

§ 162.526 [Reserved]**§ 162.527 Must a lessee provide insurance for a WEEL?**

Except as provided in paragraph (d) of this section, a lessee must provide insurance necessary to protect the interests of Indian landowners and in the amount sufficient to protect all insurable permanent improvements on the leased premises.

(a) The insurance may include property, crop, liability, and casualty insurance, depending on the Indian landowners' interests to be protected.

(b) Both the Indian landowners and the United States must be identified as additional insured parties.

(c) Lease insurance may be increased and extended for use as the required WSR lease insurance.

(d) We may waive the requirement for insurance upon the request of the Indian landowner, if a waiver is in the best interest of the Indian landowner, including if the lease is for less than fair market rental or nominal compensation. For tribal land, we will defer, to the maximum extent possible, to the tribe's determination that a waiver is in its best interest.

(3) The legal entity is in good standing and authorized to conduct business in the jurisdiction where the land is located.

§ 162.529 Will BIA review a proposed WEEL before or during preparation of the NEPA review documentation?

Upon request of the Indian landowners, we will review the proposed WEEL after negotiation by the parties, before or during preparation of the NEPA review documentation. Within 10 days of receiving the proposed WEEL, we will provide an acknowledgement of the terms of the lease and identify any provisions that, based on this acknowledgment review, would justify disapproval of the lease, pending results of the NEPA review.

§ 162.530 What is the approval process for a WEEL?

(a) Before we approve a WEEL, we must determine that the WEEL is in the best interest of the Indian landowners. In making that determination, we will:

§ 162.531

(1) Review the WEEL and supporting documents;

(2) Identify potential environmental impacts and ensure compliance with all applicable environmental laws, land use laws, and ordinances;

(3) If the lease is being approved under 25 U.S.C. 415, assure ourselves that adequate consideration has been given to the factors in 25 U.S.C. 415(a); and

(4) Require any lease modifications or mitigation measures necessary to satisfy any requirements including any other Federal or tribal land use requirements.

(b) Upon receiving the WEEL package, we will promptly notify the parties whether the package is or is not complete. A complete package includes all the information and supporting documents required for a WEEL, including but not limited to, NEPA review documentation, where applicable.

(1) If the WEEL package is not complete, our letter will identify the missing information or documents required for a complete package. If we do not respond to the submission of a WEEL package, the parties may take action under § 162.588.

(2) If the WEEL package is complete, we will notify the parties of the date we receive the complete package, and, within 20 days of the date of receipt of the package at the appropriate BIA office, approve or disapprove the WEEL or return the package for revision.

(c) If we do not meet the deadline in this section, then the parties may take appropriate action under § 162.588.

(d) We will provide any WEEL approval determination and the basis for the determination, along with notification of appeal rights under part 2 of this chapter, in writing to the parties to the WEEL.

(e) We will provide any WEEL disapproval determination and the basis for the determination, along with notification of rights to an informal conference, in writing to the parties. Within 30 days of receipt of the disapproval determination, the parties may request an informal conference with the official who issued the determination. Within 30 days of receiving this request, the official must hold the informal conference with the parties. With-

25 CFR Ch. I (4-1-13 Edition)

in 10 days of the informal conference, the official must issue a decision and the basis for the decision, along with a notification of appeal rights under part 2 of this chapter, in writing to the parties to the WEEL.

(f) We will provide the approved WEEL on tribal land to the lessee and provide a copy to the tribe. We will provide the approved WEEL on individually owned Indian land to the lessee, and make copies available to the Indian landowners upon written request.

§ 162.531 How will BIA decide whether to approve a WEEL?

(a) We will approve a WEEL unless:

(1) The required consents have not been obtained from the parties to the WEEL;

(2) The requirements applicable to WEELs have not been met; or

(3) We find a compelling reason to withhold our approval in order to protect the best interests of the Indian landowners.

(b) We will defer, to the maximum extent possible, to the Indian landowners' determination that the WEEL is in their best interest.

(c) We may not unreasonably withhold approval of a WEEL.

§ 162.532 When will a WEEL be effective?

(a) A WEEL will be effective on the date on which we approve the WEEL, even if an appeal is filed under part 2 of this chapter.

(b) The WEEL may specify a date on which the obligations between the parties to a WEEL are triggered. Such date may be before or after the approval date under paragraph (a) of this section.

(c) WEEL lease documents not requiring our approval are effective upon execution by the parties, or on the effective date specified in the lease document. If the WEEL lease document does not specify an effective date, it becomes effective upon execution by the parties.

(a) Any WEEL lease document must be recorded in our LTRO with jurisdiction over the leased land.
