.

(b) Public information. The provisions of information and other resources to residents and citizen organizations participating in the planning, implementation, or assessment of activities being assisted with CDBG funds.

(c) Fair housing activities. Provision of fair housing services designed to further the fair housing objectives of the Fair Housing Act (42 U.S.C. 3601–20) by making all persons, without regard to race, color, religion, sex, national origin, familial status or handicap, aware of the range of housing opportunities available to them; other fair housing enforcement, education, and outreach activities; and other activities designed to further the housing objective of avoiding undue concentrations of assisted persons in areas containing a high proportion of low and moderate income persons.

(d) [Reserved]

(e) Indirect costs. Indirect costs may be charged to the CDBG program under a cost allocation plan prepared in accordance with OMB Circular A–21, A–87, or A–122 as applicable.

(f) Submission of applications for federal programs. Preparation of documents required for submission to HUD to receive funds under the CDBG and UDAG programs. In addition, CDBG funds may be used to prepare applications for other Federal programs where the recipient determines that such activities are necessary or appropriate to achieve its community development objectives.

(g) Administrative expenses to facilitate housing. CDBG funds may be used for necessary administrative expenses in planning or obtaining financing for housing as follows: for entitlement recipients, assistance authorized by this paragraph is limited to units which are identified in the recipient’s HUD approved housing assistance plan; for
§ 570.207 HUD-administered small cities recipients. Assistance authorized by the paragraph is limited to facilitating the purchase or occupancy of existing units which are to be occupied by low and moderate income households, or the construction of rental or owner units where at least 20 percent of the units in each project will be occupied at affordable rents/costs by low and moderate income persons. Examples of eligible actions are as follows:

1. The cost of conducting preliminary surveys and analysis of market needs;
2. Site and utility plans, narrative descriptions of the proposed construction, preliminary cost estimates, urban design documentation, and "sketch drawings," but excluding architectural, engineering, and other details ordinarily required for construction purposes, such as structural, electrical, plumbing, and mechanical details;
3. Reasonable costs associated with development of applications for mortgage and insured loan commitments, including commitment fees, and of applications and proposals under the Section 8 Housing Assistance Payments Program pursuant to 24 CFR parts 880–883;
4. Fees associated with processing of applications for mortgage or insured loan commitments under programs including those administered by HUD, Farmers Home Administration (FmHA), Federal National Mortgage Association (FNMA), and the Government National Mortgage Association (GNMA);
5. The cost of issuance and administration of mortgage revenue bonds used to finance the acquisition, rehabilitation or construction of housing, but excluding costs associated with the payment or guarantee of the principal or interest on such bonds; and
6. Special outreach activities which result in greater landlord participation in Section 8 Housing Assistance Payments Program-Existing Housing or similar programs for low and moderate income persons.

(h) Section 17 of the United States Housing Act of 1937. Reasonable costs equivalent to those described in paragraphs (a), (b), (e), and (f) of this section for overall program management of the Rental Rehabilitation and Housing Development programs authorized under section 17 of the United States Housing Act of 1937, whether or not such activities are otherwise assisted with funds provided under this part.

§ 570.207 Ineligible activities.

The general rule is that any activity that is not authorized under the provisions of §§570.201–570.206 is ineligible to be assisted with CDBG funds. This section identifies specific activities that are ineligible and provides guidance in determining the eligibility of other activities frequently associated with housing and community development.

(a) The following activities may not be assisted with CDBG funds:

1. Buildings or portions thereof, used for the general conduct of government as defined at §570.3(d) cannot be assisted with CDBG funds. This does not include, however, the removal of architectural barriers under §570.201(c) involving any such building. Also, where acquisition of real property includes an existing improvement which is to be used in the provision of a building for the general conduct of government, the portion of the acquisition cost attributable to the land is eligible, provided such acquisition meets a national objective described in §570.208.

2. General government expenses. Except as otherwise specifically authorized in this subpart or under OMB Circular A–87, expenses required to carry out the regular responsibilities of the unit of general local government are not eligible for assistance under this part.
(3) Political activities. CDBG funds shall not be used to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as candidate forums, voter transportation, or voter registration. However, a facility originally assisted with CDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, provided that all parties and organizations have access to the facility on an equal basis, and are assessed equal rent or use charges, if any.

(b) The following activities may not be assisted with CDBG funds unless authorized under provisions of § 570.203 or as otherwise specifically noted herein or when carried out by an entity under the provisions of § 570.204.

(1) Purchase of equipment. The purchase of equipment with CDBG funds is generally ineligible.

(i) Construction equipment. The purchase of construction equipment is ineligible, but compensation for the use of such equipment through leasing, depreciation, or use allowances pursuant to OMB Circulars A–21, A–87 or A–122 as applicable for an otherwise eligible activity is an eligible use of CDBG funds. However, the purchase of construction equipment for use as part of a solid waste disposal facility is eligible under § 570.201(c).

(ii) Fire protection equipment. Fire protection equipment is considered for this purpose to be an integral part of a public facility and thus, purchase of such equipment would be eligible under § 570.201(c).

(iii) Furnishings and personal property. The purchase of equipment, fixtures, motor vehicles, furnishings, or other personal property not an integral structural fixture is generally ineligible. CDBG funds may be used, however, to purchase or to pay depreciation or use allowances (in accordance with OMB Circular A–21, A–87 or A–122, as applicable) for such items when necessary for use by a recipient or its sub-recipients in the administration of activities assisted with CDBG funds, or when eligible as fire fighting equipment, or when such items constitute all or part of a public service pursuant to § 570.201(e).

(2) Operating and maintenance expenses. The general rule is that any expense associated with repairing, operating or maintaining public facilities, improvements and services is ineligible. Specific exceptions to this general rule are operating and maintenance expenses associated with public service activities, interim assistance, and office space for program staff employed in carrying out the CDBG program. For example, the use of CDBG funds to pay the allocable costs of operating and maintaining a facility used in providing a public service would be eligible under §570.201(e), even if no other costs of providing such a service are assisted with such funds. Examples of ineligible operating and maintenance expenses are:

(i) Maintenance and repair of publicly owned streets, parks, playgrounds, water and sewer facilities, neighborhood facilities, senior centers, centers for persons with a disabilities, parking and other public facilities and improvements. Examples of maintenance and repair activities for which CDBG funds may not be used include the filling of potholes in streets, repaving of cracks in sidewalks, the mowing of recreational areas, and the replacement of expended street light bulbs; and

(ii) Payment of salaries for staff, utility costs and similar expenses necessary for the operation of public works and facilities.

(3) New housing construction. For the purpose of this paragraph, activities in support of the development of low or moderate income housing including clearance, site assemblage, provision of site improvements and provision of public improvements and certain housing pre-construction costs set forth in §570.206(g), are not considered as activities to subsidize or assist new residential construction. CDBG funds may not be used for the construction of new permanent residential structures or for any program to subsidize or assist such new construction, except:

(i) As provided under the last resort housing provisions set forth in 24 CFR part 42;

(ii) As authorized under §570.201(m) or (n):
(iii) When carried out by an entity pursuant to §570.204(a);

(4) Income payments. The general rule is that CDBG funds may not be used for income payments. For purposes of the CDBG program, “income payments” means a series of subsistence-type grant payments made to an individual or family for items such as food, clothing, housing (rent or mortgage), or utilities, but excludes emergency grant payments made over a period of up to three consecutive months to the provider of such items or services on behalf of an individual or family.

[53 FR 34439, Sept. 6, 1988; 53 FR 41330, Oct. 21, 1988, as amended at 60 FR 1945, Jan. 5, 1995; 60 FR 56912, Nov. 9, 1995; 65 FR 70215, Nov. 21, 2000]

§570.208 Criteria for national objectives.

The following criteria shall be used to determine whether a CDBG-assisted activity complies with one or more of the national objectives as required under §570.200(a)(2):

(a) Activities benefiting low- and moderate-income persons. Activities meeting the criteria in paragraph (a) (1), (2), (3), or (4) of this section as applicable, will be considered to benefit low and moderate income persons unless there is substantial evidence to the contrary. In assessing any such evidence, the full range of direct effects of the assisted activity will be considered. (The recipient shall appropriately ensure that activities that meet these criteria do not benefit moderate income persons to the exclusion of low income persons.)

(1) Area benefit activities. (i) An activity, the benefits of which are available to all the residents in a particular area, where at least 51 percent of the residents are low and moderate income persons. Such an area need not be co-terminous with census tracts or other officially recognized boundaries but must be the entire area served by the activity. An activity that serves an area that is not primarily residential in character shall not qualify under this criterion.

(ii) For metropolitan cities and urban counties, an activity that would otherwise qualify under §570.208(a)(1)(i), except that the area served contains less than 51 percent low- and moderate-income residents, will also be considered to meet the objective of benefiting low- and moderate-income persons where the proportion of such persons in the area is within the highest quartile of all areas in the recipient’s jurisdiction in terms of the degree of concentration of such persons. This exception is inapplicable to non-entitlement CDBG grants in Hawaii. In applying this exception, HUD will determine the lowest proportion a recipient may use to qualify an area for this purpose, as follows:

(A) All census block groups in the recipient’s jurisdiction shall be ranked from the block group of highest proportion of low and moderate income persons to the block group with the lowest. For urban counties, the rank ordering shall cover the entire area constituting the urban county and shall not be done separately for each participating unit of general local government.

(B) In any case where the total number of a recipient’s block groups does not divide evenly by four, the block group which would be fractionally divided between the highest and second quartiles shall be considered to be part of the highest quartile.

(C) The proportion of low and moderate income persons in the last census block group in the highest quartile shall be identified. Any service area located within the recipient’s jurisdiction and having a proportion of low and moderate income persons at or above this level shall be considered to be within the highest quartile.

(D) If block group data are not available for the entire jurisdiction, other data acceptable to the Secretary may be used in the above calculations.

(iii) An activity to develop, establish, and operate for up to two years after the establishment of, a uniform emergency telephone number system serving an area having less than the percentage of low- and moderate-income residents required under paragraph (a)(1)(i) of this section or (as applicable) paragraph (a)(1)(ii) of this section, provided the recipient obtains prior HUD approval. To obtain such approval, the recipient must:

(A) Demonstrate that the system will contribute significantly to the safety
of the residents of the area. The request for approval must include a list of the emergency services that will participate in the emergency telephone number system;

(B) Submit information that serves as a basis for HUD to determine whether at least 51 percent of the use of the system will be by low- and moderate-income persons. As available, the recipient must provide information that identifies the total number of calls actually received over the preceding 12-month period for each of the emergency services to be covered by the emergency telephone number system and relates those calls to the geographic segment (expressed as nearly as possible in terms of census tracts, block numbering areas, block groups, or combinations thereof that are contained within the segment) of the service area from which the calls were generated. In analyzing this data to meet the requirements of this section, HUD will assume that the distribution of income among the callers generally reflects the income characteristics of the general population residing in the same geographic area where the callers reside. If HUD can conclude that the users have primarily consisted of low- and moderate-income persons, no further submission is needed by the recipient. If a recipient plans to make other submissions for this purpose, it may request that HUD review its planned methodology before expending the effort to acquire the information it expects to use to make its case;

(C) Demonstrate that other Federal funds received by the recipient are insufficient or unavailable for a uniform emergency telephone number system. For this purpose, the recipient must submit a statement explaining whether the lack of funds is due to the insufficiency of the amount of the available funds, restrictions on the use of such funds, or the prior commitment of funds by the recipient for other purposes; and

(D) Demonstrate that the percentage of the total costs of the system paid for by CDBG funds does not exceed the percentage of low- and moderate-income persons in the service area of the system. For this purpose, the recipient must include a description of the boundaries of the service area of the emergency telephone number system, the census divisions that fall within the boundaries of the service area (census tracts or block numbering areas), the total number of persons and the total number of low- and moderate-income persons within each census division, the percentage of low- and moderate-income persons within the service area, and the total cost of the system.

(iv) An activity for which the assistance to a public improvement that provides benefits to all the residents of an area is limited to paying special assessments (as defined in §570.200(c)) levied against residential properties owned and occupied by persons of low and moderate income.

(v) For purposes of determining qualification under this criterion, activities of the same type that serve different areas will be considered separately on the basis of their individual service area.

(vi) In determining whether there is a sufficiently large percentage of low- and moderate-income persons residing in the area served by an activity to qualify under paragraph (a)(1)(i), (ii), or (vii) of this section, the most recently available decennial census information must be used to the fullest extent feasible, together with the section 8 income limits that would have applied at the time the income information was collected by the Census Bureau. Recipients that believe that the census data does not reflect current relative income levels in an area, or where census boundaries do not coincide sufficiently well with the service area of an activity, may conduct (or have conducted) a current survey of the residents of the area to determine the percent of such persons that are low and moderate income. HUD will accept information obtained through such surveys, to be used in lieu of the decennial census data, where it determines that the survey was conducted in such a manner that the results meet standards of statistical reliability that are comparable to that of the decennial census data for areas of similar size. Where there is substantial evidence that provides a clear basis to believe that the use of the decennial census
(vii) Activities meeting the requirements of paragraph (d)(5)(i) of this section may be considered to qualify under this paragraph, provided that the area covered by the strategy is either a Federally-designated Empowerment Zone or Enterprise Community or primarily residential and contains a percentage of low- and moderate-income residents that is no less than the percentage computed by HUD pursuant to paragraph (a)(1)(ii) of this section or 70 percent, whichever is less, but in no event less than 51 percent. Activities meeting the requirements of paragraph (d)(6)(i) of this section may also be considered to qualify under paragraph (a)(1) of this section.

(2) Limited clientele activities. (i) An activity which benefits a limited clientele, at least 51 percent of whom are low- or moderate-income persons. (The following kinds of activities may not qualify under paragraph (a)(2) of this section: activities, the benefits of which are available to all the residents of an area; activities involving the acquisition, construction or rehabilitation of property for housing; or activities where the benefit to low- and moderate-income persons to be considered is the creation or retention of jobs, except as provided in paragraph (a)(2)(iv) of this section.) To qualify under paragraph (a)(2) of this section, the activity must meet one of the following tests:

(A) Benefit a clientele who are generally presumed to be principally low and moderate income persons. Activities that exclusively serve a group of persons in any one or a combination of these following categories may be presumed to benefit persons, 51 percent of whom are low- and moderate-income: abused children, battered spouses, elderly persons, adults meeting the Bureau of the Census’ Current Population Reports definition of “severely disabled,” homeless persons, illiterate adults, persons living with AIDS, and migrant farm workers; or

(B) Require information on family size and income so that it is evident that at least 51 percent of the clientele are persons whose family income does not exceed the low and moderate income limit; or

(C) Have income eligibility requirements which limit the activity exclusively to low and moderate income persons; or

(D) Be of such nature and be in such location that it may be concluded that the activity’s clientele will primarily be low and moderate income persons.

(ii) An activity that serves to remove material or architectural barriers to the mobility or accessibility of elderly persons or of adults meeting the Bureau of the Census’ Current Population Reports definition of “severely disabled” will be presumed to qualify under this criterion if it is restricted, to the extent practicable, to the removal of such barriers by assisting:

(A) The reconstruction of a public facility or improvement, or portion thereof, that does not qualify under paragraph (a)(1) of this section;

(B) The rehabilitation of a privately owned nonresidential building or improvement that does not qualify under paragraph (a)(1) or (4) of this section; or

(C) The rehabilitation of the common areas of a residential structure that contains more than one dwelling unit and that does not qualify under paragraph (a)(3) of this section.

(iii) A microenterprise assistance activity carried out in accordance with the provisions of §570.201(o) with respect to those owners of microenterprises and persons developing microenterprises assisted under the activity during each program year who are low- and moderate-income persons. For purposes of this paragraph, persons determined to be low and moderate income may be presumed to continue to qualify as such for up to a three-year period.

(iv) An activity designed to provide job training and placement and/or other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services, in which the percentage of low- and moderate-income persons assisted
is less than 51 percent may qualify under this paragraph in the following limited circumstance:

(A) In such cases where such training or provision of supportive services assists business(es), the only use of CDBG assistance for the project is to provide the job training and/or supportive services; and

(B) The proportion of the total cost of the project borne by CDBG funds is no greater than the proportion of the total number of persons assisted who are low or moderate income.

(3) Housing activities. An eligible activity carried out for the purpose of providing or improving permanent residential structures which, upon completion, will be occupied by low- and moderate-income households. This would include, but not necessarily be limited to, the acquisition or rehabilitation of property by the recipient, a subrecipient, a developer, an individual homebuyer, or an individual homeowner; conversion of nonresidential structures; and new housing construction. If the structure contains two dwelling units, at least one must be so occupied, and if the structure contains more than two dwelling units, at least 51 percent of the units must be so occupied. Where two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure. Where housing activities being assisted meet the requirements of paragraph §570.208(d)(5)(ii) or (d)(6)(ii) of this section, all such housing may also be considered for this purpose. If the structure contains two dwelling units, at least one must be so occupied. If the structure contains more than two dwelling units, at least 51 percent of the units must be so occupied. Where two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure. Where housing activities being assisted meet the requirements of paragraph §570.208(d)(5)(ii) or (d)(6)(ii) of this section, all such housing may also be considered for this purpose as a single structure. For rental housing, occupancy by low and moderate income households must be at affordable rents to qualify under this criterion. The recipient shall adopt and make public its standards for determining “affordable rents” for this purpose. The following shall also qualify under this criterion:

(i) When less than 51 percent of the units in a structure will be occupied by low and moderate income households, CDBG assistance may be provided in the following limited circumstances:

(A) The assistance is for an eligible activity to reduce the development cost of the new construction of a multifamily, non-elderly rental housing project;

(B) Not less than 20 percent of the units will be occupied by low and moderate income households at affordable rents; and

(C) The proportion of the total cost of developing the project to be borne by CDBG funds is no greater than the proportion of units in the project that will be occupied by low and moderate income households.

(ii) When CDBG funds are used to assist rehabilitation eligible under §570.202(b)(9) or (10) in direct support of the recipient’s Rental Rehabilitation program authorized under 24 CFR part 511, such funds shall be considered to benefit low and moderate income persons where not less than 51 percent of the units assisted, or to be assisted, by the recipient’s Rental Rehabilitation program overall are for low and moderate income persons.

(iii) When CDBG funds are used for housing services eligible under §570.201(k), such funds shall be considered to benefit low- and moderate-income persons if the housing units for which the services are provided are HOME-assisted and the requirements at 24 CFR 92.252 or 92.254 are met.

(4) Job creation or retention activities. An activity designed to create or retain permanent jobs where at least 51 percent of the jobs, computed on a full time equivalent basis, involve the employment of low- and moderate-income persons. To qualify under this paragraph, the activity must meet the following criteria:

(i) For an activity that creates jobs, the recipient must document that at least 51 percent of the jobs will be held by, or will be available to, low- and moderate-income persons.

(ii) For an activity that retains jobs, the recipient must document that the jobs would actually be lost without the CDBG assistance and that either or both of the following conditions apply with respect to at least 51 percent of the jobs at the time the CDBG assistance is provided:

(A) The job is known to be held by a low- or moderate-income person; or
(B) The job can reasonably be expected to turn over within the following two years and that steps will be taken to ensure that it will be filled by, or made available to, a low- or moderate-income person upon turnover.

(iii) Jobs that are not held or filled by a low- or moderate-income person may be considered to be available to low- and moderate-income persons for these purposes only if:

(A) Special skills that can only be acquired with substantial training or work experience or education beyond high school are not a prerequisite to fill such jobs, or the business agrees to hire unqualified persons and provide training; and

(B) The recipient and the assisted business take actions to ensure that low- and moderate-income persons receive first consideration for filling such jobs.

(iv) For purposes of determining whether a job is held by or made available to a low- or moderate-income person, the person may be presumed to be a low- or moderate-income person if:

(A) He/she resides within a census tract (or block numbering area) that either:

(1) Meets the requirements of paragraph (a)(4)(v) of this section; or

(2) Has at least 70 percent of its residents who are low- and moderate-income persons; or

(B) The assisted business is located within a census tract (or block numbering area) that meets the requirements of paragraph (a)(4)(v) of this section and the job under consideration is to be located within that census tract.

(v) A census tract (or block numbering area) qualifies for the presumptions permitted under paragraphs (a)(4)(iv)(A)(1) and (B) of this section if it is either part of a Federally-designated Empowerment Zone or Enterprise Community or meets the following criteria:

(A) It has a poverty rate of at least 20 percent as determined by the most recently available decennial census information;

(B) It does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the tract has a poverty rate of at least 30 percent as determined by the most recently available decennial census information; and

(C) It evidences pervasive poverty and general distress by meeting at least one of the following standards:

(1) All block groups in the census tract have poverty rates of at least 20 percent;

(2) The specific activity being undertaken is located in a block group that has a poverty rate of at least 20 percent; or

(3) Upon the written request of the recipient, HUD determines that the census tract exhibits other objectively determinable signs of general distress such as high incidence of crime, narcotics use, homelessness, abandoned housing, and deteriorated infrastructure or substantial population decline.

(vi) As a general rule, each assisted business shall be considered to be a separate activity for purposes of determining whether the activity qualifies under this paragraph, except:

(A) In certain cases such as where CDBG funds are used to acquire, develop or improve a real property (e.g., a business incubator or an industrial park) the requirement may be met by measuring jobs in the aggregate for all the businesses which locate on the property, provided such businesses are not otherwise assisted by CDBG funds.

(B) Where CDBG funds are used to pay for the staff and overhead costs of an entity making loans to businesses exclusively from non-CDBG funds, this requirement may be met by aggregating the jobs created by all of the businesses receiving loans during each program year.

(C) Where CDBG funds are used by a recipient or subrecipient to provide technical assistance to businesses, this requirement may be met by aggregating the jobs created or retained by all of the businesses receiving technical assistance during each program year.

(D) Where CDBG funds are used for activities meeting the criteria listed at §570.209(b)(2)(v), this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such
activities during the program year, except as provided at paragraph (d)(7) of this section.

(E) Where CDBG funds are used by a Community Development Financial Institution to carry out activities for the purpose of creating or retaining jobs, this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such activities during the program year, except as provided at paragraph (d)(7) of this section.

(F) Where CDBG funds are used for public facilities or improvements which will result in the creation or retention of jobs by more than one business, this requirement may be met by aggregating the jobs created or retained by all such businesses as a result of the public facility or improvement.

(1) Where the public facility or improvement is undertaken principally for the benefit of one or more particular businesses, but where other businesses might also benefit from the assisted activity, the requirement may be met by aggregating only the jobs created or retained by those businesses for which the facility/improvement is principally undertaken, provided that the cost (in CDBG funds) for the facility/improvement is less than $10,000 per permanent full-time equivalent job to be created or retained by those businesses.

(2) In any case where the cost per job to be created or retained (as determined under paragraph (a)(4)(vi)(F)(1) of this section) is $10,000 or more, the requirement must be met by aggregating the jobs created or retained as a result of the public facility or improvement by all businesses in the service area of the facility/improvement. This aggregation must include businesses which, as a result of the public facility/improvement, locate or expand in the service area of the facility/improvement between the date the recipient identifies the activity in its action plan under part 91 of this title and the date one year after the physical completion of the facility/improvement. In addition, the assisted activity must comply with the public benefit standards at §570.209(b).

Activities which aid in the prevention or elimination of slums or blight. Activities meeting one or more of the following criteria, in the absence of substantial evidence to the contrary, will be considered to aid in the prevention or elimination of slums or blight:

(1) Activities to address slums or blight on an area basis. An activity will be considered to address prevention or elimination of slums or blight in an area if:

(i) The area, delineated by the recipient, meets a definition of a slum, blighted, deteriorated or deteriorating area under State or local law;

(ii) The area also meets the conditions in either paragraph (A) or (B):

(A) At least 25 percent of properties throughout the area experience one or more of the following conditions:

(1) Physical deterioration of buildings or improvements;

(2) Abandonment of properties;

(3) Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;

(4) Significant declines in property values or abnormally low property values relative to other areas in the community; or

(5) Known or suspected environmental contamination.

(B) The public improvements throughout the area are in a general state of deterioration.

(iii) Documentation is to be maintained by the recipient on the boundaries of the area and the conditions and standards used that qualified the area at the time of its designation. The recipient shall establish definitions of the conditions listed at §570.208(b)(1)(ii)(A), and maintain records to substantiate how the area met the slums or blighted criteria. The designation of an area as slum or blighted under this section is required to be redetermined every 10 years for continued qualification. Documentation must be retained pursuant to the recordkeeping requirements contained at §570.506(b)(8)(ii).

(iv) The assisted activity addresses one or more of the conditions which contributed to the deterioration of the area. Rehabilitation of residential
buildings carried out in an area meeting the above requirements will be considered to address the area's deterioration only where each such building rehabilitated is considered substandard under local definition before rehabilitation, and all deficiencies making a building substandard have been eliminated if less critical work on the building is undertaken. At a minimum, the local definition for this purpose must be such that buildings that it would render substandard would also fail to meet the housing quality standards for the Section 8 Housing Assistance Payments Program-Existing Housing (24 CFR 882.109).

(2) Activities to address slums or blight on a spot basis. The following activities may be undertaken on a spot basis to eliminate specific conditions of blight, physical decay, or environmental contamination that are not located in a slum or blighted area: acquisition; clearance; relocation; historic preservation; remediation of environmentally contaminated properties; or rehabilitation of buildings or improvements. However, rehabilitation must be limited to eliminating those conditions that are detrimental to public health and safety. If acquisition or relocation is undertaken, it must be a precursor to another eligible activity (funded with CDBG or other resources) that directly eliminates the specific conditions of blight or physical decay, or environmental contamination.

(3) Activities to address slums or blight in an urban renewal area. An activity will be considered to address prevention or elimination of slums or blight in an urban renewal area if the activity is:

(i) Located within an urban renewal project area or Neighborhood Development Program (NDP) action area; i.e., an area in which funded activities were authorized under an urban renewal Loan and Grant Agreement or an annual NDP Funding Agreement, pursuant to title I of the Housing Act of 1949; and

(ii) Necessary to complete the urban renewal plan, as then in effect, including initial land redevelopment permitted by the plan.

Note: Despite the restrictions in (b)(1) and (2) of this section, any rehabilitation activity which benefits low and moderate income persons pursuant to paragraph (a)(3) of this section can be undertaken without regard to the area in which it is located or the extent or nature of rehabilitation assisted. 

(c) Activities designed to meet community development needs having a particular urgency. In the absence of substantial evidence to the contrary, an activity will be considered to address this objective if the recipient certifies that the activity is designed to alleviate existing conditions which pose a serious and immediate threat to the health or welfare of the community which are of recent origin or which recently became urgent, that the recipient is unable to finance the activity on its own, and that other sources of funding are not available. A condition will generally be considered to be of recent origin if it developed or became critical within 18 months preceding the certification by the recipient.

(d) Additional criteria. (1) Where the assisted activity is acquisition of real property, a preliminary determination of whether the activity addresses a national objective may be based on the planned use of the property after acquisition. A final determination shall be based on the actual use of the property, excluding any short-term, temporary use. Where the acquisition is for the purpose of clearance which will eliminate specific conditions of blight or physical decay, the clearance activity shall be considered the actual use of the property. However, any subsequent use or disposition of the cleared property shall be treated as a “change of use” under §570.505.

(2) Where the assisted activity is relocation assistance that the recipient is required to provide, such relocation assistance shall be considered to address the same national objective as is addressed by the displacing activity. Where the relocation assistance is voluntary on the part of the grantee the recipient may qualify the assistance either on the basis of the national objective addressed by the displacing activity or on the basis that the recipients of the relocation assistance are low and moderate income persons.

(3) In any case where the activity undertaken for the purpose of creating or retaining jobs is a public improvement...
and the area served is primarily residential, the activity must meet the requirements of paragraph (a)(1) of this section as well as those of paragraph (a)(4) of this section in order to qualify as benefiting low and moderate income persons.

4) CDBG funds expended for planning and administrative costs under §570.205 and §570.206 will be considered to address the national objectives.

5) Where the grantee has elected to prepare an area revitalization strategy pursuant to the authority of §91.215(e) of this title and HUD has approved the strategy, the grantee may also elect the following options:

(i) Activities undertaken pursuant to the strategy for the purpose of creating or retaining jobs may, at the option of the grantee, be considered to meet the requirements of this paragraph under the criteria at paragraph (a)(1)(vii) of this section in lieu of the criteria at paragraph (a)(4) of this section; and

(ii) All housing activities in the area for which, pursuant to the strategy, CDBG assistance is obligated during the program year may be considered to be a single structure for purposes of applying the criteria at paragraph (a)(3) of this section.

6) Where CDBG-assisted activities are carried out by a Community Development Financial Institution whose charter limits its investment area to a primarily residential area consisting of at least 51 percent low- and moderate-income persons, the grantee may also elect the following options:

(i) Activities carried out by the Community Development Financial Institution for the purpose of creating or retaining jobs may, at the option of the grantee, be considered to meet the requirements of this paragraph under the criteria at paragraph (a)(1)(vii) of this section in lieu of the criteria at paragraph (a)(4) of this section; and

(ii) All housing activities for which the Community Development Financial Institution obligates CDBG assistance during the program year may be considered to be a single structure for purposes of applying the criteria at paragraph (a)(3) of this section.

7) Where an activity meeting the criteria at §570.209(b)(2)(v) may also meet the requirements of either paragraph (d)(5)(i) or (d)(6)(i) of this section, the grantee may elect to qualify the activity under either the area benefit criteria at paragraph (a)(1)(vii) of this section or the job aggregation criteria at paragraph (a)(4)(vi)(D) of this section, but not both. Where an activity may meet the job aggregation criteria at both paragraphs (a)(4)(vi)(D) and (E) of this section, the grantee may elect to qualify the activity under either criterion, but not both.
mandatory. However, grantees electing not to use these guidelines would be expected to conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business. Where appropriate, HUD’s underwriting guidelines recognize that different levels of review are appropriate to take into account differences in the size and scope of a proposed project, and in the case of a microenterprise or other small business to take into account the differences in the capacity and level of sophistication among businesses of differing sizes. Recipients are encouraged, when they develop their own programs and underwriting criteria, to also take these factors into account. The objectives of the underwriting guidelines are to ensure:

(1) That project costs are reasonable;
(2) That all sources of project financing are committed;
(3) That to the extent practicable, CDBG funds are not substituted for non-Federal financial support;
(4) That the project is financially feasible;
(5) That to the extent practicable, the return on the owner’s equity investment will not be unreasonably high; and
(6) That to the extent practicable, CDBG funds are disbursed on a prorata basis with other finances provided to the project.

(b) Standards for evaluating public benefit. The grantee is responsible for making sure that at least a minimum level of public benefit is obtained from the expenditure of CDBG funds under the categories of eligibility governed by these guidelines. The standards set forth below identify the types of public benefit that will be recognized for this purpose and the minimum level of each that must be obtained for the amount of CDBG funds used. Unlike the guidelines for project costs and financial requirements covered under paragraph (a) of this section, the use of the standards for public benefit is mandatory. Certain public facilities and improvements eligible under §570.201(c) of the regulations, which are undertaken for economic development purposes, are also subject to these standards, as specified in §570.208(a)(4)(vi)(F)(2).

(1) Standards for activities in the aggregate. Activities covered by these guidelines must, in the aggregate, either:

(i) Create or retain at least one full-time equivalent, permanent job per $35,000 of CDBG funds used; or
(ii) Provide goods or services to residents of an area, such that the number of low- and moderate-income persons residing in the areas served by the assisted businesses amounts to at least one low- and moderate-income person per $350 of CDBG funds used.

(2) Applying the aggregate standards.

(i) A metropolitan city, an urban county, a non-entitlement CDBG grantee in Hawaii, or an Insular Area shall apply the aggregate standards under paragraph (b)(1) of this section to all applicable activities for which CDBG funds are first obligated within each single CDBG program year, without regard to the source year of the funds used for the activities. For Insular Areas, the preceding sentence applies to grants received in program years after Fiscal Year 2004. A grantee under the HUD-administered Small Cities Program, or Insular Areas CDBG grants prior to Fiscal Year 2005, shall apply the aggregate standards under paragraph (b)(1) of this section to all funds obligated for applicable activities from a given grant; program income obligated for applicable activities will, for these purposes, be aggregated with the most recent open grant. For any time period in which a community has no open HUD-administered or Insular Areas grants, the aggregate standards shall be applied to all applicable activities for which program income is obligated during that period.

(ii) The grantee shall apply the aggregate standards to the number of jobs to be created/retained, or to the number of persons residing in the area served (as applicable), as determined at the time funds are obligated to activities.

(iii) Where an activity is expected both to create or retain jobs and to provide goods or services to residents of an area, the grantee may elect to count the activity under either the jobs standard or the area residents standard, but not both.

(iv) Where CDBG assistance for an activity is limited to job training and
placement and/or other employment support services, the jobs assisted with CDBG funds shall be considered to be created or retained jobs for the purposes of applying the aggregate standards.

(v) Any activity subject to these guidelines which meets one or more of the following criteria may, at the grantee’s option, be excluded from the aggregate standards described in paragraph (b)(1) of this section:

(A) Provides jobs exclusively for unemployed persons or participants in one or more of the following programs:
- (i) Jobs Training Partnership Act (JTPA);
- (ii) Jobs Opportunities for Basic Skills (JOBS); or
- (iii) Aid to Families with Dependent Children (AFDC);

(B) Provides jobs predominantly for residents of Public and Indian Housing units;

(C) Provides jobs predominantly for homeless persons;

(D) Provides jobs predominantly for low-skilled, low- and moderate-income persons, where the business agrees to provide clear opportunities for promotion and economic advancement, such as through the provision of training;

(E) Provides jobs predominantly for persons residing within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;

(F) Provides assistance to businesses that operate(s) within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;

(G) Stabilizes or revitalizes a neighborhood that has at least 70 percent of its residents who are low- and moderate-income;

(H) Provides assistance to a Community Development Financial Institution that serve an area that is predominantly low- and moderate-income persons;

(I) Provides assistance to a Community-Based Development Organization serving a neighborhood that has at least 70 percent of its residents who are low- and moderate-income;

(J) Provides employment opportunities that are an integral component of a project designed to promote spatial deconcentration of low- and moderate-income and minority persons;

(K) With prior HUD approval, provides substantial benefit to low-income persons through other innovative approaches;

(L) Provides services to the residents of an area pursuant to a strategy approved by HUD under the provisions of §91.215(e) of this title;

(M) Creates or retains jobs through businesses assisted in an area pursuant to a strategy approved by HUD under the provisions of §91.215(e) of this title;

(N) Directly involves the economic development or redevelopment of environmentally contaminated properties.

(3) Standards for individual activities. Any activity subject to these guidelines which falls into one or more of the following categories will be considered by HUD to provide insufficient public benefit, and therefore may under no circumstances be assisted with CDBG funds:

(i) The amount of CDBG assistance exceeds either of the following, as applicable:
- (A) $50,000 per full-time equivalent, permanent job created or retained; or
- (B) $1,000 per low- and moderate-income person to which goods or services are provided by the activity.

(ii) The activity consists of or includes any of the following:
- (A) General promotion of the community as a whole (as opposed to the promotion of specific areas and programs);
- (B) Assistance to professional sports teams;
- (C) Assistance to privately-owned recreational facilities that serve a predominantly higher-income clientele, where the recreational benefit to users or members clearly outweighs employment or other benefits to low- and moderate-income persons;
- (D) Acquisition of land for which the specific proposed use has not yet been identified; and
- (E) Assistance to a for-profit business while that business or any other business owned by the same person(s) or entity(ies) is the subject of unresolved findings of noncompliance relating to previous CDBG assistance provided by the recipient.
§ 570.210 Prohibition on use of assistance for employment relocation activities.

(a) Prohibition. CDBG funds may not be used to directly assist a business, including a business expansion, in the relocation of a plant, facility, or operation from one LMA to another LMA if the relocation is likely to result in a significant loss of jobs in the LMA from which the relocation occurs.

(b) Definitions. The following definitions apply to this section:

(1) Directly assist. Directly assist means the provision of CDBG funds for activities pursuant to:

(i) § 570.203(b); or

(ii) §§ 570.201(a)–(d), 570.201(1), 570.203(a), or § 570.204 when the grantee, subrecipient, or, in the case of an activity carried out pursuant to § 570.204, a Community Based Development Organization (CDBO) enters into an agreement with a business to undertake one or more of these activities as a condition of the business relocating a facility, plant, or operation to the grantee’s LMA. Provision of public facilities and indirect assistance that will provide benefit to multiple businesses does not fall under the definition of “directly assist,” unless it includes the provision of infrastructure.
to aid a specific business that is the subject of an agreement with the specific assisted business.

(2) Labor market area (LMA). For metropolitan areas, an LMA is an area defined as such by the BLS. An LMA is an economically integrated geographic area within which individuals can live and find employment within a reasonable distance or can readily change employment without changing their place of residence. In addition, LMAs are nonoverlapping and geographically exhaustive. For metropolitan areas, grantees must use employment data, as defined by the BLS, for the LMA in which the affected business is currently located and from which current jobs may be lost. For non-metropolitan areas, an LMA is either an area defined by the BLS as an LMA, or a state may choose to combine non-metropolitan LMAs. States are required to define or reaffirm prior definitions of their LMAs on an annual basis and retain records to substantiate such areas prior to any business relocation that would be impacted by this rule. Metropolitan LMAs cannot be combined, nor can a non-metropolitan LMA be combined with a metropolitan LMA. For the HUD-administered Small Cities Program, each of the three participating counties in Hawaii will be considered to be its own LMA. Recipients of Fiscal Year 1999 Small Cities Program funding in New York will follow the requirements for State CDBG recipients.

(3) Operation. A business operation includes, but is not limited to, any equipment, employment opportunity, production capacity or product line of the business.

(4) Significant loss of jobs. (i) A loss of jobs is significant if: The number of jobs to be lost in the LMA in which the affected business is currently located is equal to or greater than one-tenth of one percent of the total number of persons in the labor force of that LMA; or in all cases, a loss of 500 or more jobs. Notwithstanding the aforementioned, a loss of 25 jobs or fewer does not constitute a significant loss of jobs.

(ii) A job is considered to be lost due to the provision of CDBG assistance if the job is relocated within three years of the provision of assistance to the business; or the time period within which jobs are to be created as specified by the agreement between the business and the recipient if it is longer than three years.

(c) Written agreement. Before directly assisting a business with CDBG funds, the recipient, subrecipient, or a CDBG (in the case of an activity carried out pursuant to §570.204) shall sign a written agreement with the assisted business. The written agreement shall include:

(1) Statement. A statement from the assisted business as to whether the assisted activity will result in the relocation of any industrial or commercial plant, facility, or operation from one LMA to another, and, if so, the number of jobs that will be relocated from each LMA.

(2) Required information. If the assistance will not result in a relocation covered by this section, a certification from the assisted business that neither it, nor any of its subsidiaries, has plans to relocate jobs at the time the agreement is signed that would result in a significant job loss as defined in this rule; and

(3) Reimbursement of assistance. The agreement shall provide for reimbursement of any assistance provided to, or expended on behalf of, the business in the event that assistance results in a relocation prohibited under this section.

(d) Assistance not covered by this section. This section does not apply to:

(1) Relocation assistance. Relocation assistance required by the Uniform Assistance and Real Property Acquisition Policies Act of 1970, (URA) (42 U.S.C. 4601–4655); and

(2) Microenterprises. Assistance to microenterprises as defined by Section 102(a)(22) of the Housing and Community Development Act of 1974; and

(3) Arms-length transactions. Assistance to a business that purchases business equipment, inventory, or other physical assets in an arms-length transaction, including the assets of an existing business, provided that the purchase does not result in the relocation of the sellers’ business operation (including customer base or list, goodwill, product lines, or trade names) from one LMA to another LMA and
§ 570.300  General.

This subpart describes the policies and procedures governing the making of community development block grants to entitlement communities and to non-entitlement counties in the State of Hawaii. The policies and procedures set forth in subparts A, C, J, K, and O of this part also apply to entitlement grantees and to non-entitlement grantees in the State of Hawaii. Sections 570.307 and 570.308 of this subpart do not apply to the Hawaii non-entitlement grantees.

§ 570.301  Activity locations and float-funding.

The consolidated plan, action plan, and amendment submission requirements referred to in this section are those in 24 CFR part 91.

(a) For activities for which the grantee has not yet decided on a specific location, such as when the grantee is allocating an amount of funds to be used for making loans or grants to businesses or for residential rehabilitation, the description in the action plan or any amendment shall identify who may apply for the assistance, the process by which the grantee expects to select who will receive the assistance (including selection criteria), and how much and under what terms the assistance will be provided, or in the case of a planned public facility or improvement, how it expects to determine its location.

(b) Float-funded activities and guarantees. A recipient may use undisbursed funds in the line of credit and its CDBG program account that are budgeted in statements or action plans for one or more other activities that do not need the funds immediately, subject to the limitations described below. Such funds shall be referred to as the “float” for purposes of this section and the action plan. Each activity carried out using the float must meet all of the same requirements that apply to CDBG-assisted activities generally, and must be expected to produce program income in an amount at least equal to the amount of the float so used. Whenever the recipient proposes to fund an activity with the float, it must include the activity in its action plan or amend the action plan for the current program year. For purposes of this section, an activity that uses such funds will be called a “float-funded activity.”

(1) Each float-funded activity must be individually listed and described as such in the action plan.

(2)(i) The expected time period between obligation of assistance for a float-funded activity and receipt of program income in an amount at least equal to the full amount drawn from the float to fund the activity may not exceed 2.5 years. An activity from which program income sufficient to recover the full amount of the float assistance is expected to be generated more than 2.5 years after obligation may not be funded from the float, but may be included in an action plan if it is funded from CDBG funds other than the float (e.g., grant funds or proceeds from an approved Section 108 loan guarantee).

(ii) Any extension of the repayment period for a float-funded activity shall be considered to be a new float-funded activity for these purposes and may be implemented by the grantee only if the extension is made subject to the same limitations and requirements as apply to a new float-funded activity.

(3) Unlike other projected program income, the full amount of income expected to be generated by a float-funded activity must be shown as a source of program income in the action plan containing the activity, whether or not some or all of the income is expected to be received in a future program year (in accordance with 24 CFR 91.220(g)(1)(i)(D)).

(4) The recipient must also clearly declare in the action plan that identifies the float-funded activity the recipient’s commitment to undertake one of the following options:
§ 570.304 Making of grants.

(a) Approval of grant. HUD will approve a grant if the jurisdiction’s submissions have been made and approved in accordance with 24 CFR part 91, and the certifications required therein are satisfactory to the Secretary. The certifications will be satisfactory to the Secretary for this purpose unless the Secretary has determined pursuant to subpart O of this part that the grantee has not complied with the requirements of this part, has failed to carry out its consolidated plan as provided under §570.903, or has determined that there is evidence, not directly involving the grantee’s past performance under this program, that tends to challenge in a substantial manner the grantee’s certification of future performance. If the Secretary makes any such determination, however, further assurances may be required to be submitted by the grantee as the Secretary may deem warranted or necessary to find the grantee’s certification satisfactory.

(b) Grant agreement. The grant will be made by means of a grant agreement executed by both HUD and the grantee.

(c) Grant amount. The Secretary will make a grant in the full entitlement amount, generally within the last 30
§ 570.307 Urban counties.

(a) Determination of qualification. The Secretary will determine the qualifications of counties to receive entitlements as urban counties upon receipt of qualification documentation from counties at such time, and in such manner and form as prescribed by HUD. The Secretary shall determine eligibility and applicable portions of each eligible county for purposes of fund allocation under section 106 of the Act on the basis of information available from the U.S. Bureau of the Census with respect to population and other pertinent demographic characteristics, and based on information provided by the county and its included units of general local government.

(b) Qualification as an urban county.

(1) A county will qualify as an urban county if such county meets the definition at §570.3(3). As necessitated by this definition, the Secretary shall determine which counties have authority to carry out essential community development and housing assistance activities in their included units of general local government without the consent of the local governing body and which counties must execute cooperation agreements with such units to include them in the urban county for qualification and grant calculation purposes.

(2) At the time of urban county qualification, HUD may refuse to recognize the cooperation agreement of a unit of general local government in an urban county where, based on past performance and other available information, there is substantial evidence that such unit does not cooperate in the implementation of the essential community development or housing assistance activities or where legal impediments to such implementation exist, or where participation by a unit of general local government in noncompliance with the applicable law in subpart K would constitute noncompliance by the urban county.

(c) Period of qualification.

(1) The qualification by HUD of an urban county shall remain effective for three successive Federal fiscal years regardless of changes in its population during that period, except as provided under paragraph (f) of this section and except as provided under §570.3(3) where the period of qualification shall be two successive Federal fiscal years.

(2) During the period of qualification, no included unit of general local government may withdraw from or be removed from the urban county for HUD’s grant computation purposes.

(3) If some portion of an urban county’s unincorporated area becomes incorporated during the urban county qualification period, the newly incorporated unit of general local government shall not be excluded from the urban county nor shall it be eligible for the funds of the urban county.
a separate grant under subpart D, F, or I until the end of the urban county’s current qualification period, unless the urban county fails to receive a grant for any year during that qualification period.

(e) Grant ineligibility of included units of general local government. (1) An included unit of general local government cannot become eligible for an entitlement grant as a metropolitan city during the period of qualification of the urban county (even if it becomes a principal city of a metropolitan area or its population surpasses 50,000 during that period). Rather, such a unit of general local government shall continue to be included as part of the urban county for the remainder of the urban county’s qualification period, and no separate grant amount shall be calculated for the included unit.

(2) An included unit of general local government which is part of an urban county shall be ineligible to apply for grants under subpart F, or to be a recipient of assistance under subpart I, during the entire period of urban county qualification.

(f) Failure of an urban county to receive a grant. Failure of an urban county to receive a grant during any year shall terminate the existing qualification of that urban county, and that county shall requalify as an urban county before receiving an entitlement grant in any successive Federal fiscal year. Such termination shall release units of general local government included in the urban county, in subsequent years, from the prohibition to receive grants under paragraphs (d)(3), (e)(1) and (e)(2) of this section. For this purpose an urban county shall be deemed to have received a grant upon having satisfied the requirements of sections 104 (a), (b), (c), and (d) of the Act, without regard to adjustments which may be made to this grant amount under section 104(e) or 111 of the Act.

(g) Notifications of the opportunity to be excluded. Any county seeking to qualify for an entitlement grant as an urban county for any Federal fiscal year shall notify each unit of general local government which is located, in whole or in part, within the county and which would otherwise be included in the urban county, but which is eligible to elect to have its population excluded from that of the urban county, that it has the opportunity to make such an election, and that such an election, or the failure to make such an election, shall be effective for the period for which the county qualifies as an urban county. These notifications shall be made by a date specified by HUD. A unit of general local government which elects to be excluded from participation as a part of the urban county shall notify the county and HUD in writing by a date specified by HUD. Such a unit of government may subsequently elect to participate in the urban county for the remaining one or two year period by notifying HUD and the county, in writing, of such election by a date specified by HUD.
development and housing assistance activities, as defined in §570.307(c).

(b) Joint grant amount. The grant amount for a joint recipient shall be the sum of the amounts authorized for the individual entitlement grantees, as described in section 106 of the Act. The urban county shall be the grant recipient.

(c) Effect of inclusion. Upon urban county qualification and HUD approval of the joint request and cooperation agreement, the metropolitan city shall be considered a part of the urban county for purposes of program planning and implementation for the period of the urban county qualification, and shall be treated the same as any other unit of general local government which is part of the urban county.

(d) Submission requirements. In requesting a grant under this part, the urban county shall make a single submission which meets the submission requirements of 24 CFR part 91 and covers all members of the joint recipient.

[53 FR 34449, Sept. 6, 1988, as amended at 60 FR 1915, Jan. 5, 1995]

§570.309 Restriction on location of activities.

CDBG funds may assist an activity outside the jurisdiction of the grantee only if the grantee determines that such an activity is necessary to further the purposes of the Act and the grantee’s community development objectives, and that reasonable benefits from the activity will accrue to residents within the jurisdiction of the grantee. The grantee shall document the basis for such determination prior to providing CDBG funds for the activity.

[60 FR 56914, Nov. 9, 1995]

Subpart E—Special Purpose Grants

§570.400 General.

(a) Applicability. The policies and procedures set forth in subparts A, C, J, K, and O of this part shall apply to this subpart, except to the extent that they are specifically modified or augmented by the contents of this subpart, including specified exemptions described herein. The HUD Environmental Review Procedures contained in 24 CFR part 58 also apply to this subpart, unless otherwise specifically provided herein.

(b) Data. Wherever data are used in this subpart for selecting applicants for assistance or for determining grant amounts, the source of such data shall be the most recent information available from the U.S. Bureau of the Census which is referable to the same point or period of time.

(c) Review of applications for discretionary assistance—(1) Review components. An application for assistance under this subpart shall be reviewed by HUD to ensure that:

(i) The application is postmarked or received on or before any final date established by HUD;

(ii) The application is complete;

(iii) Required certifications have been included in the application; and

(iv) The application meets the specific program requirements listed in the FEDERAL REGISTER Notice published in connection with a competition for funding, and any other specific requirements listed under this subpart for each of the programs.

(2) Timing and review. HUD is not required by the Act to review and approve an application for assistance or a contract proposal within any specified time period. However, HUD will attempt to complete its review of any application/proposal within 75 days.

(3) Notification to applicant/proposer. HUD will notify the applicant/proposer in writing that the applicant/proposal has been approved, partially approved, or disapproved. If an application/proposal is partially approved or disapproved, the applicant/proposer will be informed of the basis for HUD’s decision. HUD may make conditional approvals under §570.304(d).

(d) Program amendments. (1) Recipients shall request prior written HUD approval for all program amendments involving changes in the scope or the location of approved activities.

(2) Any program amendments, whether or not they require HUD approval, must be fully documented in the recipient’s records.

(e) Performance reports. Any performance report required of a discretionary
§ 570.401 Community adjustment and economic diversification planning assistance.

(a) General—(1) Purpose. The purpose of this program is to assist units of general local government in non-entitlement areas to undertake the planning of community adjustments and economic diversification activities, in response to physical, social, economic or governmental impacts on the communities generated by the actions of the Department of Defense (DoD) defined in paragraph (a)(2) of this section.

(2) Impacts. Funding under this section is available only to communities affected by one or more of the following DoD-related impacts:

(i) The proposed or actual establishment, realignment, or closure of a military installation;

(ii) The cancellation or termination of a DoD contract or the failure to proceed with an approved major weapon system program;

(iii) A publicly announced planned major reduction in DoD spending that would directly and adversely affect a unit of general local government and result in the loss of 1,000 or more full-time DoD and contractor employee positions over a five-year period in the unit of general local government and the surrounding area; or

(iv) The Secretary of HUD (in consultation with the Secretary of DoD) determines that an action described in paragraphs (a)(2)(i)–(iii) of this section is likely to have a direct and significant adverse consequence on the unit of general local government.

(b) Definitions. In addition to the definitions in § 570.3 of this part, the following definitions apply to this section:

(1) Adjustment planning. Generally, developing plans and proposals in direct response to contraction or expansion of the local economy, or changes in the physical development or the social conditions of the community, resulting from a DoD-generated impact. Typically, this planning includes one or more of the following tasks: Collecting, updating, and analyzing data; identifying problems; formulating solutions; proposing long- and short-term policies; recommending public- and private-sector actions to implement community adjustments and economic diversification activities; securing citizen involvement; and coordinating with Federal, State, and local entities with respect to the DoD-related impacts.

(2) Community adjustment. Any proposed action to change the physical,
economic, or social infrastructure within the jurisdiction or surrounding area, directly and appropriately in response to the DoD-generated impact.

3 Contract. (i) Any defense contract in an amount not less than $5 million (without regard to the date on which the contract was awarded); and

(ii) Any subcontract that is entered into in connection with a contract (without regard to the effective date of the subcontract) and involves not less than $500,000.

4 Defense facility. Any private facility producing goods or services pursuant to a defense contract.

5 DoD. The Department of Defense.

6 Economic diversification activities. Any public or private sector actions to change the local mix of industrial, commercial, and service sectors, or the mix of business ventures within a sector, that are intended to mitigate decline in the local economy resulting from DoD-generated impacts or, in the case of expansion of a military installation or a defense facility, that are intended to respond to new economic growth spawned by that expansion.

7 Military installation. Any camp, post, station, base, yard, or other jurisdiction of a military department that is located within any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, or Guam.

8 Realignment. Any action that both reduces and relocates functions and civilian personnel positions, but does not include a reduction in force resulting from workload adjustments, reduced personnel or funding levels, or skill imbalances.

10 Section 2391(b). The Department of Defense adjustment planning program as set out in 10 U.S.C. 2391(b).

11 Small Cities CDBG Program. The Community Development Block Grant program for nonentitlement areas in which the States have elected not to administer available program funds. The regulations governing this program are set out in subpart F of this part.

12 Surrounding area. The labor market area as defined by the Bureau of Labor Statistics that:

(i) Includes all or part of the applicant’s jurisdictions; and

(ii) Includes additional areas outside the jurisdiction.

(c) Eligible applicants. Any unit of general local government, excluding units of general government that are entitlement cities or are included in an urban county, and which does not include Indian Tribes.

(d) Eligible activities. Activities eligible for adjustment planning assistance include, generally:

(1) Initial assessments and quick studies of physical, social, economic, and fiscal impacts on the community;

(2) Preliminary identification of potential public and private sector actions needed for the community to initiate its response;

(3) If timely, modification of the applicant’s current comprehensive plan or any functional plan, such as for housing, including shelter for the homeless, or for transportation or other physical infrastructure;

(4) If timely, modification of the applicant’s current economic plans and programs, such as for business development, job training, or industrial or commercial development;

(5) Preparation for and conduct of initial community outreach activities to begin involving local citizens and the private sector in planning for adjustment and diversification;

(6) Environmental reviews related to DoD-related impacts;

(7) Initial identification of and coordination with Federal, State and local entities that may be expected to assist in the community’s adjustment and economic development; and with State-designated enterprise zones, and Federal empowerment zones and enterprise communities when selected and announced.

(8) Any other planning activity that may enable the community to organize itself, establish a start-up capacity to plan, propose specific plans and programs, coordinate with appropriate public or private entities, or qualify more quickly for the more substantial
planning assistance available from DoD.

(e) Ineligible activities. Activities ineligible for adjustment planning assistance are:

(1) Base re-use planning.

(2) Site planning, architectural and engineering studies, feasibility and cost analyses and similar planning for specific projects to implement community adjustment or economic diversification, unless as last resort funding for those applicants which are unable to obtain planning assistance from other sources.

(3) Planning by communities which are encroaching on military installations.

(4) Demonstration planning activities intended to evolve new planning techniques for impacted communities.

(5) Any planning activity proposed to supplement or replace planning that has been or is being assisted by the DoD Sec. 2391(b) adjustment planning program.

(6) Any other planning activity the purpose of which is not demonstrably in direct response to a DOD-related impact triggered by one or more of the four criteria specified in paragraph (a)(2) of this section.

(f) Threshold requirements. No application will qualify for funding unless it meets the following requirements:

(1) Verification by HUD that the applicant is a unit of general government in a nonentitlement area.

(2) Verification by HUD and DoD that a triggering event described in paragraph (a)(2) of this section has occurred or will occur.

(3) With respect to communities affected by the 49 base closings and 28 realignments listed by the 1991 Base Closure and Realignment Commission, verification by DoD that it has provided no prior funding and that the applicant may benefit from start-up planning assistance from HUD.

(4) Determination by HUD that the proposed planning activities are eligible.

(5) Determination by HUD that the submission requirements in paragraph (h) of this section have been satisfied.

(g) Qualifying factors. HUD will make funding decisions on qualified applications on the basis of the factors listed below, in the order of such applications received, while program funds remain available. HUD will also request and consider advise from DoD’s Office of Economic Assistance concerning the relative merits of each application.

(1) The adequacy of the applicant’s initial assessment of actual or probable impacts on the community and the surrounding area;

(2) The adequacy and appropriateness of the start-up planning envisioned by the applicant in response to the impacts;

(3) The type, extent, and adequacy of coordination that the applicant has achieved, or plans to achieve, in order to undertake planning for community adjustment and economic diversification.

(4) The cost-effectiveness of the proposed budget to carry out the planning work envisioned by the applicant;

(5) The capability of the organization the applicant proposes to do the planning;

(6) The credentials and experience of the key staff the applicant proposes to do the planning;

(7) The presence of significant private sector impact, as measured by the extent to which the DoD-generated impact is projected to decrease or increase the employment base by 10% or more;

(8) The presence of significant public sector impact, as measured by the extent to which the DoD-generated impact is projected to decrease or increase the applicant’s capital and operating budgets for the next fiscal year by 10% or more;

(9) The degree of urgency, to the extent that a suddenly announced action, e.g. a plant closing, is officially scheduled to occur within a year of the date of application.

(h) Submission requirements. Applicants may submit applications at any time to: Director, Office of Technical Assistance, room 7214, 451 Seventh Street, SW., Washington, DC 20410. Each application (an original and three copies) shall include the following:

(1) The Standard Form SF–424 as a face sheet, signed and dated by a person authorized to represent and contractually or otherwise commit the applicant;
(2) A concise title and brief abstract of the proposed planning work, including the total cost; 
(3) A narrative that: 
   (i) Documents one or more of the triggering events described in paragraph (a)(2) of this section that qualifies the applicant to apply for planning assistance for community adjustments and economic diversification; 
   (ii) Provides an initial assessment of actual or probable impacts on the applicant community and the surrounding area; 
   (iii) Provides an initial assessment of the type and extent of start-up planning envisioned by the applicant in response to the DoD-generated impact; and 
   (iv) Describes the measures by which the applicant has already coordinated, or plans to coordinate, with the DoD Office of Economic Assistance, the Economic Development Administration of the Department of Commerce, the Department of Labor, any military department, or any other appropriate Federal agency; appropriate State agencies, specifically including the agency administering the Small Cities CDBG Program; appropriate State-designated enterprise zones; appropriate Federal empowerment zones and enterprise communities, when selected and announced; appropriate other units of general local government in the non-entitlement area; appropriate businesses, corporations, and defense facilities concerned with impacts on the applicant community; and homeless non-profit organizations, with respect to title V of the Stewart B. McKinney Act (42 U.S.C. 11411–11412), requiring the Federal property be considered for use in assisting the homeless. 
(4) A Statement of Work describing the specific project tasks proposed to be undertaken in order to plan for community adjustment and economic diversification activities; 
(5) A proposed budget showing the estimated costs and person-days of effort for each task, by cost categories, with supporting documentation of costs and a justification of the person-days of effort; 
(6) A description of the qualifications of the proposed technical staff, including their names and resumes; 
(7) A work plan that describes the schedule for accomplishing the tasks described in the Statement of Work, the time needed to do each task, and the elapsed time needed for all the tasks; and 
(8) Other materials, as prescribed in the application kit; these materials will include required certifications dealing with: Drug-Free Workplace Requirements; Disclosure Regarding Payments to Influence Certain Federal Transactions; and Prohibition Regarding Excessive Force. 

(i) Approval procedures—(1) Acceptance. HUD’s acceptance of an application meeting the threshold requirements of paragraph (f) does not assure a commitment to provide funding or to provide the full amount requested. HUD may elect to negotiate both proposed tasks and budgets in order to promote more cost-effective planning. 
(2) Notification. HUD will provide notification about whether a project will be funded, rejected, or held for further consideration by HUD and DoD. 
(3) Form of award. HUD will award funds in the form of grants. 
(4) Administration. Project administration will be governed by the terms of individual awards and by the following provisions of this part: 
   (i) Subpart A, § 570.5; 
   (ii) Subpart E, §§ 570.400(d), (e), (f), and (g); 
   (iii) Subpart J, §§ 570.500(c), 570.501, 570.502, 570.503, and 570.509; 
   (iv) Subpart K, §§ 570.601, 570.602, 570.609, 570.610, and 570.611. 
The environmental review requirements of 24 CFR part 58 do not apply. 
(Approved by the Office of Management and Budget under control number 2535–0084) 

[59 FR 15016, Mar. 30, 1994]
570, subpart M); the Urban Development Action Grant Program (24 CFR part 570, subpart G); the HUD-administered Small Cities Program (24 CFR part 570, subpart F); the State-administered Program for Non-Entitlement Communities (24 CFR part 570, subpart I); the grants for Indian Tribes program (24 CFR part 571); and the Special Purpose Grants for Insular Areas, Community Development Work Study and Historically Black Colleges and Universities (24 CFR part 570, subpart E).

The section 810 program is the Urban Homesteading Program (24 CFR part 590).

(2) Funding under this section is awarded for the provision of technical expertise in planning, managing or carrying out such programs including the activities being or to be assisted thereunder and other actions being or to be undertaken for the purpose of the program, such as increasing the effectiveness of public service and other activities in addressing identified needs, meeting applicable program requirements (e.g., citizen participation, non-discrimination, OMB Circulars), increasing program management or capacity building skills, attracting business or industry to CDBG assisted economic development sites or projects, assisting eligible CDBG subrecipients such as neighborhood nonprofits or small cities in how to obtain CDBG funding from cities and States. The provision of technical expertise in other areas which may have some tangential benefit or effect on a program is insufficient to qualify for funding.

(3) Awards may be made pursuant to HUD solicitations for assistance applications or procurement contract proposals issued in the form of a publicly available document which invites the submission of applications or proposals within a prescribed period of time. HUD may also enter into agreements with other Federal agencies for awarding the technical assistance funds:

(i) Where the Secretary determines that such funding procedures will achieve a particular technical assistance objective more effectively and the criteria for making the awards will be consistent with this section, or

(ii) The transfer of funds to the other Federal agency for use under the terms of the agreement is specifically authorized by law. The Department will not accept or fund unsolicited proposals.

(b) Definitions. (1) Areawide planning organization (APO) means an organization authorized by law or local agreement to undertake planning and other activities for a metropolitan or non-metropolitan area.

(2) Technical assistance means the facilitating of skills and knowledge in planning, developing and administering activities under title I and section 810 of the Act in entities that may need but do not possess such skills and knowledge, and includes assessing programs and activities under title I.

(c) Eligible applicants. Eligible applicants for award of technical assistance funding are:

(1) States, units of general local government, APOs, and Indian Tribes; and

(2) Public and private non-profit or for-profit groups, including educational institutions, qualified to provide technical assistance to assist such governmental units to carry out the title I or Urban Homesteading programs. An applicant group must be designated as a technical assistance provider to a unit of government’s title I program or Urban Homesteading program by the chief executive officer of each unit to be assisted, unless the assistance is limited to conferences/workshops attended by more than one unit of government.

(d) Eligible activities. Activities eligible for technical assistance funding include:

(1) The provision of technical or advisory services;

(2) The design and operation of training projects, such as workshops, seminars, or conferences;

(3) The development and distribution of technical materials and information; and

(4) Other methods of demonstrating and making available skills, information and knowledge to assist States, units of general local government, or Indian Tribes in planning, developing, administering or assessing assistance under title I and Urban Homesteading programs in which they are participating or seeking to participate.
(e) **Ineligible activities.** Activities for which costs are ineligible under this section include:

1. In the case of technical assistance for States, the cost of carrying out the administration of the State CDBG program for non-entitlement communities;
2. The cost of carrying out the activities authorized under the title I and Urban Homesteading programs, such as the provision of public services, construction, rehabilitation, planning and administration, for which the technical assistance is to be provided;
3. The cost of acquiring or developing the specialized skills or knowledge to be provided by a group funded under this section;
4. Research activities;
5. The cost of identifying units of governments needing assistance (except that the cost of selecting recipients of technical assistance under the provisions of paragraph (k) is eligible); or
6. Activities designed primarily to benefit HUD, or to assist HUD in carrying out the Department’s responsibilities; such as research, policy analysis of proposed legislation, training or travel of HUD staff, or development and review of reports to the Congress.

(f) **Criteria for competitive selection.** In determining whether to fund competitive applications or proposals under this section, the Department will use the following criteria:

1. **For solicited assistance applications.** The Department will use two types of criteria for reviewing and selecting competitive assistance applications solicited by HUD:
   a. **Evaluation criteria:** These criteria will be used to rank applications according to weights which may vary with each competition:
      i. Probable effectiveness of the application in meeting needs of localities and accomplishing project objectives;
      ii. Soundness and cost-effectiveness of the proposed approach;
      iii. Capacity of the applicant to carry out the proposed activities in a timely and effective fashion;
      iv. The extent to which the results may be transferable or applicable to other title I or Urban Homesteading program participants.
   b. **Program policy criteria:** These factors may be used by the selecting official to select a range of projects that would best serve program objectives for a particular competition:
      i. Geographic distribution;
      ii. Diversity of types and sizes of applicant entities; and
      iii. Diversity of methods, approaches, or kinds of projects.

The Department will publish a Notice of Fund Availability (NOFA) in the *Federal Register* for each competition indicating the objective of the technical assistance, the amount of funding available, the application procedures, including the eligible applicants and activities to be funded, any special conditions applicable to the solicitation, including any requirements for a matching share or for commitments for CDBG or other title I funding to carry out eligible activities for which the technical assistance is to be provided, the maximum points to be awarded each evaluation criterion for the purpose of ranking applications, and any special factors to be considered in assigning the points to each evaluation criterion. The Notice will also indicate which program policy factors will be used, the impact of those factors on the selection process, the justification for their use and, if appropriate, the relative priority of each program policy factor.

2. **For competitive procurement contract bids/proposals.** The Department’s criteria for review and selection of solicited bids/proposals for procurement contracts will be described in its public announcement of the availability of an Invitation for Bids (IFB) or a Request for Proposals (RFP). The public notice, solicitation and award of procurement contracts, when used to acquire technical assistance, shall be procured in accordance with the Federal Acquisition Regulation (48 CFR chapter 1) and the HUD Acquisition Regulation (48 CFR chapter 24).

(g) **Submission procedures.** Solicited assistance applications shall be submitted in accordance with the time and place and content requirements described in the Department’s NOFA. Solicited bids/proposals for procurement...
contracts shall be submitted in accordance with the requirements in the IFB or RFP.

(h) Approval procedures.—(1) Acceptance. HUD’s acceptance of an application or proposal for review does not imply a commitment to provide funding.

(2) Notification. HUD will provide notification of whether a project will be funded or rejected.

(3) Form of award. (i) HUD will award technical assistance funds as a grant, cooperative agreement or procurement contract, consistent with this section, the Federal Grant and Cooperative Agreement Act of 1977, 31 U.S.C. 6301–6308, the HUD Acquisition Regulation, and the Federal Acquisition Regulation.

(ii) When HUD’s primary purpose is the transfer of technical assistance to assist the recipients in support of the title I or Section 810 programs, an assistance instrument (grant or cooperative agreement) will be used. A grant instrument will be used when substantial Federal involvement is not anticipated. A cooperative agreement will be used when substantial Federal involvement is anticipated. When a cooperative agreement is selected, the agreement will specify the nature of HUD’s anticipated involvement in the project.

(iii) A contract will be used when HUD’s primary purpose is to obtain a provider of technical assistance to act on the Department’s behalf. In such cases the Department will define the specific tasks to be performed. However, nothing in this section shall preclude the Department from awarding a procurement contract in any other case when it is determined to be in the Department’s best interests.

(4) Administration. Project administration will be governed by the terms of individual awards and relevant regulations. As a general rule, proposals will be funded to operate for one to two years, and periodic and final reports will be required.

(i) Environmental and intergovernmental review. The requirements for Environmental Reviews and Intergovernmental Reviews do not apply to technical assistance awards.

(j) Selection of recipients of technical assistance. Where under the terms of the funding award the recipient of the funding is to select the recipients of the technical assistance to be provided, the funding recipient shall publish, and publicly make available to potential technical assistance recipients, the availability of such assistance and the specific criteria to be used for the selection of the recipients to be assisted. Selected recipients must be entities participating or planning to participate in the title I or Urban Homesteading programs or activities for which the technical assistance is to be provided.

(Approved by the Office of Management and Budget under control numbers 2535-0085 and 2535-0084)

[56 FR 41938, Aug. 26, 1991]

§ 570.403 New Communities.

The regulations for New Communities grants in this section, that were effective immediately before April 19, 1996, will continue to govern the rights and obligations of recipients and HUD with respect to grants under the New Communities program.

[61 FR 11476, Mar. 20, 1996]

§ 570.404 Historically Black colleges and universities program.

(a) General. Grants under this section will be awarded to historically Black colleges and universities to expand their role and effectiveness in addressing community development needs, including neighborhood revitalization, housing and economic development in their localities, consistent with the purposes of title I of the Housing and Community Development Act of 1974.

(b) Eligible applicants. Only historically Black colleges and universities (as determined by the Department of Education in accordance with that Department’s responsibilities under Executive Order 12677, dated April 28, 1989) are eligible to submit applications.

(c) Eligible activities. Activities that may be funded under this section are those eligible under §§ 570.201 through 570.207, provided that any activity which is required by State or local law to be carried out by a governmental entity may not be funded under this section. Notwithstanding the provisions of §§ 570.200(g), grants under this section
are not subject to the 20 percent limitation on planning and program administration costs, as defined in §§ 570.205 and 570.206, respectively.

(d) Applications. Applications will only be accepted from eligible applicants in response to a Request for Applications (RFA) which will be issued either concurrently with or after the publication of a Notice of Funding Availability (NOFA) published in the FEDERAL REGISTER. The NOFA will describe any special objectives sought to be achieved by the funding to be provided, including any limitations on the type of activities to be funded to achieve the objectives, points to be awarded to each of the selection criteria listed in paragraph (e) of this section, and any special factors to be evaluated in assigning points under the selection factors to achieve the stated objectives. The NOFA will also state the deadline for the submission of applications, the total funding available for the competition, and the maximum amount of individual grants. The NOFA will include further information and instructions for the submission of acceptable applications to HUD.

(e) Selection criteria. Each application submitted under this section will be evaluated by HUD using the following criteria:

1. The extent to which the applicant addresses the objectives published in the NOFA and the RFA.

2. The extent to which the applicant demonstrates to HUD that the proposed activities will have a substantial impact in achieving the stated objectives.

3. The special needs of the applicant or locality to be met in carrying out the proposed activities, particularly with respect to benefiting low- and moderate-income persons.

4. The feasibility of the proposed activities, i.e., their technical and financial feasibility, for achieving the stated objectives, including local support for activities proposed to be carried out in the locality and any matching funds proposed to be provided from other sources.

5. The capability of the applicant to carry out satisfactorily the proposed activities in a timely fashion, including satisfactory performance in carrying out any previous HUD-assisted projects or activities.

6. In the case of proposals/projects of approximately equal merit, HUD retains the right to exercise discretion in selecting projects in a manner that would best serve the program objectives, with consideration given to the needs of localities, types of activities proposed, an equitable geographical distribution, and program balance.

(f) Certifications. (1) Certifications required to be submitted by applicants shall be as prescribed in the RFA packages.

2. In the absence of independent evidence which tends to challenge in a substantial manner the certifications made by the applicant, the required certifications will be accepted by HUD. If independent evidence is available to HUD, however, HUD may require further information or assurances to be submitted in order to determine whether the applicant’s certifications are satisfactory.

(g) Multiyear funding commitments. (1) HUD may make funding commitments of up to five years, subject to the availability of appropriations. In determining the number of years for which a commitment will be made, HUD will consider the nature of the activities proposed, the capability of the recipient to carry out the proposed activities, and year-by-year funding requirements.

2. Awards will be made on the basis of a 12-month period of performance. Once a recipient has been selected for a multi-year award, that recipient would not be required to compete in a competition for the subsequent funding years covered by the multi-year funding commitment. Recipients performing satisfactorily will be invited to submit applications for subsequent funding years in accordance with requirements outlined in the Notice of Funding Availability and Request for Grant Application. Subject to the availability of appropriations, subsequent-year funding will be determined by the following:

(i) The recipient has submitted all reports required for the previous year or years in a timely, complete and satisfactory manner in accordance with the terms and conditions of the grant.
(ii) The recipient has submitted sufficient evidence to demonstrate successful completion of the tasks and deliverables of the grant. A determination of satisfactory performance will be made by HUD based upon evidence of task completions provided by the recipient, along with data from client feedback and site evaluations.

(iii) The recipient has submitted the next annual application.

(iv) The subsequent year’s application is consistent with that described in the original application.

(3) Recipients participating in multi-year funding projects are not eligible to apply for additional grants for the same project or activity subject area for which they are receiving funds. Recipients are, however, eligible to compete for grants for other project or activity areas.

(h) Selection and notification. The HUD decision to approve, disapprove or conditionally approve an application shall be communicated in writing to the applicant.

(i) Environmental and intergovernmental review. The requirements for Intergovernmental Reviews do not apply to HBCU awards. HUD will conduct an environmental review in accordance with 24 CFR part 50 before giving its approval to a proposal.

[56 FR 18968, Apr. 24, 1991]

§ 570.405 The insular areas.

(a) Eligible applicants. Eligible applicants are Guam, the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, and the Commonwealth of the Northern Mariana Islands.

(b) Threshold requirements. HUD shall review each grantee’s progress on outstanding grants made under this section based on the grantee’s performance report, the timeliness of closeouts and compliance with fund management requirements and pertinent regulations, taking into consideration the size of the grant and the degree and complexity of the program. If HUD determines upon such review that the applicant does not have the capacity effectively to administer a new grant, or a portion of a new grant, in addition to grants currently under administration, the applicant shall not be invited to submit an application for the current year’s funding.

(c) Previous audit findings and outstanding monetary obligations. HUD shall not accept for review an application from an applicant that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established and agreed to. The Field Office manager may waive this restriction if he or she finds that the applicant has made a good faith effort to clear the audit. In no instance, however, shall a waiver be provided when funds are due HUD, unless a satisfactory arrangement for repayment of the debt has been made and payments are current.

(d) Criteria for funding. The Secretary shall establish, for each fiscal year, an amount for which eligible applicants may apply. Grant amounts will be based on population of the applicant and its performance in previous years. In determining performance, HUD will consider program achievements and the applicant’s effectiveness in using program funds. Effectiveness in using program funds shall be measured by reviewing audit, monitoring and performance reports.

(e) Application and performance reporting. Application and performance reporting requirements are as follows:

(1) Applicants must submit applications within 90 days of the notification of the grant amount from HUD.

(2) Applicants shall prepare and publish or post a proposed application in accordance with the citizen participation requirements of paragraph (h) of this section.

(3) Applicants shall submit to HUD a final application containing its community development objectives and activities. This application shall be submitted to the appropriate HUD office, together with the required certifications, in a form prescribed by HUD.

(4) Grant recipients must submit to HUD an annual performance report on progress achieved on previously funded grants. Grant recipients must submit the report at a time and in a format determined by HUD. The report should be
made available to citizens in accordance with the requirements of paragraph (h)(1)(iv) of this section.

(f) Costs incurred by the applicant. (1) Notwithstanding any other provision of this part, HUD will not reimburse or recognize any costs incurred by an applicant before submission of the application to HUD.

(2) Normally, HUD will not reimburse or recognize costs incurred before HUD approval of the application for funding. However, under unusual circumstances, the field office manager may consider and conditionally approve written requests to recognize and reimburse costs that will be incurred after submission of the application but before it is approved where failure to do so would impose undue or unreasonable hardship on the applicant. Conditional approvals will be made only before the costs are incurred and where the conditions for release of funds have been met in accordance with 24 CFR 58.22, and with the understanding that HUD has no obligation whatsoever to approve the application or to reimburse the applicant should the application be disapproved.

(g) Criteria for conditional approval. HUD may approve a grant subject to specified conditions. In any such case, the obligation and utilization of funds may be restricted. The reasons for the conditional approval and the actions necessary to remove the conditions shall be specified. Failure of the applicant to satisfy the conditions may result in a termination of the grant. A conditional approval may be granted under any of the following circumstances:

(1) When local environmental reviews under 24 CFR part 58 have not yet been completed;

(2) To ensure that actual provision of other resources required to complete the proposed activities will be available within a reasonable period of time;

(3) To ensure that a project can be completed within its estimated costs;

(4) Where the grantee is required to satisfy an outstanding debt due to HUD under a payment plan executed between the grantee and the Department;

(5) Pending resolution of problems related to specific projects or the capability of the grantee to obtain resources needed to carry out, operate or maintain the project; or

(6) Pending approval of site and neighborhood standards for proposed housing projects.

(h) Citizen participation. (1) The applicant shall provide for appropriate citizen participation in the application and amendment process. The applicant must, at least, do each of the following:

(i) Furnish citizens with information concerning the amount of funds available for community development and housing activities and the range of activities that may be undertaken, including the estimated amount proposed to be used for activities that will benefit persons of low and moderate income, and the plans of the grantee for minimizing displacement of persons as a result of activities assisted with such funds and to assist persons actually displaced;

(ii) Hold one or more public hearings (scheduled at convenient times and places) to obtain the views of citizens on community development and housing needs;

(iii) Develop and publish or post the community development statement in such a manner as to afford affected citizens an opportunity to examine its contents and to submit comments;

(iv) Afford citizens an opportunity to review and comment on the applicant’s performance under any community development block grant.

(2) Before submitting the application to HUD, the applicant shall certify that it has:

(i) Met the requirements of paragraph (h)(1) of this section;

(ii) Considered any comments and views expressed by citizens; and

(iii) If appropriate, modified the application accordingly and made the modified application available to citizens.

[50 FR 37526, Sept. 16, 1985, as amended at 60 FR 56914, Nov. 9, 1995; 61 FR 32269, June 21, 1996]

Effective Date Note: At 61 FR 32269, June 21, 1996, § 570.405(e)(4) was revised. This section contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.
§ 570.406 Formula miscalculation grants.

(a) General. Grants under this section will be made to States and units of general local government determined by the Secretary to have received insufficient amounts under section 106 of the Act as a result of a miscalculation of its share of funds under such section.

(b) Application. Since the grant is to correct a technical error in the formula amount which should have been awarded under section 106, no application is required.

(c) Use of funds. The use of funds shall be subject to the requirements, certifications and Final Statement otherwise applicable to the grantee’s section 106 grant funds provided for the fiscal year in which the grant under this section is made.

(d) Unavailability of funds. If sufficient funds are not available to make the grant in the fiscal year in which the Secretary makes the determination required in paragraph (a) of this section, the grant will be made, subject to the availability of appropriations for this subpart, in the next fiscal year.

[56 FR 41940, Aug. 26, 1991]

§ 570.410 Special Projects Program.

(a) Program objectives. The Community Development Special Projects Program enables HUD to award grants to States and units of general local government, subject to availability of funds, for special projects that address community development activities or techniques consistent with the purposes of title I of the Housing and Community Development Act of 1974, as amended.

(b) Eligible applicants. Only States and units of general local government (as defined in §570.3) are eligible to submit proposals or applications for Special Projects grants. Proposals or applications may be submitted by eligible applicants on behalf of themselves, on behalf of other eligible applicants, or jointly by more than one eligible applicant.

(c) Eligible activities. (1) Project activities that may be funded under this section are those eligible under 24 CFR part 570—Community Development Block Grants, subpart C—Eligible Activities. No more than twenty (20) percent of the funds awarded under this section may be used for overall program administration or planning activities eligible under §§570.205 and 570.206.

(2) The amount of funds awarded to a unit of general local government under this section that may be used for public service activities is limited. The applicant may use whichever of the following methods of calculation yields the highest amount:

(i) Fifteen percent of the special projects grant;

(ii) An amount equal to 15 percent of the sum of special project grant funds plus grant funds received for the same federal fiscal year under the Entitlement or State program, less the amount of the Entitlement or State program grant funds which will be used for other public service activities; or

(iii) In the case of an applicant that is an Entitlement grantee subject to the exception in §570.201(e)(3), an amount equal to the amount of the Entitlement grant funds received for the same federal fiscal year that may be used for public service activities, less the amount of the Entitlement grant funds which will be used for other public service activities.

(d) Proposals. Eligible applicants may submit unsolicited proposals. HUD may ask proposers to submit additional information if necessary for evaluation. There is no HUD commitment to fund any unsolicited proposal regardless of its merit. If HUD elects to fund a proposal, it will request that the proposer submit a formal application.

(1) Three (3) copies of a proposal must be sent to the address stated in (3), below. Each proposal submitted pursuant to this section shall be evaluated by HUD using the following criteria:

(i) The extent to which the proposal satisfies purposes of this title and addresses a special community development need.

(ii) The eligibility of proposed activities.

(iii) The feasibility of the project; i.e., its technical and financial feasibility for achieving the goals stated in the proposal.
§ 570.411 Joint Community Development Program.

(a) General. Grants under this section will be awarded to institutions of higher education or to States and local governments applying jointly with institutions of higher education. Institutions of higher education must demonstrate the capacity to carry out activities under title I of the Housing and Community Development Act of 1974. For ease of reference, this program may be called the Joint CD Program.

(b) Definitions.

(i) Demonstrated capacity to carry out eligible activities under title I means recent satisfactory activity by the institution of higher education's staff designated to work on the program, including subcontractors and consultants firmly committed to work on the proposed activities, in title I programs or similar programs without the need for oversight by a State or unit of general local government.

(ii) Institution of higher education means a college or university granting 4-year degrees and accredited by a national or regional accrediting agency recognized by the U.S. Department of Education.

(iii) Eligible applicants. Institutions of higher education or States and units of general local government may apply. Institutions of higher education with demonstrated capacity to carry out eligible activities under title I may apply on their own, without the joint participation of a State or unit of general local government. States or unit of general local governments must file jointly with an institution of higher education. For these approved joint applications, the grant will be made to the State or unit of general local government and the institution of higher education jointly. If an eligible applicant is an institution of higher education, it will not be funded more than once for the same kinds of activities. These grantees may not receive funding under a subsequent NOFA if it has the same program objectives as the one

(iv) The capacity of the proposer to carry out satisfactorily the proposed project activities.

(2) If the proposal is submitted jointly by, or on behalf of, more than one eligible applicant, the proposal must:

(i) Contain a cooperation agreement signed by the Chief Executive Officer of each participating jurisdiction which specifies concurrence with the purpose and intent of the proposal and intent to comply with grant requirements;

(ii) Address problems faced by all jurisdictions listed in the proposal; and,

(iii) Be submitted by the lead jurisdiction. The lead jurisdiction shall be responsible for overall coordination and administration of the project.

(3) Unsolicited proposals may be submitted any time during the year. However, if there are no funds available for such proposals, they will be returned without review. Proposals shall contain a Standard Form 424 signed by the Chief Executive Officer of the State or unit of general local government. They shall be sent to: Department of Housing and Urban Development, Office of Community Planning and Development, 451 Seventh Street, SW., Washington, DC 20410, Attention: Director, Office of Program Policy Development, CPP.

(e) Applications. Applications are accepted only from eligible applicants in response to letters of solicitations, or to competition announcements published in Notices in the Federal Register. Submission requirements and criteria to be used by HUD to evaluate solicited applications and instructions regarding their submission shall be stated in each Notice or letter.

(f) Certifications. Applications shall contain the certifications required by 24 CFR 570.303, except that regarding citizen participation: The applicant must certify that citizens likely to be affected by the project, particularly low- and moderate-income persons, have been provided an opportunity to comment on the proposal or application. If the application is submitted jointly, or on behalf of more than one jurisdiction, each jurisdiction shall submit the required certifications.

(g) Selection and notification. The HUD decision to approve, disapprove or conditionally approve a proposal or application shall be communicated in writing to the applicant.

under which the grantee previously received funding. However, a State or unit of general local government is eligible to apply if it files jointly with a different institution of higher education in each NOFA cycle. HUD may further limit the type of eligible applicant to be funded. Any such limitations will be contained in the Notice of Funding Availability described below in paragraph (h) of this section.

(d) **Role of participants in joint applications.** An institution of higher education and a State or unit of general local government may carry out eligible activities approved in joint applications. Where there are joint applicants, the grant will be made to both and both will be responsible for oversight, compliance, and performance. The application will have to clearly delineate the role of each applicant in the joint application. Any funding sanctions or other remedial actions by HUD for noncompliance or nonperformance, whether by the State or unit of general local government or by the institution of higher education, shall be taken against both grantees.

(e) **Eligible activities.** Activities that may be funded under this section are those eligible under 24 CFR part 570—Community Development Block Grants, subpart C—Eligible Activities. These activities may be designed to assist residents of colonias, as defined in section 916(d) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 5306 note), to improve living conditions and standards within colonias. HUD may limit the activities to be funded. Any such limitations will be contained in the Notice of Funding Availability described in paragraph (h) of this section.

(f) **Applications.** Applications will only be accepted from eligible applicants in response to a publication of a Notice of Funding Availability (NOFA) published by HUD in the Federal Register.

(g) **Local approval.** (1) Where an institution of higher education is the applicant, each unit of general local government that is an entitlement jurisdiction where an activity is to take place must approve the activity and certify that the activity is consistent with its Consolidated Plan.

(2) Where a State is the joint applicant and it proposes to carry out an activity within the jurisdiction of one or more units of general local government, then each such unit must approve the activity and state that the activity is consistent with its Consolidated Plan.

(3) These approvals and findings must accompany each application and may take the form of a letter by the chief executive officer of each unit of general local government affected or a resolution of the legislative body of each such unit of general local government.

(h) **NOFA contents.** The NOFA will describe any special objectives sought to be achieved by the funding to be provided, including any limitations on the type of activities to be funded to achieve the objectives, any limitations on the type of eligible applicants, and points to be awarded to each of the selection criteria and any special factors to be evaluated in assigning points under the selection criteria to achieve the stated objectives. The NOFA will also state the deadline for the submission of applications, the total funding available for the competition, the period of performance and the maximum and minimum amount of individual grants. The NOFA will also state which of the various possible levels of competition HUD will use: national and/or regional or entitlement areas vs. non-entitlement areas; and States or units of general local government vs. institutions of higher education vs. institutions of higher education with a demonstrated capacity. The NOFA will include further information and instructions for the submission of acceptable applications to HUD.

(i) **Selection criteria.** Each application submitted under this section will be evaluated by HUD using the following criteria:

(1) The extent to which the applicant addresses the objectives published in the NOFA and demonstrates how the proposed activities will have a substantial impact in achieving the objectives.

(2) The extent of the needs to be addressed by the proposed activities, particularly with respect to benefiting low- and moderate-income persons and residents of colonias, where applicable.
§ 570.415 Community Development Work Study Program.

(a) Applicability and objectives. HUD makes grants under CDWSP to institutions of higher education, either directly or through areawide planning organizations or States, for the purpose of providing assistance to economically disadvantaged and minority students who participate in a work study program while enrolled in full-time graduate programs in community and economic development, community planning, and community management. The primary objectives of the program are to attract economically disadvantaged and minority students to careers in community and economic development, community planning, and community management, and to provide a cadre of well-qualified professionals to plan, implement and administer local community development programs.

(b) Definitions. The following definitions apply to CDWSP:

Applicant means an institution of higher education, a State, or an areawide planning organization that submits an application for assistance under CDWSP.
Areawide planning organization (APO) means an organization authorized by law or by interlocal agreement to undertake planning and other activities for a metropolitan or nonmetropolitan area. For an organization operating in a nonmetropolitan area to be considered an APO, its jurisdiction must cover at least one county.

CDWSP means the Community Development Work Study Program.

Community building means community and economic development, community planning, community management, land use and housing activities.

Community building academic program or academic program means a graduate degree program whose purpose and focus is to educate students in community building. “Community building academic program” or “academic program” includes but is not limited to graduate degree programs in community and economic development, community planning, community management, public administration, public policy, urban economics, urban management, and urban planning. “Community building academic program” or “academic program” excludes social and humanistic fields such as law, economics (except for urban economics), education and history. “Community building academic program” or “academic program” excludes joint degree programs except where both joint degree programs have the purpose and focus of educating students in community building.

Economically disadvantaged and minority students means students who satisfy all applicable guidelines established at the participating institution of higher education to measure financial need for academic scholarship or loan assistance, including, but not limited to, students who are Black, American Indian/Alaskan Native, Hispanic, or Asian/Pacific Island, and including students with disabilities.

Institution of higher education means a public or private educational institution that offers a community building academic program and that is accredited by an accrediting agency or association recognized by the Secretary of Education under 34 CFR part 602.

Recipient means an approved applicant that executes a grant agreement with HUD.

Student means a student enrolled in an eligible full-time academic program. He/she must be a first-year student in a two-year graduate program. Students enrolled in Ph.D. programs are ineligible.

Student with disabilities means a student who meets the definition of “person with disabilities” in the Americans with Disabilities Act of 1990.

(c) Assistance provided—(1) Types of assistance available. HUD provides funding in the form of grants to recipients who make assistance available to eligible students. Grants are provided to cover the costs of student assistance and for an administrative allowance.

(i) Student assistance. Grants are made to recipients to cover the costs of assistance provided to eligible students in the form of student stipends, tuition support, and additional support.

(A) Student stipend. The amount of the student stipend is based upon the prevailing hourly rate for initial entry positions in community building and the number of hours worked by the student at the work placement assignment, except that the hourly rate used should be sufficiently high to allow a student to earn the full stipend without working over 20 hours per week during the school year and 40 hours per week during the summer. The amount of the stipend the student receives may not exceed the actual amount earned, up to $9,000 per year.

(B) Tuition support and additional support. The amount of support for tuition, fees, books, and travel related to the academic program, workplace assignment or conferences may not exceed actual costs incurred or $5,000 per year, whichever is higher. The conferences are limited to those dealing with community building, sponsored by professional organizations.

(ii) Administrative allowance. HUD provides an allowance to recipients to cover the administrative costs of the program. The administrative allowance is $1,000 per year for each student participating in the program.

(2) Number of students assisted. The minimum number of students that may
be assisted is three students per participating institution of higher education. If an APO or State receives assistance for a program that is conducted by two or more institutions of higher education, each participating institution must have a minimum of three students in the program. The maximum number of students that may be assisted under CDWSP is five students per participating institution of higher education.

(d) Recipient eligibility and responsibilities—(1) Recipient eligibility. (i) The following organizations are eligible to apply for assistance under the program:

(A) Institutions of higher education. Institutions of higher education offering a community building academic program are eligible for assistance under CDWSP.

(B) Areawide planning organizations and States. An APO or a State may apply for assistance for a program to be conducted by two or more institutions of higher education. Institutions participating in an APO program must be located within the particular area that is served by the APO and is identified by the State law or interlocal agreement creating the APO. Institutions of higher education participating in a State program must be located within the State.

(ii) To be eligible in future funding competitions for CDWSP, recipients are required to maintain a 50-percent rate of graduation from a CDWSP-funded academic program.

(iii) If an institution of higher education that submits an individual application is also included in the application of an APO or State, then the separate individual application of the institution of higher education will be disregarded. Additionally, if an institution of higher education is included in the application of both an APO and a State, then the references to the institution in the application of the State will be stricken. The State’s application will then be ineligible if fewer than two institutions of higher education remain as participants in the State’s application.

(2) Recipient responsibilities. (i) The recipient is responsible for the administration of the program, for compliance with all program requirements, and for the coordination of program activities carried out by the work placement agencies and (if the recipient is an APO or State), by the participating institutions of higher education. The recipient must:

(A) Recruit and select students for participation in CDWSP. The recipient shall establish recruitment procedures that identify economically disadvantaged and minority students pursuing careers in community building, and make such students aware of the availability of assistance opportunities. Students must be selected before the beginning of the semester for which funding has been provided.

(B) Recruit and select work placement agencies, and negotiate and execute agreements covering each work placement assignment.

(C) Refer participating students to work placement agencies and assist students in the selection of work placement assignments.

(D) Assign sufficient staff to administer and supervise the program on a day-to-day basis, and, where the recipient is an APO or State, to monitor the activities of the work study coordinating committee.

(E) Encourage participating students to obtain employment for a minimum of two years after graduation with a unit of State or local government, Indian tribe or nonprofit organization engaged in community building.

(F) Maintain records by racial and ethnic categories for each economically disadvantaged student enrolled in the CDWSP.

(G) Keep records and make such reports as HUD may require.

(H) Comply with all other applicable Federal requirements.

(ii) If the recipient is an APO or State, the recipient must also:

(A) Establish a committee to coordinate activities between program participants, to advise the recipient on policy matters, to assist the recipient in ranking and selection of participating students, and to review disputes concerning compliance with program agreements and performance. The committee shall be chaired by a representative of the recipient, and shall include
representatives of the participating institutions of higher education, work placement agencies, students, and HUD.

(B) Allocate the assistance awarded under the program to the participating institutions of higher education. APOs and States may not make fractional awards to institutions. (E.g., awards to institutions must assist a fixed number of students and not, for example, 6.5 students.)

(e) Institutions of higher education. Institutions of higher education participating in a program are responsible for providing its educational component. Where the recipient is an APO or State, the institution of higher education shall assist the APO or State in the administration and operation of the program. Responsibilities include assisting the recipient in the selection of students by determining the eligibility of students for the academic program, and by making the analysis of students under the financial need guidelines established by the institution. All institutions of higher education must comply with other applicable Federal requirements.

(f) Work placement agencies eligibility and responsibilities—(1) Eligibility. To be eligible to participate in the CDWSP, the work placement agencies must be involved in community building and must be an agency of a State or unit of local government, an APO, an Indian tribe, or a nonprofit organization.

(2) Responsibilities. Work placement agencies must:

(i) Provide practical experience and training in community building.

(ii) Consult with the institution of higher education (and the APO or State, where an APO or State is the recipient) to ensure that the student's work placement assignment provides the requisite experience and training to meet the required number of work hours specified in the student work placement agreement.

(iii) Provide a sufficient number of work placement assignments to provide participating students with a wide choice of work experience.

(iv) Require each student to devote 12–20 hours per week during the regular school year, or 35–40 hours a week during the summer, to the work placement assignment. Work placement agencies may provide flexibility in the work period, if such a schedule is consistent with the requirements of the student's academic program. However, a participating student may receive stipend payment only during the period that the student is placed with the work placement agency.

(v) Comply with all other applicable Federal requirements.

(vi) Maintain such records as HUD may require.

(g) Student eligibility and responsibilities. Students apply directly to recipients receiving grants under CDWSP. Students shall be selected in accordance with the following eligibility requirements and selection procedures.

(1) Eligibility. To be eligible for CDWSP, the student:

(i) Must satisfy all applicable guidelines established at the participating institution of higher education to measure financial need for academic scholarship or loan assistance.

(ii) Must be a full-time student enrolled in the first year of graduate study in a community building academic program at the participating institution of higher education. Individuals enrolled in doctoral programs are ineligible.

(iii) Must demonstrate an ability to maintain a satisfactory level of performance in the community building academic program and in work placement assignments, and to comply with the professional standards set by the recipient and the work placement agencies.

(iv) May not have previously participated in CDWSP.

(v) Must provide appropriate written evidence that he or she is lawfully admitted for permanent residence in the United States, if the individual is not a citizen.

(2) Selection. In selecting among eligible students, the recipient must consider the extent to which each student has demonstrated:

(i) Financial need under the applicable financial need guidelines established at the institution of higher education;

(ii) An interest in, and commitment to, a professional career in community building;
(iii) The ability satisfactorily to complete academic and work placement responsibilities under CDWSP.

(3) Student responsibilities. Participating students must:

(i) Enroll in a two-year program. A student’s academic and work placement responsibilities include: Full-time enrollment in an approved academic program; maintenance of a satisfactory level of performance in the community building academic program and in work placement assignments; and compliance with the professional conduct standards set by the recipient and the work placement agency. A satisfactory level of academic performance consists of maintaining a B average. A student's participation in CDWSP shall be terminated for failure to meet these responsibilities and standards. If a student’s participation is terminated, the student is ineligible for further CDWSP assistance.

(ii) Agree to make a good-faith effort to obtain employment in community building with a unit of State or local government, an Indian tribe, or a non-profit organization. The term of employment should be for at least two consecutive years following graduation from the academic program. If the student does not obtain such employment, the student is not required to repay the assistance received.

(b) Notice of fund availability. HUD will solicit grant applications from institutions of higher education, APO’s and States by publishing a notice of fund availability in the Federal Register. The notice will:

(1) Explain how application packages (requests for grant applications) providing specific application requirements and guidance may be obtained;

(2) Specify the place for filing completed applications, and the date by which the applications must be physically received at that location;

(3) State the amount of funding available under the notice;

(4) Provide other appropriate program information and guidance.

(i) Recipient selection process. The selection process for applications under CDWSP consists of a threshold review, ranking of eligible applications and final selection.

(1) Threshold. To be eligible for ranking, applicants must meet each of the following threshold requirements:

(i) The application must be filed in the application form prescribed by HUD, and within the required time periods;

(ii) The applicant must demonstrate that it is eligible to participate;

(iii) The applicant must demonstrate that each institution of higher education participating in the program as a recipient has the required academic programs and faculty to carry out its activities under CDWSP. Each work placement agency must have the required staff and community building work study program to carry out its activities under CDWSP.

(2) Rating. All applications that meet the threshold requirements for applicant eligibility will be rated based on the following selection criteria:

(i) Quality of academic program. The quality of the academic program offered by the institution of higher education, including without limitation the:

(A) Quality of course offerings;

(B) Appropriateness of course offerings for preparing students for careers in community building; and

(C) Qualifications of faculty and percentage of their time devoted to teaching and research in community building;

(ii) Rates of graduation. The rates of graduation of students previously enrolled in a community building academic program at the institution of higher education, specifically including (where applicable) graduation rates from any previously funded CDWSP academic programs or similar programs.

(iii) Extent of financial commitment. The commitment and ability of the institution of higher education to assure that CDWSP students will receive sufficient financial assistance (including loans, where necessary) above and beyond the CDWSP funding to complete their academic program in a timely manner and without working in excess of 20 hours per week during the school year.
(iv) Quality of work placement assignments. The extent to which the participating students will receive a sufficient number and variety of work placement assignments, the assignments will provide practical and useful experience to students participating in the program, and the assignments will further the participating students’ preparation for professional careers in community building.

(v) Likelihood of fostering students’ permanent employment in community building. The extent to which the proposed program will lead participating students directly and immediately to permanent employment in community building, as indicated by, without limitation:

(A) The past success of the institution of higher education in placing its graduates (particularly CDWSP-funded and similar program graduates where applicable) in permanent employment in community building; and

(B) The amount of faculty and staff time and institutional resources devoted to assisting students (particularly students in CDWSP-funded and similar programs where applicable) in finding permanent employment in community building.

(vi) Effectiveness of program administration. The degree to which an applicant will be able effectively to coordinate and administer the program. HUD will allocate the maximum points available under this criterion equally among the following considerations set forth in paragraphs (i)(2)(vi) (A), (B), and (C) of this section, except that the maximum points available under this criterion will be allocated equally between the considerations set forth in paragraphs (i)(2)(vi) (A) and (B) of this section only where the applicant has not previously administered a CDWSP-funded program.

(A) The strength and clarity of the applicant’s plan for placing CDWSP students on rotating work placement assignments and monitoring CDWSP students’ progress both academically and in their work placement assignments;

(B) The degree to which the individual who will coordinate and administer the program has clear responsibility, ample available time, and sufficient authority to do so; and

(C) The effectiveness of the applicant’s prior coordination and administration of a CDWSP-funded program, where applicable (including the timeliness and completeness of the applicant’s compliance with CDWSP reporting requirements).

(vii) Commitment to meeting economically disadvantaged and minority students’ needs. The applicant’s commitment to meeting the needs of economically disadvantaged and minority students as demonstrated by policies and plans regarding, and past effort and success in, recruiting, enrolling and financially assisting economically disadvantaged and minority students. If the applicant is an APO or State, then HUD will consider the demonstrated commitment of each institution of higher education on whose behalf the APO or State is applying; HUD will then also consider the demonstrated commitment of the APO or State to recruit and hire economically disadvantaged and minority students.

(3) Final selection. Eligible applications will be considered for selection in their rank order. HUD may make awards out of rank order to achieve geographic diversity, and may provide assistance to support a number of students that is less than the number requested under applications in order to provide assistance to as many highly ranked applications as possible.

(j) Agreements—(1) Grant agreement. The responsibilities of the recipient under CDWSP will be incorporated in a grant agreement executed by HUD and the recipient.

(2) Student agreement. The recipient and each participating student must execute a written agreement incorporating their mutual responsibilities under CDWSP. The agreement must be executed before the student can be enrolled in the program. A student’s participation in CDWSP shall be terminated for failure to meet the responsibilities and standards in the agreement.

(3) Work placement assignment agreement. The institution of higher education, the APO or state (if an APO or
State is the grant recipient), the participating student, and the work placement agency must execute a written agreement covering each work placement assignment. The agreement must address the responsibilities of each of the parties, the educational objectives, the nature of supervision, the standards of evaluation, and the student’s time commitments under the work placement assignment.

(4) APO (or state) and institution of higher education. Where the recipient is an APO (or a State), the recipient and each participating institution of higher education must execute a written agreement incorporating their mutual responsibilities under CDWSP.

(k) Grant administration—(1) Initial obligation of funds. When HUD selects an application for funding, and notifies the recipient, HUD will obligate funds to cover the amount of the approved grant. The initial obligation of funds will provide for student grants for two years.

(2) Disbursement. Recipients will receive grant payments by direct deposit on a reimbursement basis. If that is not possible, grant payments will be made by U.S. Treasury checks.

(3) Deobligation and recipient repayment. (i) HUD may deobligate amounts for grants if proposed activities are not begun or completed within a reasonable time after selection.

(ii) If a student’s participation in CDWSP is terminated before the completion of the two-year term of the student’s program, the recipient may substitute another student to complete the two-year term of a student whose participation has terminated. The substituted student must have a sufficient number of academic credits to complete the degree program within the remaining portion of the terminated student’s two-year term. With respect to any CDWSP grant, there is no requirement, regardless of the date of grant award, for students who are terminated from the CDWSP to repay tuition and additional assistance or for the grant recipient to repay such funds to HUD. Funds must still be otherwise expended consistent with CDWSP regulations and the grant agreement, or repayment may be required under paragraph (k)(3)(iii) of this section.

(iii) Consistent with OMB Circulars No. A-101 and A-110, HUD, in the grant agreement, will set forth in detail other circumstances under which funds may be deobligated, recipients may be liable for repayment, or other sanctions may be imposed.

(1) Other Federal requirements—(1) Handicap provision. Recipients must provide a statement certifying that no otherwise qualified handicapped person shall, solely by reason of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the CDWSP.

§ 570.416 Hispanic-serving institutions work study program

(a) Applicability and objectives. HUD makes grants under the Hispanic-serving Institutions Work Study Program (HSI-WSP) to public and private nonprofit Hispanic-serving Institutions (HSI’s) of higher education for the purpose of providing assistance to economically disadvantaged and minority students who participate in a work study program while enrolled in full-time community college programs in community building, and to provide entry to pre-professional careers in these fields.

(b) Definitions. The following definitions apply to HSI-WSP:

88
 Applicant means a public or private non-profit Hispanic-serving institution of higher education that offers only two-year degree programs, including at least one community building academic degree program, and that applies for funding under HSI-WSP.

 Community building means community and economic development, community planning, community management, public policy, urban economics, urban management, urban planning, land use planning, housing, and related fields. Related fields include, but are not limited to, administration of justice, child development, and human services.

 Community building academic program or academic program means an undergraduate associate degree program whose purpose and focus is to educate students in community building. The terms “community building academic program” or “academic program” refer to the types of academic programs encompassed in the statutory phrase “community or economic development, community planning or community management.” For purposes of HSI-WSP, such programs include, but are not limited to, associate degree programs in community and economic development, community planning, community management, public administration, public policy, urban economics, urban management, urban planning, land use planning, housing, and related fields of study. Related fields of study that promote community building, such as administration of justice, child development, and human services are eligible, while fields such as natural sciences, computer sciences, mathematics, accounting, electronics, engineering, and the humanities (such as English or history) would not be eligible. A transfer program (i.e., one that leads to transfer to a four-year institution of higher education for the student’s junior year) in a community building academic discipline is eligible only if the student is required to declare his/her major in this discipline while at the community college.

 Community building field means any of the fields of study eligible under a community building academic program.

 Economically disadvantaged and minority students means students who satisfy all the applicable guidelines established at the participating institution of higher education to measure financial need for academic scholarship or loan assistance, including, but not limited to, students with disabilities and students who are Black, American Indian/Alaska Native, Hispanic, Asian/Pacific Islanders, where such students satisfy the financial needs guidelines defined above.

 Hispanic-serving institution is an institution of higher education that certifies to the satisfaction of the Secretary that it meets the criteria set out at 20 U.S.C. 1059c(b)(1), including the following: An institution that has an enrollment of undergraduate full-time students that is at least 25 percent Hispanic; in which not less than 50 percent of the Hispanic students are low-income individuals (i.e., their families’ taxable income for the preceding year did not exceed 150 percent of the poverty level) who are first generation college students; and in which another 25 percent are either low-income individuals or first generation college students.

 HSI-WSP or HSI-WSP program means the Hispanic-serving Institutions Work Study program.

 Institution of higher education means a public or private educational institution that offers two-year associate degrees in a community building academic program and that is accredited by an accrediting agency or association recognized by the Secretary of Education. Institutions offering BOTH four-year and two-year degrees are not eligible for HSI-WSP.

 Recipient means an approved applicant that executes a grant agreement with HUD.

 Student means a person attending the institution of higher education on a full-time basis, as defined by that institution and pursuing an eligible community building degree. Students must have attained no more than half of the credits required for their degree at the time they first receive assistance under HSI-WSP.

 Student with disabilities means a student who meets the definition of a
"person with disabilities" in the Americans with Disabilities Act of 1990.

(c) Assistance provided—(1) Types of assistance available. HUD provides funding in the form of grants to recipients who make assistance available to eligible students. Grants are provided to cover the costs of student assistance and for an administrative allowance.

(2) Maximum amount of assistance. The maximum amount that can be provided to a student is $13,200 a year, including $1,000 for an administrative allowance, subject to the 20% limitation described at 570.416(c)(4) below. HUD will not set maximums on how much should be spent on each eligible expenditure, other than for administrative costs. The institution must be able to document that the amounts paid are customary for that institution and that it has actually paid that amount to the students. If a student is receiving a Pell grant, he/she may not receive funding for the same educational support through HSI-WSP. However, HSI-WSP can substitute for all or part of the Pell grant.

(3) Student assistance. Grants are provided in the form of student stipends, tuition support, and additional support.

(i) Student stipend. The amount of the student stipend should be based on the hourly rate for initial entry positions in the community building field and the number of hours worked by the student at the work placement assignment. The stipend should be sufficiently high to allow the student to earn the full stipend, as determined by the recipient, without working over 20 hours per week during the school year and 40 hours per week during the summer.

(ii) Tuition support. The amount of tuition support may not exceed the tuition and required fees charged at the participating institution of higher education.

(iii) Additional support. The recipient may provide additional support for books, tutoring, and travel related to the academic program or work placement assignment. Costs associated with reasonable accommodations for students with disabilities including, but not limited to, interpreters for the deaf/hard of hearing, special equipment, and braille materials are eligible under this category.

(4) Administrative allowance. HUD provides an allowance to recipients to cover the administrative costs of the program. The administrative allowance is $1,000 per year for each student participating in the program; however, no more than 20 percent of the grant may be used for planning and program administrative costs.

(5) Number of students assisted. The minimum number of students that may be assisted is three students per participating institution of higher education. The maximum number of students that may be assisted is ten students per participating institution of higher education; however, a lower maximum or higher minimum may be established for a particular funding round by the NOFA announcing the availability of the funds.

(d) Recipient eligibility and responsibilities—(1) Recipient eligibility. Public or private Hispanic-serving institutions of higher education offering only undergraduate two-year degrees, including degrees in at least one community building academic program, are eligible for assistance under HSI-WSP. HSIs that offer BOTH two-year and four-year degrees are not eligible for HSI-WSP assistance.

(2) Recipient responsibilities. The recipient is responsible for administering the program, for compliance with all program requirements, and for coordination of program activities carried out by the work placement agencies. The recipient must:

(i) Recruit students for participation in HSI-WSP. The recipient shall establish recruitment procedures that identify eligible economically disadvantaged and minority students pursuing careers in community building, and make them aware of the availability of assistance opportunities. While the program is restricted to HSIs, the recipient may neither restrict the program to any particular minority group or groups, nor provide any preferential treatment in the selection process based on race or ethnicity. Only economically disadvantaged students, as defined herein, may be assisted.
(ii) Select students for participation in HSI-WSP. In selecting among the eligible students, the recipient must consider the extent to which each student has demonstrated financial need under the applicable guidelines established at the institution of higher education; an interest in, and commitment to, a career in community building; and the ability to satisfactorily complete the academic and work placement responsibilities under HSI-WSP. Students must be selected before the beginning of the semester for which funding is being provided. If a student’s participation terminates, the student may not be replaced; the grant will be reduced by the amount of unused funds allotted for that student.

(iii) Provide the educational component for participating students.

(iv) Recruit and select work placement agencies, and negotiate and execute an agreement covering each work placement assignment.

(v) Refer participating students to work placement agencies and assist students in the selection of work placement assignments.

(vi) Assign sufficient staff to administer and supervise the program on a day-to-day basis.

