the legal description of the lands, including, if applicable, rock intervals or thicknesses subject to the minerals agreement, and the purposes of the minerals agreement;

(2) A statement setting forth the duration of the minerals agreement;

(3) A statement providing indemnification to the Indian mineral owner(s) and the United States from all claims, liabilities and causes of action that may be made by persons not a party to the minerals agreement;

(4) Provisions setting forth the obligations of the contracting parties;

(5) Provisions describing the methods of disposition of production;

(6) Provisions outlining the method of payment and amount of compensation to be paid;

(7) Provisions establishing accounting and mineral valuation procedures;

(8) Provisions establishing operating and management procedures;

(9) Provisions establishing any limitations on assignment of interests, including any right of first refusal by the Indian mineral owner in the event of a proposed assignment;

(10) Bond requirements;

(11) Insurance requirements;

(12) Provisions establishing audit procedures;

(13) Provisions for resolving disputes;

(14) A force majeure provision;

(15) Provisions describing the rights of the parties to terminate or suspend the minerals agreement, and the procedures to be followed in the event of termination or suspension;

(16) Provisions describing the nature and schedule of the activities to be conducted by the parties;

(17) Provisions describing the proposed manner and time of performance of future abandonment, reclamation and restoration activities;

(18) Provisions for reporting production and sales;

(19) Provisions for unitizing or communizing of lands included in a minerals agreement for the purpose of promoting conservation and efficient utilization of natural resources;

(20) Provisions for protection of the minerals agreement lands from drainage and/or unauthorized taking of mineral resources; and

(21) Provisions for record keeping.

(c) In order to avoid delays in obtaining approval, the Indian mineral owner is encouraged to confer with the Secretary prior to formally executing the minerals agreement, and seek advice as to whether the minerals agreement appears to satisfy the requirements of §225.22, or whether additions or corrections may be required in order to obtain Secretarial approval.

(d) The executed minerals agreement, together with a copy of a tribal resolution authorizing tribal officers to enter into the minerals agreement, shall be forwarded by the tribal representative to the appropriate Superintendent, or in the absence of a Superintendent to the Area Director, for approval.

§ 225.22 Approval of minerals agreements.

(a) A minerals agreement submitted for approval pursuant to §225.21(d) shall be approved or disapproved within:

(1) One hundred and eighty (180) days after submission, or

(2) Sixty (60) days after compliance, if required, with section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)) or any other requirement of Federal law, whichever is later.

(b) At least thirty (30) days prior to approval or disapproval of any minerals agreement, the affected Indian mineral owners shall be provided with written findings forming the basis of the Secretary’s intent to approve or disapprove the minerals agreement.

(1) The written findings shall include an environmental study which meets the requirements of §225.24 and an economic assessment, as described in §225.23.

(2) The Secretary shall include in the written findings any recommendations for changes to the minerals agreement needed to qualify it for approval.

(3) The 30-day period shall commence to run as of the date the written findings are received by the Indian mineral owner.

(4) Notwithstanding any other law, such findings and all projections, studies, data or other information (other than the environmental study required by §225.24) possessed by the Department of the Interior regarding the
§ 225.23 Economic assessments.

The Secretary shall prepare or cause to be prepared an economic assessment that shall address, among other things:

(a) Whether there are assurances in the minerals agreement that operations shall be conducted with appropriate diligence;

(b) Whether the production royalties or other form of return on mineral resources is adequate; and

(c) Whether the minerals agreement is likely to provide the Indian mineral owner with a return on the production comparable to what the owner might otherwise obtain through competitive bidding, when such a comparison can reasonably be made.

§ 225.24 Environmental studies.

(a) The Secretary shall ensure that all environmental studies are prepared as required by the National Environmental Policy Act of 1969 (NEPA) and the regulations promulgated by the Council on Environmental Quality (CEQ) found at 40 CFR parts 1500–1508.

(b) The Secretary shall ensure that all necessary surveys are performed and clearances obtained in accordance with 36 CFR parts 60, 63, and 800 and with the requirements of the Archaeological and Historic Preservation Act (16 U.S.C. 469 et seq.), the American Indian Religious Freedom Act (42 U.S.C. 1996), and Executive Order 11593 (3 CFR 1971–1975 Comp., p. 559, May 13, 1971). If these surveys indicate that a mineral development will have an adverse effect on a property listed on or eligible for listing on the National Register of Historic Places, the Secretary shall:
