

§ 166.218 How do I acquire a permit through tribal allocation?

(a) A tribe may allocate grazing privileges on range units containing trust or restricted land which is entirely tribally-owned or which contains only tribal and government land under the control of the tribe.

(b) A tribe may allocate grazing privileges to its members and to tribally-authorized entities without competitive bidding on tribal and tribally-controlled government land.

(c) We will implement the tribe's allocation procedure by authorizing the grazing privileges on individually-owned Indian land and government land, subject to the rental rate provisions in § 166.400(b) and (c) of this part.

(d) A tribe may prescribe the eligibility requirements for allocations 60 days before granting a new permit or before an existing permit expires.

(e) 120 days before the expiration of existing permits, we will notify the tribe of the 60-day period during which the tribe may prescribe eligibility requirements.

(f) We will prescribe the eligibility requirements after the expiration of the 60-day period in the event satisfactory action is not taken by the tribe.

(g) Grazing rental rates for grazing privileges allocated from an existing permit, in whole or in part, must equal or exceed the rates paid by the preceding permittee(s). Tribal members will pay grazing rental rates established by the tribe on tribal lands.

§ 166.219 How do I acquire a permit through negotiation?

(a) Permits may be negotiated and granted by the Indian landowners with the permittee of their choice. The BIA may negotiate and grant permits on behalf of Indian landowners pursuant to § 166.205 of this part.

(b) Upon the conclusion of negotiations with the Indian landowners or their representatives, and the satisfaction of any applicable conditions, you may submit an executed permit and any required supporting documents to us for appropriate action. Where a permit is in a form that has previously been accepted or approved by us, and all of the documents needed to support the findings required by this part have

been received, we will decide whether to approve the permit within 30 days of the date of our receipt of the permit and supporting documents. If we decide to approve or disapprove a permit, we will notify the parties immediately and advise them of their right to appeal the decision under part 2 of this title.

(c) In negotiating a permit, the Indian landowners may choose to include their land in the permit in exchange for their receipt of a share of the revenues or profits generated by the permit. Under such an arrangement, the permit may be granted to a joint venture or other legal entity owned, in part, by the Indian landowners.

(d) Receipt of permit payments based upon income received from the land will not, of itself, make the Indian landowner a partner, joint venturer, or associate of the permittees.

(e) We will assist prospective permittees in contacting the Indian landowners or their representatives, for the purpose of negotiating a permit.

§ 166.220 What are the basic steps for acquiring a permit through negotiation?