(vii) Encourage participating students to either: obtain post-graduation employment with a unit of State or local government, an APO, an Indian tribe or nonprofit organization engaged in community building activities. A work placement site that is part of the institution of higher education (e.g., a child care center) can only be an eligible site if the services provided by that site are offered to people in the broader community outside the institution.

(2) Responsibilities. Work placement agencies must:

(i) Provide practical experience and training in the community building field to participating students through work placement assignments.

(ii) Consult with the institution of higher education to ensure that the student’s work placement assignment provides the requisite experience and training to meet the required number of work hours specified in the student work placement agreement.

(iii) Provide a sufficient number and variety of work assignments to provide participating students with a wide choice of work experience.

(iv) Require each student to devote 12–20 hours per week during the regular school year, and 35–40 hours a week during the summer, to the work placement assignment. Work placement agencies may provide flexibility in the work period, if such a schedule is consistent with the requirements of the student’s academic program. However, a participating student may receive a stipend payment only during the period when the student is placed with the work placement agency.

(v) Comply with all other applicable Federal requirements.

(vi) Maintain such records as HUD may require.

(f) Student eligibility and responsibilities. Students apply directly to recipients receiving grants under HSI-WSP.

(1) Eligibility. To be eligible for HSI-WSP, the student:

(i) Must satisfy all applicable guidelines established at the participating institution of higher education to measure financial need for academic scholarship or loan assistance.

(ii) Must be a full-time student enrolled in a community building associate degree program at the participating institution of higher education. The student must have attained no more than 50 percent of the credits required for his/her degree at the time the student first receives assistance under this program.

(iii) Must demonstrate an ability to maintain a satisfactory level of performance in community building academic program (i.e., maintain a B average, as defined by the institution) and in work placement assignments, and comply with the professional standards set by the recipient and the work placement agencies.

(iv) May not have previously participated in HSI-WSP.

(2) Student responsibilities. Participating students must:

(i) Enroll or be enrolled in a two-year community building associate degree program. A student’s academic and work placement responsibilities include: Full-time enrollment in an approved academic program; maintenance of a satisfactory level of performance in the community building academic program and in work placement assignments; and compliance with the professional conduct standards set by the recipient and by the work placement agency. A satisfactory level of academic performance consists of maintaining a B average, as defined by the institution. A student’s participation in HSI-WSP shall be terminated for failure to meet these responsibilities and standards. If the student’s participation is terminated, the student is ineligible for further HSI-WSP assistance.

(ii) Devote 12–20 hours per week during the regular school year, and 35–40 hours a week during the summer, to the work placement assignment. Work placement agencies may provide flexibility in the work period, if such a schedule is consistent with the requirements of the student’s academic program. However, a participating student may receive a stipend payment only during the period when the student is placed with the work placement agency.

(iii) Agree to make a good-faith effort to either: obtain employment in community building with a unit of State or local government, an APO, an Indian tribe, or a non-profit organization; or to transfer to a four-year institution of higher education to obtain a bachelor’s degree in a community building academic discipline. However, if the student does not obtain such employment or transfer to a four-year institution, the student is not required to repay the assistance received.

(g) Notice of funding availability. HUD will solicit grant applications from eligible institutions of higher education by publishing a notice of funding availability in the Federal Register. The notice will:

(1) Explain how application kits providing specific application requirements and guidance may be obtained;

(2) Specify the place for filing completed applications, and the date by which applications must be physically received at that location;

(3) State the amount of funding available under the notice, which may include funds recaptured from previously awarded grants;

(4) Provide other appropriate program information and guidance.

(h) Agreements—(1) Grant agreement. The responsibilities of the recipient under HSI-WSP will be incorporated in a grant agreement executed by HUD and the recipient.

(2) Student agreement. The recipient and each participating student must execute a written agreement incorporating their mutual responsibilities under HSI-WSP. The agreement must be executed before the student can be enrolled in the program. The Recipient shall terminate a student’s participation in HSI-WSP for failure to meet the responsibilities and standards in the agreement.

(3) Work placement assignment agreement. The recipient, the student, and the work placement agency must execute a written agreement covering each work placement assignment. The agreement must address the responsibilities of each of the parties, the educational objectives, the nature of the supervision, the standards of evaluation, and the student’s time commitments under the work placement assignment.

(1) Grant administration—(1) Initial obligation of funds. When HUD selects an application for funding, HUD will obligate funds to cover the amount of the approved grant. The term of the award will be for two calendar years, unless subsequently altered by HUD at its discretion for good cause.

(2) Disbursement. Recipients will receive grant payments by direct deposit.
§ 570.420 General.

(a) Administration of Non-entitlement CDBG funds in New York by HUD or Insular Areas—(1) Small cities. The Act permits each state to elect to administer all aspects of the CDBG program annual fund allocation for the non-entitlement areas within its jurisdiction. All states except Hawaii have elected to administer the CDBG program for non-entitlement areas within their jurisdiction. This section is applicable only to active HUD-administered small cities grants in New York. The requirements for the non-entitlement CDBG grants in Hawaii are set forth in §570.429 of this subpart. States that elected to administer the program after the close of Fiscal Year 1984 cannot return administration of the program to HUD. A decision by a state to discontinue administration of the program would result in the loss of CDBG funds for non-entitlement areas in that state and the reallocation of those funds to all states in the succeeding fiscal year.

(b) Scope and applicability. (1) This subpart describes the policies and procedures of the Small Cities program that apply to non-entitlement areas in states where HUD administers the CDBG program. HUD currently administers the Small Cities program in only two states—New York (for grants prior to FY 2000) and Hawaii (for non-entitlement CDBG grants in Hawaii). The Small Cities portion of this subpart addresses the requirements for New York Small Cities grants in §§570.421, 570.426,
§ 570.420  24 CFR Ch. V (4–1–13 Edition)

570.427, and 570.431. Section 570.429 identifies special procedures applicable to Hawaii.

(2) This subpart also describes the policies and procedures governing community development block grants to insular areas under section 106 of the Act. Sections 570.440 and 570.441 identify procedures applicable to the Insular Areas program under section 106 of the Act. Fund reservations for insular areas under section 107 of the Act shall remain governed by the policies and procedures described in section 107(a)(1)(A) of the Act and §§ 570.400 and 570.405 of this part.

(3) The policies and procedures set forth in the following identified subparts of this part apply to the HUD-administered Small Cities and Insular Areas programs, except as modified or limited under the provisions thereof or this subpart:

(i) Subpart A—General Provisions;

(ii) Subpart C—Eligible Activities;

(iii) Subpart J—Grant Administration;

(iv) Subpart K—Other Program Requirements;

(v) Subpart M—Loan Guarantees; and

(vi) Subpart O—Performance Reviews.

(c) Abbreviated consolidated plan. Applications for the HUD-administered Small Cities Program and the Insular Areas program under section 106 of the Act that contain housing activities must include a certification that the proposed housing activities are consistent with the applicant’s consolidated plan as described at 24 CFR part 91.

(d) National and primary objectives. (1) Each activity funded through the Small Cities program and the Insular Areas program under section 106 of the Act that contain housing activities must include a certification that the proposed housing activities are consistent with the applicant’s consolidated plan as described at 24 CFR part 91.

(2) In addition to the objectives described in paragraph (e)(1) of this section, with respect to grants made through the Small Cities program, not less than 70 percent of the total of grant funds from each grant and Section 106 loan guarantee funds received under subpart M of this part within a fiscal year must be expended for activities which benefit low- and moderate-income persons under the criteria of § 570.208(a) or of § 570.208(d)(5) or (6). In the case of multiyear plans in New York State approved in response to NOFAs published prior to calendar year 1997, not less than 70 percent of the total funding for grants approved pursuant to a multiyear plan for a time period of up to three years must be expended for activities which benefit low- and moderate-income persons. Thus, 70 percent of the grant for year 1 of a multiyear plan approved in response to NOFAs published prior to calendar year 1997 must meet the 70 percent requirement, 70 percent of the combined grants from years 1 and 2 must meet the requirement, and 70 percent of the combined grants from years 1, 2, and 3 must meet the requirement. In determining the percentage of funds expended for such activity, the provisions of § 570.200(a)(3)(i), (iii), (iv), and (v) shall apply.

(3) In addition to the objectives described in paragraph (e)(1) of this section, grants made through the Insular Areas program shall also comply with the primary objective of 70 percent benefit to low- and moderate-income persons. Insular area recipients must ensure that over a period of time specified in their certifications not to exceed three years, not less than 70 percent of the aggregate of CDBG fund expenditures shall be for low- and moderate-income activities meeting the criteria under § 570.208(a) or under § 570.208(d)(5) or (6). See also § 570.200(a)(3) for further discussion of the primary objective.
(e) Allocation of funds—The allocation of appropriated funds for insular areas under section 106 of the Act shall be governed by the policies and procedures described in section 106(a)(2) of the Act and §§570.440, 570.441, and 570.442 of this subpart. The annual appropriations described in this section shall be distributed to insular areas on the basis of the ratio of the population of each insular area to the population of all insular areas.

§ 570.421 New York Small Cities Program design.

(a) Selection system—(1) Competitive applications. Each competitive application will be rated and scored against at least the following factors:
   (i) Need-absolute number of persons in poverty as further explained in the NOFA;
   (ii) Need-percent of persons in poverty as further explained in the NOFA;
   (iii) Program Impact; and
   (iv) Fair Housing and Equal Opportunity, which may include the applicant’s Section 3 plan and implementation efforts with respect to actions to affirmatively further fair housing. The NOFA described in paragraph (b) of this section will contain a more detailed description of these factors, and the relative weight that each factor will be given.

   (2) In addition HUD reserves the right to establish minimal thresholds for selection factors and otherwise select grants in accordance with §570.425 and the applicable NOFA.

   (3) Imminent threats to public health and safety. The criteria for these grants are described in §570.424.

   (4) Repayment of Section 108 loans. The criteria for these grants are described in §570.432.

   (5) Economic development grants. HUD intends to use the Section 108 loan guarantee program to the maximum extent feasible to fund economic development projects in the nonentitlement areas of New York. In the event that there are not enough Section 108 loan guarantee funds available to fund viable economic development projects, if a project needs a grant in addition to a loan guarantee to make it viable, or if the project does not meet the requirements of the Section 108 program but is eligible for a grant under this subpart, HUD may fund Economic Development applications as they are determined to be fundable in a specific amount by HUD up to the sum set aside for economic development projects in a notice of funding availability, notwithstanding paragraph (g) of this section. HUD also has the option in a NOFA of funding economic development activities on a competitive basis, as a competitive application as described in paragraph (a)(1) of this section. In order for an applicant to receive Small Cities grant funds on a noncompetitive basis, the field office must determine that the economic development project will have a substantial impact on the needs identified by the applicant.

   (b) Notice of funding availability. HUD will issue one or more Notice(s) of Funding Availability (NOFA) each fiscal year which will indicate the amount of funds available, the annual grant limits per grantee, type of grants available, the application requirements, and the rating factors that will be used for those grants which are competitive. A NOFA may set forth, subject to the requirements of this subpart, additional selection criteria for all grants.

   (c) Eligible applicants. (1) Eligible applicants in New York are units of general local government, excluding: Metropolitan cities, urban counties, units of general local government which are participating in urban counties or metropolitan cities, even if only part of the participating unit of government is located in the urban county or metropolitan city. Indian tribes are also ineligible for assistance under this subpart. An application may be submitted individually or jointly by eligible applicants.

   (2) Counties, cities, towns, and villages may apply and receive funding for separate projects to be done in the same jurisdiction. Only one grant will be made under each funding round for the same type of project to be located within the jurisdiction of a unit of general local government (e.g., both the county and village cannot receive funding for a sewer system to be located in the same village, but the county can
receive funding for a sewer system that is located in the same village as a rehabilitation project for which the village receives funding. The NOFA will contain additional information on applicant eligibility.

(3) Counties may apply on behalf of units of general local government located within their jurisdiction when the unit of general local government has authorized the county to apply. At the time that the county submits its application for funding, it must submit a resolution by the governing body of the unit of local government that authorizes the county to submit an application on behalf of the unit of general local government. The county will be considered the grantee and will be responsible for executing all grant documents. The county is responsible for ensuring compliance with all laws, regulations, and Executive Orders applicable to the CDBG Program. HUD will deal exclusively with the county with respect to issues of program administration and performance, including remedial actions. The unit of general local government will be considered the grantee for the purpose of determining grant limits. The unit of general local government’s statistics will be used for purposes of the selection factors referred to in §570.421(a).

(d) Public service activities cap. Public service activities may be funded up to a maximum of fifteen (15) percent of a State’s nonentitlement allocation for any fiscal year. HUD may award a grant to a unit of general local government for public service activities with up to 100 percent of the funds intended for public service activities. HUD will apply the 15 percent statewide cap to public service activities by funding public service activities in the highest rated applications in each NOFA until the cap is reached.

(e) Activities outside an applicant’s boundaries. An applicant may conduct eligible CDBG activities outside its boundaries. These activities must be demonstrated to be appropriate to meeting the applicant’s needs and objectives, and must be consistent with State and local law. This provision includes using funds provided under this subpart in a metropolitan city or an urban county.

(f) Multiyear plans. HUD will not make any new multiyear commitments for NOFAs published in calendar year 1997 or later. HUD will continue to honor the terms of the multiyear plans that were approved under the provisions of NOFAs published prior to calendar year 1997.

(g) Maximum grant amount. The maximum grant amount that will be awarded to a single unit of general local government in response to the annual Small Cities NOFA published in calendar year 1997 or later is $400,000, except that counties may apply for up to $600,000 in HUD-administered Small Cities funds. HUD may specify lower grant limits in the NOFA, which may include different limits for different types of grants available or different types of applicants. This paragraph (g) does not apply to multiyear plans that were approved under the provisions of NOFAs published prior to calendar year 1997, nor does it apply to grants awarded in connection with paragraphs (a)(3) through (a)(5) of this section. The maximum limits in this paragraph (g) apply to grants for economic development projects awarded under NOFAs in which there is no set-aside of funds for such projects.

§§ 570.422–425 [Reserved]

§ 570.426 Program income.

(a) The provisions of §570.504(b) apply to all program income generated by a specific grant and received prior to grant closeout.

(b) If the unit of general local government has another ongoing CDBG grant at the time of closeout, the program income will be considered to be program income of the ongoing grant. The grantee can choose which grant to credit the program income to if it has multiple open CDBG grants.

(c) If the unit of general local government has no open ongoing CDBG grant at the time of closeout, program income of the unit of general local government or its subrecipients which amounts to less than $25,000 per year will not be considered to be program income unless needed to repay a Section 108 guaranteed loan. When more than $25,000 of program income is generated from one or more closed out
grants in a year after closeout, the entire amount of the program income is subject to the requirements of this part. This will be a subject of the closeout agreement described in §570.509(c).

§570.427 Program amendments.

(a) HUD approval of certain program amendments. Grantees shall request prior HUD approval for all program amendments involving new activities or alteration of existing activities that will significantly change the scope, location, or objectives of the approved activities or beneficiaries. Approval is subject to the amended activities meeting the requirements of this part and being able to be completed promptly.

(b) Documentation of program amendments. Any program amendments that do not require HUD approval must be fully documented in the grantee’s records.

(c) Citizen participation requirements. Whenever an amendment requires HUD approval, the requirements for citizen participation in §570.431 must be met.

§570.428 [Reserved]

§570.429 Hawaii general and grant requirements.

(a) General. This section applies to non-entitlement CDBG grants in Hawaii. The non-entitlement counties in the State of Hawaii will be treated as entitlement grantees except for the calculation of allocations, and the source of their funding, which will be from section 106(d) of the Act.

(b) Scope and applicability. Except as modified or limited under the provisions thereof or this subpart, the policies and procedures outlined in subparts A, C, D, J, K, and O of this part apply to non-entitlement CDBG grants in Hawaii.

(c) Grant amounts. (1) For each eligible unit of general local government, a formula grant amount will be determined which bears the same ratio to the total amount available for the non-entitlement area of the State as the weighted average of the ratios between:

(i) The population of that eligible unit of general local government and the population of all eligible units of general local government in the non-entitlement areas of the State;

(ii) The extent of poverty in that eligible unit of general local government and the extent of poverty in all the eligible units of general local government in the nonentitlement areas of the State; and

(iii) The extent of housing overcrowding in that eligible unit of general local government and the extent of housing overcrowding in all the eligible units of general local government in the nonentitlement areas of the State.

(2) In determining the average of the ratios under this paragraph (c), the ratio involving the extent of poverty shall be counted twice and each of the other ratios shall be counted once. (0.25 + 0.50 + 0.25 = 1.00).

(d) Reallocation. (1) Any amounts that become available as a result of any reductions under subpart O of this part shall be reallocated in the same or future fiscal year to any remaining eligible applicants on a pro rata basis.

(2) Any formula grant amounts reserved for an applicant that chooses not to submit an application shall be reallocated to any remaining eligible applicants on a pro rata basis.

(3) No amounts shall be reallocated under paragraph (d) of this section in any fiscal year to any applicant whose grant amount was reduced under subpart O of this part.

(Approved by the Office of Management and Budget under control number 2506–0060)

§570.431 Citizen participation.

(a) General. An applicant that is located in a nonentitlement area of a State that has not elected to distribute funds shall comply with the citizen participation requirements described in this section, including requirements for the preparation of the proposed application and the final application. The requirements for citizen participation do not restrict the responsibility or authority of the applicant for the development and execution of its community development program.
§ 570.431 24 CFR Ch. V (4–1–13 Edition)

(b) Citizen participation plan. The applicant must develop and follow a detailed citizen participation plan and must make the plan public. The plan must be completed and available before the application for assistance is submitted to HUD, and the applicant must certify that it is following the plan. The plan must set forth the applicant’s policies and procedures for:

(1) Giving citizens timely notice of local meetings and reasonable and timely access to local meetings, information, and records relating to the grantee’s proposed and actual use of CDBG funds including, but not limited to:

(i) The amount of CDBG funds expected to be made available for the coming year, including the grant and anticipated program income;

(ii) The range of activities that may be undertaken with those funds;

(iii) The estimated amount of those funds proposed to be used for activities that will benefit low- and moderate-income persons;

(iv) The proposed CDBG activities likely to result in displacement and the applicant’s plans, consistent with the policies developed under §570.606(b), for minimizing displacement of persons as a result of its proposed activities; and

(v) The types and levels of assistance the applicant plans to make available (or to require others to make available) to persons displaced by CDBG-funded activities, even if the applicant expects no displacement to occur;

(2) Providing technical assistance to groups representative of persons of low- and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of the applicant. The assistance need not include the provision of funds to the groups;

(3) Holding a minimum of two public hearings, for the purpose of obtaining citizens’ views and formulating or responding to proposals and questions. Each public hearing must be conducted at a different stage of the CDBG program. Together, the hearings must address community development and housing needs, development of proposed activities and review of program performance. There must be reasonable notice of the hearings and the hearings must be held at times and accessible locations convenient to potential or actual beneficiaries, with reasonable accommodations including material in accessible formats for persons with disabilities. The applicant must specify in its plan how it will meet the requirement for hearings at times and locations convenient to potential or actual beneficiaries;

(4) Meeting the needs of non-English speaking residents in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate;

(5) Responding to citizen complaints and grievances, including the procedures that citizens must follow when submitting complaints and grievances. The applicant’s policies and procedures must provide for timely written answers to written complaints and grievances within 15 working days of the receipt of the complaint, where practicable; and

(6) Encouraging citizen participation, particularly by low- and moderate-income persons who reside in slum or blighted areas, and in other areas in which CDBG funds are proposed to be used.

(c) Publication of proposed application.

(1) The applicant shall publish a proposed application consisting of the proposed community development activities and community development objectives in order to afford affected citizens an opportunity to:

(i) Examine the application’s contents to determine the degree to which they may be affected;

(ii) Submit comments on the proposed application; and

(iii) Submit comments on the performance of the applicant.

(2) The requirement for publishing in paragraph (c)(1) of this section may be met by publishing a summary of the proposed application in one or more newspapers of general circulation, and by making copies of the proposed application available at libraries, government offices, and public places. The summary must describe the contents and purpose of the proposed application, and must include a list of the locations where copies of the entire proposed application may be examined.
(d) **Preparation of a final application.** An applicant must prepare a final application. In the preparation of the final application, the applicant shall consider comments and views received related to the proposed application and may, if appropriate, modify the final application. The final application shall be made available to the public and shall include the community development objectives and projected use of funds, and the community development activities.

(e) **New York grantee amendments.** To assure citizen participation on program amendments to final applications that require HUD approval under §570.427, the grantee shall:

1. Furnish citizens information concerning the amendment;
2. Hold one or more public hearings to obtain the views of citizens on the proposed amendment;
3. Develop and publish the proposed amendment in such a manner as to afford affected citizens an opportunity to examine the contents, and to submit comments on the proposed amendment;
4. Consider any comments and views expressed by citizens on the proposed amendment and, if the grantee finds it appropriate, modify the final amendment accordingly; and
5. Make the final amendment to the community development program available to the public before its submission to HUD.

§ 570.440 Application requirements for insular area grants funded under section 106.

(a) **Applicability.** The requirements of this section apply to insular grants funded under section 106 of the Act. An insular area jurisdiction may choose to prepare program statements following either:

1. The abbreviated consolidated plan procedures described in this subpart and in 24 CFR 91.235; or
2. The complete consolidated plan procedures applicable to local governments, discussed at 24 CFR 91.200 through 91.230.

(b) **Proposed statement.** An insular area jurisdiction shall prepare and publish a proposed statement and comply with the citizen participation requirements described in §570.441, if it submits an abbreviated consolidated plan under 24 CFR 91.235. The jurisdiction shall follow the citizen participation requirements of 24 CFR 91.105 and 91.100 (with the exception of §91.100(a)(4)), if it submits a complete consolidated plan.

(c) **Final statement.** The insular area jurisdiction shall submit to HUD a final statement describing its community development objectives and activities. The statement also must include a priority nonhousing community development plan in accordance with 24 CFR 91.235. This final statement shall be submitted, together with the required certifications, to the appropriate field office in a form prescribed by HUD.

(d) **Submission requirement.** Each insular area jurisdiction shall submit its final statement to HUD no later than 45 days before the start of its program year. Each jurisdiction may choose the start date for the annual period of its program year that most closely fits its own needs. HUD may grant an extension of the submission deadline for good cause.

(e) **Certifications.** The insular area jurisdiction’s final statement must be accompanied by appropriate certifications as further described under 24 CFR 91.225. The jurisdiction should submit all general certifications, as well as all program certifications for each program from which it receives funding, if it submits a complete consolidated plan. For insular area jurisdictions receiving CDBG funds under an abbreviated consolidated plan, these certifications shall include at a minimum:

1. The following general certifications described at §91.225(a) of this title: Affirmatively furthering fair housing; anti-displacement and relocation plan; drug-free workplace; anti-lobbying; authority of jurisdiction; consistency with plan; acquisition and relocation; and Section 3.
2. The following CDBG certifications described at §91.225(b) of this title: Citizen participation; community development plan; following a plan; use of funds; excessive force; compliance with anti-discrimination laws; compliance with lead-based paint procedures; and compliance with laws.
(f) HUD action on final statement. Following the review of the statement, HUD will promptly notify each jurisdiction of the action taken with regard to its statement. HUD will approve a grant if the jurisdiction’s submissions have been made and approved in accordance with 24 CFR part 91, and if the certifications required in such submissions are satisfactory to HUD. The certifications will be satisfactory to HUD for this purpose, unless HUD determines pursuant to subpart O of this part that the jurisdiction has not complied with the requirements of this part, has failed to carry out its consolidated plan (or abbreviated consolidated plan) as provided under §570.903, or has determined that there is evidence, not directly involving the jurisdiction’s past performance under this program, that tends to challenge in a substantial manner the jurisdiction’s certification of future performance. If HUD makes any such determination, however, further assurances may be required to be submitted by the jurisdiction as HUD may deem warranted or necessary to find the jurisdiction’s certification satisfactory.

(g) Reimbursement for pre-award costs. Insular area jurisdictions may request reimbursement for pre-award costs in accordance with §570.200(h).

(h) Float funding. An insular area jurisdiction may use undisbursed funds in the line of credit and its CDBG program account that are budgeted in final statements or action plans for one or more activities that do not need the funds immediately, subject to the limitations described in §570.301(b).

(i) Program amendments. (1) The insular area jurisdiction’s citizen participation plan (see §570.441) must specify the criteria the jurisdiction will use for determining what changes in the jurisdiction’s planned or actual activities will constitute a substantial amendment to its final statement. It must include changes in the use of CDBG funds from one eligible activity to another among the changes that qualify as a substantial amendment.

(2) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on substantial amendments. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given, as well as provide a period of not less than 30 days to receive comments on the substantial amendment before the amendment is implemented.

(3) The citizen participation plan shall require the jurisdiction to consider comments or views of citizens received in writing, or orally at public hearings, if any, in preparing the substantial amendment of its statement. A summary of comments or views not accepted and the reasons for non-acceptance shall be attached to the substantial amendment.

(4) Any program amendment, regardless of whether it is considered to be substantial, must be fully documented in the jurisdiction’s records.

(j) Performance reports. Each insular area jurisdiction must submit annual performance reports in accordance with 24 CFR 91.520.
forth the jurisdiction’s policies and procedures for:

(1) Giving citizens timely notice of local meetings and reasonable and timely access to local meetings, information, and records relating to the grantee’s proposed and actual use of CDBG funds including, but not limited to:

(i) The amount of CDBG funds expected to be made available for the coming year, including the grant and anticipated program income;

(ii) The range of activities that may be undertaken with those funds;

(iii) The estimated amount of those funds proposed to be used for activities that will benefit low- and moderate-income persons;

(iv) The proposed CDBG activities likely to result in displacement and the jurisdiction’s plans, consistent with the policies developed under §570.606(b), for minimizing displacement of persons as a result of its proposed activities; and

(v) The types and levels of assistance the jurisdiction plans to make available (or to require others to make available) to persons displaced by CDBG-funded activities, even if the jurisdiction expects no displacement to occur;

(2) Providing technical assistance to groups representative of persons of low- and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of the jurisdiction. The assistance need not include the provision of funds to the groups;

(3) Holding a minimum of two public hearings for the purpose of obtaining citizens’ views and formulating or responding to proposals and questions. Each public hearing must be conducted at a different stage of the CDBG program. Together, the hearings must address community development and housing needs, development of proposed activities, and review of program performance. There must be reasonable notice of the hearings, and the hearings must be held at times and accessible locations convenient to potential or actual beneficiaries, with reasonable accommodations including material in accessible formats for persons with disabilities. The jurisdiction must specify in its plan how it will meet the requirement for hearings at times and locations convenient to potential or actual beneficiaries;

(4) Meeting the needs of non-English speaking residents in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate;

(5) Responding to citizen complaints and grievances, including the procedures that citizens must follow when submitting complaints and grievances. The jurisdiction’s policies and procedures must provide for timely written answers to written complaints and grievances within 15 working days after the receipt of the complaint, where practicable; and

(6) Encouraging citizen participation, particularly by low- and moderate-income persons who reside in areas in which CDBG funds are proposed to be used.

(c) Publication of proposed statement.
(1) The insular area jurisdiction shall publish a proposed statement consisting of the proposed community development activities and community development objectives in order to afford affected citizens an opportunity to:

(i) Examine the statement’s contents to determine the degree to which they may be affected;

(ii) Submit comments on the proposed statement; and

(iii) Submit comments on the performance of the jurisdiction.

(2) The requirement for publishing in paragraph (c)(1) of this section may be met by publishing a summary of the proposed statement in one or more newspapers of general circulation and by making copies of the proposed statement available at libraries, government offices, and public places. The summary must describe the contents and purpose of the proposed statement and must include a list of the locations where copies of the entire proposed statement may be examined.

(d) Preparation of a final statement. An insular area jurisdiction must prepare a final statement. In the preparation of the final statement, the jurisdiction
shall consider comments and views received relating to the proposed statement and may, if appropriate, modify the final statement. The final statement shall be made available to the public and shall include the community development objectives, projected use of funds, and the community development activities.

(e) Program amendments. To assure citizen participation on program amendments to final statements, the insular area grantee shall:

(1) Furnish citizens information concerning the amendment;

(2) Hold one or more public hearings to obtain the views of citizens on the proposed amendment;

(3) Develop and publish the proposed amendment in such a manner as to afford affected citizens an opportunity to examine the contents, and to submit comments on the proposed amendment;

(4) Consider any comments and views expressed by citizens on the proposed amendment and, if the grantee finds it appropriate, modify the final amendment accordingly; and

(5) Make the final amendment to the community development program available to the public before its submission to HUD.

(f) Performance reports. (1) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on performance reports. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period of not less than 15 days to receive comments on the performance report before it is to be submitted to HUD.

(2) The citizen participation plan shall require the jurisdiction to consider comments or views of citizens received in writing or orally at public hearings in preparing the performance report. A summary of these comments or views shall be attached to the performance report.

(g) Application for loan guarantees. Insular area jurisdictions intending to apply for the Section 108 Loan Guarantee program must ensure that they follow the applicable presubmission and citizen participation requirements of §570.704.

[69 FR 32780, June 10, 2004]

§570.442 Reallocations-Insular Areas.

(a) Any Insular Area funds that become available as a result of reductions under subpart O of this part, shall be reallocated in the same or future fiscal year to any remaining eligible Insular Area grantees pro rata according to population.

(b) Any Insular Area grant funds for a fiscal year reserved for an applicant that chooses not to submit a final statement in accordance with §570.440 to receive such funds, shall be reallocated in the same or future fiscal year to any remaining eligible Insular Area grantees pro rata according to population.

(c) No amounts shall be reallocated under this section in any fiscal year to any applicant whose grant amount in such fiscal year was reduced under subpart O of this part or who did not submit a final statement in accordance with §570.440 for that fiscal year.

(d) Insular Area grantees receiving additional funds under this section will be evaluated for timeliness under §570.902 based upon the original grant amount plus the additional funds received. Accordingly, references in §570.902 to an Insular Area’s grant amount for its current program year include such additional funds, and references to unexpended or undisbursed funds include such additional funds.

[72 FR 12536, Mar. 15, 2007]

Subpart G—Urban Development Action Grants

SOURCE: 47 FR 7983, Feb. 23, 1982, unless otherwise noted.

§570.450 Purpose.

The purpose of urban development action grants is to assist cities and urban counties that are experiencing severe economic distress to help stimulate economic development activity needed to aid in economic recovery.
§ 570.456 Ineligible activities and limitations on eligible activities.

(a) Large cities and urban counties may not use assistance under this subpart for planning the project or developing the application. However, they may use entitlement community development block grant funds for this purpose, provided that the UDAG project meets the eligibility test of this part. Any small city which submits a project application which is selected for preliminary approval and for which legally binding grant agreement and for which a release of funds pursuant to 24 CFR part 58 has been issued may devote up to three (3) percent of the approved amount of its action grant to defray its actual costs in planning the project and preparing its application.

(b) Assistance under this subpart may not be used for public services as described in §570.201(e).

(c)(1) No assistance may be provided under this subpart for speculative projects intended to facilitate the relocation of industrial or commercial plants or facilities from one area to another. The provisions of this paragraph (c)(1) shall not apply to a relocation of any such plant or facility within a metropolitan area.

(i) HUD will presume that a proposed project which includes speculative commercial or industrial space is intended to facilitate the relocation of a plant or facility from one area to another; if it is demonstrated to HUD’s satisfaction that:

(A) The proposed project is reasonably proximate (i.e., within 50 miles) to an area from which there has been a significant current pattern of movement, to areas reasonably proximate, of jobs of the category for which such space is appropriate; and

(B) There is a likelihood of continuation of the pattern, based on measurable comparisons between the area from which the movement has been occurring and the area of the proposed project in terms of tax rates, energy costs, and similar relevant factors.

(ii) The restrictions established in this paragraph (c)(1) shall not apply if the Secretary determines that the relocation does not significantly and adversely affect the employment or economic base of the area from which the industrial or commercial plant or facility is to be relocated. However, the Secretary will not be required to make a determination whether there is a significant and adverse effect. If such a determination is undertaken, the Secretary will presume that there is a significant and adverse effect where the significant pattern of job movement and the likelihood of continuation of such a pattern has been from a distressed community.

(iii) The presumptions established in accordance with this paragraph (c)(1) are rebuttable by the applicant. However, the burden of overcoming the presumptions will be on the applicant.

(iv) The presumptions established in this paragraph (c)(1) will not apply if the speculative space contained in a commercial or industrial plant or facility included in a project constitutes a lesser percentage of the total space contained in that plant or facility than the threshold amounts specified below:

<table>
<thead>
<tr>
<th>Size of plant or facility</th>
<th>Amount of speculative space</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 to 50,000 sq. ft.</td>
<td>10 percent</td>
</tr>
<tr>
<td>50,001 to 250,000 sq. ft.</td>
<td>5,000 sq. ft. or 8 percent</td>
</tr>
<tr>
<td>250,001 to 1,000,000 sq. ft.</td>
<td>20,000 sq. ft. or 5 percent</td>
</tr>
<tr>
<td>1,000,001 sq. ft. or more</td>
<td>50,000 sq. ft. or 3 percent</td>
</tr>
</tbody>
</table>

(2) Projects with identified intended occupants. No assistance may be provided or utilized under this subpart for any project with identified intended occupants that is likely to facilitate:

(i) A relocation of any operation of an industrial or commercial plant or facility from any UDAG eligible jurisdiction; or

(ii) An expansion of any operation of an industrial or commercial plant or facility that results in a substantial reduction of any such operation in any UDAG eligible jurisdiction. The provisions of this paragraph (c)(2) shall not apply to a relocation of an operation or to an expansion of an operation within
a metropolitan area. The provisions of this paragraph (c)(2) shall apply only to projects that do not have speculative space, or to projects that include both identified intended occupant space and speculative space.

(iii) Significant and adverse effect. The restrictions established in this paragraph (c)(2) shall not apply if the Secretary determines that the relocation or expansion does not significantly and adversely affect the employment or economic base of the UDAG eligible jurisdiction from which the relocation or expansion occurs. However, the Secretary will not be required to make a determination whether there is a significant and adverse effect. If such a determination is undertaken, among the factors which the Secretary will consider are:

(A) Whether it is reasonable to anticipate that there will be a significant net loss of jobs in the plant or facility being abandoned; and

(B) Whether an equivalent productive use will be made of the plant or facility being abandoned by the relocating or expanding operation, thus creating no deterioration of economic base.

(3) Within 90 days following notice of intent to withhold, deny or cancel assistance under paragraph (c) (1) or (2) of this section, the applicant may appeal in writing to the Secretary the withholding, denial or cancellation of assistance. The applicant will be notified and given an opportunity within a prescribed time for an informal consultation regarding the action.

(4) Assistance for individuals adversely affected by prohibited relocations. (i) Any amount withdrawn by, recaptured by, or paid to the Secretary because of a violation (or a settlement of an alleged violation) of this section (or any regulation issued or contractual provision entered into to carry out this section) by a project with identified intended occupants will be made available by the Secretary as a grant to the UDAG eligible jurisdiction from which the operation of an industrial or commercial plant or facility or other business establishment was relocated, or in which the operation was reduced.

(ii)(A) Any amount made available under this paragraph shall be used by the grantee to assist individuals who were employed by the operation involved before the relocation or reduction and whose employment or terms of employment were adversely affected by the relocation or reduction. The assistance shall include job training, job retraining, and job placement.

(B) If any amount made available to a grantee under this paragraph (c)(4) is more than is required to provide the assistance described in paragraph (c)(4)(ii)(A) of this section, the grantee shall use the excess amount to carry out community development activities eligible under section 105(a) of the Housing and Community Development Act of 1974.

(iii)(A) The provisions of this paragraph (c)(4) shall be applicable to any amount withdrawn by, recaptured by, or paid to the Secretary under this section, including any amount withdrawn, recaptured, or paid before the effective date of this paragraph.

(B) Grants may be made under this paragraph (c)(4) only to the extent of amounts provided in appropriation Acts.

(5) For purposes of this section, the following definitions apply:

(i) “Operation” means any plant, equipment, facility, substantial number of positions, substantial employment opportunities, production capacity, or product line.

(ii) “Metropolitan area” means a metropolitan area as defined in §570.3 and which consists of either a free-standing metropolitan area or a primary metropolitan statistical area where both primary and consolidated areas exist.

(iii) “Likely” means probably or reasonably to be expected, as determined by firm evidence such as resolutions of a corporation to close a plant or facility, notifications of closure to collective bargaining units, correspondence and notifications of corporate officials relative to a closure, and supportive evidence, such as newspaper articles and notices to employees regarding closure of a plant or facility. Consultant studies and marketing studies may be submitted as supportive evidence, but by themselves are not firm evidence.
(iv) “UDAG eligible jurisdiction” means a distressed community, a Pocket of Poverty, a Pocket of Poverty community, or an identifiable community described in section 119(p) of the Housing and Community Development Act of 1974.

(6) Notwithstanding any other provision of this subpart, nothing in this subpart may be construed to permit an inference or conclusion that the policy of the urban development action grant program is to facilitate the relocation of businesses from one area to another.

§ 570.457 Displacement, relocation, acquisition, and replacement of housing.

The displacement, relocation, acquisition, and replacement of housing requirements of § 570.606 apply to applicants under this subpart G.

§ 570.461 Post-preliminary approval requirements; lead-based paint.

The recipient may receive preliminary approval prior to the accomplishment of lead-based paint activities conducted pursuant to part 35, subparts A, B, J, K, and R of this title, but no funds will be released until such actions are complete and evidence of compliance is submitted to HUD.

§ 570.463 Project amendments and revisions.

(a) Pre-approval revisions to the application. Applicants must submit to the HUD Area Office and to Central Office all revisions to the application. A revision is considered significant if it alters the scope, location, or scale of the project or changes the beneficiaries' population.

The applicant must hold at least one public hearing prior to making a significant revision to the application.

(b) Post preliminary approval amendments. Applicants receiving preliminary approval must submit to the HUD Central Office, a request for approval of any significant amendment. A copy of the request must also be submitted to the Area Office. A significant amendment involves new activities or alterations thereof which will change the scope, location, scale, or beneficiaries of such activities or which, as a result of a number of smaller changes, add up to an amount that exceeds ten percent of the grant. HUD approval of amendments may be granted to those requests which meet all of the following criteria:

(1) New or significantly altered activities must meet the criteria for selection applicable at the time of receipt of the program amendment.

(2) The recipient must have complied with all requirements of this subpart.

(3) The recipient may make amendments other than those requiring prior HUD approval as defined in paragraph (b) of this section but each recipient must notify both the Area and Central Offices of such changes.

§ 570.464 Project closeout.

HUD will advise the recipient to initiate closeout procedures when HUD determines, in consultation with the recipient, that there are not impediments to closeout. Closeout shall be carried out in accordance with § 570.509 and applicable HUD guidelines.

§ 570.465 Applicability of rules and regulations.

The provisions of subparts A, B, C, J, K, and O of this part 570 shall apply to this subpart except to the extent that they are modified or augmented by this subpart.

§ 570.466 Additional application submission requirements for Pockets of Poverty—employment opportunities.

Applicants for Action Grants under the Pockets of Poverty provision must describe the number and, to the extent possible, the types of new jobs (construction and permanent) that will be provided to the low- and moderate-income residents of the Pocket of Poverty as a direct result of the proposed project. If the application calls for job
training programs (such as those related to the CETA program) or job recruiting services for the pocket’s residents, then such proposed activities must be clearly and fully explained. HUD requires applicants to ensure that at least 75 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income persons and that at least 51 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income residents from the pocket. HUD encourages applicants to ensure that at least 20 percent of all permanent jobs are filled by persons from the pocket qualified to participate in the CETA program on a continuous basis. HUD requires all applicants to continuously use best efforts to ensure that at least 75 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income persons and that at least 51 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income residents from the pocket. The application should clearly describe how the applicant intends to meet initial and continuous job requirements. Private participating parties must meet these employment requirements in the aggregate. To enable the private participants to do so, lease agreements executed by a private participating party shall include:

(a) Provisions requiring lessees to follow hiring practices that the private participating party has determined will enable it to meet these requirements in the aggregate; and

(b) Provisions that will enable the private participating party to declare a default under the lease agreement if the lessees do not follow such practices.

[61 FR 11476, Mar. 20, 1996]

Subpart H [Reserved]

Subpart I—State Community Development Block Grant Program

Source: 57 FR 53397, Nov. 9, 1992, unless otherwise noted.
(f) In administering the CDBG program, a state may impose additional or more restrictive provisions on units of general local government participating in the state’s program, provided that such provisions are not inconsistent with the Act or other statutory or regulatory provisions that are applicable to the State CDBG program.

(g) States shall make CDBG program grants only to units of general local government. This restriction does not limit a state’s authority to make payments to other parties for state administrative expenses and technical assistance activities authorized in section 106(d) of the Act.

§ 570.481 Definitions.

(a) Except for terms defined in applicable statutes or this subpart, the Secretary will defer to a state’s definitions, provided that these definitions are explicit, reasonable and not plainly inconsistent with the Act. As used in this subpart, the following terms shall have the meaning indicated:

(1) Act means title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.).

(2) CDBG funds means Community Development Block Grant funds, in the form of grants under this subpart and program income, and loans guaranteed under section 108 of the Act.

(b) [Reserved]

§ 570.482 Eligible activities.

(a) General. The choice of activities on which block grant funds are expended represents the determination by state and local participants, developed in accordance with the state’s program design and procedures, as to which approach or approaches will best serve these interests. The eligible activities are listed at section 105(a) of the Act.

(b) Special assessments under the CDBG program. The following policies relate to special assessments under the CDBG program:

(1) Public improvements initially assisted with CDBG funds. Where CDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(i) Special assessments to recover the CDBG funds may be made only against properties owned and occupied by persons not of low and moderate income. These assessments constitute program income.

(ii) Special assessments to recover the non-CDBG portion may be made, provided that CDBG funds are used to pay the special assessments in behalf of all properties owned and occupied by low and moderate income persons; except that CDBG funds need not be used to pay the special assessments in behalf of properties owned and occupied by moderate income persons if, when permitted by the state, the unit of general local government certifies that it does not have sufficient CDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(2) Public improvements not initially assisted with CDBG funds. CDBG funds may be used to pay special assessments levied against property when this form of assessment is used to recover the capital cost of eligible public improvements initially financed solely from sources other than CDBG funds. The payment of special assessments with CDBG funds constitutes CDBG assistance to the public improvement. Therefore, CDBG funds may be used to pay special assessments, provided that:

(i) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this subpart, including labor, environmental and citizen participation requirements;

(ii) The installation of the public improvement meets a criterion for national objectives. (See § 570.483(b)(1), (c), and (d).)

(iii) The requirements of § 570.482(b)(1)(ii) are met.

(c) Special eligibility provisions. (1) Microenterprise development activities eligible under section 105(a)(23) of the Housing and Community Development...
§ 570.482 24 CFR Ch. V (4–1–13 Edition)

Act of 1974, as amended (42 U.S.C. 5301 et seq.) (the Act) may be carried out either through the recipient directly or through public and private organizations, agencies, and other subrecipients (including nonprofit and for-profit sub-recipients).

(2) Provision of public services. The following activities shall not be subject to the restrictions on public services under section 105(a)(8) of the Act:

(i) Support services provided under section 105(a)(23) of the Act, and paragraph (c) of this section;

(ii) Services carried out under the provisions of section 105(a)(15) of the Act, that are specifically designed to increase economic opportunities through job training and placement and other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services; and

(iii) Services of any type carried out under the provisions of section 105(a)(15) of the Act pursuant to a strategy approved by a state under the provisions of § 91.315(e)(2) of this title.

(3) Environmental cleanup and economic development or redevelopment of contaminated properties. Remedi- ation of known or suspected environmental contamination may be undertaken under the authority of section 205 of Public Law 105–276 and section 105(a)(4) of the Act. Economic development activities carried out under sections 105(a)(14), (a)(15), or (a)(17) of the Act may include costs associated with project-specific assessment or remediation of known or suspected environmental contamination.

(d) [Reserved]

(e) Guidelines and objectives for evaluating project costs and financial requirements—(1) Applicability. The following guidelines, also referred to as the underwriting guidelines, are provided to assist the recipient to evaluate and select activities to be carried out for economic development purposes. Specifically, these guidelines are applicable to activities that are eligible for CDBG assistance under section 105(a)(17) of the Act, economic development activities eligible under section 105(a)(14) of the Act, and activities that are part of a community economic development project eligible under section 105(a)(15) of the Act. The use of the underwriting guidelines published by HUD is not mandatory. However, states electing not to use these guidelines would be expected to ensure that the state or units of general local government conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business.

(2) Objectives. The underwriting guidelines are designed to provide the recipient with a framework for financially underwriting and selecting CDBG-assisted economic development projects which are financially viable and will make the most effective use of the CDBG funds. Where appropriate, HUD’s underwriting guidelines recognize that different levels of review are appropriate to take into account differences in the size and scope of a proposed project, and in the case of a microenterprise or other small business to take into account the differences in the capacity and level of sophistication among businesses of differing sizes. Recipients are encouraged, when they develop their own programs and underwriting criteria, to also take these factors into account. These underwriting guidelines are published as appendix A to this part. The objectives of the underwriting guidelines are to ensure:

(i) That project costs are reasonable;

(ii) That all sources of project financing are committed;

(iii) That to the extent practicable, CDBG funds are not substituted for non-Federal financial support;

(iv) That the project is financially feasible;

(v) That to the extent practicable, the return on the owner’s equity investment will not be unreasonably high; and

(vi) That to the extent practicable, CDBG funds are disbursed on a pro rata basis with other finances provided to the project.

(3) Standards for evaluating public benefit—(1) Purpose and applicability. The grantee is responsible for making sure that at least a minimum level of public benefit is obtained from the expenditure of CDBG funds under the categories of eligibility governed by these standards. The standards set forth
below identify the types of public benefit that will be recognized for this purpose and the minimum level of each that must be obtained for the amount of CDBG funds used. These standards are applicable to activities that are eligible for CDBG assistance under section 105(a)(17) of the Act, economic development activities eligible under section 105(a)(14) of the Act, and activities that are part of a community economic development project eligible under section 105(a)(15) of the Act. Certain public facilities and improvements eligible under section 105(a)(2) of the Act, which are undertaken for economic development purposes, are also subject to these standards, as specified in §570.483(b)(4)(vi)(F)(2). Unlike the guidelines for project costs and financial requirements covered under paragraph (a) of this section, the use of the standards for public benefit is mandatory.

(2) Standards for activities in the aggregate. Activities covered by these standards must, in the aggregate, either:

(i) Create or retain at least one full-time equivalent, permanent job per $35,000 of CDBG funds used; or

(ii) Provide goods or services to residents of an area, such that the number of low- and moderate-income persons residing in the areas served by the assisted businesses amounts to at least one low- and moderate-income person per $350 of CDBG funds used.

(3) Applying the aggregate standards.

(i) A state shall apply the aggregate standards under paragraph (e)(2) of this section to all funds distributed for applicable activities from each annual grant. This includes the amount of the annual grant, any funds reallocated by HUD to the state, any program income distributed by the state and any guaranteed loan funds made under the provisions of subpart M of this part covered in the method of distribution in the final statement for a given annual grant year.

(ii) The grantee shall apply the aggregate standards to the number of jobs to be created/retained, or to the number of persons residing in the area served (as applicable), as determined at the time funds are obligated to activities.

(iii) Where an activity is expected both to create or retain jobs and to provide goods or services to residents of an area, the grantee may elect to count the activity under either the jobs standard or the area residents standard, but not both.

(iv) Where CDBG assistance for an activity is limited to job training and placement and/or other employment support services, the jobs assisted with CDBG funds shall be considered to be created or retained jobs for the purposes of applying the aggregate standards.

(v) Any activity subject to these standards which meets one or more of the following criteria may, at the grantee’s option, be excluded from the aggregate standards described in paragraph (f)(2) of this section:

(A) Provides jobs exclusively for unemployed persons or participants in one or more of the following programs:

(1) Jobs Training Partnership Act (JTPA);

(2) Jobs Opportunities for Basic Skills (JOBS);

(3) Aid to Families with Dependent Children (AFDC);

(B) Provides jobs predominantly for residents of Public and Indian Housing units;

(C) Provides jobs predominantly for homeless persons;

(D) Provides jobs predominantly for low-skilled, low- and moderate-income persons, where the business agrees to provide clear opportunities for promotion and economic advancement, such as through the provision of training;

(E) Provides jobs predominantly for persons residing within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;

(F) Provides assistance to businesses that operate(s) within a census tract (or block numbering area) that has at least 20 percent of its residents who are in poverty;

(G) Stabilizes or revitalizes a neighborhood income that has at least 70 percent of its residents who are low- and moderate-income:
§ 570.482 24 CFR Ch. V (4–1–13 Edition)

(H) Provides assistance to a Community Development Financial Institution (as defined in the Community Development Banking and Financial Institutions Act of 1994, (12 U.S.C. 4701 note)) serving an area that has at least 70 percent of its residents who are low- and moderate-income;

(I) Provides assistance to an organization eligible to carry out activities under section 105(a)(15) of the Act serving an area that has at least 70 percent of its residents who are low- and moderate-income;

(J) Provides employment opportunities that are an integral component of a project designed to promote spatial deconcentration of low- and moderate-income and minority persons;

(K) With prior HUD approval, provides substantial benefit to low-income persons through other innovative approaches;

(L) Provides services to the residents of an area pursuant to a strategy approved by the State under the provisions of §91.315(e)(2) of this title;

(M) Creates or retains jobs through businesses assisted in an area pursuant to a strategy approved by the State under the provisions of §91.315(e)(2) of this title.

(N) Directly involves the economic development or redevelopment of environmentally contaminated properties.

(4) Standards for individual activities. Any activity subject to these standards which falls into one or more of the following categories will be considered by HUD to provide insufficient public benefit, and therefore may under no circumstances be assisted with CDBG funds:

(i) The amount of CDBG assistance exceeds either of the following, as applicable:

(A) $50,000 per full-time equivalent, permanent job created or retained; or

(B) $1,000 per low- and moderate-income person to which goods or services are provided by the activity.

(ii) The activity consists of or includes any of the following:

(A) General promotion of the community as a whole (as opposed to the promotion of specific areas and programs); and

(B) Assistance to professional sports teams;

(C) Assistance to privately-owned recreational facilities that serve a predominantly higher-income clientele, where the recreational benefit to users or members clearly outweighs employment or other benefits to low- and moderate-income persons;

(D) Acquisition of land for which the specific proposed use has not yet been identified; and

(E) Assistance to a for-profit business while that business or any other business owned by the same person(s) or entity(ies) is the subject of unresolved findings of noncompliance relating to previous CDBG assistance provided by the recipient.

(5) Applying the individual activity standards. (i) Where an activity is expected both to create or retain jobs and to provide goods or services to residents of an area, it will be disqualified only if the amount of CDBG assistance exceeds both of the amounts in paragraph (f)(4)(i) of this section.

(ii) The individual activity tests in paragraph (f)(4)(i) of this section shall be applied to the number of jobs to be created or retained, or to the number of persons residing in the area served (as applicable), as determined at the time funds are obligated to activities.

(iii) Where CDBG assistance for an activity is limited to job training and placement and/or other employment support services, the jobs assisted with CDBG funds shall be considered to be created or retained jobs for the purposes of applying the individual activity standards in paragraph (f)(4)(i) of this section.

(6) Documentation. The state and its grant recipients must maintain sufficient records to demonstrate the level of public benefit, based on the above standards, that is actually achieved upon completion of the CDBG-assisted economic development activity(ies) and how that compares to the level of such benefit anticipated when the CDBG assistance was obligated. If a state grant recipient’s actual results show a pattern of substantial variation from anticipated results, the state and its recipient are expected to take those actions reasonably within their respective control to improve the accuracy of the projections. If the actual results demonstrate that the state has failed
the public benefit standards, HUD may require the state to meet more stringent standards in future years as appropriate.

(g) Amendments to economic development projects after review determinations. If, after the grantee enters into a contract to provide assistance to a project, the scope or financial elements of the project change to the extent that a significant contract amendment is appropriate, the project should be reevaluated under these and the recipient’s guidelines. (This would include, for example, situations where the business requests a change in the amount or terms of assistance being provided, or an extension to the loan payment period required in the contract.) If a reevaluation of the project indicates that the financial elements and public benefit to be derived have also substantially changed, then the recipient should make appropriate adjustments in the amount, type, terms or conditions of CDBG assistance which has been offered, to reflect the impact of the substantial change. (For example, if a change in the project elements results in a substantial reduction of the total project costs, it may be appropriate for the recipient to reduce the amount of total CDBG assistance.) If the amount of CDBG assistance provided to the project is increased, the amended project must still comply with the public benefit standards under paragraph (f) of this section.

(h) Prohibition on use of assistance for employment relocation activities—(1) Prohibition. CDBG funds may not be used to directly assist a business, including a business expansion, in the relocation of a plant, facility, or operation from one labor market area (LMA) to another LMA if the relocation is likely to result in a significant loss of jobs in the LMA from which the relocation occurs.

(2) Definitions. The following definitions apply to the section:

(i) Directly assist. Directly assist means the provision of CDBG funds to a business pursuant to section 105(a)(15) or (17) of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.). Direct assistance also includes assistance under section 105(a)(1), (2), (4), (7), and (14) of the Housing and Community Development Act of 1974, when the state’s grantee, subrecipient, or nonprofit entity eligible under section 105(a)(15) enters into an agreement with a business to undertake one or more of these activities as a condition of the business relocating a facility, plant, or operation to the LMA. Provision of public facilities and indirect assistance that will provide benefit to multiple businesses does not fall under the definition of “directly assist,” unless it includes the provision of infrastructure to aid a specific business that is the subject of an agreement with the specific assisted business.

(ii) Labor market area (LMA). For metropolitan areas, an LMA is an area defined as such by the U.S. Bureau of Labor Statistics (BLS). An LMA is an economically integrated geographic area within which individuals can live and find employment within a reasonable distance or can readily change employment without changing their place of residence. In addition, LMAs are nonoverlapping and geographically exhaustive. For metropolitan areas, grantees must use employment data, as defined by the BLS, for the LMA in which the affected business is currently located and from which current jobs may be lost. For non-metropolitan areas, grantees must use employment data, as defined by the BLS, for the LMA in which the assisted business is currently located and from which current jobs may be lost. For non-metropolitan areas, a LMA is either an area defined by the BLS as an LMA, or a state may choose to combine non-metropolitan LMAs. States are required to define or reaffirm prior definitions of their LMAs on an annual basis and retain records to substantiate such areas prior to any business relocation that would be impacted by this rule. Metropolitan LMAs cannot be combined, nor can a non-metropolitan LMA be combined with a metropolitan LMA. For the Insular Areas, each jurisdiction will be considered to be its own LMA. Recipients of Fiscal Year 1999 Small Cities Program funding in New York will follow...
the requirements for State CDBG recipients.

(iii) **Operation.** A business operation includes, but is not limited to, any equipment, employment opportunity, production capacity, or product line of the business.

(iv) **Significant loss of jobs.** (A) A loss of jobs is significant if: The number of jobs to be lost in the LMA in which the affected business is currently located is equal to or greater than one-tenth of one percent of the total number of persons in the labor force of that LMA; or in all cases, a loss of 500 or more jobs. Notwithstanding the aforementioned, a loss of 25 jobs or fewer does not constitute a significant loss of jobs.

(B) A job is considered to be lost due to the provision of CDBG assistance if the job is relocated within three years from the date the assistance is provided to the business or the time period within which jobs are to be created as specified by the agreement among the business, the recipient, and the state (as applicable) if it is longer than three years.

(3) **Written agreement.** Before directly assisting a business with CDBG funds, the recipient, subrecipient, or (in the case of any activity carried out pursuant to 105(a)(15)) nonprofit entity shall sign a written agreement with the assisted business. The written agreement shall include:

(i) **Statement.** A statement from the assisted business as to whether the assisted activity will result in the relocation of any industrial or commercial plant, facility, or operation from one LMA to another and, if so, the number of jobs that will be relocated from each LMA;

(ii) **Required certification.** If the assistance will not result in a relocation covered by this section, a certification from the assisted business that neither it, nor any of its subsidiaries, has plans to relocate jobs at the time the agreement is signed that would result in a significant job loss as defined in this rule; and

(iii) **Reimbursement of assistance.** The agreement shall provide for reimbursement to the recipient of any assistance provided to, or expended on behalf of, the business in the event that assistance results in a relocation prohibited under this section.

(4) **Assistance not covered by this paragraph.** This paragraph does not apply to:

(i) **Relocation assistance.** Relocation assistance required by the Uniform Assistance and Real Property Acquisition Policies Act of 1970 (URA), (42 U.S.C. 4601–4655); optional relocation assistance under section 105(a)(11), as implemented at 570.606(d);

(ii) **Microenterprises.** Assistance to microenterprises as defined by section 102(a)(22) of the Housing and Community Development Act of 1974; and

(iii) **Arms-length transactions.** Assistance to a business that purchases business equipment, inventory, or other physical assets in an arms-length transaction, including the assets of an existing business, provided that the purchase does not result in the relocation of the sellers’ business operation (including customer base or list, goodwill, product lines, or trade names) from one LMA to another LMA and does not produce a significant loss of jobs in the LMA from which the relocation occurs.

§ 570.483 **Criteria for national objectives.**

(a) **General.** The following criteria shall be used to determine whether a CDBG assisted activity complies with one or more of the national objectives as required to section 104(b)(3) of the Act. (HUD is willing to consider a waiver of these requirements in accordance with § 570.480(b)).

(b) **Activities benefiting low and moderate income persons.** An activity will be considered to address the objective of benefiting low and moderate income persons if it meets one of the criteria in paragraph (b) of this section, unless there is substantial evidence to the contrary. In assessing any such evidence, the full range of direct effects of the assisted activity will be considered. The activities, when taken as a whole, must not benefit moderate income persons to the exclusion of low income persons:
(1) Area benefit activities. (i) An activity, the benefits of which are available to all the residents in a particular area, where at least 51 percent of the residents are low and moderate income persons. Such an area need not be co-terminous with census tracts or other officially recognized boundaries but must be the entire area served by the activity. Units of general local government may, at the discretion of the state, use either HUD-provided data comparing census data with appropriate low and moderate income levels or survey data that is methodologically sound. An activity that serves an area that is not primarily residential in character shall not qualify under this criterion.

(ii) An activity, where the assistance is to a public improvement that provides benefits to all the residents of an area, that is limited to paying special assessments levied against residential properties owned and occupied by persons of low and moderate income.

(iii)(A) An activity to develop, establish and operate (not to exceed two years after establishment), a uniform emergency telephone number system serving an area having less than 51 percent of low and moderate income residents, when the system has not been made operational before the receipt of CDBG funds, provided a prior written determination is obtained from HUD. HUD’s determination will be based upon certifications by the State that:

1. The system will contribute significantly to the safety of the residents of the area. The unit of general local government must provide the state a list of jurisdictions and unincorporated areas to be served by the system and a list of the emergency services that will participate in the emergency telephone number system;

2. At least 51 percent of the use of the system will be by low and moderate income persons. The state’s certification may be based upon information which identifies the total number of calls actually received over the preceding twelve-month period for each of the emergency services to be covered by the emergency telephone number system and relates those calls to the geographic segment (expressed as nearly as possible in terms of census tracts, enumeration districts, block groups, or combinations thereof that are contained within the segment) of the service area from which the calls were generated. In analyzing this data to meet the requirements of this section, the state will assume that the distribution of income among callers generally reflects the income characteristics of the general population residing in the same geographic area where the callers reside. Alternatively, the state’s certification may be based upon other data, agreed to by HUD and the state, which shows that over the preceding twelve-month period the users of all the services to be included in the emergency telephone number system consisted of at least 51 percent low and moderate income persons.

(B) The certifications of the state must be submitted along with a brief statement describing the factual basis upon which the certifications were made.

(iv) Activities meeting the requirements of paragraph (e)(4)(i) of this section may be considered to qualify under paragraph (b)(1) of this section.

(v) HUD will consider activities meeting the requirements of paragraph
(e)(5)(i) of this section to qualify under paragraph (b)(1) of this section, provided that the area covered by the strategy meets one of the following criteria:

(A) The area is in a Federally-designated Empowerment Zone or Enterprise Community;

(B) The area is primarily residential and contains a percentage of low and moderate income residents that is no less than 70 percent;

(C) All of the census tracts (or block numbering areas) in the area have poverty rates of at least 20 percent, at least 90 percent of the census tracts (or block numbering areas) in the area have poverty rates of at least 25 percent, and the area is primarily residential. (If only part of a census tract or block numbering area is included in a strategy area, the poverty rate shall be computed for those block groups (or any part thereof) which are included in the strategy area.)

(D) Upon request by the State, HUD may grant exceptions to the 70 percent low and moderate income or 25 percent poverty minimum thresholds on a case-by-case basis. In no case, however, may a strategy area have both a percentage of low and moderate income residents less than 51 percent and a poverty rate less than 20 percent.

(2) Limited clientele activities. (i) An activity which benefits a limited clientele, at least 51 percent of whom are low and moderate income persons. The following kinds of activities may not qualify under paragraph (b)(2) of this section:

(A) Activities, the benefits of which are available to all the residents of an area;

(B) Activities involving the acquisition, construction or rehabilitation of property for housing; or

(C) Activities where the benefit to low- and moderate-income persons to be considered is the creation or retention of jobs, except as provided in paragraph (b)(2)(v) of this section.

(ii) To qualify under paragraph (b)(2) of this section, the activity must meet one or the following tests:

(A) It must benefit a clientele who are generally presumed to be principally low and moderate income persons. Activities that exclusively serve a group of persons in any one or a combination of the following categories may be presumed to benefit persons, 51 percent of whom are low and moderate income: abused children, battered spouses, elderly persons, adults meeting the Bureau of the Census’ Current Population Reports definition of ‘‘severely disabled,’’ homeless persons, illiterate adults, persons living with AIDS, and migrant farm workers; or

(B) It must require information on family size and income so that it is evident that at least 51 percent of the clientele are persons whose family income does not exceed the low and moderate income limit; or

(C) It must have income eligibility requirements which limit the activity exclusively to low and moderate income persons; or

(D) It must be of such a nature, and be in such a location, that it may be concluded that the activity’s clientele will primarily be low and moderate income persons.

(iii) An activity that serves to remove material or architectural barriers to the mobility or accessibility of elderly persons or of adults meeting the Bureau of the Census’ Current Population Reports definition of ‘‘severely disabled’’ will be presumed to qualify under this criterion if it is restricted, to the extent practicable, to the removal of such barriers by assisting:

(A) The reconstruction of a public facility or improvement, or portion thereof, that does not qualify under §570.483(b)(1);

(B) The rehabilitation of a privately owned nonresidential building or improvement that does not qualify under §570.483(b)(1) or (4); or

(C) The rehabilitation of the common areas of a residential structure that contains more than one dwelling unit and that does not qualify under §570.483(b)(3).

(iv) A microenterprise assistance activity (carried out in accordance with the provisions of section 105(a)(23) of the Act or §570.482(c) and limited to microenterprises) with respect to those owners of microenterprises and persons developing microenterprises assisted under the activity who are low- and moderate-income persons. For purposes of this paragraph, persons determined
to be low and moderate income may be presumed to continue to qualify as such for up to a three-year period.

(v) An activity designed to provide job training and placement and/or other employment support services, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services, in which the percentage of low- and moderate-income persons assisted is less than 51 percent may qualify under this paragraph in the following limited circumstances:

(A) In such cases where such training or provision of supportive services is an integrally-related component of a larger project, the only use of CDBG assistance for the project is to provide the job training and/or supportive services; and

(B) The proportion of the total cost of the project borne by CDBG funds is no greater than the proportion of the total number of persons assisted who are low or moderate income.

(3) Housing activities. An eligible activity carried out for the purpose of providing or improving permanent residential structures that, upon completion, will be occupied by low and moderate income households. This would include, but not necessarily be limited to, the acquisition or rehabilitation of property by the unit of general local government, a subrecipient, an entity eligible to receive assistance under section 105(a)(15) of the Act, a developer, an individual homebuyer, or an individual homeowner; conversion of nonresidential structures; and new housing construction. If the structure contains two dwelling units, at least one must be so occupied, and if the structure contains more than two dwelling units, at least 51 percent of the units must be so occupied. If two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure. For rental housing, occupancy by low and moderate income households must be at affordable rents to qualify under this criterion. The unit of general local government shall adopt and make public its standards for determining “affordable rents” for this purpose. The following shall also qualify under this criterion:

(i) When less than 51 percent of the units in a structure will be occupied by low and moderate income households, CDBG assistance may be provided in the following limited circumstances:

(A) The assistance is for an eligible activity to reduce the development cost of the new construction of a multifamily, non-elderly rental housing project; and

(B) Not less than 20 percent of the units will be occupied by low and moderate income households at affordable rents; and

(C) The proportion of the total cost of developing the project to be borne by CDBG funds is no greater than the proportion of units in the project that will be occupied by low and moderate income households.

(ii) Where CDBG funds are used to assist rehabilitation delivery services or in direct support of the unit of general local government’s Rental Rehabilitation Program authorized under 24 CFR part 511, the funds shall be considered to benefit low and moderate income persons where not less than 51 percent of the units assisted, or to be assisted, by the Rental Rehabilitation Program overall are for low and moderate income persons.

(iii) When CDBG funds are used for housing services eligible under section 105(a)(21) of the Act, such funds shall be considered to benefit low and moderate income persons if the housing units for which the services are provided are HOME-assisted and the requirements of §92.252 or §92.254 of this title are met.

(4) Job creation or retention activities.

(i) An activity designed to create permanent jobs where at least 51 percent of the jobs, computed on a full-time equivalent basis, involve the employment of low and moderate income persons. For an activity that creates jobs, the unit of general local government must document that at least 51 percent of the jobs will be held by, or will be
made available to low and moderate income persons.

(ii) For an activity that retains jobs, the unit of general local government must document that the jobs would actually be lost without the CDBG assistance and that either or both of the following conditions apply with respect to at least 51 percent of the jobs at the time the CDBG assistance is provided:

The job is known to be held by a low or moderate income person; or the job can reasonably be expected to turn over within the following two years and that it will be filled by, or that steps will be taken to ensure that it is made available to, a low or moderate income person upon turnover.

(iii) Jobs will be considered to be available to low and moderate income persons for these purposes only if:

(A) Special skills that can only be acquired with substantial training or work experience or education beyond high school are not a prerequisite to fill such jobs, or the business agrees to hire unqualified persons and provide training; and

(B) The unit of general local government and the assisted business take actions to ensure that low and moderate income persons receive first consideration for filling such jobs.

(iv) For purposes of determining whether a job is held by or made available to a low- or moderate-income person, the person may be presumed to be a low- or moderate-income person if:

(A) He/she resides within a census tract (or block numbering area) that either:

(1) Meets the requirements of paragraph (b)(4)(v) of this section; or

(2) Has at least 70 percent of its residents who are low- and moderate-income persons; or

(B) The assisted business is located within a census tract (or block numbering area) that meets the requirements of paragraph (b)(4)(v) of this section and the job under consideration is to be located within that census tract.

(v) A census tract (or block numbering area) qualifies for the presumptions permitted under paragraphs (b)(4)(iv) (A)(1) and (B) of this section if it is either part of a Federally-designated Empowerment Zone or Enterprize Community or meets the following criteria:

(A) It has a poverty rate of at least 20 percent as determined by the most recently available decennial census information;

(B) It does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the tract has a poverty rate of at least 30 percent as determined by the most recently available decennial census information; and

(C) It evidences pervasive poverty and general distress by meeting at least one of the following standards:

(1) All block groups in the census tract have poverty rates of at least 20 percent;

(2) The specific activity being undertaken is located in a block group that has a poverty rate of at least 20 percent; or

(3) Upon the written request of the recipient, HUD determines that the census tract exhibits other objectively determinable signs of general distress such as high incidence of crime, narcotics use, homelessness, abandoned housing, and deteriorated infrastructure or substantial population decline.

(vi) As a general rule, each assisted business shall be considered to be a separate activity for purposes of determining whether the activity qualifies under this paragraph, except:

(A) In certain cases such as where CDBG funds are used to acquire, develop or improve a real property (e.g., a business incubator or an industrial park) the requirement may be met by measuring jobs in the aggregate for all the businesses that locate on the property, provided the businesses are not otherwise assisted by CDBG funds.

(B) Where CDBG funds are used to pay for the staff and overhead costs of an entity specified in section 105(a)(15) of the Act making loans to businesses exclusively from non-CDBG funds, this requirement may be met by aggregating the jobs created by all of the businesses receiving loans during any one-year period.

(C) Where CDBG funds are used by a recipient or subrecipient to provide technical assistance to businesses, this requirement may be met by aggregating the jobs created or retained by
all of the businesses receiving technical assistance during any one-year period.

(D) Where CDBG funds are used for activities meeting the criteria listed at §570.482(f)(3)(v), this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such activities during any one-year period, except as provided at paragraph (e)(6) of this section.

(E) Where CDBG funds are used by a Community Development Financial Institution to carry out activities for the purpose of creating or retaining jobs, this requirement may be met by aggregating the jobs created or retained by all businesses for which CDBG assistance is obligated for such activities during any one-year period, except as provided at paragraph (e)(6) of this section.

(F) Where CDBG funds are used for public facilities or improvements which will result in the creation or retention of jobs by more than one business, this requirement may be met by aggregating the jobs created or retained by all such businesses as a result of the public facility or improvement.

(1) Where the public facility or improvement is undertaken principally for the benefit of one or more particular businesses, but where other businesses might also benefit from the assisted activity, the requirement may be met by aggregating the jobs created or retained by those businesses for which the facility/improvement is principally undertaken, provided that the cost (in CDBG funds) for the facility/improvement is less than $10,000 per permanent full-time equivalent job to be created or retained by those businesses.

(2) In any case where the cost per job to be created or retained (as determined under paragraph (b)(4)(vi)(F)(1) of this section) is $10,000 or more, the requirement must be met by aggregating the jobs created or retained as a result of the public facility or improvement by all businesses in the service area of the facility/improvement. This aggregation must include businesses which, as a result of the public facility/improvement, locate or expand in the

(5) Planning-only activities. An activity involving planning (when such activity is the only activity for which the grant to the unit of general local government is given, or if the planning activity is unrelated to any other activity assisted by the grant) if it can be documented that at least 51 percent of the persons who would benefit from implementation of the plan are low and moderate income persons. Any such planning activity for an area or a community composed of persons of whom at least 51 percent are low and moderate income shall be considered to meet this national objective.

(c) Activities which aid in the prevention or elimination of slums or blight. Activities meeting one or more of the following criteria, in the absence of substantial evidence to the contrary, will be considered to aid in the prevention or elimination of slums or blight:

(1) Activities to address slums or blight on an area basis. An activity will be considered to address prevention or elimination of slums or blight in an area if the state can determine that:

(i) The area, delineated by the unit of general local government, meets a definition of a slum, blighted, deteriorated or deteriorating area under state or local law;

(ii) The area also meets the conditions in either paragraph (c)(1)(i)(A) or (c)(1)(i)(B) of this section.

(A) At least 25 percent of properties throughout the area experience one or more of the following conditions:

1. Physical deterioration of buildings or improvements;

2. Abandonment of properties;

3. Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;

4. Significant declines in property values or abnormally low property values relative to other areas in the community; or

5. Known or suspected environmental contamination.
(B) The public improvements throughout the area are in a general state of deterioration.

(iii) The assisted activity addresses one or more of the conditions which contributed to the deterioration of the area. Rehabilitation of residential buildings carried out in an area meeting the above requirements will be considered to address the area’s deterioration only where each such building rehabilitated is considered substandard before rehabilitation, and all deficiencies making a building substandard have been eliminated if less critical work on the building is also undertaken. The State shall ensure that the unit of general local government has developed minimum standards for building quality which may take into account local conditions.

(iv) The state keeps records sufficient to document its findings that a project meets the national objective of prevention or elimination of slums and blight. The state must establish definitions of the conditions listed at §570.483(c)(1)(ii)(A) and maintain records to substantiate how the area met the slums or blighted criteria. The designation of an area as slum or blighted under this section is required to be redetermined every 10 years for continued qualification. Documentation must be retained pursuant to the recordkeeping requirements contained at §570.490.

(2) Activities to address slums or blight on a spot basis. The following activities can be undertaken on a spot basis to eliminate specific conditions of blight, physical decay, or environmental contamination that are not located in a slum or blighted area: Acquisition; clearance; relocation; historic preservation; remediation of environmentally contaminated properties; or rehabilitation of buildings or improvements. However, rehabilitation must be limited to eliminating those conditions that are detrimental to public health and safety. If acquisition or relocation is undertaken, it must be a precursor to another eligible activity (funded with CDBG or other resources) that directly eliminates the specific conditions of blight or physical decay, or environmental contamination.

(3) Planning only activities. An activity involving planning (when the activity is the only activity for which the grant to the unit of general local government is given, or the planning activity is unrelated to any other activity assisted by the grant) if the plans are for a slum or blighted area, or if all elements of the planning are necessary for and related to an activity which, if funded, would meet one of the other criteria of elimination of slums or blight.

(d) Activities designed to meet community development needs having a particular urgency. In the absence of substantial evidence to the contrary, an activity will be considered to address this objective if the unit of general local government certifies, and the state determines, that the activity is designed to alleviate existing conditions which pose a serious and immediate threat to the health or welfare of the community which are of recent origin or which recently became urgent, that the unit of general local government is unable to finance the activity on its own, and that other sources of funding are not available. A condition will generally be considered to be of recent origin if it developed or became urgent within 18 months preceding the certification by the unit of general local government.

(e) Additional criteria. (1) In any case where the activity undertaken is a public improvement and the activity is clearly designed to serve a primarily residential area, the activity must meet the requirements of paragraph (b)(1) of this section whether or not the requirements of paragraph (b)(4) of this section are met in order to qualify as benefiting low and moderate income persons.

(2) Where the assisted activity is acquisition of real property, a preliminary determination of whether the activity addresses a national objective may be based on the planned use of the property after acquisition. A final determination shall be based on the actual use of the property, excluding any short-term, temporary use. Where the acquisition is for the purpose of clearance which will eliminate specific conditions of blight or physical decay, the clearance activity shall be considered
the actual use of the property. However, any subsequent use or disposition of the cleared property shall be treated as a "change of use" under §570.489(j).

(3) Where the assisted activity is relocation assistance that the unit of general local government is required to provide, the relocation assistance shall be considered to address the same national objective as is addressed by the displacing activity. Where the relocation assistance is voluntary, the unit of general local government may qualify the assistance either on the basis of the national objective addressed by the displacing activity or, if the relocation assistance is to low and moderate income persons, on the basis of the national objective of benefiting low and moderate income persons.

(4) Where CDBG-assisted activities are carried out by a Community Development Financial Institution whose charter limits its investment area to a primarily residential area consisting of at least 51 percent low- and moderate-income persons, the unit of general local government may also elect the following options:

(i) Activities carried out by the Community Development Financial Institution for the purpose of creating or retaining jobs may, at the option of the unit of general local government, be considered to meet the requirements of this paragraph under the criteria at paragraph (b)(1)(iv) of this section in lieu of the criteria at paragraph (b)(4) of this section; and

(ii) All housing activities for which the Community Development Financial Institution obligates CDBG assistance during any one-year period may be considered to be a single structure for purposes of applying the criteria at paragraph (b)(3) of this section.

(5) If the unit of general local government has elected to prepare a community revitalization strategy pursuant to the authority of §91.315(e)(2) of this title, and the State has approved the strategy, the unit of general local government may also elect the following options:

(i) Activities undertaken pursuant to the strategy for the purpose of creating or retaining jobs may, at the option of the grantee, be considered to meet the requirements of paragraph (b) of this section under the criteria at §570.483(b)(1)(v) instead of the criteria at §570.483(b)(4); and

(ii) All housing activities in the area undertaken pursuant to the strategy may be considered to be a single structure for purposes of applying the criteria at paragraph (b)(3) of this section.

(6) If an activity meeting the criteria in §570.482(f)(3)(v) also meets the requirements of either paragraph (e)(4)(i) or (e)(5)(i) of this section, the unit of general local government may elect to qualify the activity either under the area benefit criteria at paragraph (b)(1)(iv) or (v) of this section or under the job aggregation criteria at paragraph (b)(4)(vi)(D) of this section, but not under both. Where an activity may meet the job aggregation criteria at both paragraphs (b)(4)(vi)(D) and (E) of this section, the unit of general local government may elect to qualify the activity under either criterion, but not both.

(f) Planning and administrative costs. CDBG funds expended for eligible planning and administrative costs by units of general local government in conjunction with other CDBG assisted activities will be considered to address the national objectives.
(a) of this section requires evidence that not less than 70 percent of the aggregate of the designated annual grant(s), any funds reallocated by HUD to the state, any distributed program income and any guaranteed loan funds under the provisions of subpart M of this part covered in the method of distribution in the final statement or statements for the designated annual grant year or years have been expended for activities meeting criteria as provided in §570.483(b) for activities benefiting low and moderate income persons. In calculating the percentage of funds expended for such activities:

(1) All CDBG funds included in the period selected and certified to by the state shall be accounted for, except for funds used by the State, or by the units of general local government, for program administration, or for planning activities other than those which must meet a national objective under §570.483(b)(5) or (c)(3).

(2) Any funds expended by a state for the purpose of repayment of loans guaranteed under the provisions of subpart M of this part shall be excepted from inclusion in this calculation.

(3) Except as provided in paragraph (b)(4) of this section, CDBG funds expended for an eligible activity meeting the criteria for activities benefiting low and moderate income persons shall count in their entirety towards meeting the 70 percent benefit to persons of low and moderate income requirement.

(4) Funds expended for the acquisition, new construction or rehabilitation of property for housing that qualifies under §570.483(b)(3) shall be counted for this purpose, but shall be limited to an amount determined by multiplying the total cost (including CDBG and non-CDBG costs) of the acquisition, construction or rehabilitation by the percent of units in such housing to be occupied by low and moderate income persons, except that the amount counted shall not exceed the amount of CDBG funds provided.

§570.485 Making of grants.

(a) Required submissions. In order to receive its annual CDBG grant under this subpart, a State must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, for the process of developing the plan, including citizen participation provisions, for the submission date, for HUD approval, and for the amendment process.

(b) Failure to make submission. The state’s failure to make the submission required by paragraph (a) of this section within the prescribed deadline constitutes the state’s election not to receive and distribute amounts allocated for its nonentitlement areas for the applicable fiscal year. Funds will be either:

(1) Administered by HUD pursuant to subpart F of this part if the state has not administered the program in any previous fiscal year; or

(2) Reallocated to all states in the succeeding fiscal year according to the formula of section 106(d) of the Act, if the state administered the program in any previous year.

(c) Approval of grant. HUD will approve a grant if the State’s submissions have been made and approved in accordance with 24 CFR part 91, and the certifications required therein are satisfactory to the Secretary. The certifications will be satisfactory to the Secretary for this purpose unless the Secretary has determined pursuant to §570.493 that the State has not complied with the requirements of this subpart, or has determined that there is evidence, not directly involving the State’s past performance under this program, that tends to challenge in a substantial manner the State’s certification of future performance. If the Secretary makes any such determination, however, the State may be required to submit further assurances as the Secretary may deem warranted or necessary to find the grantee’s certification satisfactory.

§570.486 Local government requirements.

(a) Citizen participation requirements of a unit of general local government. Each unit of general local government shall meet the following requirements as required by the state at §91.115(e) of this title.
(1) Provide for and encourage citizen participation, particularly by low and moderate income persons who reside in slum or blighted areas and areas in which CDBG funds are proposed to be used;

(2) Ensure that citizens will be given reasonable and timely access to local meetings, information, and records relating to the unit of local government's proposed and actual use of CDBG funds;

(3) Furnish citizens information, including but not limited to:

(i) The amount of CDBG funds expected to be made available for the current fiscal year (including the grant and anticipated program income);

(ii) The range of activities that may be undertaken with the CDBG funds;

(iii) The estimated amount of the CDBG funds proposed to be used for activities that will meet the national objective of benefit to low and moderate income persons; and

(iv) The proposed CDBG activities likely to result in displacement and the unit of general local government's antidisplacement and relocation plans required under §570.488.

(4) Provide technical assistance to groups representative of persons of low and moderate income that request assistance in developing proposals in accordance with the procedures developed by the state. Such assistance need not include providing funds to such groups;

(5) Provide for a minimum of two public hearings, each at a different stage of the program, for the purpose of obtaining citizens' views and responding to proposals and questions. Together the hearings must cover community development and housing needs, development of proposed activities and a review of program performance. The public hearings to cover community development and housing needs must be held before submission of an application to the state. There must be reasonable notice of the hearings and they must be held at times and locations convenient to potential or actual beneficiaries, with accommodations for the handicapped. Public hearings shall be conducted in a manner to meet the needs of non-English speaking residents where a significant number of non-English speaking residents can reasonably be expected to participate;

(6) Provide citizens with reasonable advance notice of, and opportunity to comment on, proposed activities in an application to the state and, for grants already made, activities which are proposed to be added, deleted or substantially changed from the unit of general local government's application to the state. Substantially changed means changes made in terms of purpose, scope, location or beneficiaries as defined by criteria established by the state.

(7) Provide citizens the address, phone number, and times for submitting complaints and grievances, and provide timely written answers to written complaints and grievances, within 15 working days where practicable.

(b) Activities serving beneficiaries outside the jurisdiction of the unit of general local government. Any activity carried out by a recipient of State CDBG program funds must significantly benefit residents of the jurisdiction of the grant recipient, and the unit of general local government must determine that the activity is meeting its needs in accordance with section 106(d)(2)(D) of the Act. For an activity to significantly benefit residents of the recipient jurisdiction, the CDBG funds expended by the unit of general local government must not be unreasonably disproportionate to the benefits to its residents.

(c) Activities located in Entitlement jurisdictions. Any activity carried out by a recipient of State CDBG program funds in entitlement jurisdictions must significantly benefit residents of the jurisdiction of the grant recipient, and the State CDBG recipient must determine that the activity is meeting its needs in accordance with section 106(d)(2)(D) of the Act. For an activity to significantly benefit residents of the recipient jurisdiction, the CDBG funds expended by the unit of general local government must not be unreasonably disproportionate to the benefits to its residents. In addition, the grant cannot be used to provide a significant benefit to the entitlement jurisdiction unless
(a) General. Certain statutes are expressly made applicable to activities assisted under the Act by the Act itself, while other laws not referred to in the Act may be applicable to such activities by their own terms. Certain statutes or executive orders that may be applicable to activities assisted under the Act by their own terms are administered or enforced by governmental officials, departments or agencies other than HUD. Paragraphs (d) and (c) of this section contain two of the requirements expressly made applicable to CDBG activities by the Act itself.

(b) Affirmatively furthering fair housing. The Act requires the state to certify to the satisfaction of HUD that it will affirmatively further fair housing. The act also requires each unit of general local government to certify that it will affirmatively further fair housing. The certification that the State will affirmatively further fair housing shall specifically require the State to assume the responsibility of fair housing planning by:

(1) Conducting an analysis to identify impediments to fair housing choice within the State;
(2) Taking appropriate actions to overcome the effects of any impediments identified through that analysis;
(3) Maintaining records reflecting the analysis and actions in this regard; and
(4) Assuring that units of local government funded by the State comply with their certifications to affirmatively further fair housing.

(c) Lead-Based Paint Poisoning Prevention Act. States shall devise, adopt and carry out procedures with respect to CDBG assistance that fulfill the objectives and requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title.

(d) States shall comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and the implementing regulations in 24 CFR part 135. Section 3 requires that employment and other economic opportunities arising in connection with housing rehabilitation, housing construction, or other public construction projects shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be given to low- and very low-income persons.

(e) Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. 4151–4157) requires certain Federal and Federally-funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this subpart after November 21, 1996 and that meets the definition of residential structure as defined in 24 CFR 40.2, or the definition of building as defined in 41 CFR 101–19.602(a), is subject to the requirements of the Architectural Barriers Act of 1968 and shall comply with the Uniform Federal Accessibility Standards. For general type buildings, these standards are in appendix A to 41 CFR part 101–19.6. For residential structures, these standards are available from the Department of Housing and Urban Development, Office of Fair Housing and Equal Opportunity, Disability Rights Division, Room 5240, 451 Seventh Street, SW, Washington, DC 20410; telephone (202) 708–2333 (voice) or (202) 708–1734 (TTY) (these are not toll-free numbers).

§ 570.487 Other applicable laws and related program requirements.

§ 570.488 Displacement, relocation, acquisition, and replacement of housing.
replacement of housing are in § 570.606 and 24 CFR part 42.
[61 FR 11477, Mar. 20, 1996]

§ 570.489 Program administrative requirements.

(a) Administrative and planning costs—

(i) State administrative and technical assistance costs. (i) The state is responsible for the administration of all CDBG funds. The state shall pay from its own resources all administrative expenses incurred by the state in carrying out its responsibilities under this subpart, except as provided in this paragraph (a)(1)(i) of this section, which is subject to the time limitations in paragraph (a)(1)(iv) of this section. To pay administrative expenses, the state may use CDBG funds not to exceed $100,000, plus 50 percent of administrative expenses incurred in excess of $100,000. Amounts of CDBG funds used to pay administrative expenses in excess of $100,000 shall not, subject to paragraph (a)(1)(iii) of this section, exceed 3 percent of the sum of the state’s annual grant, program income received by units of general local government during each program year, regardless of the fiscal year in which the state grant funds that generate the program income were appropriated (whether retained by units of general local government or paid to the state), and funds reallocated by HUD to the state.

(ii) To pay the costs of providing technical assistance to local governments and nonprofit program recipients, a state may, subject to paragraph (a)(1)(iii) of this section, use CDBG funds received on or after January 23, 2004, in an amount not to exceed 3 percent of the sum of its annual grant, program income received by units of general local government during each program year, regardless of the fiscal year in which the state grant funds that generate the program income were appropriated (whether retained by units of general local government or paid to the state), and of funds reallocated by HUD to the state.

(iii) The amount of CDBG funds used to pay the sum of administrative costs in excess of $100,000 paid pursuant to paragraph (a)(1)(i) of this section and technical assistance costs paid pursuant to paragraph (a)(1)(ii) of this section must not exceed 3 percent of the sum of a state’s annual grant, program income received by units of general local government during each program year, regardless of the fiscal year in which the state grant funds generate the program income were appropriated (whether retained by the unit of general local government or paid to the state), and funds reallocated by HUD to the state.

(iv) In calculating the amount of CDBG funds that may be used to pay state administrative expenses prior to January 23, 2004, the state may include in the calculation the following elements only to the extent that they are within the following time limitations:

(A) $100,000 per annual grant beginning with FY 1984 allocations;

(B) Two percent of the sum of a state’s annual grant and funds reallocated by HUD to the state during a program year, without limitation based on when such amounts were received;

(C) Two percent of program income returned by units of general local government to states after August 21, 1985; and

(D) Two percent of program income received and retained by units of general local government after February 11, 1991.

(v) In regard to its administrative costs, the state has the option of selecting its approach for demonstrating compliance with the requirements of this paragraph (a)(1) of this section. Any state whose matching cost contributions toward state administrative expense matching requirements are in arrears must bring matching cost contributions up to the level of CDBG funds expended for such costs. A state grant may not be closed out if the state’s matching cost contribution is not at least equal to the amount of CDBG funds in excess of $100,000 expended for administration. Funds from any year’s grant may be used to pay administrative costs associated with any other year’s grant. The two approaches for demonstrating compliance with this paragraph (a)(1) of this section are:

(A) Cumulative accounting of administrative costs incurred by the state since its
assumption of the CDBG program. Under this approach, the state will identify, for each grant it has received, the CDBG funds eligible to be used for state administrative expenses, as well as the minimum amount of matching funds that the state is required to contribute. The amounts will then be aggregated for all grants received. The state must keep records demonstrating the actual amount of CDBG funds from each grant received that were used for state administrative expenses, as well as matching amounts that were contributed by the state. The state will be considered to be in compliance with the applicable requirements if the aggregate of the actual amounts of CDBG funds spent on state administrative expenses does not exceed the aggregate maximum allowable amount and if the aggregate amount of matching funds that the state has expended is equal to or greater than the aggregate amount of CDBG funds in excess of $100,000 (for each annual grant within the subject period) spent on administrative expenses during its 3- to 5-year Consolidated Planning period. If the state grant for any grant year within the 3- to 5-year period has been closed out, the aggregate amount of CDBG funds spent on state administrative expenses during the subject period will be reduced by amounts attributable to the grant year for which the state grant has been closed out.

(B) Year-to-year tracking and limitation on drawdown of funds. For each grant year, the state will calculate the maximum allowable amount of CDBG funds that may be used for state administrative expenses, and will draw down amounts of those funds only upon its own expenditure of an equal or greater amount of matching funds from its own resources after the expenditure of the initial $100,000 for state administrative expenses. The state will be considered to be in compliance with the applicable requirements if the actual amount of CDBG funds spent on state administrative expenses does not exceed the maximum allowable amount, and if the amount of matching funds that the state has expended for that grant year is equal to or greater than the amount of CDBG funds in excess of $100,000 spent during that same grant year. Under this approach, the state must demonstrate that it has paid from its own funds at least 50 percent of its administrative expenses in excess of $100,000 by the end of each grant year.

(2) The state may not charge fees of any entity for processing or considering any application for CDBG fund, or for carrying out its responsibilities under this subpart.

(3) The state and its funded units of general local government shall not expend for planning, management and administrative costs more than 20 percent of the aggregate amount of the annual grant, plus program income and funds reallocated by HUD to the State which are distributed during the time the final Statement for the annual grant is in effect. Administrative costs are those described at §570.489(a)(1) for states, and for units of general local government those described at sections 105(a)(12) and (a)(13) of the Act.

(b) Reimbursement of pre-agreement costs. The state may permit, in accordance with such procedures as the state may establish, a unit of general local government to incur costs for CDBG activities before the establishment of a formal grant relationship between the state and the unit of general local government and to charge these pre-agreement costs to the grant, provided that the activities are eligible and undertaken in accordance with the requirements of this part and 24 CFR part 58. A state may incur costs prior to entering into a grant agreement with HUD and charge those pre-agreement costs to the grant, provided that the activities are eligible and undertaken in accordance with the requirements of this part, part 58 of this title, and the citizen participation requirements of part 91 of this title.

(c) Federal grant payments. The state’s requests for payment, and the Federal Government’s payments upon such requests, must comply with 31 CFR part 205. The state must use procedures to minimize the time elapsing between the transfer of grant funds and disbursement of funds by the state to
units of general local government. States must also have procedures in place, and units of general local government must use these procedures to minimize the time elapsing between the transfer of funds by the state and disbursement for CDBG activities.

(d) Fiscal controls and accounting procedures. (1) A state shall have fiscal and administrative requirements for expending and accounting for all funds received under this subpart. These requirements must be available for Federal inspection and must:
   (i) Be sufficiently specific to ensure that funds received under this subpart are used in compliance with all applicable statutory and regulatory provisions;
   (ii) Ensure that funds received under this subpart are only spent for reasonable and necessary costs of operating programs under this subpart; and
   (iii) Ensure that funds received under this subpart are not used for general expenses required to carry out other responsibilities of state and local governments.

(2) A state may satisfy this requirement by:
   (i) Using fiscal and administrative requirements applicable to the use of its own funds;
   (ii) Adopting new fiscal and administrative requirements; or
   (iii) Applying the provisions in 24 CFR part 85 “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.”

(A) A state that opts to satisfy this requirement for fiscal controls and administrative procedures by applying the provisions of part 85 must comply with the requirements therein.

(B) A state that opts to satisfy this requirement for fiscal controls and administrative procedures by applying the provisions of part 85 of this title must also ensure that recipients of the state’s CDBG funds comply with part 84 of this title, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” as applicable.

(e) Program income. (1) For the purposes of this subpart, “program income” is defined as gross income received by a state, a unit of general local government, or a subgrantee of the unit of general local government that was generated from the use of CDBG funds, regardless of when the CDBG funds were appropriated and whether the activity has been closed out, except as provided in paragraph (e)(2) of this section. When income is generated by an activity that is only partially assisted with CDBG funds, the income must be prorated to reflect the percentage of CDBG funds used (e.g., a single loan supported by CDBG funds and other funds; or a single parcel of land purchased with CDBG funds and other funds). Program income includes, but is not limited to, the following:
   (i) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds, except as provided in paragraph (e)(2)(v) of this section;
   (ii) Proceeds from the disposition of equipment purchased with CDBG funds;
   (iii) Gross income from the use or rental of real or personal property acquired by the unit of general local government or subgrantee of the unit of general local government with CDBG funds, less the costs incidental to the generation of the income;
   (iv) Gross income from the use or rental of real property, owned by the unit of general local government or other entity carrying out a CDBG activity that was constructed or improved with CDBG funds, less the costs incidental to the generation of the income;
   (v) Payments of principal and interest on loans made using CDBG funds, except as provided in paragraph (e)(2)(iii) of this section;
   (vi) Proceeds from the sale of loans made with CDBG funds, less reasonable legal and other costs incurred in the course of such sale that are not otherwise eligible costs under sections 105(a)(13) or 106(d)(3)(A) of the Act;
   (vii) Proceeds from the sale of obligations secured by loans made with CDBG funds, less reasonable legal and other costs incurred in the course of such sale that are not otherwise eligible costs under sections 105(a)(13) or 106(d)(3)(A) of the Act.
§ 570.489

(viii) Interest earned on funds held in a revolving fund account;

(ix) Interest earned on program income pending disposition of the income;

(x) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not of low and moderate income, if the special assessments are used to recover all or part of the CDBG portion of a public improvement; and

(xi) Gross income paid to a unit of general local government or subgrantee of the unit of general local government from the ownership interest in a for-profit entity acquired in return for the provision of CDBG assistance.

(2) "Program income" does not include the following:

(i) The total amount of funds, which does not exceed $35,000 received in a single year from activities, other than revolving loan funds that is retained by a unit of general local government and its subgrantees (all funds received from revolving loan funds are considered program income, regardless of amount);

(ii) Amounts generated by activities eligible under section 106(a)(15) of the Act and carried out by an entity under the authority of section 105(a)(15) of the Act;

(iii) Payments of principal and interest made by a subgrantee carrying out a CDBG activity for a unit of general local government, toward a loan from the local government to the subgrantee, to the extent that program income received by the subgrantee is used for such payments;

(iv) The following classes of interest, which must be remitted to HUD for transmittal to the Department of the Treasury, and will not be reallocated under section 106(c) or (d) of the Act:

(A) Interest income from loans or other forms of assistance provided with CDBG funds that are used for activities determined by HUD to be not eligible under §570.482 or section 105(a) of the Act, to fail to meet a national objective in accordance with the requirements of §570.483, or to fail substantially to meet any other requirement of this subpart or the Act;

(B) Interest income from deposits of amounts reimbursed to a state’s CDBG program account prior to the state’s disbursement of the reimbursed funds for eligible purposes; and

(C) Interest income received by units of general local government on deposits of grant funds before disbursement of the funds for activities, except that the unit of general local government may keep interest payments of up to $100 per year for administrative expenses otherwise permitted to be paid with CDBG funds.

(v) Proceeds from the sale of real property purchased or improved with CDBG funds, if the proceeds are received more than 5 years after expiration of the grant agreement between the state and the unit of general local government.

(3) The state may permit the unit of general local government which receives or will receive program income to retain the program income, subject to the requirements of paragraph (e)(3)(ii) of this section, or the state may require the unit of general local government to pay the program income to the state. The state, however, must permit the unit of general local government to retain the program income if the program income will be used to continue the activity from which the program income was derived. The state will determine when an activity will be considered to be continued.

(i) Program income paid to the state. Except as described in paragraph (e)(3)(i)(A) of this section, the state may require the unit of general local government that receives or will receive program income to return the program income if the program income will be used to continue the activity from which the program income was derived. The state income that is paid to the state is treated as additional CDBG funds subject to the requirements of this subpart. Except for program income retained and used by the state for administrative costs or technical assistance under paragraph (a) of this section, program income paid to the state must be distributed to units of general local government in accordance with the method of distribution in the action plan under §91.320(k)(1)(i) of this title that is in effect at the time the program income is distributed. To the maximum extent feasible, the state
must distribute program income before it makes additional withdrawals from the Department of the Treasury, except as provided in paragraph (f) of this section.

(ii) Program income retained by a unit of general local government. A state may permit a unit of general local government that receives or will receive program income to retain the program income. Alternatively, subject to the exception in paragraph (e)(3)(ii)(A) of this section, a state may require that the unit of general local government pay any such income to the state.

(A) A state must permit the unit of general local government to retain the program income if the program income will be used to continue the activity from which it was derived. A state will determine when an activity will be considered to be continued, and HUD will give maximum feasible deference to a state’s determination, in accordance with §570.480(c). In making such a determination, a state may consider whether the unit of general local government is or will be unable to comply with the requirements of paragraph (e)(3)(ii)(B) of this section or other requirements of this part, and the extent to which the program income is unlikely to be applied to continue the activity within the reasonably near future. When a state determines that the program income will be applied to continue the activity from which it was derived, but that the amount of program income held by the unit of general local government exceeds projected cash needs for the reasonably near future, the state may require the local government to return all or part of the program income to the state until such time as the program income is needed by the unit of general local government. When a state determines that a unit of local government is not likely to apply any significant amount of program income to continue the activity within a reasonable amount of time, or that it will not likely apply the program income in accordance with applicable requirements, the state may require the unit of general local government to return all of the program income to the state for disbursement to other units of local government. A state that intends to require units of general local government to return program income in accordance with this paragraph (e)(3)(ii)(A) of this section must describe its approach in the state’s action plan required under §91.320 of this title or in a substantial amendment if the state intends to implement this option after the action plan is submitted to and in approval by HUD.

(B) Program income that is received and retained by the unit of general local government is treated as additional CDBG funds and is subject to all applicable requirements of this subpart, regardless of whether the activity that generated the program income has been closed out. If the grant that generated the program income is still open when the program income is generated, program income permitted to be retained will be considered part of the unit of general local government’s grant that generated the program income. If the grant is closed, program income permitted to be retained will be considered part of the unit of general local government’s most recently awarded open grant. If the unit of general local government has no open grants, the program income retained by the unit of general local government will be counted as part of the state’s grant year in which the program income was generated. A state must employ one or more of the following methods to ensure that units of general local government comply with applicable program income requirements:

(1) Maintaining contractual relationships with units of general local government for the duration of the existence of the program income;

(2) Closing out the underlying activity, but requiring as a condition of closeout that the unit of general local government obtain advance state approval of either a unit of general local government’s plan for the use of program income, or of each use of program income by grant recipients via regularly occurring reports and requests for approval;

(3) Closing out the underlying activity, but requiring as a condition of closeout that the unit of general local government notify the state when new program income is received; or
(d) With prior HUD approval, other approaches that demonstrate that the state will ensure compliance with the requirements of this subpart by units of general local government.

(C) The state must require units of general local government, to the maximum extent feasible, to disburse program income that is subject to the requirements of this subpart before requesting additional funds from the state for activities, except as provided in paragraph (f) of this section.

(iii) Transfer of program income to Entitlement program. A unit of general local government that becomes eligible to be an Entitlement grantee may request the state’s approval to transfer State CDBG grant-generated program income to the unit of general local government’s Entitlement program. A state may approve the transfer, provided that the unit of general local government:

(A) Has officially elected to participate in the Entitlement grant program;

(B) Agrees to use such program income in accordance with Entitlement program requirements; and

(C) Has set up Integrated Disbursement Information System (IDIS) access and agrees to enter receipt of program income into IDIS.

(iv) Transfer of program income of grantees losing Entitlement status. Upon entry into the State CDBG program, a unit of general local government that has lost or relinquished its Entitlement status must, with respect to program income that a unit of general local government would otherwise be permitted to retain, either:

(A) Retain program income generated under Entitlement grants and continue to comply with Entitlement program requirements for program income; or

(B) Retain the program income and transfer it to the State CDBG program, in which case the unit of general local government must comply with the state’s rules for program income and the requirements of this paragraph (e).

(4) The state must report on the receipt and use of all program income (whether retained by units of general local government or paid to the state) in its annual performance and evaluation report.

(f) Revolving funds. (1) The state may permit units of general local government to establish revolving funds to carry out specific, identified activities. A revolving fund, for this purpose, is a separate fund (with a set of accounts that are independent of other program accounts) established to carry out specific activities which, in turn, generate payments to the fund for use in carrying out such activities. These payments to the revolving fund are program income and must be substantially disbursed from the revolving fund before additional grant funds are drawn from the Treasury for revolving fund activities. Such program income is not required to be disbursed for non-revolving fund activities.

(2) The state may establish one or more state revolving funds to distribute grants to units of general local government throughout a state or a region of the state to carry out specific, identified activities. A revolving fund, for this purpose, is a separate fund (with a set of accounts that are independent of other program accounts) established to fund grants to units of general local government to carry out specific activities which, in turn, generate payments to the fund for additional grants to units of general local government to carry out such activities. Program income in the revolving fund must be disbursed from the fund before additional grant funds are drawn from the Treasury for payments to units of general local government which could be funded from the revolving fund.

(3) A revolving fund established by either the State or unit of general local government shall not be directly funded or capitalized with grant funds.

(g) Procurement. When procuring property or services to be paid for in whole or in part with CDBG funds, the state shall follow its procurement policies and procedures. The state shall establish requirements for procurement policies and procedures for units of general local government, based on full and open competition. Methods of procurement (e.g., small purchase, sealed bids/ formal advertising, competitive proposals, and noncompetitive proposals) and their applicability shall be
specified by the state. Cost plus a percentage of cost and percentage of construction costs methods of contracting shall not be used. The policies and procedures shall also include standards of conduct governing employees engaged in the award or administration of contracts. (Other conflicts of interest are covered by §570.489(h).) The state shall ensure that all purchase orders and contracts include any clauses required by Federal statutes, executive orders and implementing regulations.

(h) Conflict of interest—(1) Applicability. (i) In the procurement of supplies, equipment, construction, and services by the States, units of local general governments, and subrecipients, the conflict of interest provisions in paragraph (g) of this section shall apply.

(ii) In all cases not governed by paragraph (g) of this section, this paragraph (h) shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by CDBG funds by the unit of general local government or its subrecipients, to individuals, businesses and other private entities.

(2) Conflicts prohibited. Except for eligible administrative or personnel costs, the general rule is that no persons described in paragraph (h)(3) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this subpart or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(3) Persons covered. The conflict of interest provisions for paragraph (h)(2) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the state, or of a unit of general local government, or of any designated public agencies, or subrecipients which are receiving CDBG funds.

(4) Exceptions: Thresholds requirements. Upon written request by the State, an exception to the provisions of paragraph (h)(2) of this section involving an employee, agent, consultant, officer, or elected official or appointed official of the state may be granted by HUD on a case-by-case basis. In all other cases, the state may grant such an exception upon written request of the unit of general local government provided the state shall fully document its determination in compliance with all requirements of paragraph (h)(4) of this section including the state’s position with respect to each factor at paragraph (h)(5) of this section and such documentation shall be available for review by the public and by HUD. An exception may be granted after it is determined that such an exception will serve to further the purpose of the Act and the effective and efficient administration of the program or project of the state or unit of general local government as appropriate. An exception may be considered only after the state or unit of general local government, as appropriate, has provided the following:

(i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) An opinion of the attorney for the state or the unit of general local government, as appropriate, that the interest for which the exception is sought would not violate state or local law.

(5) Factors to be considered for exceptions. In determining whether to grant a requested exception after the requirements of paragraph (h)(4) of this section have been satisfactorily met, the cumulative effect of the following factors, where applicable, shall be considered:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;
§570.489  24 CFR Ch. V (4–1–13 Edition)

(iii) Whether the person affected is a member of a group or class of low or moderate income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (h)(3) of this section;

(vi) Whether undue hardship will result either to the State or the unit of general local government or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vii) Any other relevant considerations.

(i) Closeout of grants to units of general local government. The State shall establish requirements for timely closeout of grants to units of general local government and shall take action to ensure the timely closeout of such grants.

(j) Change of use of real property. The standards described in this section apply to real property within the unit of general local government’s control (including activities undertaken by subrecipients) which was acquired or improved in whole or in part using CDBG funds in excess of the threshold for small purchase procurement (24 CFR 85.36, “Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments”). These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of the unit of general local government’s grant.

(1) A unit of general local governments may not change the use or planned use of any such property (including the beneficiaries of such use) from that for which the acquisition or improvement was made, unless the unit of general local government provides affected citizens with reasonable notice of and opportunity to comment on any proposed change, and either:

(i) The new use of the property qualifies as meeting one of the national objectives and is not a building for the general conduct of government; or

(ii) The requirements in paragraph (j)(2) of this section are met.

(2) If the unit of general local government determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (j)(1) of this section, it may retain or dispose of the property for the changed use if the unit of general local government’s CDBG program is reimbursed or the state’s CDBG program is reimbursed, at the discretion of the state. The reimbursement shall be in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property, except that if the change in use occurs after grant closeout but within 5 years of such closeout, the unit of general local government shall make the reimbursement to the State’s CDBG program account.

(3) Following the reimbursement of the CDBG program in accordance with paragraph (j)(2) of this section, the property no longer will be subject to any CDBG requirements.

(k) Accountability for real and personal property. The State shall establish and implement requirements, consistent with State law and the purposes and requirements of this subpart (including paragraph (j) of this section) governing the use, management, and disposition of real and personal property acquired with CDBG funds.

(1) Debarment and suspension. The requirements in 2 CFR part 2424 are applicable. CDBG funds may not be provided to excluded or disqualified persons.

(m) Audits. Notwithstanding any other provision of this title, audits of a state and units of general local government shall be conducted in accordance with §85.26 of this title, which implements the Single Audit Act (31 U.S.C. 7501–07) and incorporates OMB Circular A-133. States shall develop and administer an audits management system to
ensure that audits of units of general local government are conducted in accordance with OMB Circular A–133, if applicable.

(n) Cost principles and prior approval. 
(1) A state must ensure that costs incurred by the state and by its recipients are in conformance with the following cost principles, as applicable:
   (i) “Cost Principles for State, Local, and Indian Tribal Governments (OMB Circular A–87),” which is codified at 2 CFR part 225;
   (ii) “Cost Principles for Non-Profit Organizations (OMB Circular A–122),” which is codified at 2 CFR part 220; and
   (iii) “Cost Principles for Educational Institutions (OMB Circular A–21),” which is codified at 2 CFR part 220.

(2) All cost items described in Appendix B of 2 CFR part 225 that require federal agency approval are allowable without prior approval of HUD, to the extent that they otherwise comply with the requirements of 2 CFR part 225 and are otherwise eligible under this subpart I, except for the following:
   (i) Depreciation methods for fixed assets shall not be changed without the express approval of HUD or, if charged through a cost allocation plan, of the cognizant federal agency.
   (ii) Fines and penalties (including punitive damages) are unallowable costs to the CDBG program.

§570.490 Recordkeeping requirements.

(a) State records. (1) The state shall establish and maintain such records as may be necessary to facilitate review and audit by HUD of the state’s administration of CDBG funds under §570.493. The content of records maintained by the state shall be as jointly agreed upon by HUD and the states and sufficient to enable HUD to make the determinations described at §570.493. For fair housing and equal opportunity purposes, and as applicable, such records shall include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the program. The records shall also permit audit of the states in accordance with 24 CFR part 85.

(2) The state shall keep records to document its funding decisions reached under the method of distribution described in 24 CFR 91.320(j)(1), including all the criteria used to select applications from local governments for funding and the relative importance of the criteria (if applicable), regardless of the organizational level at which final funding decisions are made, so that they can be reviewed by HUD, the Inspector General, the Government Accountability Office, and citizens pursuant to the requirements of §570.490(c).

(b) Unit of general local government’s record. The state shall establish recordkeeping requirements for units of general local government receiving CDBG funds that are sufficient to facilitate reviews and audits of such units of general local government under §§570.492 and 570.493. For fair housing and equal opportunity purposes, and as applicable, such records shall include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the program.

(c) Access to records. (1) Representatives of HUD, the Inspector General, and the General Accounting Office shall have access to all books, accounts, reports, files, and other papers, or property pertaining to the administration, receipt and use of CDBG funds and necessary to facilitate such reviews and audits.

(2) The State shall provide citizens with reasonable access to records regarding the past use of CDBG funds and ensure that units of general local government provide citizens with reasonable access to records regarding the past use of CDBG funds consistent with State or local requirements concerning the privacy of personal records.
§ 570.491 Record retention. Records of the State and units of general local government, including supporting documentation, shall be retained for the greater of three years from closeout of the grant to the state, or the period required by other applicable laws and regulations as described in § 570.487 and § 570.488.

[57 FR 53397, Nov. 9, 1992, as amended at 71 FR 6971, Feb. 9, 2006; 77 FR 24146, Apr. 23, 2012]

§ 570.491 Performance and evaluation report.

The annual performance and evaluation report shall be submitted in accordance with 24 CFR part 91.

