

§ 166.905

Alaska Native organizations, and other federal agencies providing agriculture services to Indians.

(c) The education committee established under §166.900(c) of this subpart will coordinate and implement the program nationally.

§ 166.905 Who can get assistance for postgraduate studies?

(a) The purpose of the postgraduate studies program is to enhance the professional and technical knowledge of Indian and Alaska Native natural resource and agriculture-related professionals working for an approved organization so that the best possible service is provided to Indian and Alaska Natives.

(b) We may pay the cost of tuition, fees, books, and salary of Alaska Natives and Indians who are employed by an approved organization and who wish to pursue advanced levels of education in natural resource or agriculture-related fields.

(c) The goal of the advanced study program is to encourage participants to obtain additional academic credentials such as a degree or diploma in a natural resources or agriculture-related field. Requirements of the postgraduate study program are:

(1) The duration of course work cannot be less than one semester or more than three years; and

(2) Students in the postgraduate studies program must meet performance standards as required by the graduate school offering the study program.

(d) Program applicants must submit application packages to the education committee. At a minimum, such packages must contain a resume and an endorsement signed by the applicant's supervisor clearly stating the need for and benefits of the desired training.

(e) The education committee must use the following criteria to select participants:

(1) Need for the expertise sought at both the local and national levels;

(2) Expected benefits, both locally and nationally; and

(3) Years of experience and the service record of the employee.

(f) Program participants will enter into an obligated service agreement to serve as a natural resources or agri-

culture-related professional with an approved organization for one year for each year in the program. We may reduce the obligated service requirement if the employee receives supplemental funding such as research grants, scholarships, or graduate stipends and, as a result, reduces the need for financial assistance under this part. If the obligated service agreement is breached, we will collect the amount owed us in accordance with §166.910 of this subpart.

§ 166.906 What can happen if we recruit you after graduation?

(a) The purpose of the post graduation recruitment program is to recruit Indian and Alaska Native natural resource and trained agriculture technicians into the agriculture programs of approved organizations.

(b) We may assume outstanding student loans from established lending institutions of Indian and Alaska Native natural resources and agriculture technicians who have successfully completed a post-secondary natural resources or agriculture-related curriculum at an accredited institution.

(c) Indian and Alaska Natives receiving benefits under this program will enter into an obligated service agreement in accordance with §166.901 of this subpart. Obligated service required under this program will be one year for every \$5,000 of student loan debt repaid.

(d) If the obligated service agreement is breached, we will collect student loan(s) in accordance with §166.910 of this subpart.

§ 166.907 Who can be an intern?

(a) Natural resources or agriculture personnel working for an approved organization may apply for an internship within agriculture-related programs of agencies of the Department of the Interior or other federal agencies providing an agriculture service to their respective reservations.

(b) Natural resources or agriculture-related personnel from other Department of the Interior agencies may apply through proper channels for "internships" within the BIA's agriculture programs. With the consent of a tribe or Alaska Native organization, the BIA can arrange for an Intergovernmental
