**§ 41.25**

the Director of Education, incorporating the grant application and including the provisions required by § 41.27 of this subpart.

(e) The College shall be eligible to receive a grant for the fiscal year beginning October 1, 1979, and for each succeeding year, in an amount equal to \$4,000 multiplied by the number of FTE

Indian students in attendance at the College during each academic term divided by the number of academic terms in the academic year, except that no such grant shall exceed the annual operating expenses of the education programs provided by the College. The mathematical formula for calculating the base grant is BG (Base Grant)=

$$\$4,000 \times \frac{FTE_{\text{TERM 1}} + FTE_{\text{TERM 2}} + \dots + FTE_{\text{TERM N}}}{N}$$

where FTE is the Indian FTE for each of the academic terms during the academic year calculated in conformity with § 41.22(g) of this subpart and N is the number of academic terms in the academic year. The amount and payment of such grants shall be subject to the availability of annual appropriations.

(f) The Director of Education shall authorize payments to the College in advance installments by letter of credit or Treasury check in an amount equal to fifty percent (50%) of the grant amount available for allotment to the College for such academic year under paragraph (e) of this section on or before October 1st of such academic year (except 1979-80) or the first day on which appropriations for the fiscal year beginning on such date are available for obligation by BIA, whichever occurs later, based on the number of FTE Indian students calculated on the basis of registrations as in effect at the conclusion of the sixth week of the final academic term of the preceding year. On or before January 1st (or such other date that is the first day of the fifth month) of such academic year, payment shall be made in the form of such advance installments to the College in an amount equal to seventy-five percent (75%) of the grant amount available for allotment to the College for such academic year under paragraph (e) of this section, calculated on the basis of registrations as in effect at the conclusion of the sixth week of the academic year, less the amount previously advanced for such academic year. On or before July 1st (or such other date that is the first day of the eleventh month)

of such academic year, the balance of the grant amount to which the College is entitled under paragraph (e) of this section shall be paid to the College. In the event that additional sums are appropriated for the benefit of the College, these sums shall be included in the final payment.

(g) Overpayments of grants under this subpart may be recovered in the manner provided by § 41.8(g) of subpart A.

(h) Payments to the Navajo Community College under this subpart shall not disqualify the College from applying for or receiving grants or contracts under any other Federal programs for which it may qualify.

**§ 41.25 Reports.**

The Navajo Community College shall provide the Director of Education on or before September 1st of each year a report which shall include an accounting of the amounts and purposes for which financial assistance under this subpart was expended during the preceding academic year, the annual cost of the education programs of the College from all sources for such academic year, and a final report of the performance based upon the criteria set forth in the College's stated goals, philosophy or plan of operation. Upon reasonable cause, the Director of Education may extend the period for submitting the annual report. The college shall in addition report to the Director of Education its FTE Indian Student enrollment for each academic term of the academic year within three weeks of the date such FTE calculation is made.