(Approved by the Office of Management and Budget under control number 2506–0117)

[60 FR 1916, Jan. 5, 1995]

§ 570.492 State’s reviews and audits.

(a) The state shall make reviews and audits including on-site reviews, of units of general local government as may be necessary or appropriate to meet the requirements of section 104(e)(2) of the Act.

(b) In the case of noncompliance with these requirements, the State shall take such actions as may be appropriate to prevent a continuance of the deficiency, mitigate any adverse effects or consequences and prevent a recurrence. The state shall establish remedies for units of general local government noncompliance.

§ 570.493 HUD’s reviews and audits.

(a) General. At least on an annual basis, HUD shall make such reviews and audits as may be necessary or appropriate to determine:

(1) Whether the state has distributed CDBG funds to units of general local government in a timely manner in conformance to the method of distribution described in its action plan under part 91 of this title;

(2) Whether the state has carried out its certifications in compliance with the requirements of the Act and this subpart and other applicable laws; and

(3) Whether the state has made reviews and audits of the units of general local government required by § 570.492.

(b) Information considered. In conducting performance reviews and audits, HUD will rely primarily on information obtained from the state’s performance report, records maintained by the state, findings from on-site monitoring, audit reports, and the status of the state’s unexpended grant funds. HUD may also consider relevant information on the state’s performance gained from other sources, including litigation, citizens’ comments, and other information provided by the state. A State’s failure to maintain records in accordance with § 570.490 may result in a finding that the State has failed to meet the applicable requirement to which the record pertains.

§ 570.494 Timely distribution of funds by states.

(a) States are encouraged to adopt and achieve a goal of obligating and announcing 95 percent of funds to units of general local government within 12 months of the state signing its grant agreement with HUD.

(b) HUD will review each state to determine if the state has distributed CDBG funds in a timely manner. The state’s distribution of CDBG funds is timely if:

(1) All of the state’s annual grant (excluding state administration) has been obligated and announced to units of general local government within 15 months of the state signing its grant agreement with HUD; and

(2) Recaptured funds and program income received by the state are expeditiously obligated and announced to units of general local government.

(c) HUD may collect necessary information from states to determine whether CDBG funds have been distributed in a timely manner.

§ 570.495 Reviews and audits response.

(a) If HUD’s review and audit under § 570.493 results in a negative determination, or if HUD otherwise determines that a state or unit of general local government has failed to comply with any requirement of this subpart, the state will be given an opportunity
§ 570.496 Remedies for noncompliance; opportunity for hearing.

(a) General. Action pursuant to this section will be taken only after at least one of the corrective or remedial actions specified in § 570.495 has been taken, and only then if the State or unit of general local government has not made an appropriate or timely response.

(b) Remedies.

(1) If HUD finds after reasonable notice and opportunity for hearing that a State or unit of general local government has failed to comply with any provision of this subpart, condition the use of the succeeding fiscal years grant funds upon appropriate corrective action by the state. When the use of funds is conditioned, HUD shall specify the reasons for the conditions and the actions necessary to satisfy the conditions.

(b)(1) Whenever HUD determines that a state or unit of general local government which is a recipient of CDBG funds has failed to comply with section 109 of the Act (nondiscrimination requirements), HUD shall notify the governor of the State or chief executive officer of the unit of general local government of the noncompliance and shall request the governor or the chief executive officer to secure compliance. If within a reasonable time, not to exceed sixty days, the governor or chief executive officer fails or refuses to secure compliance, HUD may take the following action:

(i) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(ii) Exercise the powers and functions provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d–7);

(iii) Exercise the powers and functions provided for in § 570.496; or

(iv) Take such other action as may be provided by law.

(2) When a matter is referred to the Attorney General pursuant to paragraph (b)(1)(i) of this section, or whenever HUD has reason to believe that a State or unit of general local government is engaged in a pattern or practice in violation of the provisions of section 109 of the Act, the Attorney General may bring a civil action in any appropriate United States district court for such relief as may be appropriate, including injunctive relief.
appropriate corrective action by the state specified by HUD; or

(v) With respect to a CDBG grant awarded by the state to a unit of general local government, withhold, reduce, or withdraw the grant, require the state to withhold, reduce, or withdraw the grant, or take other action as appropriate, except that CDBG funds expended on eligible activities shall not be recaptured or deducted from future CDBG grants to such unit of general local government.

(2) HUD may on due notice suspend payments at any time after the issuance of a notice of opportunity for hearing pursuant to paragraph (d) of this section, pending such hearing and a final decision, to the extent HUD determines such action necessary to prevent a continuation of the noncompliance.

(c) In lieu of, or in addition to, the action authorized by paragraph (b) of this section, if HUD has reason to believe that the state or unit of general local government has failed to comply substantially with any provision of this subpart, HUD may:

(1) Refer the matter to the Attorney General of the United States with a recommendation that an appropriate civil action be instituted; and

(2) Upon such a referral, the Attorney General may bring a civil action in any United States district court having venue thereof for such relief as may be appropriate, including an action to recover the amount of the CDBG funds which was not expended in accordance with this subpart, or for mandatory or injunctive relief.

(d) Proceedings. When HUD proposes to take action pursuant to this section, the respondent in the proceedings will be the state. At the option of HUD, a unit of general local government may also be a respondent. These procedures are to be followed before imposition of a sanction described in paragraph (b)(1) of this section:

(1) Notice of opportunity for hearing. HUD shall notify the respondent in writing of the proposed action and of the opportunity for a hearing. The notice shall be sent to the respondent by first class mail and shall provide notice:

(i) In a manner which is adequate to allow the respondent to prepare its response, the basis upon which HUD determined that the respondent failed to comply with a provision of this subpart;

(ii) That the hearing procedures are governed by these rules;

(iii) That the respondent has 14 days from receipt of the notice within which to provide a written request for a hearing to the Docket Clerk, Office of Administrative Law Judges, and the address and telephone number of the Docket Clerk;

(iv) Of the action which HUD proposes to take and that the authority for this action is §570.496 of this subpart;

(v) That if the respondent fails to request a hearing within the time specified, HUD’s determination that the respondent failed to comply with a provision of this subpart shall be final and HUD may proceed to take the proposed action.

(2) Initiation of hearing. The respondent shall be allowed 14 days from receipt of the notice within which to notify HUD in writing of its request for a hearing. If no request is received within the time specified, HUD’s determination that the respondent failed to comply with a provision of this subpart shall be final and HUD may proceed to take the proposed action.

(3) Administrative Law Judge. Proceedings conducted under these rules shall be presided over by an Administrative Law Judge (ALJ), appointed as provided by section 11 of the Administrative Procedure Act (5 U.S.C. 3105). The case shall be referred to the ALJ by HUD at the time a hearing is requested. The ALJ shall promptly notify the parties of the time and place at which the hearing will be held. The ALJ shall conduct a fair and impartial hearing and take all action necessary to avoid delay in the disposition of proceedings and to maintain order. The ALJ shall have all powers necessary to those ends, including but not limited to the power:

(i) To administer oaths and affirmations;

(ii) To issue subpoenas as authorized by law;
(iii) To rule upon offers of proof and receive relevant evidence;
(iv) To order or limit discovery before the hearing as the interests of justice may require;
(v) To regulate the course of the hearing and the conduct of the parties and their counsel;
(vi) To hold conferences for the settlement or simplification of the issues by consent of the parties;
(vii) To consider and rule upon all procedural and other motions appropriate in adjudicative proceedings; and
(viii) To make and file initial determinations.

(4) Ex parte communications. An ex parte communication is any communication with an ALJ, direct or indirect, oral or written, concerning the merits or procedures of any pending proceeding which is made by a party in the absence of any other party. Ex parte communications are prohibited except where the purpose and content of the communication have been disclosed in advance or simultaneously to all parties, or the communication is a request for information concerning the status of the case. Any ALJ who receives an ex parte communication which the ALJ knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

(5) The hearing. All parties shall have the right to be represented at the hearing by counsel. The ALJ shall conduct the proceedings in an expeditious manner while allowing the parties to present all oral and written evidence which tends to support their respective positions, but the ALJ shall exclude irrelevant, immaterial or unduly repetitious evidence. HUD has the burden of proof in showing by a preponderance of evidence that the respondent failed to comply with a provision of this subpart. Each party shall be allowed to cross-examine adverse witnesses and to rebut and comment upon evidence presented by the other party. Hearings shall be open to the public. So far as the orderly conduct of the hearing permits, interested persons other than the parties may appear and participate in the hearing.

(6) Transcripts. Hearings shall be recorded and transcribed only by a reporter under the supervision of the ALJ. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, shall obtain copies of the transcript.

(7) The ALJ’s decisions. At the conclusion of the hearing, the ALJ shall give the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor. Generally, within 60 days after the conclusion of the hearing, the ALJ shall prepare a written decision which includes a Statement of findings and conclusions, and the reasons or basis therefor, on all the material issues of fact, law or discretion presented on the record and the appropriate sanction or denial thereof. The decision shall be based on consideration of the whole record or those parts thereof cited by a party and supported by and in accordance with the reliable, probative, and substantial evidence. A copy of the decision shall be furnished to the parties immediately by first class mail and shall include a notice that any requests for review by the Secretary must be made in writing to the Secretary within 30 days of the receipt of the decision.

(8) Record. The transcript of testimony and exhibits, together with the decision of the ALJ and all papers and requests filed in the proceeding, constitutes the exclusive record for decision and, on payment of its reasonable cost, shall be made available to the parties. After reaching the initial decision, the ALJ shall certify to the complete record and forward the record to the Secretary.

(9) Review by the Secretary. The decision by the ALJ shall constitute the final decision of HUD unless, within 30 days after the receipt of the decision, either the respondent or the Assistant Secretary for Community Planning and Development files an exception and request for review by the Secretary. The excepting party must transmit simultaneously to the Secretary and the other party the request for review and the bases of the party’s exceptions to
§ 570.497 Condition of State election to administer State CDBG Program.

Pursuant to section 106(d)(2)(A)(i) of the Act, a State has the right to elect, in such manner and at such time as the Secretary may prescribe, to administer funds allocated under subpart A of this part for use in nonentitlement areas of the State. After January 26, 1995, any State which elects to administer the allocation of CDBG funds for use in nonentitlement areas of the State in any year must, in addition to all other requirements of this subpart, submit a pledge by the State in accordance with section 108(d)(2) of the Act, and in a form acceptable to HUD, of any future CDBG grants it may receive under subpart A and this subpart. Such pledge shall be for the purpose of assuring repayment of any debt obligations (as defined in §570.701), in accordance with their terms, that HUD may have guaranteed in the respective State on behalf of any nonentitlement public entity (as defined in §570.701) or its designated public agency prior to the State’s election.

Subpart J—Grant Administration

Source: 53 FR 8058, Mar. 11, 1988, unless otherwise noted.
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD § 570.500

(ii) Interest earned on loans or other forms of assistance provided with CDBG funds that are used for activities determined by HUD either to be ineligible or to fail to meet a national objective in accordance with the requirements of subpart C of this part, or that fail substantially to meet any other requirement of this part; and

(iii) Interest earned on the investment of amounts reimbursed to the CDBG program account prior to the use of the reimbursed funds for eligible purposes.

(3) The calculation of the amount of program income for the recipient's CDBG program as a whole (i.e., comprising activities carried out by a grantee and its subrecipients) shall exclude payments made by subrecipients of principal and/or interest on CDBG-funded loans received from grantees if such payments are made using program income received by the subrecipient. (By making such payments, the subrecipient shall be deemed to have transferred program income to the grantee.) The amount of program income derived from this calculation shall be used for reporting purposes, for purposes of applying the requirement under § 570.504(b)(2)(iii), and in determining limitations on planning and administration and public services activities to be paid for with CDBG funds.

(4) Program income does not include:

(i) Any income received in a single program year by the recipient and all its subrecipients if the total amount of such income does not exceed $25,000; and

(ii) Amounts generated by activities that are financed by a loan guaranteed under section 108 which are not defined as program income shall be treated as miscellaneous revenue and shall not be subject to any of the requirements of this part, except that the use of such funds shall be limited to activities that are located in a revitalization strategy area and implement a HUD approved area revitalization strategy pursuant to § 91.215(e) of this title. However, such treatment shall not affect the right of the Secretary to require the section 108 borrower to pledge such amounts as security for the guaranteed loan. The determination whether such amounts shall constitute program income shall be governed by the provisions of the contract required at § 570.705(b)(1).

(5) Examples of other receipts that are not considered program income are proceeds from fund raising activities carried out by subrecipients receiving CDBG assistance (the costs of fund raising are generally unallowable under the applicable OMB circulars referenced in 24 CFR 84.27), funds collected through special assessments used to recover the non-CDBG portion of a public improvement, and proceeds from the disposition of real property acquired or improved with CDBG funds when the disposition occurs after the applicable time period specified in § 570.503(b)(8) for subrecipient-controlled property, or in § 570.505 for recipient-controlled property.

(b) Revolving fund means a separate fund (with a set of accounts that are independent of other program accounts) established for the purpose of carrying out specific activities which, in turn, generate payments to the fund for use in carrying out the same activities. Each revolving loan fund's cash balance must be held in an interest-bearing account, and any interest paid on CDBG funds held in this account shall be considered interest earned on grant advances and must be remitted to HUD for transmittal to the U.S. Treasury no less frequently than annually. (Interest paid by borrowers on eligible loans made from the revolving loan fund shall be program income and treated accordingly.)

(c) Subrecipient means a public or private nonprofit agency, authority, or
organization, or a for-profit entity authorized under §570.201(o), receiving CDBG funds from the recipient or another subrecipient to undertake activities eligible for such assistance under subpart C of this part. The term excludes an entity receiving CDBG funds from the recipient under the authority of §570.204, unless the grantee explicitly designates it as a subrecipient. The term includes a public agency designated by a unit of general local government to receive a loan guarantee under subpart M of this part, but does not include contractors providing supplies, equipment, construction, or services subject to the procurement requirements in 24 CFR 85.36 or 84.40, as applicable.

§ 570.502 Applicability of uniform administrative requirements.

(a) Recipients and subrecipients that are governmental entities (including public agencies) shall comply with the requirements and standards of OMB Circular No. A–87, “Cost Principles for State, Local, and Indian Tribal Governments”; OMB Circular A–128, “Audits of State and Local Governments” (implemented at 24 CFR part 44); and with the following sections of 24 CFR part 85 “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments” or the related CDBG provision, as specified in this paragraph:

(1) Section 85.3, “Definitions”;
(2) Section 85.6, “Exceptions”;
(3) Section 85.12, “Special grant or subgrant conditions for ‘high-risk’ grantees”;
(4) Section 85.20, “Standards for financial management systems,” except paragraph (a);
(5) Section 85.21, “Payment,” except as modified by §570.513;
(6) Section 85.22, “Allowable costs”;
(7) Section 85.26, “Non-federal audits”;
(8) Section 85.32, “Equipment,” except in all cases in which the equipment is sold, the proceeds shall be program income;
(9) Section 85.33, “Supplies”;
(10) Section 85.34, “Copyrights”;
(11) Section 85.35, “Subawards to debarred and suspended parties”;
(12) Section 85.36, “Procurement,” except paragraph (a);
(13) Section 85.37, “Subgrants”;
(14) Section 85.40, “Monitoring and reporting program performance,” except paragraphs (b) through (d) and paragraph (f);
(15) Section 85.41, “Financial reporting,” except paragraphs (a), (b), and (e);
(16) Section 85.42, “Retention and access requirements for records,” except that the period shall be four years;
(17) Section 85.43, “Enforcement”;
(18) Section 85.44, “Termination for convenience”;
(19) Section 85.51 “Later disallowances and adjustments” and
(20) Section 85.52, “Collection of amounts due.”

(b) Subrecipients, except subrecipients that are governmental entities, shall comply with the requirements and standards of OMB Circular No. A-122, “Cost Principles for Non-profit Organizations,” or OMB Circular No. A-21, “Cost Principles for Educational Institutions,” as applicable, and OMB Circular A-133, “Audits of Institutions of Higher Education and Other Non-profit Institutions” (as set forth in 24 CFR part 45). Audits shall be conducted annually. Such subrecipients shall also comply with the following provisions of the Uniform Administrative requirements of OMB Circular A-110 (implemented at 24 CFR part 84, “Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals and Other Non-Profit Organizations”) or the related CDBG provision, as specified in this paragraph:

(1) Subpart A—“General”;
(2) Subpart B—“Pre-Award Requirements,” except for §84.12, “Forms for Applying for Federal Assistance”;
(3) Subpart C—“Post-Award Requirements,” except for:
   (i) Section 84.22, “Payment Requirements.” Grantees shall follow the standards of §§83.20(b)(7) and 83.21 in making payments to subrecipients;
   (ii) Section 84.23, “Cost Sharing and Matching”;
   (iii) Section 84.24, “Program Income.” In lieu of §84.24, CDBG subrecipients shall follow §570.504;
   (iv) Section 84.25, “Revision of Budget and Program Plans”;
   (v) Section 84.32, “Real Property.” In lieu of §84.32, CDBG subrecipients shall follow §570.505;
   (vi) Section 84.34(g), “Equipment.” In lieu of the disposition provisions of §84.34(g), the following applies:
      (A) In all cases in which equipment is sold, the proceeds shall be program income (prorated to reflect the extent to which CDBG funds were used to acquire the equipment); and
      (B) Equipment not needed by the subrecipient for CDBG activities shall be transferred to the recipient for the CDBG program or shall be retained after compensating the recipient;

(vii) Section 84.51 (b), (c), (d), (e), (f), (g), and (h), “Monitoring and Reporting Program Performance”;
(viii) Section 84.52, “Financial Reporting”;
(ix) Section 84.53(b), “Retention and access requirements for records.” Section 84.53(b) applies with the following exceptions:
   (A) The retention period referenced in §84.53(b) pertaining to individual CDBG activities shall be four years; and
   (B) The retention period starts from the date of submission of the annual performance and evaluation report, as prescribed in 24 CFR 91.520, in which the specific activity is reported on for the final time rather than from the date of submission of the final expenditure report for the award;
   (x) Section 84.61, “Termination.” In lieu of the provisions of §84.61, CDBG subrecipients shall comply with §570.503(b)(7); and

(4) Subpart D—“After-the-Award Requirements,” except for §84.71, “Closeout Procedures.”

[53 FR 8058, Mar. 11, 1988, as amended at 60 FR 1916, Jan. 5, 1995; 60 FR 56915, Nov. 9, 1995]

§ 570.503 Agreements with subrecipients.

(a) Before disbursing any CDBG funds to a subrecipient, the recipient shall sign a written agreement with the subrecipient. The agreement shall remain in effect during any period that the subrecipient has control over CDBG funds, including program income.

(b) At a minimum, the written agreement with the subrecipient shall include provisions concerning the following items:

(1) Statement of work. The agreement shall include a description of the work to be performed, a schedule for completing the work, and a budget. These items shall be in sufficient detail to provide a sound basis for the recipient effectively to monitor performance under the agreement.

(2) Records and reports. The recipient shall specify in the agreement the particular records the subrecipient must maintain and the particular reports
§ 570.504 Program income.

(a) Recording program income. The receipt and expenditure of program income as defined in §570.500(a) shall be recorded as part of the financial transactions of the grant program.

(b) Disposition of program income received by recipients. (1) Program income received before grant closeout may be retained by the recipient if the income is treated as additional CDBG funds subject to all applicable requirements governing the use of CDBG funds.

(ii) If the recipient chooses to retain program income, that program income shall be disposed of as follows:

(i) Program income in the form of repayments to, or interest earned on, a revolving fund as defined in §570.500(b) shall be substantially disbursed from the fund before additional cash withdrawals are made from the U.S. Treasury for the same activity. (This rule does not prevent a lump sum disbursement to finance the rehabilitation of privately owned properties as provided for in §570.513.)

(ii) Substantially all other program income shall be disbursed for eligible activities before additional cash withdrawals are made from the U.S. Treasury.
(iii) At the end of each program year, the aggregate amount of program income cash balances and any investment thereof (except those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump-sum drawdown, or cash or investments held for section 108 loan guarantee security needs) that, as of the last day of the program year, exceeds one-twelfth of the most recent grant made pursuant to §570.304 shall be remitted to HUD as soon as practicable thereafter, to be placed in the recipient’s line of credit. This provision applies to program income cash balances and investments thereof held by the grantee and its subrecipients. (This provision shall be applied for the first time at the end of the program year for which Federal Fiscal Year 1996 funds are provided.)

(3) Program income on hand at the time of closeout shall continue to be subject to the eligibility requirements in subpart C and all other applicable provisions of this part until it is expended.

(4) Unless otherwise provided in any grant closeout agreement, and subject to the requirements of paragraph (b)(5) of this section, income received after closeout shall not be governed by the provisions of this part, except that, if at the time of closeout the recipient has another ongoing CDBG grant received directly from HUD, funds received after closeout shall be treated as program income of the ongoing grant program.

(5) If the recipient does not have another ongoing grant received directly from HUD at the time of closeout, income received after closeout from the disposition of real property or from loans outstanding at the time of closeout shall not be governed by the provisions of this part, except that such income shall be used for activities that meet one of the national objectives in §570.901 and the eligibility requirements described in section 105 of the Act.

c) Disposition of program income received by subrecipients. The written agreement between the recipient and the subrecipient, as required by §570.503, shall specify whether program income received is to be returned to the recipient or retained by the subrecipient. Where program income is to be retained by the subrecipient, the agreement shall specify the activities that will be undertaken with the program income and that all provisions of the written agreement shall apply to the specified activities. When the subrecipient retains program income, transfers of grant funds by the recipient to the subrecipient shall be adjusted according to the principles described in paragraphs (b)(2)(i) and (ii) of this section. Any program income on hand when the agreement expires, or received after the agreement’s expiration, shall be paid to the recipient as required by §570.503(b)(8).

d) Disposition of certain program income received by urban counties. Program income derived from urban county program activities undertaken by or within the jurisdiction of a unit of general local government which thereafter terminates its participation in the urban county shall continue to be program income of the urban county. The urban county may transfer the program income to the unit of general local government, upon its termination of urban county participation, provided that the unit of general local government has become an entitlement grantee and agrees to use the program income in its own CDBG entitlement program.

(e)(1) Transfer of program income to Entitlement program. A unit of general local government that becomes eligible to be an Entitlement grantee may request the state’s approval to transfer State CDBG grant-generated program income to the unit of general local government’s Entitlement program. A state may approve the transfer, provided that the unit of general local government:

(i) Has officially elected to participate in the Entitlement grant program;

(ii) Agrees to use such program income in accordance with Entitlement program requirements; and

(iii) Has set up Integrated Disbursement and Information System (IDIS) access and agrees to enter receipt of program income into IDIS.

(2) Transfer of program income of grantees losing Entitlement status. Upon entry into the State CDBG program, a unit of
general local government that has lost or relinquished its Entitlement status must, with respect to program income that a unit of general local government would otherwise be permitted to retain, either:  
(i) Retain the program income generated under Entitlement grants and continue to comply with Entitlement program requirements for program income; or  
(ii) Retain the program income and transfer it to the State CDBG program, in which case the unit of general local government must comply with the state’s rules for program income and the requirements of §570.489(e).  

§570.505 Use of real property.  
The standards described in this section apply to real property within the recipient’s control which was acquired or improved in whole or in part using CDBG funds in excess of $25,000. These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of an entitlement recipient’s participation in the entitlement CDBG program or, with respect to other recipients, until five years after the closeout of the grant from which the assistance to the property was provided.  

(a) A recipient may not change the use or planned use of any such property (including the beneficiaries of such use) from that for which the acquisition or improvement was made unless the recipient provides affected citizens with reasonable notice of, and opportunity to comment on, any proposed change, and either:  
(1) The new use of such property qualifies as meeting one of the national objectives in §570.208 (formerly §570.901) and is not a building for the general conduct of government; or  
(2) The requirements in paragraph (b) of this section are met.  

(b) If the recipient determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (a)(1) of this section, it may retain or dispose of the property for the changed use if the recipient’s CDBG program is reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property.  

(c) If the change of use occurs after closeout, the provisions governing income from the disposition of the real property in §570.504(b)(4) or (5), as applicable, shall apply to the use of funds reimbursed.  

(d) Following the reimbursement of the CDBG program in accordance with paragraph (b) of this section, the property no longer will be subject to any CDBG requirements.  

§570.506 Records to be maintained.  
Each recipient shall establish and maintain sufficient records to enable the Secretary to determine whether the recipient has met the requirements of this part. At a minimum, the following records are needed:  

(a) Records providing a full description of each activity assisted (or being assisted) with CDBG funds, including the beneficiaries of such use, the amount of CDBG funds budgeted, obligated and expended for the activity, and the provision in subpart C under which it is eligible.  

(b) Records demonstrating that each activity undertaken meets one of the criteria set forth in §570.208. (Where information on income by family size is required, the recipient may substitute evidence establishing that the person assisted qualifies under another program having income qualification criteria at least as restrictive as that used in the definitions of “low and moderate income person” and “low and moderate income household” (as applicable) at §570.3, such as Job Training Partnership Act (JTPA) and welfare programs; or the recipient may substitute evidence that the assisted person is homeless; or the recipient may substitute a copy of a verifiable certification from the assisted person that his or her family income does not exceed the applicable income limit established in accordance with §570.3; or the recipient may substitute a notice that...
the assisted person is a referral from a state, county or local employment agency or other entity that agrees to refer individuals it determines to be low and moderate income persons based on HUD's criteria and agrees to maintain documentation supporting these determinations. Such records shall include the following information:

(1) For each activity determined to benefit low and moderate income persons, the income limits applied and the point in time when the benefit was determined.

(2) For each activity determined to benefit low and moderate income persons based on the area served by the activity:
   (i) The boundaries of the service area;
   (ii) The income characteristics of families and unrelated individuals in the service area; and
   (iii) If the percent of low and moderate income persons in the service area is less than 51 percent, data showing that the area qualifies under the exception criteria set forth at §570.208(a)(1)(ii).

(3) For each activity determined to benefit low and moderate income persons because the activity involves a facility or service designed for use by a limited clientele consisting exclusively or predominantly of low and moderate income persons:
   (i) Documentation establishing that the facility or service is designed for the particular needs of or used exclusively by senior citizens, adults meeting the Bureau of the Census’ Current Population Reports definition of “severely disabled,” persons living with AIDS, battered spouses, abused children, the homeless, illiterate adults, or migrant farm workers, for which the regulations provide a presumption concerning the extent to which low- and moderate-income persons benefit; or
   (ii) Documentation describing how the nature and, if applicable, the location of the facility or service establishes that it is used predominantly by low and moderate income persons; or
   (iii) Data showing the size and annual income of the family of each person receiving the benefit.

(4) For each activity carried out for the purpose of providing or improving housing which is determined to benefit low and moderate income persons:
   (i) A copy of a written agreement with each landlord or developer receiving CDBG assistance indicating the total number of dwelling units in each multifamily structure assisted and the number of those units which will be occupied by low and moderate income households after assistance;
   (ii) The total cost of the activity, including both CDBG and non-CDBG funds.

(5) For each unit occupied by a low and moderate income household, the size and income of the household;

(4) For rental housing only:
   (A) The rent charged (or to be charged) after assistance for each dwelling unit in each structure assisted; and
   (B) Such information as necessary to show the affordability of units occupied (or to be occupied) by low and moderate income households pursuant to criteria established and made public by the recipient;

(5) For each property acquired on which there are no structures, evidence of commitments ensuring that the criteria in §570.208(a)(3) will be met when the structures are built;

(vi) Where applicable, records demonstrating that the activity qualifies under the special conditions at §570.208(a)(3)(i);

(vii) For any homebuyer assistance activity qualifying under §570.201(e), 570.201(n), or 570.204, identification of the applicable eligibility paragraph and evidence that the activity meets the eligibility criteria for that provision; for any such activity qualifying under §570.208(a), the size and income of each homebuyer’s household; and

(viii) For a §570.201(k) housing services activity, identification of the HOME project(s) or assistance that the housing services activity supports, and evidence that project(s) or assistance meet the HOME program income targeting requirements at 24 CFR 92.252 or 92.254.

(5) For each activity determined to benefit low and moderate income persons based on the creation of jobs, the recipient shall provide the documentation described in either paragraph (b)(5)(i) or (ii) of this section.
(1) Where the recipient chooses to document that at least 51 percent of the jobs will be available to low and moderate income persons, documentation for each assisted business shall include:

(A) A copy of a written agreement containing:

(I) A commitment by the business that it will make at least 51 percent of the jobs available to low and moderate income persons and will provide training for any of those jobs requiring special skills or education;

(II) A listing by job title of the permanent jobs to be created indicating which jobs will be available to low and moderate income persons, which jobs require special skills or education, and which jobs are part-time, if any; and

(III) A description of actions to be taken by the recipient and business to ensure that low and moderate income persons receive first consideration for those jobs; and

(B) A listing by job title of the permanent jobs filled, and which jobs of those were available to low and moderate income persons, and a description of how first consideration was given to such persons for those jobs. The description shall include what hiring process was used; which low and moderate income persons were interviewed for a particular job; and which low and moderate income persons were hired.

(ii) Where the recipient chooses to document that at least 51 percent of the jobs will be held by low and moderate income persons, documentation for each assisted business shall include:

(A) A copy of a written agreement containing:

(I) A commitment by the business that at least 51 percent of the jobs, on a full-time equivalent basis, will be held by low and moderate income persons; and

(II) A listing by job title of the permanent jobs to be created, identifying which are part-time; and

(III) A listing by job title of the permanent jobs filled and which jobs were initially held by low and moderate income persons; and

(C) For each such low and moderate income person hired, the size and annual income of the person’s family prior to the person being hired for the job.

(6) For each activity determined to benefit low and moderate income persons based on the retention of jobs:

(i) Evidence that in the absence of CDBG assistance jobs would be lost;

(ii) For each business assisted, a listing by job title of permanent jobs retained, indicating which of those jobs are part-time and (where it is known) which are held by low and moderate income persons at the time the CDBG assistance is provided. Where applicable, identification of any of the retained jobs (other than those known to be held by low and moderate income persons) which are projected to become available to low and moderate income persons through job turnover within two years of the time CDBG assistance is provided. Information upon which the job turnover projections were based shall also be included in the record;

(iii) For each retained job claimed to be held by a low and moderate income person, information on the size and annual income of the person’s family;

(iv) For jobs claimed to be available to low and moderate income persons based on job turnover, a description covering the items required for “available to” jobs in paragraph (b)(5) of this section; and

(v) Where jobs were claimed to be available to low and moderate income persons through turnover, a listing of each job which has turned over to date, indicating which of those jobs were either taken by, or available to, low and moderate income persons. For jobs made available, a description of how first consideration was given to such persons for those jobs shall also be included in the record.

(7) For purposes of documenting, pursuant to paragraph (b)(5)(i)(B), (b)(5)(ii)(C), (b)(6)(iii) or (b)(6)(v) of this section, that the person for whom a job was either filled by or made available to a low- or moderate-income person based upon the census tract where the person resides or in which the business is located, the recipient, in lieu of maintaining records showing the person’s family size and income, may substitute records showing either the person’s address at the time the determination of income status was made or
(12) For each activity determined to meet a community development need having a particular urgency:
(i) Documentation concerning the nature and degree of seriousness of the condition requiring assistance;
(ii) Evidence that the recipient certified that the CDBG activity was designed to address the urgent need;
(iii) Information on the timing of the development of the serious condition; and
(iv) Evidence confirming that other financial resources to alleviate the need were not available.
(c) Records that demonstrate that the recipient has made the determinations required as a condition of eligibility of certain activities, as prescribed in §§570.201(f), 570.201(i)(2), 570.201(p), 570.201(q), 570.202(b)(3), 570.206(f), 570.209, 570.210, and 570.309.
(d) Records which demonstrate compliance with §570.505 regarding any change of use of real property acquired or improved with CDBG assistance.
(e) Records that demonstrate compliance with the citizen participation requirements prescribed in 24 CFR part 91, subpart B, for entitlement recipients, or in 24 CFR part 91, subpart C, for HUD-administered small cities recipients.
(f) Records which demonstrate compliance with the requirements in §570.606 regarding acquisition, displacement, relocation, and replacement housing.
(g) Fair housing and equal opportunity records containing:
(1) Documentation of the analysis of impediments and the actions the recipient has carried out with its housing and community development and other resources to remedy or ameliorate any impediments to fair housing choice in the recipient’s community.
(2) Data on the extent to which each racial and ethnic group and single-headed households (by gender of household head) have applied for, participated in, or benefited from, any program or activity funded in whole or in part with CDBG funds. Such information shall be used only as a basis for further investigation as to compliance with nondiscrimination requirements. No recipient is required to attain or maintain any particular statistical
measure by race, ethnicity, or gender in covered programs.

(3) Data on employment in each of the recipient’s operating units funded in whole or in part with CDBG funds, with such data maintained in the categories prescribed on the Equal Employment Opportunity Commission’s EEO–4 form; and documentation of any actions undertaken to assure equal employment opportunities to all persons regardless of race, color, national origin, sex or handicap in operating units funded in whole or in part under this part.

(4) Data indicating the race and ethnicity of households (and gender of single heads of households) displaced as a result of CDBG funded activities, together with the address and census tract of the housing units to which each displaced household relocated. Such information shall be used only as a basis for further investigation as to compliance with nondiscrimination requirements. No recipient is required to attain or maintain any particular statistical measure by race, ethnicity, or gender in covered programs.

(5) Documentation of actions undertaken to meet the requirements of §570.607(b) which implements section 3 of the Housing Development Act of 1968, as amended (12 U.S.C. 1701U) relative to the hiring and training of low and moderate income persons and the use of local businesses.

(6) Data indicating the racial/ethnic character of each business entity receiving a contract or subcontract of $25,000 or more paid, or to be paid, with CDBG funds, data indicating which of those entities are women’s business enterprises as defined in Executive Order 12138, the amount of the contract or subcontract, and documentation of recipient’s affirmative steps to assure that minority business and women’s business enterprises have an equal opportunity to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. Such affirmative steps may include, but are not limited to, technical assistance open to all businesses but designed to enhance opportunities for these enterprises and special outreach efforts to inform them of contract opportunities. Such steps shall not include preferring any business in the award of any contract or subcontract solely or in part on the basis of race or gender.

(7) Documentation of the affirmative action measures the recipient has taken to overcome prior discrimination, where the courts or HUD have found that the recipient has previously discriminated against persons on the ground of race, color, national origin or sex in administering a program or activity funded in whole or in part with CDBG funds.

(h) Financial records, in accordance with the applicable requirements listed in §570.502, including source documentation for entities not subject to parts 84 and 85 of this title. Grantees shall maintain evidence to support how the CDBG funds provided to such entities are expended. Such documentation must include, to the extent applicable, invoices, schedules containing comparisons of budgeted amounts and actual expenditures, construction progress schedules signed by appropriate parties (e.g., general contractor and/or a project architect), and/or other documentation appropriate to the nature of the activity.

(i) Agreements and other records related to lump sum disbursements to private financial institutions for financing rehabilitation as prescribed in §570.513; and

(j) Records required to be maintained in accordance with other applicable laws and regulations set forth in subpart K of this part.

(Approved by the Office of Management and Budget under control number 2506–0077)

§570.507 Reports.

(a) Performance and evaluation report—(1) Entitlement grant recipients and HUD-administered small cities recipients in Hawaii. The annual performance and evaluation report shall be submitted in accordance with 24 CFR part 91.

(2) HUD-administered Small Cities recipients in New York, and Hawaii recipients for pre-FY 1995 grants—(1) Content.

§ 570.507 Reports.

(a) Performance and evaluation report—(1) Entitlement grant recipients and HUD-administered small cities recipients in Hawaii. The annual performance and evaluation report shall be submitted in accordance with 24 CFR part 91.

(2) HUD-administered Small Cities recipients in New York, and Hawaii recipients for pre-FY 1995 grants—(1) Content.
Each performance and evaluation report must contain completed copies of all forms and narratives prescribed by HUD, including a summary of the citizen comments received on the report.

(i) **Timing.** The performance and evaluation report on each grant shall be submitted:

(A) No later than October 31 for all grants executed before April 1 of the same calendar year. The first report should cover the period from the execution of the grant until September 30. Reports on grants made after March 31 of a calendar year will be due October 31 of the following calendar year, and the reports will cover the period of time from the execution of the grant until September 30 of the calendar year following grant execution. After the initial submission, the performance and evaluation report will be submitted annually on October 31 until completion of the activities funded under the grant;

(B) Hawaii grantees will submit their small cities performance and evaluation report for each pre-FY 1995 grant no later than 90 days after the completion of their most recent program year. After the initial submission, the performance and evaluation report will be submitted annually until completion of the activities funded under the grant; and

(C) No later than 90 days after the criteria for grant closeout, as described in §570.509(a), have been met.

(ii) **Citizen comments on the report.** Each recipient shall make copies of the performance and evaluation report available to its citizens in sufficient time to permit the citizens to comment on the report before its submission to HUD. Each recipient may determine the specific manner and times the report will be made available to citizens consistent with the preceding sentence.

(b) **Equal employment opportunity reports.** Recipients of entitlement grants or HUD-administered small cities grants shall submit to HUD each year a report (HUD/EEO–4) on recipient employment containing data as of June 30.

(c) **Minority business enterprise reports.** Recipients of entitlement grants, HUD-administered small cities grants or Urban Development Action Grants shall submit to HUD, by April 30, a report on contracts and subcontract activity during the first half of the fiscal year and by October 31 a report on such activity during the second half of the year.

(d) **Other reports.** Recipients may be required to submit such other reports and information as HUD determines are necessary to carry out its responsibilities under the Act or other applicable laws.

(Approved by the Office of Management and Budget under control numbers 2506–0077 for paragraph (a) and 2529–0008 for paragraph (b) and 2506–0066 for paragraph (c))

§ 570.508 Public access to program records.

Notwithstanding 24 CFR 85.42(f), recipients shall provide citizens with reasonable access to records regarding the past use of CDBG funds, consistent with applicable State and local laws regarding privacy and obligations of confidentiality.

§ 570.509 Grant closeout procedures.

(a) **Criteria for closeout.** A grant will be closed out when HUD determines, in consultation with the recipient, that the following criteria have been met:

(1) All costs to be paid with CDBG funds have been incurred, with the exception of closeout costs (e.g., audit costs) and costs resulting from contingent liabilities described in the closeout agreement pursuant to paragraph (c) of this section. Contingent liabilities include, but are not limited to, third-party claims against the recipient, as well as related administrative costs.

(2) With respect to activities (such as rehabilitation of privately owned properties) which are financed by means of escrow accounts, loan guarantees, or similar mechanisms, the work to be assisted with CDBG funds (but excluding program income) has actually been completed.

(3) Other responsibilities of the recipient under the grant agreement and applicable laws and regulations appear to have been carried out satisfactorily.
or there is no further Federal interest in keeping the grant agreement open for the purpose of securing performance.

(b) Closeout actions. (1) Within 90 days of the date it is determined that the criteria for closeout have been met, the recipient shall submit to HUD a copy of the final performance and evaluation report described in 24 CFR part 91. If an acceptable report is not submitted, an audit of the recipient’s grant activities may be conducted by HUD.

(2) Based on the information provided in the performance report and other relevant information, HUD, in consultation with the recipient, will prepare a closeout agreement in accordance with paragraph (c) of this section.

(3) HUD will cancel any unused portion of the awarded grant, as shown in the signed grant closeout agreement. Any unused grant funds disbursed from the U.S. Treasury which are in the possession of the recipient shall be refunded to HUD.

(4) Any costs paid with CDBG funds which were not audited previously shall be subject to coverage in the recipient’s next single audit performed in accordance with 24 CFR part 44. The recipient may be required to repay HUD any disallowed costs based on the results of the audit, or on additional HUD reviews provided for in the closeout agreement.

(c) Closeout agreement. Any obligations remaining as of the date of the closeout shall be covered by the terms of a closeout agreement. The agreement shall be prepared by the HUD field office in consultation with the recipient. The agreement shall identify the grant being closed out, and include provisions with respect to the following:

(1) Identification of any closeout costs or contingent liabilities subject to payment with CDBG funds after the closeout agreement is signed;

(2) Identification of any unused grant funds to be canceled by HUD;

(3) Identification of any program income on deposit in financial institutions at the time the closeout agreement is signed;

(4) Description of the recipient’s responsibility after closeout for:

(i) Compliance with all program requirements, certifications and assurances in using program income on deposit at the time the closeout agreement is signed and in using any other remaining CDBG funds available for closeout costs and contingent liabilities;

(ii) Use of real property assisted with CDBG funds in accordance with the principles described in §570.505;

(iii) Compliance with requirements governing program income received subsequent to grant closeout, as described in §570.504(b)(4) and (5); and

(iv) Ensuring that flood insurance coverage for affected property owners is maintained for the mandatory period;

(5) Other provisions appropriate to any special circumstances of the grant closeout, in modification of or in addition to the obligations in paragraphs (c)(1) through (4) of this section. The agreement shall authorize monitoring by HUD, and shall provide that findings of noncompliance may be taken into account by HUD, as unsatisfactory performance of the recipient, in the consideration of any future grant award under this part.

(d) Status of consolidated plan after closeout. Unless otherwise provided in a closeout, the Consolidated Plan will remain in effect after closeout until the expiration of the program year covered by the last approved consolidated plan.

(e) Termination of grant for convenience. Grant assistance provided under this part may be terminated for convenience in whole or in part before the completion of the assisted activities, in accordance with the provisions of 24 CFR §5.44. The recipient shall not incur new obligations for the terminated portions after the effective date, and shall cancel as many outstanding obligations as possible. HUD shall allow full credit to the recipient for those portions of obligations which could not be canceled and which had been properly incurred by the recipient in carrying out the activities before the termination. The closeout policies contained in this section shall apply in such cases, except where the approved grant is terminated in its entirety. Responsibility for the environmental review to
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD § 570.511

be performed under 24 CFR part 50 or 24 CFR part 58, as applicable, shall be determined as part of the closeout process.

(f) Termination for cause. In cases in which the Secretary terminates the recipient’s grant under the authority of subpart O of this part, or under the terms of the grant agreement, the closeout policies contained in this section shall apply, except where the approved grant is cancelled in its entirety. The provisions in 24 CFR 85.43(c) on the effects of termination shall also apply. HUD shall determine whether an environmental assessment or finding of inapplicability is required, and if such review is required, HUD shall perform it in accordance with 24 CFR part 50.

§ 570.510 Transferring projects from urban counties to metropolitan cities.

Section 106(c)(3) of the Act authorizes the Secretary to transfer unobligated grant funds from an urban county to a new metropolitan city, provided: the city was an included unit of general local government in the urban county immediately before its qualification as a metropolitan city; the funds to be transferred were received by the county before the qualification of the city as a metropolitan city; the funds to be transferred had been programmed by the urban county for use in the city before such qualification; and the city and county agree to transfer responsibility for all expenditures and unliquidated obligations associated with the activities before the time of transfer, including a statement that responsibility for all audit and monitoring findings associated with those expenditures and obligations shall remain with the county:

(4) The responsibility of the metropolitan city for all other audit and monitoring findings;

(5) How program income (if any) from the activities specified shall be divided between the metropolitan city and the urban county; and

(6) Such other provisions as may be required by HUD.

(b) Upon receipt of a request for the transfer of funds from an urban county to a metropolitan city and a copy of the executed agreement, HUD, in consultation with the Department of the Treasury, shall establish a date upon which the funds shall be transferred from the letter of credit of the urban county to the letter of credit of the metropolitan city, and shall take all necessary actions to effect the requested transfer of funds.

(c) HUD shall notify the metropolitan city and urban county of any special audit and monitoring rules which apply to the transferred funds when the date of the transfer is communicated to the city and the county.

§ 570.511 Use of escrow accounts for rehabilitation of privately owned residential property.

(a) Limitations. A recipient may withdraw funds from its letter of credit for immediate deposit into an escrow account for use in funding loans and grants for the rehabilitation of privately owned residential property under § 570.202(a)(1). The following additional limitations apply to the use of escrow accounts for residential rehabilitation loans and grants closed after September 7, 1990:

(1) The use of escrow accounts under this section is limited to loans and grants for the rehabilitation of primarily residential properties containing no more than four dwelling units (and accessory neighborhood-scale non-residential space within the same structure, if any, e.g., a storefront below a dwelling unit).
§ 570.512 24 CFR Ch. V (4–1–13 Edition)

(2) An escrow account shall not be used unless the contract between the property owner and the contractor selected to do the rehabilitation work specifically provides that payment to the contractor shall be made through an escrow account maintained by the recipient, by a subrecipient as defined in §570.500(c), by a public agency designated under §570.501(a), or by an agent under a procurement contract governed by the requirements of 24 CFR 85.36. No deposit to the escrow account shall be made until after the contract has been executed between the property owner and the rehabilitation contractor.

(3) All funds withdrawn under this section shall be deposited into one interest earning account with a financial institution. Separate bank accounts shall not be established for individual loans and grants.

(4) The amount of funds deposited into an escrow account shall be limited to the amount expected to be disbursed within 10 working days from the date of deposit. If the escrow account, for whatever reason, at any time contains funds exceeding 10 days cash needs, the grantee immediately shall transfer the excess funds to its program account. In the program account, the excess funds shall be treated as funds erroneously drawn in accordance with the requirements of U.S. Treasury Financial Manual, paragraph 6–2075.30.

(5) Funds deposited into an escrow account shall be used only to pay the actual costs of rehabilitation incurred by the owner under the contract with a private contractor. Other eligible costs related to the rehabilitation loan or grant, e.g., the recipient’s administrative costs under §570.206 or rehabilitation services costs under §570.202(b)(9), are not permissible uses of escrowed funds. Such other eligible rehabilitation costs shall be paid under normal CDBG payment procedures (e.g., from withdrawals of grant funds under the recipient’s letter of credit with the Treasury).

(b) Interest. Interest earned on escrow accounts established in accordance with this section, less any service charges for the account, shall be remitted to HUD at least quarterly but not more frequently than monthly. Interest earned on escrow accounts is not required to be remitted to HUD to the extent the interest is attributable to the investment of program income.

(c) Remedies for noncompliance. If HUD determines that a recipient has failed to use an escrow account in accordance with this section, HUD may, in addition to imposing any other sanctions provided for under this part, require the recipient to discontinue the use of escrow accounts, in whole or in part.

[55 FR 32369, Aug. 8, 1990]

§ 570.512 [Reserved]

§ 570.513 Lump sum drawdown for financing of property rehabilitation activities.

Subject to the conditions prescribed in this section, recipients may draw funds from the letter of credit in a lump sum to establish a rehabilitation fund in one or more private financial institutions for the purpose of financing the rehabilitation of privately owned properties. The fund may be used in conjunction with various rehabilitation financing techniques, including loans, interest subsidies, loan guarantees, loan reserves, or such other uses as may be approved by HUD consistent with the objectives of this section. The fund may also be used for making grants, but only for the purpose of leveraging non-CDBG funds for the rehabilitation of the same property.

(a) Limitation on drawdown of grant funds. (1) The funds that a recipient deposits to a rehabilitation fund shall not exceed the grant amount that the recipient reasonably expects will be required, together with anticipated program income from interest and loan repayments, for the rehabilitation activities during the period specified in the agreement to undertake activities, based on either:

(i) Prior level of rehabilitation activity; or

(ii) Rehabilitation staffing and management capacity during the period specified in the agreement to undertake activities.

(2) No grant funds may be deposited under this section solely for the purpose of investment, notwithstanding that the interest or other income is to
be used for the rehabilitation activities.

(3) The recipient’s rehabilitation program administrative costs and the administrative costs of the financial institution may not be funded through lump sum drawdown. Such costs must be paid from periodic letter of credit withdrawals in accordance with standard procedures or from program income, other than program income generated by the lump sum distribution.

(b) Standards to be met. The following standards shall apply to all lump sum drawdowns of CDBG funds for rehabilitation:

(1) Eligible rehabilitation activities. The rehabilitation fund shall be used to finance the rehabilitation of privately owned properties eligible under the general policies in §570.200 and the specific provisions of either §570.202, including the acquisition of properties for rehabilitation, or §570.203.

(2) Requirements for agreement. The recipient shall execute a written agreement with one or more private financial institutions for the operation of the rehabilitation fund. The agreement shall specify the obligations and responsibilities of the parties, the terms and conditions on which CDBG funds are to be deposited and used or returned, the anticipated level of rehabilitation activities by the financial institution, the rate of interest and other benefits to be provided by the financial institution in return for the lump sum deposit, and such other terms as are necessary for compliance with the provisions of this section. Upon execution of the agreement, a copy must be provided to the HUD field office for its record and use in monitoring. Any modifications made during the term of the agreement must also be provided to HUD.

(3) Period to undertake activities. The agreement must provide that the rehabilitation fund may only be used for authorized activities during a period of no more than two years. The lump sum deposit shall be made only after the agreement is fully executed.

(4) Time limit on use of deposited funds. Use of the deposited funds for rehabilitation financing assistance must start (e.g., first loan must be made, subsidized or guaranteed) within 45 days of the deposit. In addition, substantial disbursements from the fund must occur within 180 days of the receipt of the deposit. (Where CDBG funds are used as a guarantee, the funds that must be substantially disbursed are the guaranteed funds.) For a recipient with an agreement specifying two years to undertake activities, the disbursement of 25 percent of the fund (deposit plus any interest earned) within 180 days will be regarded as meeting this requirement. If a recipient with an agreement specifying two years to undertake activities determines that it has had substantial disbursement from the fund within the 180 days although it had not met this 25 percent threshold, the justification for the recipient’s determination shall be included in the program file. Should use of deposited funds not start within 45 days, or substantial disbursement from such fund not occur within 180 days, the recipient may be required by HUD to return all or part of the deposited funds to the recipient’s letter of credit.

(5) Program activity. Recipients shall review the level of program activity on a yearly basis. Where activity is substantially below that anticipated, program funds shall be returned to the recipient’s letter of credit.

(6) Termination of agreement. In the case of substantial failure by a private financial institution to comply with the terms of a lump sum drawdown agreement, the recipient shall terminate its agreement, provide written justification for the action, withdraw all unobligated deposited funds from the private financial institution, and return the funds to the recipient’s letter of credit.

(7) Return of unused deposits. At the end of the period specified in the agreement for undertaking activities, all unobligated deposited funds shall be returned to the recipient’s letter of credit unless the recipient enters into a new agreement conforming to the requirements of this section. In addition, the recipient shall reserve the right to withdraw any unobligated deposited funds required by HUD in the exercise of corrective or remedial actions authorized under §570.910(b), §570.911, §570.912 or §570.913.
(8) Rehabilitation loans made with non-CDBG funds. If the deposited funds or program income derived from deposited funds are used to subsidize or guarantee repayment of rehabilitation loans made with non-CDBG funds, or to provide a supplemental loan or grant to the borrower of the non-CDBG funds, the rehabilitation activities are considered to be CDBG-assisted activities subject to the requirements applicable to such activities, except that repayment of non-CDBG funds shall not be treated as program income.

(9) Provision of consideration. In consideration for the lump sum deposit by the recipient in a private financial institution, the deposit must result in appropriate benefits in support of the recipient’s local rehabilitation program. Minimum requirements for such benefits are:

(i) Grantees shall require the financial institution to pay interest on the lump sum deposit.

(A) The interest rate paid by the financial institution shall be no more than three points below the rate on one year Treasury obligations at constant maturity.

(B) When an agreement sets a fixed interest rate for the entire term of the agreement, the rate should be based on the rate at the time the agreement is executed.

(C) The agreement may provide for an interest rate that would fluctuate periodically during the term of the agreement, but at no time shall the rate be established at more than three points below the rate on one year Treasury obligations at constant maturity.

(ii) In addition to the payment of interest, at least one of the following benefits must be provided by the financial institution:

(A) Leverage of the deposited funds so that the financial institution commits private funds for loans in the rehabilitation program in an amount substantially in excess of the amount of the lump sum deposit;

(B) Commitment of private funds by the financial institution for rehabilitation loans at below market interest rates, at higher than normal risk, or with longer than normal repayment periods; or

(C) Provision of administrative services in support of the rehabilitation program by the participating financial institution at no cost or at lower than actual cost.

(c) Program income. Interest earned on lump sum deposits and payments on loans made from such deposits are program income and, during the period of the agreement, shall be used for rehabilitation activities under the provisions of this section.

(d) Outstanding findings. Notwithstanding any other provision of this section, no recipient shall enter into a new agreement during any period of time in which an audit or monitoring finding on a previous lump sum drawdown agreement remains unresolved.

(e) Prior notification. The recipient shall provide the HUD field office with written notification of the amount of funds to be distributed to a private financial institution before distribution under the provisions of this section.

(f) Recordkeeping requirements. The recipient shall maintain in its files a copy of the written agreement and related documents establishing conformance with this section and concerning performance by a financial institution in accordance with the agreement.

Subpart K—Other Program Requirements

SOURCE: 53 FR 34456, Sept. 6, 1988, unless otherwise noted.

§ 570.600 General.

(a) This subpart K enumerates laws that the Secretary will treat as applicable to grants made under section 106 of the Act, other than grants to states made pursuant to section 106(d) of the Act, for purposes of the Secretary’s determinations under section 104(e)(1) of the Act, including statutes expressly made applicable by the Act and certain other statutes and Executive Orders for which the Secretary has enforcement responsibility. This subpart K applies to grants made under the Insular Areas Program in §570.405 and §570.440 with the exception of §570.612. The absence of mention herein of any other statute for which the Secretary does not have direct enforcement responsibility is
§ 570.604 Environmental standards.

For purposes of section 104(g) of the Act, the regulations in 24 CFR part 58 specify the other provisions of law not intended to be taken as an indication that, in the Secretary's opinion, such statute or Executive Order is not applicable to activities assisted under the Act. For laws that the Secretary will treat as applicable to grants made to states under section 106(d) of the Act for purposes of the determination required to be made by the Secretary pursuant to section 104(e)(2) of the Act, see §570.487.

(b) This subpart also sets forth certain additional program requirements which the Secretary has determined to be applicable to grants provided under the Act as a matter of administrative discretion.

(c) In addition to grants made pursuant to section 106(b) and 106(d)(2)(B) of the Act (subparts D and F, respectively), the requirements of this subpart K are applicable to grants made pursuant to sections 107 and 119 of the Act (subparts E and G, respectively), and to loans guaranteed pursuant to subpart M.

§ 570.602 Section 109 of the Act.

Section 109 of the Act requires that no person in the United States shall on the grounds of race, color, national origin, religion, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance made available pursuant to the Act. Section 109 also directs that the prohibitions against discrimination on the basis of age under the Age Discrimination Act and the prohibitions against discrimination on the basis of disability under Section 504 shall apply to programs or activities receiving Federal financial assistance under Title I programs. The policies and procedures necessary to ensure enforcement of section 109 are codified in 24 CFR part 6.

§ 570.603 Labor standards.

(a) Section 110(a) of the Act contains labor standards that apply to nonvolunteer labor financed in whole or in part with assistance received under the Act. In accordance with section 110(a) of the Act, the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) also applies. However, these requirements apply to the rehabilitation of residential property only if such property contains not less than 8 units.

(b) The regulations in 24 CFR part 70 apply to the use of volunteers.

§ 570.604 Environmental standards.

For purposes of section 104(g) of the Act, the regulations in 24 CFR part 58 specify the other provisions of law...
which further the purposes of the National Environmental Policy Act of 1969, and the procedures by which grantees must fulfill their environmental responsibilities. In certain cases, grantees assume these environmental review, decisionmaking, and action responsibilities by execution of grant agreements with the Secretary.

[61 FR 11477, Mar. 20, 1996]

§ 570.605 National Flood Insurance Program.

Notwithstanding the date of HUD approval of the recipient’s application (or, in the case of grants made under subpart D of this part or HUD-administered small cities recipients in Hawaii, the date of submission of the grantee’s consolidated plan, in accordance with 24 CFR part 91), section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4106) and the regulations in 44 CFR parts 59 through 79 apply to funds provided under this part 570.

[61 FR 11477, Mar. 20, 1996]

§ 570.606 Displacement, relocation, acquisition, and replacement of housing.

(a) General policy for minimizing displacement. Consistent with the other goals and objectives of this part, grantees (or States or state recipients, as applicable) shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of activities assisted under this part.

(b) Relocation assistance for displaced persons at URA levels. (1) A displaced person shall be provided with relocation assistance at the levels described in, and in accordance with the requirements of 49 CFR part 24, which contains the government-wide regulations implementing the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655).

(2) Displaced person. (i) For purposes of paragraph (b) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves his or her personal property from real property, permanently and involuntarily, as a direct result of rehabilitation, demolition, or acquisition for an activity assisted under this part. A permanent, involuntary move for an assisted activity includes a permanent move from real property that is made:

(A) After notice by the grantee (or the state recipient, if applicable) to move permanently from the property, if the move occurs after the initial official submission to HUD (or the State, as applicable) for grant, loan, or loan guarantee funds under this part that are later provided or granted.

(B) After notice by the property owner to move permanently from the property, if the move occurs after the date of the submission of a request for financial assistance by the property owner (or person in control of the site) that is later approved for the requested activity.

(C) Before the date described in paragraph (b)(2)(i)(A) or (B) of this section, if either HUD or the grantee (or State, as applicable) determines that the displacement directly resulted from acquisition, rehabilitation, or demolition for the requested activity.

(D) After the “initiation of negotiations” if the person is the tenant-occupant of a dwelling unit and any one of the following three situations occurs:

(1) The tenant has not been provided with a reasonable opportunity to lease and occupy a suitable decent, safe, and sanitary dwelling in the same building/complex upon the completion of the project, including a monthly rent that does not exceed the greater of the tenant’s monthly rent and estimated average utility costs before the initiation of negotiations or 30 percent of the household’s average monthly gross income; or

(2) The tenant is required to relocate temporarily for the activity but the tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary location and any increased housing costs, or other conditions of the temporary relocation are not reasonable; and the tenant does not return to the building/complex; or
(3) The tenant is required to move to another unit in the building/complex, but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move.

   (i) Notwithstanding the provisions of paragraph (b)(2)(i) of this section, the term “displaced person” does not include:

   (A) A person who is evicted for cause based upon serious or repeated violations of material terms of the lease or occupancy agreement. To exclude a person on this basis, the grantee (or State or state recipient, as applicable) must determine that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance under this section;

   (B) A person who moves into the property after the date of the notice described in paragraph (b)(2)(i)(A) or (B) of this section, but who received a written notice of the expected displacement before occupancy;

   (C) A person who is not displaced as described in 49 CFR 24.2(g)(2).

   (D) A person who is not displaced as described in 49 CFR 24.2(g)(2).

   (ii) Following the provisions of paragraph (b)(2)(i) of this section, the term “displaced person” does not include:

   (A) A person who is evicted for cause based upon serious or repeated violations of material terms of the lease or occupancy agreement. To exclude a person on this basis, the grantee (or State or state recipient, as applicable) must determine that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance under this section;

   (B) A person who moves into the property after the date of the notice described in paragraph (b)(2)(i)(A) or (B) of this section, but who received a written notice of the expected displacement before occupancy;

   (C) A person who is not displaced as described in 49 CFR 24.2(g)(2).

   (D) A person who the grantee (or State, as applicable) determines is not displaced as a direct result of the acquisition, rehabilitation, or demolition for an assisted activity. To exclude a person on this basis, HUD must concur in that determination.

   (iii) A grantee (or State or state recipient, as applicable) may, at any time, request HUD to determine whether a person is a displaced person under this section.

(3) Initiation of negotiations. For purposes of determining the type of replacement housing assistance to be provided under paragraph (b) of this section, if the displacement is the direct result of privately undertaken rehabilitation, demolition, or acquisition of real property, the term “initiation of negotiations” means the execution of the grant or loan agreement between the grantee (or State or state recipient, as applicable) and the person owning or controlling the real property.

(c) Residential antidisplacement and relocation assistance plan. The grantee shall comply with the requirements of 24 CFR part 42, subpart B.

(d) Optional relocation assistance. Under section 105(a)(11) of the Act, the grantee may provide (or the State may permit the state recipient to provide, as applicable) relocation payments and other relocation assistance to persons displaced by activities that are not subject to paragraph (b) or (c) of this section. The grantee may also provide (or the State may also permit the state recipient to provide, as applicable) relocation assistance to persons receiving assistance under paragraphs (b) or (c) of this section at levels in excess of those required by these paragraphs. Unless such assistance is provided under State or local law, the grantee (or state recipient, as applicable) shall provide such assistance only upon the basis of a written determination that the assistance is appropriate (see, e.g., 24 CFR 570.201(i), as applicable). The grantee (or state recipient, as applicable) must adopt a written policy available to the public that describes the relocation assistance that the grantee (or state recipient, as applicable) has elected to provide and that provides for equal relocation assistance within each class of displaced persons.

(e) Acquisition of real property. The acquisition of real property for an assisted activity is subject to 49 CFR part 24, subpart B.

(f) Appeals. If a person disagrees with the determination of the grantee (or the state recipient, as applicable) concerning the person’s eligibility for, or the amount of, a relocation payment under this section, the person may file a written appeal of that determination with the grantee (or state recipient, as applicable). The appeal procedures to be followed are described in 49 CFR 24.10. In addition, a low- or moderate-income household that has been displaced from a dwelling may file a written request for review of the grantee’s decision to the HUD Field Office. For purposes of the State CDBG program, a low- or moderate-income household may file a written request for review of the state recipient’s decision with the State.

(g) Responsibility of grantee or State. (1) The grantee (or State, if applicable) is responsible for ensuring compliance with the requirements of this section, notwithstanding any third party’s contractual obligation to the grantee to comply with the provisions of this section. For purposes of the State CDBG
program, the State shall require state recipients to certify that they will comply with the requirements of this section.

(2) The cost of assistance required under this section may be paid from local public funds, funds provided under this part, or funds available from other sources.

(3) The grantee (or State and state recipient, as applicable) must maintain records in sufficient detail to demonstrate compliance with the provisions of this section.

(Approved by the Office of Management and Budget under OMB control number 2506–0102)

§570.607 Employment and contracting opportunities.

To the extent that they are otherwise applicable, grantees shall comply with:

(b) Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR part 135.

[68 FR 56405, Sept. 30, 2003]

§570.608 Lead-based paint.

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this part apply to activities under this program.

[64 FR 50226, Sept. 15, 1999]

§570.609 Use of debarred, suspended or ineligible contractors or sub-recipients.

The requirements set forth in 24 CFR part 5 apply to this program.

[61 FR 5209, Feb. 9, 1996]

§570.610 Uniform administrative requirements and cost principles.

The recipient, its agencies or instrumentalities, and subrecipients shall comply with the policies, guidelines, and requirements of 24 CFR part 85 and OMB Circulars A–87, A–110 (implemented at 24 CFR part 84), A–122, A–133 (implemented at 24 CFR part 45), and A–128 (implemented at 24 CFR part 44), as applicable, as they relate to the acceptance and use of Federal funds under this part. The applicable sections of 24 CFR parts 85 and 85 are set forth at §570.502.

[60 FR 56916, Nov. 9, 1995]

§570.611 Conflict of interest.

(a) Applicability. (1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply.

(2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to §570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to §570.203, 570.204, 570.455, or 570.703(i)).

(b) Conflicts prohibited. The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decisionmaking process or gain inside information with regard to such

2See footnote 1 at §570.200(a)(5).
activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For the UDAG program, the above restrictions shall apply to all activities that are a part of the UDAG project, and shall cover any such financial interest or benefit during, or at any time after, such person’s tenure.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient, or any designated public agency, or of subrecipients that are receiving funds under this part.

(d) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

1. Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

(i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
(ii) An opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

2. Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient’s program or project, taking into account the cumulative effect of the following factors, as applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
(ii) Whether an opportunity was provided for open competitive bidding or negotiation;
(iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;
(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;
(vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
(vii) Any other relevant considerations.

[60 FR 56916, Nov. 9, 1995]

§ 570.612 Executive Order 12372.

(a) General. Executive Order 12372, Intergovernmental Review of Federal Programs, and the Department’s implementing regulations at 24 CFR part 52, allow each State to establish its own process for review and comment on proposed Federal financial assistance programs.

(b) Applicability. Executive Order 12372 applies to the CDBG Entitlement program and the UDAG program. The Executive Order applies to all activities proposed to be assisted under UDAG, but it applies to the Entitlement program only where a grantee proposes to use funds for the planning or construction (reconstruction or installation) of water or sewer facilities. Such facilities include storm sewers as well as all sanitary sewers, but do not
§ 570.613 Eligibility restrictions for certain resident aliens.

(a) Restriction. Certain newly legalized aliens, as described in 24 CFR part 49, are not eligible to apply for benefits under covered activities funded by the programs listed in paragraph (e) of this section. “Benefits” under this section means financial assistance, public services, jobs and access to new or rehabilitated housing and other facilities made available under covered activities funded by programs listed in paragraph (e) of this section. “Benefits” do not include relocation services and payments to which displacees are entitled by law.

(b) Covered activities. “Covered activities” under this section means activities meeting the requirements of §570.208(a) that either:

(1) Have income eligibility requirements limiting the benefits exclusively to low and moderate income persons; or

(2) Are targeted geographically or otherwise to primarily benefit low and moderate income persons (excluding activities serving the public at large, such as sewers, roads, sidewalks, and parks), and that provide benefits to persons on the basis of an application.

(c) Limitation on coverage. The restrictions under this section apply only to applicants for new benefits not being received by covered resident aliens as of the effective date of this section.

(d) Compliance. Compliance can be accomplished by obtaining certification as provided in 24 CFR 49.20.

(e) Programs affected. (1) The Community Development Block Grant program for small cities, administered under subpart F of part 570 of this title until closeout of the unit of general local government’s grant by the State.

(2) The Community Development Block Grant program for entitlement grants, administered under subpart D of part 570 of this title.

(3) The Community Development Block Grant program for States, administered under subpart I of part 570 of this title until closeout of the unit of general local government’s grant by the State.

(4) The Urban Development Action Grants program, administered under subpart G of part 570 of this title until closeout of the recipient’s grant.

[55 FR 18494, May 2, 1990]

§ 570.614 Architectural Barriers Act and the Americans with Disabilities Act.

(a) The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 CFR 40.2 or the definition of “building” as defined in 41 CFR 101–19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101–19, subpart 101–19.6, for general type buildings).

(b) The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishing and able to be carried out without much difficulty or expense.

[60 FR 56917, Nov. 9, 1995]
Subpart L [Reserved]

Subpart M—Loan Guarantees

SOURCE: 59 FR 66604, Dec. 27, 1994, unless otherwise noted.

§ 570.700 Purpose.

This subpart contains requirements governing the guarantee under section 108 of the Act of debt obligations as defined in § 570.701.

§ 570.701 Definitions.

Borrower means the public entity or its designated public agency or the State that issues debt obligations under this subpart.

Debt obligation means a promissory note or other obligation issued by a public entity or its designated public agency or by a State and guaranteed by HUD under this subpart, or a trust certificate or other obligation offered by HUD or by a trust or other offeror approved for purposes of this subpart by HUD, which is guaranteed by HUD under this subpart and is based on and backed by a trust or pool composed of notes or other obligations issued by public entities or their designated public agencies or by States and guaranteed or eligible for guarantee by HUD under this subpart.

Designated public agency means a public agency designated by a public entity to issue debt obligations as borrower under this subpart.

Entitlement public entity means a metropolitan city or an urban county receiving a grant under subpart D of this part.

Guaranteed loan funds means the proceeds payable to the borrower from the issuance of debt obligations under this subpart and includes funds received by a nonentitlement public entity from a State under § 570.711.

Nonentitlement public entity means any unit of general local government in a nonentitlement area.

Public entity shall have the meaning provided for the term “Eligible public entity” in section 108(o) of the Act.

State-assisted public entity means a unit of general local government in a nonentitlement area which is assisted by a State as required in § 570.704(b)(9) and § 570.705(b)(2) or pursuant to § 570.711.

§ 570.702 Eligible applicants.

The following public entities may apply for loan guarantee assistance under this subpart.

(a) Entitlement public entities.

(b) Nonentitlement public entities that are assisted in the submission of applications by States that administer the CDBG program (under subpart I of this part). Such assistance shall consist, at a minimum, of the certifications required under § 570.704(b)(9) and actions pursuant thereto.

(c) Nonentitlement public entities eligible to apply for grant assistance under subpart F of this part.

§ 570.703 Eligible activities.

Guaranteed loan funds may be used for the following activities, provided such activities meet the requirements of § 570.200. However, guaranteed loan funds may not be used to reimburse the CDBG program account or line of credit for costs incurred by the public entity or designated public agency and paid with CDBG grant funds or program income.

(a) Acquisition of improved or unimproved real property in fee or by long-term lease, including acquisition for economic development purposes.

(b) Rehabilitation of real property owned or acquired by the public entity or its designated public agency.

(c) Payment of interest on obligations guaranteed under this subpart.

(d) Relocation payments and other relocation assistance for individuals, families, businesses, nonprofit organizations, and farm operations who must relocate permanently or temporarily as a result of an activity financed with guaranteed loan funds, where the assistance is:

(1) Required under the provisions of § 570.606(b) or (c); or

(2) Determined by the public entity to be appropriate under the provisions of § 570.606(d).

(e) Clearance, demolition, and removal, including movement of structures to other sites and remediation of
properties with known or suspected environmental contamination, of buildings and improvements on real property acquired or rehabilitated pursuant to paragraphs (a) and (b) of this section. Remediation may include project-specific environmental assessment costs not otherwise eligible under §570.205.

(f) Site preparation, including construction, reconstruction, installation of public and other site improvements, utilities or facilities (other than buildings) remediation of properties (remediation can include project-specific environmental assessment costs not otherwise eligible under §570.205) with known or suspected environmental contamination, which is:

(1) Related to the redevelopment or use of the real property acquired or rehabilitated pursuant to paragraphs (a) and (b) of this section, or

(2) For an economic development purpose.

(g) Payment of issuance, underwriting, servicing, trust administration and other costs associated with private sector financing of debt obligations under this subpart.

(h) Housing rehabilitation eligible under §570.202.

(i) The following economic development activities:

(1) Activities eligible under §570.203; and

(2) Community economic development projects eligible under §570.204.

(j) Construction of housing by nonprofit organizations for homeownership under section 17(d) of the United States Housing Act of 1937 (Housing Development Grants Program, 24 CFR part 850) or title VI of the Housing and Community Development Act of 1987 (Nehemiah Housing Opportunity Grants Program, 24 CFR part 280).

(k) A debt service reserve to be used in accordance with requirements specified in the contract entered into pursuant to §570.705(b)(1).

(l) Acquisition, construction, reconstruction, rehabilitation or historic preservation, or installation of public facilities (except for buildings for the general conduct of government) to the extent eligible under §570.201(c), including public streets, sidewalks, other site improvements and public utilities, and remediation of known or suspected environmental contamination in conjunction with these activities. Remediation may include project-specific environmental assessment costs not otherwise eligible under §570.205.

(m) In the case of applications by public entities which are, or which contain, “colonias” as defined in section 916 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 5306 note), as amended by section 810 of the Housing and Community Development Act of 1992, acquisition of, construction, reconstruction, rehabilitation or installation of public works and site or other improvements which serve the colonia.

§ 570.704 Application requirements.

(a) Presubmission and citizen participation requirements. (1) Before submission of an application for loan guarantee assistance to HUD, the public entity must:

(A) The community development objectives the public entity proposes to pursue with the guaranteed loan funds.

(B) The activities the public entity proposes to carry out with the guaranteed loan funds. Each activity must be described in sufficient detail, including the specific provision of §570.703 under which it is eligible and the national objective to be met, amount of guaranteed loan funds expected to be used, and location, to allow citizens to determine the degree to which they will be affected. The proposed application must indicate which activities are expected to generate program income.

(C) A description of the pledge of grants required under §570.705(b)(2). In the case of applications by State-assisted public entities, the description shall note that pledges of grants will be made by the State and by the public entity.

(ii) Fulfill the applicable requirements in its citizen participation plan.
developed in accordance with §570.704(a)(2).

(iii) Publish community-wide its proposed application so as to afford affected citizens an opportunity to examine the application’s contents and to provide comments on the proposed application.

(iv) Prepare its final application. Once the public entity has held the public hearing and published the proposed application as required by paragraphs (a)(1)(ii) and (iii) of this section, respectively, the public entity must consider any such comments and views received and, if the public entity deems appropriate, modify the proposed application. Upon completion, the public entity must make the final application available to the public. The final application must describe each activity in sufficient detail to permit a clear understanding of the nature of each activity, as well as identify the specific provision of §570.703 under which it is eligible, the national objective to be met, and the amount of guaranteed loan funds to be used. The final application must also indicate which activities are expected to generate program income.

(v) If an application for loan guarantee assistance is to be submitted by an entitlement or nonentitlement public entity simultaneously with the public entity’s submission for its grant, the public entity shall include and identify in its proposed and final consolidated plan the activities to be undertaken with the guaranteed loan funds, the national objective to be met by each of these activities, the amount of any program income expected to be received during the program year, and the amount of guaranteed loan funds to be used. The public entity shall also include in the consolidated plan a description of the pledge of grants, as required under §570.705(b)(2). In such cases the proposed and final application requirements of paragraphs (a)(1)(i), (iii), and (iv) of this section will be deemed to have been met.

(2) Citizen participation plan. The public entity must develop and follow a detailed citizen participation plan and make the plan public. The plan must be completed and available before the application is submitted to HUD. The plan may be the citizen plan required for the consolidated plan, modified to include guaranteed loan funds. The public entity is not required to hold a separate public hearing for its consolidated plan and for the guaranteed loan funds to obtain citizens’ views on community development and housing needs. The plan must set forth the public entity’s policies and procedures for:

(i) Giving citizens timely notice of local meetings and reasonable and timely access to local meetings, information, and records relating to the public entity’s proposed and actual use of guaranteed loan funds, including, but not limited to:

(A) The amount of guaranteed loan funds expected to be made available for the coming year, including program income anticipated to be generated by the activities carried out with guaranteed loan funds;

(B) The range of activities that may be undertaken with guaranteed loan funds;

(C) The estimated amount of guaranteed loan funds (including program income derived therefrom) proposed to be used for activities that will benefit low and moderate income persons;

(D) The proposed activities likely to result in displacement and the public entity’s plans, consistent with the policies developed under §570.606 for minimizing displacement of persons as a result of its proposed activities.

(ii) Providing technical assistance to groups representative of persons of low and moderate income that request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of the public entity. Such assistance need not include the provision of funds to such groups.

(iii) Holding a minimum of two public hearings, each at a different stage of the public entity’s program, for the purpose of obtaining the views of citizens and formulating or responding to proposals and questions. Together the hearings must address community development and housing needs, development of proposed activities and review of program performance. At least one of these hearings must be held before submission of the application to obtain...
§ 570.704

the views of citizens on community development and housing needs. Reasonable notice of the hearing must be provided and the hearing must be held at times and locations convenient to potential or actual beneficiaries, with accommodation for the handicapped. The public entity must specify in its plan how it will meet the requirement for a hearing at times and locations convenient to potential or actual beneficiaries.

(iv) Meeting the needs of non-English speaking residents in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate.

(v) Providing affected citizens with reasonable advance notice of, and opportunity to comment on, proposed activities not previously included in an application and activities which are proposed to be deleted or substantially changed in terms of purpose, scope, location, or beneficiaries. The criteria the public entity will use to determine what constitutes a substantial change for this purpose must be described in the citizen participation plan.

(vi) Responding to citizens’ complaints and grievances, including the procedures that citizens must follow when submitting complaints and grievances. The public entity’s policies and procedures must provide for timely written answers to written complaints and grievances within 15 working days of the receipt of the complaint, where practicable.

(vii) Encouraging citizen participation, particularly by low and moderate income persons who reside in slum or blighted areas, and other areas in which guaranteed loan funds are proposed to be used.

(b) Submission requirements. An application for loan guarantee assistance may be submitted at any time. The application (or consolidated plan) shall be submitted to the appropriate HUD Office and shall be accompanied by the following:

(1) A description of how each of the activities to be carried out with the guaranteed loan funds meets one of the criteria in §570.208.

(2) A schedule for repayment of the loan which identifies the sources of repayment, together with a statement identifying the entity that will act as borrower and issue the debt obligations.

(3) A certification providing assurance that the public entity possesses the legal authority to make the pledge of grants required under §570.705(b)(2).

(4) A certification providing assurance that the public entity has made efforts to obtain financing for activities described in the application without the use of the loan guarantee, the public entity will maintain documentation of such efforts for the term of the loan guarantee, and the public entity cannot complete such financing consistent with the timely execution of the program plans without such guarantee.

(5)–(6) [Reserved]

(7) The anti-lobbying statement required under 24 CFR part 87 (appendix A).

(8) Certifications by the public entity that:

(i) It possesses the legal authority to submit the application for assistance under this subpart and to use the guaranteed loan funds in accordance with the requirements of this subpart.

(ii) Its governing body has duly adopted or passed as an official act a resolution, motion or similar official action:

(A) Authorizing the person identified as the official representative of the public entity to submit the application and amendments thereto (provided that the authorization required by this paragraph (B) may be given by the local governing body after submission of the application but prior to execution of the contract required by §570.705(b); and

(B) Authorizing such official representative to execute such documents as may be required in order to implement the application and issue debt obligations pursuant thereto (provided that the authorization required by this paragraph (B) may be given by the local governing body after submission of the application but prior to execution of the contract required by §570.705(b);

(iii) Before submission of its application to HUD, the public entity has:
(A) Furnished citizens with information required by §570.704(a)(2)(i);

(B) Held at least one public hearing to obtain the views of citizens on community development and housing needs; and

(C) Prepared its application in accordance with §570.704(a)(1)(iv) and made the application available to the public.

(iv) It is following a detailed citizen participation plan which meets the requirements described in §570.704(a)(2).

(v) The public entity will affirmatively further fair housing, and the guaranteed loan funds will be administered in compliance with:

(A) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.); and

(B) The Fair Housing Act (42 U.S.C. 3601–3619).

(vi)(A) (For entitlement public entities only.) In the aggregate, at least 70 percent of all CDBG funds, as defined at §570.3, to be expended during the one, two, or three consecutive years specified by the public entity for its CDBG program will be for activities which benefit low and moderate income persons, as described in criteria at §570.208(a).

(B) (For nonentitlement public entities eligible under subpart F of this part only.) It will comply with primary and national objectives requirements, as applicable under subpart F of this part.

(vii) It will comply with the requirements governing displacement, relocation, real property acquisition, and the replacement of low and moderate income housing described in §570.606.

(viii) It will comply with the requirements of §570.200(c)(2) with regard to the use of special assessments to recover the capital costs of activities assisted with guaranteed loan funds.

(ix) (Where applicable, the public entity may also include the following additional certification.) It lacks sufficient resources from funds provided under this subpart or program income to allow it to comply with the provisions of §570.200(c)(2), and it must therefore assess properties owned and occupied by moderate income persons, to recover the guaranteed loan funded portion of the capital cost without paying such assessments in their behalf from guaranteed loan funds.

(x) It will comply with the other provisions of the Act and with other applicable laws.

(9) In the case of an application submitted by a State-assisted public entity, certifications by the State that:

(i) It agrees to make the pledge of grants required under §570.705(b)(2).

(ii) It possesses the legal authority to make such pledge.

(iii) At least 70 percent of the aggregate use of CDBG grant funds received by the State, guaranteed loan funds, and program income during the one, two, or three consecutive years specified by the State for its CDBG program will be for activities that benefit low and moderate income persons.

(iv) It agrees to assume the responsibilities described in §570.710.

(c) HUD review and approval of applications. (1) HUD will normally accept the certifications submitted with the application. HUD may, however, consider relevant information which challenges the certifications and require additional information or assurances from the public entity or State as warranted by such information.

(2) The HUD Office shall review the application for compliance with requirements specified in this subpart and forward the application together with its recommendation for approval or disapproval of the requested loan guarantee to HUD Headquarters.

(3) HUD may disapprove an application, or may approve loan guarantee assistance for an amount less than requested, for any of the following reasons:

(i) HUD determines that the guarantee constitutes an unacceptable financial risk. Factors that will be considered in assessing financial risk shall include, but not be limited to, the following:

(A) The length of the proposed repayment period;

(B) The ratio of expected annual debt service requirements to expected annual grant amount;

(C) The likelihood that the public entity or State will continue to receive grant assistance under this part during the proposed repayment period;
§ 570.705  Loan requirements.

(D) The public entity’s or State’s ability to furnish adequate security pursuant to §570.705(b), and

(E) The amount of program income the proposed activities are reasonably estimated to contribute toward repayment of the guaranteed loan.

(ii) The requested loan amount exceeds any of the limitations specified under §570.705(a).

(iii) Funds are not available in the amount requested.

(iv) The performance of the public entity, its designated public agency or State under this part is unacceptable.

(v) Activities to be undertaken with the guaranteed loan funds are not eligible under §570.703.

(vi) Activities to be undertaken with the guaranteed loan funds do not meet the criteria in §570.208 for compliance with one of the national objectives of the Act.

(4) HUD will notify the public entity or State in writing that the loan guarantee request has either been approved, reduced, or disapproved. If the request is reduced or disapproved, the public entity or State shall be informed of the specific reasons for reduction or disapproval. If the request is reduced or disapproved, the public entity shall be informed of the specific reasons for reduction or disapproval. If the request is approved, HUD will notify the public entity or State in writing that the loan guarantee request has either been approved, reduced, or disapproved. If the request is reduced or disapproved, the public entity or State shall be informed of the specific reasons for reduction or disapproval. If the request is approved, HUD shall issue an offer of commitment to guarantee debt obligations of the borrower identified in the application subject to compliance with this part, including the requirements under §570.705(b), (d), (g) and (h) for securing and issuing debt obligations, the conditions for release of funds described in paragraph (d) of this section, and such other conditions as HUD may specify in the commitment documents in a particular case.

(5) Amendments. If the public entity or State wishes to carry out or assist in an activity not previously described in its application or to substantially change the purpose, scope, location, or beneficiaries of an activity, the amendment must be approved by HUD. Amendments by State-assisted public entities must also be approved by the State. The public entity shall follow the citizen participation requirements for amendments in §570.704(a)(2).

(d) Environmental review. The public entity shall comply with HUD environmental review procedures (24 CFR part 50) for the release of funds for each project carried out with loan guarantee assistance. These procedures set forth the regulations, policies, responsibilities and procedures governing the carrying out of environmental review responsibilities of public entities. All public entities, including nonentitlement public entities, shall submit the request for release of funds and related certification for each project to be assisted with guaranteed loan funds to the appropriate HUD Field Office.

(e) Displacement, relocation, acquisition, and replacement of housing. The public entity (or the designated public agency) shall comply with the displacement, relocation, acquisition, and replacement of low/moderate-income housing requirements in §570.606 in connection with any activity financed in whole or in part with guaranteed loan funds.

(2) In addition to the limitations specified in paragraph (a)(1) of this section, the following limitations shall apply.

(i) **Entitlement public entities.** No commitment to guarantee shall be made if the total unpaid balance of debt obligations guaranteed under this subpart (excluding any amount defeased under the contract entered into under §570.705(b)(1)) on behalf of the public entity would thereby exceed an amount equal to five times the amount of the most recent grant made pursuant to §570.304 to the public entity.

(ii) **States and State-assisted public entities.** No commitment to guarantee shall be made if the total unpaid balance of debt obligations guaranteed under this subpart (excluding any amount defeased under the contract entered into under §570.705(b)(1)) on behalf of the State and all State-assisted public entities in the State would thereby exceed an amount equal to five times the amount of the most recent grant received by such State under subpart I.

(iii) **Nonentitlement public entities eligible under subpart F of this part.** No commitment to guarantee shall be made with respect to a nonentitlement public entity in an insular area or the State of Hawaii if the total unpaid balance of debt obligations guaranteed under this subpart (excluding any amount defeased under the contract entered into under §570.705(b)(1)) on behalf of the public entity would thereby exceed an amount equal to five times the amount of the most recent grant made pursuant to §570.429 or §570.440 (as applicable) to the public entity.

(A) The most recent grant approved for the public entity pursuant to subpart F of this part.

(B) The average of the most recent three grants approved for the public entity pursuant to subpart F of this part, excluding any grant in the same fiscal year as the commitment, or

(C) The average amount of grants made under subpart F of this part to units of general local government in New York State in the previous fiscal year.

(b) **Security requirements.** To assure the repayment of debt obligations and the charges incurred under paragraph (g) of this section and as a condition for receiving loan guarantee assistance, the public entity (and State and designated public agency, as applicable) shall:

(1) Enter into a contract for loan guarantee assistance with HUD, in a form acceptable to HUD, including provisions for repayment of debt obligations guaranteed hereunder;

(2) Pledge all grants made or for which the public entity or State may become eligible under this part; and

(3) Furnish, at the discretion of HUD, such other security as may be deemed appropriate by HUD in making such guarantees. Other security shall be required for all loans with repayment periods of ten years or longer. Such other security shall be specified in the contract entered into pursuant to §570.705(b)(1). Examples of other security HUD may require are:

(i) Program income as defined in §570.500(a);

(ii) Liens on real and personal property;

(iii) Debt service reserves; and

(iv) Increments in local tax receipts generated by activities carried out with the guaranteed loan funds.

(c) **Use of grants for loan repayment.** Notwithstanding any other provision of this part:

(1) Community Development Block Grants allocated pursuant to section 106 of the Act (including program income derived therefrom) may be used for:

(i) Paying principal and interest due (including such issuance, servicing, underwriting, or other costs as may be incurred under paragraph (g) of this section) on the debt obligations guaranteed under this subpart;

(ii) Defeasing such debt obligations; and

(iii) Establishing debt service reserves as additional security pursuant to paragraph (b)(3) of this section.

(2) HUD may apply grants pledged pursuant to paragraph (b)(2) of this section to any amounts due under the debt obligations, the payment of costs incurred under paragraph (g) of this section, or to the purchase or defeasance of such debt obligations, in accordance with the terms of the contract required by paragraph (b)(1) of this section.
(d) **Debt obligations.** Debt obligations guaranteed under this subpart shall be in the form and denominations prescribed by HUD. Such debt obligations may be issued and sold only under such terms and conditions as may be prescribed by HUD. HUD may prescribe the terms and conditions of debt obligations, or of their issuance and sale, by regulation or by contractual arrangements authorized by section 108(r)(4) of the Act and paragraph (h) of this section. Unless specifically provided otherwise in the contract for loan guarantee assistance required under paragraph (b) of this section, debt obligations shall not constitute general obligations of any public entity or State secured by its full faith and credit.

(e) **Taxable obligations.** Interest earned on debt obligations under this subpart shall be subject to Federal taxation as provided in section 108(j) of the Act.

(f) **Loan repayment period.** The term of debt obligations under this subpart shall not exceed twenty years.

(g) **Issuance, underwriting, servicing, and other costs.** Each public entity or its designated public agency and each State issuing debt obligations under this subpart must pay the issuance, underwriting, servicing, trust administration, and other costs associated with the private sector financing of the debt obligations. Such costs are payable out of the guaranteed loan funds and shall be secured under paragraph (b) of this section.

(h) **Contracting with respect to issuance and sale of debt obligations; effect of other laws.** No State or local law, and no Federal law, shall preclude or limit HUD’s exercise of:

1. The power to contract with respect to public offerings and other sales of debt obligations under this subpart upon such terms and conditions as HUD deems appropriate;
2. The right to enforce any such contract by any means deemed appropriate by HUD;
3. Any ownership rights of HUD, as applicable, in debt obligations under this subpart.

§ 570.706 Federal guarantee; subrogation.

Section 108(i) of the Act provides for the incontestability of guarantees by HUD under subpart M of this part in the hands of a holder of such guaranteed obligations. If HUD pays a claim under a guarantee made under section 108 of the Act, HUD shall be fully subrogated for all the rights of the holder of the guaranteed debt obligation with respect to such obligation.

61 FR 11481, Mar. 20, 1996

§ 570.707 Applicability of rules and regulations.

(a) **Entitlement public entities.** The provisions of subparts A, C, J, K and O of this part applicable to entitlement grants shall apply equally to guaranteed loan funds and other CDBG funds, except to the extent they are specifically modified or augmented by the provisions of this subpart.

(b) **State-assisted public entities.** The provisions of subpart I of this part, and the requirements the State imposes on units of general local government receiving Community Development Block Grants or program income to the extent applicable, shall apply equally to guaranteed loan funds and Community Development Block Grants (including program income derived therefrom) administered by the State under the CDBG program, except to the extent they are specifically modified or augmented by the provisions of this subpart.

(c) **Nonentitlement public entities eligible under subpart F of this part.** The provisions of subpart F of this part shall apply equally to guaranteed loan funds and other CDBG funds, except to the extent they are specifically modified or augmented by the provisions of this subpart.

§ 570.708 Sanctions.

(a) **Non-State assisted public entities.** The performance review procedures described in subpart O of this part apply to all public entities receiving guaranteed loan funds other than State-assisted public entities. Performance deficiencies in the use of guaranteed loan funds made available to such public entities (or program income derived...
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD

§ 570.711

of the contract entered into pursuant to §570.705(b)(1) may result in the imposition of a sanction authorized pursuant to §570.900(b)(7) against pledged CDBG grants. In addition, upon a finding by HUD that the public entity has failed to comply substantially with any provision of the Act with respect to either the pledged grants or the guaranteed loan funds or program income, HUD may take action against the pledged grants as provided in §570.913 and/or may take action as provided in the contract for loan guarantee assistance.

(b) State-assisted public entities. Performance deficiencies in the use of guaranteed loan funds (or program income derived therefrom) or violations of the contract entered into pursuant to §570.705(b)(1) may result in an action authorized pursuant to §570.495 or §570.496. In addition, upon a finding by HUD that the State or public entity has failed to comply substantially with any provision of the Act with respect to the pledged CDBG nonentitlement funds, the guaranteed loan funds, or program income, HUD may take action against the pledged funds as provided in §570.496 and/or may take action as provided in the contract.

§ 570.709 Allocation of loan guarantee assistance.

Of the amount approved in any appropriation act for guarantees under this subpart in any fiscal year, 70 percent shall be allocated for entitlement public entities and 30 percent shall be allocated for States and nonentitlement public entities. HUD need not comply with these percentage requirements in any fiscal year to the extent that there is an absence of applications approvable under this subpart from entitlement public entities or from States and nonentitlement public entities.

§ 570.710 State responsibilities.

The State is responsible for choosing public entities that it will assist under this subpart. States are free to develop procedures and requirements for determining which activities will be assisted, subject to the requirements of this subpart. Upon approval by HUD of an application from a State or a State-assisted public entity, the State will be principally responsible, subject to HUD oversight under subpart I of this part, for ensuring compliance with all applicable requirements governing the use of the guaranteed loan funds. Notwithstanding the State’s responsibilities described in this section, HUD may take any action necessary for ensuring compliance with requirements affecting the security interests of HUD with respect to the guaranteed loan.

§ 570.711 State borrowers; additional requirements and application procedures.

This section contains additional requirements and alternative application procedures for guarantees of debt obligations under section 108 of the Act pursuant to the additional authority provided in paragraph (a) of section 222 of the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2009, Public Law 111–8; 123 Stat. 524 at 976 (Division I of the Omnibus Appropriations Act, 2009) (“section 222” and the “2009 Appropriations Act”). If any other federal law or laws are enacted after March 11, 2009, the effect of which with respect to loan guarantee authority provided in an appropriations act is equivalent to the effect of section 222 with respect to the loan guarantee authority provided in the 2009 Appropriations Act, the additional requirements and alternative application procedures in this section shall also apply to guarantees of debt obligations under section 108 of the act, pursuant to the additional authority provided in such other federal law or laws.

(a) Applications by States. Notwithstanding §570.702 and §570.704, states that administer the CDBG program (under subpart I of this part) may apply for loan guarantee assistance under this subpart, and such application shall consist of the following:

(1) A copy of the State’s CDBG method of distribution in the action plan most recently submitted or amended pursuant to 24 CFR part 91. In addition to the requirements of 24 CFR part 91, such method of distribution must note

VerDate Mar<15>2010 14:40 May 03, 2013 Jkt 229082 PO 00000 Frm 00177 Fmt 8010 Sfmt 8010 Y:

VerDate Mar<15>2010 14:40 May 03, 2013 Jkt 229082 PO 00000 Frm 00177 Fmt 8010 Sfmt 8010 Y:
the approximate amount of section 108 guaranteed obligations issued by the State and all nonentitlement public entities that are outstanding at the time of such submission or amendment, identify the maximum amount of guaranteed loan funds for which the State will apply during the period covered by the action plan, describe the pledge of grants required under §570.705(b)(2), and identify the nonentitlement public entities in the State that may be assisted with such guaranteed loan funds (to satisfy this requirement, the method of distribution may identify one or more specific nonentitlement public entities that may be assisted, or may indicate that all or a specified subset of the nonentitlement public entities in the State may be assisted and describe how applications will be selected for assistance).

(2) Either:
   (i) A description of each activity to be carried out with the guaranteed loan funds, including the specific provision of §570.703 under which the activity is eligible and how the activity meets one of the criteria in §570.208; or
   (ii) An indication of the type or types of activities to be assisted, the provisions of §570.703 under which such activities are eligible, and the criteria in §570.208 intended to be met, in which case HUD shall require that the description referred to in paragraph (a)(2)(i) of this section be submitted to and approved by HUD before the State disburses guaranteed loan funds to a public entity for the activity.

(3) A schedule for repayment of the loan which identifies the sources of repayment.

(b) Distribution to Local Governments. Proceeds payable to a State from the issuance of debt obligations under this subpart may be used only for:
   (1) Loans and grants to the nonentitlement public entities identified in the State’s approved application for activities eligible under §570.703; and
   (2) The uses specified in paragraphs (c), (g), and (k) of §570.703.

(c) Certification of need. Prior to approving a nonentitlement public entity’s application for assistance, the State shall obtain a certification from such public entity conforming to §570.704(b)(4).

(d) Local government citizen participation requirements. The submission and citizen participation requirements in §570.704(a) and the third sentence of §570.704(c)(5) shall not apply with respect to nonentitlement public entities’ applications to a State for assistance under this section. Nonentitlement public entities shall comply with the provisions of §570.486(a) with respect to such applications and such assistance.

(e) Environmental review; displacement, relocation, acquisition, and replacement of housing. Nonentitlement public entities assisted by a State under this section shall comply with the requirements of §570.704(d) and (e).

Subpart N—Urban Renewal Provisions

SOURCE: 41 FR 20524, May 18, 1976, unless otherwise noted.

§ 570.800 Urban renewal regulations.

The regulations governing urban renewal projects and neighborhood development programs in subpart N of this part, that were effective immediately before April 19, 1996, will continue to govern the rights and obligations of recipients and HUD with respect to such projects and programs.

[61 FR 11481, Mar. 20, 1996]

Subpart O—Performance Reviews

SOURCE: 53 FR 34466, Sept. 6, 1988, unless otherwise noted.

§ 570.900 General.

(a) Performance review authorities—(1) Entitlement, Insular Areas, and HUD-administered Small Cities performance reviews. Section 104(e)(1) of the Act requires that the Secretary shall, at least on an annual basis, make such reviews and audits as may be necessary or appropriate to determine whether the recipient has carried out its activities in a timely manner, whether the
recipients of Urban Development Action Grants as necessary to determine whether the recipient’s progress in carrying out the approved activities is substantially in accordance with the recipient’s approved plans and timetables.

(2) Performance review procedures. This paragraph describes the review procedures the Department will use in conducting the performance reviews required by sections 104(e) and 119(g) of the Act:

(1) The Department will determine the performance of each entitlement, Insular Areas, and HUD-administered small cities recipient in accordance with section 104(e)(1) of the Act by reviewing for compliance with the requirements described in §570.901 and by applying the performance criteria described in §§570.902 and 570.903 relative to carrying out activities in a timely manner. The review criteria in §570.904 will be used to assist in determining if the recipient’s program is being carried out in compliance with civil rights requirements.

(2) The Department will review UDAG projects and activities to determine whether such projects and activities are being carried out substantially in accordance with the recipient’s approved plans and schedules. The Department will also review to determine if the recipient has carried out its UDAG program in accordance with all other requirements of the Grant Agreement and with all applicable requirements of this part.

(3) In conducting performance reviews, HUD will primarily rely on information obtained from the recipient’s performance report, records maintained, findings from monitoring, grantee and subrecipient audits, audits and surveys conducted by the HUD Inspector General, and financial data regarding the amount of funds remaining in the line of credit plus program income. HUD may also consider relevant information pertaining to a recipient’s performance gained from other sources, including litigation, citizen comments, and other information provided by or concerning the recipient. A recipient’s failure to maintain records in the prescribed manner may result in a finding that the recipient has failed to meet the applicable requirement to which the record pertains.

(4) If HUD determines that a recipient has not met a civil rights review criterion in §570.904, the recipient will be provided an opportunity to demonstrate that it has nonetheless met the applicable civil rights requirement.

(5) If HUD finds that a recipient has failed to comply with a program requirement or has failed to meet a performance criterion in §570.902 or §570.903, HUD will give the recipient an opportunity to provide additional information concerning the finding.

(6) If, after considering any additional information submitted by a recipient, HUD determines to uphold the finding, HUD may advise the recipient to undertake appropriate corrective or remedial actions as specified in §570.910. HUD will consider the recipient’s capacity as described in §570.905 prior to selecting the corrective or remedial actions.

(7) If the recipient fails to undertake appropriate corrective or remedial actions which resolve the deficiency to the satisfaction of the Secretary, the Secretary may impose a sanction pursuant to §570.911, 570.912, or 570.913, as applicable.

§570.901 Review for compliance with the primary and national objectives and other program requirements.

HUD will review each entitlement, Insular Areas, and HUD-administered small cities recipient’s program to determine if the recipient has carried out its activities and certifications in compliance with:
§ 570.902 Review to determine if CDBG-funded activities are being carried out in a timely manner.

HUD will review the performance of each entitlement, HUD-administered small cities, and Insular Areas recipient to determine whether each recipient is carrying out its CDBG-assisted activities in a timely manner.

(a) The requirement described at § 570.200(a)(3) that, consistent with the primary objective of the Act, not less than 70 percent of the aggregate amount of CDBG funds received by the recipient shall be used over the period specified in its certification for activities that benefit low and moderate income persons;

(b) The requirement described at § 570.200(a)(2) that each CDBG assisted activity meets the criteria for one or more of the national objectives described at § 570.208;

(c) All other activity eligibility requirements defined in subpart C of this part;

(d) For entitlement grants and non-entitlement CDBG grants in Hawaii, the submission requirements of 24 CFR part 91 and the displacement policy requirements at § 570.606;

(e) For HUD-administered Small Cities grants in New York, the citizen participation requirements at § 570.431, the amendment requirements at § 570.427, and the displacement policy requirements of § 570.606;

(f) For Insular Areas Program grants only, the application and amendment requirements at § 570.440, the citizen participation requirements at § 570.441, the displacement policy requirements of § 570.606, and the lead-based paint requirements of 24 CFR 35.940;

(g) The grant administration requirements described in subpart J;

(h) Other applicable laws and program requirements described in subpart K; and

(i) Where applicable, the requirements pertaining to loan guarantees (subpart M) and urban renewal completions (subpart N).

§ 570.902 [53 FR 34466, Sept. 6, 1988, as amended at 60 FR 1917, Jan. 5, 1995; 60 FR 56917, Nov. 9, 1995; 72 FR 12536, Mar. 15, 2007; 72 FR 46371, Aug. 17, 2007]

which funds on hand have been obligated by the recipient and its sub-recipients for specific activities at the time the finding is made and other relevant information.

(b) HUD-administered Small Cities program in New York. The Department will, absent substantial evidence to the contrary, deem a HUD-administered Small Cities recipient in New York to be carrying out its CDBG-funded activities in a timely manner if the schedule for carrying out its activities, as contained in the approved application (including any subsequent amendment(s)), is being substantially met.

(c) Insular Areas recipients. (1) Before the funding of the next annual grant and absent contrary evidence satisfactory to HUD, HUD will consider an Insular Areas recipient to be failing to carry out its CDBG activities in a timely manner if:
   (i) Sixty days prior to the end of the grantee’s current program year, the amount of Insular Area grant funds available to the recipient under grant agreements but undisbursed by the U.S. Treasury is more than 2.0 times the Insular Area’s grant amount for its current program year; and
   (ii) The grantee fails to demonstrate to HUD’s satisfaction that the lack of timeliness has resulted from factors beyond the grantee’s reasonable control.

(2) Notwithstanding that the amount of funds in the line of credit indicates that the Insular Area recipient is carrying out its activities in a timely manner pursuant to paragraph (c)(1) of this section, HUD may determine that the recipient is not carrying out its activities in a timely manner if:
   (i) The amount of CDBG program income the recipient has on hand 60 days prior to the end of its current program year, together with the amount of funds in its CDBG line of credit, exceeds 2.0 times the Insular Area’s grant amount for its current program year; and
   (ii) The grantee fails to demonstrate to HUD’s satisfaction that the lack of timeliness has resulted from factors beyond the grantee’s reasonable control.

(3) In determining the appropriate corrective action to take with respect to a HUD determination that a recipient is not carrying out its activities in a timely manner pursuant to paragraphs (c)(1) or (c)(2) of this section, HUD will consider the likelihood that the recipient will expend a sufficient amount of funds over the next program year to reduce the amount of unexpended funds to a level that will fall within the standards described in paragraphs (c)(1) and (2) of this section when HUD next measures the grantee’s timeliness performance. For these purposes, HUD will take into account the extent to which funds on hand have been obligated by the recipient and its sub-recipients for specific activities at the time the finding is made and other relevant information.

(4) If a recipient is determined to be untimely pursuant to paragraphs (c)(1) or (c)(2) of this section in one year, and the recipient is again determined to be untimely in the following year, HUD may reduce the recipient’s next grant by 100 percent of the amount in excess of twice the Insular Area’s most recent CDBG grant, unless HUD determines that the untimeliness resulted from factors outside of the grantee’s reasonable control.

(5) The first review under paragraphs (c)(1) and (c)(2) of this section will take place 60 days prior to the conclusion of the Fiscal Year 2006 program year.

The consolidated plan, action plan, and amendment submission requirements referred to in this section are in 24 CFR part 91. For the purpose of this section, the term consolidated plan includes an abbreviated consolidated plan that is submitted pursuant to 24 CFR 91.235.

(a) Review timing and purpose. HUD will review the consolidated plan performance of each entitlement, Insular Areas, and Hawaii HUD-administered Small Cities grant recipient prior to acceptance of a grant recipient’s annual certification under 24 CFR 91.225(b)(3) to determine whether the recipient followed its HUD-approved
§ 570.904 Equal opportunity and fair housing review criteria.

(a) General. (1) Where the criteria in this section are met, the Department will presume that the recipient has carried out its CDBG-funded program in accordance with civil rights certifications and civil rights requirements of the Act relating to equal employment opportunity, equal opportunity in services, benefits and participation, and is affirmatively furthering fair housing unless:

(i) There is evidence which shows, or from which it is reasonable to infer, that the recipient, motivated by considerations of race, color, religion where applicable, sex, national origin, age or handicap, has treated some persons less favorably than others, or

(ii) There is evidence that a policy, practice, standard or method of administration, although neutral on its face, operates to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion, sex, or national origin, or

(iii) Where the Secretary required a further assurance pursuant to § 570.304 in order to accept the recipient’s prior civil rights certification, the recipient has failed to meet any such assurance.

(2) In such instances, or where the review criteria in this section are not met, the recipient will be afforded an opportunity to present evidence that it has not failed to carry out the civil

§ 570.904 Equal opportunity and fair housing review criteria.

(a) General. (1) Where the criteria in this section are met, the Department will presume that the recipient has carried out its CDBG-funded program in accordance with civil rights certifications and civil rights requirements of the Act relating to equal employment opportunity, equal opportunity in services, benefits and participation, and is affirmatively furthering fair housing unless:

(i) There is evidence which shows, or from which it is reasonable to infer, that the recipient, motivated by considerations of race, color, religion where applicable, sex, national origin, age or handicap, has treated some persons less favorably than others, or

(ii) There is evidence that a policy, practice, standard or method of administration, although neutral on its face, operates to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion, sex, or national origin, or

(iii) Where the Secretary required a further assurance pursuant to § 570.304 in order to accept the recipient’s prior civil rights certification, the recipient has failed to meet any such assurance.

(2) In such instances, or where the review criteria in this section are not met, the recipient will be afforded an opportunity to present evidence that it has not failed to carry out the civil

(b) Following a consolidated plan. The recipient will be considered to be following its consolidated plan if it has taken all of the planned actions described in its action plan. This includes, but is not limited to:

(1) Pursuing all resources that the grantee indicated it would pursue;

(2) Providing certifications of consistency, when requested to do so by applicants for HUD programs for which the grantee indicated that it would support application by other entities, in a fair and impartial manner; and

(3) Not hindering implementation of the consolidated plan by action or willful inaction.

(c) Disapproval. If HUD determines that a recipient has not met the criteria outlined in paragraph (b) of this section, HUD will notify the recipient and provide the recipient up to 45 days to demonstrate to the satisfaction of the Secretary that it has followed its consolidated plan. HUD will consider all relevant circumstances and the recipient’s actions and lack of actions affecting the provision of assistance covered by the consolidated plan within its jurisdiction. Failure to so demonstrate in a timely manner will be cause for HUD to find that the recipient has failed to meet its certification. A complete and specific response by the recipient shall describe:

(1) Any factors beyond the control of the recipient that prevented it from following its consolidated plan, and any actions the recipient has taken or plans to take to alleviate such factors; and

(2) Actions taken by the recipient, if any, beyond those described in the consolidated plan performance report to facilitate following the consolidated plan, including the effects of such actions.

(d) New York HUD-administered Small Cities. New York HUD-administered grantees shall follow the provisions of paragraph (b) of this section for their abbreviated or full consolidated plan to the extent that the provisions of paragraph (b) of this section are applicable. If the grantee does not comply with the requirements of paragraph (b) of this section, and does not provide HUD with an acceptable explanation, HUD may decide, in accordance with the requirements of the notice of fund availability, that the grantee does not meet threshold requirements to apply for a new small cities grant.

[60 FR 56918, Nov. 9, 1995, as amended at 72 FR 12537, Mar. 15, 2007]
rights certifications and fair housing requirements of the Act. The Secretary’s determination of whether there has been compliance with the applicable requirements will be made based on a review of the recipient’s performance, evidence submitted by the recipient, and all other available evidence. The Department may also initiate separate compliance reviews under title VI of the Civil Rights Act of 1964 or section 109 of the Act.

(b) Review for equal opportunity. Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), and implementing regulations in 24 CFR part 1, together with section 109 of the Act (see §570.602), prohibit discrimination in any program or activity funded in whole or in part with funds made available under this part.

(1) Review for equal employment opportunity. The Department will presume that a recipient’s hiring and employment practices have been carried out in compliance with its equal opportunity certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of employment, promotion, or training opportunities by a recipient to any person within the meaning of section 109. The extent to which persons of a particular race, gender, or ethnic background are represented in the workforce may in certain circumstances be considered, together with complaints, performance reviews, and other information.

(2) Review of equal opportunity in services, benefits and participation. The Department will presume a recipient is carrying out its programs and activities in accordance with the civil rights certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of services, benefits, or participation in any program or activity funded in whole or in part with block grant funds by a recipient to any person within the meaning of section 109. The extent to which persons of a particular race, gender, or ethnic background participate in a program or activity may in certain circumstances be considered, together with complaints, performance reviews, and other information.

c) Fair housing review criteria. See the requirements in the Fair Housing Act (42 U.S.C. 3601–20), as well as §570.601(a), which sets forth the grantee’s responsibility to certify that it will affirmatively further fair housing.

(d) Actions to use minority and women’s business firms. The Department will review a recipient’s performance to determine if it has administered its activities funded with assistance under this part in a manner to encourage use of minority and women’s business enterprises described in Executive Orders 11625, 12432 and 12138, and 24 CFR 85.36(e). In making this review, the Department will determine if the grantee has taken actions required under §85.36(e) of this chapter, and will review the effectiveness of those actions in accomplishing the objectives of §85.36(e) of this chapter and the Executive Orders. No recipient is required by this part to attain or maintain any particular statistical level of participation in its contracting activities by race, ethnicity, or gender of the contractor’s owners or managers.

§570.905 Review of continuing capacity to carry out CDBG funded activities in a timely manner.

If HUD determines that the recipient has not carried out its CDBG activities and certifications in accordance with the requirements and criteria described in §570.901 or 570.902, HUD will undertake a further review to determine whether or not the recipient has the continuing capacity to carry out its activities in a timely manner. In making the determination, the Department will consider the nature and extent of the recipient’s performance deficiencies, types of corrective actions the recipient has undertaken and the success or likely success of such actions.
§ 570.906 Review of urban counties.

In reviewing the performance of an urban county, HUD will hold the county accountable for the actions or failures to act of any of the units of general local government participating in the urban county. Where the Department finds that a participating unit of government has failed to cooperate with the county to undertake or assist in undertaking an essential community development or assisted housing activity and that such failure results, or is likely to result, in a failure of the urban county to meet any requirement of the program or other applicable laws, the Department may prohibit the county’s use of funds made available under this part for that unit of government. HUD will also consider any such failure to cooperate in its review of a future cooperation agreement between the county and such included unit of government described at § 570.307(b)(2).

§§ 570.907–570.909 [Reserved]

§ 570.910 Corrective and remedial actions.

(a) General. Consistent with the procedures described in § 570.900(b), the Secretary may take one or more of the actions described in paragraph (b) of this section. Such actions shall be designed to prevent a continuation of the performance deficiency; mitigate, to the extent possible, the adverse effects or consequences of the deficiency; and prevent a recurrence of the deficiency.

(b) Actions authorized. The following lists the actions that HUD may take in response to a deficiency identified during the review of a recipient’s performance:

(1) Issue a letter of warning advising the recipient of the deficiency and putting the recipient on notice that additional action will be taken if the deficiency is not corrected or is repeated;

(2) Recommend, or request the recipient to submit, proposals for corrective actions, including the correction or removal of the causes of the deficiency, through such actions as:

(1) Preparing and following a schedule of actions for carrying out the affected CDBG activities, consisting of schedules, timetables and milestones necessary to implement the affected CDBG activities;

(ii) Establishing and following a management plan which assigns responsibilities for carrying out the actions identified in paragraph (b)(2)(i) of this section;

(iii) For entitlement and Insular Areas recipients, canceling or revising affected activities that are no longer feasible to implement due to the deficiency and re-programming funds from such affected activities to other eligible activities (pursuant to the citizen participation requirements in 24 CFR part 91); or

(iv) Other actions which will serve to prevent a continuation of the deficiency, mitigate (to the extent possible) the adverse effects or consequences of the deficiency, and prevent a recurrence of the deficiency;

(3) Advise the recipient that a certification will no longer be acceptable and that additional assurances will be required;

(4) Advise the recipient to suspend disbursement of funds for the deficient activity;

(5) Advise the recipient to reimburse its program account or letter of credit in any amounts improperly expended and reprogram the use of the funds in accordance with applicable requirements;

(6) Change the method of payment to the recipient from a letter of credit basis to a reimbursement basis;

(7) In the case of claims payable to HUD or the U.S. Treasury, institute collection procedures pursuant to subpart B of 24 CFR part 17; and

(8) In the case of an entitlement or Insular Areas recipient, condition the use of funds from a succeeding fiscal year’s allocation upon appropriate corrective action by the recipient. The failure of the recipient to undertake the actions specified in the condition may result in a reduction, pursuant to § 570.911, of the entitlement or Insular Areas recipient’s annual grant by up to the amount conditionally granted.

[53 FR 34466, Sept. 6, 1988, as amended at 60 FR 1917, Jan. 5, 1996; 72 FR 12537, Mar. 15, 2007]
§ 570.911 Reduction, withdrawal, or adjustment of a grant or other appropriate action.

(a) Opportunity for an informal consultation. Prior to a reduction, withdrawal, or adjustment of a grant or other appropriate action, taken pursuant to paragraph (b), (c), or (d) of this section, the recipient shall be notified of such proposed action and given an opportunity within a prescribed time period for an informal consultation.

(b) Entitlement grants, Non-entitlement CDBG grants in Hawaii, and Insular Areas grants. Consistent with the procedures described in §570.900(b), the Secretary may make a reduction in the entitlement, non-entitlement CDBG grants in Hawaii, or Insular Areas grant amount either for the succeeding program year or, if the grant had been conditioned, up to the amount that had been conditioned. The amount of the reduction shall be based on the severity of the deficiency and may be for the entire grant amount.

(c) HUD-administered small cities grants. Consistent with the procedures described in §570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants.

(d) Urban Development Action Grants. Consistent with the procedures described in §570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants made to the recipient.

§ 570.912 Nondiscrimination compliance.

(a) Whenever the Secretary determines that a unit of general local government which is a recipient of assistance under this part has failed to comply with §570.602, the Secretary shall notify the governor of such State or chief executive officer of such unit of general local government of the non-compliance and shall request the governor or the chief executive officer to secure compliance. If within a reasonable period of time, not to exceed sixty days, the governor or chief executive officer fails or refuses to secure compliance, the Secretary is authorized to:

(1) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(2) Exercise the powers and functions provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d);

(3) Exercise the powers and functions provided for in §570.913; or

(4) Take such other action as may be provided by law.

(b) When a matter is referred to the Attorney General pursuant to paragraph (a)(1) of this section, or whenever the Secretary has reason to believe that a State or a unit of general local government is engaged in a pattern or practice in violation of the provisions of §570.602, the Attorney General may bring a civil action in any appropriate United States district court for such relief as may be appropriate, including injunctive relief.

§ 570.913 Other remedies for non-compliance.

(a) Action to enforce compliance. When the Secretary acts to enforce the civil rights provisions of Section 109, as described in §570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants made to the recipient.

§ 570.913  

at any time after the issuance of a notice of opportunity for hearing pursuant to paragraph (c)(1) of this section, pending such hearing and a final decision, to the extent the Secretary determines such action necessary to preclude the further expenditure of funds for activities affected by such failure to comply.

(b) In lieu of, or in addition to, any action authorized by paragraph (a) of this section, the Secretary may, if he/she has reason to believe that a recipient has failed to comply substantially with any provision of this part;

(1) Refer the matter to the Attorney General of the United States with a recommendation that an appropriate civil action be instituted; and

(2) Upon such a referral, the Attorney General may bring a civil action in any United States district court having venue thereof for such relief as may be appropriate, including an action to recover the amount of the assistance furnished under this part which was not expended in accordance with it, or for mandatory or injunctive relief;

(c) Proceedings. When the Secretary proposes to take action pursuant to this section, the respondent is the unit of general local government or State receiving assistance under this part. These procedures are to be followed prior to imposition of a sanction described in paragraph (a) of this section:

(1) Notice of opportunity for hearing.

The Secretary shall notify the respondent in writing of the proposed action and of the opportunity for a hearing. The notice shall:

(i) Specify, in a manner which is adequate to allow the respondent to prepare its response, allegations with respect to a failure to comply substantially with a provision of this part;

(ii) State that the hearing procedures are governed by these rules;

(iii) State that a hearing may be requested within 10 days from receipt of the notice and the name, address and telephone number of the person to whom any request for hearing is to be addressed;

(iv) Specify the action which the Secretary proposes to take and that the authority for this action is section 111(a) of the Act;

(v) State that if the respondent fails to request a hearing within the time specified a decision by default will be rendered against the respondent; and

(vi) Be sent to the respondent by certified mail, return receipt requested.

(2) Initiation of hearing. The respondent shall be allowed at least 10 days from receipt of the notice within which to notify HUD of its request for a hearing. If no request is received within the time specified, the Secretary may proceed to make a finding on the issue of compliance with this part and to take the proposed action.

(3) Administrative Law Judge. Proceedings conducted under these rules shall be presided over by an Administrative Law Judge (ALJ), appointed as provided by section 11 of the Administrative Procedures Act (5 U.S.C. 3105). The case shall be referred to the ALJ by the Secretary at the time a hearing is requested. The ALJ shall promptly notify the parties of the time and place at which the hearing will be held. The ALJ shall conduct a fair and impartial hearing and take all action necessary to avoid delay in the disposition of proceedings and to maintain order. The ALJ shall have all powers necessary to those ends, including but not limited to the power to:

(i) Administer oaths and affirmations;

(ii) Issue subpoenas as authorized by law;

(iii) Rule upon offers of proof and receive relevant evidence;

(iv) Order or limit discovery prior to the hearing as the interests of justice may require;

(v) Regulate the course of the hearing and the conduct of the parties and their counsel;

(vi) Hold conferences for the settlement or simplification of the issues by consent of the parties;

(vii) Consider and rule upon all procedural and other motions appropriate in adjudicative proceedings; and

(viii) Make and file initial determinations.

(4) Ex parte communications. An ex parte communication is any communication with an ALJ, direct or indirect, oral or written, concerning the merits or procedures of any pending proceeding which is made by a party in
the absence of any other party. Ex parte communications are prohibited except where the purpose and content of the communication have been disclosed in advance or simultaneously to all parties, or the communication is a request for information concerning the status of the case. Any ALJ who receives an ex parte communication which the ALJ knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

(5) The hearing. All parties shall have the right to be represented at the hearing by counsel. The ALJ shall conduct the proceedings in an expeditious manner while allowing the parties to present all oral and written evidence which tends to support their respective positions, but the ALJ shall exclude irrelevant, immaterial or unduly repetitive evidence. The Department has the burden of proof in showing by a preponderance of the evidence that the respondent failed to comply substantially with a provision of this part. Each party shall be allowed to cross-examine adverse witnesses and to rebut and comment upon evidence presented by the other party. Hearings shall be open to the public. So far as the orderly conduct of the hearing permits, interested persons other than the parties may appear and participate in the hearing.

(6) Transcripts. Hearing shall be recorded and transcribed only by a reporter under the supervision of the ALJ. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, may obtain copies of the transcript.

(7) The ALJ’s decision. At the conclusion of the hearing, the ALJ shall give the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor. Within 25 days after the conclusion of the hearing, the ALJ shall prepare a written decision which includes a statement of findings and conclusions, and the reasons or basis therefor, on all the material issues of fact, law or discretion presented on the record and the appropriate sanction or denial thereof. The decision shall be based on consideration of the whole record or those parts thereof cited by a party and supported by and in accordance with the reliable, probative, and substantial evidence. A copy of the decision shall be furnished to the parties immediately by certified mail, return receipt requested, and shall include a notice that any requests for review by the Secretary must be made in writing to the Secretary within 30 days of the receipt of the decision.

(8) The record. The transcript of testimony and exhibits, together with the decision of the ALJ and all papers and requests filed in the proceeding, constitutes the exclusive record for decision and, on payment of its reasonable cost, shall be made available to the parties. After reaching his/her initial decision, the ALJ shall certify to the complete record and forward the record to the Secretary.

(9) Review by the Secretary. The decision by the ALJ shall constitute the final decision of the Secretary unless, within 30 days after the receipt of the decision, either the respondent or the Assistant Secretary for Community Planning and Development files an exception and request for review by the Secretary. The excepting party must transmit simultaneously to the Secretary and the other party the request for review and the basis of the party’s exceptions to the findings of the ALJ. The other party shall be allowed 30 days from receipt of the exception to provide the Secretary and the excepting party with a written reply. The Secretary shall then review the record of the case, including the exceptions and the reply. On the basis of such review, the Secretary shall issue a written determination, including a statement of the reasons or basis therefor, affirming, modifying or revoking the decision of the ALJ. The Secretary’s decision shall be made and transmitted to the parties within 80 days after the decision of the ALJ was furnished to the parties.
Judicial review. The respondent may seek judicial review of the Secretary’s decision pursuant to section 111(c) of the Act.

[53 FR 34466, Sept. 6, 1988, as amended at 64 FR 3892, Jan. 25, 1999]

APPENDIX A TO PART 570—GUIDELINES AND OBJECTIVES FOR EVALUATING PROJECT COSTS AND FINANCIAL REQUIREMENTS

I. Guidelines and Objectives for Evaluating Project Costs and Financial Requirements. HUD has developed the following guidelines that are designed to provide the recipient with a framework for financially underwriting and selecting CDBG-assisted economic development projects which are financially viable and which will make the most effective use of the CDBG funds. The use of these underwriting guidelines as published by HUD is not mandatory. However, grantees electing not to use these underwriting guidelines would be expected to conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business. States electing not to use these underwriting guidelines would be expected to ensure that the state or units of general local government conduct basic financial underwriting prior to the provision of CDBG financial assistance to a for-profit business.

II. Where appropriate, HUD’s underwriting guidelines recognize that different levels of review are appropriate to take into account differences in the size and scope of a proposed project, and in the case of a microenterprise or other small business to take into account the differences in the capacity and level of sophistication among businesses of differing sizes.

III. Recipients are encouraged, when they develop their own programs and underwriting criteria, to also take these factors into account. For example, a recipient administering a program providing only technical assistance to small businesses might choose to apply underwriting guidelines to the technical assistance program as a whole, rather than to each instance of assistance to a business. Given the nature and dollar value of such a program, a recipient might choose to limit its evaluation to factors such as the extent of need for this type of assistance by the target group of businesses and the extent to which this type of assistance is already available.

IV. The objectives of the underwriting guidelines are to ensure:

(1) that project costs are reasonable;
(2) that all sources of project financing are committed;
(3) that to the extent practicable, CDBG funds are not substituted for non-Federal financial support;
(4) that the project is financially feasible;
(5) that to the extent practicable, the return on the owner’s equity investment will not be unreasonably high; and
(6) that to the extent practicable, CDBG funds are disbursed on a pro rata basis with other finances provided to the project.

i. Project costs are reasonable. 1. Reviewing costs for reasonableness is important. It will help the recipient avoid providing either too much or too little CDBG assistance for the proposed project. Therefore, it is suggested that the grantee obtain a breakdown of all project costs and that each cost element making up the project be reviewed for reasonableness. The amount of time and resources the recipient expends evaluating the reasonableness of a cost element should be commensurate with its cost. For example, it would be appropriate for an experienced reviewer looking at a cost element of less than $10,000 to judge the reasonableness of that cost based upon his or her knowledge and common sense. For a cost element in excess of $10,000, it would be more appropriate for the reviewer to compare the cost element with a third-party, fair-market price quotation for that cost element. Third-party price quotations may also be used by a reviewer to help determine the reasonableness of cost elements below $10,000 when the reviewer evaluates projects infrequently or if the reviewer is less experienced in cost estimations. If a recipient does not use third-party price quotations to verify cost elements, then the reviewer would need to conduct its own cost analysis using appropriate cost estimating manuals or services.

ii. The recipient should pay particular attention to any cost element of the project that will be carried out through a non-arms-length transaction. A non-arms-length transaction occurs when the entity implementing the CDBG assisted activity procures goods or services from itself or from another party with whom there is a financial interest or family relationship. If abused, non-arms-length transactions misrepresent the true cost of the project.

2. Commitment of all project sources of financing. The recipient should review all projected sources of financing necessary to carry out the economic development project. This is to ensure that time and effort is not wasted on assessing a proposal that is not able to proceed. To the extent practicable, prior to the commitment of CDBG funds to the project, the recipient should verify that sufficient sources of funds have been identified to finance the project; all participating parties have the financial capacity to provide the funds.

3. Avoid substitution of CDBG funds for non-Federal financial support. i. The recipient should review the economic development
project to ensure that, to the extent practicable, CDBG funds will not be used to substantially reduce the amount of non-Federal financial support for the activity. This will help ensure efficient use of its CDBG funds for economic development. To reach this determination, the recipient’s reviewer would conduct a financial underwriting analysis of the project (including reviews of appropriate projections of revenues, expenses, debt service and returns on equity investments in the project. The extent of this review should be appropriate for the size and complexity of the project and should use industry standards for similar projects, taking into account the unique factors of the project such as risk and location. 

ii. Because of the high cost of underwriting and processing loans, many private financial lenders do not finance commercial projects that are less than $100,000. A recipient should familiarize itself with the lending practices of the financial institutions in its community. If the project’s total cost is one that would normally fall within the range that financial institutions participate, then the recipient should normally determine the following:

A. Private debt financing—whether or not the participating private, for-profit business (or other entity having an equity interest) has applied for private debt financing from a commercial lending institution and whether that institution has completed all of its financial underwriting and loan approval actions resulting in either a firm commitment of its funds or a decision not to participate in the project; and

B. Equity participation—whether or not the degree of equity participation is reasonable given general industry standards for rates of return on equity for similar projects with similar risks and given the financial capacity of the assisted business owners to manage an assisted business to achieve the projections. Based upon its analysis of these factors, the recipient should identify those elements, if any, that pose the greatest risks contributing to the project's lack of financial feasibility.

5. Return on equity investment. To the extent practicable, the CDBG assisted activity should provide not more than a reasonable return on investment to the owner of the assisted activity. This will help ensure that the grantee is able to maximize the use of its CDBG funds for its economic development objectives. However, care should also be taken to avoid the situation where the owner is likely to receive too small a return on his/her investment, so that his/her motivation remains high to pursue the business with vigor. The amount, type and terms of the CDBG assistance should be adjusted to allow the owner a reasonable return on his/her investment given industry rates of return for that investment, local conditions and the risk of the project.

6. Disbursement of CDBG funds on a pro rata basis. To the extent practicable, CDBG funds used to finance economic development activities should be disbursed on a pro rata basis with other funding sources. Recipients should be guided by the principle of not placing CDBG funds at significantly greater risk
than non-CDBG funds. This will help avoid the situation where it is learned that a problem has developed that will block the completion of the project, even though all or most of the CDBG funds going in to the project have already been expended. When this happens, a recipient may be put in a position of having to provide additional financing to complete the project or watch the potential loss of its funds if the project is not able to be completed. When the recipient determines that it is not practicable to disburse CDBG funds on a pro rata basis, the recipient should consider taking other steps to safeguard CDBG funds in the event of a default, such as insisting on securitizing assets of the project.

(60 FR 1953, Jan. 5, 1995)

PART 572—HOPE FOR HOMEOWNERSHIP OF SINGLE FAMILY HOMES PROGRAM (HOPE 3)

Subpart A—General

§ 572.1 Overview of HOPE 3.

The purpose of the HOPE for Homeownership of Single Family Homes program (HOPE 3) is to provide homeownership opportunities for eligible families to purchase Federal, State, and local government-owned single family properties. HOPE 3 provides grants to eligible applicants to plan and implement homeownership programs designed to meet the needs of low-income first-time homebuyers.

§ 572.5 Definitions.

The terms HUD, Indian Housing Authority (IHA), NAHA, 1937 Act, NOFA, and Public Housing Agency (PHA) are defined in 24 CFR part 5.

Administrative costs means reasonable and necessary costs, as described and valued in accordance with OMB Circular No. A–87 or A–122 as applicable, incurred by a recipient in carrying out a homeownership program under this part. For purposes of complying with the 15 percent limitation in § 572.215(o), administrative costs do not include the costs of activities that are separately eligible under § 572.215.

1 See § 572.420(a) concerning the availability of OMB Circulars.
Applicant means a private nonprofit organization; a cooperative association; or a public body in cooperation with a private nonprofit organization that applies for a HOPE 3 grant under this part. A cooperative association is an eligible applicant only for eligible property it proposes to acquire and transfer ownership interests to eligible families under a homeownership program.

Consolidated plan means the document that is submitted to HUD that serves as the planning document of the jurisdiction, in accordance with 24 CFR part 91.

Cooperating entity means a private nonprofit organization or public body that the lead applicant has designed in its application to carry out certain functions in the HOPE 3 program. The responsibilities of a cooperating entity must be specified in a memorandum of agreement signed by the lead applicant and the cooperating entity.

Cooperative association means an association organized and existing under applicable State, local, territorial, or tribal law primarily for the purpose of acquiring, owning, and operating housing for its members or shareholders, as applicable.

Displaced homemaker means as the term is defined in 42 U.S.C. 12704. The individual must not have worked full-time, full-year in the labor force for at least 2 years.

Eligible family means a low-income family who is a first-time homebuyer.

Eligible property means a single residential property, containing no more than four units, that is owned or held by HUD, the Secretary of Veterans Affairs, the Secretary of Agriculture, the Secretary of Defense, the Secretary of Transportation, the Resolution Trust Corporation, the Federal Deposit Insurance Corporation, the General Services Administration, or any other Federal agency; a State or local government (including any in rem property); or a PHA/IHA (excluding public or Indian housing under the 1937 Act). This definition includes individual condominium units located in multifamily structures owned or held by an eligible source and properties held by institutions within the jurisdiction of the Resolution Trust Corporation. All cooperative units acquired under HOPE 3 must be located in properties containing no more than four units to qualify as eligible property under this part. In the case of two- to four-unit property, only property that may be divided so each unit may be acquired by an eligible family is eligible, except as provided in §572.115(c). For purposes of this definition, the term State or local government means any entity included in the first sentence of the definition of public body.

First-time homebuyer means as the term is defined in 42 U.S.C. 12704.

Homeownership program means a program for homeownership meeting the requirements under this part. The program must provide for acquisition by eligible families of ownership interests in the units in an eligible property under an homeownership arrangement approved by HUD under this part. All eligible properties assisted under the program must be initially acquired by eligible families.

Lead applicant means an eligible applicant designated in a HOPE 3 application to assume legal responsibility as the recipient and execute the grant agreement.

Lease-purchase means

(1) An agreement, enforceable under State (or territorial) and local law, between the recipient or its designee and an eligible family under which the family:

(i) Obtains the right to occupy a unit in an eligible property, subject to the payment of rent and other reasonable lease conditions, for a period of not more than two years, except as provided in §572.115(a)(2); and

(ii) At the end of such two years has the right to purchase the unit under the terms stated in the lease-purchase agreement, including the completion of any additional rehabilitation required during the lease-purchase period.

(2) A lease-purchase agreement qualifies as a transfer of the unit to the eligible family for purposes of the deadline for transfer in §572.115(a), but it is not otherwise an “ownership interest” under this part. The interest that the family acquires at the end of the two-year lease-purchase period must be an ownership interest under this part, and
the terms and conditions of the purchase of such interest must meet the affordability requirements of this part.

Low-income family means a family or individual qualifying as a low-income family under 24 CFR part 813 (where the recipient is not a PHA/IHA), part 913 (where the recipient is a PHA), or part 905 (where the recipient is an Indian tribe or IHA). A low-income family is generally defined as a family whose annual income does not exceed 80 percent of median income for the area, as determined by HUD with adjustment for family size. HUD may establish income limits higher or lower than 80 percent of median income for the area on the basis of its finding that such variations are necessary because of prevailing construction costs or unusually high or low family incomes.

Ownership interest means ownership by an eligible family by fee simple title to a unit in an eligible property (including a condominium unit), ownership of shares of or membership in a cooperative, or another form of ownership proposed and justified by the applicant and approved by HUD pursuant to §572.115(b).

Private nonprofit organization means any nonprofit organization that
(1) is organized and exists under applicable Federal, State, territorial, local, or tribal law;
(2) has no part of its net earnings inuring to the benefit of any individual, corporation, or other entity;
(3) has a voluntary board;
(4) has an accounting system or has designated a fiscal agent in accordance with requirements established by HUD;
(5) practices nondiscrimination in the provision of assistance;
(6) is a tax-exempt entity under section 501(c) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)), or for a private nonprofit organization in the Commonwealth of Puerto Rico, is a tax-exempt entity under Puerto Rico law;
(7) is privately controlled and has a governing body that is controlled 51 percent or more by private individuals acting in a private capacity. An individual is considered to be acting in a private capacity if the individual is not an employee of a public body, is not appointed by or acting as the representative of a public body (including the applicant or recipient), and is not being paid by a public body (including the applicant or recipient) while performing functions in connection with the nonprofit organization.

Program income means income earned from the program as described in parts 84 and 85 of this title, as applicable, except that program income does not include proceeds from the sale and resale of properties. Such sale and resale proceeds, and interest earned by the recipient or its designee on those proceeds, are governed by §572.135(a) through (c).

Public body means any State of the United States; any city, county, town, township, parish, village, or other general purpose political subdivision of a State; the Commonwealth of Puerto Rico, the District of Columbia, Guam, the Northern Mariana Islands, the Virgin Islands, American Samoa, or a general purpose political subdivision thereof; any Indian tribe, as defined in title I of the Housing and Community Development Act of 1974; any public agency or instrumentality of any of the foregoing jurisdictions that is created by or pursuant to State, territorial, local, or tribal law, including a State or local Housing Finance Agency; and any PHA or IHA. For purposes of this definition, an organization that meets the requirements of paragraphs (1) and (2) of the definition of private nonprofit organization, but is controlled 51 percent or more by public officials acting in their official capacities, may qualify as a public body.

Recipient means the lead applicant that is approved by HUD to receive a HOPE 3 grant and is legally responsible for the grant.

Single parent means as the term is defined in 42 U.S.C. 12896.

§572.10 Section 8 assistance.

Assistance under section 8 of the 1937 Act and other rental assistance to the homebuyer will be terminated not later
than the date an eligible family acquires an ownership interest in an eligible property or executes a lease-purchase agreement for the property.

Subpart B—Homeownership Program Requirements—Implementation Grants

§572.100 Acquisition and rehabilitation of eligible properties; rehabilitation standards.

(a) Minimum number of properties. (1) Each homeownership program must involve acquisition of at least ten units in eligible properties by eligible families.

(2) A homeownership program may not result in appreciably reducing in the locality the number of affordable rental housing units of the type to be assisted that would be available to residents currently residing in the types of properties proposed for use under the program or to families who would be eligible to reside in the properties.

(b) Maximum acquisition costs. The cost of acquiring an eligible property (by a recipient or other entity for transfer to eligible families or by an eligible family from a recipient or directly from an eligible source) may not exceed the as-is fair market value of the property, plus reasonable and customary closing costs charged for comparable transactions in the market area. The as-is fair market value of a property must be determined in accordance with a recent appraisal conducted under procedures consistent with appraisal standards published by The Appraisal Foundation in the current edition of “Uniform Standards of Professional Appraisal Practice.”

(c) Maximum cost of acquisition and rehabilitation. The cost of acquisition and rehabilitation paid for from grant funds or credited as match may not exceed 80 percent of the maximum amount that may be insured in the area under section 203(b) of the National Housing Act, plus reasonable and customary closing costs charged for comparable transactions in the market area.

(d) Rehabilitation standards. (1) The recipient is responsible to assure that rehabilitation of eligible property meets local codes applicable to rehabilitation of work in the jurisdiction (but not less than the housing quality standards established under the Section 8 rental voucher program, described in §982.401 of this title). Rehabilitation must also include work necessary to meet applicable federal requirements, including lead-based paint requirements set forth at part 35, subparts A, B, J, K, and R of this title.

(2) The property must be rehabilitated to a level that makes it marketable for homeownership in the market area to families with incomes at or below 80 percent of the median for the area. Luxury items (fixtures, equipment, and landscaping of a type or quality that substantially exceeds that customarily used in the locality for properties of the same general type as that being rehabilitated) are not eligible expenses. HUD reserves the right to disapprove improvements or amenities to be paid for from nonprogram funds that it determines are unsuitable for the HOPE 3 program.

(3) Rehabilitation costs must comply with the cost standards established by HUD (see paragraph (c) of this section for applicable cost limitations covering both acquisition and rehabilitation). If improvements are made to an eligible property beyond those that qualify as eligible costs, the applicant must assure that the entire cost of the excess improvements will be covered by funds other than the HOPE 3 grant and any amounts contributed toward the match, and that the affordability of the property will not be impaired.

(4) Higher standards may be proposed by the applicant or required by lenders.

(5) The applicant must adopt written rehabilitation standards.

(e) Rehabilitation and transfer of units. (1) The unit must be free from any defects that pose a danger to life, health, or safety before transfer of an ownership interest in the unit to the family or occupancy of a unit by an eligible family under a lease-purchase agreement. The recipient must inspect, or ensure inspection of, each unit to determine that it does not pose an imminent threat to the life, health, or safety of residents and that the property
has passed recent fire and other applicable safety inspections conducted by appropriate local officials.

(2) The unit must, not later than 2 years after transfer of an ownership interest in the unit to an eligible family, or execution of a lease-purchase agreement for the unit, meet minimum rehabilitation standards under paragraph (d)(1) of this section. The recipient must inspect, or ensure inspection of, each unit to determine that it meets the rehabilitation standards required under paragraph (d)(1) of this section.

§ 572.105 Financing the purchase of properties by eligible families.

(a) Types of financing. (1) Financing may include use of the implementation grant to permit transfer of an ownership interest in a unit to an eligible family for less than fair market value or with assisted financing; or other sources of financing (subject to requirements that apply to those sources), including, but not limited to, conventional mortgage loans, mortgage loans insured under title II of the National Housing Act, and mortgage loans under other available programs, such as Veterans Administration (VA), Farmers Home Administration (FMHA), and Resolution Trust Corporation (RTC) seller-assisted financing.

(2) FHA single family mortgage insurance requirements. All regulatory requirements and underwriting procedures established for FHA single family mortgage insurance apply to mortgage loans insured by FHA on properties assisted under the HOPE 3 program. Exceptions in the regulations specifically for homebuyers under the HOPE 3 program are:

(i) The eligible family/mortgagor may obtain a loan for the down payment from a corporation or another person under conditions satisfactory to HUD (24 CFR 203.19(b) and 234.28(c));

(ii) A second mortgage may be placed against the property even though the entity holding a second mortgage is not a Federal, State, or local government agency, if the entity is designated in the homeownership plan of an applicant for an implementation grant (24 CFR 203.32(b) and 234.55(b)); and

(iii) Certain restrictions on conveyance may be permissible. Property with restrictions that do not comply with FHA regulations will be ineligible for FHA mortgage insurance, notwithstanding HUD approval under §572.130(e).

(b) Financial assistance to homebuyers. Recipients may provide assistance to, or on behalf of, eligible families to make acquisition and rehabilitation of eligible properties affordable. This may include interest rate reductions (“interest rate buy-downs”), payment of all or a portion of closing costs, down payments, mortgage insurance premiums, and other expenses, and other forms of assistance approved by HUD. No mechanisms to financially assist homebuyers that would require grant recipients to make lump sum deposits of HOPE 3 grant funds will be permitted.

§ 572.110 Identifying and selecting eligible families for homeownership.

(a) Selection procedures. (1) Recipients must establish written equitable procedures for identifying and selecting eligible families to participate in the homeownership program, consistent with the affordability standards in §572.120. Except for Indian tribes and IHA as described in §572.405(a)(2), the recipient must have a procedure to carry out its affirmative fair marketing responsibilities, described in §572.405(e), that apply whenever homeownership opportunities are made available to other than current residents of the property. These procedures must include specific steps to inform potential applicants and solicit applications from eligible families in the housing market area who are least likely to apply for the program without special outreach.

(2) The written selection procedures must provide for selection only of families that are creditworthy and have the financial capacity to handle the anticipated costs of homeownership. Any family determined not to have paid the appropriate amount of tenant contribution under a HUD housing assistance program must be required to resolve
any deficiency before being selected for homeownership.

(b) Preferences. (1) In making selections for the program, each recipient must give first preference to qualified residents who legally occupied units on the date the recipient’s application for the implementation grant was submitted to HUD and to persons residing in the units at the time the properties are selected. If the unit occupied by a former resident on the date the implementation grant application was submitted to HUD is occupied by a different resident at the time of property selection, a vacant unit under this program must be offered to the former resident at the earliest possible time.

(2) In the case of vacant properties for which the preferences in paragraph (b)(1) of this section do not apply, recipients must give a first preference to otherwise qualified eligible families who reside in public or Indian housing under the 1937 Act. Recipients must use whatever measures are considered appropriate to inform residents of public and Indian housing developments within the housing market area of the preference, such as informing resident councils, PHAs, and IHAs, or other appropriate measures.

(3) Recipients must give a second preference to otherwise qualified eligible families who have completed participation in one of the following economic self-sufficiency programs: Project Self-Sufficiency, Operation Bootstrap, Family Self-Sufficiency, JOBS, and any other Federal, State, territorial, or local program approved by HUD as equivalent.

(c) Responsibilities of selected families.

(1) Each eligible family selected for homeownership must certify at the time it acquires an ownership interest in the unit (or enters into a lease-purchase agreement for the unit) that it intends to occupy the unit as its principal residence during the six-year period from the date it acquires ownership interest in the unit, unless the recipient determines that the family is required to move outside the market area due to a change in employment or an emergency situation or the family sells its ownership interest. The family may permit others to rent space (such as a basement area or a spare bedroom) in the unit occupied by the family as its principal residence. (See §572.115(c) concerning the rental of units in a multi-unit property purchased by a homebuyer under this part.)

(2) Any homebuyer that violates the agreement made under paragraph (c)(1) of this section shall be subject to penalties as provided in the transfer documents, as prescribed by HUD.

(3) Each eligible family selected for the program must participate in counseling and training of homebuyers and homeowners regarding the general rights and responsibilities of homeownership.

(d) Social security numbers; wage and claims information. As a condition of eligibility for homeownership under this part, at the time a family applies for homeownership, the recipient (or other appropriate entity) must:

(1) Require the family to meet the requirements for the disclosure and verification of social security numbers, as provided by part 5, subpart B, of this title; and

(2) Require the family to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by part 5, subpart B, of this title.

(e) Notification of rejected applicant families. Recipients or another appropriate entity must promptly notify in writing any rejected applicant family of the grounds for any rejection.

§ 572.115 Transfer of homeownership interests.

(a) Deadline for transfer. (1) All units in eligible properties (including in rem properties) must be transferred to eligible families within two years of the effective date of the implementation grant agreement, except as otherwise provided for multi-unit properties in paragraph (c) of this section. The transfer must involve either:

(i) Acquisition by an eligible family of an ownership interest in a unit; or

(ii) Execution of a lease-purchase agreement for a unit.

(2) The HUD Field Office may approve a request for an extension of the
deadline in paragraph (a)(1) of this section on a per-program or per-unit basis if the Field Office determines that all program activities will be completed in accordance with the timing requirements of §572.210(f) (including any extension granted under §572.210(f)).

(b) Form of ownership. (1) Forms of ownership interests acquired by eligible families under this part may include fee simple ownership (including condominium ownership), cooperative ownership, or another form of ownership interest proposed and justified by the applicant and approved by HUD. HUD will not approve other forms of ownership that would substantially limit the ability of homeowners to realize financial appreciation in the value of their homes as determined by HUD. The type of ownership interest must be consistent with any applicable State (or territorial), local, or tribal law.

(2) The ownership interest may be subject only to:
   (i) The restrictions on resale required or approved under §572.130;
   (ii) Mortgages, deeds of trust, or other liens or instruments securing the eligible family’s purchase money financing as approved by the recipient; or
   (iii) Any other restrictions or encumbrances that do not impair the good and marketable nature of title to the ownership interest except as otherwise approved by the recipient. In approving the terms of an eligible family’s purchase money financing or any other encumbrances on the property under paragraphs (b)(2)(i) and (iii) of this section, the recipient shall not approve terms that do not comply with the affordability standards in §572.120, or mortgage terms and conditions or other encumbrances that in effect constitute resale restrictions that would not be approved by HUD under this part.

(3) Mutual housing is eligible only to the extent it provides for the transfer of ownership interests to eligible families.

(c) Transfer of multi-unit properties. (1) In the case of a two-to-four unit property, only property that may be divided so that an ownership interest in each unit may be acquired by an eligible family is eligible. HUD may grant an exception to this requirement on a program-by-program basis when it determines that such an exception will serve to further the purposes of the HOPE 3 program.

(2) HUD Headquarters will consider and may approve an exception under the following circumstances:
   (i) The reasonably projected net rental income will be included in the determination of the appraised value of the property at the time of the homebuyer’s purchase;
   (ii) The rent charged by the owner will not exceed the Fair Market Rent established by HUD for the area;
   (iii) The recipient will provide the homebuyer with counseling and training in property management, and will approve the form of lease used by the homebuyer; and
   (iv) The recipient will include the family’s potential net rental income in calculating the family’s initial affordability in accordance with §572.120 of this part.

§572.120 Affordability standards.

(a) Initial affordability. (1) The monthly expenditure for principal, interest, taxes, and insurance by an eligible family that is required under the financing both for the acquisition and for the rehabilitation in accordance with §572.100(d) of a unit (whether the required rehabilitation occurs before or after the family takes title) must be not less than 20 percent and not more than 30 percent of one-twelfth of the annual income of the family used for the purpose of determining eligibility under §572.110(a). (For the purpose of determining affordability of the family, the recipient may, at its option, adjust downward the annual incomes of eligible families using reasonable standards and procedures consistently applied.) HUD may approve a justified request for a floor lower than 20 percent to avoid undue hardship to families, such as where the cost of utilities is high.

(2) The 30 percent cap on monthly payments includes closing costs only if closing costs are included in the costs

of principal and interest, or are otherwise required to be paid by the homeowner over time after acquisition.

(3) Applicants are encouraged to consider the additional monthly costs of utilities and other monthly housing costs, such as condominium and cooperative fees, in determining whether the family can afford to purchase a unit.

(b) Continued affordability. The recipient must develop a plan demonstrating reasonable efforts to ensure continued affordability by homeowners in the eligible property. Financing that would impair the continued affordability of the property for homebuyers, such as a mortgage that is not fully amortizing (e.g., a "balloon" mortgage) may not be used. The plan should take into account such program features as long-term financing at reasonable terms, energy conservation, and improvements that will entail low-cost maintenance.

58 FR 36526, July 7, 1993, as amended at 60 FR 36018, July 12, 1995

§ 572.125 Replacement reserves.

(a) Purpose. A single replacement reserve may be established for the homeownership program only if HUD determines it is necessary to prevent severe financial hardship to families caused by the failure of a major system or component of the property that would render the unit substandard. Initially, the reserve must be justified by the applicant and approved by HUD as part of the program budget in the application or an amended application.

(b) Need for reserve account. In determining the need for a replacement reserve, the applicant or recipient must demonstrate that the financial status of eligible families is insufficient to meet the needs for which the reserve is established, and that the amount proposed for the reserve is reasonable, taking into account the following factors:

(1) The size of the implementation grant and the amount of matching contributions;

(2) The availability of insurance, and the home maintenance and repair capabilities of the families; and

(3) The condition and age of the properties and each of their major systems and components (including at least the heating, plumbing, and electrical systems, the roof, foundation, windows, exterior walls, and common area, if any).

(c) Drawdown of reserve funds. Replacement reserve funds may only be drawn down under the Cash and Management Information System when specifically needed to assist a homeowner. At time of program closeout, all funds approved for a replacement reserve may be drawn down to fund a reserve account. The account may not exceed six years estimated replacement cost needs for the properties transferred under the homeownership program.

(d) Administration of the reserve account. The recipient must identify the entity that will administer the replacement reserve account at time of program closeout. The entity responsible for administering the account must be bonded and approved by HUD. The account must be interest bearing, if possible, and interest earned thereon must be used for the purposes for which the account is established. Unused funds at the end of the term of the account must be treated as program income in accordance with § 572.135(d).

58 FR 36526, July 7, 1993, as amended at 60 FR 36018, July 12, 1995

§ 572.130 Restrictions on resale by initial homeowners.

(a) Right to transfer. A homeowner may transfer the homeowner’s ownership interest in the unit, subject only to the right to purchase under paragraph (b) of this section; the requirement for the purchaser to execute a promissory note, if required under paragraph (d) of this section; and the limitation on the amount of sales proceeds a family may retain upon sale within the first six years, as required under paragraph (c) of this section.

(b) Right to purchase. (1) Where a cooperative has jurisdiction over the unit, it has the prior right to purchase the ownership interest in the unit from the initial homeowner for the amount and on the terms specified in a firm contract between the homeowner and a prospective buyer. The cooperative association has 10 days after receiving notice of the firm contract to decide whether to exercise its right and 60 additional days to complete closing of the purchase.
§ 572.130

(2) If no cooperative has jurisdiction over the unit and if the prospective buyer is not a low-income family, the recipient or a PHA/IHA with jurisdiction for the area in which the unit is located, whichever is specified in the documents under which the initial family acquires an ownership interest in the unit, has the prior right to purchase the ownership interest in the unit for the amount and on the terms specified in a firm contract between the homeowner and a prospective buyer. The recipient or PHA/IHA has 10 days after receiving notice of the firm contract to decide whether to exercise its right and 60 additional days to complete closing of the purchase.

(3) Where a recipient, cooperative, or PHA/IHA exercises a right to purchase, it must resell the unit to an eligible family promptly.

(4) Unless otherwise provided in the property transfer documents, none of the provisions of paragraph (b) of this section apply in the case of liquidation of a security interest in the property. If FHA has insured a mortgage on the property, the provisions of paragraph (b) of this section shall not apply upon occurrence of an event requiring termination under 24 CFR 203.41(c)(2) or 234.66(c)(2).

(c) Limitation on equity interest an initial homeowner may retain from sale during first six years. (1) The HOPE program is designed to assure that an initial or subsequent homeowner does not receive any undue profit from acquiring a unit under the program and that, to the extent the sales price is sufficient, an initial homeowner recovers the equity interest in the property. With respect to any sale by an initial homeowner during the first six years after acquisition, the family may retain only the amount computed under this paragraph. Any excess must be distributed as provided in §572.135(b). The amount of equity an initial homeowner has in the property is determined by computing the sum of the following:

(i) The contribution to equity paid by the family (such as any downpayment (in the form of cash or the value of sweat equity) and any amount paid towards principal on a mortgage loan during the period of ownership);

(ii) The value of any improvements (not including normal or routine maintenance) installed at the expense of the family during the family’s tenure as owner (including improvements made through sweat equity), as determined by the recipient or other entity specified in the approved application based on evidence of amounts spent on the improvements, including the cost of material and labor (or the value of the sweat equity); and

(iii) The appreciated value, determined by applying the Consumer Price Index (Urban Consumers) or other HUD approved index against the contribution to equity under paragraphs (d)(i) and (ii) of this section.

(2) The recipient (or other entity) may, at the time of initial sale, enter into an agreement with the family to set a maximum amount which this appreciation may not exceed.

(3) Amounts that count towards a family’s equity may not also count towards the match.

(d) Promissory note. (1) If the purchase price of the unit (adjusted, if applicable as described in this paragraph) paid by the initial homebuyer is less than the fair market value of the property (based on an appraisal of the value of the unit after rehabilitation to applicable program standards conducted in accordance with the appraisal requirements in §572.100(b)), the initial homebuyer must, at closing, execute a non-amortizing, nonrecourse, noninterest-bearing promissory note, in a form acceptable to HUD, equal to the difference between such fair market value of the unit and the adjusted purchase price, together with a security instrument securing the obligation of the note and recorded in local land records or other applicable system of recordation appropriate to the type of security interest being recorded. The note must be payable to the recipient or other entity designated in the approved homeownership plan. In determining the amount of the promissory note and for that purpose only, the purchase price must be adjusted by deducting all substantial amounts of financial assistance with respect to the family’s acquisition or rehabilitation of the unit that would result in an undue profit to the family if it were to sell the unit at the
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD § 572.135

beginning of the 7th year of homeownership. (See paragraph (c) of this section for an additional restriction on reversion to the homeowner on re-sales during the first six years.) For this purpose, "substantial financial assistance" includes all forms of assistance or subsidy from HOPE 3 resources that reduce the cash return (sales proceeds) received by the recipient for the unit below its appraised after-rehabilitation fair market value by more than a total of $4,000, including (without limitation) discounted purchase prices, downpayment assistance, and rehabilitation or purchase money grants or loans that are not repayable on an amortizing basis. Financing to homeowners provided from HOPE 3 resources may not be assumed by subsequent homebuyers.

(2) With respect to a sale by an initial homeowner, the note must require payment upon sale by the initial homeowner, to the extent proceeds of the sale remain after paying off other outstanding debt secured by the property that was incurred for the purpose of acquisition or property improvement, paying any other amounts due in connection with the sale, and paying the family the amount of its equity in the property, computed in accordance with paragraph (c) of this section.

(3) With respect to a sale by an initial homeowner after the first six years after acquisition, through the 20th year, the amount payable under the note must be reduced by 1/168 of the original principal amount of the note for each full month of ownership by the family after the end of the sixth year. The homeowner may retain all other proceeds of the sale.

(4) Where a subsequent purchaser during the 20-year period, measured by the term of the initial promissory note, purchases the property for less than the then current fair market value (determined in accordance with the appraisal requirements in §572.100(b)), the purchaser must also execute at closing a promissory note and mortgage (to be recorded as stated in paragraph (d)(1) of this section) payable to the recipient or its designee, for the amount of the discount (but no more than the amount payable at the time of the sale on the promissory note by the seller). The term of the promissory note must be the period remaining of the original 20-year period. The note must require payment upon sale by the subsequent homeowner, to the extent proceeds of the sale remain after covering costs of the sale, paying off other outstanding debt secured by the property that was incurred for the purpose of acquisition or property improvement, and paying any other amounts due in connection with the sale. The amount payable on the note must be reduced by a percentage of the original principal amount of the note for each full month of ownership by the subsequent homeowner. The percentage must be computed by determining the percentage of the term of the promissory note the homeowner has owned the property. The remainder may be retained by the subsequent homeowner selling the property.

(e) Additional restrictions. Notwithstanding paragraph (a) of this section, an applicant may propose in its application, and HUD may approve, additional reasonable restrictions on the resale of units under the program. HUD does not encourage additional restrictions, but HUD approval will be based on a review of the individual circumstances. However, HUD will not approve restrictions that it determines will substantially limit the ability of homeowners to realize financial appreciation in the value of their homes.

§ 572.135 Use of proceeds from sales to eligible families, resale proceeds, and program income.

(a) Proceeds from sales. The recipient or another entity approved by HUD must use the proceeds, if any, from the initial sale for costs of their HOPE 3 program, including additional homeownership opportunities eligible under the HOPE 3 program, improvements to properties under the HOPE 3 program, business opportunities for low-income families participating in the HOPE 3 program, supportive services related to the HOPE 3 program, and other activities approved by HUD, either as part of the approved application or later on request. Such proceeds include the full consideration received by the recipient.
or other entity for the property, including principal and interest on purchase money loans from HOPE 3 funds or match.

(b) Resale proceeds. Fifty percent of any portion of the net sales proceeds that may not be retained by the homeowner under §572.130(c), (d), and (e) must be paid to the recipient, or another entity approved by HUD, for use for additional homeownership opportunities eligible under the HOPE 3 program, improvements to properties under the HOPE 3 program, business opportunities for homeowners under the HOPE 3 program, supportive services related to the HOPE 3 program, and other activities approved by HUD in the approved homeownership program or later on request. The remaining 50 percent must be collected by the recipient and returned to HUD within 15 days of the sale for use under the HOPE 3 program, subject to any limitations contained in appropriations Acts.

(c) Requirements for use of sale and resale proceeds. Sale and resale proceeds must be committed for approved activities within one year of receipt. All sale and resale proceeds must be accounted for by the recipient, and 50 percent of all resale proceeds received by the recipient must be returned to HUD, as described in paragraph (b) of this section. Recipients may use up to 15 percent of their sale and resale proceeds for administrative expenses to expand their HOPE 3 program and provide additional homeownership opportunities. Recipients must retain records on the use of these funds to the same level of detail as required of grant funds under the HOPE 3 system or whatever records HUD otherwise prescribes. The recipient, and any other entity approved by HUD to administer the sale and resale proceeds, remain responsible to comply with the requirements of this part, or such other requirements as HUD may prescribe (consistent with then applicable law) in closeout procedures or agreements.

(d) Program income. Any program income, as defined in §572.5, received by the recipient may be added to the funds committed to the grant agreement by HUD and the recipient, in accordance with the requirements of parts 84 and 85 of this title, as applicable.

§ 572.140 Third party rights.

The rights of third parties are governed by 42 U.S.C. 12895(d) and apply to the requirements of this part.

[61 FR 48798, Sept. 16, 1996]

§ 572.145 Displacement prohibited; protection of nonpurchasing residents.

(a) Displacement prohibited. (1) No person may be displaced from his or her dwelling as a direct result of a homeownership program under this part. This does not preclude terminations of tenancy for violation of the terms of occupancy of the unit. Each resident of an eligible property on the date the application for an implementation grant was submitted to HUD and each resident at the time the property is selected must be given an opportunity to become a homeowner under this program if the resident qualifies as an eligible family and meets other program requirements. If the resident does not qualify or does not elect to move, the property is not eligible. The protections provided to residents under this section do not apply to the former owner of the property if the property is acquired from him or her as a result of a tax or mortgage foreclosure.

(2) In addition to any applicable sanctions under the grant agreement, a violation of paragraph (a)(1) of this section may trigger a requirement to provide relocation assistance in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and government-wide implementing regulations at 49 CFR part 24.

(b) Relocation assistance for residents who elect to move. The recipient must offer each nonpurchasing resident who elects to move relocation assistance in accordance with the approved homeownership program. The program must provide, at least, the following assistance:

(1) Advisory services, including timely information, counseling (including
the provision of information on a resident’s rights under the Fair Housing Act), and referrals to suitable, affordable, decent, safe, and sanitary alternative housing;

(2) Payment for actual, reasonable moving expenses; and

(3) Financial assistance sufficient to permit relocation to suitable, affordable, decent, safe, and sanitary housing. This requirement is met if the family is provided the opportunity to relocate to suitable, decent, safe, and sanitary housing for which the monthly rent and estimated average utility costs do not exceed the greater of 30 percent of the person’s income or the person’s monthly rent before relocation and the estimated average monthly utility costs. The homeownership program must specify the period for which replacement housing assistance will be provided to persons who do not receive assistance through a Section 8 rental certificate or voucher or other housing program subsidy.

(c) Temporary relocation. The recipient must provide each resident of an eligible property, who is required to relocate temporarily to permit work to be carried out, with suitable, decent, safe, and sanitary housing for the temporary period and must reimburse the resident for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the costs of moving to and from the temporarily occupied housing and any increase in monthly costs of rent and utilities.

(d) Notice of relocation assistance. As soon as feasible, each recipient must give each resident of an eligible property a written description of the applicable provisions of this section.

Subpart C—Grants

§572.200 Planning grants.

Any planning grants made by HUD under the HOPE 3 program will continue to be governed by the provisions in this section in effect immediately before October 16, 1996. When or before HUD announces the availability of funds for planning grants under this part, these provisions will be recodified.

[61 FR 48798, Sept. 16, 1996]

§572.205 Planning grants—eligible activities.

Any planning grants made by HUD under the HOPE 3 program will continue to be governed by the provisions in this section in effect immediately before October 16, 1996. When or before HUD announces the availability of funds for planning grants under this part, these provisions will be recodified.

[61 FR 48798, Sept. 16, 1996]

§572.210 Implementation grants.

(a) General authority. Any implementation grants for the purpose of carrying out homeownership programs approved under this part will be awarded using a selection process and selection criteria to be published in a NOFA.

(b) Deadline for completion. A recipient must spend all implementation grant amounts within 4 years from the effective date of the grant agreement. The appropriate HUD field office may approve a request to extend the deadline when it determines that an extension is warranted. A previously approved grant amount may not be amended to increase the grant amount.

(c) Program closeout. Recipients will comply with closeout procedures as issued by HUD.

§572.215 Implementation grants—eligible activities.

Implementation grants may be used for the reasonable costs of eligible activities necessary to carry out a homeownership program under this part. Only costs incurred on or after the effective date of an implementation grant agreement qualify for funding under this part. Eligible activities include:

(a) Acquisition of eligible properties by the recipient. Acquisition of eligible properties for the purpose of transferring ownership interests to eligible families in a homeownership program under this part, in accordance with §572.100. (Where the applicant owns the

Eligible property or where HUD otherwise determines that an “arms length” relationship for acquisition does not exist, program funds may not be used for acquisition of the property for the program. However, if the property is owned by an eligible source, it may be donated as match in accordance with §572.220(b)(4).

(b) Recipient closing costs. Customary and reasonable closing costs of the buyer associated with the purchase of eligible properties under the program.

(c) Financial assistance to homebuyers. Provision of assistance to families to make acquisition and rehabilitation of eligible properties affordable, in accordance with §572.105(b).

(d) Rehabilitation. Rehabilitation of the eligible property covered by the homeownership program, in accordance with standards and cost limitations established by HUD in §572.100.

(e) Architectural and engineering work. Architectural and engineering work, and related professional services required to prepare architectural plans or drawings, write-ups, specifications or inspections, including lead-based paint evaluation.

(f) Relocation. Relocation of residents in eligible properties who elect to move, in accordance with §572.145(b).

(g) Temporary relocation of homebuyers. Temporary relocation of residents during rehabilitation, in accordance with §572.145(c).

(h) Legal fees. Customary and reasonable costs of professional legal services.

(i) Replacement reserves. A single replacement reserve for the properties under the program if necessary, in accordance with §572.125.

(j) Homebuyer outreach and selection. Reasonable and necessary costs of marketing the program to potential homebuyers and of identifying and selecting homebuyers under the program. These costs may include costs related to implementing the affirmative fair housing marketing strategy required under §572.110.

(k) Counseling and training. Counseling and training of only those homebuyers (and their alternates) and homeowners selected under the homeownership program. This may include such subjects as personal financial management, home maintenance, home repair, construction skills (especially where the eligible family will do some of the rehabilitation), property management for owners of multi-unit properties, and the general rights and responsibilities of homeownership.

(l) Property management and holding costs. Reasonable and necessary costs related to properly maintaining and securing eligible properties after acquisition or donation and before sale to an eligible homebuyer. These costs may include property insurance expenses, security costs, property taxes, utility charges, and other costs related to sound property management of recipient-owned properties before sale under the program. These costs may not be charged relative to eligible properties donated to the program by the recipient or another entity that HUD determines does not have an “arm’s length” relationship with the recipient.

(m) Recipient training needs. Defraying costs for ongoing training needs of the recipient for courses of instruction that are directly related to developing and carrying out the homeownership program.

(n) Economic development. Economic development activities that promote economic self-sufficiency of homebuyers and homeowners under the homeownership program. The economic development activities must be directly related to the homeownership program, and may only benefit families and individuals who are homeowners or who have been selected as homebuyers under the program. These costs are limited to job training or retraining and day care costs of those participating in job training and retraining activities approved under the HOPE 3 program. The recipient must enter into written agreements with the providers of economic development services specifying the services to be provided, including estimates of the numbers of homebuyers and homeowners to be assisted. The aggregate amount of planning and implementation grants that may be used for economic development activities related to any one program may not exceed $250,000.

(o) Administrative costs. Reasonable and necessary costs, as described and valued in accordance with the OMB.
Circular Nos. A–87 or A–122, as applicable, incurred by a recipient in carrying out the HOPE 3 program. The total amount that may be spent on administrative activities from the implementation grant and any contribution toward the match may not exceed 15 percent of the amount of the grant. For purposes of complying with the 15 percent limitation, administrative costs do not include the cost of activities that are separately eligible under this section.

(p) Other activities. Other activities proposed by the applicant, to the extent the applicant justifies them as necessary for the proposed homeownership program and HUD approves them.

[58 FR 36526, July 7, 1993, as amended at 64 FR 50226, Sept. 15, 1999]

§ 572.220 Implementation grants—matching requirements.

(a) General requirements. (1) Except as provided in paragraph (a)(3) of this section, each recipient must assure that matching contributions equal to not less than 33 percent (or 25 percent for grants awarded after April 11, 1994) of the amount of the implementation grant shall be provided from non-Federal sources to carry out the homeownership program. Amounts contributed to the match must be used for eligible activities or in accordance with the requirements of this section.

(2) All contributions toward eligible activities to be counted toward the match must be provided no later than the deadline for completion of program activities established in accordance with § 572.210(f), except as permitted in paragraphs (b)(1)(iv)(B) and (b)(3) of this section.

(3) When the recipient is an IHA, and the IHA (acting in that capacity) has not received, and will not receive, amounts under title I of the Housing and Community Development Act of 1974 for the fiscal year in which HUD obligates HOPE grant funds, the match requirements under this section will not apply.

(b) Form. Contributions may only be in the form of:

(1) Cash contributions. (i) Cash contributions from non-Federal resources contributed permanently for uses under the HOPE 3 program by the applicant, non-Federal public entities, private entities, or individuals, except that a cash contribution in the form of a down payment made by an eligible family may not count as a matching contribution. Funds will be considered permanently contributed if all principal, interest, and any other return on the contribution are used for eligible activities in accordance with program requirements.

(ii) Non-Federal resources may include:

(A) Contribution of trust funds held by Federal agencies for Indian tribes;

(B) PHA section 8 operating reserve funds, where approved by HUD;

(C) Income from a Federal grant earned after the end of the award period, if no Federal programmatic requirements govern the disposition of the program income.

(D) Amounts, determined in accordance with paragraph (b)(1)(iv)(B) of this section, that have been requested by the applicant in an application submitted to the Federal Housing Finance Board for assistance under its affordable housing program, so long as the application is approved within 30 days of HUD’s conditional approval of the HOPE 3 application.

(ii) Non-Federal resources may not include:

(A) Funds from a Community Development Block Grant under section 106(b) or section 106(d), respectively, of the Housing and Community Development Act of 1974, except to the extent permitted for administrative expenses under paragraph (b)(2) of this section;

(B) Federal tax expenditures, including low-income housing tax credits.

(iv) The grant equivalent of a below-market interest rate loan to the homebuyer from non-Federal resources, where all repayments, interest, and other return will not be permanently contributed to the HOPE 3 program, may be counted as a cash contribution. The grant equivalent of a below market interest rate loan must be calculated in accordance with paragraphs (b)(1)(iv)(A) and (B) of this section—

(A) If the loan is made from proceeds of obligations issued by or on behalf of a public body that are exempt from taxation by the United States, the contribution is the present discounted
§ 572.220

Cash value of the difference between payments to be made on the borrowed funds and payments to be received on the loan to the homebuyer, based on a discount rate equal to the interest rate on the borrowed funds;

(B) If the loan is made from funds other than under paragraph (b)(1)(iv)(A) of this section, the contribution is the present discounted cash value of the yield forgone, calculated based on a discount rate approved or prescribed by HUD. In determining the yield forgone, the recipient must use as a measure of a market yield one of the following, as appropriate:

(1) With respect to housing financed with a fixed interest rate mortgage, a rate equal to the 10-year Treasury note rate plus 200 basis points; or

(2) With respect to housing financed with an adjustable interest rate mortgage, a rate equal to the one-year Treasury bill rate plus 250 basis points.

(v) Cash contributions may also be made from sales proceeds from the Turnkey III Homeownership and Mutual Help programs, as approved by HUD, or an approved homeownership program under section 5(h) of the 1937 Act.

(2) Administrative costs. (i) Contributions of eligible administrative services up to a value equal to 7 percent of the amount of the implementation grant. This limitation is in addition to the 15 percent limitation on administrative costs (see §572.215(o)).

(ii) If an applicant proposes to contribute administrative services, HUD will automatically approve an applicant’s assurances for matching purposes that it will pay eligible administrative costs from non-Federal sources in an amount up to 7 percent of the implementation grant, and will not require further documentation of those expenditures for purposes of the HOPE 3 program. If a recipient uses more than 6 percent of its implementation grant to pay administrative costs, the amount credited toward the match will be reduced to less than 7 percent to stay within the 15 percent limitation.

(iii) Non-Federal resources, for the purposes of counting contributions for administrative costs, may include funds from a Community Development Block Grant under section 106(b) or section 106(d) of the Housing and Community Development Act of 1974 and are subject to the recordkeeping and documentation requirements of that program.

(3) Taxes, fees, and other charges. (i) The present value of taxes, fees, or other charges that are normally and customarily imposed but are waived, forgone, or deferred in a manner that facilitates the implementation of a homeownership program assisted under this part. Only amounts that would have been imposed after the date a property is acquired by a recipient or other entity for transfer to eligible families, the effective date of the implementation grant agreement if the recipient already owns the property, or the date after an eligible property is acquired directly from an eligible source by an eligible family, as applicable, may be counted towards the match.

(ii) Amounts that would be waived, forgone, or deferred for longer than 20 years from the date a family acquires homeownership interests in the unit may not be counted towards the match.

(iii) The present value of taxes, fees, or other charges waived, forgone, or deferred must be computed by discounting the estimated amount that would be otherwise payable over the time period (up to 20 years) based on a discount rate approved or prescribed by HUD.

(iv) Where the match includes amounts under paragraph (b)(3) of this section, the documents transferring the homeownership interest to the family must evidence the contribution, to the extent the contribution has not already been received.

(4) Real property. Real property contributed for use under an approved homeownership program. To the extent properties were acquired with Federal resources or are donated directly to the program from Federal sources, their value is not an eligible match contribution.

(i) The as-is fair market value of eligible property may be counted as a
contribution toward the match, determined in accordance with a recent appraisal conducted under procedures established or approved by HUD. The maximum value contributed will be limited as provided in §572.100.

(ii) When eligible real property is sold to the recipient or its designee from non-Federal sources at a price below fair market value, the differential between the fair market value and the discounted sales price may be counted toward the match.

(iii) Vacant land from any non-Federal source located on existing streets with available utilities (which need not include laterals) may be contributed for use under the program, but only if a structure acquired or donated from an eligible HOPE 3 source will be moved onto it. The total amount of the contribution and any amount paid from HOPE 3 funds for acquisition of the structure, moving, and rehabilitation costs must be within the limits provided in §572.100.

(5) Infrastructure. The fair market value of investment (as approved by HUD), not made with Federal resources, in on-site and off-site infrastructure that directly contributes to a homeownership program. The infrastructure investment may be counted toward the match only if it was completed no earlier than 12 months before the deadline date set by HUD in the NOFA for receipt of implementation grant applications. Investment in infrastructure may include such activities as new or repaired utility laterals connecting eligible property to the main line and new or rebuilt walkways, sidewalks, or curbs on or contiguous to the eligible property. If the investment in infrastructure also benefits other properties, only the share of the costs directly benefiting the eligible property under the homeownership program may be counted toward the match.

(6) Donated labor. All donated labor, including sweat equity provided by a homebuyer or homeowner, to be valued at $10 an hour or at a rate promulgated by HUD in the NOFA, except for donated professional labor, as approved by HUD, including professional labor by homebuyers and homeowners. The donated professional labor will be valued at the fair market value of the work completed. Professional labor is work ordinarily performed by the donor for payment, such as work by attorneys, electricians, carpenters, and architects that is equivalent to work they do in their occupations. Sweat equity may be counted toward the match only if it is not also counted toward a family’s equity.

(7) Donated materials and supplies. Donated materials and supplies may be counted toward the match contribution at their fair market value. The recipient must maintain a written enumeration of what donated materials and supplies are being used in the program, as well as documentation of their cost or value.

(8) Other in-kind contributions. The reasonable value of in-kind contributions proposed by the applicant in the application and approved by HUD. In reviewing proposed in-kind contributions, HUD will review to ensure:

(i) The proposed contribution is to be used for an eligible activity under the proposed homeownership program;

(ii) The application demonstrates that the proposed in-kind contribution will actually be provided; and

(iii) The proposed value of the contribution is reasonable. In determining whether the value is reasonable, HUD will generally consider the amount such contribution would otherwise cost the program.

§572.225 Grant agreements; corrective and remedial actions.

(a) Terms and conditions. After HUD approves an application for a planning grant or an implementation grant under this part, it will enter into a grant agreement with the recipient setting forth the amount of the grant and applicable terms and conditions. The grant agreement will be effective for purposes of this part and funds may be disbursed under the Cash and Management Information (C/MI) System, described in §572.230, after the grant agreement has been executed by the authorized official of the recipient and HUD. Among other things, the grant agreement will provide that the recipient agrees:
(1) To carry out the program in accordance with the provisions of this part, applicable law, the approved application, and all other applicable requirements; and

(2) To comply with such other terms and conditions, including record-keeping and reports, as HUD may establish for the purposes of administering, monitoring, and evaluating the program in an effective and efficient manner.

(b) Corrective and remedial actions. (1) HUD may withhold, withdraw, or recapture any portion of a grant, terminate the grant agreement, or take other appropriate action authorized under the grant agreement, if HUD determines that the recipient is failing to carry out the approved homeownership program in accordance with the terms of the approved application and this part, including failure to provide the contributions toward the match. Corrective or remedial actions that HUD may instruct the recipient to undertake include:

(i) Preparing and following a schedule of actions or a management plan for properly completing the approved activities;

(ii) Cancelling or revising the affected activities before expending grant funds for them, revising the grant budget as necessary, and substituting other eligible activities;

(iii) Discontinuing draws under the C/MI System, and not incurring further costs for the affected activities;

(iv) Reimbursing its HOPE 3 program account in the amount not used in accordance with this part and the grant agreement; and

(v) In the case of implementation grants, making additional matching contributions in substitution for contributions not in compliance with this part and the grant agreement will be made, before additional draws are made.

(2) If HUD determines that the recipient is not complying with the corrective or remedial actions agreed upon with the recipient, or as otherwise authorized in the grant agreement, HUD may implement the following additional corrective and remedial actions:

(i) Changing the method of payment under the C/MI System to a reimbursement basis;

(ii) Suspending the recipient’s authority to make draws under the C/MI System for affected activities;

(iii) Reducing (deobligating) the grant in the amount affected by the performance deficiency, including, in the case of implementation grants, failure to furnish matching contributions in the required amount;

(iv) Terminating the grant for all further activities and initiating close-out procedures;

(v) Taking action against the recipient under 2 CFR part 2424 with respect to future HOPE 3, HUD, or federal grant awards; and

(vi) Taking any other remedial action legally available.

(3) If the amount of grant funds that has been disbursed under the C/MI System exceeds the amount finally determined by HUD to be authorized (including any authorized deobligation), the recipient must repay such excess amount to HUD, and will have no right to reclaim or reuse such excess amount.

(c) Failure to complete and transfer a property to a homebuyer. If a property assisted under this part or credited as match is not completed and transferred to homebuyers as required under this part, whether voluntarily by the recipient or otherwise, grant expenditures on the property are considered ineligible, and HOPE 3 funds for acquisition and rehabilitation must be repaid to the program account. Preliminary costs (such as architectural and engineering, inspection, and appraisal fees) expended before acquisition are considered general program expenses and need not be repaid.

(d) Failure to provide homeownership opportunities under an implementation grant. Failure to provide at least 70 percent of the number of homeownership opportunities proposed in the application for an implementation grant within the timeframe specified in §572.210(f) may result in remedial actions, as described in paragraph (b) of
§ 572.230 Cash and Management Information (C/MI) System.

Disbursement of HOPE 3 grant funds is managed through HUD’s Cash and Management Information (C/MI) System for the HOPE 3 program. Funds that may be disbursed through the C/MI System include funds awarded to the recipient and obligated through the grant approval letter issued by HUD. HOPE 3 funds are drawn down by the recipient or its authorized designee from a United States Treasury account for the program, using the Treasury Automated Clearinghouse (ACH) System. Any drawdown of HOPE 3 funds from the United States Treasury account is conditioned upon the submission of satisfactory information about the program and compliance with other procedures specified by HUD in HUD’s forms and issuances concerning the C/MI System.

§ 572.235 Amendments.

Amendments to the approved program must be documented or approved by HUD in accordance with instructions provided by HUD.

Subpart D—Selection Process

§ 572.300 Notices of funding availability (NOFAs); grant applications.

When funds are made available for planning grants or implementation grants under this part, HUD will publish a NOFA in the Federal Register, in accordance with the requirements of part 4 of this title, and will select applications for funding on a competitive basis as provided in the applicable NOFA.

§ 572.315 Rating criteria for planning grants.

Any planning grants made by HUD under the HOPE 3 program will continue to be governed by the provisions in this section in effect immediately before October 16, 1996. When or before HUD announces the availability of funds for planning grants under this part, these provisions will be recodified.

§ 572.400 Consolidated plan.

Applicants must provide a certification of consistency with the approved consolidated plan, in accordance with 24 CFR 91.510.

§ 572.405 Nondiscrimination and equal opportunity requirements.

In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, the following requirements apply to homeownership programs under this part:

(a) Modification of fair housing and nondiscrimination requirements for Indian tribes and IHAs. (1) The Indian Civil Rights Act (25 U.S.C. 1301 et seq.) applies to tribes when they exercise their powers of self-government. Thus, it is applicable in all cases when an IHA has been established by exercise of such powers. In the case of the IHA established pursuant to State law, the applicability of the Indian Civil Rights Act shall be determined on a case-by-case basis. Development subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(b) Affirmative fair housing marketing. The recipient must adopt a strategy for informing and soliciting applications from people who are least likely to apply, because of race, color, religion, sex, disability, familial status, or national origin, for the program without special outreach, consistent with the
§ 572.410 Environmental procedures and standards.

(a) Planning grants. HUD has determined that its approval of applications for planning grants under this part is

affirmative fair housing marketing requirements. (See 24 CFR 92.351 for an example of an affirmative strategy.) Paragraph (b) of this section does not apply to Indian tribes and IHAs, as described in paragraph (a)(1) of this section.

(c) Authority for collection of racial, ethnic, and gender data. HUD requires submission of racial, ethnic, and gender data under this part under the authority of section 562 of the Housing and Community Development Act of 1987 and section 908(e)(6) of the Fair Housing Act.

(d) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPE 3 program. Neither the Federal government nor a State or local government receiving funds under HOPE 3 programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(2) Organizations that are directly funded under the HOPE 3 program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the HOPE 3 program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPE 3 funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPE 3-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPE 3-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(4) An organization that participates in the HOPE 3 program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) HOPE 3 funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HOPE 3 funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOPE 3 funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOPE 3 funds in this part. Sanctuaries, chapels, or other rooms that a HOPE 3-funded religious congregation uses as its principal place of worship, however, are ineligible for HOPE 3-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

categorically excluded from environmental review and compliance requirements of the National Environmental Policy Act of 1969 (NEPA) and that other Federal environmental laws and authorities listed in 24 CFR 50.4 are not applicable.

(b) Implementation grants. (1) Recipients of implementation grants must comply with the applicable environmental laws and authorities at 24 CFR 50.4 and must:

(i) Supply HUD with information necessary for it to perform any necessary environmental review of the property (or neighborhood);

(ii) Carry out mitigating measures required by HUD or select alternate eligible property; and

(iii) Not acquire or otherwise carry out program activities with respect to any eligible property until HUD approval for the property (or neighborhood) is received.

(2) Before any amounts under this part are used to acquire or rehabilitate an eligible property, HUD must determine whether the proposed activities trigger applicability thresholds for the applicable Federal environmental laws and authorities. These may apply when the property is:

(i) Located within designated coastal barriers;

(ii) Listed on, or eligible for listing on, the National Register of Historic Places; or is located within, or adjacent to, an historic district;

(iii) Located near hazardous operations handling fuels or chemicals of an explosive or flammable nature;

(iv) Contaminated by toxic chemicals or radioactive materials;

(v) Located within a runway clear zone at a civil airport or within a clear zone or accident potential zone at a military airfield; or

(vi) Located within a special flood hazard area or within a location requiring flood insurance protection.

(3) A recipient may choose to make the threshold reviews itself or with assistance from State or local governments or qualified persons or to refer the property to HUD for threshold review. Where the recipient makes the threshold review itself, it must submit the result to HUD.

(4) If a recipient chooses not to make the threshold reviews, it must submit information to HUD to permit HUD to make the review.

(5) If HUD determines on the basis of the recipient’s threshold review or HUD’s threshold review that one or more of the thresholds are exceeded, HUD will conduct an environmental review of that issue and, if appropriate, establish mitigating measures that the recipient must carry out for the property unless it decides to select an alternate property.

§ 572.415 Conflict of interest.

(a) Conflict of interest. In addition to the conflict of interest requirements in OMB Circular A–110 1 and 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or cooperating entity named in the application and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, except that a resident of an eligible property may acquire an ownership interest.

(b) Exception. HUD may grant an exception to the exclusion in paragraph (a) of this section on a case-by-case basis when it determines that such an exception will serve to further the purposes of the HOPE 3 program and the effective and efficient administration of the local homeownership program. An exception may be considered only after the applicant or recipient has provided a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict, a description of how the public disclosure was made,

1See §572.425(b) concerning availability of OMB Circulars.
§ 572.420 Miscellaneous requirements.

(a) Application of OMB Circulars. (1) The policies, guidelines, and requirements of OMB Circular Nos. A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments) apply to the award, acceptance, and use of assistance under this program by applicable entities, except where inconsistent with the provisions of Federal statutes or this part. Recipients are subject to the audit requirements of OMB Circular A–128 (Audits of State and Local Governments) implemented at 24 CFR part 44, and OMB Circular A–133 (Audits of Institutions of Higher Learning and Other nonprofit Institutions), implemented at 24 CFR part 45, as applicable.

(b) Requirements in 24 CFR part 5. The Disclosure requirements; provisions on Debarred, suspended or ineligible contractors; and Drug-Free Workplace requirements, as identified in § 5.105 (b), (c), and (d) of this title, apply to this program.

(c)–(d) [Reserved]

(e) Labor standards. If other Federal programs are used in connection with the HOPE 3 homeownership program, labor standards requirements apply to the extent required by such other Federal programs.

(f) Flood insurance. Pursuant to the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128), the recipient may not provide financial assistance for the acquisition or rehabilitation of properties located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(1) The community in which the area is situated is participating in the National Flood Insurance program (see 44 CFR parts 59 through 79), or less than one year has passed since FEMA notification regarding such hazards; and

(2) Flood insurance is obtained as a condition of the acquisition or rehabilitation of the property.
(g) Coastal Barrier Resources Act. Pursuant to the Coastal Barrier Resources Act (16 U.S.C. 3601), HUD will not approve use of properties in the Coastal Barrier Resources System.

(h) Lead-based paint activities. The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K and R of this title apply to activities under these programs.

§572.425 Recordkeeping and reports; audit of recipients.

(a) General records. Each recipient must keep records that will facilitate an effective audit to determine compliance with program requirements and that fully disclose:

1. The amount and disposition by the recipient of the planning and implementation grants received under this part, including sufficient records that document the reasonableness and necessity of each expenditure;

2. The amount and disposition of proceeds from financing obtained in connection with the program, sales to eligible families, and any funds recaptured upon sale by the homeowner;

3. The total cost of the homeownership program;

4. The amount and nature of any other assistance, including cash, property, services, or other items contributed as a condition of receiving an implementation grant;

5. The cost or other value of all in-kind contributions towards the match required by §572.220; and

6. Any other proceeds received for, or otherwise used in connection with, the homeownership program under this part.

(b) Family size and income; racial, ethnic, and gender data. The recipient must maintain records on the family size and income, and racial, ethnic, and gender characteristics of families who apply for homeownership and families who become homeowners.

(c) Selection procedures. The recipient must maintain a copy of its procedures for identifying and selecting eligible families in accordance with §572.110, and records documenting the eligibility of each family selected for homeownership.

(d) Rehabilitation standards. The recipient must maintain written rehabilitation standards required by §572.100(d)(5).

(e) Cooperative and condominium agreements. The recipient must maintain a copy of any condominium and cooperative association agreements for properties under a homeownership program approved under this part.

(f) Amounts available for reuse. The recipient must keep and make available to HUD all records necessary to calculate accurately payments due to HUD under §572.135(b) and (c).

(g) Access by HUD and the Comptroller General. For purposes of audit, examination, monitoring, and evaluation, each recipient must give HUD (including any duly authorized representatives and the Inspector General) and the Comptroller General of the United States (and any duly authorized representatives) access to any books, documents, papers, and records of the recipient that are pertinent to assistance received under this part, including all records required to be kept under this section.

(h) Reports. The recipient must submit reports required by HUD.

(Approved by the Office of Management and Budget, with respect to implementation grants, under control number 2506–0128)
§ 573.1 Authority and purpose.

Section 4 of the Church Arson Prevention Act of 1996 (Pub. L. 104–155, approved July 3, 1996) authorizes HUD to guarantee loans made by financial institutions to certain nonprofit organizations to finance activities designed to remedy the damage and destruction to real and personal property caused by acts of arson or terrorism. This part establishes the general procedures and requirements that apply to HUD’s guarantee of these loans.

§ 573.2 Definitions.

The following definitions are only applicable to loan guarantees under this part, and are not criminal definitions.

Arson means a fire or explosion causing damage to (or destruction of) real or personal property that a Qualified Certification Official determines, or reasonably believes, to be deliberately set.

Borrower means an organization described in section 501(c)(3) of the Internal Revenue Code of 1986, as amended, whose property has been damaged or destroyed as a result of an act of arson or terrorism and that incurs a debt obligation to a financial institution for the purpose of carrying out activities eligible under its part.

Financial Institution means a lender which may be a bank, trust company, savings and loan association, credit union, mortgage company, or other issuer regulated by the Federal Deposit Insurance Corporation, the Office of Thrift Supervision, the Credit Union Administration, or the U.S. Comptroller of the Currency. A Financial Institution may also be a Pension Fund.

Guarantee means an obligation of the United States Government guaranteeing payment of the outstanding principal loan amount, in whole or in part, plus interest thereon, on a debt obligation of the Borrower to a Financial Institution upon failure of the Borrower to repay the debt.

Guaranteed Loan Funds means funds received by the borrower from the Financial Institution to finance eligible activities under this part, the repayment of which is guaranteed by HUD.

Loan Guarantee Agreement means an agreement between a Financial Institution and the Secretary detailing the rights, responsibilities, procedures, terms, and conditions under which a loan provided by a Financial Institution to a Borrower may be guaranteed under section 4 of the Act.

Qualified Certification Official (QCO)—

(1) For the purpose of certifying an act of arson.

A State or local official authorized to investigate possible acts of arson. For the purposes of this definition, such an official is authorized to execute an Official Incident Report or its equivalent and may be an official or employee of such agencies as the local fire department, the local police department, or the State Fire Marshall Office or its equivalent. The term “Qualified Certification Official” also includes HUD, which will consult with the Bureau of Alcohol, Tobacco, and Firearms of the Department of the Treasury in making its determinations.

(2) For the purpose of certifying an act of terrorism.

The Secretary or his designee, in consultation with the Federal Bureau of Investigation, shall determine whether an act of violence is a terrorist act or is reasonably believed to be a terrorist act.

Section 4 Guaranteed Loan means a HUD guaranteed loan made by a Financial Institution to a Borrower for the purpose of carrying out eligible activities to address damage or destruction caused by acts of arson or terrorism.

Terrorism means an act of violence causing damage to (or destruction of) real or personal property that the Secretary or his designee, in consultation with the Federal Bureau of Investigation, determines to be, or reasonably believes to be, a terrorist act, as defined by applicable Federal law or guidelines.

§ 573.3 Eligible activities.

Guaranteed Loan Funds may be used by a Borrower for the following activities when it is certified in accordance
with §573.6(e) that the activity is necessary to address damage caused by an act or acts of arson or terrorism as certified in accordance with §573.6(f):

(a) Acquisition of improved or unimproved real property in fee or under long term lease.

(b) Acquisition and installation of personal property.

(c) Rehabilitation of real property owner, acquired, or leased by the Borrower.

(d) Construction, reconstruction, or replacement of real property improvement.

(e) Clearance, demolition, and removal, including movement of structures to other sites, of buildings, fixtures and improvements on real property.

(f) Site preparation, including construction, reconstruction, or installation of site improvements, utilities, or facilities, which is related to the activities described in paragraph (a), (c), or (d) of this section.

(g) Architectural, engineering, and similar services necessary to develop plans in connection with activities financed under paragraph (a), (b), (c), or (d) of this section.

(h) Acquisition, installation and restoration of security systems.

(i) Loans for refinancing existing indebtedness secured by a property which has been or will be acquired, constructed, rehabilitated or reconstructed, if such financing is determined to be appropriate to achieve the objectives of the Act and this part.

(j) Other necessary project costs such as insurance, bonding, legal fees, appraisals, surveys, relocation, closing costs, etc., paid or incurred by the Borrower in connection with the completion of the above activities.

§ 573.6 Submission requirements.

A Financial Institution seeking a Section 4 Guaranteed Loan must submit to HUD the following documentation:

(a) A statement that the institution is a Financial Institution as defined at §573.2.

(b) A statement that the Borrower is eligible as defined at §573.2.

(c) A description of each eligible activity for which the loan is requested.

(d) A statement of other available funds to be used to finance the eligible activities (e.g., insurance proceeds).
§ 573.7 Loan guarantee agreement.

(a) The rights and responsibilities with respect to the guaranteed loan shall be substantially described in an agreement entered into between the Financial Institution, as the lender, and the Secretary, as the guarantor, which agreement shall provide that:

(1) The lender has submitted or will submit a request for loan guarantee assistance that is accompanied by the Borrower’s request for a loan to carry out eligible activities described in § 573.3;

(2) The lender will require the Borrower to execute a promissory note promising to repay the guaranteed loan in accordance with the terms thereof;

(3) The lender will require the Borrower to provide collateral security, to an extent and in a form, acceptable to HUD;

(4) HUD reserves the right to limit loan guarantees to loans financing the replacement of damaged property with comparable new property;

(5) The lender will follow certain claim procedures to be specified by HUD in connection with any defaults, including appropriate notification of default as required by HUD;

(6) The lender will follow procedures for payment under the guarantee whereby the lender will be paid (up to the amount of guarantee) the amount owed to the lender less any amount recovered from the underlying collateral security for the loan; and

(7) The lender will act as the fiscal agent for the loan, servicing the guaranteed loan, maintaining loan documents, and receiving the Borrower’s payments of principal and interest. The Borrower and the lender may be required to execute a fiscal agency agreement.

(b) In addition, the agreement shall contain other requirements, terms, and conditions required or approved by HUD.

§ 573.8 Environmental procedures and standards.

The environmental review requirements at 24 CFR part 50 are applicable to this part.

(a) Environmental procedures. Before any lender’s submission requesting a loan guarantee for the acquisition, rehabilitation, or construction of real property can be selected for a loan guarantee, HUD shall determine whether any environmental thresholds are exceeded in accordance with 24 CFR part 50, which implements the National Environmental Policy Act (NEPA) and the related Federal environmental laws and authorities listed under 24 CFR 50.4. To assist in complying with environmental requirements, Borrowers are encouraged to select sites that are free of environmental hazards and are to provide HUD with environmental data needed to make a determination of compliance. For successful Borrowers, the costs for preparing the environmental data are eligible as project costs.

(1) If HUD determines that one or more of the thresholds are exceeded, HUD shall conduct a compliance review of the issue and, if appropriate, establish mitigating measures that the applicant shall carry out for the property.

(2) The lender’s submissions under § 573.6 shall provide HUD with:

(i) Documentation for environmental threshold review; and

(ii) Any previously issued environmental reviews prepared by local, State, or other Federal agencies for the proposed property.

(3) In providing the above information, the Borrower is encouraged to
contact the local community development agency to obtain any previously issued environmental reviews for the proposed property as well as for other relevant information that can be used in the applicant documentation for the environmental threshold review.

(4) HUD reserves the right to disqualify any request where one or more environmental thresholds are exceeded if HUD determines that the compliance review cannot be satisfactorily completed.

(5) If Guaranteed Loan Funds are requested for acquisition, rehabilitation, or construction, Borrowers and Financial Institutions are prohibited from committing or expending State, local, or other funds to undertake property acquisition, rehabilitation or construction under this part until HUD issues a letter of commitment notifying the lender of HUD approval of the loan guarantee.

(b) Environmental thresholds. HUD shall determine whether a NEPA environmental assessment is required. Also, HUD shall determine whether the proposed property triggers thresholds for the applicable Federal environmental laws and authorities listed under 24 CFR 50.4 as follows:

(1) For minor rehabilitation of a building and acquisition of any property, Federal environmental laws and authorities may apply when the property is:

(i) Located within designated coastal barrier resources;

(ii) Contaminated by toxic chemicals or radioactive materials;

(iii) Located within a floodplain;

(iv) A building for which flood insurance protection is required;

(v) Located within a runway clear zone at a civil airport or within a clear zone or accident potential zone at a military airfield; or

(vi) Listed on, or eligible for listing on, the National Register of Historic Places; located within, or adjacent to, an historic district, or is a property whose area of potential effects includes a historic district or property.

(2) For major rehabilitation of a building or for new construction or rebuilding, and environmental assessment under NEPA is required and, in addition to paragraph (b)(1)(i) through (vi) of this section, other Federal environmental laws and authorities may apply when the property:

(i) Affects coastal zone management;

(ii) Is located near hazardous industrial operations handling fuels or chemicals of an explosive or flammable nature;

(iii) Affects a sole source aquifer;

(iv) Affects endangered species;

(v) Is located within a designated wetland; or

(vi) Is located in a high noise area.

(c) Qualified data sources. The environmental threshold information provided by applicants must be from qualified data sources. A qualified data source means any Federal, State, or local agency with expertise or experience in environmental protection (e.g., the local community development agency; the local planning agency; the State environmental protection agency; or the State Historic Preservation Officer) or any other source qualified to provide reliable information on the particular property.

(d) Definition. Minor rehabilitation means proposed fixing and repairs:

(1) Whose estimated cost is less than 75 percent of the estimated cost of replacement after completion;

(2) That does not involve changes in land use from residential to nonresidential, or from nonresidential to residential; and

(3) In the case of residential properties, that does not increase density more than 20 percent.

(e) Project consultants. In achieving compliance with these procedures, Borrower’s architectural and engineering consultants shall consider these environmental factors and provide information in their plan narratives as to how their construction plans conform with the above environmental factors. To facilitate HUD’s compliance with part 50, the Borrower is required to submit the consultant’s information and plan narrative discussing the pertinent environmental factors under this section.

§ 573.9 Other requirements.

(a) Nondiscrimination and equal opportunity. The nondiscrimination and equal opportunity requirements described in 24 CFR part 5, subpart A apply to this part.
§ 573.10 Fees for guaranteed loans.

(a) No fees will be assessed by HUD for its guaranty of a loan under this part.

(b) The lender may assess the Borrower loan origination fees or other charges provided that such fees and charges are those charged by the lender to its other customers for similar transactions, and are no higher than those charged by the lender for similar transactions.

§ 573.11 Record access and recordkeeping.

Records pertaining to the loans made by the Financial Institution shall be held for the life of the loan. A lender with a Section 4 Guaranteed Loan shall allow HUD, the Comptroller General of the United States, and their authorized representatives access from time to time to any documents, papers or files which are pertinent to the guaranteed loan, and to inspect and make copies of such records which relate to any Section 4 Loan. Any inspection will be made during the lender’s regular business hours or any other mutually convenient time.

PART 574—HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS

Subpart A—General

Sec. 574.3 Definitions.

Subpart B—Formula Entitlements

574.100 Eligible applicants.
574.110 Overview of formula allocations.
574.120 Responsibility of applicant to serve EMSA.
574.130 Formula allocations.
574.190 Reallocation of grant amounts.

Subpart C—Competitive Grants

574.200 Amounts available for competitive grants.
574.210 Eligible applicants.
574.240 Application requirements.
574.260 Amendments.

Subpart D—Uses of Grant Funds

574.300 Eligible activities.
574.310 General standards for eligible housing activities.
574.320 Additional standards for rental assistance.
574.330 Additional standards for short-term supported housing.
574.340 Additional standards for community residences.

Subpart E—Special Responsibilities of Grantees and Project Sponsors

574.400 Prohibition of substitution of funds.
574.410 Capacity.
574.420 Cooperation.
574.430 Fee prohibitions.
574.440 Confidentiality.
574.450 Financial records.
Subpart F—Grant Administration

574.300 Responsibility for grant administration.
574.310 Environmental procedures and standards.
574.320 Performance reports.
574.330 Recordkeeping.
574.340 Deobligation of funds.

Subpart G—Other Federal Requirements

574.600 Cross-reference.
574.603 Nondiscrimination and equal opportunity.
574.605 Applicability of OMB circulars.
574.625 Conflict of interest.
574.630 Displacement, relocation and real property acquisition.
574.635 Lead-based paint.
574.640 Flood insurance protection.
574.645 Coastal barriers.
574.650 Audit.
574.655 Wage rates.

AUTHORITY: 42 U.S.C. 3535(d) and 12901–12912.
SOURCE: 57 FR 61740, Dec. 28, 1992, unless otherwise noted.

Subpart A—General

§ 574.3 Definitions.

The terms Grantee and Secretary are defined in 24 CFR part 5.
Acquired immunodeficiency syndrome (AIDS) or related diseases means the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome, including infection with the human immunodeficiency virus (HIV).

Administrative costs mean costs for general management, oversight, coordination, evaluation, and reporting on eligible activities. Such costs do not include costs directly related to carrying out eligible activities, since those costs are eligible as part of the activity delivery costs of such activities.

Applicant means a State or city applying for a formula allocation as described under §574.100 or a State, unit of general local government, or a nonprofit organization applying for a competitive grant as described under §574.210.

City has the meaning given it in section 102(a) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

Eligible Metropolitan Statistical Area (EMSA) means a metropolitan statistical area that has a population of more than 500,000 and has more than 1,500 cumulative cases of AIDS.

Eligible person means a person with acquired immunodeficiency syndrome or related diseases who is a low-income individual, as defined in this section, and the person’s family. A person with AIDS or related diseases or a family member regardless of income is eligible to receive housing information services, as described in §574.300(b)(1). Any person living in proximity to a community residence is eligible to participate in that residence’s community outreach and educational activities regarding AIDS or related diseases, as provided in §574.300(b)(9).

Eligible State means a State that has:
(1) More than 1,500 cumulative cases of AIDS in those areas of the State outside of eligible metropolitan statistical areas that are eligible to be funded through a qualifying city; and
(2) A consolidated plan prepared, submitted, and approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part.
(A State may carry out activities anywhere in the State, including within an EMSA.)

Family is defined in 24 CFR 5.403 and includes one or more eligible persons living with another person or persons, regardless of actual or perceived sexual orientation, gender identity, or marital status, who are determined to be important to the eligible person or person’s care or well-being, and the surviving member or members of any family described in this definition who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death.

Low-income individual has the meaning given it in section 853(3) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Metropolitan statistical area has the meaning given it in section 853(5) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Nonprofit organization means any nonprofit organization (including a State or locally chartered, nonprofit organization) that:
§ 574.100

(1) Is organized under State or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;

(3) Has a functioning accounting system that is operated in accordance with generally accepted accounting principles, or has designated an entity that will maintain such an accounting system; and

(4) Has among its purposes significant activities related to providing services or housing to persons with acquired immunodeficiency syndrome or related diseases.

*Non-substantial rehabilitation* means rehabilitation that involves costs that are less than or equal to 75 percent of the value of the building after rehabilitation.

*Population* means total resident population based on data compiled by the U.S. Census and referable to the same point in time.

*Project sponsor* means any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to carry out eligible activities under this part. The selection of project sponsors is not subject to the procurement requirements of 24 CFR 85.36.

*Qualifying city* means a city that is the most populous unit of general local government in an eligible metropolitan statistical area (EMSA) and that has a consolidated plan prepared, submitted, and approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part.

*Rehabilitation* means the improvement or repair of an existing structure, or an addition to an existing structure that does not increase the floor area by more than 100 percent.

*State* has the meaning given it in section 853(9) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

*Substantial rehabilitation* means rehabilitation that involves costs in excess of 75 percent of the value of the building after rehabilitation.

*Unit of general local government* means any city, town, township, parish, county, village, or other general purpose political subdivision of a State; Guam, the Northern Mariana Islands, the Virgin Islands, American Samoa, the Federated States of Micronesia and Palau, the Marshall Islands, or a general purpose political subdivision thereof; and any agency or instrumentality thereof that is established pursuant to legislation with regard to provisions of the National Affordable Housing Act.

Subpart B—Formula Entitlements

§ 574.100 Eligible applicants.

(a) Eligible States and qualifying cities, as defined in §574.3, qualify for formula allocations under HOPWA.

(b) HUD will notify eligible States and qualifying cities of their formula eligibility and allocation amounts and EMSA service areas annually.

§ 574.110 Overview of formula allocations.

The formula grants are awarded upon submission and approval of a consolidated plan, pursuant to 24 CFR part 91, that covers the assistance to be provided under this part. Certain states and cities that are the most populous unit of general local government in eligible metropolitan statistical areas will receive formula allocations based on their State or metropolitan population and proportionate number of cases of persons with AIDS. They will receive funds under this part (providing they comply with 24 CFR part 91) for eligible activities that address the housing needs of persons with AIDS or related diseases and their families (see §574.130(b)).

[61 FR 7963, Feb. 29, 1996]

§ 574.120 Responsibility of applicant to serve EMSA.

The EMSA’s applicant shall serve eligible persons who live anywhere within the EMSA, except that housing assistance shall be provided only in localities within the EMSA that have a consolidated plan prepared, submitted, and
approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part. In allocating grant amounts among eligible activities, the EMSA's applicant shall address needs of eligible persons who reside within the metropolitan statistical area, including those not within the jurisdiction of the applicant.

§ 574.130 Formula allocations.

(a) Data sources. HUD will allocate funds based on the number of cases of acquired immunodeficiency syndrome reported to and confirmed by the Director of the Centers for Disease Control, and on population data provided by the U.S. Census. The number of cases of acquired immunodeficiency syndrome used for this purpose shall be the number reported as of March 31 of the fiscal year immediately preceding the fiscal year for which the amounts are appropriated and allocated.

(b) Distribution of appropriated funds for entitlement awards. (1) Seventy-five percent of the funds allocated under the formula is distributed to qualifying cities and eligible States, as described in §574.100, based on each metropolitan statistical area’s or State’s proportionate share of the cumulative number of AIDS cases in all eligible metropolitan statistical areas and eligible States.

(2) The remaining twenty-five percent is allocated among qualifying cities, but not States, where the per capita incidence of AIDS for the year, April 1 through March 31, preceding the fiscal year of the appropriation is higher than the average for all metropolitan statistical areas with more than 500,000 population. Each qualifying city’s allocation reflects its EMSA’s proportionate share of the high incidence factor among EMSA’s with higher than average per capita incidence of AIDS. The high incidence factor is computed by multiplying the population of the metropolitan statistical area by the difference between its twelve-month-per-capita-incidence rate and the average rate for all metropolitan statistical areas with more than 500,000 population. The EMSA’s proportionate share is determined by dividing its high incidence factor by the sum of the high incidence factors for all EMSA’s with higher than average per capita incidence of AIDS.

(c) Minimum grant. No grant awarded under paragraph (b) of this section shall be less than $200,000. Therefore, if the calculations under paragraph (b) of this section would result in any eligible metropolitan statistical area or eligible State receiving less than $200,000, the amount allocated to that entity is increased to $200,000 and allocations to entities in excess of $200,000 are proportionately reduced by the amount of the increase.

§ 574.190 Reallocation of grant amounts.

If an eligible State or qualifying city does not submit a consolidated plan in a timely fashion, in accordance with 24 CFR part 91, that provides for use of its allocation of funding under this part, the funds allocated to that jurisdiction will be added to the funds available for formula allocations to other jurisdictions in the current fiscal year. Any formula funds that become available as a result of deobligations or the imposition of sanctions as provided for in §574.540 will be added to the funds available for formula allocations in the next fiscal year.

[57 FR 61740, Dec. 28, 1992, as amended at 60 FR 1918, Jan. 5, 1995]

Subpart C—Competitive Grants

§ 574.200 Amounts available for competitive grants.

(a) The Department will set aside 10 percent of the amounts appropriated under this program to fund on a competitive basis:

(1) Special projects of national significance; and

(2) Other projects submitted by States and localities that do not qualify for formula grants.

(b) Any competitively awarded funds that become available as a result of deobligations or the imposition of sanctions, as provided in §574.540, will be added to the funds available for competitive grants in the next fiscal year.

(c) The competitive grants are awarded based on applications, as described in subpart C of this part, submitted in
response to a Notice of Funding Availability published in the Federal Register. All States and units of general local government and nonprofit organizations are eligible to apply for competitive grants to fund projects of national significance. Only those States and units of general local government that do not qualify for formula allocations are eligible to apply for competitive grants to fund other projects.

(d) If HUD makes a procedural error in a funding competition that, when corrected, would warrant funding of an otherwise eligible application, HUD will select that application for potential funding when sufficient funds become available.

§ 574.210 Eligible applicants.

(a) All States, units of general local government, and nonprofit organizations, may apply for grants for projects of national significance.

(b) Only those States and units of general local government that do not qualify for formula grants, as described in § 574.100; may apply for grants for other projects as described in § 574.200(a)(2).

(c) Except for grants for projects of national significance, nonprofit organizations are not eligible to apply directly to HUD for a grant but may receive funding as a project sponsor under contract with a grantee.

§ 574.240 Application requirements.

Applications must comply with the provisions of the Department’s Notice of Funding Availability (NOFA) for the fiscal year published in the Federal Register in accordance with 24 CFR part 12. The rating criteria, including the point value for each, are described in the NOFA, including criteria determined by the Secretary.

§ 574.260 Amendments.

(a) After an application has been selected for funding, any change that will significantly alter the scope, location, service area, or objectives of an activity or the number of eligible persons served must be justified to HUD and approved by HUD. Whenever any other amendment to the application is made, the grantee must provide a copy to HUD.

(b) Each amendment request must contain a description of the revised proposed use of funds. Funds may not be expended for the revised proposed use of funds until:

(1) HUD accepts the revised proposed use; and

(2) For amendments to acquire, rehabilitate, convert, lease, repair or construct properties to provide housing, an environmental review of the revised proposed use of funds has been completed in accordance with § 574.510.

Subpart D—Uses of Grant Funds

§ 574.300 Eligible activities.

(a) General. Subject to applicable requirements described in §§ 574.100, 574.200(a)(2), 574.310(a), 574.320, 574.330, and 574.340, HOPWA funds may be used to assist all forms of housing designed to prevent homelessness including emergency housing, shared housing arrangements, apartments, single room occupancy (SRO) dwellings, and community residences. Appropriate supportive services, as required by § 574.100(a), must be provided as part of any HOPWA assisted housing, but HOPWA funds may also be used to provide services independently of any housing activity.

(b) Activities. The following activities may be carried out with HOPWA funds:

(1) Housing information services including, but not limited to, counseling, information, and referral services to assist an eligible person to locate, acquire, finance and maintain housing. This may also include fair housing counseling for eligible persons who may encounter discrimination on the basis of race, color, religion, sex, age, national origin, familial status, or handicap;

(2) Resource identification to establish, coordinate and develop housing assistance resources for eligible persons (including conducting preliminary research and making expenditures necessary to determine the feasibility of specific housing-related initiatives);
(3) Acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services;
(4) New construction (for single room occupancy (SRO) dwellings and community residences only);
(5) Project- or tenant-based rental assistance, including assistance for shared housing arrangements;
(6) Short-term rent, mortgage, and utility payments to prevent the homelessness of the tenant or mortgagor of a dwelling;
(7) Supportive services including, but not limited to, health, mental health, assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local, State, and Federal government benefits and services, except that health services may only be provided to individuals with acquired immunodeficiency syndrome or related diseases and not to family members of these individuals;
(8) Operating costs for housing including maintenance, security, operation, insurance, utilities, furnishings, equipment, supplies, and other incidental costs;
(9) Technical assistance in establishing and operating a community residence, including planning and other pre-development or pre-construction expenses and including, but not limited to, costs relating to community outreach and educational activities regarding AIDS or related diseases for persons residing in proximity to the community residence;
(10) Administrative expenses:
   (i) Each grantee may use not more than 3 percent of the grant amount for its own administrative costs relating to administering grant amounts and allocating such amounts to project sponsors; and
   (ii) Each project sponsor receiving amounts from grants made under this program may use not more than 7 percent of the amounts received for administrative costs.
(11) For competitive grants only, any other activity proposed by the applicant and approved by HUD.

(c) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPWA program. Neither the Federal government nor a State or local government receiving funds under HOPWA programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.
(2) Organizations that are directly funded under the HOPWA program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.
(3) An organization that participates in the HOPWA program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPWA funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPWA-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPWA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.
(4) An organization that participates in the HOPWA program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.
(5) HOPWA funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent
that those structures are used for inherently religious activities. HOPWA funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOPWA funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOPWA funds in this part. Sanctuaries, chapels, or other rooms that a HOPWA-funded religious congregation uses as its principal place of worship, however, are ineligible for HOPWA-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 574.310 General standards for eligible housing activities.

All grantees using grant funds to provide housing must adhere to the following standards:

(a)(1) General. The grantee shall ensure that qualified service providers in the area make available appropriate supportive services to the individuals assisted with housing under this subpart. Supportive services are described in §574.300(b)(7). For any individual with acquired immunodeficiency syndrome or a related disease who requires more intensive care than can be provided in housing assisted under this subpart, the grantee shall provide for locating a care provider who can appropriately care for the individual and for referring the individual to the care provider.

(2) Payments. The grantee shall ensure that grant funds will not be used to make payments for health services for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to that item or service:

(i) Under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(ii) By an entity that provides health services on a prepaid basis.

(b) Housing quality standards. All housing assisted under §574.300(b) (3), (4), (5), and (8) must meet the applicable housing quality standards outlined below.

(1) State and local requirements. Each recipient of assistance under this part must provide safe and sanitary housing that is in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the housing is located regarding the condition of the structure and the operation of the housing.

(2) Habitable standards. Except for such variations as are proposed by the locality and approved by HUD, recipients must meet the following requirements:

(i) Structure and materials. The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from hazards.

(ii) Access. The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.

(iii) Space and security. Each resident must be afforded adequate space and security for themselves and their belongings. An acceptable place to sleep must be provided for each resident.

(iv) Interior air quality. Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(v) Water supply. The water supply must be free from contamination at
levels that threaten the health of individuals.

(vi) **Thermal environment.** The housing must have adequate heating and/or cooling facilities in proper operating condition.

(vii) **Illumination and electricity.** The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliance while assuring safety from fire.

(viii) **Food preparation and refuse disposal.** All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(ix) **Sanitary condition.** The housing and any equipment must be maintained in sanitary condition.

(c) **Minimum use period for structures.**

(1) Any building or structure assisted with amounts under this part must be maintained as a facility to provide housing or assistance for individuals with acquired immunodeficiency syndrome or related diseases:

(i) For a period of not less than 10 years, in the case of assistance provided under an activity eligible under §574.300(b) (3) and (4) involving new construction, substantial rehabilitation or acquisition of a building or structure; or

(ii) For a period of not less than 3 years in the cases involving non-substantial rehabilitation or repair of a building or structure.

(2) Waiver of minimum use period. HUD may waive the minimum use period of a building or structure as stipulated in paragraph (c)(1) of this section if the grantee can demonstrate, to the satisfaction of HUD, that:

(i) The assisted structure is no longer needed to provide supported housing or assistance, or the continued operation of the structure for such purposes is no longer feasible; and

(ii) The structure will be used to benefit individuals or families whose incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, if the Secretary finds that such variations are necessary because of construction costs or unusually high or low family incomes.

(d) **Resident rent payment.** Except for persons in short-term supported housing, each person receiving rental assistance under this program or residing in any rental housing assisted under this program must pay as rent, including utilities, an amount which is the higher of:

(1) 30 percent of the family’s monthly adjusted income (adjustment factors include the age of the individual, medical expenses, size of family and child care expenses and are described in detail in 24 CFR 5.609). The calculation of the family’s monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for eligible persons, the calculation of monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family’s monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by the agency to meet the family’s housing costs, the portion of the payment that is designated for housing costs.

(e) **Termination of assistance—(1) Surviving family members.** With respect to the surviving member or members of a family who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death, housing assistance and supportive services under the HOPWA program shall continue for a grace period following the death of the person with AIDS. The grantee or project sponsor shall establish a reasonable grace period following the death of the person with AIDS. The grantee or project sponsor shall establish a reasonable grace period for continued participation by a surviving family member, but that period may not exceed one year from the death of the family member with AIDS. The grantee or project sponsor shall notify the family of the duration of their grace period and may assist the family with information on other available housing programs and with moving expenses.
§ 574.320 Additional standards for rental assistance.

(a) If grant funds are used to provide rental assistance, the following additional standards apply:

(1) Maximum subsidy. The amount of grant funds used to pay monthly assistance for an eligible person may not exceed the difference between:

(i) The lower of the rent standard or reasonable rent for the unit; and

(ii) The resident’s rent payment calculated under § 574.310(d).

(2) Rent standard. The rent standard shall be established by the grantee and shall be no more than the published section 8 fair market rent (FMR) or the HUD-approved community-wide exception rent for the unit size. However, on a unit by unit basis, the grantee may increase that amount by up to 10 percent for up to 20 percent of the units assisted.

(3) Rent reasonableness. The rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units.

(b) With respect to shared housing arrangements, the rent charged for an assisted family or individual shall be in relation to the size of the private space for that assisted family or individual in comparison to other private space in the shared unit, excluding common space. An assisted family or individual may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements shall be voluntary.

§ 574.330 Additional standards for short-term supported housing.

Short-term supported housing includes facilities to provide temporary shelter to eligible individuals as well as rent, mortgage, and utilities payments to enable eligible individuals to remain in their own dwellings. If grant funds are used to provide such short-term supported housing assistance, the following additional standards apply:

(a) Time limits. (1) A short-term supported housing facility may not provide residence to any individual for more than 60 days during any six month period. Rent, mortgage, and utilities payments to prevent the homelessness of the tenant or mortgagor of a dwelling may not be provided to such an individual for these costs accruing over a period of more than 21 weeks in any 52 week period. These limitations do not apply to rental assistance provided under § 574.300(b)(5).

(2) Waiver of time limitations. HUD may waive, as it determines appropriate, the limitations of paragraph (a)(1) and will favorably consider a
waiver based on the good faith effort of a project sponsor to provide permanent housing under subsection (c).

(b) Residency limitations—(1) Residency. A short-term supported facility may not provide shelter or housing at any single time for more than 50 families or individuals;

(2) Waiver of residency limitations. HUD may waive, as it determines appropriate, the limitations of paragraph (b)(1) of this section.

(c) Placement. A short-term supported housing facility assisted under this part must, to the maximum extent practicable, provide each individual living in such housing the opportunity for placement in permanent housing or in a living environment appropriate to his or her health and social needs.

(d) Assistance to continue independent living. In addition to the supportive services provided when an individual is relocated to a short-term supported housing facility, supportive services may be provided to individuals when they remain in their residence because the residence is appropriate to the needs of the individual. In the latter case, a rent, mortgage and utilities payments program assisted under this part shall provide, when reasonable, supportive services specifically designed to maintain the individual in such residence.

(e) Case management services. A program assisted under this section shall provide each assisted individual with an opportunity, if eligible, to receive case management services from the appropriate social service agencies.

(Paragraph (b) approved by the Office of Management and Budget under control number 2506-0133)

§ 574.340 Additional standards for community residences.

(a) A community residence is a multiunit residence designed for eligible persons to provide a lower cost residential alternative to institutional care; to prevent or delay the need for such care; to provide a permanent or transitional residential setting with appropriate services to enhance the quality of life for those who are unable to live independently; and to enable such persons to participate as fully as possible in community life.

(b) If grant funds are used to provide a community residence, except for planning and other expenses preliminary to construction or other physical improvement for a community residence, the grantee must, prior to the expenditure of such funds, obtain and keep on file the following certifications:

(1) A services agreement. (i) A certification that the grantee will itself provide services as required by §574.310(a) to eligible persons assisted by the community residence; or

(ii) A certification that the grantee has entered into a written agreement with a project sponsor or contracted service provider to provide services as required by §574.310(a) to eligible persons assisted by the community residence;

(2) The adequacy of funding. (i) A certification that the grantee has acquired sufficient funding for these services; or

(ii) A certification that the grantee has on file an analysis of the service level needed for each community residence, a statement of which grantee agency, project sponsor, or service provider will provide the needed services, and a statement of how the services will be funded; and

(3) Capability. (i) A certification that the grantee is qualified to provide the services; or

(ii) A certification that the project sponsor or the service provider is qualified to provide the services.

§ 574.400 Prohibition of substitution of funds.

Subpart E—Special Responsibilities of Grantees and Project Sponsors

§ 574.400 Prohibition of substitution of funds.

Amounts received from grants under this part may not be used to replace other amounts made available or designated by State or local governments through appropriations for use for the purposes of this part.
§ 574.410 Capacity.

The grantee shall ensure that any project sponsor with which the grantee contracts to carry out an activity under this part has the capacity and capability to effectively administer the activity.

§ 574.420 Cooperation.

(a) The grantee shall agree, and shall ensure that each project sponsor agrees, to cooperate and coordinate in providing assistance under this part with the agencies of the relevant State and local governments responsible for services in the area served by the grantee for eligible persons and other public and private organizations and agencies providing services for such eligible persons.

(b) A grantee that is a State shall obtain the approval of the unit of general local government in which a project is to be located before entering into a contract with a project sponsor to carry out an activity authorized under this part.

(c) A grantee that is a city receiving a formula allocation for an EMSA shall coordinate with other units of general local government located within the metropolitan statistical area to address needs within that area.

§ 574.430 Fee prohibitions.

The grantee shall agree, and shall ensure that each project sponsor agrees, that no fee, except rent, will be charged of any eligible person for any housing or services provided with amounts from a grant under this part.

§ 574.440 Confidentiality.

The grantee shall agree, and shall ensure that each project sponsor agrees, to ensure the confidentiality of the name of any individual assisted under this part and any other information regarding individuals receiving assistance.

§ 574.450 Financial records.

The grantee shall agree, and shall ensure that each project sponsor agrees, to maintain and make available to HUD for inspection financial records sufficient, in HUD's determination, to ensure proper accounting and disbursing of amounts received from a grant under this part.

Subpart F—Grant Administration

§ 574.500 Responsibility for grant administration.

(a) General. Grantees are responsible for ensuring that grants are administered in accordance with the requirements of this part and other applicable laws. Grantees are responsible for ensuring that their respective project sponsors carry out activities in compliance with all applicable requirements.

(b) Grant agreement. The grant agreement will provide that the grantee agrees, and will ensure that each project sponsor agrees, to:

(1) Operate the program in accordance with the provisions of these regulations and other applicable HUD regulations;

(2) Conduct an ongoing assessment of the housing assistance and supportive services required by the participants in the program;

(3) Assure the adequate provision of supportive services to the participants in the program; and

(4) Comply with such other terms and conditions, including recordkeeping and reports (which must include racial and ethnic data on participants) for program monitoring and evaluation purposes, as HUD may establish for purposes of carrying out the program in an effective and efficient manner.

(c) Enforcement. HUD will enforce the obligations in the grant agreement in accordance with the provisions of 24 CFR 85.43. A grantee will be provided an opportunity for informal consultation before HUD will exercise any remedies authorized in paragraph (a) of that section.

§ 574.510 Environmental procedures and standards.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title for any competitive grant for Fiscal Year 2000.

(b) The recipient, its project partners and their contractors may not acquire,
rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in §58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved (or HUD has performed an environmental review and the recipient has received HUD approval of the property). HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

(c) For activities under a grant to a nonprofit entity that would generally be subject to review under part 58, HUD may make a finding in accordance with §58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient nonprofit entity objects in writing to the responsible entity’s performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property.

§ 574.520 Performance reports.

(a) Formula grants. For a formula grant recipient, the performance reporting requirements are specified in 24 CFR part 91.

(b) Competitive grants. A grantee shall submit to HUD annually a report describing the use of the amounts received, including the number of individuals assisted, the types of assistance provided, and any other information that HUD may require. Annual reports are required until all grant funds are expended.

§ 574.530 Recordkeeping.

Each grantee must ensure that records are maintained for a four-year period to document compliance with the provisions of this part. Grantees must maintain current and accurate data on the race and ethnicity of program participants.

§ 574.540 Deobligation of funds.

HUD may deobligate all or a portion of the amounts approved for eligible activities if such amounts are not expended in a timely manner, or the proposed activity for which funding was approved is not provided in accordance with the approved application or action plan and the requirements of this regulation. HUD may deobligate any amount of grant funds that have not been expended within a three-year period from the date of the signing of the grant agreement. The grant agreement may set forth other circumstances under which funds may be deobligated or sanctions imposed.

§ 574.600 Cross-reference.

The Federal requirements set forth in 24 CFR part 5 apply to this program as specified in this subpart.

§ 574.603 Nondiscrimination and equal opportunity.

Within the population eligible for this program, the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5 and the following requirements apply: 

(a) Fair housing requirements. (1) Grantees and project sponsors shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101–12213) and implementing regulations at 28 CFR part 35 (States and local government grantees)
and part 36 (public accommodations and requirements for certain types of short-term housing assistance).

(b) **Affirmative outreach.** A grantee or project sponsor must adopt procedures to ensure that all persons who qualify for the assistance, regardless of their race, color, religion, sex, age, national origin, familial status, or handicap, know of the availability of the HOPWA program, including facilities and services accessible to persons with a handicap, and maintain evidence of implementation of the procedures.

§ 574.605 Applicability of OMB circulars.

The policies, guidelines, and requirements of 24 CFR part 85 (codified pursuant to OMB Circular No. A–102) and OMB Circular No. A–87 apply with respect to the acceptance and use of funds under the program by States and units of general local government, including public agencies, and Circulars Nos. A–110 and A–122 apply with respect to the acceptance and use of funds under the program by private non-profit entities. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 385-7322. (This is not a toll-free number.) There is a limit of two free copies.

§ 574.625 Conflict of interest.

(a) In addition to the conflict of interest requirements in OMB Circular A–102 and 24 CFR 85.36(b)(3), no person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or project sponsor and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

(b) **Exceptions: Threshold requirements.** Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient’s program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

(c) **Factors to be considered for exceptions.** In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (b) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person
§ 574.630 Displacement, relocation and real property acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, grantees and project sponsors must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) Relocation assistance for displaced persons. A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655) and implementing regulations at 49 CFR part 24.

(c) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) Appeals. A person who disagrees with the grantee’s or project sponsor’s determination concerning whether the person qualifies as a “displaced person,” or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A low-income person who is dissatisfied with the grantee’s determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(e) Responsibility of grantee. (1) Each grantee shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party’s contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with funds available from other sources.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with these provisions.

(f) Definition of displaced person. (1) For purposes of this section, the term “displaced person” means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move for an assisted project, including any permanent move from the real property that is made:

(i) After notice by the grantee, project sponsor, or property owner to move permanently from the property, if the move occurs on or after the date that the grantee submits to HUD an application for assistance that is later approved and funded;

(ii) Before the submission of the application to HUD, if the grantee, project sponsor, or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(A) The tenant moves after the “initiation of negotiations” and the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant’s monthly rent before the initiation of negotiations and estimated average utility costs, or

(2) 30 percent of gross household income; or
§ 574.635  Lead-based paint.

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, H, J, K, M, and R of this part apply to activities under this program.

§ 574.640  Flood insurance protection.

No property to be assisted under this part may be located in an area that has been identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(a)(1) The community in which the area is situated is participating in the National Flood Insurance Program and the regulations thereunder (44 CFR parts 59 through 79); or

(2) Less than a year has passed since FEMA notification regarding such hazards; and

(b) The grantee will ensure that flood insurance on the structure is obtained in compliance with section 102(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.).

§ 574.645  Coastal barriers.

In accordance with the Coastal Barrier Resources Act, 16 U.S.C. 3501, no financial assistance under this part may be made available within the Coastal Barrier Resources System.

§ 574.650  Audit.

The financial management system used by a State or unit of general local government that is a grantee must provide for audits in accordance with 24 CFR part 44. A nonprofit organization that is a grantee or a project sponsor is subject to the audit requirements set forth in 24 CFR part 45.

§ 574.655  Wage rates.

The provisions of the Davis-Bacon Act (40 U.S.C. 276a–276a–5) do not apply
to this program, except where funds received under this part are combined with funds from other Federal programs that are subject to the Act.

PART 576—EMERGENCY SOLUTIONS GRANTS PROGRAM

Subpart A—General Provisions

Sec. 576.1 Applicability and purpose.
576.2 Definitions.
576.3 Allocation of funding.

Subpart B—Program Components and Eligible Activities

576.100 General provisions and expenditure limits.
576.101 Street outreach component.
576.102 Emergency shelter component.
576.103 Homelessness prevention component.
576.104 Rapid re-housing assistance component.
576.105 Housing relocation and stabilization services.
576.106 Short-term and medium-term rental assistance.
576.107 HMIS component.
576.108 Administrative activities.
576.109 Indirect costs.

Subpart C—Award and Use of Funds

576.200 Submission requirements and grant approval.
576.201 Matching requirement.
576.202 Means of carrying out grant activities.
576.203 Obligation, expenditure, and payment requirements.

Subpart D—Reallocations

576.300 In general.
576.301 Metropolitan cities and urban counties.
576.302 States.
576.303 Territories.
576.304 Alternative method.

Subpart E—Program Requirements

576.400 Area-wide systems coordination requirements.
576.401 Evaluation of program participant eligibility and needs.
576.402 Terminating assistance.
576.403 Shelter and housing standards.
576.404 Conflicts of interest.
576.405 Homeless participation.
576.406 Faith-based activities.
576.407 Other Federal requirements.

576.408 Displacement, relocation, and acquisition.

Subpart F—Grant Administration

576.500 Recordkeeping and reporting requirements.
576.501 Enforcement.

SOURCE: 76 FR 75974, Dec. 5, 2011, unless otherwise noted.

Subpart A—General Provisions

§ 576.1 Applicability and purpose.
This part implements the Emergency Solutions Grants (ESG) program authorized by subtitle B of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371–11378). The program authorizes the Department of Housing and Urban Development (HUD) to make grants to States, units of general purpose local government, and territories for the rehabilitation or conversion of buildings for use as emergency shelter for the homeless, for the payment of certain expenses related to operating emergency shelters, for essential services related to emergency shelters and street outreach for the homeless, and for homelessness prevention and rapid re-housing assistance.

§ 576.2 Definitions.
At risk of homelessness means: (1) An individual or family who:
(i) Has an annual income below 30 percent of median family income for the area, as determined by HUD;
(ii) Does not have sufficient resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the “homeless” definition in this section; and
(iii) Meets one of the following conditions:
(A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
(B) Is living in the home of another because of economic hardship;
(C) Has been notified in writing that their right to occupy their current
housing or living situation will be terminated within 21 days after the date of application for assistance;

(D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by Federal, State, or local government programs for low-income individuals;

(E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons or lives in a larger housing unit in which there reside more than 1.5 persons reside per room, as defined by the U.S. Census Bureau;

(F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or

(G) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient’s approved consolidated plan;

(2) A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 387(3) of the Runaway and Homeless Youth Act (42 U.S.C. 5732a(3)), section 637(11) of the Head Start Act (42 U.S.C. 9332(11)), section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e–2(6)), section 330(h)(5)(A) of the Public Health Service Act (42 U.S.C. 254b(h)(5)(A)), section 3(m) of the Food and Nutrition Act of 2008 (7 U.S.C. 1786(b)(15)); or

(3) A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), and the parent(s) or guardian(s) of that child or youth if living with her or him.

Consolidated plan means a plan prepared in accordance with 24 CFR part 91. An approved consolidated plan means a consolidated plan that has been approved by HUD in accordance with 24 CFR part 91.

Continuum of Care means the group composed of representatives of relevant organizations, which generally includes nonprofit homeless providers; victim service providers; faith-based organizations; governments; businesses; advocates; public housing agencies; school districts; social service providers; mental health agencies; hospitals; universities; affordable housing developers; law enforcement; organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons that are organized to plan for and provide, as necessary, a system of outreach, engagement, and assessment; emergency shelter; rapid re-housing; transitional housing; permanent housing; and prevention strategies to address the various needs of homeless persons and persons at risk of homelessness for a specific geographic area.

Emergency shelter means any facility, the primary purpose of which is to provide a temporary shelter for the homeless in general or for specific populations of the homeless and which does not require occupants to sign leases or occupancy agreements. Any project funded as an emergency shelter under a Fiscal Year 2010 Emergency Solutions grant may continue to be funded under ESG.

Homeless means:

(1) An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

(i) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;

(ii) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or

(iii) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
(2) An individual or family who will imminently lose their primary nighttime residence, provided that:
   (i) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
   (ii) No subsequent residence has been identified; and
   (iii) The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing;

(3) Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
   (ii) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;
   (iii) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and
   (iv) Can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or child abuse (including neglect), the presence of a child or youth with a disability, or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

(4) Any individual or family who:
   (i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual’s or family’s primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;
   (ii) Has no other residence; and
   (iii) Lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, to obtain other permanent housing.

Homeless Management Information System (HMIS) means the information system designated by the Continuum of Care to comply with the HUD's data collection, management, and reporting standards and used to collect client-level data and data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness.

Metropolitan city means a city that was classified as a metropolitan city under 42 U.S.C. 5302(a) for the fiscal year immediately preceding the fiscal year for which ESG funds are made available. This term includes the District of Columbia.

Private nonprofit organization means a private nonprofit organization that is a secular or religious organization described in section 501(c) of the Internal Revenue Code of 1986 and which is exempt from taxation under subtitle A of the Code, has an accounting system and a voluntary board, and practices nondiscrimination in the provision of assistance. A private nonprofit organization does not include a governmental organization, such as a public housing agency or housing finance agency.

Program income shall have the meaning provided in 24 CFR 85.25. Program income includes any amount of a security or utility deposit returned to the recipient or subrecipient.

Program participant means an individual or family who is assisted under ESG program.

Program year means the consolidated program year established by the recipient under 24 CFR part 91.
§ 576.3 Allocation of funding.

(a) Territories. HUD will set aside for allocation to the territories up to 0.2 percent, but not less than 0.1 percent, of the total amount of each appropriation under this part in any fiscal year. HUD will allocate this set-aside amount to each territory based on its proportionate share of the total population of all territories and its rate of compliance with the most recent expenditure deadline under §576.203.

(b) States, metropolitan cities, and urban counties. HUD will allocate the amounts that remain after the set-aside to territories under paragraph (a) of this section to States, metropolitan cities, and urban counties, as follows:

1. HUD will provide that the percentage of the total amount available for allocation to each State, metropolitan city, or urban county is equal to the percentage of the total amount available under section 106 of the Housing and Community Development Act of 1974 for the prior fiscal year that was allocated to that State, metropolitan city, or urban county.

2. Except as otherwise provided by law, if the amount a metropolitan city or urban county would be allocated under paragraph (b)(1) is less than 0.05 percent of the total fiscal year appropriation for ESG, that amount will be added to the allocation for the State in which the city or county is located.

(c) Notification of allocation amount. HUD will notify each State, metropolitan city, urban county, and territory that is eligible to receive an allocation under this section of the amount of its allocation.

Subpart B—Program Components and Eligible Activities

§ 576.100 General provisions and expenditure limits.

(a) ESG funds may be used for five program components: street outreach, emergency shelter, homelessness prevention, rapid re-housing assistance, and HMIS; as well as administrative activities. The five program components and the eligible activities that may be funded under each are set forth in §576.101 through §576.107. Eligible administrative activities are set forth in §576.108.

(b) The total amount of the recipient’s fiscal year grant that may be used for street outreach and emergency shelter activities cannot exceed the greater of:

1. 60 percent of the recipient’s fiscal year grant; or

2. The amount of Fiscal Year 2010 grant funds committed for homeless assistance activities.

(c) The total amount of ESG funds that may be used for administrative activities cannot exceed 7.5 percent of the recipient’s fiscal year grant.

(d) Subject to the cost principles in OMB Circulars A–67 (2 CFR 225) and A–122 (2 CFR 230) and other requirements in this part, employee compensation

224
and other overhead costs directly related to carrying out street outreach, emergency shelter, homelessness prevention, rapid re-housing, and HMIS are eligible costs of those program components. These costs are not subject to the expenditure limit in paragraph (c) of this section.

§ 576.101 Street outreach component.

(a) Eligible costs. Subject to the expenditure limit in §576.100(b), ESG funds may be used for costs of providing essential services necessary to reach out to unsheltered homeless people; connect them with emergency shelter, housing, or critical services; and provide urgent, nonfacility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility. For the purposes of this section, the term “unsheltered homeless people” means individuals and families who qualify as homeless under paragraph (1)(i) of the “homeless” definition under §576.2. The eligible costs and requirements for essential services consist of:

(1) Engagement. The costs of activities to locate, identify, and build relationships with unsheltered homeless people and engage them for the purpose of providing immediate support, intervention, and connections with homeless assistance programs and/or mainstream social services and housing programs. These activities consist of making an initial assessment of needs and eligibility; providing crisis counseling; addressing urgent physical needs, such as providing meals, blankets, clothes, or toiletries; and actively connecting and providing information and referrals to programs targeted to homeless people and mainstream social services and housing programs, including emergency shelter, transitional housing, community-based services, permanent supportive housing, and rapid re-housing programs. Eligible costs include the cell phone costs of outreach workers during the performance of these activities.

(2) Case management. The cost of assessing housing and service needs, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows: using the centralized or coordinated assessment system as required under §576.400(d); conducting the initial evaluation required under §576.401(a), including verifying and documenting eligibility; counseling; developing, securing and coordinating services; obtaining Federal, State, and local benefits; monitoring and evaluating program participant progress; providing information and referrals to other providers; and developing an individualized housing and service plan, including planning a path to permanent housing stability.

(3) Emergency health services. (i) Eligible costs are for the direct outpatient treatment of medical conditions and are provided by licensed medical professionals operating in community-based settings, including streets, parks, and other places where unsheltered homeless people are living.

(ii) ESG funds may be used only for these services to the extent that other appropriate health services are inaccessible or unavailable within the area.

(iii) Eligible treatment consists of assessing a program participant’s health problems and developing a treatment plan; assisting program participants to understand their health needs; providing directly or assisting program participants to obtain appropriate emergency medical treatment; and providing medication and follow-up services.

(4) Emergency mental health services. (i) Eligible costs are the direct outpatient treatment by licensed professionals of mental health conditions operating in community-based settings, including streets, parks, and other places where unsheltered people are living.

(ii) ESG funds may be used only for these services to the extent that other appropriate mental health services are inaccessible or unavailable within the community.

(iii) Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved individual or family functioning or circumstances.
(iv) Eligible treatment consists of crisis interventions, the prescription of psychotropic medications, explanation about the use and management of medications, and combinations of therapeutic approaches to address multiple problems.

(5) Transportation. The transportation costs of travel by outreach workers, social workers, medical professionals, or other service providers are eligible, provided that this travel takes place during the provision of services eligible under this section. The costs of transporting unsheltered people to emergency shelters or other service facilities are also eligible. These costs include the following:

(i) The cost of a program participant’s travel on public transportation;

(ii) If service workers use their own vehicles, mileage allowance for service workers to visit program participants;

(iii) The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and/or staff serving program participants, and the cost of gas, insurance, taxes and maintenance for the vehicle; and

(iv) The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation.

(6) Services for special populations. ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are eligible under paragraphs (a)(1) through (a)(5) of this section. The term victim services means services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

(b) Minimum period of use. The recipient or subrecipient must provide services to homeless individuals and families for at least the period during which ESG funds are provided.

(c) Maintenance of effort. (1) If the recipient or subrecipient is a unit of general purpose local government, its ESG funds cannot be used to replace funds the local government provided for street outreach and emergency shelter services during the immediately preceding 12-month period, unless HUD determines that the unit of general purpose local government is in a severe financial deficit.

(2) Upon the recipient’s request, HUD will determine whether the unit of general purpose local government is in a severe financial deficit, based on the recipient’s demonstration of each of the following:

(i) The average poverty rate in the unit of general purpose local government’s jurisdiction was equal to or greater than 125 percent of the average national poverty rate, during the calendar year for which the most recent data are available, as determined according to information from the U.S. Census Bureau.

(ii) The average per-capita income in the unit of general purpose local government’s jurisdiction was less than 75 percent of the average national per-capita income, during the calendar year for which the most recent data are available, as determined according to information from the Census Bureau.

(iii) The unit of general purpose local government has a current annual budget deficit that requires a reduction in funding for services for homeless people.

(iv) The unit of general purpose local government has taken all reasonable steps to prevent a reduction in funding of services for homeless people. Reasonable steps may include steps to increase revenue generation, steps to maximize cost savings, or steps to reduce expenditures in areas other than services for homeless people.
(1) **Essential services.** ESG funds may be used to provide essential services to individuals and families who are in an emergency shelter, as follows:

(i) **Case management.** The cost of assessing, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant is eligible. Component services and activities consist of:

(A) Using the centralized or coordinated assessment system as required under §576.400(d);

(B) Conducting the initial evaluation required under §576.401(a), including verifying and documenting eligibility;

(C) Counseling;

(D) Developing, securing, and coordinating services and obtaining Federal, State, and local benefits;

(E) Monitoring and evaluating program participant progress;

(F) Providing information and referrals to other providers;

(G) Providing ongoing risk assessment and safety planning with victims of domestic violence, dating violence, sexual assault, and stalking; and

(H) Developing an individualized housing and service plan, including planning a path to permanent housing stability.

(ii) **Child care.** The costs of child care for program participants, including providing meals and snacks, and comprehensive and coordinated sets of appropriate developmental activities, are eligible. The children must be under the age of 13, unless they are disabled. Disabled children must be under the age of 18. The child-care center must be licensed by the jurisdiction in which it operates in order for its costs to be eligible.

(iii) **Education services.** When necessary for the program participant to obtain and maintain housing, the costs of improving knowledge and basic educational skills are eligible. Services include instruction or training in consumer education, health education, substance abuse prevention, literacy, English as a Second Language, and General Educational Development (GED). Component services or activities are screening, assessment and testing; individual or group instruction; tutoring; provision of books, supplies and instructional material; counseling; and referral to community resources.

(iv) **Employment assistance and job training.** The costs of employment assistance and job training programs are eligible, including classroom, online, and/or computer instruction; on-the-job instruction; and services that assist individuals in securing employment, acquiring learning skills, and/or increasing earning potential. The cost of providing reasonable stipends to program participants in employment assistance and job training programs is an eligible cost. Learning skills include those skills that can be used to secure and retain a job, including the acquisition of vocational licenses and/or certificates. Services that assist individuals in securing employment consist of employment screening, assessment, or testing; structured job skills and job-seeking skills; special training and tutoring, including literacy training and prevocational training; books and instructional material; counseling or job coaching; and referral to community resources.

(v) **Outpatient health services.** Eligible costs are for the direct outpatient treatment of medical conditions and are provided by licensed medical professionals. Emergency Solutions Grant (ESG) funds may be used only for these services to the extent that other appropriate health services are unavailable within the community. Eligible treatment consists of assessing a program participant’s health problems and developing a treatment plan; assisting program participants to understand their health needs; providing directly or assisting program participants to obtain appropriate medical treatment, preventive medical care, and health maintenance services, including emergency medical services; providing medication and follow-up services; and providing preventive and noncosmetic dental care.

(vi) **Legal services.** (A) Eligible costs are the hourly fees for legal advice and representation by attorneys licensed and in good standing with the bar association of the State in which the services are provided, and by person(s) under the supervision of the licensed
§ 576.102

attorney, regarding matters that interfere with the program participant’s ability to obtain and retain housing.

(B) Emergency Solutions Grant (ESG) funds may be used only for these services to the extent that other appropriate legal services are unavailable or inaccessible within the community.

(C) Eligible subject matters are child support, guardianship, paternity, emancipation, and legal separation, orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking, appeal of veterans and public benefit claim denials, and the resolution of outstanding criminal warrants.

(D) Component services or activities may include client intake, preparation of cases for trial, provision of legal advice, representation at hearings, and counseling.

(E) Fees based on the actual service performed (i.e., fee for service) are also eligible, but only if the cost would be less than the cost of hourly fees. Filing fees and other necessary court costs are also eligible. If the subrecipient is a legal services provider and performs the services itself, the eligible costs are the subrecipient’s employees’ salaries and other costs necessary to perform the services.

(F) Legal services for immigration and citizenship matters and issues relating to mortgages are ineligible costs. Retainer fee arrangements and contingency fee arrangements are ineligible costs.

(vii) Life skills training. The costs of teaching critical life management skills that may never have been learned or have been lost during the course of physical or mental illness, domestic violence, substance use, and homelessness are eligible costs. These services must be necessary to assist the program participant to function independently in the community. Component life skills training are budgeting resources, managing money, managing a household, resolving conflict, shopping for food and needed items, improving nutrition, using public transportation, and parenting.

(viii) Mental health services. (A) Eligible costs are the direct outpatient treatment by licensed professionals of mental health conditions.

(B) ESG funds may only be used for these services to the extent that other appropriate mental health services are unavailable or inaccessible within the community.

(C) Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved individual or family functioning or circumstances. Problem areas may include family and marital relationships, parent-child problems, or symptom management.

(D) Eligible treatment consists of crisis interventions; individual, family, or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems.

(ix) Substance abuse treatment services. (A) Eligible substance abuse treatment services are designed to prevent, reduce, eliminate, or deter relapse of substance abuse or addictive behaviors and are provided by licensed or certified professionals.

(B) ESG funds may only be used for these services to the extent that other appropriate substance abuse treatment services are unavailable or inaccessible within the community.

(C) Eligible treatment consists of client intake and assessment, and outpatient treatment for up to 30 days. Group and individual counseling and drug testing are eligible costs. Inpatient detoxification and other inpatient drug or alcohol treatment are not eligible costs.

(x) Transportation. Eligible costs consist of the transportation costs of a program participant’s travel to and from medical care, employment, child care, or other eligible essential services facilities. These costs include the following:

(A) The cost of a program participant’s travel on public transportation;

(B) If service workers use their own vehicles, mileage allowance for service workers to visit program participants;

(C) The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and/or staff serving
program participants, and the cost of gas, insurance, taxes, and maintenance for the vehicle; and

(D) The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation.

(xii) Services for special populations. ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are eligible under paragraphs (a)(1)(i) through (a)(1)(x) of this section. The term "victim services" means services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

(2) Renovation. Eligible costs include labor, materials, tools, and other costs for renovation (including major rehabilitation of an emergency shelter or conversion of a building into an emergency shelter). The emergency shelter must be owned by a government entity or private nonprofit organization.

(3) Shelter operations. Eligible costs are the costs of maintenance (including minor or routine repairs), rent, security, fuel, equipment, insurance, utilities, food, furnishings, and supplies necessary for the operation of the emergency shelter. Where no appropriate emergency shelter is available for a homeless family or individual, eligible costs may also include a hotel or motel voucher for that family or individual.

(4) Assistance required under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA). Eligible costs are the costs of providing URA assistance under §576.408, including relocation payments and other assistance to persons displaced by a project assisted with ESG funds. Persons that receive URA assistance are not considered "program participants" for the purposes of this part, and relocation payments and other URA assistance are not considered "rental assistance" or "housing relocation and stabilization services" for the purposes of this part.

(b) Prohibition against involuntary family separation. The age of a child under age 18 must not be used as a basis for denying any family's admission to an emergency shelter that uses Emergency Solutions Grant (ESG) funding or services and provides shelter to families with children under age 18.

(c) Minimum period of use. (1) Renovated buildings. Each building renovated with ESG funds must be maintained as a shelter for homeless individuals and families for not less than a period of 3 or 10 years, depending on the type of renovation and the value of the building. The "value of the building" is the reasonable monetary value assigned to the building, such as the value assigned by an independent real estate appraiser. The minimum use period must begin on the date the building is first occupied by a homeless individual or family after the completed renovation. A minimum period of use of 10 years, required for major rehabilitation and conversion, must be enforced by a recorded deed or use restriction.

(i) Major rehabilitation. If the rehabilitation cost of an emergency shelter exceeds 75 percent of the value of the building before rehabilitation, the minimum period of use is 10 years.

(ii) Conversion. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the minimum period of use is 10 years.

(iii) Renovation other than major rehabilitation or conversion. In all other cases where ESG funds are used for renovation, the minimum period of use is 3 years.

(2) Essential services and shelter operations. Where the recipient or subrecipient uses ESG funds solely for essential services or shelter operations, the recipient or subrecipient must provide services or shelter to homeless individuals and families at least for the period during which the ESG funds are provided. The recipient or subrecipient does not need to limit these services or shelter to a particular site or structure, so long as the site or structure serves the same type of persons originally served with the assistance (e.g.,
§ 576.103 Homelessness prevention component.

ESG funds may be used to provide housing relocation and stabilization services and short- and/or medium-term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (1) of the “homeless” definition in § 576.2. This assistance, referred to as homelessness prevention, may be provided to individuals and families who meet the criteria under the “at risk of homelessness” definition, or who meet the criteria in paragraph (2), (3), or (4) of the “homeless” definition in § 576.2 and have an annual income below 30 percent of median family income for the area, as determined by HUD. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in the program participant’s current permanent housing or move into other permanent housing and achieve stability in that housing. Homelessness prevention must be provided in accordance with the housing relocation and stabilization services requirements in § 576.105, the short-term and medium-term rental assistance requirements in § 576.106, and the written standards and procedures established under § 576.400.

§ 576.104 Rapid re-housing assistance component.

ESG funds may be used to provide housing relocation and stabilization services and short- and/or medium-term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing. This assistance, referred to as rapid re-housing assistance, may be provided to program participants who meet the criteria under paragraph (1) of the “homeless” definition in § 576.2 or who meet the criteria under paragraph (4) of the “homeless” definition and live in an emergency shelter or other place described in paragraph (1) of the “homeless” definition. The rapid re-housing assistance must be provided in accordance with the housing relocation and stabilization services requirements in § 576.105, the short- and medium-term rental assistance requirements in § 576.106, and the written standards and procedures established under § 576.400.

§ 576.105 Housing relocation and stabilization services.

(a) Financial assistance costs. Subject to the general conditions under § 576.103 and § 576.104, ESG funds may be used to pay housing owners, utility companies, and other third parties for the following costs:

(1) Rental application fees. ESG funds may pay for the rental housing application fee that is charged by the owner to all applicants.

(2) Security deposits. ESG funds may pay for a security deposit that is equal to no more than 2 months’ rent.

(3) Last month’s rent. If necessary to obtain housing for a program participant, the last month’s rent may be paid from ESG funds to the owner of that housing at the time the owner is paid the security deposit and the first month’s rent. This assistance must not exceed one month’s rent and must be included in calculating the program participant’s total rental assistance, which cannot exceed 24 months during any 3-year period.

(4) Utility deposits. ESG funds may pay for a standard utility deposit required by the utility company for all customers for the utilities listed in paragraph (5) of this section.

(5) Utility payments. ESG funds may pay for up to 24 months of utility payments per program participant, per service, including up to 6 months of utility payments in arrears, per service. A partial payment of a utility bill counts as one month. This assistance may only be provided if the program...
participant or a member of the same household has an account in his or her name with a utility company or proof of responsibility to make utility payments. Eligible utility services are gas, electric, water, and sewage. No program participant shall receive more than 24 months of utility assistance within any 3-year period.

(6) Moving costs. ESG funds may pay for moving costs, such as truck rental or hiring a moving company. This assistance may include payment of temporary storage fees for up to 3 months, provided that the fees are accrued after the date the program participant begins receiving assistance under paragraph (b) of this section and before the program participant moves into permanent housing. Payment of temporary storage fees in arrears is not eligible.

(b) Services costs. Subject to the general restrictions under §576.103 and §576.104, ESG funds may be used to pay the costs of providing the following services:

(1) Housing search and placement. Services or activities necessary to assist program participants in locating, obtaining, and retaining suitable permanent housing, include the following:

(i) Assessment of housing barriers, needs, and preferences;

(ii) Development of an action plan for locating housing;

(iii) Housing search;

(iv) Outreach to and negotiation with owners;

(v) Assistance with submitting rental applications and understanding leases;

(vi) Assessment of housing for compliance with Emergency Solutions Grant (ESG) requirements for habitability, lead-based paint, and rent reasonableness;

(vii) Assistance with obtaining utilities and making moving arrangements; and

(viii) Tenant counseling.

(2) Housing stability case management. ESG funds may be used to pay cost of assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a program participant who resides in permanent housing or to assist a program participant in overcoming immediate barriers to obtaining housing. This assistance cannot exceed 30 days during the period the program participant is seeking permanent housing and cannot exceed 24 months during the period the program participant is living in permanent housing. Component services and activities consist of:

(A) Using the centralized or coordinated assessment system as required under §576.400(d), to evaluate individuals and families applying for or receiving homelessness prevention or rapid re-housing assistance;

(B) Conducting the initial evaluation required under §576.401(a), including verifying and documenting eligibility, for individuals and families applying for homelessness prevention or rapid re-housing assistance;

(C) Counseling;

(D) Developing, securing, and coordinating services and obtaining Federal, State, and local benefits;

(E) Monitoring and evaluating program participant progress;

(F) Providing information and referrals to other providers;

(G) Developing an individualized housing and service plan, including planning a path to permanent housing stability; and

(H) Conducting re-evaluations required under §576.401(b).

(3) Mediation. ESG funds may pay for mediation between the program participant and the owner or person(s) with whom the program participant is living, provided that the mediation is necessary to prevent the program participant from losing permanent housing in which the program participant currently resides.

(4) Legal services. ESG funds may pay for legal services, as set forth in §576.102(a)(1)(vi), except that the eligible subject matters also include landlord/tenant matters, and the services must be necessary to resolve a legal problem that prohibits the program participant from obtaining permanent housing or will likely result in the program participant losing the permanent housing in which the program participant currently resides.

(5) Credit repair. ESG funds may pay for credit counseling and other services necessary to assist program participants with critical skills related to household budgeting, managing money,
accessing a free personal credit report, and resolving personal credit problems. This assistance does not include the payment or modification of a debt.

(c) Maximum amounts and periods of assistance. The recipient may set a maximum dollar amount that a program participant may receive for each type of financial assistance under paragraph (a) of this section. The recipient may also set a maximum period for which a program participant may receive any of the types of assistance or services under this section. However, except for housing stability case management, the total period for which any program participant may receive the services under paragraph (b) of this section must not exceed 24 months during any 3-year period. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

(d) Use with other subsidies. Financial assistance under paragraph (a) of this section cannot be provided to a program participant who is receiving the same type of assistance through other public sources or to a program participant who has been provided with replacement housing payments under the URA, during the period of time covered by the URA payments.

§576.106 Short-term and medium-term rental assistance.

(a) General provisions. Subject to the general conditions under §576.103 and §576.104, the recipient or subrecipient may provide a program participant with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance.

(1) Short-term rental assistance is assistance for up to 3 months of rent.

(2) Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.

(3) Payment of rental arrears consists of a one-time payment for up to 6 months of rent in arrears, including any late fees on those arrears.

(4) Rental assistance may be tenant-based or project-based, as set forth in paragraphs (h) and (i) of this section.

(b) Discretion to set caps and conditions. Subject to the requirements of this section, the recipient may set a maximum amount or percentage of rental assistance that a program participant may receive, a maximum number of months that a program participant may receive rental assistance, or a maximum number of times that a program participant may receive rental assistance. The recipient may also require program participants to share in the costs of rent.

(c) Use with other subsidies. Except for a one-time payment of rental arrears on the tenant’s portion of the rental payment, rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project-based rental assistance or operating assistance, through other public sources. Rental assistance may not be provided to a program participant who has been provided with replacement housing payments under the URA during the period of time covered by the URA payments.

(d) Rent restrictions. (1) Rental assistance cannot be provided unless the rent does not exceed the Fair Market Rent established by HUD, as provided under 24 CFR part 888, and complies with HUD’s standard of rent reasonableness, as established under 24 CFR 982.307.

(2) For purposes of calculating rent under this section, the rent shall equal the sum of the total monthly rent for the unit, any fees required for occupancy under the lease (other than late fees and pet fees) and, if the tenant pays separately for utilities, the monthly allowance for utilities (excluding telephone) established by the public housing authority for the area in which the housing is located.

(e) Rental assistance agreement. The recipient or subrecipient may make rental assistance payments only to an owner with whom the recipient or subrecipient has entered into a rental assistance agreement. The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements that apply under this section. The rental assistance agreement must provide that, during the term of the
agreement, the owner must give the recipient or subrecipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction action against the program participant.

(i) Late payments. The recipient or subrecipient must make timely payments to each owner in accordance with the rental assistance agreement. The rental assistance agreement must contain the same payment due date, grace period, and late payment penalty requirements as the program participant’s lease. The recipient or subrecipient is solely responsible for paying late payment penalties that it incurs with non-ESG funds.

(g) Lease. Each program participant receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears. The lease must be between the owner and the program participant. Where the assistance is solely for rental arrears, an oral agreement may be accepted in place of a written lease, if the agreement gives the program participant an enforceable leasehold interest under state law and the agreement and rent owed are sufficiently documented by the owner’s financial records, rent ledgers, or canceled checks. For program participants living in housing with project-based rental assistance under paragraph (i) of this section, the lease must have an initial term of one year.

(h) Tenant-based rental assistance. (1) A program participant who receives tenant-based rental assistance may select a housing unit in which to live and may move to another unit or building and continue to receive rental assistance, as long as the program participant continues to meet the program requirements.

(2) The recipient may require that all program participants live within a particular area for the period in which the rental assistance is provided.

(3) The rental assistance agreement with the owner must terminate and no further rental assistance payments under that agreement may be made if:

(i) The program participant moves out of the housing unit for which the program participant has a lease;

(ii) The lease terminates and is not renewed; or

(iii) The program participant becomes ineligible to receive ESG rental assistance.

(i) Project-based rental assistance. If the recipient or subrecipient identifies a permanent housing unit that meets ESG requirements and becomes available before a program participant is identified to lease the unit, the recipient or subrecipient may enter into a rental assistance agreement with the owner to reserve the unit and subsidize its rent in accordance with the following requirements:

(1) The rental assistance agreement may cover one or more permanent housing units in the same building. Each unit covered by the rental assistance agreement (“assisted unit”) may only be occupied by program participants, except as provided under paragraph (i)(4) of this section.

(2) The recipient or subrecipient may pay up to 100 percent of the first month’s rent, provided that a program participant signs a lease and moves into the unit before the end of the month for which the first month’s rent is paid. The rent paid before a program participant moves into the unit must not exceed the rent to be charged under the program participant’s lease and must be included when determining that program participant’s total rental assistance.

(3) The recipient or subrecipient may make monthly rental assistance payments only for each whole or partial month an assisted unit is leased to a program participant. When a program participant moves out of an assisted unit, the recipient or subrecipient may pay the next month’s rent, i.e., the first month’s rent for a new program participant, as provided in paragraph (i)(2) of this section.

(4) The program participant’s lease must not condition the term of occupancy to the provision of rental assistance payments. If the program participant is determined ineligible or reaches the maximum number of months over which rental assistance
§ 576.107

can be provided, the recipient or subrecipient must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the recipient or subrecipient may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all ESG requirements.

(5) The rental assistance agreement must have an initial term of one year. When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant’s lease. If the program participant’s lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible. However, under no circumstances may the recipient or subrecipient commit ESG funds to be expended beyond the expenditure deadline in §576.203 or commit funds for a future ESG grant before the grant is awarded.

(j) Changes in household composition. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

§ 576.107 HMIS component.

(a) Eligible costs.

(1) The recipient or subrecipient may use ESG funds to pay the costs of contributing data to the HMIS designated by the Continuum of Care for the area, including the costs of:

(i) Purchasing or leasing computer hardware;

(ii) Purchasing software or software licenses;

(iii) Purchasing or leasing equipment, including telephones, fax machines, and furniture;

(iv) Obtaining technical support;

(v) Leasing office space;

(vi) Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the HMIS;

(vii) Paying salaries for operating HMIS, including:

(A) Completing data entry;

(B) Monitoring and reviewing data quality;

(C) Completing data analysis;

(D) Reporting to the HMIS Lead;

(F) Training staff on using the HMIS or comparable database; and

(G) Implementing and complying with HMIS requirements;

(viii) Paying costs of staff to travel to and attend HUD-sponsored and HUD-approved training on HMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act;

(ix) Paying staff travel costs to conduct intake; and

(x) Paying participation fees charged by the HMIS Lead, if the recipient or subrecipient is not the HMIS Lead. The HMIS Lead is the entity designated by the Continuum of Care to operate the area’s HMIS.

(2) If the recipient is the HMIS lead agency, as designated by the Continuum of Care in the most recent fiscal year Continuum of Care Homeless Assistance Grants Competition, it may also use ESG funds to pay the costs of:

(i) Hosting and maintaining HMIS software or data;

(ii) Backing up, recovering, or repairing HMIS software or data;

(iii) Upgrading, customizing, and enhancing the HMIS;

(iv) Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems;

(vi) Administering the system;

(vi) Reporting to providers, the Continuum of Care, and HUD; and

(vii) Conducting training on using the system or a comparable database, including traveling to the training.

(3) If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not
be entered directly into or provided to an HMIS.

(b) General restrictions. Activities funded under this section must comply with HUD’s standards on participation, data collection, and reporting under a local HMIS.

§ 576.108 Administrative activities.

(a) Eligible costs. The recipient may use up to 7.5 percent of its ESG grant for the payment of administrative costs related to the planning and execution of ESG activities. This does not include staff and overhead costs directly related to carrying out activities eligible under § 576.101 through § 576.107, because those costs are eligible as part of those activities. Eligible administrative costs include:

(1) General management, oversight and coordination. Costs of overall program management, coordination, monitoring, and evaluation. These costs include, but are not limited to, necessary expenditures for the following:

(i) Salaries, wages, and related costs of the recipient’s staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:

(A) Preparing program budgets and schedules, and amendments to those budgets and schedules;

(B) Developing systems for assuring compliance with program requirements;

(C) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(D) Monitoring program activities for progress and compliance with program requirements;

(E) Preparing reports and other documents directly related to the program for submission to HUD;

(F) Coordinating the resolution of audit and monitoring findings;

(G) Evaluating program results against stated objectives; and

(H) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraph (a)(1)(i)(A) through (G) of this section.

(ii) Travel costs incurred for monitoring of subrecipients;

(iii) Administrative services performed under third-party contracts or agreements, including general legal services, accounting services, and audit services; and

(iv) Other costs for goods and services required for administration of the program, including rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.

(2) Training on ESG requirements. Costs of providing training on ESG requirements and attending HUD-sponsored ESG trainings.

(3) Consolidated plan. Costs of preparing and amending the ESG and homelessness-related sections of the consolidated plan in accordance with ESG requirements and 24 CFR part 91.

(4) Environmental review. Costs of carrying out the environmental review responsibilities under § 576.407.

(b) Sharing requirement. (1) States. If the recipient is a State, the recipient must share its funds for administrative costs with its subrecipients that are units of general purpose local government. The amount shared must be reasonable under the circumstances. The recipient may share its funds for administrative costs with its subrecipients that are private nonprofit organizations.

(2) Territories, metropolitan cities, and urban counties. If the recipient is a territory, metropolitan city, or urban county, the recipient may share its funds for administrative costs with its subrecipients.
§ 576.109 Indirect costs.

(a) In general. ESG grant funds may be used to pay indirect costs in accordance with OMB Circular A–87 (2 CFR part 225), or A–122 (2 CFR part 230), as applicable.

(b) Allocation. Indirect costs may be allocated to each eligible activity under §576.101 through §576.108, so long as that allocation is consistent with an indirect cost rate proposal developed in accordance with OMB Circular A–87 (2 CFR part 225), or A–122 (2 CFR part 230), as applicable.

(c) Expenditure limits. The indirect costs charged to an activity subject to an expenditure limit under §576.100 must be added to the direct costs charged for that activity when determining the total costs subject to the expenditure limit.

Subpart C—Award and Use of Funds

§ 576.200 Submission requirements and grant approval.

(a) Application submission and approval. In addition to meeting the application submission requirements in 24 CFR part 5, subpart K, each State, urban county, or metropolitan city must submit and obtain HUD approval of a consolidated plan in accordance with the requirements in 24 CFR part 91, and each territory must submit and obtain HUD approval of a consolidated plan in accordance with the requirements that apply to local governments under 24 CFR part 91. As provided under 24 CFR 85.12, HUD may impose special conditions or restrictions on a grant, if the recipient is determined to be high risk.

(b) Amendments. The recipient must amend its approved consolidated plan in order to make a change in its allocation priorities; make a change in its method of distributing funds; carry out an activity not previously described in the plan; or change the purpose, scope, location, or beneficiaries of an activity. The amendment must be completed and submitted to HUD in accordance with the requirements under 24 CFR 91.565.

§ 576.201 Matching requirement.

(a) Required amount of matching contributions. (1) Except as provided under paragraphs (a)(2) and (a)(3) of this section, the recipient must make matching contributions to supplement the recipient’s ESG program in an amount that equals the amount of ESG funds provided by HUD.

(2) If the recipient is a State, the first $100,000 of the fiscal year grant is not required to be matched. However, the recipient must transfer the benefit of this exception to its subrecipients that are least capable of providing the recipient with matching contributions.

(3) This matching requirement does not apply if the recipient is a territory.

(b) Eligible sources of matching contributions. (1) Subject to the requirement for States under paragraph (a)(2) of this section, the recipient may require its subrecipients to make matching contributions consistent with this section to help meet the recipient’s matching requirement.

(2) Matching contributions may be obtained from any source, including any Federal source other than the ESG program, as well as state, local, and private sources. However, the following requirements apply to matching contributions from a Federal source of funds:

(i) The recipient must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Emergency Solutions Grant (ESG) funds.

(ii) If ESG funds are used to satisfy the matching requirements of another Federal program, then funding from that program may not be used to satisfy the matching requirements under this section.

(c) Recognition of matching contributions. (1) In order to meet the matching requirement, the matching contributions must meet all requirements that apply to the ESG funds provided by HUD, except for the expenditure limits in §576.100.

(2) The matching contributions must be provided after the date that HUD signs the grant agreement.

(3) To count toward the required match for the recipient’s fiscal year
grant, cash contributions must be expended within the expenditure deadline in §576.203, and noncash contributions must be made within the expenditure deadline in §576.203.

(4) Contributions used to match a previous ESG grant may not be used to match a subsequent ESG grant.

(5) Contributions that have been or will be counted as satisfying a matching requirement of another Federal grant or award may not count as satisfying the matching requirement of this section.

(d) Eligible types of matching contributions. The matching requirement may be met by one or both of the following:

(1) Cash contributions. Cash expended for allowable costs, as defined in OMB Circulars A–87 (2 CFR part 225) and A–122 (2 CFR part 230), of the recipient or subrecipient.

(2) Noncash contributions. The value of any real property, equipment, goods, or services contributed to the recipient’s or subrecipient’s ESG program, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been allowable. Noncash contributions may also include the purchase value of any donated building.

(e) Calculating the amount of noncash contributions. (1) To determine the value of any donated material or building, or of any lease, the recipient must use a method reasonably calculated to establish the fair market value.

(2) Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient’s or subrecipient’s organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(3) Some noncash contributions are real property, equipment, goods, or services that, if the recipient or subrecipient had to pay for them with grant funds, the payments would have been indirect costs. Matching credit for these contributions must be given only if the recipient or subrecipient has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of those contributions.

(f) Costs paid by program income. Costs paid by program income shall count toward meeting the recipient’s matching requirements, provided the costs are eligible ESG costs that supplement the recipient’s ESG program.

§576.202 Means of carrying out grant activities.

(a) States. If the recipient is a State, the recipient may use an amount consistent with the restrictions in §576.100 and §576.108 to carry out administrative activities through its employees or procurement contracts. If the recipient is a State, and has been identified as the HMIS lead by the Continuum of Care, the State may use funds to carry out HMIS activities set forth in §576.107(a)(2). The recipient must subgrant the remaining funds in its fiscal year grant to:

(1) Units of general purpose local government in the State, which may include metropolitan cities and urban counties that receive ESG funds directly from HUD; or

(b) Recipients other than States; subrecipients. The recipient, if it is not a State, and all subrecipients may carry out all eligible activities through their employees, procurement contracts, or subgrants to private nonprofit organizations, provided that for emergency shelter activities the recipient obtains a certification of approval from the unit of general purpose local government for the geographic area in which those activities are to be carried out.

§576.203 Obligation, expenditure, and payment requirements.

(a) Obligation of funds. (1) Funds allocated to States. (1) Within 60 days from the date that HUD signs the grant agreement with the State (or grant amendment for reallocated funds), the recipient must obligate the entire
§ 576.300  Grant, except the amount for its administrative costs. This requirement is met by a subgrant agreement with, or a letter of award requiring payment from the grant to, a subrecipient.

(ii) Within 120 days after the date that the State obligates its funds to a unit of general purpose local government, the subrecipient must obligate all of those funds by a subgrant agreement with, or a letter of award requiring payment to, a private nonprofit organization; a procurement contract; or the written designation of a department within the government of the subrecipient to directly carry out an eligible activity.

(2) Funds allocated to metropolitan cities, urban counties, and territories. Within 180 days after the date that HUD signs the grant agreement (or a grant amendment for reallocation of funds) with the metropolitan city, urban county, or territory, the recipient must obligate all the grant amount, except the amount for its administrative costs. This requirement is met by an agreement with, or a letter of award requiring payment to, a subrecipient; a procurement contract; or a written designation of a department within the government of the recipient to directly carry out an eligible activity.

Subpart D—Reallocations

§ 576.300 In general.

(1) Funds not awarded by HUD due to failure by the recipient to submit and obtain HUD approval of a consolidated plan will be reallocated in accordance with §§576.301 through 576.303.

(2) Recaptured funds will be awarded by formula. In October and April each year, HUD will determine if the amount of recaptured funds is at least 30 percent of the most recent fiscal year appropriation. If so, HUD will amend all existing grants and reallocate the funds. If the amount is less than 30 percent of the most recent fiscal year appropriation, the funds will be reallocated in conjunction with the next fiscal year’s allocation of funding.

§ 576.301 Metropolitan cities and urban counties.

Grant funds returned by a metropolitan city or urban county will be reallocated as follows:

(a) Eligible recipient. HUD will make the funds available to the State in which the city or county is located.

(b) Notification of availability. HUD will promptly notify the State of the availability of the amounts to be reallocated.

(c) Application requirement. Within 45 days after the date of notification, the State must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(d) Restrictions that apply to reallocated amounts. The same requirements that apply to grant funds allocated under §576.3 apply to grant funds reallocated under this section, except that the State must distribute the reallocated funds:

(1) To private nonprofit organizations and units of general purpose local government in the geographic area in which the metropolitan city or urban county is located;

(2) If funds remain, to private nonprofit organizations and units of general purpose local government located throughout the State.
§ 576.302 States.

Grant funds returned by a State will be reallocated as follows:

(a) Eligible recipients. HUD will make the funds available:

(1) To metropolitan cities and urban counties in the State that were not allocated funds under § 576.3 because the amount they would have been allocated did not meet the minimum requirement under § 576.3(b)(2);

(2) If funds remain, to county governments in the State other than urban counties;

(3) Then, if funds remain, to metropolitan cities and urban counties in the State that were allocated funds under § 576.3.

(b) Notification of availability. HUD will notify eligible recipients of the availability of the funds by a notification letter or FEDERAL REGISTER notice, which will specify how the awards of funds will be made.

(c) Application requirements. Within 45 days after the date of notification, the eligible recipient must submit to HUD:

(1) A substantial amendment to its approved consolidated plan in accordance with 24 CFR part 91; or

(2) If the eligible recipient does not have an approved consolidated plan, an abbreviated consolidated plan that meets the requirements in the FEDERAL REGISTER notice or notification letter from HUD.

(d) Restrictions that apply to reallocated amounts. The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

§ 576.303 Territories.

(a) General. Grant funds returned by a territory will be reallocated to other territories, then if funds remain, to States.

(b) Allocation method. The funds will be allocated as follows:

(1) For territories, the funds will be allocated among the territories in direct proportion with each territory’s share of the total population of all of the eligible territories. If HUD determines that a territory failed to spend its funds in accordance with ESG requirements, then HUD may exclude the territory from the allocation of reallocation amounts under this section.

(2) For States, the funds will be allocated to each State in direct proportion with each State’s share of the total amount of funds allocated to States under § 576.3.

(c) Notification of availability. HUD will notify eligible recipients of the availability of the funds by a letter or FEDERAL REGISTER notice, which will specify how the awards of funds will be made.

(d) Application requirements. Within 45 days after the date of notification, the eligible recipient must submit to HUD a substantial amendment to its consolidated plan in accordance with 24 CFR part 91.

(e) Restrictions that apply to reallocated amounts. The same requirements that apply to grant funds allocated under § 576.3 apply to grant funds reallocated under this section.

Subpart E—Program Requirements

§ 576.400 Area-wide systems coordination requirements.

(a) Consultation with Continuums of Care. The recipient must consult with each Continuum of Care that serves the recipient’s jurisdiction in determining how to allocate ESG funds each program year; developing the performance standards for, and evaluating the outcomes of, projects and activities assisted by ESG funds; and developing funding, policies, and procedures for the administration and operation of the HMIS.

(b) Coordination with other targeted homeless services. The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the area covered by the Continuum of Care or area over which the services are coordinated to provide a strategic, community-wide system to prevent and end homelessness for that area. These programs include:

(1) Shelter Plus Care Program (24 CFR part 582);

(2) Supportive Housing Program (24 CFR part 583);

(3) Section 8 Moderate Rehabilitation Program for Single Room Occupancy Program for Homeless Individuals (24 CFR part 882);
§ 576.400

(5) Education for Homeless Children and Youth Grants for State and Local Activities (title VII–B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.));

(6) Grants for the Benefit of Homeless Individuals (section 506 of the Public Health Services Act (42 U.S.C. 290aa–5));

(7) Healthcare for the Homeless (42 CFR part 51c);

(8) Programs for Runaway and Homeless Youth (Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.));

(9) Projects for Assistance in Transition from Homelessness (part C of title V of the Public Health Service Act (42 U.S.C. 290cc–21 et seq.));

(10) Services in Supportive Housing Grants (section 520A of the Public Health Service Act);

(11) Emergency Food and Shelter Program (title III of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11331 et seq.));

(12) Transitional Housing Assistance Grants for Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program (section 40299 of the Violent Crime Control and Law Enforcement Act (42 U.S.C. 13975));

(13) Homeless Veterans Reintegration Program (section 5(a)(1) of the Homeless Veterans Comprehensive Assistance Act (38 U.S.C. 2021));

(14) Domiciliary Care for Homeless Veterans Program (38 U.S.C. 2043);

(15) VA Homeless Providers Grant and Per Diem Program (38 CFR part 61);

(16) Health Care for Homeless Veterans Program (38 U.S.C. 2031);

(17) Homeless Veterans Dental Program (38 U.S.C. 2062);

(18) Supportive Services for Veteran Families Program (38 CFR part 62); and

(c) System and program coordination with mainstream resources. The recipient and its subrecipients must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with mainstream housing, health, social services, employment, education, and youth programs for which families and individuals at risk of homelessness and homeless individuals and families may be eligible. Examples of these programs include:

(1) Public housing programs assisted under section 9 of the U.S. Housing Act of 1937 (42 U.S.C. 1437g) (24 CFR parts 905, 968, and 990);

(2) Housing programs receiving tenant-based or project-based assistance under section 8 of the U.S. Housing Act of 1937 (42 U.S.C. 1437f) (respectively 24 CFR parts 982 and 983);

(3) Supportive Housing for Persons with Disabilities (Section 811) (24 CFR part 98);

(4) HOME Investment Partnerships Program (24 CFR part 92);

(5) Temporary Assistance for Needy Families (TANF) (45 CFR parts 260–265);

(6) Health Center Program (42 CFR part 51c);

(7) State Children’s Health Insurance Program (42 CFR part 457);

(8) Head Start (45 CFR chapter XIII, subchapter B);

(9) Mental Health and Substance Abuse Block Grants (45 CFR part 96); and

(10) Services funded under the Workforce Investment Act (29 U.S.C. 2801 et seq.).

(d) Centralized or coordinated assessment. Once the Continuum of Care has developed a centralized assessment system or a coordinated assessment system in accordance with requirements to be established by HUD, each ESG-funded program or project within the Continuum of Care’s area must use that assessment system. The recipient and subrecipient must work with the Continuum of Care to ensure the screening, assessment and referral of program participants are consistent with the written standards required by paragraph (e) of this section. A victim service provider may choose not to use the Continuum of Care’s centralized or coordinated assessment system.

(e) Written standards for providing ESG assistance. (1) If the recipient is a metropolitan city, urban county, or territory, the recipient must have written standards for providing Emergency Solutions Grant (ESG) assistance and
must consistently apply those standards for all program participants. The recipient must describe these standards in its consolidated plan.

(2) If the recipient is a state:
   (i) The recipient must establish and consistently apply, or require that its subrecipients establish and consistently apply, written standards for providing ESG assistance. If the written standards are established by the subrecipients, the recipient may require these written standards to be:
      (A) Established for each area covered by a Continuum of Care or area over which the services are coordinated and followed by each subrecipient providing assistance in that area; or
      (B) Established by each subrecipient and applied consistently within the subrecipient’s program.
   (ii) Written standards developed by the state must be included in the state’s Consolidated Plan. If the written standards are developed by its subrecipients, the recipient must describe its requirements for the establishment and implementation of these standards in the state’s Consolidated Plan.

(3) At a minimum these written standards must include:
   (i) Standard policies and procedures for evaluating individuals’ and families’ eligibility for assistance under Emergency Solutions Grant (ESG);
   (ii) Standards for targeting and providing essential services related to street outreach;
   (iii) Policies and procedures for admission, diversion, referral, and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, e.g., victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest;
   (iv) Policies and procedures for assessing, prioritizing, and reassessing individuals’ and families’ needs for essential services related to emergency shelter;
   (v) Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid re-housing assistance providers; other homeless assistance providers; and mainstream service and housing providers (see §576.400(b) and (c) for a list of programs with which ESG-funded activities must be coordinated and integrated to the maximum extent practicable);
   (vi) Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance;
   (vii) Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance;
   (viii) Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time; and
   (ix) Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance; or the maximum number of times the program participant may receive assistance.

(f) Participation in HMIS. The recipient must ensure that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS in the area in which those persons and activities are located, or a comparable database, in accordance with HUD’s standards on participation, data collection, and reporting under a local HMIS. If the subrecipient is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a
§ 576.401 Evaluation of program participant eligibility and needs.

(a) Evaluations. The recipient or its subrecipient must conduct an initial evaluation to determine the eligibility of each individual or family’s eligibility for ESG assistance and the amount and types of assistance the individual or family needs to regain stability in permanent housing. These evaluations must be conducted in accordance with the centralized or coordinated assessment requirements set forth under § 576.400(d) and the written standards established under § 576.400(e).

(b) Re-evaluations for homelessness prevention and rapid re-housing assistance.

(1) The recipient or subrecipient must re-evaluate the program participant’s eligibility and the types and amounts of assistance the program participant needs not less than once every 3 months for program participants receiving homelessness prevention assistance, and not less than once annually for program participants receiving rapid re-housing assistance. At a minimum, each re-evaluation of eligibility must establish that:

(i) The program participant does not have an annual income that exceeds 30 percent of median family income for the area, as determined by HUD; and

(ii) The program participant lacks sufficient resources and support networks necessary to retain housing without ESG assistance.

(2) The recipient or subrecipient may require each program participant receiving homelessness prevention or rapid re-housing assistance to notify the recipient or subrecipient regarding changes in the program participant’s income or other circumstances (e.g., changes in household composition) that affect the program participant’s need for assistance under ESG. When notified of a relevant change, the recipient or subrecipient must re-evaluate the program participant’s eligibility and the amount and types of assistance the program participant needs.

(c) Annual income. When determining the annual income of an individual or family, the recipient or subrecipient must use the standard for calculating annual income under 24 CFR 5.609.

(d) Connecting program participants to mainstream and other resources. The recipient and its subrecipients must assist each program participant, as needed, to obtain:

(1) Appropriate supportive services, including assistance in obtaining permanent housing, medical health treatment, mental health treatment, counseling, supervision, and other services essential for achieving independent living; and

(2) Other Federal, State, local, and private assistance available to assist the program participant in obtaining housing stability, including:

(i) Medicaid (42 CFR chapter IV, subchapter C);

(ii) Supplemental Nutrition Assistance Program (7 CFR parts 271–283);

(iii) Women, Infants and Children (WIC) (7 CFR part 246);

(iv) Federal-State Unemployment Insurance Program (20 CFR parts 601–603, 606, 609, 614–617, 625, 640, 650);

(v) Social Security Disability Insurance (SSDI) (20 CFR part 404);

(vi) Supplemental Security Income (SSI) (20 CFR part 416);

(vii) Child and Adult Care Food Program (42 U.S.C. 1766(t) (7 CFR part 226));

(viii) Other assistance available under the programs listed in § 576.400(e).

(e) Housing stability case management.

(1) While providing homelessness prevention or rapid re-housing assistance to a program participant, the recipient or subrecipient must:

(i) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability; and

(ii) Develop a plan to assist the program participant to retain permanent housing after the ESG assistance ends, taking into account all relevant considerations, such as the program participant’s current or expected income and expenses; other public or private assistance for which the program participant will be eligible and likely to receive; and the relative affordability of available housing in the area.
(2) The recipient or subrecipient is exempt from the requirement under paragraph (e)(1)(i) of this section if the Violence Against Women Act of 1994 (42 U.S.C. 13701 et seq.) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 et seq.) prohibits that recipient or subrecipient from making its shelter or housing conditional on the participant’s acceptance of services.

§ 576.402 Terminating assistance.

(a) In general. If a program participant violates program requirements, the recipient or subrecipient may terminate the assistance in accordance with a formal process established by the recipient or subrecipient that recognizes the rights of individuals affected. The recipient or subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant’s assistance is terminated only in the most severe cases.

(b) Program participants receiving rental assistance or housing relocation and stabilization services. To terminate rental assistance or housing relocation and stabilization services to a program participant, the required formal process, at a minimum, must consist of:

(1) Written notice to the program participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the program participant.

(c) Ability to provide further assistance. Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same family or individual.

§ 576.403 Shelter and housing standards.

(a) Lead-based paint remediation and disclosure. The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4856), and implementing regulations in 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to all shelters assisted under ESG program and all housing occupied by program participants.

(b) Minimum standards for emergency shelters. Any building for which Emergency Solutions Grant (ESG) funds are used for conversion, major rehabilitation, or other renovation, must meet state or local government safety and sanitation standards, as applicable, and the following minimum safety, sanitation, and privacy standards. Any emergency shelter that receives assistance for shelter operations must also meet the following minimum safety, sanitation, and privacy standards. The recipient may also establish standards that exceed or add to these minimum standards.

(1) Structure and materials. The shelter building must be structurally sound to protect residents from the elements and not pose any threat to health and safety of the residents. Any renovation (including major rehabilitation and conversion) carried out with ESG assistance must use Energy Star and WaterSense products and appliances.

(2) Access. The shelter must be accessible in accordance with Section 504 of the Rehabilitation Act (29 U.S.C. 794) and implementing regulations at 24 CFR part 8; the Fair Housing Act (42 U.S.C. 3601 et seq.) and implementing regulations at 24 CFR part 100; and Title II of the Americans with Disabilities Act (42 U.S.C. 12131 et seq.) and 28 CFR part 35; where applicable.

(3) Space and security. Except where the shelter is intended for day use only, the shelter must provide each program participant in the shelter with an acceptable place to sleep and adequate space and security for themselves and their belongings.

(4) Interior air quality. Each room or space within the shelter must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(5) Water supply. The shelter’s water supply must be free of contamination.

(6) Sanitary facilities. Each program participant in the shelter must have...
access to sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(7) Thermal environment. The shelter must have any necessary heating/cooling facilities in proper operating condition.

(8) Illumination and electricity. The shelter must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the shelter.

(9) Food preparation. Food preparation areas, if any, must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(10) Sanitary conditions. The shelter must be maintained in a sanitary condition.

(11) Fire safety. There must be at least one working smoke detector in each occupied unit of the shelter. Where possible, smoke detectors must be located near sleeping areas. The fire alarm system must be designed for hearing-impaired residents. All public areas of the shelter must have at least one working smoke detector. There must also be a second means of exiting the building in the event of fire or other emergency.

(c) Minimum standards for permanent housing. The recipient or subrecipient cannot use ESG funds to help a program participant remain or move into housing that does not meet the minimum habitability standards provided in this paragraph (c). The recipient may also establish standards that exceed or add to these minimum standards.

(1) Structure and materials. The structures must be structurally sound to protect residents from the elements and not pose any threat to the health and safety of the residents.

(2) Space and security. Each resident must be provided adequate space and security for themselves and their belongings. Each resident must be provided an acceptable place to sleep.

(3) Interior air quality. Each room or space must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(4) Water supply. The water supply must be free from contamination.

(5) Sanitary facilities. Residents must have access to sufficient sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(6) Thermal environment. The housing must have any necessary heating/cooling facilities in proper operating condition.

(7) Illumination and electricity. The structure must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the structure.

(8) Food preparation. All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(9) Sanitary conditions. The housing must be maintained in a sanitary condition.

(10) Fire safety. (i) There must be a second means of exiting the building in the event of fire or other emergency.

(ii) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(iii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

§ 576.404 Conflicts of interest.

(a) Organizational conflicts of interest. The provision of any type or amount of
ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the recipient, the subrecipient, or a parent or subsidiary of the subrecipient. No subrecipient may, with respect to individuals or families occupying housing owned by the subrecipient, or any parent or subsidiary of the subrecipient, carry out the initial evaluation required under §576.401 or administer homelessness prevention assistance under §576.103.

(b) Individual conflicts of interest. For the procurement of goods and services, the recipient and its subrecipients must comply with the codes of conduct and conflict of interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations). For all other transactions and activities, the following restrictions apply:

(1) Conflicts prohibited. No person described in paragraph (b)(2) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) Persons covered. The conflict-of-interest provisions of paragraph (b)(1) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients.

(3) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of this subsection on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (b)(3)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (b)(3)(i) of this section.

(i) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

(A) If the recipient or subrecipient is a government, disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(B) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate state or local law.

(ii) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (b)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the ESG program and the effective and efficient administration of the recipient's or subrecipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (b)(1) of this section;

(E) Whether undue hardship results to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict; and

(F) Any other relevant considerations.

(c) Contractors. All contractors of the recipient or subrecipient must comply with the same requirements that apply to subrecipients under this section.
§ 576.405 Homeless participation.

(a) Unless the recipient is a State, the recipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of the recipient, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG).

(b) If the recipient is unable to meet the requirement under paragraph (a), it must instead develop and implement a plan to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG). The plan must be included in the annual action plan required under 24 CFR 91.220.

(c) To the maximum extent practicable, the recipient or subrecipient must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

§ 576.406 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to receive ESG funds. Neither the Federal Government nor a State or local government receiving funds under ESG shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(b) Organizations that are directly funded under the ESG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under ESG. If an organization conducts these activities, the activities must be offered separately, in time or location, from the programs or services funded under ESG, and participation must be voluntary for program participants.

(c) Any religious organization that receives ESG funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that the religious organization does not use direct ESG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide ESG-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an ESG-funded religious organization retains its authority over its internal governance, and the organization may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) An organization that receives ESG funds shall not, in providing ESG assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.

(e) ESG funds may not be used for the rehabilitation of structures to the extent that those structures are used for inherently religious activities. Solutions ESG funds may be used for the rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under the ESG program. Where a structure is used for both eligible and inherently religious activities, ESG funds may not exceed the cost of those portions of the rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to ESG funds. Sanctuaries, chapels, or other rooms that an ESG-funded religious congregation uses as its principal place of worship, however, are ineligible for funded improvements under the program. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).
(f) If the recipient or a subrecipient that is a local government voluntarily contributes its own funds to supplement federally funded activities, the recipient or subrecipient has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 576.407 Other Federal requirements.

(a) General. The requirements in 24 CFR part 5, subpart A are applicable, including the nondiscrimination and equal opportunity requirements at 24 CFR 5.105(a). Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u, and implementing regulations at 24 CFR part 135 apply, except that homeless individuals have priority over other Section 3 residents in accordance with § 576.405(c).

(b) Affirmative outreach. The recipient or subrecipient must make known that use of the facilities, assistance, and services are available to all on a non-discriminatory basis. If it is unlikely that the procedures that the recipient or subrecipient intends to use to make known the availability of the facilities, assistance, and services will to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient or subrecipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The recipient and its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, recipients and subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.

(c) Uniform Administrative Requirements. The requirements of 24 CFR part 85 apply to the recipient and subrecipients that are units of general purpose local government, except that 24 CFR 85.24 and 85.42 do not apply, and program income is to be used as match under 24 CFR 85.25(g). The requirements of 24 CFR part 84 apply to subrecipients that are private nonprofit organizations, except that 24 CFR 84.23 and 84.33 do not apply, and program income is to be used as the nonfederal share under 24 CFR 84.24(b). These regulations include allowable costs and non-Federal audit requirements.

(d) Environmental review responsibilities. (1) Activities under this part are subject to environmental review by HUD under 24 CFR part 50. The recipient shall supply all available, relevant information necessary for HUD to perform for each property any environmental review required by 24 CFR part 50. The recipient also shall carry out mitigating measures required by HUD or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(2) The recipient or subrecipient, or any contractor of the recipient or subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR part 50 and the recipient has received HUD approval of the property.

(e) Davis-Bacon Act. The provisions of the Davis-Bacon Act (40 U.S.C. 276a to 276a-5) do not apply to the ESG program.

(f) Procurement of Recovered Materials. The recipient and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the
§ 576.408 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of Emergency Solutions Grant (ESG), the recipient and its subrecipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under Emergency Solutions Grant (ESG).

(b) Temporary relocation not permitted. No tenant-occupant of housing (a dwelling unit) that is converted into an emergency shelter may be required to relocate temporarily for a project assisted with ESG funds, or be required to move to another unit in the same building/complex. When a tenant moves for a project assisted with ESG funds under conditions that trigger the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, as described in paragraph (c) of this section, the tenant should be treated as permanently displaced and offered relocation assistance and payments consistent with that paragraph.

(c) Relocation assistance for displaced persons. (1) In general. A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the URA and 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601 et seq.). Whenever possible, minority persons shall be given reasonable opportunities to relocate to comparable and suitable decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require providing a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling. (See 49 CFR 24.205(c)(2)(i)(D).) As required by Section 504 of the Rehabilitation Act (29 U.S.C. 794) and 49 CFR part 24, replacement dwellings must also contain the accessibility features needed by displaced persons with disabilities.

(2) Displaced Person. (i) For purposes of paragraph (c) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm, including any corporation, partnership, or association) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under the ESG program. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After the owner (or person in control of the site) issues a notice to move permanently from the property or refuses to renew an expiring lease, if the move occurs on or after:

(I) The date of the submission by the recipient (or subrecipient, as applicable) of an application for assistance to HUD (or the recipient, as applicable) that is later approved and funded if the recipient (or subrecipient, as applicable) has site control as evidenced by a deed, sales contract, or option contract to acquire the property; or

(II) The date on which the recipient (or subrecipient, as applicable) selects the applicable site, if the recipient (or subrecipient, as applicable) does not have site control at the time of the application, provided that the recipient (or subrecipient, as applicable) eventually obtains control over the site;

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit and the tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project.
(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a displaced person if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement; violation of applicable Federal, State or local law, or other good cause; and the recipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance.

(B) The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced), and the fact that the person would not qualify as a "displaced person" (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(a)(9)(ii); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The recipient or subrecipient may, at any time, request that HUD to determine whether a displacement is or would be covered by this rule.

(3) Initiation of negotiations. For purposes of determining the type of replacement housing payment assistance to be provided to a displaced person pursuant to this section:

(i) If the displacement is the direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, "initiation of negotiations" means the execution of the agreement between the recipient and the subrecipient or the agreement between the recipient (or subrecipient, as applicable) and the person owning or controlling the property;

(ii) If site control is only evidenced by an option contract to acquire the property, the "initiation of negotiations" does not become effective until the execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a sales contract.

(d) Real property acquisition requirements. The acquisition of real property, whether funded privately or publicly, for a project assisted with Emergency Solutions Grant (ESG) funds is subject to the URA and Federal government-wide regulations at 49 CFR part 24, subpart B.

(e) Appeals. A person who disagrees with the recipient’s (or subrecipient’s, if applicable) determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the recipient under 49 CFR 24.10. A low-income person who disagrees with the recipient’s determination may submit a written request for review of that determination by the appropriate HUD field office.

Subpart F—Grant Administration

§576.500 Recordkeeping and reporting requirements.

(a) In general. The recipient must have policies and procedures to ensure the requirements of this part are met. The policies and procedures must be established in writing and implemented by the recipient and its subrecipients to ensure that ESG funds are used in accordance with the requirements. In addition, sufficient records must be established and maintained to enable the recipient and HUD to determine whether ESG requirements are being met.

(b) Homeless status. The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in §576.2. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider. Records contained in an HMIS or comparable database used by victim
service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overwrites or changes of the dates on which entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in §576.2, acceptable evidence includes a written observation by an outreach worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in §576.2, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:

(i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or

(ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker’s due diligence in attempting to obtain the evidence described in paragraph (b)(2)(i) and a certification by the individual seeking assistance that states he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in §576.2, because the individual or family will imminently lose their housing, the evidence must include:

(i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homeless assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;

(B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homeless assistance; or

(C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homeless assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: (I) be verified by the owner or renter’s oral statement; or (II) if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter’s verification and the written certification by the individual or head of household seeking assistance that his or her statement was true and complete;

(ii) Certification by the individual or head of household that no subsequent residence has been identified; and

(iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in §576.2, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more
children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), the evidence must include:

(ii) For paragraph (3)(ii) of the homeless definition in §576.2, referral by a housing or service provider, written observation by an outreach worker, certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in §576.2, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date of application for homeless assistance, including: recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker’s due diligence in attempting to obtain these statements or records. Where a move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in §576.2, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of date of the application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other reasonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in §576.2, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, the oral statement must be documented by either a certification by the individual or head of household; or a certification by the intake worker. Otherwise, the oral statement that the individual or head of household seeking assistance has not identified a subsequent residence and lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing must be documented by a certification by the individual or head of household that the oral statement is true and complete, and, where the safety of the individual or family would not be jeopardized, the domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening condition must be verified by a written observation by the intake worker or a written referral by a housing or service provider, social worker,
legal assistance provider, health-care provider, law enforcement agency, legal assistance provider, pastoral counselor, or any other organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing, or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) *At risk of homelessness status.* For each individual or family who receives Emergency Solutions Grant (ESG) homelessness prevention assistance, the records must include the evidence relied upon to establish and verify the individual or family's "at risk of homelessness" status. This evidence must include an intake and certification form that meets HUD specifications and is completed by the recipient or subrecipient. The evidence must also include:

(i) If the program participant meets the criteria under paragraph (1) of the "at risk of homelessness" definition in §576.2:

(1) The documentation specified under this section for determining annual income;

(2) The program participant's certification on a form specified by HUD that the program participant has insufficient financial resources and support networks; e.g., family, friends, faith-based or other social networks, immediately available to attain housing stability and meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in §576.2;

(ii) The most reliable evidence available to show that the program participant does not have sufficient resources or support networks; e.g., family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the "homeless" definition. Acceptable evidence includes:

(A) Source documents (e.g., notice of termination from employment, unemployment compensation statement, bank statement, health-care bill showing arrears, utility bill showing arrears);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., former employer, public administrator, relative) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or both of the criteria under paragraph (1)(ii) of the definition of "at risk of homelessness" in §576.2; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient's or subrecipient's intake staff describing the efforts taken to obtain the required evidence; and

(iv) The most reliable evidence available to show that the program participant meets one or more of the conditions under paragraph (1)(iii) of the definition of "at risk of homelessness" in §576.2. Acceptable evidence includes:

(A) Source documents that evidence one or more of the conditions under paragraph (1)(iii) of the definition (e.g., eviction notice, notice of termination from employment, bank statement);

(B) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., former employer, owner, primary leaseholder, public administrator, hotel or motel manager) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition of "at risk of homelessness"; or

(C) To the extent that source documents and third-party verification are unobtainable, a written statement by the recipient’s or subrecipient’s intake staff that the staff person has visited the applicant’s residence and determined that the applicant meets one or more of the criteria under paragraph (1)(iii) of the definition or, if a visit is not practicable or relevant to the determination, a written statement by the recipient’s or subrecipient’s intake...
staff describing the efforts taken to obtain the required evidence; or

(2) If the program participant meets the criteria under paragraph (2) or (3) of the “at risk of homelessness” definition in §576.2, certification of the child or youth’s homeless status by the agency or organization responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.), the Head Start Act (42 U.S.C. 9831 et seq.), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14093e et seq.), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.), the Child Nutrition Act of 1966 (42 U.S.C. 1786) or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.), as applicable.

(d) Determinations of ineligibility. For each individual and family determined ineligible to receive Emergency Solutions Grant (ESG) assistance, the record must include documentation of the reason for that determination.

(e) Annual income. For each program participant who receives homelessness prevention assistance, or who receives rapid re-housing assistance longer than one year, the following documentation of annual income must be maintained:

(1) Income evaluation form containing the minimum requirements specified by HUD and completed by the recipient or subrecipient; and

(2) Source documents for the assets held by the program participant and income received over the most recent period for which representative data is available before the date of the evaluation (e.g., wage statement, unemployment compensation statement, public benefits statement, bank statement);

(3) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the recipient’s or subrecipient’s intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period for which representative data is available; or

(4) To the extent that source documents and third party verification are unobtainable, the written certification by the program participant of the amount of income the program participant received for the most recent period representative of the income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

(f) Program participant records. In addition to evidence of homeless status or “at risk of homelessness” status, as applicable, records must be kept for each program participant that document:

(1) The services and assistance provided to that program participant, including, as applicable, the security deposit, rental assistance, and utility payments made on behalf of the program participant;

(2) Compliance with the applicable requirements for providing services and assistance to that program participant under the program components and eligible activities provisions at §576.101 through §576.106, the provision on determining eligibility and amount and type of assistance at §576.401(a) and (b), and the provision on using appropriate assistance and services at §576.401(d) and (e); and

(3) Where applicable, compliance with the termination of assistance requirement in §576.402.

(g) Centralized or coordinated assessment systems and procedures. The recipient and its subrecipients must keep documentation evidencing the use of, and written intake procedures for, the centralized or coordinated assessment system(s) developed by the Continuum of Care(s) in accordance with the requirements established by HUD.

(h) Rental assistance agreements and payments. The records must include copies of all leases and rental assistance agreements for the provision of rental assistance, documentation of payments made to owners for the provision of rental assistance, and supporting documentation for these payments, including dates of occupancy by program participants.

(i) Utility allowance. The records must document the monthly allowance for utilities (excluding telephone) used to
determine compliance with the rent restriction.

(j) Shelter and housing standards. The records must include documentation of compliance with the shelter and housing standards in §576.403, including inspection reports.

(k) Emergency shelter facilities. The recipient must keep records of the emergency shelters assisted under the ESG program, including the amount and type of assistance provided to each emergency shelter. As applicable, the recipient’s records must also include documentation of the value of the building before the rehabilitation of an existing emergency shelter or after the conversion of a building into an emergency shelter and copies of the recorded deed or use restrictions.

(l) Services and assistance provided. The recipient must keep records of the types of essential services, rental assistance, and housing stabilization and relocation services provided under the recipient’s program and the amounts spent on these services and assistance. The recipient and its subrecipients that are units of general purpose local government must keep records to demonstrate compliance with the maintenance of effort requirement, including records of the unit of the general purpose local government’s annual budgets and sources of funding for street outreach and emergency shelter services.

(m) Coordination with Continuum(s) of Care and other programs. The recipient and its subrecipients must document their compliance with the requirements of §576.400 for consulting with the Continuum(s) of Care and coordinating and integrating ESG assistance with programs targeted toward homeless people and mainstream service and assistance programs.

(n) HMIS. The recipient must keep records of the participation in HMIS or a comparable database by all projects of the recipient and its subrecipients.

(o) Matching. The recipient must keep records of the source and use of contributions made to satisfy the matching requirement in §576.201. The records must indicate the particular fiscal year grant for which each matching contribution is counted. The records must show how the value placed on third-party, noncash contributions was derived. To the extent feasible, volunteer services must be supported by the same methods that the organization uses to support the allocation of regular personnel costs.

(p) Conflicts of interest. The recipient and its subrecipients must keep records to show compliance with the organizational conflicts-of-interest requirements in §576.404(a), a copy of the personal conflicts of interest policy or codes of conduct developed and implemented to comply with the requirements in §576.404(b), and records supporting exceptions to the personal conflicts of interest prohibitions.

(q) Homeless participation. The recipient must document its compliance with the homeless participation requirements under §576.405.

(r) Faith-based activities. The recipient and its subrecipients must document their compliance with the faith-based activities requirements under §576.406.

(s) Other Federal requirements. The recipient and its subrecipients must document their compliance with the Federal requirements in §576.407, as applicable, including:

1. Records demonstrating compliance with the nondiscrimination and equal opportunity requirements under §576.407(a), including data concerning race, ethnicity, disability status, sex, and family characteristics of persons and households who are applicants for, or program participants in, any program or activity funded in whole or in part with ESG funds and the affirmative outreach requirements in §576.407(b).

2. Records demonstrating compliance with the uniform administrative requirements in 24 CFR part 85 (for governments) and 24 CFR part 84 (for nonprofit organizations).

3. Records demonstrating compliance with the environmental review requirements, including flood insurance requirements.

4. Certifications and disclosure forms required under the lobbying and disclosure requirements in 24 CFR part 87.

(t) Relocation. The records must include documentation of compliance
Financial records. (1) The recipient must retain supporting documentation for all costs charged to the ESG grant.
(2) The recipient and its subrecipients must keep documentation showing that ESG grant funds were spent on allowable costs in accordance with the requirements for eligible activities under §576.101-§576.109 and the cost principles in OMB Circulars A–87 (2 CFR part 225) and A–122 (2 CFR part 230).
(3) The recipient and its subrecipients must retain records of the receipt and use of program income.
(4) The recipient must keep documentation of compliance with the expenditure limits in §576.100 and the expenditure deadline in §576.203.
Subrecipients and contractors. (1) The recipient must retain copies of all solicitations of and agreements with subrecipients, records of all payment requests by and dates of payments made to subrecipients, and documentation of all monitoring and sanctions of subrecipients, as applicable. If the recipient is a State, the recipient must keep records of each recapture and redistribution of recaptured funds under §576.501.
(2) The recipient and its subrecipients must retain copies of all procurement contracts and documentation of compliance with the procurement requirements in 24 CFR 85.36 and 24 CFR 84.40-84.48.
(3) The recipient must ensure that its subrecipients comply with the recordkeeping requirements specified by the recipient and HUD notice or regulations.
Other records specified by HUD. The recipient must keep other records specified by HUD.
Confidentiality. (1) The recipient and its subrecipients must develop and implement written procedures to ensure:
(i) All records containing personally identifying information (as defined in HUD’s standards for participation, data collection, and reporting in a local HMIS) of any individual or family who applies for and/or receives ESG assistance will be kept secure and confidential.
(ii) The address or location of any domestic violence, dating violence, sexual assault, or stalking shelter project assisted under the ESG will not be made public, except with written authorization of the person responsible for the operation of the shelter; and
(iii) The address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of the recipient or subrecipient and consistent with state and local laws regarding privacy and obligations of confidentiality.
Period of record retention. All records pertaining to each fiscal year of ESG funds must be retained for the greater of 5 years or the period specified below. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.
(1) Documentation of each program participant’s qualification as a family or individual at risk of homelessness or as a homeless family or individual and other program participant records must be retained for 5 years after the expenditure of all funds from the grant under which the program participant was served;
(2) Where ESG funds are used for the renovation of an emergency shelter involves costs charged to the ESG grant that exceed 75 percent of the value of the building before renovation, records must be retained until 10 years after the date that ESG funds are first obligated for the renovation; and
(3) Where ESG funds are used to convert a building into an emergency shelter and the costs charged to the ESG grant for the conversion exceed 75 percent of the value of the building after conversion, records must be retained until 10 years after the date that ESG funds are first obligated for the conversion.
Access to records. (1) Federal government rights. Notwithstanding the confidentiality procedures established under paragraph (w) of this section, HUD, the HUD Office of the Inspector General, and the Comptroller General
§ 576.501 Enforcement.

(a) Performance reviews.

(1) HUD will review the performance of each recipient in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the records and reports from the recipient and, when appropriate, its subrecipients, as well as information from on-site monitoring, audit reports, and information from IDIS and HMIS. Where applicable, HUD may also consider relevant information pertaining to the recipient’s performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the recipient.

(2) If HUD determines preliminarily that the recipient or one of its subrecipients has not complied with an ESG program requirement, HUD will give the recipient notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD and on the basis of substantial facts and data, that the recipient has complied with Emergency Solutions Grant (ESG) requirements. HUD may change the method of payment to require the recipient to obtain HUD’s prior approval each time the recipient draws down Emergency Solutions Grant (ESG) funds. To obtain prior approval, the recipient may be required to manually submit its payment requests and supporting documentation to HUD in order to show that the funds to be drawn down will be expended on eligible activities in accordance with all ESG program requirements.

(b) Remedial actions and sanctions. Remedial actions and sanctions for a failure to meet an ESG program requirement will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

(1) HUD may instruct the recipient to submit and comply with proposals for action to correct, mitigate, and prevent noncompliance with ESG requirements, including:

(i) Preparing and following a schedule of actions for carrying out activities affected by the noncompliance, including schedules, timetables, and milestones necessary to implement the affected activities;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities likely to be affected by the noncompliance, before expending ESG funds for the activities;

of the United States, or any of their authorized representatives, must have the right of access to all books, documents, papers, or other records of the recipient and its subrecipients that are pertinent to the ESG grant, in order to make audits, examinations, excerpts, and transcripts. These rights of access are not limited to the required retention period but last as long as the records are retained.

(2) Public rights. The recipient must provide citizens, public agencies, and other interested parties with reasonable access (consistent with state and local laws regarding privacy and obligations of confidentiality and the confidentiality requirements in this part) to records regarding any uses of ESG funds the recipient received during the preceding 5 years.

(a) Reports. The recipient must collect and report data on its use of ESG funds in the Integrated Disbursement and Information System (IDIS) and other reporting systems, as specified by HUD. The recipient must also comply with the reporting requirements in 24 CFR parts 85 and 91 and the reporting requirements under the Federal Funding Accountability and Transparency Act of 2006. (31 U.S.C. 6101 note), which are set forth in appendix A to 2 CFR part 170.
(iv) Reprogramming ESG funds that have not yet been expended from affected activities to other eligible activities;
(v) Suspending disbursement of ESG funds for some or all activities;
(vi) Reducing or terminating the remaining grant of a subrecipient and reallocating those funds to other subrecipients; and
(vii) Making matching contributions before or as draws are made from the recipient’s ESG grant.

(2) HUD may change the method of payment to a reimbursement basis.
(3) HUD may suspend payments to the extent HUD deems it necessary to preclude the further expenditure of funds for affected activities.
(4) HUD may remove the recipient from participation in reallocations of funds under subpart D of this part.
(5) HUD may deny matching credit for all or part of the cost of the affected activities and require the recipient to make further matching contributions to make up for the contribution determined to be ineligible.
(6) HUD may require the recipient to reimburse its line of credit in an amount equal to the funds used for the affected activities.
(7) HUD may reduce or terminate the remaining grant of a recipient and reallocate those funds to other recipients in accordance with subpart D of this part.
(8) HUD may condition a future grant.
(9) HUD may take other remedies that are legally available.

(c) Recipient sanctions. If the recipient determines that a subrecipient is not complying with an ESG program requirement or its subgrant agreement, the recipient must take appropriate actions, as prescribed for HUD in paragraphs (a) and (b) of this section. If the recipient is a State and funds become available as a result of an action under this section, the recipient must reallocate those funds to other subrecipients as soon as practicable. If the recipient is a unit of general purpose local government of territory, it must either reallocate those funds to other subrecipients or reprogram the funds for other activities to be carried out by the recipient as soon as practicable. The recipient must amend its Consolidated Plan in accordance with its citizenship participation plan if funds become available and are reallocated or reprogrammed under this section. The reallocated or reprogrammed funds must be used by the expenditure deadline in §576.203.

PART 578—CONTINUUM OF CARE PROGRAM

Subpart A—General Provisions

Sec. 578.1 Purpose and scope.
578.3 Definitions.

Subpart B—Establishing and Operating a Continuum of Care

578.5 Establishing the Continuum of Care.
578.7 Responsibilities of the Continuum of Care.
578.9 Preparing an application for funds.
578.11 Unified Funding Agency.
578.13 Remedial action.

Subpart C—Application and Grant Award Process

578.15 Eligible applicants.
578.17 Overview of application and grant award process.
578.19 Application process.
578.21 Awarding funds.
578.23 Executing grant agreements.
578.25 Site control.
578.27 Consolidated plan.
578.29 Subsidy layering.
578.31 Environmental review.
578.33 Renewals.
578.35 Appeal.

Subpart D—Program Components and Eligible Costs

578.37 Program components and uses of assistance.
578.39 Continuum of Care planning activities.
578.41 Unified Funding Agency costs.
578.43 Acquisition.
578.45 Rehabilitation.
578.47 New construction.
578.49 Leasing.
578.51 Rental assistance.
578.53 Supportive services.
578.55 Operating costs.
578.57 Homeless Management Information System.
578.59 Project administrative costs.
578.61 Relocation costs.
578.63 Indirect costs.

§ 578.1 Purpose and scope.

(a) The Continuum of Care program is authorized by subtitle C of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381–11389).

(b) The program is designed to:

1. Promote communitywide commitment to the goal of ending homelessness;
2. Provide funding for efforts by non-profit providers, States, and local governments to quickly rehouse homeless individuals (including unaccompanied youth) and families, while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness;
3. Promote access to and effective utilization of mainstream programs by homeless individuals and families; and
4. Optimize self-sufficiency among individuals and families experiencing homelessness.

§ 578.3 Definitions.

As used in this part:

Act means the McKinney-Vento Homeless Assistance Act as amended (42 U.S.C. 11371 et seq.).

Annual renewal amount means the amount that a grant can be awarded on an annual basis when renewed. It includes funds only for those eligible activities (operating, supportive services, leasing, rental assistance, HMIS, and administration) that were funded in the original grant (or the original grant as amended), less the unrenovable activities (acquisition, new construction, rehabilitation, and any administrative costs related to these activities).

Applicant means an eligible applicant that has been designated by the Continuum of Care to apply for assistance under this part on behalf of that Continuum.

At risk of homelessness. (1) An individual or family who:

(i) Has an annual income below 30 percent of median family income for the area, as determined by HUD;

(ii) Does not have sufficient resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the “Homeless” definition in this section; and

(iii) Meets one of the following conditions:

(A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;

(B) Is living in the home of another because of economic hardship;

(C) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days of the date of application for assistance;
(D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by federal, State, or local government programs for low-income individuals;

(E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons, or lives in a larger housing unit in which there reside more than 1.5 people per room, as defined by the U.S. Census Bureau;

(F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or

(G) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient’s approved consolidated plan;

(2) A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 387(3) of the Runaway and Homeless Youth Act (42 U.S.C. 5732a(3)), section 637(1) of the Head Start Act (42 U.S.C. 9832(1)), section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e–2(6)), section 330(h)(5)(A) of the Public Health Service Act (42 U.S.C. 254b(h)(5)(A)), section 3(m) of the Food and Nutrition Act of 2008 (7 U.S.C. 2012(m)), or section 17(b)(15) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)(15)); or

(3) A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), and the parent(s) or guardian(s) of that child or youth if living with her or him.

**Centralized or coordinated assessment system** means a centralized or coordinated process designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.

**Chronically homeless.** (1) An individual who:

(i) Is homeless and lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and

(ii) Has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least one year or on at least four separate occasions in the last 3 years; and

(iii) Can be diagnosed with one or more of the following conditions: substance use disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance Bill of Rights Act of 2000 (42 U.S.C. 15002)), post-traumatic stress disorder, cognitive impairments resulting from brain injury, or chronic physical illness or disability;

(2) An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria in paragraph (1) of this definition, before entering that facility; or

(3) A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraph (1) of this definition, including a family whose composition has fluctuated while the head of household has been homeless.

**Collaborative applicant** means the eligible applicant that has been designated by the Continuum of Care to apply for a grant for Continuum of Care planning funds under this part on behalf of the Continuum.

**Consolidated plan** means the HUD-approved plan developed in accordance with 24 CFR 91.
districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

_Devvelopmental disability_ means, as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002):

1. A severe, chronic disability of an individual that—
   a. Is attributable to a mental or physical impairment or combination of mental and physical impairments;
   b. Is manifested before the individual attains age 22;
   c. Is likely to continue indefinitely;
   d. Results in substantial functional limitations in three or more of the following areas of major life activity:
      A. Self-care;
      B. Receptive and expressive language;
      C. Learning;
      D. Mobility;
      E. Self-direction;
      F. Capacity for independent living;
      G. Economic self-sufficiency.
   e. Reflects the individual's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

2. An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting three or more of the criteria described in paragraphs (1)(i) through (v) of the definition of "developmental disability" in this section if the individual, without services and supports, has a high probability of meeting these criteria later in life.

_Eligible applicant_ means a private nonprofit organization, State, local government, or instrumentality of State and local government.

_Emergency shelter_ is defined in 24 CFR part 576.

_Emergency Solutions Grants (ESG)_ means the grants provided under 24 CFR part 576.

_Fair Market Rent (FMR)_ means the Fair Market Rents published in the _Federal Register_ annually by HUD.

_High-performing community (HPC)_ means a Continuum of Care that meets the standards in subpart E of this part and has been designated as a high-performing community by HUD.

_Homeless_ means:

1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
   a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
   b. An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, State, or local government programs for low-income individuals); or
   c. An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

2. An individual or family who will imminently lose their primary nighttime residence, provided that:
   a. The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
   b. No subsequent residence has been identified; and
   c. The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing.

3. Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
   a. Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), section 637

(ii) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;

(iii) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and

(iv) Can be expected to continue in such status for an extended period of time because of chronic disabilities; chronic physical health or mental health conditions; substance addiction; histories of domestic violence or childhood abuse (including neglect); the presence of a child or youth with a disability; or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

(4) Any individual or family who:

(i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual’s or family’s primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

(ii) Has no other residence; and

(iii) Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

Homeless Management Information System (HMIS) means the information system designated by the Continuum of Care to comply with the HMIS requirements prescribed by HUD.

HMIS Lead means the entity designated by the Continuum of Care in accordance with this part to operate the Continuum’s HMIS on its behalf.

Permanent housing means community-based housing without a designated length of stay, and includes both permanent supportive housing and rapid rehousing. To be permanent housing, the program participant must be the tenant on a lease for a term of at least one year, which is renewable for terms that are a minimum of one month long, and is terminable only for cause.

Permanent supportive housing means permanent housing in which supportive services are provided to assist homeless persons with a disability to live independently.

Point-in-time count means a count of sheltered and unsheltered homeless persons carried out on one night in the last 10 calendar days of January or at such other time as required by HUD.

Private nonprofit organization means an organization:

(1) No part of the net earnings of which inure to the benefit of any member, founder, contributor, or individual;

(2) That has a voluntary board;

(3) That has a functioning accounting system that is operated in accordance with generally accepted accounting principles, or has designated a fiscal agent that will maintain a functioning accounting system for the organization in accordance with generally accepted accounting principles; and

(4) That practices nondiscrimination in the provision of assistance.

A private nonprofit organization does not include governmental organizations, such as public housing agencies.

Program participant means an individual (including an unaccompanied youth) or family who is assisted with Continuum of Care program funds.

Project means a group of eligible activities, such as HMIS costs, identified as a project in an application to HUD for Continuum of Care funds and includes a structure (or structures) that is (are) acquired, rehabilitated, constructed, or leased with assistance provided under this part or with respect to which HUD provides rental assistance.
or annual payments for operating costs, or supportive services under this subtitle.

Recipient means an applicant that signs a grant agreement with HUD.

Safe haven means, for the purpose of defining chronically homeless, supportive housing that meets the following:

(1) Serves hard to reach homeless persons with severe mental illness who came from the streets and have been unwilling or unable to participate in supportive services;

(2) Provides 24-hour residence for eligible persons for an unspecified period;

(3) Has an overnight capacity limited to 25 or fewer persons; and

(4) Provides low-demand services and referrals for the residents.

State means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Commonwealth of the Northern Marianas, and the Virgin Islands.

Subrecipient means a private nonprofit organization, State, local government, or instrumentality of State or local government that receives a subgrant from the recipient to carry out a project.

Transitional housing means housing, where all program participants have signed a lease or occupancy agreement, the purpose of which is to facilitate the movement of homeless individuals and families into permanent housing within 24 months or such longer period as HUD determines necessary. The program participant must have a lease or occupancy agreement for a term of at least one month that ends in 24 months and cannot be extended.

Unified Funding Agency (UFA) means an eligible applicant selected by the Continuum of Care to apply for a grant for the entire Continuum, which has the capacity to carry out the duties in §578.11(b), which is approved by HUD and to which HUD awards a grant.

Victim service provider means a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking. This term includes rape crisis centers, battered women’s shelters, domestic violence transitional housing programs, and other programs.

Subpart B—Establishing and Operating a Continuum of Care

§578.5 Establishing the Continuum of Care.

(a) The Continuum of Care. Representatives from relevant organizations within a geographic area shall establish a Continuum of Care for the geographic area to carry out the duties of this part. Relevant organizations include nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, and organizations that serve veterans and homeless and formerly homeless individuals.

(b) The board. The Continuum of Care must establish a board to act on behalf of the Continuum using the process established as a requirement by §578.7(a)(3) and must comply with the conflict-of-interest requirements at §578.95(b). The board must:

(1) Be representative of the relevant organizations and of projects serving homeless subpopulations; and

(2) Include at least one homeless or formerly homeless individual.

(c) Transition. Continuums of Care shall have 2 years after August 30, 2012 to comply with the requirements of paragraph (b) of this section.

§578.7 Responsibilities of the Continuum of Care.

(a) Operate the Continuum of Care. The Continuum of Care must:

(1) Hold meetings of the full membership, with published agendas, at least semi-annually;

(2) Make an invitation for new members to join publicly available within the geographic at least annually;

(3) Adopt and follow a written process to select a board to act on behalf of the Continuum of Care. The process must be reviewed, updated, and approved by the Continuum at least once every 5 years;
(4) Appoint additional committees, subcommittees, or workgroups;

(5) In consultation with the collaborative applicant and the HMIS Lead, develop, follow, and update annually a governance charter, which will include all procedures and policies needed to comply with subpart B of this part and with HMIS requirements as prescribed by HUD; and a code of conduct and recusal process for the board, its chair(s), and any person acting on behalf of the board;

(6) Consult with recipients and subrecipients to establish performance targets appropriate for population and program type, monitor recipient and subrecipient performance, evaluate outcomes, and take action against poor performers;

(7) Evaluate outcomes of projects funded under the Emergency Solutions Grants program and the Continuum of Care program, and report to HUD;

(8) In consultation with recipients of Emergency Solutions Grants program funds within the geographic area, establish and operate either a centralized or coordinated assessment system that provides an initial, comprehensive assessment of the needs of individuals and families for housing and services. The Continuum must develop a specific policy to guide the operation of the centralized or coordinated assessment system on how its system will address the needs of individuals and families who are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, or stalking, but who are seeking shelter or services from nonvictim service providers. This system must comply with any requirements established by HUD by Notice.

(9) In consultation with recipients of Emergency Solutions Grants program funds within the geographic area, establish and consistently follow written standards for providing Continuum of Care assistance. At a minimum, these written standards must include:

(i) Policies and procedures for evaluating individuals’ and families’ eligibility for assistance under this part;

(ii) Policies and procedures for determining and prioritizing which eligible individuals and families will receive transitional housing assistance;

(iii) Policies and procedures for determining and prioritizing which eligible individuals and families will receive rapid rehousing assistance;

(iv) Standards for determining what percentage or amount of rent each program participant must pay while receiving rapid rehousing assistance;

(v) Policies and procedures for determining and prioritizing which eligible individuals and families will receive permanent supportive housing assistance; and

(vi) Where the Continuum is designated a high-performing community, as described in subpart G of this part, policies and procedures set forth in 24 CFR 576.400(e)(3)(vi), (e)(3)(vii), (e)(3)(viii), and (e)(3)(ix).

(b) Designating and operating an HMIS. The Continuum of Care must:

(1) Designate a single Homeless Management Information System (HMIS) for the geographic area;

(2) Designate an eligible applicant to manage the Continuum’s HMIS, which will be known as the HMIS Lead;

(3) Review, revise, and approve a privacy plan, security plan, and data quality plan for the HMIS;

(4) Ensure consistent participation of recipients and subrecipients in the HMIS; and

(5) Ensure the HMIS is administered in compliance with requirements prescribed by HUD.

(c) Continuum of Care planning. The Continuum must develop a plan that includes:

(1) Coordinating the implementation of a housing and service system within its geographic area that meets the needs of the homeless individuals (including unaccompanied youth) and families. At a minimum, such system encompasses the following:

(i) Outreach, engagement, and assessment;

(ii) Shelter, housing, and supportive services;

(iii) Prevention strategies.

(2) Planning for and conducting, at least biennially, a point-in-time count of homeless persons within the geographic area that meets the following requirements:

(i) Homeless persons who are living in a place not designed or ordinarily
used as a regular sleeping accommodation for humans must be counted as unsheltered homeless persons.

(ii) Persons living in emergency shelters and transitional housing projects must be counted as sheltered homeless persons.

(iii) Other requirements established by HUD by Notice.

(3) Conducting an annual gaps analysis of the homeless needs and services available within the geographic area;

(4) Providing information required to complete the Consolidated Plan(s) within the Continuum’s geographic area;

(5) Consulting with State and local government Emergency Solutions Grants program recipients within the Continuum’s geographic area on the plan for allocating Emergency Solutions Grants program funds and reporting on and evaluating the performance of Emergency Solutions Grants program recipients and subrecipients.

§ 578.9 Preparing an application for funds.

(a) The Continuum must:

(1) Design, operate, and follow a collaborative process for the development of applications and approve the submission of applications in response to a NOFA published by HUD under § 578.19 of this subpart;

(2) Establish priorities for funding projects in the geographic area;

(3) Determine if one application for funding will be submitted for all projects within the geographic area or if more than one application will be submitted for the projects within the geographic area;

(i) If more than one application will be submitted, designate an eligible applicant to be the collaborative applicant that will collect and combine the required application information from all projects within the geographic area that the Continuum has selected for funding and apply for Continuum of Care planning activities;

(ii) The Continuum retains all of its responsibilities, even if it designates one or more eligible applicants other than itself to apply for funds on behalf of the Continuum. This includes approving the Continuum of Care application.

§ 578.11 Unified Funding Agency.

(a) Becoming a Unified Funding Agency. To become designated as the Unified Funding Agency (UFA) for a Continuum, a collaborative applicant must be selected by the Continuum to apply to HUD to be designated as the UFA for the Continuum.

(b) Criteria for designating a UFA. HUD will consider these criteria when deciding whether to designate a collaborative applicant a UFA:

(1) The Continuum of Care it represents meets the requirements in § 578.7;

(2) The collaborative applicant has financial management systems that meet the standards set forth in 24 CFR 84.21 (for nonprofit organizations) and 24 CFR 85.20 (for States);

(3) The collaborative applicant demonstrates the ability to monitor subrecipients; and

(4) Such other criteria as HUD may establish by NOFA.

(c) Requirements. HUD-designated UFAs shall:

(1) Apply to HUD for funding for all of the projects within the geographic area and enter into a grant agreement with HUD for the entire geographic area.

(2) Enter into legally binding agreements with subrecipients, and receive and distribute funds to subrecipients for all projects within the geographic area.

(3) Require subrecipients to establish fiscal control and accounting procedures as necessary to assure the proper disbursal of and accounting for federal funds in accordance with the requirements of 24 CFR parts 84 and 85 and corresponding OMB circulars.

(4) Obtain approval of any proposed grant agreement amendments by the
Continuum of Care before submitting a request for an amendment to HUD.

§ 578.13 Remedial action.

(a) If HUD finds that the Continuum of Care for a geographic area does not meet the requirements of the Act or its implementing regulations, or that there is no Continuum for a geographic area, HUD may take remedial action to ensure fair distribution of grant funds within the geographic area. Such measures may include:

(1) Designating a replacement Continuum of Care for the geographic area;

(2) Designating a replacement collaborative applicant for the Continuum’s geographic area; and

(3) Accepting applications from other eligible applicants within the Continuum’s geographic area.

(b) HUD must provide a 30-day prior written notice to the Continuum and its collaborative applicant and give them an opportunity to respond.

Subpart C—Application and Grant Award Process

§ 578.15 Eligible applicants.

(a) Who may apply. Nonprofit organizations, States, local governments, and instrumentalities of State or local governments are eligible to apply for grants.

(b) Designation by the Continuum of Care. Eligible applicant(s) must have been designated by the Continuum of Care to submit an application for grant funds under this part. The designation must state whether the Continuum is designating more than one applicant to apply for funds and, if it is, which applicant is being designated as the collaborative applicant. If the Continuum is designating only one applicant to apply for funds, the Continuum must designate that applicant to be the collaborative applicant.

(c) Exclusion. For-profit entities are not eligible to apply for grants or to be subrecipients of grant funds.

§ 578.17 Overview of application and grant award process.

(a) Formula. (1) After enactment of the annual appropriations act for each fiscal year, and issuance of the NOFA, HUD will publish, on its Web site, the Preliminary Pro Rata Need (PPRN) assigned to metropolitan cities, urban counties, and all other counties.

(2) HUD will apply the formula used to determine PPRN established in paragraph (a)(3) of this section, to the amount of funds being made available under the NOFA. That amount is calculated by:

(i) Determining the total amount for the Continuum of Care competition in accordance with section 413 of the Act or as otherwise directed by the annual appropriations act;

(ii) From the amount in paragraph (a)(2)(i) of this section, deducting the amount published in the NOFA as being set aside to provide a bonus to geographic areas for activities that have proven to be effective in reducing homelessness generally or for specific subpopulations listed in the NOFA or achieving homeless prevention and independent living goals established in the NOFA and to meet policy priorities set in the NOFA; and

(iii) Deducting the amount of funding necessary for Continuum of Care planning activities and UFA costs.

(3) PPRN is calculated on the amount determined under paragraph (a)(2) of this section by using the following formula:

(i) Two percent will be allocated among the four insular areas (American Samoa, Guam, the Commonwealth of the Northern Marianas, and the Virgin Islands) on the basis of the ratio of the population of each insular area to the population of all insular areas.

(ii) Seventy-five percent of the remaining amount will be allocated, using the Community Development Block Grant (CDBG) formula, to metropolitan cities and urban counties that have been funded under the Emergency Solutions Grants program in any one year since 2004.

(iii) The amount remaining after the allocation under paragraphs (a)(1) and (2) of this section will be allocated, using the CDBG formula, to metropolitan cities and urban counties that have not been funded under the Emergency Solutions Grants program in any year since 2004 and all other counties in the United States and Puerto Rico.
§ 578.19 Application process.

(a) Notice of Funding Availability. After enactment of the annual appropriations act for the fiscal year, HUD will issue a NOFA in accordance with the requirements of 24 CFR part 4.

(b) Applications. All applications to HUD, including applications for grant funds and requests for designation as a UFA or HPC, must be submitted at such time and in such manner as HUD may require, and contain such information as HUD determines necessary. At a minimum, an application for grant funds must contain a list of the projects for which it is applying for funds; a description of the projects; a list of the projects that will be carried out by subrecipients and the names of the subrecipients; a description of the subpopulations of homeless or at risk of homelessness to be served by projects; the number of units to be provided and/or the number of persons to be served by each project; a budget request by project; and reasonable assurances that the applicant, or the subrecipient, will own or have control of a site for the proposed project not later than the expiration of the 12-month period beginning upon notification of an award for grant assistance.

§ 578.21 Awarding funds.

(a) Selection. HUD will review applications in accordance with the guidelines and procedures provided in the NOFA and will award funds to recipients through a national competition based on selection criteria as defined in section 427 of the Act.

(b) Announcement of awards. HUD will announce awards and notify selected applicants of any conditions imposed on awards. Conditions must be satisfied before HUD will execute a grant agreement with the applicant.

(c) Satisfying conditions. HUD will withdraw an award if the applicant does not satisfy all conditions imposed on it. Correcting all issues and conditions attached to an award must be completed within the time frame established in the NOFA. Proof of site control, match, environmental review, and the documentation of financial feasibility must be completed within 12 months of the announcement of the award, or 24 months in the case of funds for acquisition, rehabilitation, or new construction. The 12-month deadline may be extended by HUD for up to 12 additional months upon a showing of...
compelling reasons for delay due to factors beyond the control of the recipient or subrecipient.

§ 578.23 Executing grant agreements.

(a) Deadline. No later than 45 days from the date when all conditions are satisfied, the recipient and HUD must execute the grant agreement.

(b) Grant agreements. (1) Multiple applicants for one Continuum. If a Continuum designates more than one applicant for the geographic area, HUD will enter into a grant agreement with each designated applicant for which an award is announced.

(2) One applicant for a Continuum. If a Continuum designates only one applicant for the geographic area, after awarding funds, HUD may enter into a grant agreement with that applicant for new awards, if any, and one grant agreement for renewals, Continuum of Care planning, and UFA costs, if any. These two grants will cover the entire geographic area. A default by the recipient under one of those grant agreements will also be a default under the other.

(3) Unified Funding Agencies. If a Continuum is a UFA that HUD has approved, then HUD will enter into one grant agreement with the UFA for new awards, if any, and one grant agreement for renewals, Continuum of Care planning and UFA costs, if any. These two grants will cover the entire geographic area. A default by the UFA under one of those grant agreements will also be a default under the other.

(c) Required agreements. Recipients will be required to sign a grant agreement in which the recipient agrees:

(1) To ensure the operation of the project(s) in accordance with the provisions of the McKinney-Veto Act and all requirements under 24 CFR part 578;

(2) To monitor and report the progress of the project(s) to the Continuum of Care and HUD;

(3) To ensure, to the maximum extent practicable, that individuals and families experiencing homelessness are involved, through employment, provision of volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating facilities for the project and in providing supportive services for the project;

(4) To require certification from all subrecipients that:

(i) Subrecipients will maintain the confidentiality of records pertaining to any individual or family that was provided family violence prevention or treatment services through the project;

(ii) The address or location of any family violence project assisted under this part will not be made public, except with written authorization of the person responsible for the operation of such project;

(iii) Subrecipients will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;

(iv) In the case of projects that provide housing or services to families, that subrecipients will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;

(v) The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and

(vi) Subrecipients will provide information, such as data and reports, as required by HUD;

(5) To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the recipient is a UFA;

(6) To monitor subrecipient match and report on match to HUD;

(7) To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education.
§ 578.25 Site control.
(a) In general. When grant funds will be used for acquisition, rehabilitation, new construction, operating costs, or to provide supportive services, the recipient or subrecipient must demonstrate that it has site control within the time frame established in section § 578.21 before HUD will execute a grant agreement. This requirement does not apply to funds used for housing that will eventually be owned or controlled by the individuals or families served or for supportive services provided at sites not operated by the recipient or subrecipient.

(b) Evidence. Acceptable evidence of site control is a deed or lease. If grant funds will be used for acquisition, acceptable evidence of site control will be a purchase agreement. The owner, lessee, and purchaser shown on these documents must be the selected applicant or intended subrecipient identified in the application for assistance.

(c) Tax credit projects. (1) Applicants that plan to use the low-income housing tax credit authorized under 26 U.S.C. 42 to finance a project must prove to HUD’s satisfaction that the applicant or subrecipient identified in the application is in control of the limited partnership or limited liability corporation that has a deed or lease for the project site.

(i) To have control of the limited partnership, the applicant or subrecipient must be the general partner of the limited partnership or have a 51 percent controlling interest in that general partner.

(ii) To have control of the limited liability company, the applicant or subrecipient must be the sole managing member.

(2) If grant funds are to be used for acquisition, rehabilitation, or new construction, the recipient or subrecipient must maintain control of the partnership or corporation and must ensure that the project is operated in compliance with law and regulation for 15 years from the date of initial occupancy or initial service provision. The partnership or corporation must own the project site throughout the 15-year period. If grant funds were not used for acquisition, rehabilitation, or new construction, then the recipient or subrecipient must maintain control for the term of the grant agreement and any renewals thereof.

§ 578.27 Consolidated plan.
(a) States or units of general local government. An applicant that is a State or a unit of general local government must have a HUD-approved, complete or abbreviated, consolidated plan in accordance with 24 CFR part 91. The applicant must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan(s) for the jurisdiction(s) in which the proposed project will be located. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) Other applicants. Applicants that are not States or units of general local government must submit a certification by the jurisdiction(s) in which the proposed project will be located that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made by the unit of general local government or the
§ 578.33 Renewals.

(a) In general. Awards made under this part and title IV of the Act, as in effect before August 30, 2012 (the Supportive Housing Program and the Shelter Plus Care program), may be renewed to continue ongoing leasing, operations, supportive services, rental assistance, HMIS, and administration beyond the initial funding period. To be considered for funding, recipients must submit a request in a form specified by HUD, must meet the requirements of this part, and must submit the request within the time frame established by HUD.

(b) Length of renewal. HUD may award up to 3 years of funds for supportive services, leasing, HMIS, and operating costs. Renewals of tenant-based and sponsor-based rental assistance may be for up to one year of rental assistance. Renewals of project-based rental assistance may be for up to 15 years of rental assistance, subject to availability of annual appropriations.

(c) Assistance available. (1) Assistance during each year of a renewal period may be for:
   (i) Up to 100 percent of the amount for supportive services and HMIS costs in the final year of the prior funding period;
   (ii) Up to 100 percent of the amount for leasing and operating in the final year of the prior funding period adjusted in proportion to changes in the FMR for the geographic area; and
   (iii) For rental assistance, up to 100 percent of the result of multiplying the number and unit size(s) in the grant agreement by the number of months in the renewal grant term and the applicable FMR.

(d) Review criteria. (1) Awards made under title IV of the Act, as in effect before August 30, 2012 are eligible for renewal in the Continuum of Care program even if the awardees would not be eligible for a new grant under the program, so long as they continue to serve the same population and the same number of persons or units in the same type of housing as identified in their
most recently amended grant agreement signed before August 30, 2012. Grants will be renewed if HUD receives a certification from the Continuum that there is a demonstrated need for the project, and HUD finds that the project complied with program requirements applicable before August 30, 2012. For purposes of meeting the requirements of this part, a project will continue to be administered in accordance with 24 CFR 582.330, if the project received funding under the Shelter Plus Care program, or 24 CFR 583.325, if the project received funding under the Supportive Housing Program.

(2) Renewal of awards made after August 30, 2012. Review criteria for competitively awarded renewals made after August 30, 2012 will be described in the NOFA.

(e) Unsuccessful projects. HUD may renew a project that was eligible for renewal in the competition and was part of an application that was not funded despite having been submitted on time, in the manner required by HUD, and containing the information required by HUD, upon a finding that the project meets the purposes of the Continuum of Care program. The renewal will not exceed more than one year and will be under such conditions as HUD deems appropriate.

(f) Annual Performance Report condition. HUD may terminate the renewal of any grant and require the recipient to repay the renewal grant if:

(1) The recipient fails to timely submit a HUD Annual Performance Report (APR) for the grant year immediately prior to renewal; or

(2) The recipient submits an APR that HUD deems unacceptable or shows noncompliance with the requirements of the grant and this part.

§578.35 Appeal.

(a) In general. Failure to follow the procedures or meet the deadlines established in this section will result in denial of the appeal.

(b) Solo applicants. (1) Who may appeal. Nonprofits, States, and local governments, and instrumentalities of State or local governments that attempted to participate in the Continuum of Care planning process in the geographic area in which they operate, that believe they were denied the right to participate in a reasonable manner, and that submitted a solo application for funding by the application deadline established in the NOFA, may appeal the decision of the Continuum to HUD.

(2) Notice of intent to appeal. The solo applicant must submit a written notice of intent to appeal, with a copy to the Continuum, with their funding application.

(3) Deadline for submitting proof. No later than 30 days after the date that HUD announces the awards, the solo applicant shall submit in writing, with a copy to the Continuum, all relevant evidence supporting its claim, in such manner as HUD may require by Notice.

(4) Response from the Continuum of Care. The Continuum shall have 30 days from the date of its receipt of the solo applicant’s evidence to respond to HUD in writing and in such manner as HUD may require, with a copy to the solo applicant.

(5) Decision. HUD will notify the solo applicant and the Continuum of its decision within 60 days of receipt of the Continuum’s response.

(6) Funding. If HUD finds that the solo applicant was not permitted to participate in the Continuum of Care planning process in a reasonable manner, then HUD may award a grant to the solo applicant when funds next become available and may direct the Continuum of Care to take remedial steps to ensure reasonable participation in the future. HUD may also reduce the award to the Continuum’s applicant(s).

(c) Denied or decreased funding. (1) Who may appeal. Eligible applicants that are denied funds by HUD, or that requested more funds than HUD awarded to them, may appeal the award by filing a written appeal, in such form and manner as HUD may require by Notice, within 45 days of the date of HUD’s announcement of the award.

(2) Decision. HUD will notify the applicant of its decision on the appeal within 60 days of HUD’s receipt of the written appeal. HUD will reverse a decision only when the applicant can show that HUD error caused the denial or decrease.
(3) Funding. Awards and increases to awards made upon appeal will be made from next available funds.

(d) Competing Continuums of Care. (1) In general. If more than one Continuum of Care claims the same geographic area, HUD will award funds to the Continuum applicant(s) whose application(s) has the highest total score. No projects will be funded from the lower scoring Continuum. No projects that are submitted in two or more competing Continuum of Care applications will be funded.

(2) Who may appeal. The designated applicant(s) for the lower scoring Continuum may appeal HUD’s decision to fund the application(s) from the competing Continuum by filing a written appeal, in such form and manner as HUD may require by Notice, within 45 days of the date of HUD’s announcement of the award.

(3) Decision. HUD will notify the applicant(s) of its decision on the appeal within 60 days of the date of HUD’s receipt of the written appeal. HUD will reverse a decision only upon a showing by the applicant that HUD error caused the denial.

(e) Consolidated plan certification. (1) In general. An applicant may appeal to HUD a jurisdiction’s refusal to provide a certification of consistency with the Consolidated Plan.

(2) Procedure. The applicant must submit a written appeal with its application to HUD and send a copy of the appeal to the jurisdiction that denied the certification of consistency. The appeal must include, at a minimum:

(i) A copy of the applicant’s request to the jurisdiction for the certification of consistency with the Consolidated Plan;

(ii) A copy of the jurisdiction’s response stating the reasons for denial, including the reasons the proposed project is not consistent with the jurisdiction’s Consolidated Plan in accordance with 24 CFR 91.500(c); and

(iii) A statement of the reasons why the applicant believes its project is consistent with the jurisdiction’s Consolidated Plan.

(3) Jurisdiction response. The jurisdiction that refused to provide the certification of consistency with the jurisdiction’s Consolidated Plan shall have 10 days after receipt of a copy of the appeal to submit a written explanation of the reasons originally given for refusing to provide the certification and a written rebuttal to any claims made by the applicant in the appeal.

(4) HUD review. (i) HUD will issue its decision within 45 days of the date of HUD’s receipt of the jurisdiction’s response. As part of its review, HUD will consider:

(A) Whether the applicant submitted the request to the appropriate political jurisdiction; and

(B) The reasonableness of the jurisdiction’s refusal to provide the certificate.

(ii) If the jurisdiction did not provide written reasons for refusal, including the reasons why the project is not consistent with the jurisdiction’s Consolidated Plan in its initial response to the applicant’s request for a certification, HUD will find for the applicant without further inquiry or response from the political jurisdiction.

Subpart D—Program Components and Eligible Costs

§ 578.37 Program components and uses of assistance.

(a) Continuum of Care funds may be used to pay for the eligible costs listed in § 578.39 through § 578.63 when used to establish and operate projects under five program components: permanent housing; transitional housing; supportive services only; HMIS; and, in some cases, homelessness prevention. Although grant funds may be used by recipients and subrecipients in all components for the eligible costs of contributing data to the HMIS designated by the Continuum of Care, only HMIS Leads may use grant funds for an HMIS component. Administrative costs are eligible for all components. All components are subject to the restrictions on combining funds for certain eligible activities in a single project found in § 578.87(c). The eligible program components are:

(1) Permanent housing (PH). Permanent housing is community-based housing, the purpose of which is to provide housing without a designated length of
stay. Grant funds may be used for acquisition, rehabilitation, new construction, leasing, rental assistance, operating costs, and supportive services. PH includes:

(i) Permanent supportive housing for persons with disabilities (PSH). PSH can only provide assistance to individuals with disabilities and families in which one adult or child has a disability. Supportive services designed to meet the needs of the program participants must be made available to the program participants.

(ii) Rapid rehousing. Continuum of Care funds may provide supportive services, as set forth in §578.53, and/or short-term (up to 3 months) and/or medium-term (for 3 to 24 months) tenant-based rental assistance, as set forth in §578.51(c), as necessary to help a homeless individual or family, with or without disabilities, move as quickly as possible into permanent housing and achieve stability in that housing. When providing short-term and/or medium-term rental assistance to program participants, the rental assistance is subject to §578.51(a)(l), but not §578.51(a)(l)(i) and (ii); (a)(2); (c) and (f) through (i); and (l)(1). These projects:

(A) Must follow the written policies and procedures established by the Continuum of Care for determining and prioritizing which eligible families and individuals will receive rapid rehousing assistance, as well as the amount or percentage of rent that each program participant must pay.

(B) May set a maximum amount or percentage of rental assistance that a program participant may receive, a maximum number of months that a program participant may receive rental assistance, and/or a maximum number of times that a program participant may receive rental assistance. The recipient or subrecipient may also require program participants to share in the costs of rent. For the purposes of calculating rent for rapid rehousing, the rent shall equal the sum of the total monthly rent for the unit and, if the tenant pays separately for utilities, the monthly allowance for utilities (excluding telephone) established by the public housing authority for the area in which the housing is located.

(C) Limit rental assistance to no more than 24 months to a household.

(D) May provide supportive services for no longer than 6 months after rental assistance stops.

(E) Must re-evaluate, not less than once annually, that the program participant lacks sufficient resources and support networks necessary to retain housing without Continuum of Care assistance and the types and amounts of assistance that the program participant needs to retain housing. The recipient or subrecipient may require each program participant receiving assistance to notify the recipient or subrecipient of changes in the program participant’s income or other circumstances (e.g., changes in household composition) that affect the program participant’s need for assistance. When notified of a relevant change, the recipient or subrecipient must reevaluate the program participant’s eligibility and the amount and types of assistance that the program participant needs.

(F) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability. The project is exempt from this requirement if the Violence Against Women Act of 1994 (42 U.S.C. 13925 et seq.) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 et seq.) prohibits the recipient carrying out the project from making its housing conditional on the participant’s acceptance of services.

(2) Transitional Housing (TH). Transitional housing facilitates the movement of homeless individuals and families to PH within 24 months of entering TH. Grant funds may be used for acquisition, rehabilitation, new construction, leasing, rental assistance, operating costs, and supportive services.

(3) Supportive Service Only (SSO). Funds may be used for acquisition, rehabilitation, relocation costs, or leasing of a facility from which supportive services will be provided, and supportive services in order to provide supportive services to unsheltered and sheltered homeless persons for whom the recipient or subrecipient is not providing housing or housing assistance. SSO includes street outreach.
(4) **HMIS.** Funds may be used by HMIS Leads to lease a structure in which the HMIS is operated or as operating funds to operate a structure in which the HMIS is operated, and for other costs eligible in §578.57.

(5) **Homelessness prevention.** Funds may be used by recipients in Continuums of Care-designated high-performing communities for housing relocation and stabilization services, and short- and/or medium-term rental assistance, as described in 24 CFR 576.105 and 24 CFR 576.106, that are necessary to prevent an individual or family from becoming homeless.

(b) **Uses of assistance.** Funds are available to pay for the eligible costs listed in §578.39 through §578.63 when used to:

(1) Establish new housing or new facilities to provide supportive services;

(2) Expand existing housing and facilities in order to increase the number of homeless persons served;

(3) Bring existing housing and facilities into compliance with State and local government health and safety standards, as described in §578.87;

(4) Preserve existing permanent housing and facilities that provide supportive services;

(5) Provide supportive services for residents of supportive housing or for homeless persons not residing in supportive housing;

(6) Continue funding permanent housing when the recipient has received funding under this part for leasing, supportive services, operating costs, or rental assistance;

(7) Establish and operate an HMIS or comparable database; and

(8) Establish and carry out a Continuum of Care planning process and operate a Continuum of Care.

(c) **Multiple purposes.** Structures used to provide housing, supportive housing, supportive services, or as a facility for HMIS activities may also be used for other purposes. However, assistance under this part will be available only in proportion to the use of the structure for supportive housing or supportive services. If eligible and ineligible activities are carried out in separate portions of the same structure or in separate structures, grant funds may not be used to pay for more than the actual cost of acquisition, construction, or rehabilitation of the portion of the structure or structures used for eligible activities. If eligible and ineligible activities are carried out in the same structure, the costs will be prorated based on the amount of time that the space is used for eligible versus ineligible activities.

§ 578.39 Continuum of Care planning activities.

(a) **In general.** Collaborative applicants may use up to 3 percent of their FPRN, or a maximum amount to be established by the NOFA, for costs of:

(1) Designing and carrying out a collaborative process for the development of an application to HUD;

(2) Evaluating the outcomes of projects for which funds are awarded in the geographic area under the Continuum of Care and the Emergency Solutions Grants programs; and

(3) Participating in the consolidated plan(s) for the geographic area(s).

(b) **Continuum of Care planning activities.** Eligible planning costs include the costs of:

(1) Developing a communitywide or regionwide process involving the coordination of nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve veterans, and homeless and formerly homeless individuals;

(2) Determining the geographic area that the Continuum of Care will serve;

(3) Developing a Continuum of Care system;

(4) Evaluating the outcomes of projects for which funds are awarded in the geographic area, including the Emergency Solutions Grants program;

(5) Participating in the consolidated plan(s) of the jurisdiction(s) in the geographic area; and

(6) Preparing and submitting an application to HUD on behalf of the entire Continuum of Care membership, including conducting a sheltered and unsheltered point-in-time count and other data collection as required by HUD.
§ 578.41 Monitoring costs. The costs of monitoring recipients and subrecipients and enforcing compliance with program requirements are eligible.

§ 578.41 Unified Funding Agency costs.

(a) In general. UFAs may use up to 3 percent of their FPRN, or a maximum amount to be established by the NOFA, whichever is less, for fiscal control and accounting costs necessary to assure the proper disbursement of, and accounting for, federal funds awarded to subrecipients under the Continuum of Care program.

(b) UFA costs. UFA costs include costs of ensuring that all financial transactions carried out under the Continuum of Care program are conducted and records are maintained in accordance with generally accepted accounting principles, including arranging for an annual survey, audit, or evaluation of the financial records of each project carried out by a subrecipient funded by a grant received through the Continuum of Care program.

(c) Monitoring costs. The costs of monitoring subrecipients and enforcing compliance with program requirements are eligible for costs.

§ 578.43 Acquisition.

Grant funds may be used to pay up to 100 percent of the cost of acquisition of real property selected by the recipient or subrecipient for use in the provision of housing or supportive services for homeless persons.

§ 578.45 Rehabilitation.

(a) Use. Grant funds may be used to pay up to 100 percent of the cost of rehabilitation of structures to provide housing or supportive services to homeless persons.

(b) Eligible costs. Eligible rehabilitation costs include installing cost-effective energy measures, and bringing an existing structure to State and local government health and safety standards.

(c) Ineligible costs. Grant funds may not be used for rehabilitation of leased property.

§ 578.47 New construction.

(a) Use. Grant funds may be used to:

(1) Pay up to 100 percent of the cost of new construction, including the building of a new structure or building an addition to an existing structure that increases the floor area by 100 percent or more, and the cost of land associated with that construction, for use as housing.

(2) If grant funds are used for new construction, the applicant must demonstrate that the costs of new construction are substantially less than the costs of rehabilitation or that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction. For purposes of this cost comparison, costs of rehabilitation or new construction may include the cost of real property acquisition.

(b) Ineligible costs. Grant funds may not be used for new construction on leased property.

§ 578.49 Leasing.

(a) Use. (1) Where the recipient or subrecipient is leasing the structure, or portions thereof, grant funds may be used to pay for 100 percent of the costs of leasing a structure or structures, or portions thereof, to provide housing or supportive services to homeless persons for up to 3 years. Leasing funds may not be used to lease units or structures owned by the recipient, subrecipient, their parent organization(s), any other related organization(s), or organizations that are members of a partnership, where the partnership owns the structure, unless HUD authorized an exception for good cause.

(2) Any request for an exception must include the following:

(i) A description of how leasing these structures is in the best interest of the program;

(ii) Supporting documentation showing that the leasing charges paid with grant funds are reasonable for the market; and

(iii) A copy of the written policy for resolving disputes between the landlord and tenant, including a recusal for officers, agents, and staff who work for both the landlord and tenant.

(b) Requirements. (1) Leasing structures. When grants are used to pay rent for all or part of a structure or structures, the rent paid must be reasonable
in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable unassisted space.

(2) Leasing individual units. When grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged for comparable units, and the rent paid may not exceed HUD-determined fair market rents.

(3) Utilities. If electricity, gas, and water are included in the rent, these utilities may be paid from leasing funds. If utilities are not provided by the landlord, these utility costs are an operating cost, except for supportive service facilities. If the structure is being used as a supportive service facility, then these utility costs are a supportive service cost.

(4) Security deposits and first and last month’s rent. Recipients and subrecipients may use grant funds to pay security deposits, in an amount not to exceed 2 months of actual rent. An advance payment of the last month’s rent may be provided to the landlord in addition to the security deposit and payment of the first month’s rent.

(5) Occupancy agreements and subleases. Occupancy agreements and subleases are required as specified in §578.77(a).

(6) Calculation of occupancy charges and rent. Occupancy charges and rent from program participants must be calculated as provided in §578.77.

(7) Program income. Occupancy charges and rent collected from program participants are program income and may be used as provided under §578.97.

(8) Transition. Beginning in the first year awards are made under the Continuum of Care program, renewals of grants for leasing funds entered into under the authority of title IV, subtitle D of the Act as it existed before May 20, 2009, will be renewed either as grants for leasing or as rental assistance, depending on the characteristics of the project. Leasing funds will be renewed as rental assistance if the funds are used to pay rent on units where the lease is between the program participant and the landowner or sublessor. Projects requesting leasing funds will be renewed as leasing if the funds were used to lease a unit or structure and the lease is between the recipient or subrecipient and the landowner.

§578.51 Rental assistance.

(a) Use. (1) Grant funds may be used for rental assistance for homeless individuals and families. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or living in a housing unit receiving rental assistance or operating assistance through other federal, State, or local sources.

(i) The rental assistance may be short-term, up to 3 months of rent; medium-term, for 3 to 24 months of rent; or long-term, for longer than 24 months of rent and must be administered in accordance with the policies and procedures established by the Continuum as set forth in §578.7(a)(9) and this section.

(ii) The rental assistance may be tenant-based, project-based, or sponsor-based, and may be for transitional or permanent housing.

(2) Grant funds may be used for security deposits in an amount not to exceed 2 months of rent. An advance payment of the last month’s rent may be provided to the landlord, in addition to the security deposit and payment of first month’s rent.

(b) Rental assistance administrator. Rental assistance must be administered by a State, unit of general local government, or a public housing agency.

(c) Tenant-based rental assistance. Tenant-based rental assistance is rental assistance in which program participants choose housing of an appropriate size in which to reside. When necessary to facilitate the coordination of supportive services, recipients and subrecipients may require program participants to live in a specific area for their entire period of participation, or in a specific structure for the first year and in a specific area for the remainder.
of their period of participation. Program participants who are receiving rental assistance in transitional housing may be required to live in a specific structure for their entire period of participation in transitional housing.

(1) Up to 5 years worth of rental assistance may be awarded to a project in one competition.

(2) Program participants who have complied with all program requirements during their residence retain the rental assistance if they move within the Continuum of Care geographic area.

(3) Program participants who have complied with all program requirements during their residence and who have been a victim of domestic violence, dating violence, sexual assault, or stalking, and who reasonably believe they are imminently threatened by harm from further domestic violence, dating violence, sexual assault, or stalking (which would include threats from a third party, such as a friend or family member of the perpetrator of the violence), if they remain in the assisted unit, and are able to document the violence and basis for their belief, may retain the rental assistance and move to a different Continuum of Care geographic area if they move out of the assisted unit to protect their health and safety.

(d) Sponsor-based rental assistance. Sponsor-based rental assistance is provided through contracts between the recipient and sponsor organization. A sponsor may be a private, nonprofit organization, or a community mental health agency established as a public nonprofit organization. Program participants must reside in housing owned or leased by the sponsor. Up to 5 years worth of rental assistance may be awarded to a project in one competition.

(e) Project-based rental assistance. Project-based rental assistance is provided through a contract with the owner of an existing structure, where the owner agrees to lease the subsidized units to program participants. Program participants will not retain rental assistance if they move. Up to 15 years of rental assistance may be awarded in one competition.

(f) Grant amount. The amount of rental assistance in each project will be based on the number and size of units proposed by the applicant to be assisted over the grant period. The amount of rental assistance in each project will be calculated by multiplying the number and size of units proposed by the FMR of each unit on the date the application is submitted to HUD, by the term of the grant.

(g) Rent reasonableness. HUD will only provide rental assistance for a unit if the rent is reasonable. The recipient or subrecipient must determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units.

(h) Payment of grant. (1) The amount of rental assistance in each project will be reserved for rental assistance over the grant period. An applicant’s request for rental assistance in each grant is an estimate of the amount needed for rental assistance. Recipients will make draws from the grant funds to pay the actual costs of rental assistance for program participants.

(2) For tenant-based rental assistance, on demonstration of need:

(i) Up to 25 percent of the total rental assistance awarded may be spent in any year of a 5-year grant term; or

(ii) A higher percentage if approved in advance by HUD, if the recipient provides evidence satisfactory to HUD that it is financially committed to providing the housing assistance described in the application for the full 5-year period.

(3) A recipient must serve at least as many program participants as shown in its application for assistance.

(4) If the amount in each grant reserved for rental assistance over the grant period exceeds the amount that will be needed to pay the actual costs of rental assistance, due to such factors as contract rents being lower than FMRs and program participants being able to pay a portion of the rent, recipients or subrecipients may use the
excess funds for covering the costs of rent increases, or for serving a greater number of program participants.

(i) Vacancies. If a unit assisted under this section is vacated before the expiration of the lease, the assistance for the unit may continue for a maximum of 30 days from the end of the month in which the unit was vacated, unless occupied by another eligible person. No additional assistance will be paid until the unit is occupied by another eligible person. Brief periods of stays in institutions, not to exceed 90 days for each occurrence, are not considered vacancies.

(j) Property damage. Recipients and subrecipients may use grant funds in an amount not to exceed one month’s rent to pay for any damage to housing due to the action of a program participant. This shall be a one-time cost per participant, incurred at the time a participant exits a housing unit.

(k) Resident rent. Rent must be calculated as provided in §578.77. Rents collected from program participants are program income and may be used as provided under §578.97.

(1) Leases. (1) Initial lease. For project-based, sponsor-based, or tenant-based rental assistance, program participants must enter into a lease agreement for a term of at least one year, which is terminable for cause. The leases must be automatically renewable upon expiration, except on prior notice by either party.

(2) Initial lease for transitional housing. Program participants in transitional housing must enter into a lease agreement for a term of at least one month. The lease must be automatically renewable upon expiration, except on prior notice by either party, up to a maximum term of 24 months.

§578.53 Supportive services.

(a) In general. Grant funds may be used to pay the eligible costs of supportive services that address the special needs of the program participants. If the supportive services are provided in a supportive service facility not contained in a housing structure, the costs of day-to-day operation of the supportive service facility, including maintenance, repair, building security, furniture, utilities, and equipment are eligible as a supportive service.

(1) Supportive services must be necessary to assist program participants obtain and maintain housing.

(2) Recipients and subrecipients shall conduct an annual assessment of the service needs of the program participants and should adjust services accordingly.

(b) Duration. (1) For a transitional housing project, supportive services must be made available to residents throughout the duration of their residence in the project.

(2) Permanent supportive housing projects must provide supportive services for the residents to enable them to live as independently as is practicable throughout the duration of their residence in the project.

(3) Services may also be provided to former residents of transitional housing and current residents of permanent housing who were homeless in the prior 6 months, for no more than 6 months after leaving transitional housing or homelessness, respectively, to assist their adjustment to independent living.

(4) Rapid rehousing projects must require the program participant to meet with a case manager not less than once per month as set forth in §578.37(a)(1)(i)(F), to assist the program participant in maintaining long-term housing stability.

(c) Special populations. All eligible costs are eligible to the same extent for program participants who are unaccompanied homeless youth; persons living with HIV/AIDS; and victims of domestic violence, dating violence, sexual assault, or stalking.

(d) Ineligible costs. Any cost that is not described as an eligible cost under this section is not an eligible cost of providing supportive services using Continuum of Care program funds. Staff training and the costs of obtaining professional licenses or certifications needed to provide supportive services are not eligible costs.

(e) Eligible costs. The costs of the assessment required by §578.53(a)(2) are eligible costs.
(2) Assistance with moving costs. Reasonable one-time moving costs are eligible and include truck rental and hiring a moving company.

(3) Case management. The costs of assessing, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant(s) are eligible costs. Component services and activities consist of:
   (i) Counseling;
   (ii) Developing, securing, and coordinating services;
   (iii) Using the centralized or coordinated assessment system as required under §578.23(c)(9);
   (iv) Obtaining federal, State, and local benefits;
   (v) Monitoring and evaluating program participant progress;
   (vi) Providing information and referrals to other providers;
   (vii) Providing ongoing risk assessment and safety planning with victims of domestic violence, dating violence, sexual assault, and stalking; and
   (viii) Developing an individualized housing and service plan, including planning a path to permanent housing stability.

(4) Child care. The costs of establishing and operating child care, and providing child-care vouchers, for children from families experiencing homelessness, including providing meals and snacks, and comprehensive and coordinated developmental activities, are eligible.
   (i) The children must be under the age of 13, unless they are disabled children.
   (ii) Disabled children must be under the age of 18.
   (iii) The child-care center must be licensed by the jurisdiction in which it operates in order for its costs to be eligible.

(5) Education services. The costs of improving knowledge and basic educational skills are eligible.
   (i) Services include instruction or training in consumer education, health education, substance abuse prevention, literacy, English as a Second Language, and General Educational Development (GED).
   (ii) Component services or activities are screening, assessment and testing; individual or group instruction; tutoring; provision of books, supplies, and instructional material; counseling; and referral to community resources.

(6) Employment assistance and job training. The costs of establishing and operating employment assistance and job training programs are eligible, including classroom, online and/or computer instruction, on-the-job instruction, services that assist individuals in securing employment, acquiring learning skills, and/or increasing earning potential. The cost of providing reasonable stipends to program participants in employment assistance and job training programs is also an eligible cost.
   (i) Learning skills include those skills that can be used to secure and retain a job, including the acquisition of vocational licenses and/or certificates.
   (ii) Services that assist individuals in securing employment consist of:
      (A) Employment screening, assessment, or testing;
      (B) Structured job skills and job-seeking skills;
      (C) Special training and tutoring, including literacy training and pre-vocational training;
      (D) Books and instructional material;
      (E) Counseling or job coaching; and
      (F) Referral to community resources.

(7) Food. The cost of providing meals or groceries to program participants is eligible.

(8) Housing search and counseling services. Costs of assisting eligible program participants to locate, obtain, and retain suitable housing are eligible.
   (i) Component services or activities are tenant counseling; assisting individuals and families to understand leases; securing utilities; and making moving arrangements.
   (ii) Other eligible costs are:
      (A) Mediation with property owners and landlords on behalf of eligible program participants;
      (B) Credit counseling, accessing a free personal credit report, and resolving personal credit issues; and
      (C) The payment of rental application fees.

(9) Legal services. Eligible costs are the fees charged by licensed attorneys and by person(s) under the supervision of licensed attorneys.
of licensed attorneys, for advice and representation in matters that interfere with the homeless individual or family's ability to obtain and retain housing.

(i) Eligible subject matters are child support; guardianship; paternity; emancipation; legal separation; orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking; appeal of veterans and public benefit claim denials; landlord-tenant disputes; and the resolution of outstanding criminal warrants.

(ii) Component services or activities may include receiving and preparing cases for trial, provision of legal advice, representation at hearings, and counseling.

(iii) Fees based on the actual service performed (i.e., fee for service) are also eligible, but only if the cost would be less than the cost of hourly fees. Filing fees and other necessary court costs are also eligible. If the subrecipient is a legal services provider and performs the services itself, the eligible costs are the subrecipient's employees' salaries and other costs necessary to perform the services.

(iv) Legal services for immigration and citizenship matters and issues related to mortgages and homeownership are ineligible. Retainer fee arrangements and contingency fee arrangements are ineligible.

(10) **Life skills training.** The costs of teaching critical life management skills that may never have been learned or have been lost during the course of physical or mental illness, domestic violence, substance abuse, and homelessness are eligible. These services must be necessary to assist the program participant to function independently in the community. Component life skills training are the budgeting of resources and money management, household management, conflict management, shopping for food and other needed items, nutrition, the use of public transportation, and parent training.

(11) **Mental health services.** Eligible costs are the direct outpatient treatment of mental health conditions that are provided by licensed professionals. Component services are crisis interventions; counseling; individual, family, or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems.

(12) **Outpatient health services.** Eligible costs are the direct outpatient treatment of medical conditions when provided by licensed medical professionals including:

(i) Providing an analysis or assessment of an individual's health problems and the development of a treatment plan;

(ii) Assisting individuals to understand their health needs;

(iii) Providing directly or assisting individuals to obtain and utilize appropriate medical treatment;

(iv) Preventive medical care and health maintenance services, including in-home health services and emergency medical services;

(v) Provision of appropriate medication:

(vi) Providing follow-up services; and

(vii) Preventive and noncosmetic dental care.

(13) **Outreach services.** The costs of activities to engage persons for the purpose of providing immediate support and intervention, as well as identifying potential program participants, are eligible.

(i) Eligible costs include the outreach worker's transportation costs and a cell phone to be used by the individual performing the outreach.

(ii) Component activities and services consist of: initial assessment; crisis counseling; addressing urgent physical needs, such as providing meals, blankets, clothes, or toiletries; actively connecting and providing people with information and referrals to homeless and mainstream programs; and publicizing the availability of the housing and/or services provided within the geographic area covered by the Continuum of Care.

(14) **Substance abuse treatment services.**

The costs of program participant intake and assessment, outpatient treatment, group and individual counseling, and drug testing are eligible. Inpatient detoxification and other inpatient drug or alcohol treatment are ineligible.
§ 578.55 Operating costs.

(a) Use. Grant funds may be used to pay the costs of the day-to-day operation of transitional and permanent housing in a single structure or individual housing units.

(b) Eligible costs. (1) The maintenance and repair of housing;

(2) Property taxes and insurance;

(3) Scheduled payments to a reserve for replacement of major systems of the housing (provided that the payments must be based on the useful life of the system and expected replacement cost);

(4) Building security for a structure where more than 50 percent of the units or area is paid for with grant funds;

(5) Electricity, gas, and water;

(6) Furniture; and

(7) Equipment.

(c) Ineligible costs. Program funds may not be used for rental assistance and operating costs in the same project. Program funds may not be used for the operating costs of emergency shelter- and supportive service-only facilities. Program funds may not be used for the maintenance and repair of housing where the costs of maintaining and repairing the housing are included in the lease.

§ 578.57 Homeless Management Information System.

(a) Eligible costs. (1) The recipient or subrecipient may use Continuum of Care program funds to pay the costs of contributing data to the HMIS designated by the Continuum of Care, including the costs of:

(i) Purchasing or leasing computer hardware;

(ii) Purchasing software or software licenses;

(iii) Purchasing or leasing equipment, including telephones, fax machines, and furniture;

(iv) Obtaining technical support;

(v) Leasing office space;
(vi) Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the HMIS;

(vii) Paying salaries for operating HMIS, including:
(A) Completing data entry;
(B) Monitoring and reviewing data quality;
(C) Completing data analysis;
(D) Reporting to the HMIS Lead;
(E) Training staff on using the HMIS; and
(F) Implementing and complying with HMIS requirements;

(viii) Paying costs of staff to travel to and attend HUD-sponsored and HUD-approved training on HMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act;

(ix) Paying staff travel costs to conduct intake; and

(x) Paying participation fees charged by the HMIS Lead, as authorized by HUD, if the recipient or subrecipient is not the HMIS Lead.

(2) If the recipient or subrecipient is the HMIS Lead, it may also use Continuum of Care funds to pay the costs of:
(i) Hosting and maintaining HMIS software or data;
(ii) Backing up, recovering, or repairing HMIS software or data;
(iii) Upgrading, customizing, and enhancing the HMIS;
(iv) Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems;
(v) Administering the system;
(vi) Reporting to providers, the Continuum of Care, and HUD; and
(vii) Conducting training on using the system, including traveling to the training.

(3) If the recipient or subrecipient is a victim services provider, or a legal services provider, it may use Continuum of Care funds to establish and operate a comparable database that complies with HUD’s HMIS requirements.

§ 578.59 Project administrative costs.

(a) Eligible costs. The recipient or subrecipient may use up to 10 percent of any grant awarded under this part, excluding the amount for Continuum of Care Planning Activities and UFA costs, for the payment of project administrative costs related to the planning and execution of Continuum of Care activities. This does not include staff and overhead costs directly related to carrying out activities eligible under §578.43 through §578.57, because those costs are eligible as part of those activities. Eligible administrative costs include:

1. General management, oversight, and coordination. Costs of overall program management, coordination, monitoring, and evaluation. These costs include, but are not limited to, necessary expenditures for the following:
   (i) Salaries, wages, and related costs of the recipient’s staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may include the entire salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:
   (A) Preparing program budgets and schedules, and amendments to those budgets and schedules;
   (B) Developing systems for assuring compliance with program requirements;
   (C) Developing agreements with subrecipients and contractors to carry out program activities;
   (D) Monitoring program activities for progress and compliance with program requirements;
   (E) Preparing reports and other documents directly related to the program for submission to HUD;
   (F) Coordinating the resolution of audit and monitoring findings;
   (G) Evaluating program results against stated objectives; and
§ 578.61 Relocation costs.

(a) In general. Relocation costs under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 are eligible.

(b) Eligible relocation costs. Eligible costs are costs to provide relocation payments and other assistance to persons displaced by a project assisted with grant funds in accordance with § 578.83.

§ 578.63 Indirect costs.

(a) In general. Continuum of Care funds may be used to pay indirect costs in accordance with OMB Circulars A–87 or A–122, as applicable.

(b) Allocation. Indirect costs may be allocated to each eligible activity as provided in subpart D, so long as that allocation is consistent with an indirect cost rate proposal developed in accordance with OMB Circulars A–87 or A–122, as applicable.

(c) Expenditure limits. The indirect costs charged to an activity subject to an expenditure limit under §§ 578.39, 578.41, and 578.59 must be added to the direct costs charged for that activity when determining the total costs subject to the expenditure limits.

Subpart E—High-Performing Communities

§ 578.65 Standards.

(a) In general. The collaborative applicant for a Continuum may apply to HUD to have the Continuum be designated a high-performing community (HPC). The designation shall be for grants awarded in the same competition in which the designation is applied for and made.

(b) Applying for HPC designation. The application must be submitted at such time and in such manner as HUD may require, must use HMIS data where required to show the standards for qualifying are met, and must contain such information as HUD requires, including at a minimum:

(1) A report showing how the Continuum of Care program funds received in the preceding year were expended;

(2) A specific plan for how grant funds will be expended; and

(3) Information establishing that the Continuum of Care meets the standards for HPCs.

(c) Standards for qualifying as an HPC. To qualify as an HPC, a Continuum must demonstrate through:

(1) Reliable data generated by the Continuum of Care’s HMIS that it meets all of the following standards:

(i) Mean length of homelessness. Either the mean length of episode of homelessness within the Continuum’s geographic area is fewer than 20 days, or the mean length of episodes of homelessness for individuals or families in similar circumstances was reduced by at least 10 percent from the preceding federal fiscal year.
(ii) Reduced recidivism. Of individuals and families who leave homelessness, less than 5 percent become homeless again at any time within the next 2 years; or the percentage of individuals and families in similar circumstances who become homeless again within 2 years after leaving homelessness was decreased by at least 20 percent from the preceding federal fiscal year.

(iii) HMIS coverage. The Continuum’s HMIS must have a bed coverage rate of 80 percent and a service volume coverage rate of 80 percent as calculated in accordance with HUD’s HMIS requirements.

(iv) Serving families and youth. With respect to Continuums that served homeless families and youth defined as homeless under other federal statutes in paragraph (3) of the definition of homeless in §576.2:

(A) 95 percent of those families and youth did not become homeless again within a 2-year period following termination of assistance; or

(B) 85 percent of those families achieved independent living in permanent housing for at least 2 years following termination of assistance.

(2) Reliable data generated from sources other than the Continuum’s HMIS that is provided in a narrative or other form prescribed by HUD that it meets both of the following standards:

(i) Community action. All the metropolitan cities and counties within the Continuum’s geographic area have a comprehensive outreach plan, including specific steps for identifying homeless persons and referring them to appropriate housing and services in that geographic area.

(ii) Renewing HPC status. If the Continuum was designated an HPC in the previous federal fiscal year and used Continuum of Care grant funds for activities described under §578.71, that such activities were effective at reducing the number of individuals and families who became homeless in that community.

§ 578.67 Publication of application.

HUD will publish the application to be designated an HPC through the HUD Web site, for public comment as to whether the Continuum seeking designation as an HPC meets the standards for being one.

§ 578.69 Cooperation among entities.

An HPC must cooperate with HUD in distributing information about its successful efforts to reduce homelessness.

§ 578.71 HPC-eligible activities.

In addition to using grant funds for the eligible costs described in subpart D of this part, recipients and subrecipients in Continuums of Care designated as HPCs may also use grant funds to provide housing relocation and stabilization services and short- and/or medium-term rental assistance to individuals and families at risk of homelessness as set forth in 24 CFR 576.103 and 24 CFR 576.104, if necessary to prevent the individual or family from becoming homeless. Activities must be carried out in accordance with the plan submitted in the application. When carrying out housing relocation and stabilization services and short- and/or medium-term rental assistance, the written standards set forth in §578.7(a)(9)(v) and recordkeeping requirements of 24 CFR 576.500 apply.

Subpart F—Program Requirements

§ 578.73 Matching requirements.

(a) In general. The recipient or subrecipient must match all grant funds, except for leasing funds, with no less than 25 percent of funds or in-kind contributions from other sources. For Continuum of Care geographic areas in which there is more than one grant agreement, the 25 percent match must be provided on a grant-by-grant basis. Recipients that are UFAs or are the sole recipient for their Continuum, may provide match on a Continuum-wide basis. Cash match must be used for the costs of activities that are eligible under subpart D of this part, except that HPCs may use such match for the costs of activities that are eligible under §578.71.

(b) Cash sources. A recipient or subrecipient may use funds from any source, including any other federal sources (excluding Continuum of Care program funds), as well as State, local, and private sources, provided that
funds from the source are not statutorily prohibited to be used as a match. The recipient must ensure that any funds used to satisfy the matching requirements of this section are eligible under the laws governing the funds in order to be used as matching funds for a grant awarded under this program.

(c) In-kind contributions. (1) The recipient or subrecipient may use the value of any real property, equipment, goods, or services contributed to the project as match, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been eligible under Subpart D, or, in the case of HPCs, eligible under §578.71.

(2) The requirements of 24 CFR 84.23 and 85.24 apply.

(3) Before grant execution, services to be provided by a third party must be documented by a memorandum of understanding (MOU) between the recipient or subrecipient and the third party that will provide the services. Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient’s or subrecipient’s organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(i) The MOU must establish the unconditional commitment, except for selection to receive a grant, by the third party to provide the services, the specific service to be provided, the profession of the persons providing the service, and the hourly cost of the service to be provided.

(ii) During the term of the grant, the recipient or subrecipient must keep and make available, for inspection, records documenting the service hours provided.

§ 578.75 General operations.

(a) State and local requirements. (1) Housing and facilities constructed or rehabilitated with assistance under this part must meet State or local building codes, and in the absence of State or local building codes, the International Residential Code or International Building Code (as applicable to the type of structure) of the International Code Council.

(2) Services provided with assistance under this part must be provided in compliance with all applicable State and local requirements, including licensing requirements.

(b) Housing quality standards. Housing leased with Continuum of Care program funds, or for which rental assistance payments are made with Continuum of Care program funds, must meet the applicable housing quality standards (HQS) under 24 CFR 982.401 of this title, except that 24 CFR 982.401(j) applies only to housing occupied by program participants receiving tenant-based rental assistance. For housing rehabilitated with funds under this part, the lead-based paint requirements in 24 CFR part 35, subparts A, B, J, and R apply. For housing that receives project-based or sponsor-based rental assistance, 24 CFR part 35, subparts A, B, H, and R apply. For residential property for which funds under this part are used for acquisition, leasing, services, or operating costs, 24 CFR part 35, subparts A, B, K, and R apply.

(1) Before any assistance will be provided on behalf of a program participant, the recipient, or subrecipient, must physically inspect each unit to assure that the unit meets HQS. Assistance will not be provided for units that fail to meet HQS, unless the owner corrects any deficiencies within 30 days from the date of the initial inspection and the recipient or subrecipient verifies that all deficiencies have been corrected.

(2) Recipients or subrecipients must inspect all units at least annually during the grant period to ensure that the units continue to meet HQS.

(c) Suitable dwelling size. The dwelling unit must have at least one bedroom or living/sleeping room for each two persons.

(1) Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.

(2) If household composition changes during the term of assistance, recipients and subrecipients may relocate the household to a more appropriately sized unit. The household must still
have access to appropriate supportive services.

(d) Meals. Each recipient and subrecipient of assistance under this part who provides supportive housing for homeless persons with disabilities must provide meals or meal preparation facilities for residents.

(e) Ongoing assessment of supportive services. To the extent practicable, each project must provide supportive services for residents of the project and homeless persons using the project, which may be designed by the recipient or participants. Each recipient and subrecipient of assistance under this part must conduct an ongoing assessment of the supportive services needed by the residents of the project, the availability of such services, and the coordination of services needed to ensure long-term housing stability and must make adjustments, as appropriate.

(f) Residential supervision. Each recipient and subrecipient of assistance under this part must provide residential supervision as necessary to facilitate the adequate provision of supportive services to the residents of the housing throughout the term of the commitment to operate supportive housing. Residential supervision may include the employment of a full- or part-time residential supervisor with sufficient knowledge to provide or to supervise the provision of supportive services to the residents.

(g) Participation of homeless individuals. (1) Each recipient and subrecipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policymaking entity of the recipient or subrecipient, to the extent that such entity considers and makes policies and decisions regarding any project, supportive services, or assistance provided under this part. This requirement is waived if a recipient or subrecipient is unable to meet such requirement and obtains HUD approval for a plan to otherwise consult with homeless or formerly homeless persons when considering and making policies and decisions.

(2) Each recipient and subrecipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families through employment; volunteer services; or otherwise in constructing, rehabilitating, maintaining, and operating the project, and in providing supportive services for the project.

(h) Supportive service agreement. Recipients and subrecipients may require the program participants to take part in supportive services that are not disability-related services provided through the project as a condition of continued participation in the program. Examples of disability-related services include, but are not limited to, mental health services, outpatient health services, and provision of medication, which are provided to a person with a disability to address a condition caused by the disability. Notwithstanding this provision, if the purpose of the project is to provide substance abuse treatment services, recipients and subrecipients may require program participants to take part in such services as a condition of continued participation in the program.

(i) Retention of assistance after death, incarceration, or institutionalization for more than 90 days of qualifying member. For permanent supportive housing projects surviving, members of any household who were living in a unit assisted under this part at the time of the qualifying member’s death, long-term incarceration, or long-term institutionalization, have the right to rental assistance under this section until the expiration of the lease in effect at the time of the qualifying member’s death, long-term incarceration, or long-term institutionalization.

§ 578.77 Calculating occupancy charges and rent.

(a) Occupancy agreements and leases. Recipients and subrecipients must have signed occupancy agreements or leases (or subleases) with program participants residing in housing.

(b) Calculation of occupancy charges. Recipients and subrecipients are not required to impose occupancy charges on program participants as a condition of residing in the housing. However, if occupancy charges are imposed, they may not exceed the highest of:
§ 578.79 Limitation on transitional housing.

A homeless individual or family may remain in transitional housing for a period longer than 24 months, if permanent housing for the individual or family has not been located or if the individual or family requires additional time to prepare for independent living. However, HUD may discontinue assistance for a transitional housing project if more than half of the homeless individuals or families remain in that project longer than 24 months.

§ 578.81 Term of commitment, repayment of grants, and prevention of undue benefits.

(a) In general. All recipients and sub-recipients receiving grant funds for acquisition, rehabilitation, or new construction must operate the housing or provide supportive services in accordance with this part, for at least 15 years from the date of initial occupancy or date of initial service provision. Recipient and subrecipients must execute and record a HUD-approved Declaration of Restrictive Covenants before receiving payment of grant funds.

(b) Conversion. Recipients and subrecipients carrying out a project that provides transitional or permanent housing or supportive services in a structure may submit a request to HUD to convert a project for the direct benefit of very low-income persons. The request must be made while the project is operating as homeless housing or supportive services for homeless individuals and families, must be in writing, and must include an explanation of why the project is no longer needed to provide transitional or permanent housing or supportive services. The primary factor in HUD’s decision on the proposed conversion is the unmet need for transitional or permanent housing or supportive services in the Continuum of Care’s geographic area.

(c) Repayment of grant funds. If a project is not operated as transitional or permanent housing for 10 years following the date of initial occupancy,
§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year

§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year

§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year

§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year

§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year

§ 578.83 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. “Project,” as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) Temporary relocation. (1) Existing Building Not Assisted under Title IV of the McKinney-Vento Act. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601–4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent, safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in §578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year
must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section. Program participants temporarily relocated in accordance with the policies described in this paragraph must be provided:

(i) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/occupancy charges and utility costs; and

(ii) Appropriate advisory services, including reasonable advance written notice of:

(A) The date and approximate duration of the temporary relocation;
(B) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;
(C) The reasonable terms and conditions under which the program participant will be able to occupy a suitable, decent, safe, and sanitary dwelling in the building or complex upon completion of the project; and
(D) The provisions of paragraph (b)(2)(i) of this section.

(c) Relocation assistance for displaced persons. (1) In general. A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance in accordance with the requirements of the URA and implementing regulations at 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act. Whenever possible, minority persons must be given reasonable opportunities to relocate to decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require providing a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling. See 49 CFR 24.205(c)(2)(i)(D).

(2) Displaced person. (i) For the purposes of paragraph (c) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project. This includes any permanent, involuntary move for a project, including any permanent move from the real property that is made:

(A) After the owner (or person in control of the site) issues a notice to move permanently from the property, or refuses to renew an expiring lease, if the move occurs after the date of the submission by the recipient or subrecipient of an application for assistance to HUD (or the recipient, as applicable) that is later approved and funded and the recipient or subrecipient has site control as evidenced in accordance with §578.25(b); or

(B) After the owner (or person in control of the site) issues a notice to move permanently from the property, or refuses to renew an expiring lease, if the move occurs after the date the recipient or subrecipient obtains site control, as evidenced in accordance with §578.25(b), if that occurs after the application for assistance; or

(C) Before the date described under paragraph (c)(2)(i)(A) or (B) of this section, if the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(D) By a tenant of a building that is not assisted under Title IV of the McKinney-Vento Act, if the tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project; or

(ii) For the purposes of paragraph (c) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project. This includes any permanent, involuntary move for a project that is made by a program participant occupying transitional housing or permanent housing assisted under Title IV of the McKinney-Vento Act, if any one of the following three situations occurs:

(A) The program participant moves after execution of the agreement covering the acquisition, rehabilitation, or
demolition of the property for the project and is either not eligible to return upon project completion or the move occurs before the program participant is provided written notice offering the program participant an opportunity to occupy a suitable, decent, safe, and sanitary dwelling in the same building or complex upon project completion under reasonable terms and conditions. Such reasonable terms and conditions must include a lease (or occupancy agreement, as applicable) consistent with Continuum of Care program requirements, including a monthly rent or occupancy charge and monthly utility costs that does not exceed the maximum amounts established in §578.77; or

(B) The program participant is required to relocate temporarily, does not return to the building or complex, and any one of the following situations occurs:

1. The program participant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation;

2. The program participant is not eligible to return to the building or complex upon project completion; or

3. Other conditions of the temporary relocation are not reasonable; or

(C) The program participant is required to move to another unit in the same building or complex, and any one of the following situations occurs:

1. The program participant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move;

2. The program participant is not eligible to remain in the building or complex upon project completion; or

3. Other conditions of the move are not reasonable.

(iii) Notwithstanding the provisions of paragraph (c)(2)(i) or (ii) of this section, a person does not qualify as a “displaced person” if:

(A) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement; the eviction complied with applicable federal, State, or local requirements (see §578.91); and the recipient or subrecipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(B) The person moved into the property after the submission of the application but, before signing a lease or occupancy agreement and commencing occupancy, was provided written notice of the project’s possible impact on the person (e.g., the person may be displaced, temporarily relocated, or incur a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any relocation assistance provided under this section), as a result of the project;

(C) The person is ineligible under 49 CFR 21.2(a)(9)(ii);

(D) The program participant occupying transitional housing or permanent housing assisted under Title IV of the Act who must move as a direct result of the length-of-occupancy restriction under §578.79; or

(E) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iv) The recipient may request, at any time, HUD’s determination of whether a displacement is or would be covered under this section.

(3) Initiation of negotiations. For purposes of determining the formula for computing replacement housing payment assistance to be provided to a displaced person pursuant to this section, if the displacement is a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, “initiation of negotiations” means the execution of the agreement between the recipient and the subrecipient, or between the recipient (or subrecipient, as applicable) and the person owning or controlling the property. In the case of an option contract to acquire property, the initiation of negotiations does not become effective until execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a purchase agreement.

(d) Real property acquisition requirements. Except for acquisitions described in 49 CFR 24.101(b)(1) through (5), the URA and the requirements of 49 CFR part 24, subpart B apply to any acquisition of real property for a project.
§ 578.85 Timeliness standards.

(a) In general. Recipients must initiate approved activities and projects promptly.

(b) Construction activities. Recipients of funds for rehabilitation or new construction must meet the following standards:

(1) Construction activities must begin within 9 months of the later of signing of the grant agreement or of signing an addendum to the grant agreement authorizing use of grant funds for the project.

(2) Construction activities must be completed within 24 months of signing the grant agreement.

(3) Activities that cannot begin until after construction activities are completed must begin within 3 months of the date that construction activities are completed.

(c) Distribution. A recipient that receives funds through this part must:

(1) Distribute the funds to subrecipients (in advance of expenditures by the subrecipients);

(2) Distribute the appropriate portion of the funds to a subrecipient no later than 45 days after receiving an approvable request for such distribution from the subrecipient; and

(3) Draw down funds at least once per quarter of the program year, after eligible activities commence.

§ 578.87 Limitation on use of funds.

(a) Maintenance of effort. No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) Faith-based activities. (1) Equal treatment of program participants and program beneficiaries. (i) Program participants. Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Continuum of Care program. Neither the Federal Government nor a State or local government receiving funds under the Continuum of Care program shall discriminate against an organization on the basis of the organization’s religious character or affiliation. Recipients and subrecipients of program funds shall not, in providing program assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.

(ii) Beneficiaries. In providing services supported in whole or in part with federal financial assistance, and in their outreach activities related to such services, program participants shall not discriminate against current or prospective program beneficiaries on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

(2) Separation of explicitly religious activities. Recipients and subrecipients of Continuum of Care funds that engage in explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, must perform such activities and offer such services outside of programs that are supported with federal financial assistance separately, in time or location, from the programs or services funded under this part, and participation in any such explicitly religious activities must be voluntary for the program beneficiaries of the HUD-funded programs or services.

(3) Religious identity. A faith-based organization that is a recipient or subrecipient of Continuum of Care program funds is eligible to use such funds as provided under the regulations of this part without impairing its independence, autonomy, expression of religious beliefs, or religious character. Such organization will retain its independence from federal, State, and local
government, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct program funds to support or engage in any explicitly religious activities, including activities that involve overt religious content, such as worship, religious instruction, or proselytization, or any manner prohibited by law. Among other things, faith-based organizations may use space in their facilities to provide program-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a Continuum of Care program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(4) Alternative provider. If a program participant or prospective program participant of the Continuum of Care program supported by HUD objects to the religious character of an organization that provides services under the program, that organization shall, within a reasonably prompt time after the objection, undertake reasonable efforts to identify and refer the program participant to an alternative provider to which the prospective program participant has no objection. Exception for services provided by telephone, the Internet, or similar means, the referral must be to an alternate provider in reasonable geographic proximity to the organization making the referral. In making the referral, the organization shall comply with applicable privacy laws and regulations. Recipients and subrecipients shall document any objections from program participants and prospective program participants and any efforts to refer such participants to alternative providers in accordance with the requirements of §578.103(a)(13). Recipients shall ensure that all subrecipient agreements make organizations receiving program funds aware of these requirements.

(5) Structures. Program funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for explicitly religious activities. Program funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. When a structure is used for both eligible and explicitly religious activities, program funds may not exceed the cost of those portions of the acquisition, new construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to the Continuum of Care program. Sanctuaries, chapels, or other rooms that a Continuum of Care program-funded religious congregation uses as its principal place of worship, however, are ineligible for Continuum of Care program-funded improvements. Disposition of real property after the term of the grant, or any change in the use of the property during the term of the grant, is subject to governmentwide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) Supplemental funds. If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

(c) Restriction on combining funds. In a single structure or housing unit, the following types of assistance may not be combined:

(1) Leasing and acquisition, rehabilitation, or new construction;

(2) Tenant-based rental assistance and acquisition, rehabilitation, or new construction;

(3) Short- or medium-term rental assistance and acquisition, rehabilitation, or new construction;

(4) Rental assistance and leasing; or

(5) Rental assistance and operating.

(d) Program fees. Recipients and subrecipients may not charge program participants program fees.
§ 578.89 Limitation on use of grant funds to serve persons defined as homeless under other federal laws.

(a) Application requirement. Applicants that intend to serve unaccompanied youth and families with children and youth defined as homeless under other federal laws in paragraph (3) of the homeless definition in §576.2 must demonstrate in their application, to HUD’s satisfaction, that the use of grant funds to serve such persons is an equal or greater priority than serving persons defined as homeless under paragraphs (1), (2), and (4) of the definition of homeless in §576.2. To demonstrate that it is of equal or greater priority, applicants must show that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth.

(b) Limit. No more than 10 percent of the funds awarded to recipients within a single Continuum of Care’s geographic area may be used to serve such persons.

(c) Exception. The 10 percent limitation does not apply to Continuums in which the rate of homelessness, as calculated in the most recent point-in-time count, is less than one-tenth of one percent of the total population.

§ 578.91 Termination of assistance to program participants.

(a) Termination of assistance. The recipient or subrecipient may terminate assistance to a program participant who violates program requirements or conditions of occupancy. Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same individual or family.

(b) Due process. In terminating assistance to a program participant, the recipient or subrecipient must provide a formal process that recognizes the rights of individuals receiving assistance under the due process of law. This process, at a minimum, must consist of:

(1) Providing the program participant with a written copy of the program rules and the termination process before the participant begins to receive assistance;

(2) Written notice to the program participant containing a clear statement of the reasons for termination;

(3) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(4) Prompt written notice of the final decision to the program participant.

(c) Hard-to-house populations. Recipients and subrecipients that are providing permanent supportive housing for hard-to-house populations of homeless persons must exercise judgment and examine all extenuating circumstances in determining when violations are serious enough to warrant termination so that a program participant’s assistance is terminated only in the most severe cases.

§ 578.93 Fair Housing and Equal Opportunity.

(a) Nondiscrimination and equal opportunity requirements. The nondiscrimination and equal opportunity requirements set forth in 24 CFR 5.105(a) are applicable.

(b) Housing for specific subpopulations. Recipients and subrecipients may exclusively serve a particular homeless subpopulation in transitional or permanent housing if the housing addresses a need identified by the Continuum of Care for the geographic area and meets one of the following:

(1) The housing may be limited to one sex where such housing consists of a single structure with shared bedrooms or bathing facilities such that the considerations of personal privacy and the physical limitations of the configuration of the housing make it appropriate for the housing to be limited to one sex;

(2) The housing may be limited to a specific subpopulation, so long as admission does not discriminate against any protected class under federal nondiscrimination laws in 24 CFR 5.105 (e.g., the housing may be limited to homeless veterans, victims of domestic violence and their children, or chronically homeless persons and families).
(3) The housing may be limited to families with children.

(4) If the housing has in residence at least one family with a child under the age of 18, the housing may exclude registered sex offenders and persons with a criminal record that includes a violent crime from the project so long as the child resides in the housing.

(5) Sober housing may exclude persons who refuse to sign an occupancy agreement or lease that prohibits program participants from possessing, using, or being under the influence of illegal substances and/or alcohol on the premises.

(6) If the housing is assisted with funds under a federal program that is limited by federal statute or Executive Order to a specific subpopulation, the housing may be limited to that subpopulation (e.g., housing also assisted with funding from the Housing Opportunities for Persons with AIDS program under 24 CFR part 574 may be limited to persons with acquired immunodeficiency syndrome or related diseases).

(7) Recipients may limit admission to or provide a preference for the housing to subpopulations of homeless persons and families who need the specialized supportive services that are provided in the housing (e.g., substance abuse addiction treatment, domestic violence services, or a high intensity package designed to meet the needs of hard-to-reach homeless persons). While the housing may offer services for a particular type of disability, no otherwise eligible individuals with disabilities or families including an individual with a disability, who may benefit from the services provided may be excluded on the grounds that they do not have a particular disability.

(c) Affirmatively furthering fair housing. A recipient must implement its programs in a manner that affirmatively furthers fair housing, which means that the recipient must:

(1) Affirmatively market their housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities;

(2) Where a recipient encounters a condition or action that impedes fair housing choice for current or prospective program participants, provide such information to the jurisdiction that provided the certification of consistency with the Consolidated Plan; and

(3) Provide program participants with information on rights and remedies available under applicable federal, State and local fair housing and civil rights laws.

(d) Accessibility and integrative housing and services for persons with disabilities. Recipients and subrecipients must comply with the accessibility requirements of the Fair Housing Act (24 CFR part 100), Section 504 of the Rehabilitation Act of 1973 (24 CFR part 8), and Titles II and III of the Americans with Disabilities Act, as applicable (28 CFR parts 35 and 36). In accordance with the requirements of 24 CFR 8.4(d), recipients must ensure that their program’s housing and supportive services are provided in the most integrated setting appropriate to the needs of persons with disabilities.

(e) Prohibition against involuntary family separation. The age and gender of a child under age 18 must not be used as a basis for denying any family’s admission to a project that receives funds under this part.

§ 578.95 Conflicts of interest.

(a) Procurement. For the procurement of property (goods, supplies, or equipment) and services, the recipient and its subrecipients must comply with the codes of conduct and conflict-of-interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations).

(b) Continuum of Care board members. No Continuum of Care board member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents.

(c) Organizational conflict. An organizational conflict of interest arises when, because of activities or relationships with other persons or organizations, the recipient or subrecipient is unable or potentially unable to render impartial assistance in the provision of any type or amount of assistance under
this part, or when a covered person’s, as in paragraph (d)(1) of this section, objectivity in performing work with respect to any activity assisted under this part is or might be otherwise impaired. Such an organizational conflict would arise when a board member of an applicant participates in decision of the applicant concerning the award of a grant, or provision of other financial benefits, to the organization that such member represents. It would also arise when an employee of a recipient or subrecipient participates in making rent reasonableness determinations under §578.49(b)(2) and §578.51(g) and housing quality inspections of property under §578.75(b) that the recipient, subrecipient, or related entity owns.

(d) Other conflicts. For all other transactions and activities, the following restrictions apply:

(1) No covered person, meaning a person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients and who exercises or has exercised any functions or responsibilities with respect to activities assisted under this part, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under this part, may obtain a financial interest or benefit from an assisted activity, have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity, or have a financial interest in the proceeds derived from an assisted activity, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of this section on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (d)(2)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (d)(2)(ii) of this section.

(i) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

(A) Disclosure of the nature of the conflict, accompanied by a written assurance, if the recipient is a government, that there has been public disclosure of the conflict and a description of how the public disclosure was made; and if the recipient is a private nonprofit organization, that the conflict has been disclosed in accordance with their written code of conduct or other conflict-of-interest policy; and

(B) An opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law, or if the subrecipient is a private nonprofit organization, the exception would not violate the organization’s internal policies.

(ii) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (c)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the Continuum of Care program and the effective and efficient administration of the recipient’s or subrecipient’s project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities, or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (c)(1) of this section;

(E) Whether undue hardship will result to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict;

(F) Whether the person affected is a member of a group or class of persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as

294
are being made available or provided to the group or class; and

(G) Any other relevant considerations.

§ 578.97 Program income.

(a) Defined. Program income is the income received by the recipient or subrecipient directly generated by a grant-supported activity.

(b) Use. Program income earned during the grant term shall be retained by the recipient, and added to funds committed to the project by HUD and the recipient, used for eligible activities in accordance with the requirements of this part. Costs incident to the generation of program income may be deducted from gross income to calculate program income, provided that the costs have not been charged to grant funds.

(c) Rent and occupancy charges. Rents and occupancy charges collected from program participants are program income. In addition, rents and occupancy charges collected from residents of transitional housing may be reserved, in whole or in part, to assist the residents from whom they are collected to move to permanent housing.

§ 578.99 Applicability of other federal requirements.

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following federal requirements:

(a) Environmental review. Activities under this part are subject to environmental review by HUD under 24 CFR part 50 as noted in §578.31.

(b) Section 6002 of the Solid Waste Disposal Act. State agencies and agencies of a political subdivision of a state that are using assistance under this part for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. In accordance with Section 6002, these agencies and persons must:

(1) Procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired in the preceding fiscal year exceeded $10,000;

(2) Procure solid waste management services in a manner that maximizes energy and resource recovery; and

(3) Must have established an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

(c) Transparency Act Reporting. Section 672 of the Duncan Hunter Defense Appropriations Act of 2009, and additional requirements published by the Office of Management and Budget (OMB), requires recipients to report subawards made either as pass-through awards, subrecipient awards, or vendor awards in the Federal Government Web site www.fsrs.gov or its successor system. The reporting of award and subaward information is in accordance with the requirements of the Federal Financial Assistance Accountability and Transparency Act of 2006, as amended by section 6202 of Public Law 110–252 and in OMB Policy Guidance issued to the federal agencies on September 14, 2010 (75 FR 55669).

(d) The Coastal Barrier Resources Act of 1982 (16 U.S.C. 3501 et seq.) may apply to proposals under this part, depending on the assistance requested.

(e) Applicability of OMB Circulars. The requirements of 24 CFR part 84—Uniform Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments and 2 CFR part 225—Cost Principles for State, Local and Indian Tribal Governments (OMB Circular A–87)—apply to governmental recipients and subrecipients except where inconsistent with the provisions of this part. The requirements of 24 CFR part 84—Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations; 2 CFR part 230—Cost Principles for Non-Profit Organizations (OMB Circular A–122); and 2 CFR part...
Subpart G—Grant Administration

§ 578.101 Technical assistance.

(a) Purpose. The purpose of Continuum of Care technical assistance is to increase the effectiveness with which Continuums of Care, eligible applicants, recipients, subrecipients, and UPAs implement and administer their Continuum of Care planning process; improve their capacity to prepare applications; prevent the separation of families in projects funded under the Emergency Solutions Grants, Continuum of Care, and Rural Housing Stability Assistance programs; and adopt and provide best practices in housing and services for persons experiencing homelessness.

(b) Defined. Technical assistance means the transfer of skills and knowledge to entities that may need, but do not possess, such skills and knowledge. The assistance may include, but is not limited to, written information such as papers, manuals, guides, and brochures; person-to-person exchanges; web-based curriculums, training and Webinars, and their costs.

(c) Set-aside. HUD may set aside funds annually to provide technical assistance, either directly by HUD staff or indirectly through third-party providers.

(d) Awards. From time to time, as HUD determines the need, HUD may advertise and competitively select providers to deliver technical assistance. HUD may enter into contracts, grants, or cooperative agreements, when necessary, to implement the technical assistance. HUD may also enter into agreements with other federal agencies for awarding the technical assistance funds.

§ 578.103 Recordkeeping requirements.

(a) In general. The recipient and its subrecipients must establish and maintain standard operating procedures for ensuring that Continuum of Care program funds are used in accordance with the requirements of this part and must adopt and provide best practices in housing and services for persons experiencing homelessness.

(1) Continuum of Care records. Each collaborative applicant must keep the following documentation related to establishing and operating a Continuum of Care:

(i) Evidence that the Board selected by the Continuum of Care meets the requirements of § 578.5(b);

(ii) Evidence that the Continuum has been established and operated as set forth in subpart B of this part, including published agendas and meeting minutes, an approved Governance Charter that is reviewed and updated annually, a written process for selecting a board that is reviewed and updated at least once every 5 years, evidence required for designating a single HMIS for the Continuum, and monitoring reports of recipients and subrecipients;

(iii) Evidence that the Continuum has prepared the application for funds as set forth in § 578.9, including the designation of the eligible applicant to be the collaborative applicant.

(2) Unified funding agency records. UPAs that requested grant amendments from HUD as set forth in § 578.105, must keep evidence that the
grant amendment was approved by the Continuum. This evidence may include minutes of meetings at which the grant amendment was discussed and approved.

(3) **Homeless status.** Acceptable evidence of the homeless as status is set forth in 24 CFR 576.500(b).

(4) **At risk of homelessness status.** For those recipients and subrecipients that serve persons at risk of homelessness, the recipient or subrecipient must keep records that establish “at risk of homelessness” status of each individual or family who receives Continuum of Care homelessness prevention assistance. Acceptable evidence is found in 24 CFR 576.500(c).

(5) **Records of reasonable belief of imminent threat of harm.** For each program participant who moved to a different Continuum of Care due to imminent threat of further domestic violence, dating violence, sexual assault, or stalking under § 578.51(c)(3), each recipient or subrecipient of assistance under this part must retain:

   (i) Documentation of the original incidence of domestic violence, dating violence, sexual assault, or stalking, only if the original violence is not already documented in the program participant’s case file. This may be written observation of the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; medical or dental records; court records or law enforcement records; or written certification by the relevant third party.

   (ii) Documentation of the reasonable belief of imminent threat of further domestic violence, dating violence, sexual assault or stalking, which would include threats from a third-party, such as a friend or family member of the perpetrator of the violence. This may be written observation by the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; current restraining order; recent court order or other court records; law enforcement report or records; communication records from the perpetrator of the violence, including emails, voicemails, text messages, and social media posts; or a written certification by the program participant to whom the violence occurred or the head of household.

(6) **Annual income.** For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the recipient or subrecipient must keep the following documentation of annual income:

   (i) Income evaluation form specified by HUD and completed by the recipient or subrecipient; and

   (ii) Source documents (e.g., most recent wage statement, unemployment compensation statement, public benefits statement, bank statement) for the assets held by the program participant and income received before the date of the evaluation;

   (iii) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the recipient’s or subrecipient’s intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or

   (iv) To the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

(7) **Program participant records.** In addition to evidence of “homeless” status or “at-risk-of-homelessness” status, as applicable, the recipient or subrecipient must keep records for each program participant that document:

   (i) The services and assistance provided to that program participant, including evidence that the recipient or subrecipient has conducted an annual...
assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in § 578.37(a)(1)(ii)(F); and

(ii) Where applicable, compliance with the termination of assistance requirement in § 578.91.

(8) Housing standards. The recipient or subrecipient must retain documentation of compliance with the housing standards in § 578.73(b), including inspection reports.

(9) Services provided. The recipient or subrecipient must document the types of supportive services provided under the recipient’s program and the amounts spent on those services. The recipient or subrecipient must keep record that these records were reviewed at least annually and that the service package offered to program participants was adjusted as necessary.

(10) Match. The recipient must keep records of the source and use of contributions made to satisfy the match requirement in § 578.73. The records must indicate the grant and fiscal year for which each matching contribution is counted. The records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services must be supported by the same methods that the organization uses to support the allocation of regular personnel costs.

(11) Conflicts of interest. The recipient and its subrecipients must keep records to show compliance with the organizational conflict-of-interest requirements in § 578.95(c), the Continuum of Care board conflict-of-interest requirements in § 578.95(b), the other conflict requirements in § 578.95(d), a copy of the personal conflict-of-interest policy developed and implemented to comply with the requirements in § 578.95, and records supporting exceptions to the personal conflict-of-interest prohibitions.

(12) Homeless participation. The recipient or subrecipient must document its compliance with the homeless participation requirements under § 578.73(g).

(13) Faith-based activities. The recipient and its subrecipients must document their compliance with the faith-based activities requirements under § 578.87(b).

(14) Affirmatively Furthering Fair Housing. Recipients and subrecipients must maintain copies of their marketing, outreach, and other materials used to inform eligible persons of the program to document compliance with the requirements in § 578.93(c).

(15) Other federal requirements. The recipient and its subrecipients must document their compliance with the federal requirements in § 578.99, as applicable.

(16) Subrecipients and contractors. (i) The recipient must retain copies of all solicitations of and agreements with subrecipients, records of all payment requests by and dates of payments made to subrecipients, and documentation of all monitoring and sanctions of subrecipients, as applicable.

(ii) The recipient must retain documentation of monitoring subrecipients, including any monitoring findings and corrective actions required.

(iii) The recipient and its subrecipients must retain copies of all procurement contracts and documentation of compliance with the procurement requirements in 24 CFR 85.36 and 24 CFR part 84.

(17) Other records specified by HUD. The recipient and subrecipients must keep other records specified by HUD.

(b) Confidentiality. In addition to meeting the specific confidentiality and security requirements for HMIS data, the recipient and its subrecipients must develop and implement written procedures to ensure:

(1) All records containing protected identifying information of any individual or family who applies for and/or receives Continuum of Care assistance will be kept secure and confidential;

(2) The address or location of any family violence project assisted with Continuum of Care funds will not be made public, except with written authorization of the person responsible for the operation of the project; and

(3) The address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of
the recipient or subrecipient and consistent with State and local laws regarding privacy and obligations of confidentiality;

(c) Period of record retention. All records pertaining to Continuum of Care funds must be retained for the greater of 5 years or the period specified below. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(1) Documentation of each program participant’s qualification as a family or individual at risk of homelessness or as a homeless family or individual and other program participant records must be retained for 5 years after the expenditure of all funds from the grant under which the program participant was served; and

(2) Where Continuum of Care funds are used for the acquisition, new construction, or rehabilitation of a project site, records must be retained until 15 years after the date that the project site is first occupied, or used, by program participants.

(d) Access to records. (1) Federal Government rights. Notwithstanding the confidentiality procedures established under paragraph (b) of this section, HUD, the HUD Office of the Inspector General, and the Comptroller General of the United States, or any of their authorized representatives, must have the right of access to all books, documents, papers, or other records of the recipient and its subrecipients that are pertinent to the Continuum of Care grant, in order to make audits, examinations, excerpts, and transcripts. These rights of access are not limited to the required retention period, but last as long as the records are retained.

(2) Public rights. The recipient must provide citizens, public agencies, and other interested parties with reasonable access to records regarding any uses of Continuum of Care funds the recipient received during the preceding 5 years, consistent with State and local laws regarding privacy and obligations of confidentiality and confidentiality requirements in this part.

(e) Reports. In addition to the reporting requirements in 24 CFR parts 84 and 85, the recipient must collect and report data on its use of Continuum of Care funds in an Annual Performance Report (APR), as well as in any additional reports as and when required by HUD. Projects receiving grant funds only for acquisition, rehabilitation, or new construction must submit APRs for 15 years from the date of initial occupancy or the date of initial service provision, unless HUD provides an exception under §578.81(e).

§578.105 Grant and project changes.

(a) For Unified Funding Agencies and Continuums having only one recipient. (1) The recipient may not make any significant changes without prior HUD approval, evidenced by a grant amendment signed by HUD and the recipient. Significant grant changes include a change of recipient, a shift in a single year of more than 10 percent of the total amount awarded under the grant for one approved eligible activity category to another activity and a permanent change in the subpopulation served by any one project funded under the grant, as well as a permanent proposed reduction in the total number of units funded under the grant.

(2) Approval of substitution of the recipient is contingent on the new recipient meeting the capacity criteria in the NOFA under which the grant was awarded, or the most recent NOFA. Approval of shifting funds between activities and changing subpopulations is contingent on the change being necessary to better serve eligible persons within the geographic area and ensuring that the priorities established under the NOFA in which the grant was originally awarded, or the most recent NOFA, are met.

(b) For Continuums having more than one recipient. (1) The recipients or subrecipients may not make any significant changes to a project without prior HUD approval, evidenced by a grant amendment signed by HUD and the recipient. Significant changes include a change of recipient, a change of project site, additions or deletions in the types of eligible activities approved for a project, a shift of more than 10 percent from one approved eligible activity to another, a reduction in the number of units, and a change in the subpopulation served.
§ 578.107 Approval of substitution of the recipient is contingent on the new recipient meeting the capacity criteria in the NOFA under which the grant was awarded, or the most recent NOFA. Approval of shifting funds between activities and changing subpopulations is contingent on the change being necessary to better serve eligible persons within the geographic area and ensuring that the priorities established under the NOFA in which the grant was originally awarded, or the most recent NOFA, are met.

(c) Documentation of changes not requiring a grant amendment. Any other changes to an approved grant or project must be fully documented in the recipient’s or subrecipient’s records.

§ 578.107 Sanctions.

(a) Performance reviews. (1) HUD will review the performance of each recipient in carrying out its responsibilities under this part, with or without prior notice to the recipient. In conducting performance reviews, HUD will rely primarily on information obtained from the records and reports from the recipient and subrecipients, as well as information from on-site monitoring, audit reports, and information generated from HUD’s financial and reporting systems (e.g., LOCCS and e-snaps) and HMIS. Where applicable, HUD may also consider relevant information pertaining to the recipient’s performance gained from other sources, including citizen comments, complaint determinations, and litigation.

(2) If HUD determines preliminarily that the recipient or one of its subrecipients has not complied with a program requirement, HUD will give the recipient notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD and on the basis of substantial facts and data that the recipient has complied with the requirements. HUD may change the method of payment to require the recipient to submit documentation before payment and obtain HUD’s prior approval each time the recipient draws down funds. To obtain prior approval, the recipient may be required to manually submit its payment requests and supporting documentation to HUD in order to show that the funds to be drawn down will be expended on eligible activities in accordance with all program requirements.

(3) If the recipient fails to demonstrate to HUD’s satisfaction that the activities were carried out in compliance with program requirements, HUD may take one or more of the remedial actions or sanctions specified in paragraph (b) of this section.

(b) Remedial actions and sanctions. Remedial actions and sanctions for a failure to meet a program requirement will be designed to prevent a continuation of the deficiency; to mitigate, to the extent possible, its adverse effects or consequences; and to prevent its recurrence.

(1) HUD may instruct the recipient to submit and comply with proposals for action to correct, mitigate, and prevent noncompliance with program requirements, including:

(i) Preparing and following a schedule of actions for carrying out activities and projects affected by the noncompliance, including schedules, timetables, and milestones necessary to implement the affected activities and projects;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities or projects likely to be affected by the noncompliance, before expending grant funds for them;

(iv) Reprogramming grant funds that have not yet been expended from affected activities or projects to other eligible activities or projects;

(v) Suspending disbursement of grant funds for some or all activities or projects;

(vi) Reducing or terminating the remaining grant of a subrecipient and either reallocating those funds to other subrecipients or returning funds to HUD; and

(vii) Making matching contributions before or as draws are made from the recipient’s grant.

(2) HUD may change the method of payment to a reimbursement basis.

(3) HUD may suspend payments to the extent HUD determines necessary
to preclude the further expenditure of funds for affected activities or projects.
(4) HUD may continue the grant with a substitute recipient of HUD’s choosing.
(5) HUD may deny matching credit for all or part of the cost of the affected activities and require the recipient to make further matching contributions to make up for the contribution determined to be ineligible.
(6) HUD may require the recipient to reimburse the recipient’s line of credit in an amount equal to the funds used for the affected activities.
(7) HUD may reduce or terminate the remaining grant of a recipient.
(8) HUD may condition a future grant.
(9) HUD may take other remedies that are legally available.

(c) Recipient sanctions. If the recipient determines that a subrecipient is not complying with a program requirement or its subrecipient agreement, the recipient must take one of the actions listed in paragraphs (a) and (b) of this section.

(d) Deobligation. HUD may deobligate funds for the following reasons:
(1) If the timeliness standards in §578.85 are not met;
(2) If HUD determines that delays completing construction activities for a project will mean that the funds for other funded activities cannot reasonably be expected to be expended for eligible costs during the remaining term of the grant;
(3) If the actual total cost of acquisition, rehabilitation, or new construction for a project is less than the total cost agreed to in the grant agreement;
(4) If the actual annual leasing costs, operating costs, supportive services costs, rental assistance costs, or HMIS costs are less than the total cost agreed to in the grant agreement for a one-year period;
(5) Program participants have not moved into units within 3 months of the time that the units are available for occupancy; and
(6) The grant agreement may set forth in detail other circumstances under which funds may be deobligated and other sanctions may be imposed.

§578.109 Closeout.

(a) In general. Grants will be closed out in accordance with the requirements of 24 CFR parts 84 and 85, and closeout procedures established by HUD.
(b) Reports. Applicants must submit all reports required by HUD no later than 90 days from the date of the end of the project’s grant term.
(c) Closeout agreement. Any obligations remaining as of the date of the closeout must be covered by the terms of a closeout agreement. The agreement will be prepared by HUD in consultation with the recipient. The agreement must identify the grant being closed out, and include provisions with respect to the following:
(1) Identification of any closeout costs or contingent liabilities subject to payment with Continuum of Care program funds after the closeout agreement is signed;
(2) Identification of any unused grant funds to be deobligated by HUD;
(3) Identification of any program income on deposit in financial institutions at the time the closeout agreement is signed;
(4) Description of the recipient’s responsibility after closeout for:
   (i) Compliance with all program requirements in using program income on deposit at the time the closeout agreement is signed and in using any other remaining Continuum of Care program funds available for closeout costs and contingent liabilities;
   (ii) Use of real property assisted with Continuum of Care program funds in accordance with the terms of commitment and principles;
   (iii) Use of personal property purchased with Continuum of Care program funds; and
   (iv) Compliance with requirements governing program income received subsequent to grant closeout;
(5) Other provisions appropriate to any special circumstances of the grant closeout, in modification of or in addition to the obligations in paragraphs (c)(1) through (4) of this section.
PART 581—USE OF FEDERAL REAL PROPERTY TO ASSIST THE HOMELESS

Sec.  
581.1 Definitions.  
581.2 Applicability.  
581.3 Collecting the information.  
581.4 Suitability determination.  
581.5 Real property reported excess to GSA.  
581.6 Suitability criteria.  
581.7 Determination of availability.  
581.8 Public notice of determination.  
581.9 Application process.  
581.10 Action on approved applications.  
581.11 Unsuitable properties.  
581.12 No applications approved.  
581.13 Waivers.  

SOURCE: 56 FR 23794, 23795, May 24, 1991, unless otherwise noted.  

§ 581.1 Definitions.

Applicant means any representative of the homeless which has submitted an application to the Department of Health and Human Services to obtain use of a particular suitable property to assist the homeless.  

Checklist or property checklist means the form developed by HUD for use by landholding agencies to report the information to be used by HUD in making determinations of suitability.  

Classification means a property’s designation as unutilized, underutilized, excess, or surplus.  

Day means one calendar day including weekends and holidays.  

Eligible organization means a State, unit of local government or a private non-profit organization which provides assistance to the homeless, and which is authorized by its charter or by State law to enter into an agreement with the Federal government for use of real property for the purposes of this subpart. Representatives of the homeless interested in receiving a deed for a particular piece of surplus Federal property must be section 501(c)(3) tax exempt.  

Excess property means any property under the control of any Federal executive agency that is not required for the agency’s needs or the discharge of its responsibilities, as determined by the head of the agency pursuant to 40 U.S.C. 483.  

GSA means the General Services Administration.  

HHS means the Department of Health and Human Services.  

Homeless means:  
1) An individual or family that lacks a fixed, regular, and adequate nighttime residence; and  
2) An individual or family that has a primary nighttime residence that is:  
   1) A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);  
   2) An institution that provides a temporary residence for individuals intended to be institutionalized; or  
   3) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. This term does not include any individual imprisoned or otherwise detained under an Act of the Congress or a State law.  

ICH means the Interagency Council on the Homeless.  

Landholding agency means a Federal department or agency with statutory authority to control real property.  

Lease means an agreement between either the Department of Health and Human Services for surplus property, or landholding agencies in the case of non-excess properties or properties subject to the Base Closure and Realignment Act (Public Law 100–526; 10 U.S.C. 2687), and the applicant, giving rise to the relationship of lessor and lessee for the use of Federal real property for a term of at least one year under the conditions set forth in the lease document.  

Non-profit organization means an organization no part of the net earnings of which inures to the benefit of any member, founder, contributor, or individual; that has a voluntary board; that has an accounting system or has designated an entity that will maintain a functioning accounting system for the organization in accordance with generally accepted accounting procedures; and that practices non-discrimination in the provision of assistance.
Permit means a license granted by a landholding agency to use unutilized or underutilized property for a specific amount of time under terms and conditions determined by the landholding agency.

Property means real property consisting of vacant land or buildings, or a portion thereof, that is excess, surplus, or designated as unutilized or underutilized in surveys by the heads of landholding agencies conducted pursuant to section 202(b)(2) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 483(b)(2)).

Regional homeless coordinator means a regional coordinator of the Interagency Council on the Homeless.

Representative of the homeless means a State or local government agency, or private nonprofit organization which provides, or proposes to provide, services to the homeless.

Screen means the process by which GSA surveys Federal agencies, or State, local and non-profit entities, to determine if any such entity has an interest in using excess Federal property to carry out a particular agency mission or a specific public use.

State homeless coordinator means a state contact person designated by a state to receive and disseminate information and communications received from the Interagency Council on the Homeless in accordance with section 210(a) of the Stewart B. McKinney Act of 1987, as amended.

Suitable property means that HUD has determined that a particular property satisfies the criteria listed in §581.6.

Surplus property means any excess real property not required by any Federal landholding agency for its needs or the discharge of its responsibilities, as determined by the Administrator of GSA.

Underutilized means an entire property or portion thereof, with or without improvements which is used only at irregular periods or intermittently by the accountable landholding agency for current program purposes of that agency, or which is used for current program purposes that can be satisfied with only a portion of the property.

Unsuitable property means that HUD has determined that a particular property does not satisfy the criteria in §581.6.

Unutilized property means an entire property or portion thereof, with or without improvements, not occupied for current program purposes for the accountable executive agency or occupied in caretaker status only.

§581.2 Applicability.

(a) This part applies to Federal real property which has been designated by Federal landholding agencies as unutilized, underutilized, excess or surplus and is therefore subject to the provisions of title V of the McKinney Act (42 U.S.C. 11411).

(b) The following categories of properties are not subject to this subpart (regardless of whether they may be unutilized or underutilized).

(1) Machinery and equipment.

(2) Government-owned, contractor-operated machinery, equipment, land, and other facilities reported excess for sale only to the using contractor and subject to a continuing military requirement.

(3) Properties subject to special legislation directing a particular action.

(4) Properties subject to a court order.

(5) Property not subject to survey requirements of Executive Order 12512 (April 29, 1985).

(6) Mineral rights interests.

(7) Air space interests.

(8) Indian Reservation land subject to section 202(a)(2) of the Federal Property and Administrative Service Act of 1949, as amended.

(9) Property interests subject to reversion.

(10) Easements.

(11) Property purchased in whole or in part with Federal funds if title to the property is not held by a Federal landholding agency as defined in this part.

§581.3 Collecting the information.

(a) Canvas of landholding agencies. On a quarterly basis, HUD will canvass landholding agencies to collect information about property described as unutilized, underutilized, excess, or surplus, in surveys conducted by the agencies under section 202 of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 483(b)(2)).
Act (40 U.S.C. 483), Executive Order 12512, and 41 CFR part 101–47.800. Each canvass will collect information on properties not previously reported and about property reported previously the status or classification of which has changed or for which any of the information reported on the property checklist has changed.

(1) HUD will request descriptive information on properties sufficient to make a reasonable determination, under the criteria described below, of the suitability of a property for use as a facility to assist the homeless.

(2) HUD will direct landholding agencies to respond to requests for information within 25 days of receipt of such requests.

(b) Agency annual report. By December 31 of each year, each landholding agency must notify HUD regarding the current availability status and classification of each property controlled by the agency that:

(1) Was included in a list of suitable properties published that year by HUD, and

(2) Remains available for application for use to assist the homeless, or has become available for application during that year.

(c) GSA inventory. HUD will collect information, in the same manner as described in paragraph (a) of this section, from GSA regarding property that is in GSA’s current inventory of excess or surplus property.

(d) Change in status. If the information provided on the property checklist changes subsequent to HUD’s determination of suitability, and the property remains unutilized, underutilized, excess or surplus, the landholding agency shall submit a revised property checklist in response to the next quarterly canvass. HUD will make a new determination of suitability and, if it differs from the previous determination, republish the property information in the Federal Register. For example, property determined unsuitable for national security concerns may no longer be subject to security restrictions, or property determined suitable may subsequently be found to be contaminated.

EFFECTIVE DATE NOTE: At 56 FR 23794, 23795, May 24, 1991, part 581 was added, effective on May 24, 1991, except for §581.3 which will not become effective until approved by the District Court for the District of Columbia, pending further proceedings.

§581.4 Suitability determination.

(a) Suitability determination. Within 30 days after the receipt of information from landholding agencies regarding properties which were reported pursuant to the canvass described in §581.3(a), HUD will determine, under criteria set forth in §581.6, which properties are suitable for use as facilities to assist the homeless and report its determination to the landholding agency. Properties that are under lease, contract, license, or agreement by which a Federal agency retains a real property interest or which are scheduled to become unutilized or underutilized will be reviewed for suitability no earlier than six months prior to the expected date when the property will become unutilized or underutilized, except that properties subject to the Base Closure and Realignment Act may be reviewed up to eighteen months prior to the expected date when the property will become unutilized or underutilized.

(b) Scope of suitability. HUD will determine the suitability of a property for use as a facility to assist the homeless without regard to any particular use.

(c) Environmental information. HUD will evaluate the environmental information contained in property checklists forwarded to HUD by the landholding agencies solely for the purpose of determining suitability of properties under the criteria in §581.6.

(d) Written record of suitability determination. HUD will assign an identification number to each property reviewed for suitability. HUD will maintain a written public record of the following:

1. The suitability determination for a particular piece of property, and the reasons for that determination;

2. The landholding agency’s response to the determination pursuant to the requirements of §581.7(a).

(e) Property determined unsuitable. Property that is reviewed by HUD under this section and that is determined unsuitable for use to assist the homeless may not be made available for any other purpose for 20 days after
§ 581.5 Real property reported excess to GSA.

(a) Each landholding agency must submit a report to GSA of properties it determines excess. Each landholding agency must also provide a copy of HUD’s suitability determination, if any, including HUD’s identification number for the property.

(b) If a landholding agency reports a property to GSA which has been reviewed by HUD for homeless assistance suitability and HUD determined the property suitable, GSA will screen the property pursuant to §581.5(g) and will advise HUD of the availability of the property for use by the homeless as provided in §581.5(e). In lieu of the above, GSA may submit a new checklist to HUD and follow the procedures in §581.5(c) through §581.5(g).

(c) If a landholding agency reports a property to GSA which has not been reviewed by HUD for homeless assistance suitability, GSA will complete a property checklist, based on information provided by the landholding agency, and will forward this checklist to HUD for a suitability determination. This checklist will reflect any change in classification, i.e., from unutilized or underutilized to excess.

(d) Within 30 days after GSA’s submission, HUD will advise GSA of the suitability determination.

(e) When GSA receives a letter from HUD listing suitable excess properties in GSA’s inventory, GSA will transmit to HUD within 45 days a response which includes the following for each identified property:

(1) A statement that there is no other compelling Federal need for the property, and therefore, the property will be determined surplus; or

(2) A statement that there is further and compelling Federal need for the property (including a full explanation of such need) and that, therefore, the property is not presently available for use to assist the homeless.

(f) When an excess property is determined suitable and available and notice is published in the Federal Register, GSA will concurrently notify HHS, HUD, State and local government units, known homeless assistance providers that have expressed interest in
§581.6 Suitability criteria.

(a) All properties, buildings and land will be determined suitable unless a property’s characteristics include one or more of the following conditions:

(1) National security concerns. A property located in an area to which the general public is denied access in the interest of national security (e.g., where a special pass or security clearance is a condition of entry to the property) will be determined unsuitable. Where alternative access can be provided for the public without compromising national security, the property will not be determined unsuitable on this basis.

(2) Property containing flammable or explosive materials. A property located within 2000 feet of an industrial, commercial or Federal facility handling flammable or explosive material (excluding underground storage) will be determined unsuitable. Above ground containers with a capacity of 100 gallons or less, or larger containers which provide the heating or power source for the property, and which meet local safety, operation, and permitting standards, will not affect whether a particular property is determined suitable or unsuitable. Underground storage, gasoline stations and tank trucks are not included in this category and their presence will not be the basis of an unsuitability determination unless there is evidence of a threat to personal safety as provided in paragraph (a)(5) of this section.

(3) Runway clear zone and military airfield clear zone. A property located within an airport runway clear zone or military airfield clear zone will be determined unsuitable.

(4) Floodway. A property located in the floodway of a 100 year floodplain will be determined unsuitable. If the floodway has been contained or corrected, or if only an incidental portion of the property not affecting the use of the remainder of the property is in the floodway, the property will not be determined unsuitable.

(5) Documented deficiencies. A property with a documented and extensive condition(s) that represents a clear threat to personal physical safety will be determined unsuitable. Such conditions may include, but are not limited to, contamination, structural damage or extensive deterioration, friable asbestos, PCB’s, or natural hazardous substances such as radon, periodic flooding, sinkholes or earth slides.

(6) Inaccessible. A property that is inaccessible will be determined unsuitable. An inaccessible property is one that is not accessible by road (including property on small off-shore islands) or is land locked (e.g., can be reached only by crossing private property and there is no established right or means of entry).

§581.7 Determination of availability.

(a) Within 45 days after receipt of a letter from HUD pursuant to §581.4(a), each landholding agency must transmit to HUD a statement of one of the following:

(1) In the case of unutilized or underutilized property:

(i) An intention to declare the property excess,

(ii) An intention to make the property available for use to assist the homeless, or

(iii) The reasons why the property cannot be declared excess or made available for use to assist the homeless.

(2) In the case of excess property which had previously been reported to GSA:

(i) A statement that there is no compelling Federal need for the property, and that, therefore, the property will be determined surplus; or

(ii) A statement that the property cannot be declared excess or made available for use to assist the homeless.
(ii) A statement that there is a further and compelling Federal need for the property (including a full explanation of such need) and that, therefore, the property is not presently available for use to assist the homeless.

§ 581.8 Public notice of determination.

(a) No later than 15 days after the last 45 day period has elapsed for receiving responses from the landholding agencies regarding availability, HUD will publish in the FEDERAL REGISTER a list of all properties reviewed, including a description of the property, its address, and classification. The following designations will be made:

(1) Properties that are suitable and available.

(2) Properties that are suitable and unavailable.

(3) Properties that are suitable and to be declared excess.

(4) Properties that are unsuitable.

(b) Information about specific properties can be obtained by contacting HUD at the following toll free number, 1–800–927–7588.

(c) HUD will transmit to the ICH a copy of the list of all properties published in the FEDERAL REGISTER. The ICH will immediately distribute to all state and regional homeless coordinators area-relevant portions of the list. The ICH will encourage the state and regional homeless coordinators to disseminate this information widely.

(d) No later than February 15 of each year, HUD shall publish in the FEDERAL REGISTER a list of all properties reported pursuant to §581.3(b).

(e) HUD shall publish an annual list of properties determined suitable but which agencies reported unavailable including the reasons such properties are not available.

(f) Copies of the lists published in the FEDERAL REGISTER will be available for review by the public in the HUD headquarters building library (room 8141); area-relevant portions of the lists will be available in the HUD regional offices and in major field offices.

§ 581.9 Application process.

(OMB approval number 09370191)

(a) Holding period. (1) Properties published as available for application for use to assist the homeless shall not be available for any other purpose for a period of 60 days beginning on the date of publication. Any representative of the homeless interested in any underutilized, unutilized, excess or surplus Federal property for use as a facility to assist the homeless must send to HHS a written expression of interest in that property within 60 days after the property has been published in the FEDERAL REGISTER.

(2) If a written expression of interest to apply for suitable property for use to assist the homeless is received by HHS within the 60 day holding period, such property may not be made available for any other purpose until the date HHS or the appropriate landholding agency has completed action on the application submitted pursuant to that expression of interest.

(3) The expression of interest should identify the specific property, briefly describe the proposed use, include the name of the organization, and indicate whether it is a public body or a private non-profit organization. The expression of interest must be sent to the Division of Health Facilities Planning (DHFP) of the Department of Health and Human Services at the following address:

Director, Division of Health Facilities Planning, Public Health Service, room 17A–10, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857.

HHS will notify the landholding agency (for unutilized and underutilized properties) or GSA (for excess and surplus properties) when an expression of interest has been received for a particular property.

(4) An expression of interest may be sent to HHS any time after the 60 day holding period has expired. In such a case, an application submitted pursuant to this expression of interest may be approved for use by the homeless if:

(i) No application or written expression of interest has been made under any law for use of the property for any purpose; and

(ii) In the case of excess or surplus property, GSA has not received a bona fide offer to purchase that property or advertised for the sale of the property by public auction.
(b) Application requirements. Upon receipt of an expression of interest, DHFP will send an application packet to the interested entity. The application packet requires the applicant to provide certain information, including the following—

(1) Description of the applicant organization. The applicant must document that it satisfies the definition of a “representative of the homeless,” as specified in §581.1 of this subpart. The applicant must document its authority to hold real property. Private non-profit organizations applying for deeds must document that they are section 501(c)(3) tax-exempt.

(2) Description of the property desired. The applicant must describe the property desired and indicate that any modifications made to the property will conform to local use restrictions except for local zoning regulations.

(3) Description of the proposed program. The applicant must fully describe the proposed program and demonstrate how the program will address the needs of the homeless population to be assisted. The applicant must fully describe what modifications will be made to the property before the program becomes operational.

(4) Ability to finance and operate the proposed program. The applicant must specifically describe all anticipated costs and sources of funding for the proposed program. The applicant must indicate that it can assume care, custody, and maintenance of the property and that it has the necessary funds or the ability to obtain such funds to carry out the approved program of use for the property.

(5) Compliance with non-discrimination requirements. Each applicant and lessee under this part must certify in writing that it will comply with the requirements of the Fair Housing Act (42 U.S.C. 3601–3619) and implementing regulations; and the prohibitions against otherwise qualified individuals with handicaps under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations. The applicant must state that it will not discriminate on the basis of race, color, national origin, religion, sex, age, familial status, or handicap in the use of the property, and will maintain the required records to demonstrate compliance with Federal laws.

(6) Insurance. The applicant must certify that it will insure the property against loss, damage, or destruction in accordance with the requirements of 45 CFR 12.9.

(7) Historic preservation. Where applicable, the applicant must provide information that will enable HHS to comply with Federal historic preservation requirements.

(8) Environmental information. The applicant must provide sufficient information to allow HHS to analyze the potential impact of the applicant’s proposal on the environment, in accordance with the instructions provided with the application packet. HHS will assist applicants in obtaining any pertinent environmental information in the possession of HUD, GSA, or the landholding agency.

(9) Local government notification. The applicant must indicate that it has informed the applicable unit of general local government responsible for providing sewer, water, police, and fire services, in writing of its proposed program.

(10) Zoning and local use restrictions. The applicant must indicate that it will comply with all local use restrictions, including local building code requirements. Any applicant which applies for a lease or permit for a particular property is not required to comply with local zoning requirements. Any applicant applying for a deed of a particular property, pursuant to §581.9(b)(3), must comply with local zoning requirements, as specified in 45 CFR part 12.

(c) Scope of evaluations. Due to the short time frame imposed for evaluating applications, HHS’ evaluation will, generally, be limited to the information contained in the application.
(d) **Deadline.** Completed applications must be received by DHFP, at the above address, within 90 days after an expression of interest is received from a particular applicant for that property. Upon written request from the applicant, HHS may grant extensions, provided that the appropriate landholding agency concurs with the extension. Because each applicant will have a different deadline based on the date the applicant submitted an expression of interest, applicants should contact the individual landholding agency to confirm that a particular property remains available prior to submitting an application.

(e) **Evaluations.**

(1) Upon receipt of an application, HHS will review it for completeness, and, if incomplete, may return it or ask the applicant to furnish any missing or additional required information prior to final evaluation of the application.

(2) HHS will evaluate each completed application within 25 days of receipt and will promptly advise the applicant of its decision. Applications are evaluated on a first-come, first-serve basis. HHS will notify all organizations which have submitted expressions of interest for a particular property regarding whether the first application received for that property has been approved or disapproved. All applications will be reviewed on the basis of the following elements, which are listed in descending order of priority, except that paragraphs (e)(2)(iv) and (e)(2)(v) of this section are of equal importance.

(i) **Services offered.** The extent and range of proposed services, such as meals, shelter, job training, and counseling.

(ii) **Need.** The demand for the program and the degree to which the available property will be fully utilized.

(iii) **Implementation time.** The amount of time necessary for the proposed program to become operational.

(iv) **Experience.** Demonstrated prior success in operating similar programs and recommendations attesting to that fact by Federal, State, and local authorities.

(v) **Financial ability.** The adequacy of funding that will likely be available to run the program fully and properly and to operate the facility.

(3) Additional evaluation factors may be added as deemed necessary by HHS. If additional factors are added, the application packet will be revised to include a description of these additional factors.

(4) If HHS receives one or more competing applications for a property within 5 days of the first application HHS will evaluate all completed applications simultaneously. HHS will rank approved applications based on the elements listed in §581.8(e)(2), and notify the landholding agency, or GSA, as appropriate, of the relative ranks.

§ 581.10 **Action on approved applications.**

(a) **Unutilized and underutilized properties.** When HHS approves an application, it will so notify the applicant and forward a copy of the application to the landholding agency. The landholding agency will execute the lease, or permit document, as appropriate, in consultation with the applicant.

(b) **Excess and surplus properties.**

(1) When HHS approves an application, it will so notify the applicant and request that GSA assign the property to HHS for leasing. Upon receipt of the assignment, HHS will execute a lease in accordance with the procedures and requirements set out in 45 CFR part 12. In accordance with 41 CFR 101–47.402, custody and accountability of the property will remain throughout the lease term with the agency which initially reported the property as excess.

(2) Prior to assignment to HHS, GSA may consider other Federal uses and other important national needs; however, in deciding the disposition of surplus real property, GSA will generally give priority of consideration to uses...
§ 581.11 Unsuitable properties.

The landholding agency will defer, for 20 days after the date that notice of a property is published in the Federal REGISTER, action to dispose of properties determined unsuitable for homeless assistance. HUD will inform landholding agencies or GSA if appeal of an unsuitability determination is filed by a representative of the homeless pursuant to § 581.4(f)(4). HUD will advise the agency that it should refrain from initiating disposal procedures until HUD has completed its reconsideration process regarding unsuitability. Thereafter, or if no appeal has been filed after 20 days, GSA or the appropriate landholding agency may proceed with disposal action in accordance with applicable law.

§ 581.12 No applications approved.

(a) At the end of the 60 day holding period described in § 581.9(a), HHS will notify GSA, or the landholding agency, as appropriate, if an expression of interest has been received for a particular property. Where there is no expression of interest, GSA or the landholding agency, as appropriate, will proceed with disposal in accordance with applicable law.

(b) Upon advice from HHS that all applications have been disapproved, or if no completed applications or requests for extensions have been received by HHS within 90 days from the date of the last expression of interest, disposal may proceed in accordance with applicable law.

§ 581.13 Waivers.

The Secretary may waive any requirement of this part that is not required by law, whenever it is determined that undue hardship would result from applying the requirement, or where application of the requirement would adversely affect the purposes of the program. Each waiver will be in writing and will be supported by documentation of the pertinent facts and grounds. The Secretary periodically will publish notice of granted waivers in the Federal Register.

Authority: 42 U.S.C. 3535(d) and 11403–11407b.

Source: 58 FR 13892, Mar. 15, 1993, unless otherwise noted.

Subpart A—General
§ 582.1 Purpose and scope.
(a) General. The Shelter Plus Care program (S+C) is authorized by title IV, subtitle F, of the Stewart B. McKinney Homeless Assistance Act (the McKinney Act) (42 U.S.C. 11403–11407b). S+C is designed to link rental assistance to supportive services for hard-to-serve homeless persons with disabilities (primarily those who are seriously mentally ill; have chronic problems with alcohol, drugs, or both; or have acquired immunodeficiency syndrome (AIDS) and related diseases) and their families. The program provides grants to be used for rental assistance for permanent housing for homeless persons with disabilities. Rental assistance grants must be matched in the aggregate by supportive services that are equal in value to the amount of rental assistance and appropriate to the needs of the population to be served. Recipients are chosen on a competitive basis nationwide.
(b) Components. Rental assistance is provided through four components described in §§582.100. Applicants may apply for assistance under any one of the four components, or a combination.

§ 582.5 Definitions.
The terms Fair Market Rent (FMR), HUD, Public Housing Agency (PHA), Indian Housing Authority (IHA), and Secretary are defined in 24 CFR part 5.
As used in this part:
Acquired immunodeficiency syndrome (AIDS) and related diseases has the meaning given in section 853 of the AIDS Housing Opportunity Act (42 U.S.C. 12902).
Applicant has the meaning given in section 462 of the McKinney Act (42 U.S.C. 11403g).
Developmental disability means, as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002):
(1) A severe, chronic disability of an individual that—
(i) Is attributable to a mental or physical impairment or combination of mental and physical impairments;
(ii) Is manifested before the individual attains age 22;
(iii) Is likely to continue indefinitely;
(iv) Results in substantial functional limitations in three or more of the following areas of major life activity:
(A) Self-care;
(B) Receptive and expressive language;
(C) Learning;
(D) Mobility;
(E) Self-direction;
(F) Capacity for independent living;
(G) Economic self-sufficiency; and
(v) Reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.
(2) An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting three or more of the criteria described in paragraphs (i)(1) through (v) of the definition of "developmental disability" in this section if the individual, without services and supports, has a high probability of meeting those criteria later in life.

Eligible person means a homeless person with disabilities (primarily persons who are seriously mentally ill; have chronic problems with alcohol, drugs, or both; or have AIDS and related diseases) and, if also homeless, the family of such a person. To be eligible for assistance, persons must be very low income, except that low-income individuals may be assisted under the SRO component in accordance with 24 CFR 813.105(b).

Homeless means:

(i) An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

(a) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;

(b) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or

(c) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;

(ii) An individual or family who will imminently lose their primary nighttime residence, provided that:

(a) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance; and

(b) No subsequent residence has been identified; and

(iii) The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing;

(3) Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:

(ii) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;

(iii) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and

(iv) Can be expected to continue in such status for an extended period of time because of chronic disabilities; chronic physical health or mental health conditions; substance addiction; histories of domestic violence or child abuse (including neglect); the presence of a child or youth with a disability; or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

(4) Any individual or family who:

(i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a
child, that has either taken place within the individual’s or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

(ii) Has no other residence; and

(iii) Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

Indian tribe has the meaning given in section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

Low-income means an annual income not in excess of 80 percent of the median income for the area, as determined by HUD. HUD may establish income limits higher or lower than 80 percent of the median income for the area on the basis of its finding that such variations are necessary because of the prevailing levels of construction costs or unusually high or low family incomes.

Nonprofit organization has the meaning given in section 104 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12704). The term nonprofit organization also includes a community mental health center established as a public nonprofit organization.

Participant means an eligible person who has been selected to participate in S+C.

Person with disabilities means a household composed of one or more persons at least one of whom is an adult who has a disability.

(1) A person shall be considered to have a disability if he or she has a disability that:

(i) Is expected to be long-continuing or of indefinite duration;

(ii) Substantially impedes the individual’s ability to live independently;

(iii) Could be improved by the provision of more suitable housing conditions; and

(iv) Is a physical, mental, or emotional impairment, including an impairment caused by alcohol or drug abuse, post-traumatic stress disorder, or brain injury.

(2) A person will also be considered to have a disability if he or she has a developmental disability, as defined in this section.

(3) A person will also be considered to have a disability if he or she has acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome, including infection with the human immunodeficiency virus (HIV).

(4) Notwithstanding the preceding provisions of this definition, the term person with disabilities includes, except in the case of the SRO component, two or more persons with disabilities living together, one or more such persons living with another person who is determined to be important to their care or well-being, and the surviving member or members of any household described in the first sentence of this definition who were living, in a unit assisted under this part, with the deceased member of the household at the time of his or her death. (In any event, with respect to the surviving member or members of a household, the right to rental assistance under this part will terminate at the end of the grant period under which the deceased member was a participant.)

Recipient means an applicant approved to receive a S+C grant.

Seriously mentally ill has the meaning given in section 462 of the McKinney Act (42 U.S.C. 11403g).

Single room occupancy (SRO) housing means a unit for occupancy by one person, which need not but may contain food preparation or sanitary facilities, or both.

Sponsor means a nonprofit organization which owns or leases dwelling units and has contracts with a recipient to make such units available to eligible homeless persons and receives rental assistance payments under the SRA component.

State has the meaning given in section 462 of the McKinney Act (42 U.S.C. 11403g).

Supportive service provider, or service provider, means a person or organization licensed or otherwise qualified to provide supportive services, either for profit or not for profit.

Supportive services means assistance that—

(1) Addresses the special needs of eligible persons; and
(2) Provides appropriate services or assists such persons in obtaining appropriate services, including health care, mental health treatment, alcohol and other substance abuse services, child care services, case management services, counseling, supervision, education, job training, and other services essential for achieving and maintaining independent living.

(Inpatient acute hospital care does not qualify as a supportive service.).

*Unit of general local government* has the meaning given in section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

*Very low-income* means an annual income not in excess of 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes.

**Subpart B—Assistance Provided**

§ 582.100 Program component descriptions.

(a) *Tenant-based rental assistance (TRA).* Tenant-based rental assistance provides grants for rental assistance which permit participants to choose housing of an appropriate size in which to reside. Participants retain the rental assistance if they move. Where necessary to facilitate the coordination of supportive services, grant recipients may require participants to live in a specific area for their entire period of participation or in a specific structure for the first year and in a specific area for the remainder of their period of participation. Recipients may not define the area in a way that violates the Fair Housing Act or the Rehabilitation Act of 1973. The term of the grant between HUD and the grant recipient for TRA is five years.

(b) *Project-based rental assistance (PRA).* Project-based rental assistance provides grants for rental assistance to the owner of an existing structure, where the owner agrees to lease the subsidized units to participants. Participants do not retain rental assistance if they move. Rental subsidies are provided to the owner for a period of either five or ten years. To qualify for ten years of rental subsidies, the owner must complete at least $3,000 of eligible rehabilitation for each unit (including the unit’s prorated share of work to be accomplished on common areas or systems), to make the structure decent, safe and sanitary. This rehabilitation must be completed within 12 months of the grant award.

(c) *Sponsor-based rental assistance (SRA).* Sponsor-based rental assistance provides grants for rental assistance through contracts between the grant recipient and sponsor organizations. A sponsor may be a private, nonprofit organization or a community mental health agency established as a public nonprofit organization. Participants reside in housing owned or leased by the sponsor. The term of the grant between HUD and the grant recipient for SRA is five years.

(d) *Moderate rehabilitation for single room occupancy dwellings (SRO).* (1) The SRO component provides grants for rental assistance in connection with the moderate rehabilitation of single room occupancy housing units. Resources to initially fund the cost of rehabilitating the dwellings must be obtained from other sources. However, the rental assistance covers operating expenses of the rehabilitated SRO units occupied by homeless persons, including debt service to retire the cost of the moderate rehabilitation over a ten-year period.

(2) SRO housing must be in need of moderate rehabilitation and must meet the requirements of 24 CFR 882.803(a). Costs associated with rehabilitation of common areas may be included in the calculation of the cost for assisted units based on the proportion of the number of units to be assisted under this part to the total number of units.

(3) SRO assistance may also be used for efficiency units selected for rehabilitation under this program, but the gross rent (contract rent plus any utility allowance) for those units will be no higher than for SRO units (i.e., 75
percent of the 0-bedroom Moderate Rehabilitation Fair Market Rent).

(4) The requirements regarding maintenance, operation, and inspections described in 24 CFR 882.806(b)(4) and 882.808(n) must be met.

(5) Governing regulations. Except where there is a conflict with any requirement under this part or where specifically provided, the SRO component will be governed by the regulations set forth in 24 CFR part 882, subpart H.

§ 582.105 Rental assistance amounts and payments.

(a) Eligible activity. S+C grants may be used for providing rental assistance for housing occupied by participants in the program and administrative costs as provided for in paragraph (a) of this section, except that the housing may not be currently receiving Federal funding for rental assistance or operating costs under other HUD programs. Recipients may design a housing program that includes a range of housing types with differing levels of supportive services. Rental assistance may include security deposits on units in an amount up to one month’s rent.

(b) Amount of the grant. The amount of the grant is based on the number and size of units proposed by the applicant to be assisted over the grant period. The grant amount is calculated by multiplying the number of units proposed times the applicable Fair Market Rent (FMR) of each unit times the term of the grant.

(c) Payment of grant. (1) The grant amount will be reserved for rental assistance over the grant period. An applicant’s grant request is an estimate of the amount needed for rental assistance. Recipients will make draws from the reserved amount to pay the actual costs of rental assistance for program participants. For TRA, on demonstration of need, up to 25 percent of the total rental assistance awarded may be spent in any one of the five years, or a higher percentage if approved by HUD, where the applicant provides evidence satisfactory to HUD that it is financially committed to providing the housing assistance described in the application for the full five-year period.

(2) A recipient must serve at least as many participants as shown in its application. Where the grant amount reserved for rental assistance over the grant period exceeds the amount that will be needed to pay the actual costs of rental assistance, due to such factors as contract rents being lower than FMRs and participants are being able to pay a portion of the rent, recipients may use the remaining funds for the costs of administering the housing assistance, as described in paragraph (e) of this section, for damage to property, as described in paragraph (f) of this section, for covering the costs of rent increases, or for serving a great number of participants.

(d) Vacancies. (1) If a unit assisted under this part is vacated before the expiration of the occupancy agreement described in § 582.315 of this part, the assistance for the unit may continue for a maximum of 30 days from the end of the month in which the unit was vacated, unless occupied by another eligible person. No additional assistance will be paid until the unit is occupied by another eligible person.

(2) As used in this paragraph (d), the term “vacate” does not include brief periods of inpatient care, not to exceed 90 days for each occurrence.

(e) Administrative costs. (1) Up to eight percent of the grant amount may be used to pay the costs of administering the housing assistance. Recipients may contract with another entity approved by HUD to administer the housing assistance.

(2) Eligible administrative activities include processing rental payments to landlords, examining participant income and family composition, providing housing information and assistance, inspecting units for compliance with housing quality standards, and receiving into the program new participants. This administrative allowance does not include the cost of administering the supportive services or the grant (e.g., costs of preparing the application, reports or audits required by HUD), which are not eligible activities under a S+C grant.

(f) Property damage. Recipients may use grant funds in an amount up to one month’s rent to pay for any damage to
housing due to the action of a participant.

§ 582.110 Matching requirements.

(a) Matching rental assistance with supportive services. (1) To qualify for rental assistance grants, an applicant must certify that it will provide or ensure the provision of supportive services, including funding the services itself if the planned resources do not become available for any reason, appropriate to the needs of the population being served, and at least equal in value to the aggregate amount of rental assistance funded by HUD. The supportive services may be newly created for the program or already in operation, and may be provided or funded by other Federal, State, local, or private programs in accordance with 42 U.S.C. 11403b. This statute provides that a recipient may use funds from any source, including any other Federal source (but excluding the specific statutory subtitle from which S+C funds are provided), as well as State, local, and private sources, provided that funds from the other source are not statutorily prohibited to be used as a match.

(2) Only services that are provided after the execution of the grant agreement may count toward the match.

(3) It is the responsibility of the recipient to ensure that any funds or services used to satisfy the matching requirements of this section are eligible under the laws governing the funds or services to be used as matching funds or services for a grant awarded under this program.

(b) Availability to participants. Recipients must give reasonable assurances that supportive services will be available to participants for the entire term of the rental assistance. The value of the services provided to a participant, however, does not have to equal the amount of rental assistance provided that participant, nor does the value have to be equal to the amount of rental assistance on a year-to-year basis.

(c) Calculating the value of supportive services. In calculating the amount of the matching supportive services, applicants may count:

(1) Salaries paid to staff of the recipient to provide supportive services to S+C participants;

(2) The value of supportive services provided by other persons or organizations to S+C participants;

(3) The value of time and services contributed by volunteers at the rate of $10.00 an hour, except for donated professional services which may be counted at the customary charge for the service provided (professional services are services ordinarily performed by donors for payment, such as the services of health professionals, that are equivalent to the services they provide in their occupations);

(4) The value of any lease on a building used for the provision of supportive services, provided the value included in the match is no more than the prorated share used for the program; and

(5) The cost of outreach activities, as described in § 582.325(a) of this part.

§ 582.115 Limitations on assistance.

(a) Current occupants. Current occupants of the real property are not eligible for assistance under this part. However, as described in §582.335, persons displaced as a direct result of acquisition, rehabilitation, or demolition for a project under the S+C program are eligible for and must be provided relocation assistance at Uniform Relocation Act levels.

(b) Amount of assistance provided within a jurisdiction. HUD will limit the amount of assistance provided within the jurisdiction of any one unit of local government to no more than 10 percent of the amount available.

(c) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the S+C program. Neither the Federal government nor a State or local government receiving funds under S+C programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(2) Organizations that are directly funded under the S+C program may not
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD § 582.120

engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the S+C program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not use direct S+C funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide S+C-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an S+C-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(4) An organization that participates in the S+C program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

(d) Maintenance of effort. No assistance received under this part (or any State or local government funds used to supplement this assistance) may be used to replace funds provided under any State or local government assistance programs previously used, or designated for use, to assist persons with disabilities, homeless persons, or homeless persons with disabilities.

§ 582.120 Consolidated plan.

(a) Applicants that are States or units of general local government. The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan. If the applicant is a State, and the project will be located in a unit of general local government that is required to have, or has, a complete consolidated plan, or that is applying for Shelter Plus Care assistance under the same Notice of Fund Availability (NOFA) and will have an abbreviated consolidated plan with respect to that application, the State also must submit a certification by the unit of general local government that the State's application is consistent with the unit of general local government's HUD-approved consolidated plan.

(b) Applicants that are not States or units of general local government. The applicant must submit a certification by the jurisdiction in which the proposed project will be located that the jurisdiction is following its HUD-approved consolidated plan and the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions of the consolidated plan regulations, 24 CFR part 91, subpart F.

(c) Indian tribes and the Insular Areas of Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands. These entities are not required to have a consolidated plan or to make consolidated plan certifications. An application by an Indian tribe or other applicant for a project that will be located on a reservation of an Indian tribe will not require certification by the tribe or the State. However, where
an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.

(d) Timing of consolidated plan certification submissions. Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved consolidated plan must be submitted by the funding application submission deadline announced in the NOFA.

(60 FR 16379, Mar. 30, 1995)

Subpart C—Application and Grant Award

§ 582.200 Application and grant award.

(a) Review. When funds are made available for assistance, HUD will publish a notice of fund availability in the FEDERAL REGISTER in accordance with the requirements of 24 CFR part 4. Applications will be reviewed and screened in accordance with the guidelines, rating criteria and procedures published in the notice.

(b) Rating criteria. HUD will award funds based on the criteria specified in section 455(a)(1) through (8) of the McKinney Act (42 U.S.C. 11403d(1)—11403d(8)) and on the following criteria authorized by section 455(a)(9) of the McKinney Act (42 U.S.C. 11403d(9)):

(1) The extent to which the applicant has demonstrated coordination with other Federal, State, local, private and other entities serving homeless persons in the planning and operation of the project, to the extent practicable;

(2) Extent to which the project targets homeless persons living in emergency shelters, supportive housing for homeless persons, or in places not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;

(3) Quality of the project; and

(4) Extent to which the program will serve homeless persons who are seriously mentally ill, have chronic alcohol and/or drug abuse problems, or have AIDS and related diseases.

(Approved by the Office of Management and Budget under control number 2506–0118)

(61 FR 51170, Sept. 30, 1996)

§ 582.230 Environmental review.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title prior to its approval of any conditionally selected applications from PHAs for Fiscal Year 2000 and prior years for other than the SRO component. For activities under a grant to a PHA that generally would be subject to review under part 58, HUD may make a finding in accordance with §58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient PHA objects in writing to the responsible entity’s performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(b) The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in §58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved or HUD has performed an environmental review under part 50 and the recipient has received HUD approval of the property. HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient...
submits and HUD approves its RROF (where such submission is required).

[68 FR 56130, Sept. 29, 2003]

Subpart D—Program Requirements

§ 582.300 General operation.

(a) Participation of homeless individuals. (1) Each recipient must provide for the consultation and participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of the recipient, to the extent that the entity considers and makes policies and decisions regarding any housing assisted under this part or services for the participants. This requirement is waived if the applicant is unable to meet the requirement and presents a plan, which HUD approves, to otherwise consult with homeless or formerly homeless individuals in considering and making such policies and decisions. Participation by such an individual who also is a participant under the program does not constitute a conflict of interest under § 582.340(b) of this part.

(2) To the maximum extent practicable, each recipient must involve homeless individuals and families, through employment, volunteer services, or otherwise, in constructing or rehabilitating housing assisted under this part and in providing supportive services required under § 582.215 of this part.

(b) Ongoing assessment of housing and supportive services. Each recipient of assistance must conduct an ongoing assessment of the housing assistance and supportive services required by the participants, and make adjustments as appropriate.

(c) Adequate supportive services. Each recipient must assure that adequate supportive services are available to participants in the program.

(d) Records and reports. (1) Each recipient must keep any records and, within the timeframe required, make any reports (including those pertaining to race, ethnicity, gender, and disability status data) that HUD may require.

(2) Each recipient must keep on file, and make available to the public on request, a description of the procedures used to select sponsors under the SRA component and buildings under the SRO, SRA, and PRA components.

(3) Each recipient must develop, and make available to the public upon request, its procedures for managing the rental housing assistance funds provided by HUD. At a minimum, such procedures must describe how units will be identified and selected; how the responsibility for inspections will be handled; the process for deciding which unit a participant will occupy; how participants will be placed in, or assisted in finding appropriate housing; how rent calculations will be made and the amount of rental assistance payments determined; and what safeguards will be used to prevent the misuse of funds.

(Approved by the Office of Management and Budget under control number 2506–0118)

§ 582.301 Recordkeeping.

(a) [Reserved]

(b) Homeless status. The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in § 582.3. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data.
§ 582.301

the date of entry, and the change made; and if the HMIS prevents over-rides or changes of the dates entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in § 582.5, acceptable evidence includes a written observation by an outreach worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in § 582.5, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:

(i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or

(ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in paragraph (b)(2)(i) and a certification by the individual seeking assistance that states he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in § 582.5, because the individual or family will imminently lose their housing, the evidence must include:

(i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homeless assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;

(B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homeless assistance; or

(C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homeless assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: (I) Be verified by the owner or renter of the housing in which the individual or family resides at the time of application for homeless assistance and be documented by a written certification by the owner or renter or by the intake worker's recording of the owner or renter's oral statement; or (II) if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter's verification and the written certification by the individual or head of household seeking assistance that his or her statement was true and complete;

(ii) Certification by the individual or head of household that no subsequent residence has been identified; and

(iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in § 582.5, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42

320
Ofc. of Asst. Secy., Comm. Planning, Develop., HUD § 582.301

U.S.C. 11434a(2)), the evidence must include:

(i) For paragraph (3)(i) of the homeless definition in §582.5, certification of homeless status by the local private nonprofit organization or state or local governmental entity responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.), the Head Start Act (42 U.S.C. 9831 et seq.), subtitle N of the Violence Against Women Act of 1994 (42 U.S.C. 14043e et seq.), section 330 of the Public Health Service Act (42 U.S.C. 254b), the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.), as applicable;

(ii) For paragraph (3)(ii) of the homeless definition in §582.5, referral by a housing or service provider, written observation by an outreach worker, or certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in §582.5, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date of application for homeless assistance, including: Recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker’s due diligence in attempting to obtain these statements or records. Where a move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in §582.5, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of the date of application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other reasonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in §582.5, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.), as applicable;

(ii) For paragraph (3)(ii) of the homeless definition in §582.5, the oral statement must be documented by either a certification by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act, the oral statement must be documented by either a certification by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act, the oral statement must be documented by either a certification by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act, the oral statement must be documented by either a certification by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing.
agency, legal assistance provider, pastoral counselor, or any other organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing, or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) Disability.—Each recipient of assistance under this part must maintain and follow written intake procedures to ensure that the assistance benefits persons with disabilities, as defined in §582.5. In addition to the documentation required under paragraph (b), the procedures must require documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. The recipient must keep these records for 5 years after the end of the grant term. Acceptable evidence of the disability includes:

(1) Written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual’s ability to live independently;

(2) Written verification from the Social Security Administration;

(3) The receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation);

(4) Intake staff-recorded observation of disability that, no later than 45 days of the application for assistance, is confirmed and accompanied by evidence in paragraph (c)(1), (2), (3), or (4) of this section; or

(5) Other documentation approved by HUD.

[76 FR 76015, Dec. 5, 2011]

§ 582.305 Housing quality standards; rent reasonableness.

(a) Housing quality standards. Housing assisted under this part must meet the applicable housing quality standards (HQS) under §982.401 of this title—except that §982.401(j) of this title does not apply and instead part 35, subparts A, B, K and R of this title apply—and, for SRO under §882.803(b) of this title. Before any assistance will be provided on behalf of a participant, the recipient, or another entity acting on behalf of the recipient (other than the owner of the housing), must physically inspect each unit to assure that the unit meets the HQS. Assistance will not be provided for units that fail to meet the HQS, unless the owner corrects any deficiencies within 30 days from the date of the lease agreement and the recipient verifies that all deficiencies have been corrected. Recipients must also inspect all units at least annually during the grant period to ensure that the units continue to meet the HQS.

(b) Rent reasonableness. HUD will only provide assistance for a unit for which the rent is reasonable. For TRA, PRA, and SRA, it is the responsibility of the recipient to determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit, as well as not in excess of rents currently being charged by the same owner for comparable unassisted units. For SRO, rents are calculated in accordance with 24 CFR 882.805(g).

§ 582.310 Resident rent.

(a) Amount of rent. Each participant must pay rent in accordance with section 3(a)(1) of the U.S. Housing Act of 1937 (42 U.S.C. 1437a(a)(1)), except that in determining the rent of a person occupying an intermediate care facility assisted under title XIX of the Social Security Act, the gross income of this person is the same as if the person were being assisted under title XVI of the Social Security Act.

(b) Calculating income. (1) Income of participants must be calculated in accordance with 24 CFR 5.609 and 24 CFR 5.611(a).

(2) Recipients must examine a participant’s income initially, and at least
annually thereafter, to determine the amount of rent payable by the participant. Adjustments to a participant’s rental payment must be made as necessary.

(3) As a condition of participation in the program, each participant must agree to supply the information or documentation necessary to verify the participant’s income. Participants must provide the recipient information at any time regarding changes in income or other circumstances that may result in changes to a participant’s rental payment.

[66 FR 6225, Jan. 19, 2001]

§ 582.315 Occupancy agreements.

(a) Initial occupancy agreement. Participants must enter into an occupancy agreement for a term of at least one month. The occupancy agreement must be automatically renewable upon expiration, except on prior notice by either party.

(b) Terms of agreement. In addition to standard lease provisions, the occupancy agreement may also include a provision requiring the participant to take part in the supportive services provided through the program as a condition of continued occupancy.

§ 582.320 Termination of assistance to participants.

(a) Termination of assistance. The recipient may terminate assistance to a participant who violates program requirements or conditions of occupancy. Recipients must exercise judgment and examine all extenuating circumstances in determining when violations are serious enough to warrant termination, so that a participant’s assistance is terminated only in the most severe cases. Recipients are not prohibited from resuming assistance to a participant whose assistance has been terminated.

(b) Due process. In terminating assistance to a participant, the recipient must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process, at a minimum, must consist of:

(1) Written notice to the participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the participant.

§ 582.325 Outreach activities.

Recipients must use their best efforts to ensure that eligible hard-to-reach persons are served by S+C. Recipients are expected to make sustained efforts to engage eligible persons so that they may be brought into the program. Outreach should be primarily directed toward eligible persons who have a nighttime residence that is an emergency shelter or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings (e.g., persons living in cars, streets, and parks). Outreach activities are considered to be a supportive service, and the value of such activities that occur after the execution of the grant agreement may be included in meeting the matching requirement.

§ 582.330 Nondiscrimination and equal opportunity requirements.

(a) General. Recipients may establish a preference as part of their admissions procedures for one or more of the statutorily targeted populations (i.e., seriously mentally ill, alcohol or substance abusers, or persons with AIDS and related diseases). However, other eligible disabled homeless persons must be considered for housing designed for the target population unless the recipient can demonstrate that there is sufficient demand by the target population for the units, and other eligible disabled homeless persons would not benefit from the primary supportive services provided.

(b) Compliance with requirements. (1) In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, recipients serving a designated population of homeless persons must, within the designated population, comply with the prohibitions against discrimination against handicapped individuals under
§ 582.335 Displacement, relocation, and real property acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of supportive housing assisted under this part.

(b) Relocation assistance for displaced persons. A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655) and implementing regulations at 49 CFR part 24.

(c) Real property acquisition requirements. The acquisition of real property for supportive housing is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) Responsibility of recipient. (1) The recipient must certify (i.e., provide assurance of compliance) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and must ensure such compliance notwithstanding any third party’s contractual obligation to the recipient to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with local public funds or funds available from other sources.

(3) The recipient must maintain records in sufficient detail to demonstrate compliance with provisions of this section.

(e) Appeals. A person who disagrees with the recipient’s determination concerning whether the person qualifies as a “displaced person,” or the amount of relocation assistance for which the person is eligible, may file a written request for review of that determination to the HUD field office.

(f) Definition of displaced person. (1) For purposes of this section, the term “displaced person” means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property permanently as
a direct result of acquisition, rehabilitation, or demolition for supportive housing project assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A person that moves permanently from the real property after the property owner (or person in control of the site) issues a vacate notice or refuses to renew an expiring lease, if the move occurs on or after:

(A) The date that the recipient submits to HUD an application for assistance that is later approved and funded, if the recipient has control of the project site; or

(B) The date that the recipient obtains control of the project site, if such control is obtained after the submission of the application to HUD.

(ii) Any person, including a person who moves before the date described in paragraph (f)(1)(i) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project.

(iii) A tenant-occupant of a dwelling unit who moves permanently from the building/complex on or after the date of the “initiation of negotiations” (see paragraph (g) of this section) if the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions must include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant’s monthly rent before the initiation of negotiations and estimated average utility costs, or

(B) 30 percent of gross household income. If the initial rent is at or near the maximum, there must be a reasonable basis for concluding at the time the project is initiated that future rent increases will be modest.

(iv) A tenant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) A tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant of a dwelling who moves from the building/complex permanently after he or she has been required to move to another unit in the same building/complex, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local or tribal law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The recipient may request, at any time, HUD’s determination of whether a displacement is or would be covered under this section.

(g) Definition of initiation of negotiations. For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct
§ 582.340 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, the following requirements apply to this program:

(a) **OMB Circulars.**

1. The policies, guidelines, and requirements of OMB Circular No. A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 apply to the acceptance and use of assistance under the program by governmental entities, and OMB Circular Nos. A–110 (Grants and Cooperative Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations) and 24 CFR part 84 and A–122 (Cost Principles Applicable to Grants, Contracts and Other Agreements with Nonprofit Institutions) apply to the acceptance and use of assistance by private nonprofit organizations, except where inconsistent with provisions of the McKinney Act, other Federal statutes, or this part.

2. The financial management systems used by recipients under this program must provide for audits in accordance with the provisions of 24 CFR part 44. Private nonprofit organizations who are subrecipients are subject to the audit requirements of 24 CFR part 45. HUD may perform or require additional audits as it finds necessary or appropriate.

(b) **Conflict of interest.**

1. In addition to the conflict of interest requirements in 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter. Participation by homeless individuals who also are participants under the program in policy or decisionmaking under § 582.300 of this part does not constitute a conflict of interest.

2. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b)(1) of this section on a case-by-case basis when it determine that the exception will serve to further the purposes of the program and the effective and efficient administration of the recipient’s project. An exception may be considered only after the recipient has provided the following:

   (i) For States, units of general local governments, PHAs and IHAs, a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

   (ii) For all recipients, an opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

3. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirement of paragraph (b)(2) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

   (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the project which would otherwise not be available;

   (ii) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

   (iii) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking
process with respect to the specific assisted activity in question;

(iv) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b)(1) of this section;

(v) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vi) Any other relevant considerations.

Subpart E—Administration

§ 582.400 Grant agreement.

(a) General. The grant agreement will be between HUD and the recipient. HUD will hold the recipient responsible for the overall administration of the program, including overseeing any subrecipients or contractors. Under the grant agreement, the recipient must agree to operate the program in accordance with the provisions of this part and other applicable HUD regulations.

(b) Enforcement. HUD will enforce the obligations in the grant agreement through such action as may be necessary, including recapturing assistance awarded under the program.

§ 582.405 Program changes.

(a) Changes. HUD must approve, in writing, any significant changes to an approved program. Significant changes that require approval include, but are not limited to, a change in sponsor, a change in the project site for SRO or PRA with rehabilitation projects, and a change in the type of persons with disabilities to be served. Depending on the nature of the change, HUD may require a new certification of consistency with the CHAS (see §582.120).

(b) Approval. Approval for such changes is contingent upon the application ranking remaining high enough to have been competitively selected for funding in the year the application was selected.

§ 582.410 Obligation and deobligation of funds.

(a) Obligation of funds. When HUD and the applicant execute a grant agreement, HUD will obligate funds to cover the amount of the approved grant. The recipient will be expected to carry out the activities as proposed in the application. After the initial obligation of funds, HUD is under no obligation to make any upward revisions to the grant amount for any approved assistance.

(b) Deobligation. (1) HUD may deobligate all or a portion of the approved grant amount if such amount is not expended in a timely manner, or the proposed housing for which funding was approved or the supportive services proposed in the application are not provided in accordance with the approved application, the requirements of this part, and other applicable HUD regulations. The grant agreement may set forth other circumstances under which funds may be deobligated, and other sanctions may be imposed.

(2) HUD may readvertise, in a notice of fund availability, the availability of funds that have been deobligated, or may reconsider applications that were submitted in response to the most recently published notice of fund availability and select applications for funding with the deobligated funds. Such selections would be made in accordance with the selection process described in §582.220 of this part. Any selections made using deobligated funds will be subject to applicable appropriation act requirements governing the use of deobligated funding authority.

(Approved by the Office of Management and Budget under control number 2506–0118)
§ 583.1 Purpose and scope.

(a) General. The Supportive Housing Program is authorized by title IV of the Stewart B. McKinney Homeless Assistance Act (the McKinney Act) (42 U.S.C. 11381–11389). The Supportive Housing program is designed to promote the development of supportive housing and supportive services, including innovative approaches to assist homeless persons in the transition from homelessness, and to promote the provision of supportive housing to homeless persons to enable them to live as independently as possible.

(b) Components. Funds under this part may be used for:

(1) Transitional housing to facilitate the movement of homeless individuals and families to permanent housing;

(2) Permanent housing that provides long-term housing for homeless persons with disabilities;

(3) Housing that is, or is part of, a particularly innovative project for, or alternative methods of, meeting the immediate and long-term needs of homeless persons; or

(4) Supportive services for homeless persons not provided in conjunction with supportive housing.

§ 583.5 Definitions.

As used in this part: "Applicant" is defined in section 422(1) of the McKinney Act (42 U.S.C. 11382(1)). For purposes of this definition, governmental entities include those that have general governmental powers (such as a city or county), as well as those that have limited or special powers (such as public housing agencies).

"Consolidated plan" means the plan that a jurisdiction prepares and submits to HUD in accordance with 24 CFR part 91.

"Date of initial occupancy" means the date that the supportive housing is initially occupied by a homeless person for whom HUD provides assistance under this part. If the assistance is for an existing homeless facility, the date of initial occupancy is the date that services are first provided to the residents of supportive housing with funding under this part.

"Date of initial service provision" means the date that supportive services are initially provided with funds under this part to homeless persons who do not reside in supportive housing. This definition applies only to projects funded under this part that do not provide supportive housing.

"Developmental disability" means, as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002):

(1) A severe, chronic disability of an individual that—

(a) Is attributable to a mental or physical impairment or combination of mental and physical impairments;

(2) Results in the substantial inability of an individual to live independently or to participate in the community; and

(3) Requires special services or supports to meet the social, physical, or medical needs of the individual.
(ii) Is manifested before the individual attains age 22;
(iii) Is likely to continue indefinitely;
(iv) Results in substantial functional limitations in three or more of the following areas of major life activity:
(A) Self-care;
(B) Receptive and expressive language;
(C) Learning;
(D) Mobility;
(E) Self-direction;
(F) Capacity for independent living;
(G) Economic self-sufficiency; and
(v) Reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(2) An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting three or more of the criteria described in paragraphs (1)(i) through (v) of the definition of “developmental disability” in this section if the individual, without services and supports, has a high probability of meeting those criteria later in life.

Disability means:
(1) A condition that:
(i) Is expected to be long-continuing or of indefinite duration;
(ii) Substantially impedes the individual’s ability to live independently;
(iii) Could be improved by the provision of more suitable housing conditions; and
(iv) Is a physical, mental, or emotional impairment, including an impairment caused by alcohol or drug abuse, post-traumatic stress disorder, or brain injury;
(2) A developmental disability, as defined in this section; or
(3) The disease of acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome, including infection with the human immunodeficiency virus (HIV).

Homeless means:
(1) An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
(i) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
(ii) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or
(iii) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
(2) An individual or family who will imminently lose their primary nighttime residence, provided that:
(i) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
(ii) No subsequent residence has been identified; and
(iii) The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing;
(3) Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
(ii) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance; and

(iii) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and

(iv) Can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse (including neglect), the presence of a child or youth with a disability, or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

(4) Any individual or family who:

(i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual’s or family’s primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

(ii) Has no other residence; and

(iii) Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

*Metropolitan city* is defined in section 102(a)(4) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302(a)(4)). In general, metropolitan cities are those cities that are eligible for an entitlement grant under 24 CFR part 570, subpart D.

*New construction* means the building of a structure where none existed or an addition to an existing structure that increases the floor area by more than 100 percent.

*Operating costs* is defined in section 422(5) of the McKinney Act (42 U.S.C. 11382(5)).

*Outpatient health services* is defined in section 422(6) of the McKinney Act (42 U.S.C. 11382(6)).

*Permanent housing for homeless persons with disabilities* is defined in section 424(c) of the McKinney Act (42 U.S.C. 11384(c)).

*Private nonprofit organization* is defined in section 422(7) (A), (B), and (D) of the McKinney Act (42 U.S.C. 11382(7) (A), (B), and (D)). The organization must also have a functioning accounting system that is operated in accordance with generally accepted accounting principles, or designate an entity that will maintain a functioning accounting system for the organization in accordance with generally accepted accounting principles.

*Project* is defined in sections 422(8) and 424(d) of the McKinney Act (42 U.S.C. 11382(8), 11384(d)).

*Recipient* is defined in section 422(9) of the McKinney Act (42 U.S.C. 11382(9)).

*Rehabilitation* means the improvement or repair of an existing structure or an addition to an existing structure that does not increase the floor area by more than 100 percent. Rehabilitation does not include minor or routine repairs.

*State* is defined in section 422(11) of the McKinney Act (42 U.S.C. 11382(11)).

*Supportive housing* is defined in section 424(a) of the McKinney Act (42 U.S.C. 11384(a)).

*Supportive services* is defined in section 425 of the McKinney Act (42 U.S.C. 11385).

*Transitional housing* is defined in section 424(b) of the McKinney Act (42 U.S.C. 11384(b)). See also § 583.300(j).

*Tribe* is defined in section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302). In general, tribes are those entities that are eligible for an entitlement grant under 24 CFR part 570, subpart D.

*Urban county* is defined in section 102(a)(6) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302(a)(6)). In general, urban counties are those counties that are eligible for an entitlement grant under 24 CFR part 570, subpart D.

Subpart B—Assistance Provided

§ 583.100 Types and uses of assistance.

(a) Grant assistance. Assistance in the form of grants is available for acquisition of structures, rehabilitation of structures, acquisition and rehabilitation of structures, new construction, leasing, operating costs for supportive housing, and supportive services, as described in §§ 583.105 through 583.125. Applicants may apply for more than one type of assistance.

(b) Uses of grant assistance. Grant assistance may be used to:

(1) Establish new supportive housing facilities or new facilities to provide supportive services;

(2) Expand existing facilities in order to increase the number of homeless persons served;

(3) Bring existing facilities up to a level that meets State and local government health and safety standards;

(4) Provide additional supportive services for residents of supportive housing or for homeless persons not residing in supportive housing;

(5) Purchase HUD-owned single family properties currently leased by the applicant for use as a homeless facility under 24 CFR part 291; and

(6) Continue funding supportive housing where the recipient has received funding under this part for leasing, supportive services, or operating costs.

(c) Structures used for multiple purposes. Structures used to provide supportive housing or supportive services may also be used for other purposes, except that assistance under this part will be available only in proportion to the use of the structure for supportive housing or supportive services.

(d) Technical assistance. HUD may offer technical assistance, as described in §583.140.

§ 583.110 Grants for new construction.

(a) Use. HUD will grant funds to recipients to pay a portion of the cost of new construction, including cost-effective energy measures and the cost of land associated with that construction, for use in the provision of supportive housing. If the grant funds are used for new construction, the applicant must demonstrate that the costs associated with new construction are substantially less than the costs associated with rehabilitation or that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction. For purposes of this cost comparison, costs associated with new construction may include the cost of real property acquisition.

(b) Amount. The maximum grant available for new construction is the lower of:

(1) $400,000; or

(2) The total cost of the new construction, including the cost of land associated with that construction, minus the applicant’s contribution toward the cost.
§ 583.115 Grants for leasing.

(a) General. HUD will provide grants to pay (as described in §583.130 of this part) for the actual costs of leasing a structure or structures, or portions thereof, used to provide supportive housing or supportive services for up to five years.

(b)(1) Leasing structures. Where grants are used to pay rent for all or part of structures, the rent paid must be reasonable in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable space.

(2) Leasing individual units. Where grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged by the same owner for comparable unassisted units, and the portion of rents paid with grant funds may not exceed HUD-determined fair market rents. Recipients may use grant funds in an amount up to one month’s rent to pay the non-recipient landlord for any damages to leased units by homeless participants.

§ 583.120 Grants for supportive services costs.

(a) General. HUD will provide grants to pay (as described in §583.130 of this part) for the actual costs of supportive services for homeless persons for up to five years. All or part of the supportive services may be provided directly by the recipient or by arrangement with public or private service providers.

(b) Supportive services costs. Costs associated with providing supportive services include salaries paid to providers of supportive services and any other costs directly associated with providing such services. For a transitional housing project, supportive services costs also include the costs of services provided to former residents of transitional housing to assist their adjustment to independent living. Such services may be provided for up to six months after they leave the transitional housing facility.

§ 583.125 Grants for operating costs.

(a) General. HUD will provide grants to pay a portion (as described in §583.130) of the actual operating costs of supportive housing for up to five years.

(b) Operating costs. Operating costs are those associated with the day-to-day operation of the supportive housing. They also include the actual expenses that a recipient incurs for conducting on-going assessments of the supportive services needed by residents and the availability of such services; relocation assistance under §583.310, including payments and services; and insurance.

(c) Recipient match requirement for operating costs. Assistance for operating costs will be available for up to 75 percent of the total cost in each year of the grant term. The recipient must pay the percentage of the actual operating costs not funded by HUD. At the end of each operating year, the recipient must demonstrate that it has met its match requirement of the costs for that year.

§ 583.130 Commitment of grant amounts for leasing, supportive services, and operating costs.

Upon execution of a grant agreement covering assistance for leasing, supportive services, or operating costs, HUD will obligate amounts for a period not to exceed five operating years. The total amount obligated will be equal to an amount necessary for the specified years of operation, less the recipient’s share of operating costs.

§ 583.135 Administrative costs.

(a) General. Up to five percent of any grant awarded under this part may be
§ 583.150 Limitations on use of assistance.

(a) Maintenance of effort. No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Supportive Housing Program. Neither the Federal government nor a State or local government receiving funds under Supportive Housing programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(2) Organizations that are directly funded under the Supportive Housing Program may not engage in inherently religious activities, such as worship,

§ 583.145 Matching requirements.

(a) General. The recipient must match the funds provided by HUD for grants for acquisition, rehabilitation, and new construction with an equal amount of funds from other sources.

(b) Cash resources. The matching funds must be cash resources provided to the project by one or more of the following: the recipient, the Federal government, State and local governments, and private resources, in accordance with 42 U.S.C. 11386. This statute provides that a recipient may use funds from any source, including any other Federal source (but excluding the specific statutory subtitle from which Supportive Housing Program funds are provided), as well as State, local, and private sources, provided that funds from the other source are not statutorily prohibited to be used as a match. It is the responsibility of the recipient to ensure that any funds used to satisfy the matching requirements of this section are eligible under the laws governing the funds to be used as matching funds for a grant awarded under this program.

(c) Maintenance of effort. State or local government funds used in the matching contribution are subject to the maintenance of effort requirements described at § 583.150(a).

[58 FR 13871, Mar. 15, 1993, as amended at 73 FR 75326, Dec. 11, 2008]
§ 583.155 Consolidated plan.

(a) Applicants that are States or units of general local government. The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) Applicants that are not States or units of general local government. The applicant must submit a certification
by the jurisdiction in which the proposed project will be located that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions of the consolidated plan regulations, 24 CFR part 91, subpart F.

(c) Indian tribes and the Insular Areas of Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands. These entities are not required to have a consolidated plan or to make consolidated plan certifications. An application by an Indian tribe or other applicant for a project that will be located on a reservation of an Indian tribe will not require a certification by the tribe or the State. However, where an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.

(d) Timing of consolidated plan certification submissions. Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved consolidated plan must be submitted by the funding application submission deadline announced in the NOFA.

§ 583.230 Environmental review.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title prior to its approval of any conditionally selected applications for Fiscal Year 2000 and prior years that were received directly from private nonprofit entities and governmental entities with special or limited purpose powers. For activities under a grant that generally would be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient objects in writing to the responsible entity’s performing the review under part 58. Regardless of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(b) The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved or HUD has performed an environmental review under part 50 and the recipient has received HUD approval of the property. HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).
§ 583.235 Renewal grants.

(a) General. Grants made under this part, and grants made under subtitles C and D (the Supportive Housing Demonstration and SAFAH, respectively) of the Stewart B. McKinney Homeless Assistance Act as in effect before October 28, 1992, may be renewed on a non-competitive basis to continue ongoing leasing, operations, and supportive services for additional years beyond the initial funding period. To be considered for renewal funding for leasing, operating costs, or supportive services, recipients must submit a request for such funding in the form specified by HUD, must meet the requirements of this part, and must submit requests within the time period established by HUD.

(b) Assistance available. The first renewal will be for a period of time not to exceed the difference between the end of the initial funding period and ten years from the date of initial occupancy or the date of initial service provision, as applicable. Any subsequent renewal will be for a period of time not to exceed five years. Assistance during each year of the renewal period, subject to maintenance of effort requirements under §583.150(a) may be for:

1. Up to 50 percent of the actual operating and leasing costs in the final year of the initial funding period;
2. Up to the amount of HUD assistance for supportive services in the final year of the initial funding period; and
3. An allowance for cost increases.

(c) HUD review. (1) HUD will review the request for renewal and will evaluate the recipient’s performance in previous years against the plans and goals established in the initial application for assistance, as amended. HUD will approve the request for renewal unless the recipient proposes to serve a population that is not homeless, or the recipient has not shown adequate progress as evidenced by an unacceptably slow expenditure of funds, or the recipient has been unsuccessful in assisting participants in achieving and maintaining independent living. In determining the recipient’s success in assisting participants to achieve and maintain independent living, consideration will be given to the level and type of problems of participants. For recipients with a poor record of success, HUD will also consider the recipient’s willingness to accept technical assistance and to make changes suggested by technical assistance providers. Other factors which will affect HUD’s decision to approve a renewal request include the following: a continuing history of inadequate financial management accounting practices, indications of mismanagement on the part of the recipient, a drastic reduction in the population served by the recipient, program changes made by the recipient without prior HUD approval, and loss of project site.

(2) HUD reserves the right to reject a request from any organization with an outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed to, or whose response to an audit finding is overdue or unsatisfactory.

(3) HUD will notify the recipient in writing that the request has been approved or disapproved.

(Approved by the Office of Management and Budget under control number 2506–0112)

Subpart D—Program Requirements

§ 583.300 General operation.

(a) State and local requirements. Each recipient of assistance under this part must provide housing or services that are in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the project is located regarding the condition of the structure and the operation of the housing or services.

(b) Habitability standards. Except for such variations as are proposed by the recipient and approved by HUD, supportive housing must meet the following requirements:

1. Structure and materials. The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from the elements.

2. Access. The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.
(3) Space and security. Each resident must be afforded adequate space and security for themselves and their belongings. Each resident must be provided an acceptable place to sleep.

(4) Interior air quality. Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(5) Water supply. The water supply must be free from contamination.

(6) Sanitary facilities. Residents must have access to sufficient sanitary facilities that are in proper operating condition, may be used in privacy, and are adequate for personal cleanliness and the disposal of human waste.

(7) Thermal environment. The housing must have adequate heating and/or cooling facilities in proper operating condition.

(8) Illumination and electricity. The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliances while assuring safety from fire.

(9) Food preparation and refuse disposal. All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(10) Sanitary condition. The housing and any equipment must be maintained in sanitary condition.

(11) Fire safety. (i) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing-impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(ii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

(c) Meals. Each recipient of assistance under this part who provides supportive housing for homeless persons with disabilities must provide meals or meal preparation facilities for residents.

(d) Ongoing assessment of supportive services. Each recipient of assistance under this part must conduct an ongoing assessment of the supportive services required by the residents of the project and the availability of such services, and make adjustments as appropriate.

(e) Residential supervision. Each recipient of assistance under this part must provide residential supervision as necessary to facilitate the adequate provision of supportive services to the residents of the housing throughout the term of the commitment to operate supportive housing. Residential supervision may include the employment of a full- or part-time residential supervisor with sufficient knowledge to provide or to supervise the provision of supportive services to the residents.

(f) Participation of homeless persons. (1) Each recipient must provide for the participation of homeless persons as required in section 426(g) of the McKinney Act (42 U.S.C. 11386(g)). This requirement is waived if an applicant is unable to meet it and presents a plan for HUD approval to otherwise consult with homeless or formerly homeless persons in considering and making policies and decisions. See also §583.330(e).

(2) Each recipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families, through employment, volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating the project and in providing supportive services for the project.

(g) Records and reports. Each recipient of assistance under this part must keep any records and make any reports (including those pertaining to race, ethnicity, gender, and disability status data) that HUD may require within the timeframe required.
§ 583.301 Confidentiality.

Each recipient that provides family violence prevention or treatment services must develop and implement procedures to ensure:

(1) The confidentiality of records pertaining to any individual services; and

(2) That the address or location of any project assisted will not be made public, except with written authorization of the person or persons responsible for the operation of the project.

(1) Termination of housing assistance. The recipient may terminate assistance to a participant who violates program requirements. Recipients should terminate assistance only in the most severe cases. Recipients may resume assistance to a participant whose assistance was previously terminated. In terminating assistance to a participant, the recipient must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process, at a minimum, must consist of:

(1) Written notice to the participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the participant.

(i) Limitation of stay in transitional housing. A homeless individual or family may remain in transitional housing for a period longer than 24 months, if permanent housing for the individual or family has not been located or if the individual or family requires additional time to prepare for independent living. However, HUD may discontinue assistance for a transitional housing project if more than half of the homeless individuals or families remain in that project longer than 24 months.

(ii) Outpatient health services. Outpatient health services provided by the recipient must be approved as appropriate by HUD and the Department of Health and Human Services (HHS). Upon receipt of an application that proposes the provision of outpatient health services, HUD will consult with HHS with respect to the appropriateness of the proposed services.

(l) Annual assurances. Recipients who receive assistance only for leasing, operating costs or supportive services costs must provide an annual assurance for each year such assistance is received that the project will be operated for the purpose specified in the application.

(Approved by the Office of Management and Budget under control number 2506–0112)

§ 583.301 Recordkeeping.

(a) [Reserved]

(b) Homeless status. The recipient must maintain and follow written intake procedures to ensure compliance with the homeless definition in § 583.5. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overrides or changes of the dates on which entries are made.

(1) If the individual or family qualifies as homeless under paragraph (1)(i) or (ii) of the homeless definition in § 583.5, acceptable evidence includes a written observation by an outreach...
worker of the conditions where the individual or family was living, a written referral by another housing or service provider, or a certification by the individual or head of household seeking assistance.

(2) If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition in §583.5, because he or she resided in an emergency shelter or place not meant for human habitation and is exiting an institution where he or she resided for 90 days or less, acceptable evidence includes the evidence described in paragraph (b)(1) of this section and one of the following:
   (i) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker; or
   (ii) Where the evidence in paragraph (b)(2)(i) of this section is not obtainable, a written record of the intake worker’s due diligence in attempting to obtain the evidence described in paragraph (b)(2) of this section and a certification by the individual seeking assistance that he or she is exiting or has just exited an institution where he or she resided for 90 days or less.

(3) If the individual or family qualifies as homeless under paragraph (2) of the homeless definition in §583.5, because the individual or family will imminently lose their housing, the evidence must include:
   (i)(A) A court order resulting from an eviction action that requires the individual or family to leave their residence within 14 days after the date of their application for homelessness assistance; or the equivalent notice under applicable state law, a Notice to Quit, or a Notice to Terminate issued under state law;
   (B) For individuals and families whose primary nighttime residence is a hotel or motel room not paid for by charitable organizations or federal, state, or local government programs for low-income individuals, evidence that the individual or family lacks the resources necessary to reside there for more than 14 days after the date of application for homelessness assistance; or
   (C) An oral statement by the individual or head of household that the owner or renter of the housing in which they currently reside will not allow them to stay for more than 14 days after the date of application for homelessness assistance. The intake worker must record the statement and certify that it was found credible. To be found credible, the oral statement must either: Be verified by the owner or renter of the housing in which the individual or family resides at the time of application for homelessness assistance and documented by a written certification by the owner or renter or by the intake worker’s recording of the owner or renter’s oral statement; or if the intake worker is unable to contact the owner or renter, be documented by a written certification by the intake worker of his or her due diligence in attempting to obtain the owner or renter’s verification and the written certification by the individual or head of household seeking assistance that his or her statement was true and complete;
   (ii) Certification by the individual or head of household that no subsequent residence has been identified; and
   (iii) Certification or other written documentation that the individual or family lacks the resources and support networks needed to obtain other permanent housing.

(4) If the individual or family qualifies as homeless under paragraph (3) of the homeless definition in §583.5, because the individual or family does not otherwise qualify as homeless under the homeless definition but is an unaccompanied youth under 25 years of age, or homeless family with one or more children or youth, and is defined as homeless under another Federal statute or section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), the evidence must include:
   (i) For paragraph (3)(i) of the homeless definition in §583.5, certification of homeless status by the local private nonprofit organization or state or local governmental entity responsible for administering assistance under the Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.), the Head Start Act (42 U.S.C. 9831 et seq.), subtitle N of the

(ii) For paragraph (3)(ii) of the homeless definition in §583.5, referral by a housing or service provider, written observation by an outreach worker, or certification by the homeless individual or head of household seeking assistance;

(iii) For paragraph (3)(iii) of the homeless definition in §583.5, certification by the individual or head of household and any available supporting documentation that the individual or family moved two or more times during the 60-day period immediately preceding the date for application of homeless assistance, including: Recorded statements or records obtained from each owner or renter of housing, provider of shelter or housing, or social worker, case worker, or other appropriate official of a hospital or institution in which the individual or family resided; or, where these statements or records are unobtainable, a written record of the intake worker’s due diligence in attempting to obtain these statements or records. Where a move was due to the individual or family fleeing domestic violence, dating violence, sexual assault, or stalking, then the intake worker may alternatively obtain a written certification from the individual or head of household seeking assistance that they were fleeing that situation and that they resided at that address; and

(iv) For paragraph (3)(iv) of the homeless definition in §583.5, written diagnosis from a professional who is licensed by the state to diagnose and treat that condition (or intake staff-recorded observation of disability that within 45 days of the date of application for assistance is confirmed by a professional who is licensed by the state to diagnose and treat that condition); employment records; department of corrections records; literacy, English proficiency tests; or other reasonable documentation of the conditions required under paragraph (3)(iv) of the homeless definition.

(5) If the individual or family qualifies under paragraph (4) of the homeless definition in §583.5, because the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions related to violence, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified, and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing. If the individual or family is receiving shelter or services provided by a victim service provider, as defined in section 401(32) of the McKinney-Vento Homeless Assistance Act, as amended by the HEARTH Act, the oral statement must be documented by either a certification by the individual or head of household; or a certification by the intake worker. Otherwise, the oral statement that the individual or head of household seeking assistance has not identified a subsequent residence and lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain housing, must be documented by a certification by the individual or head of household that the oral statement is true and complete, and, where the safety of the individual or family would not be jeopardized, the domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening condition must be verified by a written observation by the intake worker; or a written referral by a housing or service provider, social worker, health-care provider, law enforcement agency, legal assistance provider, pastoral counselor, or any another organization from whom the individual or head of household has sought assistance for domestic violence, dating violence, sexual assault, or stalking. The written referral or observation need only include the minimum amount of information necessary to document that the individual or family is fleeing.
or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(c) Disability.—Each recipient of assistance under this part must maintain and follow written intake procedures to ensure that the assistance benefits persons with disabilities, as defined in §583.5. In addition to the documentation required under paragraph (b) of this section, the procedures must require documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. The recipient must keep these records for 5 years after the end of the grant term. Acceptable evidence of the disability includes:

1. Written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual’s ability to live independently;

2. Written verification from the Social Security Administration;

3. The receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation);

4. Other documentation approved by HUD; or

5. Intake staff-recorded observation of disability that, no later than 45 days of the application for assistance, is confirmed and accompanied by evidence in paragraph (c)(1), (2), (3), or (4) of this section.

[76 FR 76017, Dec. 5, 2011]

§ 583.310 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, recipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of supportive housing assisted under this part.

(b) Relocation assistance for displaced persons. A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655) and implementing regulations at 49 CFR part 24.

(c) Real property acquisition requirements. The acquisition of real property for supportive housing is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) Responsibility of recipient. (1) The recipient must certify (i.e., provide assurance of compliance) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and must ensure such compliance notwithstanding any third party’s contractual obligation to the recipient to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with local public funds or funds available from other sources.

(3) The recipient must maintain records in sufficient detail to demonstrate compliance with provisions of this section.

(e) Appeals. A person who disagrees with the recipient’s determination concerning whether the person qualifies as a “displaced person,” or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient. A low-income person who is
dissatisfied with the recipient’s determination on his or her appeal may submit a written request for review of that determination to the HUD field office.

(f) Definition of displaced person. (1) For purposes of this section, the term “displaced person” means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property permanently as a direct result of acquisition, rehabilitation, or demolition for supportive housing projects assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A person that moves permanently from the real property after the property owner (or person in control of the site) issues a vacate notice, or refuses to renew an expiring lease in order to evade the responsibility to provide relocation assistance, if the move occurs on or after the date the recipient submits to HUD the application or application amendment designating the project site.

(ii) Any person, including a person who moves before the date described in paragraph (f)(1)(i) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project.

(iii) A tenant-occupant of a dwelling unit who moves permanently from the building/complex on or after the date of the “initiation of negotiations” (see paragraph (g) of this section) if the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions must include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant’s monthly rent before the initiation of negotiations and estimated average utility costs, or

(B) 30 percent of gross household income. If the initial rent is at or near the maximum, there must be a reasonable basis for concluding at the time the project is initiated that future rent increases will be modest.

(iv) A tenant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) A tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant of a dwelling who moves from the building/complex permanently after he or she has been required to move to another unit in the same building/complex, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local or tribal law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The recipient may request, at any time, HUD’s determination of whether
a displacement is or would be covered under this section.

(g) Definition of initiation of negotiations. For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the execution of the agreement between the recipient and HUD.

(h) Definition of project. For purposes of this section, the term “project” means an undertaking paid for in whole or in part with assistance under this part. Two or more activities that are integrally related, each essential to the others, are considered a single project, whether or not all component activities receive assistance under this part.

§ 583.315 Resident rent.

(a) Calculation of resident rent. Each resident of supportive housing may be required to pay as rent an amount determined by the recipient which may not exceed the highest of:

(1) 30 percent of the family’s monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses and child care expenses). The calculation of the family’s monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for persons with disabilities, the calculation of the family’s monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family’s monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by the agency to meet the family’s housing costs, the portion of the payment that is designated for housing costs.

(b) Use of rent. Resident rent may be used in the operation of the project or may be reserved, in whole or in part, to assist residents of transitional housing in moving to permanent housing.

(c) Fees. In addition to resident rent, recipients may charge residents reasonable fees for services not paid with grant funds.

§ 583.320 Site control.

(a) Site control. (1) Where grant funds will be used for acquisition, rehabilitation, or new construction to provide supportive housing or supportive services, or where grant funds will be used for operating costs of supportive housing, or where grant funds will be used to provide supportive services except where an applicant will provide services at sites not operated by the applicant, an applicant must demonstrate site control before HUD will execute a grant agreement (e.g., through a deed, lease, executed contract of sale). If such site control is not demonstrated within one year after initial notification of the award of assistance under this part, the grant will be deobligated as provided in paragraph (c) of this section.

(2) Where grant funds will be used to lease all or part of a structure to provide supportive housing or supportive services, or where grant funds will be used to lease individual housing units for homeless persons who will eventually control the units, site control need not be demonstrated.

(b) Site change. (1) A recipient may obtain ownership or control of a suitable site different from the one specified in its application. Retention of an assistance award is subject to the new site’s meeting all requirements under this part for suitable sites.

(2) If the acquisition, rehabilitation, acquisition and rehabilitation, or new construction costs for the substitute site are greater than the amount of the grant awarded for the site specified in the application, the recipient must provide for all additional costs. If the recipient is unable to demonstrate to HUD that it is able to provide for the difference in costs, HUD may deobligate the award of assistance.

§ 583.325 Nondiscrimination and equal opportunity requirements.

(a) General. Notwithstanding the permissibility of proposals that serve designated populations of disabled homeless persons, recipients serving a designated population of disabled homeless persons are required, within the designated population, to comply with these requirements for nondiscrimination on the basis of race, color, religion, sex, national origin, age, familial status, and disability.

(b) Nondiscrimination and equal opportunity requirements. The nondiscrimination and equal opportunity requirements set forth at part 5 of this title apply to this program. The Indian Civil Rights Act (25 U.S.C. 1301 et seq.) applies to tribes when they exercise their powers of self-government, and to Indian housing authorities (IHAs) when established by the exercise of such powers. When an IHA is established under State law, the applicability of the Indian Civil Rights Act will be determined on a case-by-case basis. Projects subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(c) Procedures. (1) If the procedures that the recipient intends to use to make known the availability of the supportive housing are unlikely to reach persons of any particular race, color, religion, sex, national origin, familial status, or handicap who may qualify for admission to the housing, the recipient must establish additional procedures that will ensure that such persons can obtain information concerning availability of the housing.

(2) The recipient must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap and maintain evidence of implementation of the procedures.

(d) Accessibility requirements. The recipient must comply with the new construction accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, and the reasonable accommodation and rehabilitation accessibility requirements of section 504 as follows:

(1) All new construction must meet the accessibility requirements of 24 CFR 8.22 and, as applicable, 24 CFR 100.205.

(2) Projects in which costs of rehabilitation are 75 percent or more of the replacement cost of the building must meet the requirements of 24 CFR 8.23(a). Other rehabilitation must meet the requirements of 24 CFR 8.23(b).

§ 583.330 Applicability of other Federal requirements.

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following Federal requirements:

(a) Flood insurance. (1) The Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) prohibits the approval of applications for assistance for acquisition or construction (including rehabilitation) for supportive housing located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than a year has passed since FEMA notification regarding such hazards; and

(ii) Flood insurance is obtained as a condition of approval of the application.

(2) Applicants with supportive housing located in an area identified by FEMA as having special flood hazards and receiving assistance for acquisition or construction (including rehabilitation) are responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.
(b) The Coastal Barrier Resources Act of 1982 (16 U.S.C. 3501 et seq.) may apply to proposals under this part, depending on the assistance requested.

(c) **Applicability of OMB Circulars.** The policies, guidelines, and requirements of OMB Circular No. A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 apply to the award, acceptance, and use of assistance under the program by governmental entities, and OMB Circular Nos. A–110 (Grants and Cooperative Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations) and A–122 (Cost Principles Applicable to Grants, Contracts and Other Agreements with Nonprofit Institutions) apply to the acceptance and use of assistance by private nonprofit organizations, except where inconsistent with the provisions of the McKinney Act, other Federal statutes, or this part. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395–7332. (This is not a toll-free number.) There is a limit of two free copies.

(d) **Lead-based paint.** The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title apply to activities under this program.

(e) **Conflicts of interest.** (1) In addition to the conflict of interest requirements in 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties. During his or her tenure or for one year thereafter, participation by homeless individuals who also are participants under the program in policy or decisionmaking under §583.300(f) does not constitute a conflict of interest.

(2) Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (e)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the program and the effective and efficient administration of the recipient’s project. An exception may be considered only after the recipient has provided the following:

(i) For States and other governmental entities, a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) For all recipients, an opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

(3) In determining whether to grant a requested exception after the recipient has satisfactorily met the requirement of paragraph (e)(2) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the project which would otherwise not be available;

(ii) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iii) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(iv) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (e)(1) of this section;

(v) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
(vi) Any other relevant considerations.

(f) Audit. The financial management systems used by recipients under this program must provide for audits in accordance with 24 CFR part 44 or part 45, as applicable. HUD may perform or require additional audits as it finds necessary or appropriate.

(g) Davis-Bacon Act. The provisions of the Davis-Bacon Act do not apply to this program.

Subpart E—Administration

§ 583.400 Grant agreement.

(a) General. The duty to provide supportive housing or supportive services in accordance with the requirements of this part will be incorporated in a grant agreement executed by HUD and the recipient.

(b) Enforcement. HUD will enforce the obligations in the grant agreement through such action as may be appropriate, including repayment of funds that have already been disbursed to the recipient.

§ 583.405 Program changes.

(a) HUD approval. (1) A recipient may not make any significant changes to an approved program without prior HUD approval. Significant changes include, but are not limited to, a change in the recipient, a change in the project site, additions or deletions in the types of activities listed in § 583.100 of this part approved for the program or a shift of more than 10 percent of funds from one approved type of activity to another, and a change in the category of participants to be served. Depending on the nature of the change, HUD may require a new certification of consistency with the consolidated plan (see § 583.155).

(2) Approval for changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.

(b) Documentation of other changes. Any changes to an approved program that do not require prior HUD approval must be fully documented in the recipient’s records.

Subpart E—Administration

§ 583.410 Obligation and deobligation of funds.

(a) Obligation of funds. When HUD and the applicant execute a grant agreement, funds are obligated to cover the amount of the approved assistance under subpart B of this part. The recipient will be expected to carry out the supportive housing or supportive services activities as proposed in the application.

(b) Increases. After the initial obligation of funds, HUD will not make revisions to increase the amount obligated.

(c) Deobligation. (1) HUD may deobligate all or parts of grants for acquisition, rehabilitation, acquisition and rehabilitation, or new construction:

(i) If the actual total cost of acquisition, rehabilitation, acquisition and rehabilitation, or new construction is less than the total cost anticipated in the application; or

(ii) If proposed activities for which funding was approved are not begun within three months or residents do not begin to occupy the facility within nine months after grant execution.

(2) HUD may deobligate the amounts for annual leasing costs, operating costs or supportive services in any year:

(i) If the actual leasing costs, operating costs or supportive services for that year are less than the total cost anticipated in the application; or

(ii) If the proposed supportive housing operations are not begun within three months after the units are available for occupancy.

(3) The grant agreement may set forth in detail other circumstances under which funds may be deobligated, and other sanctions may be imposed.

(d) HUD may:

(i) Readvertise the availability of funds that have been deobligated under this section in a notice of fund availability under § 583.200, or

(ii) Award deobligated funds to applications previously submitted in response to the most recently published

 VerDate Mar<15>2010 14:40 May 03, 2013 Jkt 229082 PO 00000 Frm 00356 Fmt 8010 Sfmt 8010 Y:\SGML\229082.XXX 229082erowe on DSK2VPTVN1PROD with CFR
notice of fund availability, and in accordance with subpart C of this part.

PART 585—YOUTHBUILD PROGRAM

Subpart A—General

§ 585.1 Authority.
(a) General. The Youthbuild program is authorized under subtitle D of title IV of the National Affordable Housing Act (42 U.S.C. 8011), as added by section 164 of the Housing and Community Development Act of 1992 (Pub. L. 102–550).
(b) Authority restriction. No provision of the Youthbuild program may be construed to authorize any agency, officer, or employee of the United States to exercise any direction, supervision, or control over the curriculum, program of instruction, administration, or personnel of any educational institution, school, or school system, or over the selection of library resources, textbooks, or other printed or published instructional materials used by any educational institution or school system participating in a Youthbuild program.

§ 585.2 Program purpose.
The purposes of the Youthbuild program are set out in section 451 of the National Affordable Housing Act (42 U.S.C. 12899) (“NAHA”).

§ 585.3 Program components.
A Youthbuild implementation program uses comprehensive and multidisciplinary approaches designed to prepare young adults who have dropped out of high school for educational and employment opportunities by employing them as construction trainees on work sites for housing designated for homeless persons and low- and very low-income families. A Youthbuild planning grant is designed to give recipients sufficient time and financial resources to develop a comprehensive Youthbuild program that can be effectively implemented. Youthbuild programs must contain the three components described in paragraphs (a), (b) and (d) of this section. Other activities described in paragraph (c) of this section are optional:
(a) Educational services, including:
(1) Services and activities designed to meet the basic educational needs of
participants. For example, a Youthbuild program may include basic skills instruction and remedial education, bilingual education for individuals with limited English proficiency, secondary educational services and activities designed to lead to the attainment of a high school diploma or its equivalency (GED), or counseling and assistance in attaining post-secondary education and required financial aid;

(2) Vocational classroom courses geared to construction terminology and concepts; and

(3) Strategies to coordinate with local trade unions and apprenticeship programs where possible.

(b) Leadership training, counseling and other support activities, including:

(1) Activities designed to develop employment and leadership skills, including support for youth councils;

(2) Counseling services to assist trainees in personal, health, housing, child care, family or legal problems and/or referral services to appropriate social service resources;

(3) Support services and stipends necessary to enable individuals to participate in the program and, for a period not to exceed 12 months after completion of training, to assist participants through continued support services;

(4) Job development and placement activities and post-graduation follow-up assistance; and

(5) Pre-employment training plan aimed at developing job seeking skills.

(c) Other activities. A local program may be designed to include other, special activities such as:

(1) Entrepreneurial training and courses in small business development;

(2) Assistance to correct learning disabilities; or

(3) Drivers’ education courses.

(d) On-site training, through actual housing rehabilitation and/or construction work. This component must include:

(1) Access to housing sites where construction/ rehabilitation work is being carried out;

(2) Work site training plan for a closely supervised construction site;

(3) Construction or rehabilitation plan and timetable; and

(4) Approaches to work site safety.

(e) The Youthbuild implementation program must be structured so that 50 percent of each full-time participant’s time is spent in educational services and activities (paragraphs (a), (b), and (c) of this section) and 50 percent is spent in on-site training (paragraph (d) of this section). Youthbuild planning grant applications must contain strategies, plans and approaches to be used during the planning process to ultimately implement these program requirements.

§ 585.4 Definitions.

The terms “adjusted income,” “community based organization,” “homeless individual,” “housing development agency,” “Indian tribe,” “individual who has dropped out of high school,” “institution of higher education,” “limited-English proficiency,” “low-income family,” “offender,” “State,” and “very low-income family” are defined in section 457 of NAHA.

The terms Secretary and 1937 Act are defined in 24 CFR part 5.

Access to housing applies to Youthbuild implementation grants required to document that the program has access to the housing project(s) for young adult on-site training, e.g. program participants have permission to work on the housing site.

Applicable residential rental housing quality standards shall mean those standards of the applicable HUD or other Federal, State or local program providing assistance for residential rental housing involved in a Youthbuild implementation grant as used under section 455(a), Youthbuild Program Requirements, of the Act.

Applicant means a public or private nonprofit agency, including:

(1) A community-based organization;

(2) An administrative entity designated under section 103(b)(1)(B) of the Job Training Partnership Act;

(3) A community action agency;

(4) A State or local housing development agency;

(5) A community development corporation;
(6) A public and/or Indian housing authority and resident management corporations, resident councils and resident organizations;
(7) A State or local youth service or conservation corps; and
(8) Any other entity (including States, units of general local government, and Indian Tribes) eligible to provide education and employment training.

**Combined Youthbuild application** means the submission by an applicant of a single application to HUD for a planning and implementation grant request for one Youthbuild program.

**Consolidated Plan** means the document that is submitted to HUD that serves as the planning documents (comprehensive housing affordability strategy and community development plan) of the jurisdiction and an application for funding under any of the Community Planning and Development formula grant programs which is prepared in accordance with the process described in 24 CFR part 91.

**Full-time participation** for program eligible participants is limited to not less than 6 months and not more than 24 months.

**Graduates** are those participants who have completed the full-time education/on-site training components of a Youthbuild program and who are eligible to take advantage of meaningful opportunities in continued education, in owning their own businesses, in meaningful employment or in other means by which the participant can attain economic self-sufficiency.

**Homeless Act** means the Stewart B. McKinney Homeless Assistance Act, as amended, (42 U.S.C. 11301 et seq.).

**JTPA** means the Job Training Partnership Act (P.L. 102–235), as amended.

**Participant** means:
(1) An individual who is:
   (i) 16 to 24 years of age, inclusive, at time of enrollment;
   (ii) A very low-income individual or a member of a very low-income family; and
   (iii) An individual who has dropped out of high school.
(2) An exception of not more than 25 percent of all full-time participants is permitted for young adults who do not meet the program’s income or educational requirements but who have educational needs despite attainment of a high school diploma or its equivalent.

**Private nonprofit organization** means any private nonprofit organization that:
(1) Is organized and exists under Federal, State, local, or tribal law;
(2) Has no part of its earnings inuring to the benefit of any individual, corporation, or other entity;
(3) Has a voluntary board;
(4) Has an accounting system or has designated a fiscal agent in accordance with requirements established by HUD; and
(5) Practices nondiscrimination in the provision of assistance.

**Project-related restrictions** mean Youthbuild housing restrictions applicable only in cases where a Youthbuild implementation grant is providing assistance to residential rental, transitional or homeownership housing projects for specific costs relating to property acquisition, architectural and engineering fees, construction, rehabilitation, operating costs, or replacement reserves.

**Recipient** means any entity that receives assistance under this part.

**Related facilities** include cafeterias or dining halls, community rooms or buildings, child care centers, appropriate recreation facilities, and other essential service facilities that are physically attached to the housing to be constructed or rehabilitated. Related facilities which stand alone are not appropriate construction sites for trainees.

**Title IV** means title IV of the National Affordable Housing Act, as amended (42 U.S.C. 1437).

**Transitional housing** means a project that has as its purpose facilitating the movement of homeless individuals and families to permanent housing within a reasonable amount of time (usually 24 months). Transitional housing includes housing primarily designed to serve de-institutionalized homeless individuals and other homeless individuals with mental or physical disabilities and homeless families with children.

**Useful life** shall mean a period of 10 years upon construction completion and issuance of an occupancy permit.
§ 585.201 Purpose.

HUD will award Youthbuild planning grants to eligible applicants for the purpose of developing Youthbuild programs in accordance with subtitle D of title IV of the National Affordable Housing Act. Applications will be selected in a national competition in accordance with the selection process described in the current NOFA.

§ 585.202 Award limits.

Maximum awards. The maximum amount of a Youthbuild planning grant is $150,000 unless a lower amount is established in the NOFA. HUD may for good cause approve a grant in a higher amount.

§ 585.203 Grant term.

Funds awarded for planning grants are expected to be used within 12 months of the effective date of the planning grant agreement. The award of a Youthbuild planning grant does not obligate HUD to fund the implementation of the program upon completion of the approved planning activities (unless the companion implementation grant was submitted as a combined application and funded in the implementation grant competition).

§ 585.204 Locational considerations.

HUD will not approve multiple applications for planning grants in the same jurisdiction unless it determines that the jurisdiction is sufficiently large to justify approval of more than one application.

§ 585.205 Eligible activities.

Planning grant activities to develop a Youthbuild program may include:

(a) The undertaking of studies and research efforts to determine the feasibility and need for a Youthbuild program in a selected location including whether a proposed program can meet the education and training needs of young adults, aid in the expansion of affordable housing to meet the needs of the community, and achieve financial feasibility;

(b) The formation and establishment of a consortium among Federal, State, or local training and education programs, service providers, housing programs and providers including but not limited to homeless providers, housing owners, developers, and other organizations necessary for the establishment of a Youthbuild program;

(c) The preliminary identification and potential selection of housing for the Youthbuild program including an assessment of the type of housing program to be used and the method by which program participants will have access to the housing project;

(d) The planning and identification of resources required for basic skills instruction and education, job training and job development, leadership and employment skills development, counseling, referral, and other related support services that will be provided as part of the Youthbuild program;

(e) The preparation of an application for an implementation grant;

(f) Preliminary architectural and engineering (A & E) work for the Youthbuild proposed housing including:

(1) The development of cost and time estimates associated with the amount of work to be done through new construction or the rehabilitation of existing housing;

(2) Technical studies to evaluate environmental problems and to determine whether mitigation is feasible on the potential site; and

(3) The identification and initiation of the permit process required to commence work on the selected site;

(g) The planning and development of multi-disciplinary educational and employment training curricula, leadership development training, counseling,
Subpart D—Youthbuild Implementation Grants

§ 585.301 Purpose.
HUD will award Youthbuild implementation grants to eligible applicants for the purpose of carrying out Youthbuild programs in accordance with subtitle D of title IV of the National Affordable Housing Act. Applications will be selected in a national competition in accordance with the selection process described in the current NOFA.

§ 585.302 Award limits.
Maximum awards. The maximum award for a Youthbuild implementation grant will be defined in the NOFA for each competition and may vary by competition. HUD may for good cause approve a grant in a higher amount than the specified limit.

§ 585.303 Grant term.
Funds awarded for implementation grants are expected to be used within 30 months of the effective date of the implementation grant agreement.

§ 585.304 Locational considerations.
Each application for an implementation grant may only include activities to carry out one Youthbuild program, i.e., to start a new Youthbuild program or to fund new classes of Youthbuild participants for an existing program. The same applicant organization may submit more than one application in the current competition if the proposed programs are in different jurisdictions. HUD will not approve multiple applications for implementation grants in the same jurisdiction unless it determines that the jurisdiction is sufficiently large to justify approval of more than one application.

§ 585.305 Eligible activities.
Implementation grant activities to conduct a Youthbuild program may include:

(a) Acquisition of housing and related facilities to be used for the purposes of providing homeownership, residential rental housing, or transitional housing for the homeless and low- and very low-income persons and families;

(b) Architectural and engineering work associated with Youthbuild housing;

(c) Construction of housing and related facilities to be used for the purposes of providing homeownership, residential rental housing, or transitional housing for the homeless and low- and very low-income persons and families;

(d) Rehabilitation of housing and related facilities to be used for the purposes of providing homeownership, residential rental housing, or transitional housing for the homeless and low- and very low-income persons and families, including lead-based paint activities; in accordance with part 35 of this title;

(e) Operating expenses and replacement reserves for the housing assisted in the Youthbuild program;

(f) Relocation payments and other assistance required to comply with §585.308, legal fees, and construction management;

(g) Outreach and recruitment activities, emphasizing special outreach efforts to be undertaken to recruit eligible young women (including young women with dependent children);

(h) Education and job training services and activities including work experience, basic skills instruction and remedial education, bilingual education; secondary education leading to the attainment of a high school diploma or its equivalent; counseling and assistance in attaining post-secondary education and required financial aid;
§ 585.306 Designation of costs.

The following budget items are to be considered training or other costs under the Youthbuild implementation grant and should not be considered costs associated with acquisition, rehabilitation, or new construction for the purposes of §§ 585.307, 585.309, 585.310, and 585.311.

(a) Trainees’ tools and clothing.
(b) Participant stipends and wages.
(c) On-site trainee supervisors.
(d) Construction management.
(e) Relocation costs.
(f) Legal fees.
(g) Clearance and demolition.

§ 585.307 Environmental procedures and standards.

(a) Environmental procedures. Applicants are encouraged to select hazard-free and problem-free properties for their Youthbuild projects. Environmental procedures apply to HUD approval of implementation grants when the applicant proposes to use Youthbuild funds to cover any costs for the lease, acquisition, rehabilitation, or new construction of real property that is proposed for housing project development. Environmental procedures do not apply to HUD approval of implementation grants when applicants propose to use their Youthbuild funds solely to cover any costs for classroom and/or on-the-job construction training and supportive services. For those applicants that propose to use their Youthbuild funds to cover any costs of the lease, acquisition, rehabilitation, or new construction of real property, the applicant shall submit all relevant environmental information in its application to support HUD decision-making in accordance with the following environmental procedures and standards.

(1) Before any Youthbuild implementation application that requests funds for acquisition, rehabilitation, or construction can be selected for funding, HUD shall determine whether any environmental thresholds are exceeded in accordance with 24 CFR part 50, which implements the National Environmental Policy Act (NEPA) and the related Federal environmental laws and authorities listed under 24 CFR 50.4.

(i) If HUD determines that one or more of the thresholds are exceeded, HUD shall conduct a compliance review of the issue and, if appropriate, establish mitigating measures that the applicant shall carry out for the property;
(ii) In performing its review, HUD may use previously issued environmental reviews prepared by local, State, or other Federal agencies for the proposed property;
(iii)(A) The application for the Youthbuild implementation grant shall provide HUD with:
(1) Applicant documentation for environmental threshold review; and
(2) Any previously issued environmental reviews prepared by local, State, or other Federal agencies for the proposed property.
(B) The applicant is encouraged to contact the local community development agency to obtain any previously issued environmental reviews for the proposed property as well as for other relevant information that can be used in the applicant documentation for the environmental threshold review. In using previous reviews by other sources, HUD must, however, conduct the environmental analysis and prepare the environmental review and be...
responsible for any required environmental findings.

(2) HUD reserves the right to disqualify any application where one or more environmental thresholds are exceeded if HUD determines that the compliance review cannot be conducted and satisfactorily completed within the HUD review period for applications.

(3) If Youthbuild funds are requested for acquisition, rehabilitation, or construction, applicants are prohibited from committing or expending State, local or other funds to undertake property acquisition (including lease), rehabilitation or construction under this program until notification of grant award.

(b) Environmental thresholds. HUD shall determine whether a NEPA environmental assessment is required. Also, HUD shall determine whether the proposed property triggers thresholds for the applicable Federal environmental laws and authorities listed under 24 CFR 50.4 as follows:

(1) For minor rehabilitation of a building and any property acquisition (including lease), Federal environmental laws and authorities may apply when the property is:
   (i) Located within designated coastal barrier resources;
   (ii) Contaminated by toxic chemicals or radioactive materials;
   (iii) Located within a floodplain;
   (iv) A building for which flood insurance protection is required;
   (v) Located within a runway clear zone at a civil airport or within a clear zone or accident potential zone at a military airfield; or
   (vi) Listed on, or eligible for listing on, the National Register of Historic Places; located within, or adjacent to, an historic district, or is a property whose area of potential effects includes a historic district or property.

(2) For major rehabilitation of a building and also for substantial improvement in floodplains, in addition to paragraphs (b)(1)(i) through (vi) of this section, other Federal environmental laws and authorities may apply when the property:
   (i) Has significant impact to the human environment;
   (ii) Is a project involving five or more dwelling units severely noise-impacted; or
   (iii) Affects coastal zone management.

(3) For new construction, conversion or increase in dwelling unit density, in addition to paragraphs (b)(1)(i) through (vi) and paragraphs (b)(2)(i) through (iii) of this section, other Federal environmental laws and authorities may apply when the property:
   (i) Is located near hazardous industrial operations handling fuels or chemicals of an explosive or flammable nature;
   (ii) Affects a sole source aquifer;
   (iii) Affects endangered species; or
   (iv) Is located within a designated wetland.

(c) Qualified data sources. The environmental threshold information provided by applicants must be from qualified data sources. A qualified data source means any Federal, State, or local agency with expertise or experience in environmental protection (e.g., the local community development agency; the local planning agency; the State environmental protection agency; the State Historic Preservation Officer) or any other source qualified to provide reliable information on the particular property.

(d) Minor rehabilitation means proposed fixing and repairs:
   (1) Whose estimated cost is less than 75 percent of the property value after completion;
   (2) That does not involve changes in land use from residential to nonresidential, or from nonresidential to residential;
   (3) That does not involve the demolition of one or more buildings, or parts of a building, containing the primary use served by the property; and
   (4) That does not increase unit density more than 20 percent.

§ 585.308 Relocation assistance and real property acquisition.

The Youthbuild program is subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as
amended (URA) and implementing regulations at 49 CFR part 24. HUD Handbook 1378, Tenant Assistance, Relocation and Real Property Acquisition, available from the Relocation and Real Estate Division at the address listed in this section, describes these policies and procedures. Any occupied property used in a Youthbuild program is subject to the URA regardless of the source of the property or construction funds. The URA requires recipients to provide relocation assistance to persons (families, individuals, businesses, and nonprofit organizations) that are displaced as a direct result of acquisition, rehabilitation or demolition for an assisted project. Property occupants who are not displaced also have certain rights. Therefore, if a proposed Youthbuild implementation program involves occupied property, before submitting the application the applicant should consult with staff of the Relocation and Real Estate Division, Office of Community Planning and Development, Department of Housing and Urban Development, Room 7154, 451 Seventh Street, SW, Washington, DC 20410; telephone: (202) 708–0336. TDD: (202) 708–1455. Fax: (202) 708–1744. (These are not toll-free numbers.)

§ 585.309 Project-related restrictions applicable to Youthbuild residential rental housing.

Where the award of a Youthbuild implementation grant includes the eligible activities of acquisition, architectural and engineering fees, construction, rehabilitation, operating costs or replacement reserves for residential rental units, and where the costs for these activities are to be funded, in whole or in part, from the Youthbuild grant award, the recipient shall be required to comply with the following Youthbuild project-related restrictions for a period of not less than 10 years:

(a) Occupancy by low- and very low-income families. (1) For the 10 year period of the residential rental Youthbuild project, the recipient or rightful owner will be required to maintain at least a 90 percent level of occupancy for individuals and families with incomes less than 60 percent of the area median income, adjusted for family size—“the 90 percent category.” The recipient or rightful owner must offer each available rental unit to the 60 percent of area median income group for an advertising period of not less than 90 days upon each vacancy occurrence throughout the 10 year period. Community-wide advertisements for tenants of this income group must be conducted.

(2) In order to maintain the financial stability of the project and to provide flexibility in averting long-term vacancies in the 90 percent category, the rightful owner is permitted, under certain circumstances described below, to execute temporary two year leases with individuals and families with incomes between 60 and 80 percent of the area median income. This temporary deviation is permitted when no qualifying tenant (with an income of 60 percent or less of median) leases the unit upon the end of the 90 day advertising period. The owner may then advertise the unit to individuals and families with incomes less than 80 percent of the area median income, adjusted for family size, for another advertisement period of 90 days. Temporary leases for tenants whose incomes are between 60 and 80 percent of the area median income (exclusive of the 10 percent allowance) shall be limited to two years. Temporary tenants are not covered by Youthbuild tenant protections regarding termination of tenancy (paragraph (b)(2) of this section), tenant selection plan (paragraph (b)(4) of this section) and tenant participation plan (paragraph (d) of this section).

(3) The remaining 10 percent of the units must be made available to and occupied by low-income families—“the 10 percent category.” The income test must be conducted for both the 90 percent and 10 percent categories only at time of entry for each unit available for occupancy.

(b) Tenant protections. Upon submission of the implementation grant application, the applicant or rightful owner of the residential rental units covered under this paragraph shall certify to the following tenant protections:

(1) Lease. As part of the Youthbuild implementation grant application, the
applicant or rightful owner of the property shall provide a model lease containing terms and conditions acceptable to HUD. The model lease shall become an addendum to the executed grant agreement and shall remain in force for a period of 10 years. The lease between a tenant and the owner of residential rental housing shall be for a period of not less than one year, unless otherwise mutually agreed to by the tenant and the owner, and shall contain such terms and conditions as HUD determines to be appropriate. Any change to a lease must be approved by HUD.

(2) Termination of tenancy. Upon submission of the implementation grant application, the applicant or other rightful owner of the property must certify that the following restrictions will be applied to all lease terminations initiated by the owner. The restrictions must state that an owner shall not terminate the tenancy or refuse to renew the lease of a tenant occupying a Youthbuild residential rental housing unit except for serious or repeated violations of the terms and conditions of the lease, or for violation of applicable Federal, State, or local laws, or for other good cause. Any termination or refusal to renew the lease must be preceded by not less than 30 days by the owner’s service upon the tenant of a written notice specifying the grounds for the action. With regard to leases for tenants in units controlled by public housing authorities, 24 CFR part 966 shall take precedence over this provision.

(3) Maintenance and replacements. Upon submission of the implementation grant application, the applicant or rightful owner of Youthbuild residential rental housing must certify that the premises will be maintained in compliance with all applicable housing quality standards and local code requirements for the 10 year period. HUD’s section 8 housing quality standards apply when no other public assistance is involved other than the Youthbuild grant. In other cases, the applicable HUD or other Federal, State or local program guidelines shall apply.

(4) Tenant selection. The applicant or rightful owner of Youthbuild residential rental housing must develop and adopt a tenant selection plan containing selection policies and criteria that are consistent with HUD requirements. The tenant selection plan shall remain in force for the 10 year period. Upon submission of the implementation grant application, the applicant or owner of the property must certify that the plan complies with the following HUD requirements:

(i) The plan is consistent with the purpose of providing housing for homeless and very low-income families and individuals;

(ii) The plan is reasonably related to program eligibility and the applicant’s or owner’s ability to perform the obligations of the lease;

(iii) The plan gives reasonable consideration to the housing needs of families that would qualify for a preference under section 6(c)(4)(A) of the United States Housing Act of 1937;

(iv) The plan provides for the selection of tenants from a written waiting list in the chronological order of their application, to the extent practicable, and for the prompt notification in writing of any rejected applicant of the grounds for any rejection; and

(v) The plan acknowledges that a family holding tenant-based assistance under section 8 of the United States Housing Act of 1937 will not be refused tenancy because of the status of the prospective tenant as a holder of such assistance.

(c) Limitation on rental payments. Upon submission of the implementation grant application, the applicant or other rightful owner of Youthbuild residential rental housing project involved in a Youthbuild program shall certify that tenants in each rental unit shall be not required to pay rent in excess of the amount provided under section 3(a) of the United States Housing Act of 1937.

(d) Tenant participation plan. The Youthbuild program shall require a tenant participation plan applicable to the rightful owner of Youthbuild residential rental housing, provided such owner is a nonprofit public or private organization. Upon submission of the implementation grant application, the nonprofit owner shall certify that the tenant participation plan is the plan to
§ 585.310 Project-related restrictions applicable to Youthbuild transitional housing for the homeless.

Where the award of a Youthbuild implementation grant includes the eligible activities of acquisition, architectural and engineering fees, construction, rehabilitation, operating costs or replacement reserves of transitional housing units, and where the costs for these activities are funded, in whole or in part, with Youthbuild grant funds, the housing project shall be required to comply with the following Youthbuild project-related restrictions:

(a) Limitations on profit. Youthbuild residential rental housing projects meeting the requirements of this section shall be restricted from producing profit in excess of the limitations set out in sections 455(c)(1) and (2) of NAHA.

(b) Restrictions on conveyance. Conveyance restrictions apply to Youthbuild transitional housing projects meeting the requirements of this section. Ownership of the property may not be conveyed unless the instrument of conveyance requires a subsequent owner to comply with the same restrictions imposed upon the original owner for the balance of the 10 year period.

(c) Ten year restriction. The restrictions listed in paragraphs (a) through (f) of this section shall remain in force for a period of not less than 10 years after construction completion and issuance of an occupancy permit for all Youthbuild residential rental housing projects receiving Youthbuild assistance.

(Approved by the Office of Management and Budget under control number 2506-0142)

§ 585.311 Project-related restrictions applicable to Youthbuild homeownership housing.

Where the award of a Youthbuild implementation grant includes the eligible activities of acquisition, architectural and engineering fees, construction, or rehabilitation of homeownership housing, and where the costs for these activities are to be funded, in whole or in part, with Youthbuild grant funds, the housing project shall be required to comply with the following Youthbuild project-related restrictions:

(a) Program compliance. Each homeownership project meeting the requirements of this section shall comply with the requirements of the HOPE II or
HOPE III program authorized under subtitle B or C respectively of title IV of the National Affordable Housing Act.

(b) Restrictions on conveyance. Conveyance restrictions apply to Youthbuild homeownership housing projects meeting the requirements of this part. Ownership of the property may not be conveyed unless the instrument of conveyance requires a subsequent owner to comply with the same restrictions imposed upon the original owner for the balance of the 10 year period.

(c) Ten year restriction. The restrictions listed in paragraphs (a) and (b) of this section shall remain in force for a period of not less than 10 years after construction completion and issuance of an occupancy permit for Youthbuild homeownership housing projects meeting the requirements of this part.

§ 585.312 Wages, labor standards, and nondiscrimination.

Applicable provisions are stated in section 456(e) of NAHA.

[61 FR 52187, Oct. 4, 1996]

§ 585.313 Labor standards.

(a) Trainees. Davis-Bacon prevailing wage rate requirements are not applicable to trainees on housing projects or in training programs assisted by Youthbuild grant funds, regardless of whether other Federal assistance is involved. However, where the trainees' performance of public and Indian housing work is subject to HUD-determined prevailing wage rates under section 12 of the United States Housing Act of 1937, trainees must be paid HUD-determined wage rates; as a matter of policy, the wage rates determined by HUD to apply to Youthbuild trainees will be the trainee wage rates rather than journey-person rates.

(b) Laborers and mechanics other than Youthbuild Trainees. (1) All laborers and mechanics (other than Youthbuild trainees) employed by contractors or subcontractors in any construction, alteration or repair, including painting and decorating, of housing that is assisted by a Youthbuild grant shall be paid at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276a through 276a-5). The employment of such laborers and mechanics on assisted housing shall be subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 through 333). Where these requirements are applicable, recipients, sponsors, owners, contractors and subcontractors must comply with all related Department of Labor and HUD rules, regulations and requirements.

(2) The labor standards requirements in paragraph (b)(1) of this section do not apply where a Youthbuild grant is provided solely for classroom and/or on-the-job training and supportive services for Youthbuild trainees, and the grant does not include costs for housing project development involving acquisition (including lease), rehabilitation or new construction of real properties; however, if other Federal programs provide assistance to the housing project, labor standards apply to laborers and mechanics other than Youthbuild trainees to the extent required by the other Federal programs. Applicants need to review applicable Federal regulations to determine which relevant requirements apply to their individual situations.

Subpart E—Administration

§ 585.401 Recordkeeping by recipients.

(a) Each recipient of a planning or implementation Youthbuild grant award must keep records that will facilitate an effective audit to determine compliance with program requirements and that fully disclose:

(1) The amount and disposition by the recipient of the planning or implementation Youthbuild grants received, including sufficient records that document the reasonableness, accuracy and necessity of each expenditure;

(2) The amount and disposition of proceeds, if any, from financing obtained in connection with the Youthbuild program, e.g., housing sales to eligible low-income families, property sales to other public or private entities;
§ 585.402 Grant agreement.

(a) General. The recipient will provide education and job training in accordance with the requirements of this part as incorporated in a grant agreement executed by HUD and the recipient.

(b) Enforcement. HUD will enforce the obligations in the grant agreement through such actions as may be appropriate, including repayment of funds that have already been disbursed to the recipient.

§ 585.403 Reporting requirements.

(a) Quarterly Progress Reports. Each recipient of a YouthBuild grant must submit a report on a quarterly basis. The form and substance of the quarterly progress report will be provided to recipients. The Performance Evaluation Report noted in paragraph (b) of this section will constitute the final Quarterly Report.

(b) Performance Evaluation Report. Each recipient of a YouthBuild grant must submit a Performance Evaluation Report on activities undertaken and completed in accordance with the grant agreement. The form and substance of the Performance Evaluation Report shall be provided to recipients.

(Approved by the Office of Management and Budget under control number 2506–0142)

§ 585.404 Program changes.

(a) There are three basic types of changes that recipients may wish to make to their programs:

(1) Grant Agreement amendments.

(2) Material changes, which include, but are not limited to changes in housing sites, changes in significant participating parties, and changes in approved activities. All material changes require HUD approval.

(3) Self-implementing program changes, which may include changes in recipient staffing and content of curriculum. All self-implementing changes require documentation in the recipient’s files.

(b) Approval for Grant Agreement amendments and material changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.
§ 585.405 Obligation and deobligation of funds.

(a) Obligation of funds. When HUD and the applicant execute a grant agreement, funds are obligated to carry out approved activities consistent with §585.205 or 585.305 of this part and in accordance with the grant agreement.

(b) Increases. After the initial obligation of funds, HUD will not make revisions to increase the amount obligated.

(c) Deobligation. (1) HUD may deobligate all or parts of grants if the grant amounts are not expended within the term of the grant or if there is a condition of default as defined in the grant agreement.

(2) HUD may award deobligated funds to applications previously submitted in response to the most recently published NOFA, and in accordance with subpart B of this part.

§ 585.406 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Youthbuild program. Neither the Federal government nor a State or local government receiving funds under Youthbuild programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(b) Organizations that are directly funded under the Youthbuild program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(c) A religious organization that participates in the Youthbuild Program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct Youthbuild Program funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide Youthbuild Program-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a Youthbuild Program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) An organization that participates in the Youthbuild program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) Youthbuild funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. Youthbuild funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, Youthbuild funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to Youthbuild funds in this part. Sanctuaries, chapels, or other rooms that a Youthbuild-funded religious congregation uses as its principal place of worship, however, are ineligible for Youthbuild-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the
§ 585.501 Application of OMB Circul-

(a) The policies, guidelines and re-

quirements of OMB Circular Nos. A–87 (Cost Principles Applicable to Grants, Contracts and other Agreements with State and Local Governments) and 24 CFR part 85 (Administrative Require-
ments for Grants and Cooperative Agreements to State, Local and Feder-
ally Recognized Indian Tribal Govern-
ments) apply to the award, acceptance and use of assistance under the pro-
gram by applicable entities, and to the remedies for non-compliance, except where inconsistent with the provisions of NAHA, other Federal statutes or this part. 24 CFR part 84 (Grants and Cooperative Agreements with Institutions of Higher Education, Hospitals, and other Nonprofit Organizations), OMB Circular A–122 (Cost Principles Applicable to Grants, Contracts and other Agreements with Nonprofit Institutions), and, as applicable, OMB Cir-
cular A–21 (Cost Principles for Edu-
cational Institutions) apply to the ac-
ceptance and use of assistance by cov-
ered organizations, except where incon-
sistent with the provisions of NAHA, other Federal statutes or this part. Re-
cipients are also subject to the audit requirements of 24 CFR part 44 (Audit Requirements for State and Local Gov-
ernments) and 24 CFR part 45 (Audit Requirements for Institutions of Higher Education and other Nonprofit Institutions), as applicable. HUD may per-
form or require additional audits as it finds necessary or appropriate.

(b) Copies of OMB Circulars may be obtained from E.O.P. Publications, Room 2200, New Executive Office Build-
ing, Washington, DC 20503, telephone (202) 395–7332. (This is not a toll-free number.) There is a limit of two free copies.

§ 585.502 Certifications.

In addition to the standard assur-
ances of compliance with Federal rules and OMB Circulars contained in applic-
ations for Federal grant assistance, applicants must also make the fol-
lowing certifications:

(a) Consolidated Plan—(1) Applicants that are States or units of general local government. The applicant must have a HUD-approved Consolidated Plan in ac-

(b) Fair housing and equal opportunity. A certification that the applicant is in compliance and will continue to com-
ply with the requirements of the Fair Housing Act, title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, and will af-
firmatively further fair housing, or, in the case of a Youthbuild application from an Indian tribe or an Indian Housing Au-
thority (IHA), a certification that the applicant will comply with the

(c) Employment opportunities. A certification that the applicant will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17017), as implemented by 24 CFR part 135. Section 3 requires that employment and other economic opportunities generated by HUD assisted housing and community development programs shall, to the greatest extent feasible, be directed toward section 3 residents and business concerns.

(d) Anti-lobbying. In accordance with the disclosure requirements and prohibitions of section 319 of the Department of Interior and Related Agencies Appropriations Act for Fiscal Year 1990 (31 U.S.C. 1352) (The Byrd Amendment) and the implementing regulations at 24 CFR part 87, applicants for and recipients of assistance exceeding $100,000 must certify that no Federal funds have been or will be spent on lobbying activities in connection with the assistance. Applicants and recipients must also disclose where non-appropriated funds have been spent or committed for lobbying activities if those activities would be prohibited if paid with appropriated funds. Substantial monetary penalties may be imposed for failure to file the required certification or disclosure.

(e) Relocation assistance and real property acquisition. A certification that the applicant will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR part 24 and HUD Handbook 1378, Tenant Assistance, Relocation and Real Property Acquisition. See §585.308.

(f) Use of housing. A certification that the housing to be produced in conjunction with the Youthbuild program is to be provided for the homeless and low- and very low-income families.

(g) Lead-based paint. A certification that the applicant will comply with the requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title.

(h) State and local standards. A certification that all educational programs and activities supported with funds provided under this subtitle shall be consistent with applicable State and local educational standards. Standards and procedures with respect to the awarding of academic credit and certifying educational attainment in such programs shall be consistent with applicable State and local educational standards.

(i) Labor standards. A certification that the applicant and related parties will comply with the provisions of the Davis-Bacon Act, as amended (40 U.S.C. 276a through 276a-5), the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 through 333), and HUD Handbook 1941.1, Revision 1, Federal Labor Standards in Housing and Community Development Programs, as applicable, available from the Office of Assistant to the Secretary for Labor Relations, room 7118, 451 Seventh Street, SW., Washington, DC 20410; Telephone (202) 708-0370; FAX, (202) 619-8022; TDD, (202) 708-1455. (These are not toll-free numbers).

Approved by the Office of Management and Budget under control number 2506-0142.

§585.503 Conflict of interest.

(a)(1) In addition to the conflict of interest requirements in 24 CFR parts 84 and 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or cooperating entity named in the application and who exercises any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business
ties, during his or her tenure or for one year thereafter, except that a resident of an eligible property may acquire an ownership interest.

(2) Exception. HUD may grant an exception to the exclusion in paragraph (a)(1) of this section on a case-by-case basis when it determines that such an exception will serve to further the purposes of the Youthbuild program. An exception may be considered only after the applicant or recipient has provided a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict, a description of how the public disclosure was made, and an opinion of the applicant’s or recipient’s attorney that the interest for which the exception is sought would not violate State or local law. In determining whether to grant a requested exception, HUD will consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the Youthbuild program that would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;

(iii) Whether the person affected is a member of a group or class intended to be the beneficiaries of the activity and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process, with respect to the specific activity in question;

(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (a)(2) of this section;

(vi) Whether undue hardship will result either to the applicant, recipient, or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vii) Any other relevant considerations.

(b) [Reserved]
for concurrently identifying interest from homeless providers and State and local entities interested in property under a public benefit transfer.

§ 586.5 Definitions.

As used in this part:

CERCLA. Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601 et seq.).

Communities in the vicinity of the installation. The communities that constitute the political jurisdictions (other than the State in which the installation is located) that comprise the LRA for the installation. If no LRA is formed at the local level, and the State is serving in that capacity, the communities in the vicinity of the installation are deemed to be those political jurisdiction(s) (other than the State) in which the installation is located.

Consolidated Plan. The plan prepared in accordance with the requirements of 24 CFR part 91.

Continuum of care system. (1) A comprehensive homeless assistance system that includes:

(i) A system of outreach and assessment for determining the needs and condition of an individual or family who is homeless, or whether assistance is necessary to prevent an individual or family from becoming homeless;

(ii) Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate emergency shelter and referral to necessary service providers or housing finders;

(iii) Transitional housing with appropriate supportive services to help those homeless individuals and families who are not prepared to make the transition to independent living;

(iv) Housing with or without supportive services that has no established limitation on the amount of time of residence to help meet long-term needs of homeless individuals and families; and

(v) Any other activity that clearly meets an identified need of the homeless and fills a gap in the continuum of care.

(2) Supportive services are services that enable homeless persons and families to move through the continuum of care toward independent living. These services include, but are not limited to, case management, housing counseling, job training and placement, primary health care, mental health services, substance abuse treatment, child care, transportation, emergency food and clothing, family violence services, education services, moving services, assistance in obtaining entitlements, and referral to veterans services and legal services.

Day. One calendar day including weekends and holidays.

DoD. Department of Defense.

HHS. Department of Health and Human Services.

Homeless person. (1) An individual or family who lacks a fixed, regular, and adequate nighttime residence; and

(2) An individual or family who has a primary nighttime residence that is:

(i) A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters and transitional housing for the mentally ill);

(ii) An institution that provides a temporary residence for individuals intended to be institutionalized; or

(iii) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(3) This term does not include any individual imprisoned or otherwise detained under an Act of the Congress or a State law.

HUD. Department of Housing and Urban Development.

Installation. A base, camp, post, station, yard, center, homeport facility for any ship or other activity under the jurisdiction of DoD, including any leased facility, that is approved for closure or realignment under the Base Closure and Realignment Act of 1988 (Pub. L. 100–526), as amended, or the Defense Base Closure and Realignment Act of 1990 (Pub. L. 101–510), as amended (both at 10 U.S.C. 2687, note).

Local redevelopment authority (LRA). Any authority or instrumentality established by State or local government and recognized by the Secretary of Defense, through the Office of Economic Adjustment, as the entity responsible for developing the redevelopment plan.
§ 586.10 Applicability.

(a) General. This part applies to all installations that are approved for closure/realignment by the President and Congress under Pub. L. 101–510 after October 25, 1994.

(b) Request for inclusion under this process. This part also applies to installations that were approved for closure/realignment under either Public Law 100–526 or Public Law 101–510 prior to October 25, 1994 and for which an LRA submitted a request for inclusion under this part to DoD by December 24, 1994. A list of such requests was published in the FEDERAL REGISTER on May 30, 1995 (60 FR 28089).

(1) For installations with Title V applications pending but not approved before October 25, 1994, the LRA shall consider and specifically address any application for use of buildings and property to assist the homeless that were received by HHS prior to October 25, 1994, and were pending with the Secretary of HHS on that date. These pending requests shall be addressed in the LRA’s homeless assistance submission.

(2) For installations with Title V applications approved before October 25, 1994 where there is an approved Title V application, but property has not been assigned or otherwise disposed of by the Military Department, the LRA must ensure that its homeless assistance submission provides the Title V applicant with:

(i) The property requested;
(ii) Properties, on or off the installation, that are substantially equivalent to those requested;
(iii) Sufficient funding to acquire such substantially equivalent properties;
(iv) Services and activities that meet the needs identified in the application; or
(v) A combination of the properties, funding, and services and activities described in §586.10(b)(2)(i) through (iv).

(c) Revised Title V process. All other installations approved for closure or realignment under either Public Law 100–526 or Public Law 101–510 prior to October 25, 1994, for which there was no request for consideration under this part, are covered by the process stipulated under Title V. Buildings or property that were transferred or leased for homeless use under Title V prior to October 25, 1994, may not be reconsidered under this part.

§586.15 Waivers and extensions of deadlines.

(a) After consultation with the LRA and HUD, and upon a finding that it is in the interest of the communities affected by the closure/realignment of the installation, DoD, through the Director of the Office of Economic Adjustment, may extend or postpone any deadline contained in this part.

(b) Upon completion of a determination and finding of good cause, and except for deadlines and actions required on the part of DoD, HUD may waive any provision of §§586.20 through 586.45 in any particular case, subject only to statutory limitations.

§586.20 Overview of the process.

(a) Recognition of the LRA. As soon as practicable after the list of installations recommended for closure or realignment is approved, DoD, through OEA, will recognize an LRA for the installation. Upon recognition, OEA shall publish the name, address, and point of contact for the LRA in the Federal Register and in a newspaper of general circulation in the communities in the vicinity of the installation.

(b) Responsibilities of the Military Department. The Military Department shall make installation properties available to other DoD components and Federal agencies in accordance with the procedures set out at 32 CFR part 175. The Military Department will keep the LRA informed of other Federal interest in the property during this process. Upon completion of this process the Military Department will notify HUD and either the LRA, or the Chief Executive Officer of the State, as appropriate, and publish a list of surplus property on the installation that will be available for reuse in the Federal Register and a newspaper of general circulation in the communities in the vicinity of the installation.

(c) Responsibilities of the LRA. The LRA should begin to conduct outreach efforts with respect to the installation as soon as is practicable after the date of approval of closure/realignment of the installation. The local reuse planning process must begin no later than the date of the Military Department's Federal Register publication of available property described at §586.20(b). For those installations that began the process described in this part prior to August 17, 1995, HUD will, on a case by case basis, determine whether the statutory requirements have been fulfilled and whether any additional requirements listed in this part should be required. Upon the Federal Register publication described in §586.20(b), the LRA shall:

(1) Publish, within 30 days, in a newspaper of general circulation in the communities in the vicinity of the installation, the time period during which the LRA will receive notices of interest from State and local governments, representatives of the homeless, and other interested parties. This publication shall include the name, address, telephone number and the point of contact for the LRA who can provide information on the prescribed form and contents of the notices of interest. LRAs are strongly encouraged to make this publication as soon as possible within the permissible 30 day period in order to expedite the closure process.

(i) In addition, the LRA has the option to conduct an informal solicitation of notices of interest from public and non-profit entities interested in obtaining property via a public benefit transfer other than a homeless assistance conveyance under either 40 U.S.C. 471 et seq., or 49 U.S.C. 47151–47153. As part of such a solicitation, the LRA may wish to request that interested entities submit a description of the proposed use to the LRA and the sponsoring Federal agency.
(ii) For all installations selected for closure or realignment prior to 1995 that elected to proceed under Public Law 103–421, the LRA shall accept notices of interest for not less than 30 days.

(iii) For installations selected for closure or realignment in 1995 or thereafter, notices of interest shall be accepted for a minimum of 90 days and not more than 180 days after the LRA’s publication under §586.20(c)(1).

(2) Prescribe the form and contents of notices of interest.

(i) The LRA may not release to the public any information regarding the capacity of the representative of the homeless to carry out its program, a description of the organization, or its financial plan for implementing the program, without the consent of the representative of the homeless concerned, unless such release is authorized under Federal law and under the law of the State and communities in which the installation concerned is located. The identity of the representative of the homeless may be disclosed.

(ii) The notices of interest from representatives of the homeless must include:

(A) A description of the homeless assistance program proposed, including the purposes to which the property or facility will be put, which may include uses such as supportive services, job and skills training, employment programs, shelters, transitional housing or housing with no established limitation on the amount of time of residence, food and clothing banks, treatment facilities, or any other activity which clearly meets an identified need of the homeless and fills a gap in the continuum of care;

(B) A description of the need for the program;

(C) A description of the extent to which the program is or will be coordinated with other homeless assistance programs in the communities in the vicinity of the installation;

(D) Information about the physical requirements necessary to carry out the program including a description of the buildings and property at the installation that are necessary to carry out the program;

(E) A description of the financial plan, the organization, and the organizational capacity of the representative of the homeless to carry out the program; and

(F) An assessment of the time required to start carrying out the program.

(iii) The notices of interest from entities other than representatives of the homeless should specify the name of the entity and specific interest in property or facilities along with a description of the planned use.

(3) In addition to the notice required under §586.20(c)(1), undertake outreach efforts to representatives of the homeless by contacting local government officials and other persons or entities that may be interested in assisting the homeless within the vicinity of the installation.

(i) The LRA may invite persons and organizations identified on the HUD list of representatives of the homeless and any other representatives of the homeless with which the LRA is familiar, operating in the vicinity of the installation, to the workshop described in §586.20(c)(3)(ii).

(ii) The LRA, in coordination with the Military Department and HUD, shall conduct at least one workshop where representatives of the homeless have an opportunity to:

(A) Learn about the closure/realignment and disposal process;

(B) Tour the buildings and properties available either on or off the installation;

(C) Learn about the LRA’s process and schedule for receiving notices of interest as guided by §586.20(c)(2); and

(D) Learn about any known land use constraints affecting the available property and buildings.

(iii) The LRA should meet with representatives of the homeless that express interest in discussing possible uses for these properties to alleviate gaps in the continuum of care.

(4) Consider various properties in response to the notices of interest. The LRA may consider property that is located off the installation.

(5) Develop an application, including the redevelopment plan and homeless assistance submission, explaining how the LRA proposes to address the needs
of the homeless. This application shall consider the notices of interest received from State and local governments, representatives of the homeless, and other interested parties. This shall include, but not be limited to, entities eligible for public benefit transfers under either 40 U.S.C. 471 et seq., or 49 U.S.C. 47151–47153; representatives of the homeless; commercial, industrial, and residential development interests; and other interests. From the deadline date for receipt of notices of interest described at § 586.20(c)(1), the LRA shall have 270 days to complete and submit the LRA application to the appropriate Military Department and HUD. The application requirements are described at § 586.30.

(6) Make the draft application available to the public for review and comment periodically during the process of developing the application. The LRA must conduct at least one public hearing on the application prior to its submission to HUD and the appropriate Military Department. A summary of the public comments received during the process of developing the application shall be included in the application when it is submitted.

(d) Public benefit transfer screening. The LRA should, while conducting its outreach efforts, work with the Federal agencies that sponsor public benefit transfers under either 40 U.S.C. 471 et seq. or 49 U.S.C. 47151–47153. Those agencies can provide a list of parties in the vicinity of the installation that might be interested in and eligible for public benefit transfers. The LRA should make a reasonable effort to inform such parties of the availability of the property and incorporate their interests within the planning process. Actual recipients of property are to be determined by the sponsoring Federal agency. The Military Departments shall notify sponsoring Federal agencies about property that is available based on the community redevelopment plan and keep the LRA apprised of any expressions of interest. Such expressions of interest are not required to be incorporated into the redevelopment plan, but must be considered.
§ 586.30

homeless in the jurisdiction. In addition, the LRA shall explain what portion of the homeless population and subpopulations described in the Consolidated Plan are attributable to the political jurisdiction it represents.

(C) A political jurisdiction not described by §586.30(b)(1)(i)(A) or §586.30(b)(1)(i)(B) shall submit a narrative description of what it perceives to be the homeless population within the jurisdiction and a brief inventory of the facilities and services that assist homeless persons and families within the jurisdiction. LRAs that represent these jurisdictions are not required to conduct surveys of the homeless population.

(2) Notices of interest proposing assistance to homeless persons and/or families.

(i) A description of the proposed activities to be carried out on or off the installation and a discussion of how these activities meet a portion or all of the needs of the homeless by addressing the gaps in the continuum of care. The activities need not be limited to expressions of interest in property, but may also include discussions of how economic redevelopment may benefit the homeless;

(ii) A copy of each notice of interest from representatives of the homeless for use of buildings and property and a description of the manner in which the LRA’s application addresses the need expressed in each notice of interest. If the LRA determines that a particular notice of interest should not be awarded property, an explanation of why the LRA determined not to support that notice of interest, the reasons for which may include the impact of the program contained in the notice of interest on the community as described in §586.30(b)(2)(iii); and

(iii) A description of the impact that the implemented redevelopment plan will have on the community. This shall include information on how the LRA’s redevelopment plan might impact the character of existing neighborhoods adjacent to the properties proposed to be used to assist the homeless and should discuss alternative plans. Impact on schools, social services, transportation, infrastructure, and concentration of minorities and/or low income persons shall also be discussed.

(3) Legally binding agreements for buildings, property, funding, and/or services.

(i) A copy of the legally binding agreements that the LRA proposes to enter into with the representative(s) of the homeless selected by the LRA to implement homeless programs that fill gaps in the existing continuum of care. The legally binding agreements shall provide for a process for negotiating alternative arrangements in the event that an environmental analysis conducted under §586.45(b) indicates that any property identified for transfer in the agreement is not suitable for the intended purpose. Where the balance determined in accordance with §586.30(b)(4) provides for the use of installation property as a homeless assistance facility, legally binding agreements must provide for the reversion or transfer, either to the LRA or to another entity or entities, of the buildings and property in the event they cease to be used for the homeless. In cases where the balance proposed by the LRA does not include the use of buildings or property on the installation, the legally binding agreements need not be tied to the use of specific real property and need not include a reverter clause. Legally binding agreements shall be accompanied by a legal opinion of the chief legal advisor of the LRA or political jurisdiction or jurisdictions which will be executing the legally binding agreements that the legally binding agreements, when executed, will constitute legal, valid, binding, and enforceable obligations on the parties thereto;

(ii) A description of how buildings, property, funding, and/or services either on or off the installation will be used to fill some of the gaps in the current continuum of care system and an explanation of the suitability of the buildings and property for that use; and

(iii) Information on the availability of general services such as transportation, police, and fire protection, and a discussion of infrastructure such as water, sewer, and electricity in the vicinity of the proposed homeless activity at the installation.
(4) An assessment of the balance with economic and other development needs.

(i) An assessment of the manner in which the application balances the expressed needs of the homeless and the needs of the communities comprising the LRA for economic redevelopment and other development; and

(ii) An explanation of how the LRA’s application is consistent with the appropriate Consolidated Plan(s) or any other existing housing, social service, community, economic, or other development plans adopted by the jurisdictions in the vicinity of the installation.

(5) A description of the outreach undertaken by the LRA. The LRA shall explain how the outreach requirements described at § 586.20(c)(1) and § 586.20(c)(3) have been fulfilled. This explanation shall include a list of the representatives of the homeless the LRA contacted during the outreach process.

(c) Public comments. The LRA application shall include the materials described at § 586.20(c)(6). These materials shall be prefaced with an overview of the citizen participation process observed in preparing the application.

§ 586.35 HUD’s review of the application.

(a) Timing. HUD shall complete a review of each application no later than 60 days after its receipt of a completed application.

(b) Standards of review. The purpose of the review is to determine whether the application is complete and, with respect to the expressed interest and requests of representatives of the homeless, whether the application:

(1) Need. Takes into consideration the size and nature of the homeless population in the communities in the vicinity of the installation, the availability of existing services in such communities to meet the needs of the homeless in such communities, and the suitability of the buildings and property covered by the application for use and needs of the homeless in such communities. HUD will take into consideration the size and nature of the installation in reviewing the needs of the homeless population in the community in the vicinity of the installation.

(2) Impact of notices of interest. Takes into consideration any economic impact of the homeless assistance under the plan on the communities in the vicinity of the installation, including:

(i) Whether the plan is feasible in light of demands that would be placed on available social services, police and fire protection, and infrastructure in the community; and

(ii) Whether the selected notices of interest are consistent with the Consolidated Plan(s) or any other existing housing, social service, community, economic, or other development plans adopted by the political jurisdictions in the vicinity of the installation.

(3) Legally binding agreements. Specifies the manner in which the buildings, property, funding, and/or services on or off the installation will be made available for homeless assistance purposes. HUD will review each legally binding agreement to verify that:

(i) They include all the documents legally required to complete the transactions necessary to realize the homeless use(s) described in the application;

(ii) They include all appropriate terms and conditions;

(iii) They address the full range of contingencies including those described at § 586.30(b)(3)(i);

(iv) They stipulate that the buildings, property, funding, and/or services will be made available to the representatives of the homeless in a timely fashion; and

(v) They are accompanied by a legal opinion of the chief legal advisor of the LRA or political jurisdiction or jurisdictions which will be executing the legally binding agreements that the legally binding agreements will, when executed, constitute legal, valid, binding, and enforceable obligations on the parties thereto.

(4) Balance. Balances in an appropriate manner a portion or all of the needs of the communities in the vicinity of the installation for economic redevelopment and other development with the needs of the homeless in such communities.

(5) Outreach. Was developed in consultation with representatives of the homeless and the homeless assistance

planning boards, if any, in the communities in the vicinity of the installation and whether the outreach requirements described at §586.20(c)(1) and §586.20(c)(3) have been fulfilled by the LRA.

(c) Notice of determination. (1) HUD shall, no later than the 60th day after its receipt of the application, unless such deadline is extended pursuant to §586.15(a), send written notification both to DoD and the LRA of its preliminary determination that the application meets or fails to meet the requirements of §586.35(b). If the application fails to meet the requirements, HUD will send the LRA:
   (i) A summary of the deficiencies in the application;
   (ii) An explanation of the determination; and
   (iii) A statement of how the LRA must address the determinations.

   (2) In the event that no application is submitted and no extension is requested as of the deadline specified in §586.20(c)(5), and the State does not accept within 30 days a DoD written request to become recognized as the LRA, the absence of such application will trigger an adverse determination by HUD effective on the date of the lapsed deadline. Under these conditions, HUD will follow the process described at §586.40.

(d) Opportunity to cure. (1) The LRA shall have 90 days from its receipt of the notice of preliminary determination under §586.35(c)(1) within which to submit to HUD and DoD a revised application which addresses the determinations listed in the notice. Failure to submit a revised application shall result in a final determination, effective 90 days from the LRA’s receipt of the preliminary determination, that the redevelopment plan fails to meet the requirements of §586.35(b).

   (2) HUD shall, within 30 days of its receipt of the LRA’s resubmission, send written notification of its final determination of whether the application meets the requirements of §586.35(b) to both DoD and the LRA.

§586.40 Adverse determinations.

(a) Review and consultation. If the resubmission fails to meet the requirements of §586.35(b), or if no resubmission is received, HUD will review the original application, including the notices of interest submitted by representatives of the homeless. In addition, in such instances or when no original application has been submitted, HUD:

   (1) Shall consult with the representatives of the homeless, if any, for purposes of evaluating the continuing interest of such representatives in the use of buildings or property at the installation to assist the homeless;

   (2) May consult with the applicable Military Department regarding the suitability of the buildings and property at the installation for use to assist the homeless; and

   (3) May consult with representatives of the homeless and other parties as necessary.

(b) Notice of decision. (1) Within 90 days of receipt of an LRA’s revised application which HUD determines does not meet the requirements of §586.35(b), HUD shall, based upon its reviews and consultations under §586.40(a):

   (i) Notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless; and

   (ii) Notify DoD and the LRA of the extent to which the revised redevelopment plan meets the criteria set forth in §586.35(b).

   (2) In the event that an LRA does not submit a revised redevelopment plan under §586.35(d), HUD shall, based upon its reviews and consultations under §586.40(a), notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless, either

   (i) Within 190 days after HUD sends its notice of preliminary adverse determination under §586.35(c)(1), if an LRA has not submitted a revised redevelopment plan; or

   (ii) Within 390 days after the Military Department’s Federal Register publication of available property under §586.20(b), if no redevelopment plan has been received and no extension has been approved.
§ 586.45 Disposal of buildings and property.

(a) Public benefit transfer screening. Not later than the LRA’s submission of its redevelopment plan to DoD and HUD, the Military Department will conduct an official public benefit transfer screening in accordance with the Federal Property Management Regulations (41 CFR part 101-47.303-2) based upon the uses identified in the redevelopment plan. Federal sponsoring agencies shall notify eligible applicants that any request for property must be consistent with the uses identified in the redevelopment plan. At the request of the LRA, the Military Department may conduct the official State and local public benefit screening at any time after the publication of available property described at § 586.20(b).

(b) Environmental analysis. Prior to disposal of any real property, the Military Department shall, consistent with NEPA and section 2905 of the Defense Base Closure and Realignment Act of 1990, as amended (10 U.S.C. 2687 note), complete an environmental impact analysis of all reasonable disposal alternatives. The Military Department shall consult with the LRA throughout the environmental impact analysis process to ensure both that the LRA is provided the most current environmental information available concerning the installation, and that the Military Department receives the most current information available concerning the LRA’s redevelopment plans for the installation.

(c) Disposal. Upon receipt of a notice of approval of an application from HUD under § 586.35(c)(1) or § 586.35(d)(2), DoD shall dispose of buildings and property in accordance with the record of decision or other decision document prepared under § 586.45(b). Disposal of buildings and property to be used as homeless assistance facilities shall be to either the LRA or directly to the representative(s) of the homeless and shall be without consideration. Upon receipt of a notice from HUD under § 586.40(b), DoD will dispose of the buildings and property at the installation in consultation with HUD and the LRA.

(d) LRA’s responsibility. The LRA shall be responsible for the implementation of and compliance with legally binding agreements under the application.

(e) Reversions to the LRA. If a building or property reverts to the LRA under a legally binding agreement under the application, the LRA shall take appropriate actions to secure, to the maximum extent practicable, the utilization of the building or property by other homeless representatives to assist the homeless. An LRA may not be required to utilize the building or property to assist the homeless.

PART 590—URBAN HOMESTEADING

Sec. 590.1 General.
590.3 [Reserved]
590.5 Definitions.
590.7 Program requirements.
590.9–590.18 [Reserved]
590.19 Use of section 810 funds.
590.21 [Reserved]
590.23 Program close-out.
590.25 Retention of records.
590.27 Audit.
590.29 HUD review of LUHA performance.
590.31 Corrective and remedial action.

SOURCE: 54 FR 23937, June 2, 1989, unless otherwise noted.

§ 590.1 General.

This part applies to the completion of activities remaining under the Urban Homesteading Program authorized under section 810(b) of the Housing and Community Development Act of 1974 (12 U.S.C. 1706e). Authority to reimburse Federal agencies for transfer of additional properties to LUHAs under this part was repealed effective October 1, 1991.

[61 FR 7062, Feb. 23, 1996]

§ 590.3 [Reserved]

§ 590.5 Definitions.

Act means section 810 of the Housing and Community Development Act of 1974, as amended from time to time.

Applicant means any State or unit of general local government that applies for HUD approval of a local urban
homesteading program under these regulations.

Homesteader means an individual or family that participates in a local urban homesteading program by agreeing to rehabilitate and occupy a property in accordance with § 590.7(b)(5).

Local urban homesteading agency (LUHA) means a State, a unit of general local government, or a public agency or qualified community organization designated in accordance with § 590.7(c) by a State or a unit of general local government.

Local urban homesteading program means the operating procedures and requirements developed by a LUHA and approved by HUD in accordance with this part for selecting and conveying federally-owned properties to qualified homesteaders.

Low-income families means those families and individuals whose adjusted incomes do not exceed 80 per cent of the median income for the area, as determined by the Secretary under section 3(b)(2) of the United States Housing Act of 1937. Under the provision of 24 CFR part 813, the Secretary’s income limits for this purpose are updated annually and are available from the Housing Management Division in HUD field offices.

Qualified community organization has the meaning specified in § 590.7(c)(4).

Section 810 funds means funds available to reimburse HUD, FmHA, VA, or RTC (as applicable) for federally-owned property transferred to LUHAs in accordance with this part.

State means any State of the United States, any instrumentality of a State approved by the Governor, and the Commonwealth of Puerto Rico.

Unit of general local government means any city, county, town, township, parish, village, or other general purpose political subdivision of a State, Guam, the Virgin Islands, or American Samoa, or any general purpose political subdivision thereof: the District of Columbia; the Trust Territory of the Pacific Islands; and Indian tribes, bands, groups, and nations of the United States, including Alaska Indians, Aleuts, and Eskimos.

Urban homesteading neighborhood means any geographic area approved by HUD for the conduct of a local urban homesteading program that meets the requirements of this part.

§ 590.7 Program requirements.

(a) [Reserved]

(b) Development of local urban homesteading program. The applicant shall develop, in compliance with this part, a local urban homesteading program containing the following major elements:

(1) Selection and management of properties. The program shall include procedures for selecting federally-owned properties suitable for homesteading and for managing the properties before conditional conveyance to homesteaders. The program shall also provide that, by accepting title to a property under this part, the LUHA assumes liability for injury or damage to persons or property by reason of a defect in the dwelling, its equipment or appurtenances, or for any other reason related to ownership of the property.

(2) Homesteader selection. The program shall include equitable procedures for homesteader selection which:

(i) Exclude prospective homesteaders who own other residential property;

(ii) Take into account a prospective homesteader’s capacity to make or cause to be made the repairs and improvements required under the homesteader agreement, including the capacity to contribute a substantial amount of labor to the rehabilitation process, or to obtain assistance from private sources, community organizations, or other sources;

(iii) Provide that membership in, or other ties to, any private organization (including a qualified community organization) may not be made a factor affecting selection as a homesteader;

(iv) Include locally adopted criteria reasonably matching family size to the number of bedrooms in each property for which a homesteader is being selected, provided that a prospective homesteader who is a one person household shall not be permitted to receive a property having more than two bedrooms, unless there are no larger.

households on the waiting list, notwithstanding the relative standing of the respective households under the low-income priority (see § 590.7(b)(2)(v)).

(v) Provide that, before a property is offered to other prospective homesteaders who are eligible, the property will be offered to eligible low-income families, except that properties obtained under the RTC’s Affordable Housing Disposition Program (12 CFR part 1609) must be transferred to low-income families; and

(vi) Include other reasonable selection criteria which are consistent with this § 590.7(b)(2) and which shall be specified in the applicant’s application pursuant to § 590.11(a) and approved by HUD under § 590.13. Such selection criteria may include preferences for the selection of neighborhood residents or other local residents, but only to the extent that they are not inconsistent with this section and with affirmative marketing objectives under § 590.11(d)(5)(i). Such preferences based on residential location may not be based upon the length of time the prospective homesteader has resided in the jurisdiction or the neighborhood. Also, persons who are employed, or who have been notified that they have been hired, in the jurisdiction shall be extended any preference available to current residents.

(3) Conditional conveyance. The program shall provide for the conditional conveyance of federally-owned properties to homesteaders without any substantial consideration within one year, or less, of title transfer to the LUHA, unless otherwise approved by HUD in writing prior to the transfer.

(4) Financing. The program shall provide procedures for the LUHA to undertake, or to assist the homesteader in arranging, financing for the rehabilitation required under the homesteader agreement. Where direct Federal loans under section 312 of the Housing Act of 1964 (42 USC 1452b) are used as a rehabilitation financing resource by the LUHA, the LUHA shall make reasonable efforts to assist HUD in monitoring and securing compliance with the terms of the loan during the homesteader’s conditional title period.

(5) Homesteader agreement. The program shall provide for the execution, concurrent with or as a part of the conditional conveyance, of a homesteader agreement between the LUHA and the homesteader which shall require the homesteader:

(i) To repair, within one year from the date of conditional conveyance of the property to the homesteader, any defects that pose a substantial danger to health and safety;

(ii) To make or cause to be made additional repairs and improvements necessary to meet the applicable local standards for decent, safe, and sanitary housing within three years from the date of conditional conveyance of the property to the homesteader, and to comply with any energy conservation measures designated by the LUHA as part of the repairs;

(iii) To occupy the property as his or her principal residence for not less than five consecutive years from the date of initial occupancy except as otherwise approved in writing by HUD on a case-by-case basis when emergency conditions make compliance with this requirement infeasible;

(iv) To permit reasonable inspections at reasonable times by employees or designated agents of the LUHA to determine compliance with the agreement; and

(v) To surrender possession of, and any interest in, the property upon material breach of the homesteader agreement (including default on any rehabilitation financing secured by the property), as determined by the LUHA in accordance with this part.

(6) Monitoring and selecting successor homesteaders. The program shall provide that the LUHA will monitor the homesteader’s compliance with the homesteader agreement, will revoke the conditional conveyance and homesteader agreement upon any material breach by the homesteader, and, to the extent necessary and practicable, will select one or more successor homesteaders for the property. The LUHA shall make reasonable efforts to assure that any proposed successor homesteader assumes any section 312 loan on the property, subject to HUD approval of the terms of the assumption.
If the LUHA selects a successor homesteader, it shall require the successor homesteader to assume the original homesteader’s remaining obligations under his/her homesteader agreement and conditional conveyance in compliance with this part.

(7) Fee simple title. The program shall provide for the conveyance of fee simple title to the property from the LUHA to the homesteader, or successor homesteader, without substantial consideration upon compliance with the terms of the homesteader agreement and conditional conveyance.

(8) Homesteading infeasible; alternative use. If completion of homesteading proves, in the judgment of HUD, to be infeasible for any reason after a LUHA has accepted title to a federally-owned property, the LUHA shall not demolish, dispose of, rent or otherwise convert the property to its own use until HUD approves an alternative use.

(c) Designation of LUHA—(1) Responsibilities. Under the requirements of this § 590.7(c), the applicant shall designate a LUHA, which shall have primary responsibility for administering the local urban homesteading program for the applicant. Although the applicant may at any time amend its local urban homesteading program to designate a new LUHA, subject to HUD approval, neither the applicant nor the designated LUHA may delegate or contract out to another legal entity the function of accepting and conveying title to properties for homesteading purposes under this part. To the extent permitted by the applicant, the LUHA may use third parties as contractors, consultants, or agents to assist if in carrying out other functions and responsibilities with respect to the local urban homesteading program, by entering into a written agreement between the LUHA and the third party. No such agreement shall be deemed to relieve the LUHA or the applicant of responsibility for the third party’s actions in connection with the local urban homesteading program.

(2) Identity of LUHA. The LUHA must have legal authority to carry out a local urban homesteading program as described in this part, including the authority to accept and convey title to properties under paragraph (b) of this section.
successor homesteader, or to obtain alternative use approval from HUD under §590.7(b)(8), for properties conveyed to the LUHA for homesteading prior to close-out.

§ 590.25 Retention of records.

The LUHA shall maintain adequate financial records, property disposition documents, supporting documents, statistical records, and all other records pertinent to the local urban homesteading program until fee simple title has been conveyed to all homesteaders, generally a five-year period. The LUHA will also maintain current and accurate data on the race and ethnicity of program beneficiaries.

§ 590.27 Audit.

(a) Access to records. The Secretary, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to all books, accounts, records, reports, files, and other papers or property of LUHAs pertaining to funds or property transferred under this part, for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

(b) Audit. The LUHA’s financial management system shall provide for audits in accordance with 24 CFR part 44.

§ 590.29 HUD review of LUHA performance.

(a) HUD may review the performance of each active LUHA as necessary, as determined by HUD, to determine whether:

(1) The program complies with the urban homesteading program participation agreement and certifications, the Act, this part, and other applicable Federal laws and regulations;

(2) The LUHA is carrying out its program substantially as approved by HUD;

(3) The federally-owned properties the LUHA selects are suitable for homesteading and rehabilitation;

(4) The LUHA is making reasonable progress in moving properties through the stages of the homesteading process, including acquisition, homesteader selection, conditional conveyance, rehabilitation, and final conveyance.

(5) The improvements in neighborhood public facilities and services provided for in the coordinated approach toward neighborhood improvement are occurring on a timely basis; and

(6) The LUHA has a continuing administrative and legal capacity to carry out the approved program in a cost-effective and timely manner.

(b) In reviewing a LUHA’s performance, HUD will consider all available evidence, which may include, but need not be limited to, the following:

(1) Records maintained by the LUHA;

(2) Results of HUD’s monitoring of the LUHA’s performance;

(3) Audit reports, whether conducted by the LUHA or by HUD auditors;

(4) Records of comments and complaints by citizens and organizations; and

(5) Litigation history.

(c) LUHAs shall supply data and make available records necessary for HUD’s monitoring of the LUHA’s local urban homesteading program.

§ 590.31 Corrective and remedial action.

When HUD determines on the basis of its review that the LUHA’s performance does not meet the standards specified in §590.29(a), HUD shall take one or more of the following corrective or remedial actions, as appropriate in the circumstances:

(a) Issue a letter of warning that advises the LUHA of the deficiency and puts it on notice that HUD will take more serious corrective and remedial action if the LUHA does not correct the deficiency, or if it is repeated;

(b) Advise the LUHA to suspend, discontinue or not incur costs for identified defective aspects of the local program;

(c) [Reserved]

(d) In cases of continued substantial noncompliance, terminate the urban homesteading program participation agreement, close out the program and advise the LUHA of the reasons for such action; or

(e) Where HUD determines that a LUHA has, contrary to its obligations under §590.7(b), converted a property received under this part to its own use,
failed to adequately preserve and protect the property, failed to timely secure a homesteader for the property, or received excessive consideration for conveyance of the property, HUD may direct the LUHA to repay to HUD either the amount of compensation HUD finds that the LUHA has received for the property or the amount of section 810 funds expended for the property, as HUD determines appropriate.

PART 594—JOHN HEINZ NEIGHBORHOOD DEVELOPMENT PROGRAM

Subpart A—General

§ 594.1 Applicability and purpose.
(a) General. This part establishes as a permanent program the John Heinz Neighborhood Development Program, as authorized by section 832 of the Housing and Community Development Act of 1992. Previously, the program had been administered by the Department as a demonstration program under section 123 of the Housing and Urban-Rural Recovery Act of 1983 (42 U.S.C. 5318 note).

(b) Purpose. The program is intended to assist communities to become more viable, by providing incentive funds to carry out neighborhood development activities that benefit low- and moderate-income families. The program objectives are to increase the capacity of neighborhood organizations, promote long-term financial support for their neighborhood projects, and encourage greater participation of neighborhood organizations with private and public institutions.

§ 594.3 Definitions.

Empowerment zone means an area designated by HUD as an Empowerment Zone under 26 U.S.C. 1391–1393.

Grantee means an eligible neighborhood organization that executes a grant agreement with HUD under this part.

Low- and moderate-income persons means families and individuals whose incomes do not exceed 80 percent of the median income for the area, as determined by the Secretary of HUD in accordance with 42 U.S.C. 5302(a)(20).

Neighborhood development funding organization means:

(1) A depository institution, the accounts of which are insured pursuant to the Federal Deposit Insurance Act, 12 U.S.C. 1811 et seq., or the Federal Credit Union Act, 12 U.S.C. 1751 et seq., and any subsidiary (as such term is defined in 12 U.S.C. 1813(w)) thereof;

(2) A depository institution holding company and any subsidiary (as such term is defined in 12 U.S.C. 1813(w)) thereof; or

(3) A company at least 75 percent of the common stock of which is owned by one or more insured depository institutions or depository institution holding companies.

Neighborhood development funding organization means the same as the term is defined in §594.5.

Rural neighborhoods. In small cities with under 10,000 in population and in rural areas, a neighborhood area can be
the same unit as the unit of general local government.

Unit of general local government means a city, town, township, county, parish, village, or other general purpose political subdivision of a State; an urban county; the Federated States of Micronesia; the Marshall Islands; or a general purpose political subdivision thereof.

[60 FR 16359, Mar. 29, 1995, as amended at 61 FR 5211, Feb. 9, 1996]

Subpart B—Eligibility

§ 594.5 Eligible applicants.

(a) General requirements. To be eligible under this program, a neighborhood development organization must be located within the neighborhood for which assistance is to be provided. It cannot be a city-wide consortium, or, in general, an organization serving a large area of the city. The applicant must meet all of the following requirements:

(1) The organization must be incorporated as a private, voluntary, non-profit corporation under the laws of the State in which it operates;

(2) The organization must be responsible through a governing body to the residents of the neighborhood it serves, and not less than 51 percent of the members of the governing body must be residents of the neighborhood;

(3) The organization must have conducted business for at least one year;

(4) The organization must operate within an area that meets at least one of the following criteria:

   (i) The area meets the requirements for Federal assistance under section 119 of the Housing and Community Development Act of 1974, 42 U.S.C. 5318;

   (ii) The area is designated as an Enterprise Community or Empowerment Zone under Federal law as enacted;

   (iii) The area is designated as an enterprise zone under State law and is recognized by the Secretary as a State enterprise zone for purposes of this part; or

   (iv) The area is a qualified distressed community within the meaning of section 233(b)(1) of the Bank Enterprise Act of 1991, 12 U.S.C. 1844a(b)(1); and

(5) The organization must have conducted one or more eligible neighbor-

hood development activities that primarily benefit low- and moderate-income persons.

(b) Special eligibility. Any facility that provides small entrepreneurial business with affordable shared support services and business development services and that meets the requirements of paragraph (a) of this section may also be eligible to participate in this program.

§ 594.7 Other threshold requirements.

In addition, an applicant must meet the following threshold requirements:

(a) Specify a management business plan for accomplishing one or more of the eligible activities specified in §594.10;

(b) Specify a strategy for achieving greater long-term private sector support, especially in cooperation with a neighborhood development funding organization; and

(c) Specify a strategy for increasing the capacity of the applicant.

§ 594.10 Eligible activities.

Eligible activities include, but are not limited to, the following:

(a) Developing economic development activities that include:

   (1) Creating permanent jobs in the neighborhood; or

   (2) Establishing or expanding businesses within the neighborhood;

(b) Developing new housing, rehabilitating existing housing, or managing housing stock within the neighborhood;

(c) Developing delivery mechanisms for essential services that have lasting benefits to the neighborhood; and

(d) Planning, promoting, or financing voluntary neighborhood improvement efforts.

Subpart C—Funding Allocation and Criteria

§ 594.15 Allocation amounts.

(a) Amounts and match requirement. HUD will make grants, in the form of matching funds, to eligible neighborhood development organizations. HUD reserves the right to make grants for less than the maximum amount established by statute, and to limit the number of times a previous grantee can
receive funding. A Federal matching ratio will be established for each grantee in accordance with the statutory requirement that the highest ratios be established for neighborhoods having the greatest degree of economic distress or the smallest number of households.

(b) Administrative costs. The Secretary may use no more than 5 percent of the funds appropriated for the program for administrative or other expenses in connection with the program.

§594.17 General criteria for competitive selection.

(a) Criteria. HUD will use the following general criteria for selecting and ranking applications for all competitions for John Heinz Neighborhood Development Program funds. The relative values for the criteria will be indicated in each NOFA:

1. The degree of economic distress and the benefit to low- and moderate-income residents of the neighborhood;
2. The past performance in carrying out eligible activities, and staff capability;
3. The quality of the Management/ Business Plan;
4. The evidence of coordination and resident participation; and
5. The quality of the strategy to increase the capacity of the organization and the strategy developed for meeting long-term financial needs.

(b) Geographic diversity. The Department also reserves the right to fund applicants in other than rank order, for the purpose of achieving geographic balance.

Subpart D—Award and Use of Grant Amounts

§594.20 Submission procedures.

(a) Use of NOFAs. The Department will publish a Notice of Funding Availability (NOFA) in the Federal Register for each funding competition under this program, indicating the objective of the competition; the amount of funding available; the application procedures, including the eligible applicants and activities to be funded; and any special conditions applicable to the competition, including the requirements for the match. The NOFA also will describe the maximum points to be awarded under each evaluation criterion, for the purpose of ranking applications, and any special factors to be considered in assigning the points to each criterion.

(b) Applications shall be submitted in accordance with the time, place, and content described in the NOFA.

(Approved by the Office of Management and Budget under control number 2535–0084)

§594.23 Approval and certification procedures.

(a) Approval of application. HUD’s acceptance of an application for review does not imply a commitment to provide funding. HUD will provide notification of whether a project will be funded in accordance with the criteria and procedures set out in the applicable NOFA.

(b) Certifications. In the absence of independent evidence that tends to challenge in a substantial manner the certifications made by the applicant pursuant to §594.30, the required certifications will be accepted by HUD.

However, if independent evidence is available that tends to challenge in a substantial manner an applicant’s certification, HUD may require further information or assurances to be submitted in order to determine whether the applicant’s certification is satisfactory.

§594.25 Project administration.

Project administration will be governed by the terms of the grant agreement.

§594.28 Environmental reviews.

(a) For all proposed actions or activities that are not considered categorically excluded under 24 CFR 50.20, HUD will perform the appropriate environmental reviews under the National Environmental Policy Act (NEPA).

(b) Whether the action or activity is categorically excluded from NEPA review or not, HUD will comply also with other applicable requirements of environmental statutes, Executive Orders, and HUD standards listed in 24 CFR 50.4. The environmental reviews will be performed before award of a grant. Grantees shall adhere to all assurances applicable to environmental concerns.
§ 597.1 Applicability and scope.
(a) This part establishes policies and procedures applicable to urban Empowerment Zones and Enterprise Communities, authorized under subchapter U of the Internal Revenue Code of 1986, as amended, relating to the designation and treatment of Empowerment Zones, Enterprise Communities and Rural Development Investment Areas.
(b) This part contains provisions relating to area requirements, the nomination process for urban Empowerment Zones and urban Enterprise Communities, and the designation and administration of these Zones and Communities by HUD. Provisions dealing with the nomination and designation of rural Empowerment Zones and Enterprise Communities will be promulgated by the Department of Agriculture. HUD and the Department of Agriculture will consult in all cases in which nominated areas possess both urban and rural characteristics, and will utilize a flexible approach in determining the appropriate designation.

§ 597.2 Objective and purpose.
The purpose of this part is to provide for the establishment of Empowerment Zones and Enterprise Communities in urban areas, to stimulate the creation
§ 597.3 Definitions.

The terms HUD and Secretary are defined in 24 CFR part 5.

Designation means the process by which the Secretary designates urban areas as Empowerment Zones or Enterprise Communities eligible for tax incentives and credits established by subchapter U of the Internal Revenue Code of 1986, as amended (26 U.S.C. 1391 et seq.) and for special consideration for programs of Federal assistance.

Empowerment Zone means an urban area so designated by the Secretary pursuant to this part.

Enterprise Community means an urban area so designated by the Secretary pursuant to this part.

Local government means any county, city, town, township, parish, village, or other general purpose political subdivision of a State, and any combination of these political subdivisions which is recognized by the Secretary.

Nominated area means an area nominated by one or more local governments and the State or States in which it is located for designation pursuant to this part.

Population census tract means a census tract, or, if census tracts are not defined for the area, a block numbering area.

Poverty means the number of persons listed as being in poverty in the 1990 Decennial Census.

Revocation of designation means the process by which the Secretary may revoke the designation of an urban area as an Empowerment Zone or Enterprise Community pursuant to § 597.403.

State means any State of the United States.

Strategic plan means a strategy developed and agreed to by the nominating local government(s) and State(s) which have provided certifications of their authority to adopt such a strategy in their application for nomination, in consultation and cooperation with the residents of the nominated area, pursuant to the provisions of § 597.200(c). The plan must include written commitments from the local government(s) and State(s) that they will adhere to that strategy.

Urban area means:

(1) Any area that lies inside a Metropolitan Area (MA), as designated by the Office of Management and Budget; or

(2) Any area outside an MA if the jurisdiction of the nominating local government has a population of 20,000 or more, or documents the urban character of the area.

§ 597.4 Secretarial review and designation.

(a) Designation. The Secretary will review applications for the designation of nominated urban areas to determine the effectiveness of the strategic plans submitted by nominating State and local government(s) in accordance with § 597.200(c).

(b) Period of designation. The designation of an urban area as an Empowerment Zone or Enterprise Community shall remain in full effect during the period beginning on the date of designation and ending on the earliest of:

(1) The close of the tenth calendar year beginning on or after the date of designation;

(2) The termination date designated by the State and local governments in their application for nomination; or

(3) The date the Secretary modifies or revokes the designation, in accordance with § 597.402 or 597.403.

Subpart B—Area Requirements

§ 597.100 Eligibility requirements and data usage.

A nominated urban area may be eligible for designation pursuant to this part only if the area:

(a) Has a maximum population which is the lesser of:

(1) 200,000; or

(2) The greater of 50,000 or ten percent of the population of the most populous city located within the nominated area;
(b) Is one of pervasive poverty, unemployment and general distress, as described in § 597.102;
(c) Does not exceed twenty square miles in total land area;
(d) Has a continuous boundary, or consists of not more than three non-contiguous parcels;
(e) Is located entirely within the jurisdiction of the unit or units of general local government making the nomination, and is located in no more than two contiguous States; and
(f) Does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the poverty rate for each population census tract in the district is not less than 35 percent for an Empowerment Zone and 30 percent for an Enterprise Community.

§ 597.102 Tests of pervasive poverty, unemployment and general distress.

(a) Pervasive poverty. Pervasive poverty shall be demonstrated by the nominating entities by providing evidence that:
(1) Poverty is widespread throughout the nominated area; or
(2) Poverty has become entrenched or intractable over time (through comparison of 1980 and 1990 census data or other relevant evidence); or
(3) That no portion of the nominated area contains any component areas of an affluent character.
(b) Unemployment. Unemployment shall be demonstrated by:
(1) Data indicating that the weighted average rate of unemployment for the nominated area is not less than the national average rate of unemployment; or
(2) Evidence of especially severe economic conditions, such as military base or plant closings or other conditions which have brought about significant job dislocation within the nominated area.
(c) General distress. General distress shall be evidenced by describing adverse conditions within the nominated urban area other than those of pervasive poverty and unemployment. A high incidence of crime, narcotics use, homelessness, abandoned housing, and deteriorated infrastructure or substantial population decline, are examples of appropriate indicators of general distress.

§ 597.103 Poverty rate.

(a) General. The poverty rate shall be established in accordance with the following criteria:
(1) In each census tract within a nominated urban area, the poverty rate shall be not less than 20 percent;
(2) For at least 90 percent of the population census tracts within the nominated urban area, the poverty rate shall not be less than 25 percent; and
(3) For at least 50 percent of the population census tracts within the nominated urban area, the poverty rate shall be not less than 35 percent.
(b) Special rules relating to the determination of poverty rate—(1) Census tracts with no population. Census tracts with no population shall be treated as having a poverty rate which meets the requirements of paragraphs (a)(1) and (a)(2) of this section.
(2) Census tracts with populations of less than 2,000. A population census tract which has a population of less than 2,000 shall be treated as having a poverty rate which meets the requirements of paragraphs (a)(1) and (a)(2) of this section.
§ 597.200 Nominations by State and local governments.

(a) Nomination criteria. One or more local governments and the State or States in which an urban area is located may nominate such area for designation as an Empowerment Zone and/or as an Enterprise Community, if:

(1) The urban area meets the requirements for eligibility set forth in §§597.100 and 597.103;

(2) The urban area is within the jurisdiction of a State or States and local government(s) that have the authority to nominate the urban area for designation and that provide written assurances satisfactory to the Secretary that the strategic plan described in paragraph (c) of this section will be implemented;

(3) All information furnished by the nominating State(s) and local government(s) is determined by the Secretary to be reasonably accurate; and

(4) The State(s) and local government(s) certify that no portion of the area nominated is already included in an Empowerment Zone or Enterprise Community or in an area otherwise nominated to be designated under this section.

(b) Nomination for designation. No urban area may be considered for designation pursuant to subpart D of this part unless the nomination for designation:

(1) Demonstrates that the nominated urban area satisfies the eligibility criteria set forth at §597.100;

(2) Includes a strategic plan, as described in paragraph (c) of this section; and

(3) Includes such other information as may be required by HUD in the application or in a Notice Inviting Applications, to be published in the FEDERAL REGISTER.

(c) Strategic plan. Each application for designation must be accompanied by a strategic plan, which must be developed in accordance with four key principles, which will also be utilized to evaluate the plan. These principles are:

(1) Economic opportunity, including job creation within the community and throughout the region, as well as entrepreneurial initiatives, small business expansion and training for jobs that offer upward mobility;

(2) Sustainable community development, to advance the creation of liveable and vibrant communities through comprehensive approaches that coordinate economic, physical, community and human development;

(3) Community-based partnerships, involving the participation of all segments of the community, including the political and governmental leadership, community groups, health and social service groups, environmental groups, religious organizations, the private and non-profit sectors, centers of learning and other community institutions; and
(4) Strategic vision for change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It should also set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan.

(d) Elements of strategic plan. The strategic plan should:

(1) Indicate and briefly describe the specific groups, organizations, and individuals participating in the production of the plan and describe the history of these groups in the community;

(2) Explain how participants were selected and provide evidence that the participants, taken as a whole, broadly represent the racial, cultural and economic diversity of the community;

(3) Describe the role of the participants in the creation, development and future implementation of the plan;

(4) Identify two or three topics addressed in the plan that caused the most serious disagreements among participants and describe how those disagreements were resolved;

(5) Explain how the community participated in choosing the area to be nominated and why the area was nominated;

(6) Provide evidence that key participants have the capacity to implement the plan;

(7) Provide a brief explanation of the community’s vision for revitalizing the area;

(8) Explain how the vision creates economic opportunity, encourages self-sufficiency and promotes sustainable community development;

(9) Identify key needs of the area and the current barriers to achieving the vision for it, including a description of poverty and general distress, barriers to economic opportunity and development and barriers to human development;

(10) Discuss how the vision is related to the assets and needs of the area and its surroundings;

(11) Describe the ways in which the community’s approaches to economic development, social/human services, transportation, housing, sustainable community development, public safety, drug abuse prevention, and educational and environmental concerns will be addressed in a coordinated fashion; and

explain how these linkages support the community’s vision;

(12) Indicate how all Social Services Block Grant funds for designated Empowerment Zones and Enterprise Communities (EZ/EC SSBG funds) will be utilized.

(i) In doing so, the strategic plan shall provide the following information:

(A) A commitment by the applicant, as well as by the nominating State-chartered economic development corporation or State government(s) and local governments, that the EZ/EC SSBG funds will be used to supplement, not replace, other Federal or non-Federal funds available for financing for services or activities which can be used to achieve or maintain the goals outlined in paragraph (d)(12) of this section;

(B) A description of the entities that will administer the EZ/EC SSBG funds;

(C) A certification by such entities that they will provide periodic reports on the use of the EZ/EC SSBG funds; and

(D) A detailed description of all the activities to be financed with the EZ/EC SSBG funds and how all such funds will be allocated.

(ii) The EZ/EC SSBG funds must be used to achieve or maintain the following goals. The goals may be achieved by undertaking one or more of the following program options:

(A) The goal of economic self-support to prevent, reduce or eliminate dependencies, through one or more of the following program options:

(1) Funding community and economic development services focused on disadvantaged adults and youths, including skills training, transportation services and job, housing, business, and financial management counseling;

(2) Supporting programs that promote home ownership, education or other routes to economic independence for low-income families, youths, and other individuals;
(3) Assisting in the provision of emergency and transitional shelter for disadvantaged families, youths, and other individuals;

(B) The goal of self-sufficiency, including reduction or prevention of dependencies, through one or more of the following program options:

(i) Providing assistance to non-profit organizations and/or community and junior colleges that provide disadvantaged adults and youths with opportunities for short-term training courses in entrepreneurial and self-employment skills and other training that promotes individual self-sufficiency, and the interest of the community;

(ii) Funding programs to provide training and employment for disadvantaged adults and youths in construction, rehabilitation or improvement of affordable housing, public infrastructure and community facilities; and

(C) The goal of prevention or remedying the neglect, abuse or exploitation of children and/or adults unable to protect their own interest; and the goal of preservation, rehabilitation, or reuniting of families, through one or more of the following program options:

(i) Providing support for residential or non-residential drug and alcohol prevention and treatment programs that offer comprehensive services for pregnant women, and mothers and their children;

(ii) Establishing programs that provide activities after school hours, including keeping school buildings open during evenings and weekends for mentor and study programs.

(iii) Designated Empowerment Zone and Enterprise Communities may work to achieve or maintain the goals outlined in paragraphs (d)(12)(i)(A) and (B) of this section by using EZ/EC SSBG funds to capitalize revolving or micro-enterprise loan funds which benefit low-income residents of the designated Empowerment Zones and Enterprise Communities. Similarly, the Zones and Communities may work to achieve or maintain the goals outlined in paragraphs (d)(12)(ii)(A) and (B) of this section by using the EZ/EC SSBG funds to create jobs and promote economic opportunity for low-income families and individuals through matching grants, loans, or investments in community development financial institutions.

(iv) If the EZ/EC SSBG funds are to be used for program options not included in paragraph (d)(12)(ii) of this section, the strategic plan must indicate how the proposed activities meet the goals set forth in paragraph (d)(12)(ii) of this section and the reasons the approved program options were not pursued.

(v) To the extent that the EZ/EC SSBG funds are to be used for the program options included in paragraph (d)(12)(ii) of this section, they may be used for the following activities, in addition to those activities permitted by section 2065 of the Social Security Act (42 U.S.C. 1379d):

(A) To purchase or improve land or facilities;

(B) To make cash payments to individuals for subsistence or room and board;

(C) To make wage payments to individuals as a social service;

(D) To make cash payments for medical care; and

(E) To provide social services to institutionalized persons.

(vi) The State must obligate the EZ/EC SSBG funds in accordance with the strategic plan within 2 years from the date of payment to the State, or remit the unobligated funds to the Secretary of Health and Human Services (HHS).

(vii) The strategic plan must indicate how all the EZ/EC SSBG funds will be invested and used for the period of designation of the Empowerment Zone or Enterprise Community.

(viii) The strategic plan must provide for periodic reporting of information by the State in which the Empowerment Zone or Enterprise Community is located.

(13) Indicate how tax benefits for designated Zones and Communities, State and local resources, existing Federal resources available to the locality and additional Federal resources believed necessary to implement the strategic plan will be utilized within the Empowerment Zone or Enterprise Community.

(14) Indicate a level of commitment necessary to ensure that these resources will be available to the area upon designation;
(15) Identify the Federal resources applied for or for which applications are planned; if a strategic plan indicates how Community Development Block Grant (CDBG), HOME, Emergency Shelter Grant, and Housing Opportunities for People with AIDS (HOPWA) funds will be expended (for the entire locality including the nominated area), the strategic plan will be considered by the Office of Community Planning and Development at HUD toward satisfying the consolidated planning requirements that will soon be issued for these programs;

(16) Identify private resources and support, including assistance from business, non-profit organizations and foundations, which are available to be leveraged with public resources; and provide assurances that these resources will be made available to the area upon designation;

(17) Identify changes necessary to Federal rules and regulations necessary to implement the plan, including specific paperwork or other Federal program requirements that must be altered to permit effective implementation of the strategic plan; and

(18) Identify specific regulatory and other impediments to implementing the strategic plan for which waivers are requested, with appropriate citations and an indication whether waivers can be accomplished administratively or require statutory changes;

(19) Demonstrate how State and local governments will reinvent themselves to help implement the plan, by identifying changes that will be made in State and local organizations, processes and procedures, including laws and ordinances;

(20) Explain how different agencies in State and local governments will work together in new responsive ways to implement the strategic plan;

(21) Identify the specific tasks and timetable necessary to implement the plan;

(22) Describe the partnerships that will be established to carry out the plan;

(23) Explain how the plan will be regularly revised to reflect new information and opportunities; and

(24) Identify benchmarks and goals that should be used in evaluating performance in implementing the plan.

(e) Prohibition against business relocation. The strategic plan may not include any action to assist any establishment in relocating from one area outside the nominated urban area to the nominated urban area, except that assistance for the expansion of an existing business entity through the establishment of a new branch, affiliate, or subsidiary is permitted if:

(1) The establishment of a new branch, affiliate, or subsidiary will not result in a decrease in employment in the area of original location or in any other area where the existing business entity conducts business operations; and

(2) There is no reason to believe that the new branch, affiliate, or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where the existing business entity conducts business operations.

(f) Implementation of strategic plan. The strategic plan may be implemented by the local government(s) and/or by the State(s) nominating an urban area for designation and/or by non-governmental entities identified in the strategic plan. Activities included in the plan may be funded from any source, Federal, State, local, or private, which provides assistance in the nominated area.

(g) Activities included in strategic plan. A strategic plan may include, but is not limited to, activities which address:

(1) Economic problems, through measures designed to create job training and employment opportunities; support for business start-up or expansion; or development of community institutions;

(2) Human concerns, through the provision of social services, such as rehabilitation and treatment programs or the provision of training, education, or other services within the affected area;

(3) Community needs, such as the expansion of housing stock and homeownership opportunities, efforts to reduce homelessness, efforts to promote
§ 597.201 Evaluating the strategic plan.

The strategic plan will be evaluated for effectiveness as part of the designation process for nominated urban areas described in § 597.301. On the basis of this evaluation, HUD may negotiate reasonable modifications of the strategic plan or of the boundaries of a nominated urban area or the period for which such designation shall remain in full effect. The effectiveness of the strategic plan will be determined in accordance with the four key principles set forth in § 597.200(c). HUD will review each plan submitted in terms of the four equally weighted key principles, and of such other elements of these key principles as are appropriate to address the opportunities and problems of each nominated area which may include:

(a) Economic opportunity. (1) The extent to which businesses, jobs, and entrepreneurship increase within the Zone or Community;

(2) The extent to which residents will achieve a real economic stake in the Zone or Community;

(3) The extent to which residents will be employed in the process of implementing the plan and in all phases of economic and community development;

(4) The extent to which residents will be linked with employers and jobs throughout the entire region or metropolitan area, and the way in which residents will receive training, assistance, and family support to become economically self-sufficient;

(b) Sustainable community development—(1) Consolidated planning. The extent to which the plan is part of a larger strategic community development plan for the nominating locality and is consistent with broader regional development strategies;

(2) Public safety. The extent to which strategies such as community policing will be used to guarantee the basic safety and security of persons and property within the Zone or Community;

(3) Amenities and design. The extent to which the plan considers issues of design and amenities that will foster a sustainable community, such as open spaces, recreational areas, cultural institutions, transportation, energy, land and water uses, waste management, environmental protection, and the quality of life in the community;

(4) Sustainable development. The extent to which economic development will be achieved in a manner that protects public health and the environment;

(5) Supporting families. The extent to which the strengths of families will be supported so that parents can succeed at work, provide nurture in the home, and contribute to the life of the community;

(6) Youth development. The extent to which the development of children, youth, and young adults into economically productive and socially responsible adults will be promoted, and the extent to which young people will be provided with the opportunity to take responsibility for learning the skills, discipline, attitude, and initiative to make work rewarding;

(7) Education goals. The extent to which schools, religious institutions, non-profit organizations, for-profit enterprises, local governments and families will work cooperatively to provide all individuals with the fundamental skills and knowledge they need to become active participants and contributors to their community, and to succeed in an increasingly competitive global economy;

(8) Affordable housing. The extent to which a housing component, providing for adequate safe housing and ensuring
that all residents will have equal access to that housing is contained in the strategic plan;

(9) Drug abuse. The extent to which the plan addresses levels of drug abuse and drug related activity through the expansion of drug treatment services, drug law enforcement initiatives and community based drug abuse education programs;

(10) Equal opportunity. The extent to which the plan offers an opportunity for diverse residents to participate in the rewards and responsibilities of work and service. The extent to which the plan ensures that no business within a nominated Zone or Community will directly or through contractual or other arrangements subject a person to discrimination on the basis of race, color, national origin, gender or disability in its employment practices, including recruitment, recruitment advertising, employment, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation, or use of facilities.

(c) Community-based partnerships—(1) Community partners. The extent to which residents of the nominated area have participated in the development of the strategic plan and their commitment to implementing it, and the extent to which community-based organizations in the nominated area have participated in the development of the plan and their record of success measured by their achievements and support for undertakings within the nominated area; and the extent to which the plan integrates the local educational, social, civic, environmental and health organizations and reflects the prominent place that these institutions play in the life of a revitalized community;

(2) Private and non-profit organizations as partners. The extent to which partnership arrangements include commitments from private and non-profit organizations, including corporations, utilities, banks and other financial institutions, and educational institutions supporting implementation of the strategic plan;

(3) State and local government partners. The extent to which State and local governments are committed to providing support to implement the strategic plan, including their commitment to “reinventing” their roles and coordinating programs to implement the strategic plan; and

(4) Permanent implementation and evaluation structure. The extent to which a responsible and accountable implementation structure or process has been created to ensure that the plan is successfully carried out and that improvements are made throughout the period of the Zone or Community’s designation and the extent to which the partners agree to be bound by their commitments.

(d) Strategic vision for change—(1) Goals and coordinated strategy. The extent to which the strategic plan reflects a projection for the community’s revitalization which links economic, human, physical, community development and other activities in a mutually reinforcing, synergistic way to achieve ultimate goals;

(2) Creativity and innovation. The extent to which the activities proposed in the plan are creative, innovative and promising and will promote the civic spirit necessary to revitalize the nominated area;

(3) Building on assets. The extent to which the vision for revitalization realistically addresses the needs of the nominated area in a way that takes advantage of its assets;

(4) Benchmarks and learning. The extent to which the plan includes performance benchmarks for measuring progress in its implementation, including an on-going process for adjustments, corrections and building on what works.

§ 597.202 Submission of nominations for designation.

(a) General. A nomination for designation as an Empowerment Zone and/or Enterprise Community must be submitted for each urban area for which such designation is requested. The nomination shall be submitted in a form to be prescribed by HUD in the application and in the Notice Inviting Applications published in the Federal Register, and must contain complete and accurate information.

(b) Certifications. Certifications must be submitted by the State(s) and local government(s) requesting designation stating that:
§ 597.300

(1) The nominated urban area satisfies the boundary tests of § 597.100(d);

(2) The nominated urban area is one of pervasive poverty, unemployment and general distress, as prescribed by § 597.103;

(3) The nominated urban area contains no portion of an area that is either already designated as an Empowerment Zone and/or Enterprise Community, or is otherwise included in any other area nominated for designation as an Empowerment Zone and/or Enterprise Community;

(4) Each nominating governmental entity has the authority to:
   (i) Nominate the urban area for designation as an Empowerment Zone and/or Enterprise Community;
   (ii) Make the State and local commitments required by § 597.200(d); and
   (iii) Provide written assurances satisfactory to the Secretary that these commitments will be met.

(5) Provide assurances that the amounts provided to the State for the area under section 2007 of title XX of the Social Security Act will not be used to supplant Federal or non-Federal funds for services and activities which promote the purposes of section 2007;

(6) Provide that the nominating governments or corporations agree to make available all information requested by HUD to aid in the evaluation of progress in implementing the strategic plan and reporting on the use of Empowerment Zone/Enterprise Community Social Service Block Grant funds; and

(7) Provide that the nominating State agrees to distribute the Empowerment Zone/Enterprise Community Social Service Block Grant funds in accordance with the strategic plan submitted for the designated Zone or Community.

(c) Maps and area description. Maps and a general description of the nominated urban area shall accompany the nomination request.

§ 597.300 HUD action and review of nominations for designation.

(a) Establishment of submission procedures. HUD will establish a time period and procedures for the submission of nominations for designation as Empowerment Zones or Enterprise Communities, including submission deadlines and addresses, in a Notice Inviting Applications, to be published in the Federal Register.

(b) Acceptance for processing. (1) HUD will accept for processing those nominations for designation as Empowerment Zones or Enterprise Communities which HUD determines have met the criteria required by this part. HUD will notify the State(s) and local government(s) whether or not the nomination has been accepted for processing. The criteria for acceptance for processing are as follows:

(2) The nomination for designation as an Empowerment Zone or Enterprise Community must be received by HUD on or before the time on the date established by the Notice Inviting Applications published in the Federal Register. The nomination for designation as an Empowerment Zone or Enterprise Community must be complete and must be accompanied by a strategic plan, as required by § 597.200(c), and the certifications required by § 597.202(b).

(c) Evaluation of nominations. In the process of reviewing each nomination accepted for processing, HUD may undertake a site visit(s) to any nominated area to aid in the process of evaluation.

(d) Modification of the strategic plan, boundaries of nominated urban areas, and/or period during which designation is in effect. Subject to the limitations imposed by § 597.100, HUD may negotiate reasonable modifications of the strategic plan, the proposed boundaries of a nominated urban area, or the term for which a designation is to remain in full effect, to ensure maximum efficiency and fairness in the provision of assistance to such areas.

(e) Publication of designations. Announcements of those nominated urban areas designated as Empowerment Zones or Enterprise Communities will
be made by publication of a Notice in the Federal Register.

§ 597.301 Selection factors for designation of nominated urban areas.

(a) Selection factors. In choosing among nominated urban areas eligible for designation, the Secretary shall consider:

(1) The effectiveness of the strategic plan in accordance with the key principles and evaluative criteria set out in § 597.201;

(2) The effectiveness of the assurances made pursuant to § 597.200(a)(2) that the strategic plan will be implemented;

(3) The extent to which an application proposes activities that are creative and innovative in comparison to other applications; and

(4) Such other factors established by HUD. Such factors include, but are not limited to, the degree of need demonstrated by the nominated area for assistance under this part. If other factors are established by HUD, a Federal Register notice will be published identifying such factors, along with an extension of the application due date if necessary.

(b) Geographic diversity. HUD, in its discretion, may choose to select for designation a lower rated approvable application over a higher rated application in order to increase the level of geographic diversity of designations approved under this part.

Subpart E—Post-Designation Requirements

§ 597.400 Reporting.

HUD will require periodic reports for the Empowerment Zones and Enterprise Communities designated pursuant to this part. These reports will identify the community, local government and State actions which have been taken in accordance with the strategic plan. In addition to these reports, such other information relating to designated Empowerment Zones and Enterprise Communities as HUD shall request from time to time, including information documenting nondiscrimination in hiring and employment by businesses within the designated Empowerment Zone or Enterprise Community, shall be submitted promptly.

§ 597.401 Periodic performance reviews.

HUD will regularly evaluate the progress of the strategic plan in each designated Empowerment Zone and Enterprise Community on the basis of performance reviews to be conducted on site and other information submitted. HUD will also commission evaluations of the Empowerment Zone program as a whole by an impartial third party, at such intervals as HUD may establish.

§ 597.402 Validation of designation.

(a) Reevaluation of designations. On the basis of the performance reviews described in § 597.401, and subject to the provisions relating to the revocation of designation appearing at § 597.403, HUD will make findings on the continuing eligibility for and the validity of the designation of any Empowerment Zone or Enterprise Community. Determinations of whether any designated Empowerment Zone or Enterprise Community remains in good standing shall be promptly communicated to all Federal agencies providing assistance or administering programs under which assistance can be made available in such Zone or Community.

(b) Modification of designation. Based on an urban area’s success in carrying out its strategic plan, and subject to the provisions relating to revocation of designation appearing at § 597.403 and the requirements as to the number, maximum population and other characteristics of urban Empowerment Zones set forth in § 597.3, the Secretary may modify designations by reclassifying urban Empowerment Zones as Enterprise Communities or Enterprise Communities as Empowerment Zones.

§ 597.403 Revocation of designation.

(a) Basis for revocation. The Secretary may revoke the designation of an urban area as an Empowerment Zone or Enterprise Community if the Secretary determines, on the basis of the periodic performance review described at § 597.401, that the State(s) or local government(s) in which the urban area is located:
§ 597.500 Indian Reservations.

(1) Has modified the boundaries of the area;
(2) Has failed to make progress in achieving the benchmarks set forth in the strategic plan; or
(3) Has not complied substantially with the strategic plan.

(b) Letter of warning. Before revoking the designation of an urban area as an Empowerment Zone or Enterprise Community, the Secretary will issue a letter of warning to the nominating State(s) and local government(s):

(1) Advising that the Secretary has determined that the nominating local government(s) and/or State(s) has:
   (i) Modified the boundaries of the area; or
   (ii) Is not complying substantially with, or has failed to make progress in achieving the benchmarks set forth in the strategic plan prepared pursuant to § 597.200(c); and
(2) Requesting a reply from all involved parties within 90 days of the receipt of this letter of warning.

(c) Notice of revocation. After allowing 90 days from the date of receipt of the letter of warning for response, and after making a determination pursuant to paragraph (a) of this section, the Secretary may issue a final notice of revocation of the designation of the urban area as an Empowerment Zone or Enterprise Community.

(d) Notice to affected Federal agencies. HUD will notify all affected Federal agencies providing assistance in an urban Empowerment Zone or Enterprise Community of its determination to revoke any designation pursuant to this section or to modify a designation pursuant to § 597.402(b).

Subpart F—Special Rules

§ 597.500 Indian Reservations.

No urban Empowerment Zone or Enterprise Community may include any area within an Indian reservation.

§ 597.501 Governments.

If more than one State or local government seeks to nominate an urban area under this part, any reference to or requirement of this part shall apply to all such governments.

§ 597.502 Nominations by economic development corporations or the District of Columbia.

Any urban area nominated by an Economic Development Corporation chartered by the State in which it is located or by the District of Columbia shall be treated as nominated by a State and local government.

§ 597.503 Use of census data.

Population and poverty rate data shall be determined by the most recent decennial census data available.

PART 598—URBAN EMPOWERMENT ZONES: ROUND TWO AND THREE DESIGNATIONS

Subpart A—General Provisions

Sec.
598.1 Applicability and scope.
598.2 Objective and purpose.
598.3 Definitions.
598.4 Period of designation.

Subpart B—Eligibility Requirements

598.100 Eligibility requirements.
598.105 Data used for eligibility determinations.
598.110 Tests of pervasive poverty, unemployment and general distress.
598.115 Poverty rate.

Subpart C—Nomination Procedure

598.200 Who nominates an area for designation?
598.205 What are the requirements for nomination?
598.210 What certifications must governments make?
598.215 What are the purpose and content of the strategic plan?

Subpart D—Designation Process

598.300 Procedure for submitting a nomination.
598.305 Designation factors.

Subpart E—Post-Designation Requirements

598.400 HUD grants for planning activities.
598.405 Environmental review.
598.408 Lead-based paint requirements.
598.410 Public access to materials and proceedings.
598.415 Reporting.
598.420 Periodic progress determinations.
598.425 Validation of designation.
598.430 Revocation of designation.
Subpart F—Special Rules

598.300 Indian reservations.
598.305 Governments.
598.310 Nominations by Economic Development Corporations or the District of Columbia.
598.315 Alaska and Hawaii.

Subpart G—Empowerment zone grants

598.600 Applicability.
598.605 Implementation plan.
598.610 Resident benefit standards.
598.615 Economic development standards.
598.620 Evaluation, monitoring, and enforcement.

SOURCE: 63 FR 19155, Apr. 16, 1998, unless otherwise noted.

Subpart A—General Provisions

§ 598.1 Applicability and scope.

(a) This part establishes policies and procedures applicable to the second and third rounds of designations of urban Empowerment Zones, authorized under Subchapter U of the Internal Revenue Code of 1986 (26 U.S.C. 1391, et seq.), as amended. Any reference to, or requirement of, Round II in this part is also a reference to, or requirement of, Round III.

(b) This part contains provisions relating to area requirements, the nomination process for urban Empowerment Zones, and the designation and evaluation of these Zones by HUD. Provisions dealing with the nomination and designation of rural Empowerment Zones are issued by the Department of Agriculture.

[63 FR 19155, Apr. 16, 1998, as amended at 66 FR 35855, July 9, 2001]

§ 598.2 Objective and purpose.

The purpose of this part is to provide for the establishment of Empowerment Zones in urban areas, to stimulate the creation of new jobs—empowering low-income persons and families receiving public assistance to become economically self-sufficient—and to promote revitalization of economically distressed areas.

§ 598.3 Definitions.

In addition to the definitions of “HUD” and “Secretary” found in 24 CFR 5.100, the following definitions apply to this part.

Census tract means a census tract, as the term is used by the Bureau of the Census, or, if census tracts are not defined for the area, a block numbering area.

Designation means the process by which the Secretary designates urban areas as Empowerment Zones eligible for tax incentives and credits established by Subchapter U of the Internal Revenue Code of 1986, as amended (26 U.S.C. 1391, et seq.) and for special consideration for programs of Federal assistance.

Developable site means a parcel of land in a nominated area that may be developed for commercial or industrial purposes.

Empowerment Zone means an urban area so designated by the Secretary in accordance with this part.

HHS means the U.S. Department of Health and Human Services.

Local government means any county, city, town, township, parish, village, or other general purpose political subdivision of a State, and any combination of these political subdivisions that is recognized by the Secretary.

Nominated area means an area nominated by one or more local governments and the State or States in which it is located for designation in accordance with this part.

Revocation of designation means the process by which the Secretary may revoke the designation of an urban area as an Empowerment Zone. (See subpart E of this part.)

State means any State of the United States.

Urban area means:

(1) An area that lies inside a Metropolitan Statistical Area (MSA), as designated by the Office of Management and Budget; or

(2) An area outside an MSA if the jurisdiction of the nominating local government documents:

(i) The urban character of the area, or

(ii) The link between the area and the proposed area in the MSA.

§ 598.4 Period of designation.

The designation of an urban area as an Empowerment Zone will remain in full effect during the period beginning on the date of designation and ending on the earliest of:

(a) The close of the tenth calendar year beginning on the date of designation;

(b) The termination date designated by the State and local Governments in their application for nomination; or

(c) The date the Secretary modifies or revokes the designation.

Subpart B—Eligibility Requirements

§ 598.100 Eligibility requirements.

A nominated urban area is eligible for designation in accordance with this part only if the area:

(a) Has a maximum population that is the lesser of:

(1) 200,000; or

(2) The greater of 50,000 or ten percent of the population of the most populous city located within the nominated area;

(b) Is one of pervasive poverty, unemployment and general distress, as described in §598.110;

(c) Does not exceed twenty square miles in total land area, excluding up to three noncontiguous developable sites that are exempt from the poverty criteria;

(d) Has a continuous boundary, or consists of not more than three noncontiguous parcels meeting the poverty criteria, and not more than three noncontiguous developable sites exempt under §598.115(c)(1) from the poverty rate criteria;

(e) Is located entirely within the jurisdiction of the unit or units of general local government making the nomination, and is located in no more than two contiguous States; and

(f) Does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the poverty rate for each census tract in the district is not less than 35 percent.

§ 598.105 Data used for eligibility determinations.

(a) Source of data. The data to be used in determining the eligibility of an area is from the 1990 Decennial Census, and from information published by the Bureau of the Census and the Bureau of Labor Statistics. Specific information on appropriate data to be submitted will be provided in the application.

(b) Use of statistics on boundaries. The boundary of an urban area nominated for designation as an Empowerment Zone must coincide with the boundaries of census tracts, as defined in §598.3.

§ 598.110 Tests of pervasive poverty, unemployment and general distress.

(a) Pervasive poverty. Pervasive poverty is demonstrated by evidence that:

(1) Poverty, as indicated by the number of persons listed as being in poverty in the 1990 Decennial Census, is widespread throughout the nominated area; or

(2) Poverty, as described above, has become entrenched or intractable over time (through comparison of 1980 and 1990 census data or other relevant evidence).

(b) Unemployment. Unemployment is demonstrated by:

(1) The most recent data available indicating that the annual rate of unemployment for the nominated area is not less than the national annual average rate of unemployment; or

(2) Evidence of especially severe economic conditions, such as military base or plant closings or other conditions that have brought about significant job dislocation within the nominated area.

(c) General distress. General distress is evidenced by describing adverse conditions within the nominated urban area other than those of pervasive poverty and unemployment. Below average or decline in per capita income, earnings per worker, number of persons on welfare, per capita property tax base, average years of school completed, substantial population decline, and a high or rising incidence of crime, narcotics use, homelessness, high incidence of AIDS, abandoned housing, deteriorated infrastructure, school dropouts, teen pregnancy, incidence of domestic violence, incidence of certain health conditions and illiteracy are examples of
appropriate indicators of general distress.

§ 598.115 Poverty rate.

(a) General. In order to be eligible for designation, an area’s poverty rate must satisfy the following criteria:

(1) In each census tract within a nominated urban area, the poverty rate must be not less than 20 percent; and

(2) For at least 90 percent of the census tracts within the nominated urban area, the poverty rate must be not less than 25 percent.

(b) Special rules relating to the determination of poverty rate—(1) Census tracts with populations of less than 2,000. A census tract that has a population of less than 2,000 is treated as having a poverty rate that meets the requirements of paragraphs (a)(1) and (a)(2) of this section if more than 75 percent of the tract is zoned for commercial or industrial use, and the tract is contiguous to one or more other census tracts that have an actual poverty rate of not less than 25 percent.

(2) Rounding up of percentages. In making the calculations required by this section, the Secretary will round all fractional percentages of one-half percent or more up to the next highest whole percentage figure.

(c) Noncontiguous parcels. (1) Noncontiguous parcels that are developable sites are exempt from the poverty rate criteria of paragraph (a) of this section, for up to three developable sites.

(2) The total area of the noncontiguous parcels that are developable sites exempt from the poverty rate criteria of paragraph (a) of this section must not exceed 2,000 acres.

(3) A nominated urban area must not contain a noncontiguous parcel unless such parcel separately meets the criteria set forth at paragraphs (a)(1) and (2) of this section, except for up to three developable sites.

(4) There must not be more than three noncontiguous parcels, except that up to three developable sites are not included in this limit.

Subpart C—Nomination Procedure

§ 598.200 Who nominates an area for designation?

Applicants for empowerment zone designation must be nominated by the State or States and one or more local government(s) in which the area is located, except as provided in §§598.500, 598.510, and 598.515. The nomination must be submitted in a form to be prescribed by HUD in the application and in the document announcing the initiation of the designation process, and must contain complete and accurate information.

(Approved by the Office of Management and Budget under Control Number 2506-0148)

§ 598.205 What are the requirements for nomination?

(a) General. No urban area may be considered for designation in accordance with subpart D of this part unless:

(1) The urban area is within the jurisdiction of a State or States and local government(s) that have the authority to nominate the urban area for designation and that provide written assurances satisfactory to the Secretary that the strategic plan described in §598.215 will be implemented, and these governments submit its nomination;

(2) All information furnished by the nominating State(s) and local government(s) is determined by the Secretary to be reasonably accurate; and

(3) The application for designation is complete, as described in paragraph (b) of this section.

(b) Contents of application for designation. The application for designation of an urban area as an Empowerment Zone must do the following:

(1) Demonstrate that the nominated urban area satisfies the eligibility criteria set forth in subpart B of this part;

(2) Include a strategic plan, as described in §598.215;

(3) Include the certifications described in §598.210;

(4) Include the 1990 census maps showing the following:

(1) The boundaries of the local government(s); and
§ 598.210 What certifications must governments make?

Certifications must be submitted by the State(s) and local government(s) requesting designation stating that:

(a) The nominated urban area satisfies the boundary tests of §598.100(d);

(b) The nominated urban area is one of pervasive poverty, unemployment and general distress, as prescribed by §598.110;

(c) The nominated urban area contains no portion of an area that is included in an Empowerment Zone or any other area currently nominated for designation as an Empowerment Zone (but it may include an Enterprise Community);

(d) Each nominating governmental entity has the authority to:

(1) Nominate the urban area for designation as an Empowerment Zone;

(2) Make the commitments required of nominating entities by §598.215(b); and

(3) Provide written assurances satisfactory to the Secretary that the strategic plan will be implemented.

(e) Provide that the nominating governments or corporations agree to make available all information requested by HUD to aid in the evaluation of progress in implementing the strategic plan; and

(f) Provide assurances that the nominating governments will administer the Empowerment Zone program in a manner that affirmatively furthers fair housing on the basis of race, color, national origin, religion, sex, disability, and familial status (presence of children).

(Approved by the Office of Management and Budget under Control Number 2506–0148)

§ 598.215 What are the purpose and content of the strategic plan?

(a) Principles of strategic plan. The strategic plan, which accompanies the application for designation, must be developed in accordance with four key principles:

(1) Strategic Vision for Change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It also should set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan;

(2) Community-Based Partnerships, involving the participation of all segments of the community, including the political and governmental leadership, community groups, local public health and social service departments and nonprofit groups providing similar services, environmental groups, local transportation planning entities, public and private schools, religious organizations, the private and nonprofit sectors, centers of learning, and other community institutions and individual citizens;

(3) Economic Opportunity, including job creation within the community and throughout the region, entrepreneurial initiatives, small business expansion, job training and other important job readiness and job support services, such as affordable child care and transportation services, that may enable residents to be employed in jobs that offer upward mobility;

(4) Sustainable Community Development, to advance the creation of livable and vibrant communities through comprehensive approaches that coordinate economic, physical, environmental, community and human development. These approaches should preserve the environment and historic landmarks, address “brownfields”
(b) Elements of strategic plan. The strategic plan must include the following elements:

(1) Vision and values: The community’s strategic vision for change—a statement of what the community believes its future should be, and a statement of the community’s values that guided the creation of the vision. Explain how the vision creates economic opportunity, encourages self-sufficiency and promotes sustainable community development.

(2) Community assessment: A comprehensive assessment of existing conditions and trends within the community, which includes, as a minimum:

(i) Assessment of problems and opportunities. A description and assessment of the trends and conditions within the community and of the surrounding region that form the basis of the strategic plan. The assessment will include an analysis of the strengths and assets of the community and region, as well as needs and problems, and should include a description of poverty and general distress, barriers to economic development and barriers to human development; and

(ii) Resource analysis. An assessment of the resources available to the community, including potential resources outside the nominated area, to address identified problems and needs, and maximize opportunities that exist within the community. Such resources may include financial, technical, human, cultural, educational, leadership, volunteerism, communications, transportation and commerce centers, rail and mass transit linkages, redevelopable land (including land, such as ports, that can be designated as “developable sites” under the additional 2,000 acres available), public space, infrastructure, and other community and regional assets that form the basis for the formulation and implementation of the strategic plan.

(3) Goals: A statement of a comprehensive and holistic set of goals to be achieved through implementation of the strategic plan throughout the 10-year implementation period, and a statement of the strategies the community proposes to use to achieve the strategic plan goals, and the identification of priority objectives.

(4) Implementation plan: A detailed plan that outlines how the community will implement its strategic plan. The plan will include:

(i) Projects and programs. Provide, for the first two-year implementation period, the following:

(A) A narrative outlining the specific projects and programs that will be implemented that will result in the achievement of the community’s goals;

(B) Proposed timelines for implementing identified projects and programs;

(C) Identification of lead implementers of identified projects and programs, along with innovative partnerships that will be utilized to insure maximum community participation and project sustainability;

(D) Proposed budgets for each identified project or program, including projected costs, and sources of funding. Information on sources of funding will include whether the funding is anticipated or committed, and whether funding is conditioned upon the designation of the community as an Empowerment Zone. Evidence of committed funding is required, and may include letters of commitment, resolutions of support, or similar documentation as outlined in paragraph (b)(6) of this section. Funding may include cash and in-kind support from Federal, State and local governments, non-profit organizations, foundations, private businesses and other entities that will assist in the implementation of the strategic plan.

(E) Baselines and proposed measurable outputs;

(ii) Tax incentive utilization plan. A plan for integrating the new business tax incentives that are available to designated Empowerment Zones into
the nominated area's business development efforts. The Round II tax incentives include Tax-Exempt Bond Financing, Increased Section 179 Deduction, Welfare-to-Work Credit, Environmental Cleanup Cost Deduction (i.e., "Brownfields Tax Incentive"), and the Work Opportunity Tax Credit. For a description of the tax incentives, see IRS Publication 954, "Tax Incentives for Empowerment Zones and Other Distressed Communities";

(iii) Developable sites plan. If the nominated area is to include developable sites, a plan to describe how the use of these parcels would benefit residents and businesses of the nominated area;

(iv) Governance plan. A Governance Plan for the administration of the strategic plan implementation process, which will include the following:

(A) The name of the proposed lead implementing entity, and other major administrative entities and their proposed or actual legal status and authority to receive and administer Federal funds. The strategic plan may be implemented by the local governments(s) and/or by the State(s) nominating an urban area for designation and/or by nongovernmental entities identified in the strategic plan;

(B) Evidence that the lead implementing entity and other key entities participating in the strategic plan implementation have the capacity to implement the plan;

(C) Proposed composition and date of establishment of any governance boards, advisory boards, commissions or similar bodies that will be established to manage the implementation of the strategic plan. Specific information will be included regarding representation of citizens and businesses of the proposed Empowerment Zone area, and how members of the boards or commissions will be selected;

(D) The relationship between any governance structure created and local governments and other major community or regional organizations, such as a metropolitan planning organization, operating in the same geographic area;

(E) The methods by which stakeholders within the Zone will be kept informed about Zone activities and progress in implementing the strategic plan, including a description of plans for meetings open to the public. The community should utilize modern communication techniques and incorporate the Internet in order to enhance the communication and access to information among all stakeholders and participants; and

(F) The methods and procedures that will ensure continuing community and grassroots participation in the implementation of the strategic plan and in the governance of the Zone's activities.

(v) Community performance assessment. Methods the community will use to assess its own performance in implementing the strategic plan, and the process it will use to continually review the plan and amend as appropriate.

(5) Strategic planning process documentation: A description of the process the community used to select the boundaries of the proposed Empowerment Zone, including the developable sites, and to prepare the Strategic Plan. The documentation will:

(i) Explain how the community participated in choosing the area that is being nominated and why the area was nominated;

(ii) Indicate and briefly describe the specific groups, organizations, and individuals participating in the production of the plan and describe the history of these groups in the community;

(iii) Explain how participants were selected and provide evidence that the participants, taken as a whole, broadly represent the racial, cultural, gender, and economic diversity of the community;

(iv) Describe the role of the participants in the creation, development and future implementation of the plan; and

(v) Identify two or three topics addressed in the plan that caused the most serious disagreements among participants and describe how those disagreements were resolved; and

(6) Documentation of commitments: Letters of commitment, resolutions committing public or private resources, and other documentation that will demonstrate the level of public and private resources, both inside and outside the nominated area, that will be available to implement the Strategic Plan and increase economic opportunity in the nominated Empowerment Zone.
(c) **Prohibition against business relocation.** The strategic plan may not include any action to assist any establishment in relocating from one area outside the nominated urban area to the nominated urban area, except that assistance for the expansion of an existing business entity through the establishment of a new branch, affiliate, or subsidiary is permitted if:

1. The establishment of the new branch, affiliate, or subsidiary will not result in a decrease in employment in the area of original location or in any other area where the existing business entity conducts business operations; and
2. There is no reason to believe that the new branch, affiliate, or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where the existing business entity conducts business operations.

(Approved by the Office of Management and Budget under Control Number 2506-0148)

§ 598.405 Environmental review.

Where any EZ’s strategic plan or any revision thereof proposes the use of HUD EZ Grant Funds for activities...

Subpart E—Post-Designation Requirements

§ 598.400 HUD grants for planning activities.

(a) HUD will award planning grants up to $100,000 to each of the Empowerment Zones designated in accordance with this part.

(b) Eligible recipients for these grants are the lead unit of general local government that received designation under this part, or its designee. These recipients may subgrant all or part of the planning grant to qualified subgrantees, such as community organizations, agencies of local government, regional planning authorities, or planning consultants.

(c) Eligible planning activities include: hiring and development of staff, consulting services, publication of materials, community outreach and participation, governing board training, and similar activities that are intended to:

1. Expand the planning capacity of the designee local government, the governing board, and/or participating entities, such as community organizations;
2. Help the designee plan the implementation of the strategic plan; and
3. Help the designee to develop its performance measurement process.

(d) The document announcing the initiation of the designation process describes the procedures for award of these planning grants, post-award reporting requirements with respect to the grants, and the uniform requirements applicable to all Federal grants.

§ 598.405 Environmental review.

Where any EZ’s strategic plan or any revision thereof proposes the use of HUD EZ Grant Funds for activities...
that are not excluded from environmental review under 24 CFR 50.19(b), the EZ shall supply HUD with all available, relevant information necessary for HUD to perform any environmental review required by 24 CFR part 50.

[72 FR 71016, Dec. 13, 2007]

§ 598.408 Lead-based paint requirements.

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and the lead-based paint requirements set forth at part 35, subparts A, B, J, K, and R of this title apply to the activities funded by HUD under this program.

[69 FR 34275, June 21, 2004]

§ 598.410 Public access to materials and proceedings.

After designation, an area designated an EZ must make available to the public copies of the strategic plan and supporting documentation and must conduct its meetings in accordance with applicable open meetings statutes. HUD may make the strategic plan and supporting documentation available to members of the public.

§ 598.415 Reporting.

(a) Empowerment Zones designated in accordance with this part must submit periodic reports to HUD. These reports must identify the community, local government and State actions that have been taken in accordance with the strategic plan and provide notice of updates and modifications to the strategic plan. In addition to these reports, such other information relating to designated Empowerment Zones as HUD requests from time to time, including information documenting non-discrimination in hiring and employment by businesses within the designated Empowerment Zone, must be submitted promptly.

(b) The States must submit periodic reports to HUD, demonstrating compliance with the certifications it is required to submit in accordance with this part.

(Approved by the Office of Management and Budget under Control Number 2506–0148)

§ 598.420 Periodic progress determinations.

HUD will regularly evaluate the progress of implementation of the strategic plan in each designated Empowerment Zone on the basis of available information. HUD also may commission evaluations of the Empowerment Zone program as a whole by an impartial third party, at such intervals as HUD may establish.

§ 598.425 Validation of designation.

(a) On the basis of the periodic progress determinations described in §598.420, and subject to the provisions relating to the revocation of designation in §598.430, HUD will make findings on the continuing eligibility for and the validity of the designation of any Empowerment Zone.

(b) HUD may approve an Empowerment Zone’s request for boundary modification, subject to the requirements specified in subpart B of this part.

§ 598.430 Revocation of designation.

(a) Basis for revocation. The Secretary may revoke the designation of an urban area as an Empowerment Zone if the Secretary determines, on the basis of the periodic progress determination described at §598.420, that the State(s) or local government(s) in which the urban area is located:

(1) Has modified the boundaries of the area without written approval from HUD;

(2) Has failed to make progress in implementing the strategic plan; or

(3) Has not complied substantially with the strategic plan.

(b) Letter of warning. Before revoking the designation of an urban area and an Empowerment Zone, the Secretary will issue a letter of warning to the nominating State(s) and local government(s), with a copy to all affected Federal agencies of which the Secretary is aware;
(1) Advising that the Secretary has determined that the nominating local government(s) and/or State(s) has:
   (i) Modified the boundaries of the area without written approval from HUD; or
   (ii) Is not complying substantially with, or has failed to make progress in implementing the strategic plan; and

(2) Requesting a reply from the nominating entities within 90 days of the receipt of this letter of warning.

(c) Notice of revocation. To revoke the designation, the Secretary must issue a final notice of revocation of the designation of the urban area as an Empowerment Zone, after allowing 90 days from the date of receipt of the letter of warning for response, and after making a determination in accordance with paragraph (a) of this section.

(d) Notice to affected Federal agencies. HUD will notify all affected Federal agencies of which it is aware, of its determination to revoke any designation in accordance with this section.

(e) Effect of revocation. Upon revocation of an EZ’s designation, the designation and remaining benefits may be awarded to the next highest ranked Round II applicant.

(f) Publication. The final notice of revocation of designation will be published in the FEDERAL REGISTER, and the revocation will be effective on the date of publication.

(Approved by the Office of Management and Budget under Control Number 2506–0148)

§ 598.500 Indian reservations.

(a) An area within an Indian reservation (as defined in section 168(j)(6) if the Internal Revenue Code, 26 U.S.C. 168(j)(6)) may be included in an area nominated as an Empowerment Zone by State and local governments. An area completely within an Indian reservation may be nominated by the reservation governing body and, in that case, the area is treated as if it also were nominated by a State and a local government. Where two (or more) governing bodies have joint jurisdiction over an Indian reservation, the nomination of a reservation area must be a joint nomination.

(b) For purposes of paragraph (a) of this section, a reservation governing body must be the governing body of an Indian entity recognized and eligible to receive services from the Bureau of Indian Affairs, United States Department of Interior.

§ 598.515 Alaska and Hawaii.

A nominated area in Alaska or Hawaii is deemed to satisfy the criteria of distress, size, and poverty rate detailed in §598.100(b), (c), (d), and (f), and §598.110 if, for each census tract or block numbering area within the area, 20 percent or more of the families have income that is 50 percent or less of the statewide median family income (as determined under section 143 of the Internal Revenue Code).

Subpart G—Empowerment Zone Grants

SOURCE: 72 FR 71016, Dec. 13, 2007, unless otherwise noted.

§ 598.600 Applicability.

This subpart applies to a project or activity proposed by an Empowerment Zone after January 14, 2008 to be undertaken with funds appropriated by Congress and made available by HUD specifically for use by the EZ. These funds are referred to as “HUD EZ Grant Funds.”
§ 598.605 Implementation plan.

(a) Implementation plan content. An EZ must submit an implementation plan for HUD approval that addresses each project or activity proposed to be undertaken by the EZ with HUD EZ Grant Funds. The implementation plan must:

(1) Describe the project or activity;
(2) Identify the completion date or duration of the project or activity;
(3) Provide the total cost of the project or activity;
(4) Identify the amount of HUD EZ Grant Funds to be used for the project or activity; and
(5) Include a narrative description of how the project or activity meets the resident benefit and economic development standards of this subpart.

(b) Proposed funded project or activity. The project or activity proposed in the implementation plan is subject to the following requirements:

(1) The Federal requirements listed in 24 CFR 5.105;
(2) The governmentwide, Uniform Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments at 24 CFR part 85;
(3) The requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601 et seq.);
(4) The environmental review and approval requirements of 24 CFR part 50;
(5) The provisions of the Memorandum of Agreement (MOA) setting forth the obligations and requirements that the state and local governments, as Empowerment Zone designees, have agreed to meet as signatories of the agreement.
(6) Recipients of the HUD EZ Grant Funds also must adhere to the requirements set forth in the provisions of the grant agreement for HUD EZ Grant Funds.

§ 598.610 Resident benefit standards.

The project or activity described in an implementation plan submitted for HUD approval by an EZ to describe the planned use of HUD EZ Grant Funds must meet one of the following three standards of resident benefit for determining the amount of HUD EZ Grant Funds that may be used to fund a particular project or activity:

(a) Principal benefit standard—(1) Benefits other than jobs. If a majority (51 percent) of the direct beneficiaries of the project or activity described in the implementation plan reside within the EZ, the project or activity may be fully assisted with HUD EZ Grant Funds.
(2) Jobs benefit. In any case where the direct benefits to be provided by a project or activity described in an implementation plan will be in the form of jobs, the project may be fully assisted with HUD EZ Grant Funds if at least 35 percent of the jobs are taken by, or made available to, EZ residents. A job satisfies this 35 percent requirement if the EZ resident is employed by the employer for at least 90 days during the year. For purposes of this 35 percent requirement, an employer may rely on a certification by the employee that provides to the employer the address of the employee’s principal residence, and requires the employee to notify the employer of a change of the employee’s principal residence.
(3) Presumed benefit. Certain commercial revitalization activities that are located and undertaken in an EZ and that provide services to both EZ residents and non-residents (e.g., supermarkets, drug stores) will presume to meet the 51 percent principal benefit standard in paragraph (a)(1) of this section, provided that the EZ maintains written documentation that briefly describes the activity, its service area, and the rationale for presuming that the activity meets the 51 percent principal benefit standard.

(b) Proportional benefit standard. If a project or activity described in an implementation plan cannot meet the principal benefit standard of paragraph (a) of this section, the percent of the cost of the project or activity that may be assisted with HUD EZ Grant Funds may not be greater than the percent of all persons benefiting directly from the project or activity who reside within the EZ.

(c) Exception criterion. In any case where a proposed project or activity, including activities outside of the designated area, would not meet the standards of paragraph (a) or paragraph (b) of this section, HUD EZ
Grant Funds may be used where HUD determines that an implementation plan, accompanied by the facts that the EZ requests HUD to review and consider as justifying the exception, demonstrates substantial benefits to the EZ that would result from the project or other compelling reasons justifying the appropriateness of the implementation plan to the EZ’s strategic plan. A request by an EZ for an exception under paragraph (c) of this section will receive a response by HUD no later than 60 days from the date of the EZ’s request provided that the EZ’s request with all relevant information is considered complete no later than 45 days from the date of the EZ’s request.

§ 598.615 Economic development standards.

(a) Economic development standards. The project or activity in an implementation plan submitted for HUD approval by an EZ to describe the planned use of HUD EZ Grant Funds must meet one of the following economic development standards:

(1) Business development assistance. An activity that involves assisting a business in the EZ meets the standard, whether or not the business will create any new jobs. Any such activity must also meet the standards for benefiting a sufficient portion of EZ residents as required under §598.610. Qualifying activities include the use of HUD EZ Grant Funds to:
   (i) Assist in establishing a business;
   (ii) Expand a business, including efforts to stimulate the development or expansion of microenterprises; and
   (iii) Assisting businesses that provide goods or services within the EZ to remain within the EZ.

(2) Employment training and assistance. An activity that assists a person to take, or remain in, a job, subject to meeting the standards for benefiting a sufficient proportion of EZ residents as required under §598.610, including:
   (i) Job training;
   (ii) Provision of child care;
   (iii) Transportation to or from the place of employment or the place where job training is taking place; or
   (iv) Counseling persons on job-related skills, such as how to interview successfully for a job, and dress and act appropriately in the conduct of a job.

(3) Educational assistance. The provision of educational assistance meets the economic development standard only if the EZ’s implementation plan demonstrates that such education will be provided to persons who cannot qualify for available jobs because of the lack of some specific knowledge that would be given them through the course(s) to be provided. Any educational assistance provided must also meet the standard for benefiting a sufficient portion of EZ residents as required under §598.610.

(4) EZ administrative capacity. An activity that increases the capacity of governance board members or staff of the EZ’s lead agency to carry out their roles with respect to economic development projects expected to be assisted is eligible. This includes the cost of attending a conference on economic development. The use of HUD EZ Grant Funds for capacity building under this paragraph is deemed to provide adequate benefit to EZ residents.

(5) Public improvements. The provision of public improvements, such as extension of water or sewer capacity, or street widening, meets the economic development standard only if it is shown in the implementation plan that the lack of the improvements clearly is an impediment to the establishment, expansion or retention of one or more businesses in the EZ, and that the provision of the proposed public improvement would be limited as much as feasible to assisting the business or businesses. Any public improvements must also meet the standard for benefiting a sufficient portion of EZ residents as required under §598.610.

(b) Exception request. HUD may approve a project or activity that does not fall within any of the previous review standards of this section if the EZ provides evidence that, in some way, the project or activity can reasonably be seen as meeting the economic development standard. Such a project or activity must also meet the standards for benefiting a sufficient portion of EZ residents as required under §598.610. All requests for such an exception must be in writing, accompanied by the facts
that the EZ wants HUD to review and consider as justification. A request by an EZ for an exception under this paragraph (b) will receive a response by HUD no later than 60 days from the date of the EZ’s request provided that the EZ’s request with all relevant information is considered complete no later than 45 days from the date of the EZ’s request.

§ 598.620 Evaluation, monitoring, and enforcement.

(a) Progress, evaluation, and monitoring. HUD will review the performance of an EZ’s use of HUD EZ Grant Funds for compliance with this subpart as part of its regular evaluation process under 24 CFR 598.420, through on-site monitoring under 24 CFR 85.40(e), and by other appropriate means.

(b) Warning letter. If HUD has reason to believe that an EZ is not carrying out its funded activities in accordance with any applicable requirements, including the resident benefit and economic development standards of this subpart, HUD may forward a warning letter to the EZ informing it of a potential violation and recommending action to avoid a violation. A warning letter is not a prerequisite for any other action HUD may take.

(c) Notice of violation. If HUD determines that there appears to be a violation in the use of HUD EZ Grant Funds, it will notify the EZ of the alleged violation and the action HUD proposes to take under 24 CFR 85.43 or its successor regulation or if appropriate, 24 CFR 598.430.

(d) Response to notice. A notice sent to an EZ under paragraph (c) of this section will provide the EZ with at least 30 calendar days from the time HUD sends the notice to respond with any information to rebut or mitigate the alleged violation.

(e) Final action. If the EZ does not respond within the period specified pursuant to paragraph (d) of this section, HUD will make a final determination of the violation and may proceed to take the action proposed in the notice. If the EZ responds, HUD will consider the information received from the EZ and may request additional information. After considering the information received from the EZ, HUD will notify the EZ of HUD’s final determination and action, affirming, modifying, or repealing HUD’s initial determination of an alleged violation and proposed action.

PART 599—RENEWAL COMMUNITIES

Subpart A—General Provisions

Sec. 599.1 Applicability and scope.
599.3 Definitions.
599.5 Data used for eligibility determinations.

Subpart B—Eligibility Requirements for Nomination of Renewal Communities

599.101 Eligibility to submit nominations.
599.103 Geographic and population requirements for a nominated area.
599.105 Economic condition requirements for a nominated area.
599.107 Required State and local commitments.

Subpart C—Procedures for Nomination of Renewal Communities

599.201 Initiation of application process.
599.203 Basic application submission requirements.

Subpart D—Evaluation of Applications Nominating Renewal Communities

599.301 Initial determination of threshold requirements.
599.303 Rating of applications.

Subpart E—Selection of Nominated Areas To Be Renewal Communities

599.401 Ranking of applications.
599.403 Number of Renewal Communities to be designated.
599.405 Selection of Renewal Communities.
599.407 Notification of Renewal Community designations.

Subpart F—Post-Designation Requirements

599.501 Period for which Renewal Community designation is in effect.
599.503 Effect of Renewal Community designation on an EZ/EC.
599.505 Coordinating responsible authority (CoRA).
599.507 Tax incentives utilization plan.
599.509 Modification of commitments and plans.
599.511 Reports and other information.
599.513 Revocation of designation.
§ 599.1 Applicability and scope.
(a) This part establishes requirements and procedures applicable to the designation of Renewal Communities (RCs) through December 31, 2001, authorized under Subchapter X of the Internal Revenue Code of 1986 (26 U.S.C. 1400E, et seq.). HUD may choose to use these requirements and procedures in whole or in part for any future Renewal Community designations that may be authorized.

(b) This part contains provisions relating to area requirements, the nomination process for Renewal Communities, and the evaluation and designation of nominated areas by HUD.

§ 599.3 Definitions.
In addition to the definitions of “HUD” and “Secretary” found in 24 CFR 5.100, the following definitions apply to this part:

Census tract means a census tract, as the term is used by the Bureau of the Census, or, if census tracts are not defined for the area, a block numbering area.

Designation means the process by which the Secretary designates areas as Renewal Communities eligible for tax incentives and credits established by Subchapter X of the Internal Revenue Code of 1986, as amended (26 U.S.C. 1400E, et seq.) and for any additional assistance that may be made available.

Empowerment Zone (EZ) means an area so designated by the Secretary in accordance with 24 CFR part 597 or 24 CFR part 598.

Enterprise Community (EC) means an area so designated by the Secretary in accordance with 24 CFR part 597.

Local government means any county, city, town, township, parish, village, or other general purpose political subdivision of a State, and any combination of these political subdivisions that is recognized by the Secretary.

Metropolitan Area (MA) means an area as defined to be a Metropolitan Statistical Area or Primary Metropolitan Statistical Area by the Office of Management and Budget on June 30, 1999.

Nominated area means an area with a population of not more than 200,000 that is nominated by one or more local governments and the State or States in which it is located, or the governing body of the Indian reservation in which it is located, for designation in accordance with this part.

Renewal Community (RC) means an area so designated by HUD in accordance with this part.

Rural area means a nominated area: (1) Which is within a local government jurisdiction or jurisdictions with a population of less than 50,000; or (2) Which is outside of an MA; or (3) Which is determined by HUD, after consultation with the Secretary of Commerce, to be a rural area. An area may qualify as a rural area under this paragraph (3) of this definition if: (1) It is a nominated area that crosses jurisdictional boundaries; (2) The total population of the nominated area does not exceed 200,000; (iii) The nominated area as a whole would not satisfy the requirements of either paragraph (1) or (2) of this definition; (v) Each portion of the nominated area that is located within a separate jurisdiction meets the requirements of either paragraph (1) or (2) of this definition; and (vi) The area is specifically nominated as a rural area; or (4) Which does not meet the requirements of either paragraph (1), (2), or (3) of this definition but which is determined by HUD on a case-by-case basis, after consultation with the Secretary of Commerce, to be a rural area based on information submitted to demonstrate that the nominated area should be considered as a rural area.

State means any State of the United States.

Urban area means a nominated area that is not a rural area.

§ 599.5 Data used for eligibility determinations.
(a) Source of data. The data to be used in determining the population, poverty rate, unemployment rate and household income distribution information...
Subpart B—Eligibility Requirements for Nomination of Renewal Communities

§ 599.101 Eligibility to submit nominations.

(a) In general. Except as provided in paragraph (b) of this section, a nomination for the designation of an area as a Renewal Community must be submitted by one or more local governments and the State or States in which the nominated area is located.

(b) Nominated areas on Indian reservations. In the case of a nominated area on an Indian reservation, the reservation governing body (as determined by the Secretary of the Interior) must submit the nomination and shall be treated as being both the State and local governments with respect to the area for purposes of this part.

(c) Responsible official. The submission of an application, and any other action required of a nominating government under this part, such as the submission of a certification, must be performed by an official or employee authorized to act on behalf of the government for that purpose.

§ 599.103 Geographic and population requirements for a nominated area.

(a) Geographic requirements. A nominated area must meet the following geographic requirements to be eligible for designation as a Renewal Community:

(1) The area must be within the jurisdiction of one or more local governments.

(2) The boundary of the area must be continuous.

(i) The boundary line of the nominated area may be interrupted by jurisdictional boundaries, such as State or county lines, or natural boundaries, such as rivers, as long as the resulting area is entirely within the boundary line except for the interruptions.

(ii) The nominated area may enclose an area or areas that are excluded from the nominated area, as long as each enclosed area to be excluded is within a continuous boundary line.

(3) The nominated area may be any size, as long as it meets all of the requirements of this part.

(b) Population requirements—(1) In general. Except as provided in paragraph (b)(2) of this section, a nominated area must have a population of not more than 200,000 and at least:

(i) 4,000 if any portion of the area (other than a nominated rural area) is located within an MA which has a population of 50,000 or greater; or

(ii) 1,000 in any other case.

(2) Nominated areas on Indian reservations. A nominated area that is entirely within an Indian reservation (as determined by the Secretary of the Interior) is not subject to the population requirements of paragraph (b)(1) of this section.

§ 599.105 Economic condition requirements for a nominated area.

(a) Certification for economic requirements. An official or officials authorized to do so by the nominating State and local governments must certify in writing for HUD’s acceptance that the nominated area is an area of pervasive poverty, unemployment, and general distress, and that the nominated area meets the requirements of paragraphs (b), (c) and, in the case of urban areas, paragraph (d) of this section. HUD’s acceptance of the certification is subject to a review of data supporting the certification, as provided in paragraph (e) of this section.

(b) Unemployment requirement. A nominated area meets the unemployment requirement if the unemployment rate in the nominated area taken as a whole was at least one and one-half times (150% of) the national unemployment rate for the period to which such data relate.
(c) **Poverty requirement.** A nominated area meets the poverty requirement if the poverty rate for each population census tract within the nominated area is at least 20 percent. In the case of a nominated area that is within an Indian reservation, and cannot equivalently be described with census tracts, the poverty rate of the nominated area taken as a whole is considered for purposes of making this determination.

(d) **Income requirement for urban areas.** In the case of a nominated urban area, at least 70 percent of the households living in the nominated area must have incomes below 80 percent of the median income of households within the jurisdiction of the local government or governments in which the nominated area is located. The number of households below 80 percent of the median income in each census tract shall be the number of households with incomes below 80 percent of the Household Adjusted Median Family Income (HAMFI) in each census tract as determined by HUD.

(e) **HUD review of supporting data.**

(1) **Unemployment, poverty and income.** HUD will review 1990 census data to determine whether to accept a certification that a nominated area meets the requirements of paragraphs (b), (c) and (d) of this section.

(2) **Pervasive poverty, unemployment and general distress.**

(i) **Pervasive poverty.** Pervasive poverty is demonstrated by evidence that:

(A) Poverty, as indicated by the number of persons listed as being in poverty in the 1990 Decennial Census, is widespread throughout the nominated area; or

(B) Poverty, as described in paragraph (e)2(i)(A) of this section, has become entrenched or intractable over time (through comparison of 1980 and 1990 census data or other relevant evidence).

(ii) **Unemployment.** Unemployment is demonstrated by:

(A) The most recent data available indicating that the annual rate of unemployment for the nominated area is not less than the national annual average rate of unemployment; or

(B) Evidence of especially severe economic conditions, such as military base or plant closings or other conditions that have brought about significant job dislocation within the nominated area.

(iii) **General distress.** General distress is evidenced by describing adverse conditions within the nominated urban area other than those of pervasive poverty and unemployment. Below average or decline in per capita income, earnings per worker, number of persons on welfare, per capita property tax base, average years of school completed, substantial population decline, and a high or rising incidence of crime, narcotics use, homelessness, high incidence of AIDS, abandoned housing, deteriorated infrastructure, school dropouts, teen pregnancy, incidence of domestic violence, incidence of certain health conditions and illiteracy are examples of appropriate indicators of general distress.

§ 599.107 Required State and local commitments.

(a) **Commitment to a course of action.**

(1) **Agreement of State and local governments.** The nominating State and local governments must agree in writing that, for any period during which the area is a Renewal Community, the governments will follow a specified course of action which meets the requirements of paragraph (a)(2) of this section. If each nominating State and local government is a signatory to a course of action under paragraph (a)(2) of this section, a separate written agreement is not necessary to meet the requirements of this paragraph.

(2) **Course of action requirements.**

(i) **In general.** A course of action is a written document, signed by the nominated area’s State and/or local governments and community-based organizations which commits each signatory to undertake and achieve measurable goals and actions within the nominated area upon its designation as a Renewal Community.

(ii) **Community-based organizations.** For purposes of the course of action, “community-based organizations” includes for-profit and non-profit private entities, businesses and business organizations, neighborhood organizations, and community groups. Community-based organizations are not required to be located in the nominated area as
long as they commit to achieving the goals of the course of action in the Renewal Community.

(iii) Timetable. The course of action must include a timetable that identifies the significant steps and target dates for implementing the goals and actions.

(iv) Performance measures. The course of action must include a description of how the performance of the course of action will be measured and evaluated.

(v) Required goals and actions. The course of action must include at least four of the following:

(A) A reduction of tax rates or fees applying within the Renewal Community;

(B) An increase in the level of efficiency of local services within the Renewal Community, such as services for residents funded through the Federal Temporary Assistance for Needy Families program and related Federal programs including, for example, job support services, child care and after school care for children of working residents, employment training, transportation services and other services that help residents become economically self-sufficient;

(C) Crime reduction strategies, such as crime prevention, including the provision of crime prevention services by nongovernmental entities;

(D) Actions to reduce, remove, simplify, or streamline governmental requirements applying within the Renewal Community, such as:
   (1) Density bonus. Permission to develop or redevelop real property at a higher density level than otherwise permitted under the zoning ordinance, e.g., increased height or increased number of residential or business units;
   (2) Incentive zoning. Providing a density bonus or other real property-related incentive for the development, redevelopment, or preservation of a parcel in the designated area;

(E) Involvement in economic development activities by private entities, organizations, neighborhood organizations, and community groups, particularly those in the Renewal Community, including a commitment from such private entities to provide jobs and job training for, and technical, financial, or other assistance to, employers, employees, and residents from the Renewal Community;

(F) The gift or sale at below fair market value of surplus real property held by State or local governments, such as land, homes, and commercial or industrial structures in the Renewal Community to neighborhood organizations, community development corporations, or private companies.

(3) Certification requirement for crime incidence. If preference points are being sought for the nominated area because it qualifies for preference points in accordance with §599.303(c)(1), the course of action must contain a certification by each nominating State and local government of the 1999 Local Crime Index rate per 100,000 inhabitants (LCI) determined for the nominated area. The offenses used in determining the LCI are the violent crimes of murder
and nonnegligent manslaughter, forcible rape, robbery, and aggravated assault, and the property crimes of burglary, larceny-theft, and motor vehicle theft.

(b) Economic growth promotion requirements—(1) Required certification. The State and local governments in which a nominated area is located must certify in writing that they have repealed or reduced, will not enforce, or will reduce within the nominated area at least four of the following:

(i) Licensing requirements for occupations that do not ordinarily require a professional degree;

(ii) Zoning restrictions on home-based businesses which do not create a public nuisance;

(iii) Permit requirements for street vendors who do not create a public nuisance;

(iv) Zoning or other restrictions that impede the formation of schools or child care centers; and

(v) Franchises or other restrictions on competition for businesses providing public services, including taxicabs, jitneys, cable television, or trash hauling.

(2) Exception. The requirements of paragraph (b)(1) of this section do not apply to the extent that a regulation of businesses and occupations is necessary for and well-tailored to the protection of health and safety. The certifications required under paragraph (b)(1) of this section may be limited to exclude or include specific businesses and occupations.

(c) Recognition of past efforts. The course of action and economic growth requirements under paragraphs (a) and (b), respectively, of this section are not limited to future goals and actions. Past efforts within the previous eight years, either completed or on-going, of the nominating State or local governments to undertake any of the goals or actions listed in paragraph (a)(2)(v) or (b)(1) of this section qualify to meet these requirements. If past efforts are used, the nominating governments must identify which of the required goals and actions listed in paragraph (a)(2)(v) or (b)(1) of this section they address; the timetable for their continued implementation, if on-going; and the community-based organizations involved, if any.

Subpart C—Procedures for Nomination of Renewal Communities

§ 599.201 Initiation of application process.

(a) Federal Register notice. To initiate the nomination process for Renewal Communities, HUD will publish a notice inviting applications for the designation of Renewal Communities in the FEDERAL REGISTER.

(b) Contents. The notice inviting applications will include specific information as to due dates and submission requirements.

§ 599.203 Basic application submission requirements.

The basic application submission requirements for nominating an area as a Renewal Community are:

(a) Identification of the nominated area. An application must identify the census tracts that constitute the nominated area. The nominated area must meet all of the eligibility requirements of subpart B of this part.

(b) State and local commitments. An application must include the documents evidencing compliance with State and local commitments required by §599.107.

(c) Public notice certification. An application must include a certification, signed by a responsible official or employee of each nominating State and local government, that the public was provided notice of, and an opportunity to participate in, the application development process. Notice and opportunity to participate may include procedures such as placing announcements in newspapers or other media, holding public meetings, and soliciting comments.
§ 599.301 Initial determination of threshold requirements.

(a) Two threshold requirements. Before rating and ranking an application, HUD will review it to determine if the application meets both of the following thresholds:

(1) Eligibility of the nominated area. This threshold is met if HUD determines that the nominated area as identified in the application meets all of the area eligibility requirements of subpart B of this part.

(2) Adequacy of State and local commitments. This threshold is met if HUD determines that the documents in the application evidencing compliance with the required State and local commitments meet all of the course of action and economic growth promotion requirements of § 599.107.

(b) Failure to meet threshold requirements—(1) No rating or ranking. An application that does not meet both of the threshold requirements by the application due date specified in the published notice inviting applications will not be rated or ranked for further Renewal Community consideration.

(2) Opportunity to correct failure. HUD will notify an applicant of the threshold deficiencies in its application. An applicant may submit additional information and take any other action required to correct the deficiencies and meet the threshold requirements until the due date for applications specified in the published notice inviting applications.

§ 599.303 Rating of applications.

(a) In general. Each application that qualifies by meeting the threshold requirements will receive a score based on its ranking, as described in paragraph (b) of this section, plus any preference points, as described in paragraph (c) of this section.

(b) Ranking score. Each nominated area meeting the minimum thresholds will be ranked from highest to lowest according to the area poverty rate, area unemployment rate, and for urban areas, the percentage of families below 80 percent of area median income. Urban nominated areas will be ranked separately from rural nominated areas. The percentile rank will be determined by dividing these rankings by the total number of nominated areas ranked and multiplying the result by 100. The average ranking will be determined by computing the simple average of the percentile ranks for each nominated area. To create a 100 point scale, the average rankings will be subtracted from 100.

(c) Preference points—(1) Incidence of crime. A nominated area may receive a maximum of 1, 2, or 4 crime incidence preference points as follows:

(i) Number of points awarded. A nominated area will receive 1 additional point if its 1999 Local Crime Index (LCI), as determined on the basis of data from each State and local law enforcement authority with jurisdiction in the nominated area, does not exceed by more than 25% the nation-wide 1999 Crime Index rate per 100,000 inhabitants (CI) prepared as part of the FBI’s Uniform Crime Reporting (UCR) Program. A preference of 2 points will be added to the score of a nominated area with an LCI that does not exceed the CI by more than 10 percent. A nominated area that has an LCI that is less than the CI will receive 4 preference points.

(ii) Qualifying for preference points. To qualify for preference points based on the incidence of crime, the nominating governments must determine and then certify to the LCI determined for the nominated area, in accordance with § 599.107(a)(3).

(2) Preference points for certain census tracts. A nominated area will receive one preference point if any of its census tracts is a census tract identified in GAO Report RCED–98–158R, dated May 12, 1998. (The GAO Report is available from U.S. General Accounting Office, P.O. Box 37050, Washington, DC 20013 or http://www.gao.gov.)
accordance with §599.303, with the highest scoring applications ranked first.

(b) Separate ranking categories. After initial ranking, both rural and urban applications will be separated into two ranking categories:

(1) Category 1. Applications for designation of nominated areas that are Enterprise Communities or Empowerment Zones will be placed into Category 1 in rank order.

(2) Category 2. Applications for designation of nominated areas that are not placed into or selected from Category 1 will be placed into Category 2 in rank order.

§ 599.403 Number of Renewal Communities to be designated.

(a) In general. Except as provided in paragraph (b) of this section, the total number of Renewal Communities to be designated and the distribution of designations between urban and rural areas are as follows:

(1) Total number. The total number of nominated areas to be selected for designation as Renewal Communities is 40.

(2) Rural areas. HUD will select at least 12 rural areas for designation as Renewal Communities. If HUD does not receive at least 12 eligible rural area applications for Renewal Community designation, the number of rural area designations will be the number of eligible rural area applications received by HUD.

(3) Urban areas. The number of urban areas selected for designation as Renewal Communities will be the number remaining after subtracting the number of rural areas selected from 40.

(b) Less than 40 eligible applications. If HUD receives fewer than 40 eligible applications nominating areas, the total number of nominated areas to be selected for designation as Renewal Communities will be the total number of eligible applications.

§ 599.405 Selection of Renewal Communities.

(a) Selection of Category 1 applications—(1) Six or less rural nominations. If there are six or fewer Category 1 rural area nominations, HUD will select all of the nominated rural areas in Category 1 for designation as Renewal Communities. HUD will then select the highest ranking Category 1 urban area nominations, but will not exceed a total of 20 Category 1 designations.

(2) More than six rural nominations. If there are more than six Category 1 rural area nominations, HUD will select the six highest ranked Category 1 rural applications, and will then select, in rank order, the highest ranking Category 1 area nominations, whether urban or rural, until not more than a total of 20 Category 1 designations is made.

(b) Selection of Category 2 applications. After not more than 20 Category 1 designations are made in accordance with paragraph (a) of this section, any remaining Category 1 applications will be placed back in rank order into Category 2, with selections for a combined Category 1 and Category 2 total of not more than 40 designations made as follows:

(1) Less than six Category 1 rural applications. If the number of rural area applications selected in Category 1 is less than six, HUD will select the highest ranking rural area applications in Category 2 until the total number of rural areas selected is 12. The remaining designations will be made from both rural and urban areas in rank order. If there are fewer than 12 eligible rural applications overall, counting both Category 1 and Category 2, all of the eligible rural applications will be selected.

(2) Six or more Category 1 rural applications. If the number of rural area applications selected in Category 1 is six or more, HUD will select the six highest Category 2 rural applications. The remaining designations will be made from both rural and urban areas in rank order.

(c) Effective date of designation. The effective date of designation as a Renewal Community is the date a nominated area is selected in accordance with this section.

§ 599.407 Notification of Renewal Community designations.

(a) Notification of applicant. HUD will notify each applicant of the designation of its nominated area as a Renewal Community.
§ 599.501 Period for which Renewal Community designation is in effect.

Any designation of an area as a Renewal Community will remain in effect during the period beginning on January 1, 2002, and ending on the earliest of:

(a) December 31, 2009;
(b) The termination date designated by the State and local governments in their nomination application, if any; or
(c) The date HUD revokes the designation.

§ 599.503 Effect of Renewal Community designation on an EZ/EC.

The designation of any area as an Empowerment Zone or Enterprise Community shall cease to be in effect as of the date that the designation of any portion of such area as a Renewal Community takes effect.

§ 599.505 Coordinating responsible authority (CoRA).

Within 30 days of the Renewal Community designation, the State and local governments in which the area is located must submit to HUD information identifying the coordinating responsible authority (CoRA), which is the entity, organization or persons with the responsibility and authority to achieve the State and local government commitments made at the time of application as required by §599.107 and to undertake the development and administration of policies, procedures and activities to implement and maximize the Federal, State and local benefits made available in the Renewal Community.

§ 599.507 Tax incentives utilization plan.

(a) Preliminary plan. Within six months of designation, the CoRA must prepare and submit to HUD a preliminary tax incentives utilization plan for achieving the State and local commitments made at the time of application as required by §599.107 and implementing and maximizing the Federal, State and local benefits made available in the Renewal Community.

(b) Final plan. Within twelve months of designation, the CoRA must prepare and submit to HUD the final tax incentives utilization plan for achieving the State and local commitments made at the time of application as required by §599.107 and implementing and maximizing the Federal, State and local benefits made available in the Renewal Community.

(c) Community participation. The CoRA must ensure that the preliminary and final tax incentives utilization plans are developed with the participation of the residents and community organizations in the Renewal Community.

(d) Coordination with Consolidated Plan and Indian Housing Plan. The tax incentives utilization plan must include a certification that it is consistent with the Consolidated Plan prepared in accordance with 24 CFR part 91 or the Indian Housing Plan prepared in accordance with 24 CFR part 1000, as applicable.

(e) HUD technical assistance. HUD will provide technical assistance as authorized to assist the CoRA in preparing the required tax incentives utilization plans.

§ 599.509 Modification of commitments and plans.

The CoRA may submit requests to HUD to modify the State and local commitments made at the time of application as required by §599.107 and the tax incentives utilization plans required by §599.505. Requests must provide evidence to support the proposed modifications. HUD will review the proposed modification for consistency with regulatory and statutory requirements and approve, suggest additional or alternate modifications or deny the request within 30 days.

§ 599.511 Reports and other information.

The CoRA and the State or local governments in which the Renewal Community is located must submit such
§ 599.513 Revocation of designation.

(a) Basis for revocation. HUD may revoke the Renewal Community designation of an area if HUD determines that the CoRA or the State or local governments in which the area is located:

(1) Have modified the boundaries of the area; or

(2) Are not complying substantially with, or fail to make progress in achieving the State and local commitments made at the time of application as required by § 599.107.

(b) Letter of warning. Before revoking the Renewal Community designation of an area, HUD will issue a letter of warning to the CoRa and the State and local governments in which the area is located, with a copy to all affected Federal agencies of which HUD is aware:

(1) Advising that HUD has determined that the CoRA and/or State and/or local governments in which the area is located have:

(i) Modified the boundaries of the area without written approval from HUD; or

(ii) Are not complying substantially with, or have failed to make progress in achieving the State and local commitments made at the time of application as required by § 599.107; and

(2) Requesting a reply from the CoRa and State and local governments in which the area is located within 90 days of the receipt of this letter of warning.

(c) Notice of revocation. To revoke the designation, HUD must issue a final notice of revocation of the designation of the area as a Renewal Community, after allowing 90 days from the date of receipt of the letter of warning for response, and after making a determination in accordance with paragraph (a) of this section.

(d) Notice to affected Federal agencies. HUD will notify all affected Federal agencies of which it is aware, of its determination to revoke any designation in accordance with this section.

(e) Effect of revocation. Upon revocation of a Renewal Community designation, the designation and applicable benefits cease to be available in the area.

(f) Publication. The final notice of revocation of designation will be published in the Federal Register, and the revocation will be effective on the date of publication.
A list of CFR titles, subtitles, chapters, subchapters and parts and an alphabetical list of agencies publishing in the CFR are included in the CFR Index and Finding Aids volume to the Code of Federal Regulations which is published separately and revised annually.
